PROSPECTUS

1,322,364 Shares of Common Stock

This prospectus relates to an aggregate of up to 1,322,364 shares of common stock (the “Shares”) of Community Bank System, Inc. (“Community Bank System”) that may be resold from time to time by the selling stockholders listed in the table under the section entitled “Selling Stockholders” in this prospectus for their own account. We will not receive any proceeds from the sale of shares offered by the selling stockholders.

The Selling Stockholders (as defined below) acquired the Shares pursuant to the Agreement and Plan of Merger, dated as of December 2, 2016 (the “Merger Agreement”), by and among Community Bank System, Cohiba Merger Sub, LLC, a Delaware limited liability company and wholly-owned subsidiary of Community Bank System (“Merger Sub”), Northeast Retirement Services, Inc., a Massachusetts corporation (“NRS”), and Shareholder Representative Services LLC, a Colorado limited liability company. Pursuant to the Merger Agreement, we acquired all of the outstanding capital stock of NRS through the merger of NRS with and into Merger Sub (the “Merger”) and issued the Shares as a portion of the merger consideration to the stockholders of NRS (collectively, the “Selling Stockholders”). 132,362 of the Shares were deposited into an escrow account at the closing of the Merger to secure our rights to indemnification claims pursuant to the Merger Agreement. See “Prospectus Summary – Acquisition of NRS”. Subject to the resale restrictions set forth in the Merger Agreement, the Selling Stockholders may sell the Shares directly to purchasers or, through underwriters, broker-dealers or agents, who may receive compensation in the form of discounts, concessions or commissions. The Selling Stockholders may sell the Shares at any time at market prices prevailing at the time of sale, at prices related to such market prices, at a fixed price or prices subject to change or at privately negotiated prices. This prospectus describes the general manner in which the Shares may be offered and sold by the Selling Stockholders. If necessary, the specific manner in which the Shares may be offered and sold will be described in a supplement to this prospectus. See “Plan of Distribution”.

Our common stock is listed on the New York Stock Exchange (“NYSE”) under the symbol “CBU”. On February 2, 2017, the closing price of our common stock, as reported on the NYSE, was \$57.66 per share.

CAUTIONARY STATEMENT REGARDING FORWARD-LOOKING STATEMENTS

Certain statements contained in this prospectus and the documents incorporated by reference herein may constitute forward-looking statements within the meaning of Section 27A of the Securities Act, and Section 21E of the Securities Exchange Act of 1934, as amended (the “Securities Exchange Act”), and are intended to be covered by the safe harbor provisions of the Private Securities Litigation Reform Act of 1995. You can identify these statements from the use of the words “may,” “will,” “should,” “could,” “would,” “plan,” “potential,” “estimate,” “project,” “believe,” “intend,” “expect,” “target” and similar expressions.

These forward-looking statements are subject to significant risks, assumptions and uncertainties. Actual results may differ materially from the results discussed in the forward-looking statements. Moreover, Community Bank System’s plans, objectives and intentions are subject to change based on various factors (some of which are beyond Community Bank System’s control). Factors that could cause actual results to differ from those discussed in the forward-looking statements include: (1) risks related to credit quality, interest rate sensitivity and liquidity; (2) the strength of the U.S. economy in general and the strength of the local economies where Community Bank System conducts its business; (3) the effect of, and changes in, monetary and fiscal policies and laws, including interest rate policies of the Board of Governors of the Federal Reserve System; (4) inflation, interest rate, market and monetary fluctuations; (5) the timely development of new products and services and customer perception of the overall value thereof (including features, pricing and quality) compared to competing products and services; (6) changes in consumer spending, borrowing and savings habits; (7) technological changes; (8) any acquisitions or mergers that might be considered or consummated by Community Bank System and the costs and factors associated therewith; (9) the ability to maintain and increase market share and control expenses; (10) the effect of changes in laws and regulations (including laws and regulations concerning taxes, banking, securities and insurance) and accounting principles generally accepted in the United States; (11) changes in Community Bank System’s organization, compensation and benefit plans and in the availability of, and compensation levels for, employees in its geographic markets; (12) the costs and effects of litigation and of any adverse outcome in such litigation; (13) other risk factors outlined in Community Bank System’s filings with the Securities and Exchange Commission from time to time; (14) changes imposed by regulatory agencies including to increase Community Bank System’s capital requirements; and (15) the success of Community Bank System at managing the risks of the foregoing. In addition, Community Bank System’s past results of operations do not

necessarily indicate Community Bank System's and NRS' combined future results. Other factors that could cause the results of Community Bank System to differ materially from those described in the forward-looking statements can be found in our filings with the SEC, including the Annual Report on Form 10-K for the fiscal year ended December 31, 2015, subsequent quarterly reports on Form 10-Q, and current reports on Form 8-K.

The foregoing list of important factors is not exclusive. You should not place undue reliance on any of the forward-looking statements, which speak only as of the date on which they are made. Community Bank System does not undertake any obligation to update any forward-looking statement, whether written or oral, to reflect events or circumstances after the date on which such statement is made. If Community Bank System does update or correct one or more forward-looking statements, investors and others should not conclude that Community Bank System will make additional updates or corrections with respect thereto or with respect to other forward-looking statements.

PROSPECTUS SUMMARY

This section contains a general summary of information contained elsewhere in this prospectus. It may not include all of the information that is important to you. Our business is subject to a number of risks, which we describe in the “Risk Factors” in our Annual Report on Form 10-K for the annual period ended December 31, 2015, filed with the SEC on February 29, 2016, and subsequent quarterly reports on Form 10-Q, which are incorporated by reference herein. See “Incorporation of Documents by Reference”. You should read the entire prospectus and the documents incorporated by reference before making an investment decision.

We are a Delaware corporation (incorporated in April 1983) registered as a financial holding company under the Bank Holding Company Act of 1956, as amended. At December 31, 2016, Community Bank System had on a consolidated basis approximately \$8.7 billion in total assets, \$7.1 billion in total deposits, \$4.9 billion in total loans and stockholders’ equity of \$1.2 billion. Our principal executive offices are located in DeWitt, New York, and we are the parent company of Community Bank, N.A. (“Community Bank”), a national banking association, which is among the country’s 150 largest financial institutions.

Community Bank is a commercial banking franchise with more than 200 customer facilities and 202 ATMs stretching diagonally from Northern New York to the Southern Tier and west to Lake Erie, and in Northern Pennsylvania. Community Bank is a national bank and a member of the Federal Reserve System and the Federal Home Loan Bank System, and its deposits are insured by the Federal Deposit Insurance Corporation, up to applicable limits.

Community Bank System’s business strategy is to operate as a profitable, diversified financial services company providing a variety of banking and other financial services, with an emphasis on consumer and residential mortgage lending and commercial business loans to small and medium-sized businesses. As a result of consolidation of small to medium-sized financial institutions and the de-emphasis on retail branch banking by larger bank holding companies in the markets Community Bank serves, we believe there is a significant opportunity for a community-focused bank to provide a full range of financial services to small and middle-market commercial and retail customers. Community Bank’s branches are located in small towns and villages where competition is less intense. Community Bank emphasizes comprehensive retail and small business products and responsive, decentralized decision-making which reflect Community Bank’s knowledge of its local markets and customers.

Through our subsidiaries, Community Bank System offers a wide range of financial services to businesses, individuals, agricultural and government customers. Community Bank’s subsidiary, OneGroup NY, Inc., is a regional insurance broker with headquarters in Syracuse, New York. Community Bank System’s wholly-owned subsidiary, Benefit Plans Administrative Services, Inc., is a leading provider of employee benefits administration and trust services, and actuarial and consulting services to customers on a national scale.

On October 24, 2016, Community Bank System announced it had entered into a definitive agreement to acquire Merchants Bancshares, Inc., the parent company of Merchants Bank headquartered in South Burlington, Vermont, for approximately \$352 million in Community Bank System common stock and cash.

For additional information concerning the business of Community Bank System and our financial condition, results of operations and prospects, you should refer to the documents incorporated in this document by reference. See “Where You Can Find More Information”.

Acquisition of NRS

On December 2, 2016, Community Bank System entered into the Merger Agreement with NRS, whereby NRS agreed to merge with and into Merger Sub, with Merger Sub continuing as the surviving entity as a wholly owned subsidiary of Community Bank System. The Merger was completed on February 3, 2017 (the “Closing Date”).

Pursuant to the Merger Agreement, we issued 1,322,364 shares of our common stock to the Selling Stockholders on the Closing Date. 132,362 of the Shares were deposited into an escrow account on the Closing Date (the “Escrow Account”) to secure our rights to indemnification pursuant to the Merger Agreement. The Shares held in the Escrow Account will be released on the later of (i) February 3, 2018 and (ii) the date on which we file with the SEC our annual report on Form 10-K for the fiscal year ending December 31, 2017, except for any Shares necessary to satisfy pending indemnification claims.

This prospectus covers the resale of the Shares issued on the Closing Date, including the Shares held in the Escrow Account, pursuant to the terms of the Merger Agreement.

Registration Rights

In connection with the Merger, we have agreed to file a registration statement, of which this prospectus forms a part, pursuant to a Registration Rights Agreement dated as of the Closing Date, by and among Community Bank System and the Selling Stockholders (the “Registration Rights Agreement”), a copy of which is filed as Exhibit 10.1 to the registration statement of which this prospectus is a part, and to use our reasonable best efforts to maintain the effectiveness of the registration statement until the earlier of:

the date when all of the Shares may be sold without volume or manner of sale restrictions under Rule 144 promulgated by the SEC pursuant to the Securities Act (“Rule 144”), without the requirement for Community Bank System to be in compliance with the current public information requirements under Rule 144 (including under Rule 144(c)(1) and Rule 144(i)(2)); and

the date when all of the Shares have been sold in accordance with the section entitled “Plan of Distribution” or pursuant to Rule 144.

RISK FACTORS

Investing in our common stock involves a high degree of risk. Before making an investment decision, you should carefully consider the risks and uncertainties described in, and incorporated by this reference into, this prospectus, including the information provided under the caption “Risk Factors” in our Annual Report on Form 10-K for the annual period ended December 31, 2015, filed with the SEC on February 29, 2016, and subsequent quarterly reports on Form 10-Q. These risks and uncertainties are not the only ones we face. Additional risks and uncertainties of which we are currently unaware, or that we currently believe to be immaterial, may also become important factors that materially and adversely affect our business, financial condition or results of operations. If any of these risks actually occurs, our business operations, financial condition and results of operations could be materially and adversely affected. In that event, the market price of the shares of our common stock could decline and you may lose all or a substantial part of your investment.

USE OF PROCEEDS

The Selling Stockholders will receive all of the net proceeds from the sales of the Shares covered by this prospectus and we will not receive any proceeds from the sales.

SELLING STOCKHOLDERS

The following table sets forth information regarding the Selling Stockholders named below and the Shares that may be offered and sold from time to time by them pursuant to this prospectus. Other information about the Selling Stockholders may change over time. The Selling Stockholders named below are referred to in this prospectus as the “Selling Stockholders”.

All of the Shares were issued to the Selling Stockholders in connection with the Merger with NRS pursuant to an exemption from the registration requirements of the Securities Act provided by Section 4(a)(2) thereof. In connection with the Merger, we agreed to register the Shares under the Securities Act pursuant to the Registration Rights Agreement. See “Prospectus Summary—Acquisition of NRS”.

The Selling Stockholders from time to time may offer all or some or none of their Shares under this prospectus. Since the Selling Stockholders are not obligated to sell, transfer or otherwise dispose of their Shares, and because the Selling Stockholders may acquire shares of our publicly-traded common stock, we cannot estimate how many shares each Selling Stockholder will beneficially own upon the termination of any particular offering by such Selling Stockholder. The table below assumes that the Selling Stockholders will sell all of the Shares.

To the best of our knowledge, based in part on representations made to us by the Selling Stockholders, none of the Selling Stockholders has or within the past three years has had, any position, office or other material relationship with us or any of our affiliates. To the best of our knowledge, except for SSB Investments, Inc., none of the Selling Stockholders are broker-dealers or affiliates of broker-dealers, nor at the time of the acquisition, except for the arrangement with Raymond James & Associates, Inc. (“Raymond James”) described elsewhere in this prospectus, did any Selling Stockholder have direct or indirect agreements or understandings with any person to distribute their shares. See “Plan of Distribution”.

None of the Selling Stockholders beneficially own 1% or more of our outstanding common stock.

PLAN OF DISTRIBUTION

The Shares listed in the table appearing under “Selling Stockholders” are being registered to permit public secondary trading of these Shares by the holders of such Shares from time to time on or after the date of this prospectus. Registration of the Shares covered by this prospectus does not mean, however, that such Shares necessarily will be offered or sold pursuant to the prospectus. We will not receive any of the proceeds from the sale of the Shares by the Selling Stockholders. Pursuant to the Merger Agreement, the Selling Stockholders have agreed, that from the Closing Date until the close of trading on the 100th trading day following the Closing Date (“Transfer Restriction Period”), they are prohibited, on any given trading day, from selling a number of shares of common stock acquired in the Merger that in the aggregate exceeds 43,016 shares (the “Daily Limit”).

During the Transfer Restriction Period, each Selling Stockholder (together with its affiliates) is permitted to sell on any given trading day a number of shares acquired pursuant to the Merger Agreement up to (and in no event in excess of) such Selling Stockholder’s pro rata portion of the Daily Limit. However, the Merger Agreement provides that the Selling Stockholders may retain a broker-dealer, investment adviser or other financial intermediary to coordinate the sale of the Shares during all or any portion of the Transfer Restriction Period, in which case the sale of the Shares by a Selling Stockholder participating in such arrangement may exceed such Selling Stockholder’s pro rata portion of the Daily Limit on a given trading day but only if the aggregate sales of the Shares on such trading day by all participating Selling Stockholders do not, in the aggregate, exceed the aggregate pro rata portion of all such participating Selling Stockholders.

To that end, and in order to effectuate sales of the Shares in compliance with the Daily Limit, six Selling Stockholders intend to enter into an agreement with Raymond James & Associates, Inc. (“Raymond James”), a registered broker-dealer, with respect to the sale of the Shares throughout the Transfer Restriction Period. The agreement with Raymond James provides for the tracking of daily sales of Shares by those six Selling Stockholders to ensure that, as a group, those Selling Stockholder adhere to their aggregate pro rata portion of the Daily Limit.

Subject to the sales volume restrictions set forth above, the Selling Stockholders may sell the Shares from time to time directly to purchasers or through underwriters, broker-dealers or agents, at market prices prevailing at the time of sale, at prices related to such market prices, at a fixed price or prices subject to change or at negotiated prices, by a variety of methods including one or more of the following:

through the NYSE or on any national securities exchange or quotation service on which the shares of common stock may be listed or quoted at the time of sale;

in the over-the-counter market;

5

in transactions otherwise than on such exchanges or services or in the over-the-counter market;

through the exercise of purchased or written options;

through a combination of any such methods; or

through any other method permitted under applicable law and in accordance with our “policy prohibiting insider trading”.

In effecting sales, brokers or dealers engaged by the Selling Stockholders may arrange for other brokers or dealers (in addition to the arrangement with Raymond James discussed above) to participate. Broker-dealers may receive commissions or discounts from the Selling Stockholders (or, if any broker-dealer acts as agent for the purchaser of Shares, from the purchaser) in amounts to be negotiated. Broker-dealer transactions may include:

a block trade in which a broker-dealer may resell all or part of the block, as principal or agent, in order to facilitate the transaction;

purchases by a broker-dealer, as principal, and a subsequent resale by the broker-dealer for its account;

pledges of Shares to a broker-dealer, who may, in the event of default, purchase or sell the pledged shares; or

ordinary brokerage transactions and transactions in which a broker solicits purchasers on behalf of the Selling Stockholders.

In addition, Selling Stockholders who are neither an employee of ours nor otherwise subject to our insider trading policy may enter into option, derivative or hedging transactions with respect to the Shares, and any related offers or sales of Shares may be made pursuant to this prospectus. For example, the Selling Stockholders may:

enter into transactions involving short sales of the Shares by broker-dealers in the course of hedging the positions they assume with Selling Stockholders;

sell Shares short themselves and deliver the Shares registered hereby to settle such short sales or to close out stock loans incurred in connection with their short positions;

- write call options, put options or other derivative instruments (including exchange-traded options or privately negotiated options) with respect to the Shares, or which they settle through delivery of the Shares;

enter into option transactions or other types of transactions that require the Selling Stockholder to deliver Shares to a broker, dealer or other financial institution, who may then resell or transfer the shares under this prospectus; or

- lend the Shares to a broker, dealer or other financial institution, which may sell the lent Shares.

These option, derivative and hedging transactions may require the delivery to a broker, dealer or other financial institution of Shares offered hereby, and such broker, dealer or other financial institution may resell such Shares pursuant to this prospectus.

Brokers, dealers, agents or underwriters participating in transactions as agent may receive compensation in the form of discounts, concessions or commissions from the Selling Stockholders (and, if they act as agent for the purchaser of the Shares, from such purchaser). The discounts, concessions or commissions as to a particular broker, dealer, agent or underwriter might be in excess of those customary in the type of transaction involved.

The Selling Stockholders and any underwriters, brokers, dealers or agents that participate in such distribution may be deemed to be “underwriters” within the meaning of the Securities Act, and any discounts, commissions or concessions received by any underwriters, brokers, dealers or agents might be deemed to be underwriting discounts and commissions under the Securities Act. Neither we nor the Selling Stockholders can presently estimate the amount of such compensation. Any Selling Stockholder who is an “underwriter” within the meaning of the Securities Act will be subject to the prospectus delivery requirements of the Securities Act and the provisions of the Exchange Act and the rules thereunder relating to stock manipulation. The Selling Stockholders may indemnify underwriters, brokers, dealers or agents that participate in transactions involving sales of the Shares against specific liabilities, including liabilities arising under the Securities Act.

We will pay substantially all of the expenses incident to the preparation and filing of the registration statement, of which this prospectus forms a part. Each Selling Stockholder will be responsible for its respective expenses incident to any sale of Shares by that Selling Stockholder, including commissions and discounts of underwriters, brokers, dealers or agents, as well as fees and expenses payable to Raymond James, to the extent applicable.

In order to comply with certain states’ securities laws, if applicable, the Shares sold in those jurisdictions may only be sold through registered or licensed brokers or dealers. In addition, in certain states, the Shares may not be sold unless the Shares have been registered or qualified for sale in that state or an exemption from registration or qualification is available and is complied with.

We do not assure you that the Selling Stockholders will sell any or all of the Shares offered by them pursuant to this prospectus. In addition, we do not assure you that the Selling Stockholders will not transfer, devise or gift the Shares by other means not described in this prospectus. Moreover, any Shares of common stock covered by this prospectus that meet the requirements for sale in accordance with Rule 144 may be sold under Rule 144 rather than under this prospectus.

We may suspend the use of this prospectus if we learn of any event that causes this prospectus to include an untrue statement of a material fact or omit to state a material fact required to be stated in this prospectus or necessary to make the statements in this prospectus not misleading in light of the circumstances then existing. If this type of event occurs, a prospectus supplement or post-effective amendment, if required, will be distributed to each Selling Stockholder.

Item 17. Undertakings

The Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) to include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) to reflect in the prospectus any facts or events arising after the effective date of the registration statement (or most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in the volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price

represent not more than a 20 percent change in the maximum aggregate offering price set forth in the “Calculation of Registration Fee” table in the effective registration statement; and

(iii) to include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that paragraphs (a)(1)(i), (ii), and (iii) of this section do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Securities and Exchange Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered that remain unsold at the termination of the offering.

(4) That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser:

(i) Each prospectus filed by the registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and

(ii) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5), or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii), or (x) for the purpose of providing the information required by Section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.

(5) That, for the purpose of determining liability of the Registrant under the Securities Act of 1933 to any purchaser in the initial distribution of the securities, the Registrant undertakes that in a primary offering of securities of the Registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the Registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

(i) Any preliminary prospectus or prospectus of the Registrant relating to the offering required to be filed pursuant to Rule 424;

(ii) Any free writing prospectus relating to the offering prepared by or on behalf of the Registrant or used or referred to by the Registrant;

(iii) The portion of any other free writing prospectus relating to the offering containing material information about the Registrant or its securities provided by or on behalf of the Registrant; and

(iv) Any other communication that is an offer in the offering made by the Registrant to the purchaser.

(6) The Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(7) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act, and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
