The accompanying Notice of the Annual Meeting of Stockholders, this Proxy Statement, and the enclosed proxy card are first being mailed to stockholders on or about May 12, 2014.

Record Date

The Board of Directors has fixed the close of business on April 28, 2014 as the record date (the “Record Date”) for determining the holders of the Company’s Common Stock. Accordingly, only holders of record of Common Stock at the close of business on the Record Date will be entitled to vote at the Annual Meeting, with each share of Common Stock entitling its holder to one vote on all matters properly presented at the Annual Meeting.

Outstanding Shares

On the Record Date, there were 26,778,357 shares of Common Stock outstanding held by approximately 233 record owners.

Quorum

The presence, in person or by proxy, of a majority of the total number of outstanding shares of Common Stock entitled to vote at the Annual Meeting, or 13,389,179 shares of Common Stock, is necessary to constitute a quorum at the Annual Meeting.

Voting

Each stockholder will be entitled to one vote for each share of Common Stock held of record by the stockholder on the Record Date on all matters submitted for stockholder approval at the Annual Meeting on which the shares are entitled to vote. Stockholders are not entitled to cumulate votes on any proposal proposed for action at the Annual Meeting.

Abstentions and broker non-votes will not be counted as an affirmative or negative vote on any proposal.

If your shares are held by a broker on your behalf (that is, in “street name”), and you do not instruct the broker as to how to vote these shares on any of the proposals, the broker may not exercise discretion to vote for or against those proposals. This would be a “broker non-vote” and these shares will not be counted as having been voted on the applicable proposal. **Please note that brokers may not vote your shares on the election of directors in the absence of your specific instructions as to how to vote so we encourage you to vote your shares.**

Proxies

The Board of Directors is soliciting the enclosed proxy for use at the Annual Meeting and any adjournments or postponements of that meeting. The proxy holders will not vote the proxy at any other meeting. All proxies that are properly executed, received by the Company prior to or at the Annual Meeting, and not properly revoked by the stockholder in accordance with the instructions below, will be voted at the Annual Meeting or any adjournments or postponements thereof in accordance with the instructions in the proxy.

The shares represented by each signed proxy will be voted in accordance with the instructions given on the proxy. If a signed proxy is received but no instructions are indicated, the proxy will be voted as follows:

FOR the seven nominees to the Company’s Board of Directors named in this Proxy Statement;

FOR the ratification of the appointment of Albert Wong & Co. as the independent registered public accounting firm for the Company for the fiscal year ending December 31, 2014;

FOR the approval of the compensation of the Company’s named executives;

at the discretion of the persons named in the proxy on any other business that may properly come before the Annual Meeting.

The person giving any proxy in response to this solicitation may revoke it at any time before the proxy is voted:

By filing with the Company’s corporate secretary, at or before the taking of the vote at the Annual Meeting, a written notice of revocation bearing a later date than the date of the proxy; or

By signing and dating a subsequent proxy relating to the same shares and delivering it to the Company’s corporate secretary before the Annual Meeting; or

By attending the Annual Meeting and voting in person.

Attendance at the Annual Meeting without taking one of the foregoing measures will not constitute a revocation of a proxy.

Any written notice revoking a proxy should be sent to Iveda Solutions, Inc., 1201 S. Alma School Rd., Suite 8500, Mesa, Arizona 85210, Attention: Secretary, or hand delivered to the corporate secretary at the Annual Meeting, at or before the taking of the vote.

Notice to Beneficial Owners of Shares

Any shares held in the name of fiduciaries, custodians, or brokerage houses for the benefit of their clients or otherwise held in “street name” may only be voted by the fiduciary, custodian, or brokerage house itself. The beneficial owner may not directly vote or appoint a proxy to vote the shares and should instruct the person or entity in whose name the shares are held how to vote. Brokerage houses should provide beneficial owners with instructions that the beneficial owners must follow to direct the voting of their shares.

Solicitation of Proxies

We will bear the cost of preparing, printing, and mailing this Proxy Statement and of the solicitation of proxies by the Board of Directors. Solicitation will be made by mail and, in addition, may be made by our directors, officers, and employees personally, or by telephone, facsimile or e-mail. None of those persons will be compensated for soliciting proxies. We will request brokers, custodians, nominees, and other like parties to forward copies of proxy materials to the beneficial owners of the shares and will reimburse such parties for their reasonable and customary charges or expenses in this regard.

The members of the Audit Committee are Messrs. Staudohar (Chairman), Farnsworth and Gillen. The Board of Directors has determined that Mr. Staudohar is an "audit committee financial expert" as defined in Item 407(d)(5) of Regulation S-K promulgated by the Securities and Exchange Commission. The Board of Directors' conclusion regarding the qualifications of Mr. Staudohar as an audit committee financial expert was based on his service as a chief financial officer of numerous companies in various industries, his experience as a certified public accountant and his degree in accounting.

Compensation Committee. The Compensation Committee was established on February 18, 2010 and operates pursuant to the Compensation Committee Charter which can be found at the Company's website at

www.ivedasolutions.com/investor-relations/corporate-governance/. The Compensation Committee did not hold any meetings during the last fiscal year. The Compensation Committee is responsible for: (1) setting base compensation for all executive-level employees; (2) approving bonus plans for executive-level employees; (3) authorizing issuance of Company stock options and/or warrants; (4) reviewing and making recommendations to the Board of Directors regarding bonus plans for non-executive level employees; and (5) making recommendations to the Board of Directors regarding the Company's profit-sharing plans. The Compensation Committee may delegate its responsibilities to a subcommittee of the Compensation Committee.

Nominating and Corporate Governance. The Nominating and Corporate Governance Committee was established on February 18, 2010 and operates pursuant to the Nominating and Corporate Governance Committee Charter which can be found at the Company's website at www.ivedasolutions.com/investor-relations/corporate-governance/. The Nominating and Corporate Governance Committee does not have established minimum qualification requirements for potential directors, and instead evaluates each candidate on a case-by-case basis, including review of the candidate's resume, interviews with the candidate, and interviews with the candidate's references. The Nominating and Corporate Governance Committee has not paid any fees to a third party to identify or evaluate potential nominees.

Meeting Attendance

The Board of Directors met two times during the last fiscal year. Each director attended over 75% of the meetings of the Board of Directors and each committee on which he served and which met during the last fiscal year. Directors are expected to attend the annual meetings of stockholders, if any. All of the Directors attended the 2013 Annual Meeting of Stockholders on July 17, 2013.

Independence of the Board of Directors

The Board of Directors has determined that Messrs. Farnsworth, Omi, Staudohar and Gillen each qualify as an independent director based upon those individuals' freedom from relationships with the Company which would impair their ability to exercise independent judgment on behalf of the Company, insofar that none of such persons is party to any consulting, advisory or other arrangement with the Company (other than compensation for their service on the Board of Directors) and none of such persons is an "affiliated person" of the Company or any of its subsidiaries (as such term is defined for purposes of Section 10A(m)(3)(B)(ii) of the Securities Exchange Act). Messrs. Farnsworth, Omi, Staudohar and Gillen each meet applicable corporate governance standards for independence both as a director and as a member of the committee on which such director serves. The Company did not consider any relationship or transaction between itself and these independent directors not already disclosed in this Proxy Statement in making this determination.

There is no arrangement or understanding between any of the directors or officers of the Company and any other person pursuant to which any director or officer was or is to be selected as a director or officer, and there is no arrangement, plan or understanding as to whether non-management stockholders will exercise their voting rights to continue to elect the current directors to the Board of Directors. There are also no arrangements, agreements or understandings between non-management stockholders that may directly or indirectly participate in or influence the management of the Company's affairs.

There are no agreements or understandings for any officer or director to resign at the request of another person, and none of the officers or directors are acting on behalf of, or will act at the direction of, any other person. There are no family relationships among our executive officers and directors.

Director Nomination Procedures

The Nominating and Corporate Governance Committee considers recommendations from securities holders for candidates for the Board of Directors, as well as candidates recommended by current directors, company officers, employees and others.

Each of the nominees is an incumbent director. The Board of Directors believes that all of the nominees possess a desirable understanding of the Company and the industry in which it operates, and are independent and otherwise qualified to serve on the Board of Directors, and therefore recommends that all nominees be re-elected as members of the Board of Directors.

Communication with Directors

Any stockholder who wishes to communicate with members of the Board of Directors, individually or as a group, may do so by writing to the intended member or members of the Board of Directors, c/o Secretary, Iveda Solutions, Inc., 1201 S. Alma School Rd., Suite 8500, Mesa, Arizona 85210. Communications should be sent by overnight or certified mail, return receipt requested. All communications will be submitted to the Board of Directors in a timely manner.

Required Vote

Assuming the existence of a quorum, the seven nominees receiving the most votes will be elected directors. Nevada corporate law provides that directors are elected by a plurality of the votes cast by the stockholders who are entitled to vote and are present in person or represented by proxy at the meeting. In other words, the seven nominees receiving the most votes, even if less than a majority of the shares cast, will be elected to the Board of Directors. Abstentions and broker non-votes are counted for purposes of determining whether a quorum exists at the Annual Meeting, but are not counted and have no effect on the determination of whether a plurality exists with respect to a given nominee.

Board Leadership Structure and Role in Risk Oversight

The Company's Chief Executive Officer also serves as its Chairman of the Board of Directors. The Board of Directors believes maintaining flexibility regarding whether to combine or separate the positions of Chairman and Chief Executive Officer permits it to select the most qualified candidate for the position of Chairman, including a member of management if the Board of Directors believes he or she will provide the most effective leadership for the Board of Directors. The Board of Directors believes that this leadership structure is advantageous because it allows the Company to speak on a unified and consistent basis to its various constituents, both internal and external, and fosters accountability and effective decision-making.

The Board of Directors and each of its standing committees (Audit, Compensation, and Nominating and Corporate Governance) oversee the management of risks inherent in the operation of the Company's business. The Board of Directors has delegated certain risk management responsibilities to the committees. The Board of Directors and the Audit Committee evaluate Company policies with respect to the Company's liquidity risk, regulatory risk, operational risk and enterprise risk through reviews, as needed, with management and other advisors. The Board of Directors and the Governance and Nominating Committee monitor the Company's governance and succession risk through reviews, as needed, with management and outside advisors. The Compensation Committee reviews the impact of the Company's compensation program and the associated incentives to determine whether they present a significant risk to the Company. The Board of Directors has concluded, based on its reviews and analysis of the Company's compensation policies and procedures, that such policies and procedures are not reasonably likely to have a material adverse effect on the Company.

The Board of Directors urges the stockholders to vote "FOR" each of Messrs. Ly, Farnsworth, Omi, Staudohar, Gillen, Kuo and Franco.

EXECUTIVE COMPENSATION AND OTHER INFORMATION

Compensation Philosophy and Overview

The Company believes that it is important to design a compensation program that supports the Company's business strategy. As a result, our compensation program emphasizes performance-based compensation and is designed to support the Company's business goals, promote short- and long-term growth, and attract, retain, and motivate key talent. The compensation program has three components:

- (1) base salary;
- (2) bonus awards; and
- (3) long-term performance incentives.

The Company believes that our executive officers and other key employees should have a portion of their potential annual compensation tied to our profitability and other Company goals. Additionally, we seek to align the ability to earn long-term incentives directly with the interests of our stockholders through the use of equity-based incentives. The Company strives to ensure compensation is competitive with companies similar to the Company; however, the Company acknowledges that base salaries are currently below market.

Summary Compensation Table

The following summary compensation table sets forth information concerning compensation for services rendered in all capacities during our past two fiscal years awarded to, earned by, or paid to the Company's principal executive officer, principal financial officer, and each of the most highly compensated executive officers who receive total annual compensation of at least \$100,000 (the "Named Executive Officers"). Salary and other compensation for these officers and former officers were set by the Board of Directors. The Company has historically suffered severe shortages in cash and has structured its compensation policies to provide below market rate salaries and focus instead on reward of equity.

- (2) Audit-related fees include fees for professional services reasonably related to the performance of audit services and accounting services, including consultations with management on various audit and accounting matters.

As part of its responsibility for oversight of the independent registered public accountants, the Audit Committee has established a pre-approval policy for engaging audit and permitted non-audit services provided by our independent registered public accountants, FHH and AW. In accordance with this policy, each type of audit, audit-related, tax and other permitted service to be provided by the independent auditors is specifically described and each such service, together with a fee level or budgeted amount for such service, is pre-approved by the Audit Committee. The Audit Committee has delegated authority to its Chairman to pre-approve additional non-audit services (provided such services are not prohibited by applicable law) up to a pre-established aggregate dollar limit. All services pre-approved by the Chairman of the Audit Committee must be presented at the next Audit Committee meeting for review and ratification. All of the services provided by AW and FHH described above were approved by the Audit Committee.

AW and FHH did not engage any other persons or firms other than the principal accountant's full-time, permanent employees.

Unless otherwise indicated, properly executed proxies will be voted in favor of ratifying the appointment of AW to audit the Company's books and accounts for the fiscal year ending December 31, 2014.

Recommendation of Board of Directors

The Board of Directors unanimously recommends that you vote FOR the ratification of AW as the Company's independent auditors.

PROPOSAL NO. 3

ADVISORY VOTE TO APPROVE EXECUTIVE COMPENSATION

General Information Regarding Say on Pay Vote

The Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 (“Dodd Frank”) added several provisions to the federal securities laws which amended the disclosure rules and forms related to public company disclosure, including provisions which increase stockholder participation with regard to executing certain corporate policies related to the compensation of the Company’s Named Executive Officers. Specifically, Dodd Frank inserted a new section 14A to the Securities Exchange Act which requires that stockholders of the Company vote on a non-binding advisory basis (1) to approve the compensation of the Company’s Named Executive Officers, as set forth above under the heading “Executive Compensation and Other Information,” pursuant to the SEC’s compensation disclosure rules (this vote is referred to herein as “Say on Pay”), and (2) to determine whether Say on Pay votes will occur every one year, every two years, or every three years. The Say on Pay vote is a non-binding advisory vote. Accordingly, the Say on Pay vote may not be construed as overruling the Board of Directors or altering or adding to the fiduciary duties of the Board of Directors with respect to executive compensation issues. However, the Company’s Compensation Committee and Board of Directors value your input and opinion and will consider the results of the Say on Pay vote in determining executive compensation awards. These provisions were applicable to the Company for the first time last year due to the Company’s reduced disclosure requirements based on its status as a “smaller reporting company.” A vote of the majority of shares represented at the meeting and entitled to vote thereat is required to approve this proposal.

Compensation of Named Executives

The compensation policies and practices, as well as detailed information regarding the compensation of the Company’s Named Executive Officers, is set forth in this proxy statement. The Company seeks to maintain a compensation program that emphasizes performance-based compensation in order to support the Company’s business goals, promote short- and long-term growth, and attract, retain and motivate key talent. Because the Company believes that executive compensation should be tied to the profitability of the Company, and because the Company has recognized cash flow shortages, our compensation policies seek to pay below market cash salaries and focus instead on reward of equity. The Company believes that the base salary compensation of its named executives is below market.

Recommendation of Board of Directors

The Board of Directors unanimously recommends that you vote FOR the approval of the compensation paid to the Company’s Named Executive Officers as disclosed pursuant to Item 402 of Regulation S-K and set forth above under

the heading “Executive Compensation and Other Information,” including in the compensation tables and the narrative discussion set forth therein.
