Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensation Arrangements of Certain Officers.

On March 24, 2015, Val M. Holms, President, Chief Executive Officer, and Chairman of the Board of Bakken Resources, Inc. (the Company), began a voluntary paid leave of absence. Mr. Holms will remain on such voluntary paid leave through the completion of an internal investigation by the Company's independent outside investigators. The Company retained its special independent investigator to continue the investigation initiated by the Company's former audit committee chairman. Our independent investigation is expected to relate to matters that the Company's prior audit committee chairman raised by his resignation letter (attached as an exhibit to the Company's Form 8-K, filed with the Securities Exchange Commission on March 17, 2015).

No replacement for Mr. Holms has been appointed during his leave at this time. The Company expects that the Board will determine all matters during Mr. Holms' leave that would otherwise require consideration in his capacity as President or CEO of the Company. Following the results of the special independent investigation, the Company intends to make all necessary announcements and take appropriate actions.

The Company has issued a press release announcing Mr. Holms' leave of absence described above, and a copy of that press release is attached to this Form 8-K as Exhibit 99.1.
