On April 3, 2014, the Corporation filed a Corrected Amended and Restated Certificate of Incorporation (the “Corrected Amended and Restated Certificate of Incorporation”) with the Secretary of State of the State of Delaware in order to correct certain omitted language and other typographical errors found in the Amended and Restated Certificate of Incorporation filed by the Corporation on October 23, 2013. In particular, the Corrected Amended and Restated Certificate of Incorporation clarifies that (1) a stockholder vote to amend Article FIFTH is not required in the event a Business Combination (as defined in the Corrected Amended and Restated Certificate of Incorporation) is consummated and the Corporation has provided stockholders with the opportunity to sell their shares to the Corporation by means of a tender offer and (2) the Corporation will not consummate a Business Combination if (i) the Corporation has net tangible assets of less than \$5,000,001 upon such consummation or (ii) enough stockholders tender or convert their shares so that the Corporation is unable to satisfy any applicable closing condition set forth in the definitive agreement related to the Business Combination.
