Preliminary pro forma financials

Assumptions

Prepared in accordance with IAS

Consolidation of AB Lietuvos Telekomas, UAB Omnitel and Latvijas Mobilais Telefons SIA

Divestment of Telia Finland and ComHem

The preliminary transaction value of SEK 44.6 billion (EUR 4.9 billion), has been calculated based on Telia's closing share price as of June 28, 2002 (SEK 25.60) and a SEK/EUR exchange rate of 9.1015

Based on Sonera's equity as of June 30, 2002, after adjusting to IAS, the transaction creates goodwill of SEK 18.1 billion (EUR 2.0 billion), which under current accounting principles is amortized over 20 years, and other intangible assets and adjusted values of associates of SEK 11.0 billion (EUR 1.2 billion), which are amortized over 10 years on the average. Total annual amortization SEK 2.0 billion (EUR 0.2 billion)

The final combination of Telia and Sonera will, however, be calculated based on the transaction value and the fair values of Sonera's identifiable assets and liabilities at the date of exchange of control

Forward-Looking Statements

This document contains forward-looking statements. Statements that are not strictly historical statements, including statements about Telia's and Sonera's beliefs and expectations, constitute forward-looking statements. By their nature, forward-looking statements are subject to risk and uncertainty because they relate to events and depend on circumstances that will occur in the future. The forward-looking statements in this document include, but are not limited to, statements addressing the following subjects: expected timing of the merger; future financial and operating results; actions to be taken by the combined company following the merger; and the timing and benefits, including synergy benefits, of the merger.

The following factors, among others, could cause results to differ materially from those described in the forward-looking statements: the failure of the shareholders of Telia to approve the capital increase necessary to implement the transaction, the failure of the minimum tender condition, or the failure of other conditions to the offer; the risk that the businesses will not be integrated successfully and that the expected synergies and cost savings will not be achieved; and other economic, business, competitive and/or regulatory factors affecting the businesses of Telia and Sonera generally, including factors affecting the market for telecommunications services.

Telia and Sonera are under no obligation to, and expressly disclaim such obligation to, update or alter their forward-looking statements, whether as a result of new information, future events or otherwise.

Due to restrictions under the securities laws of Australia, the Hong Kong Special Administrative Region of the People's Republic of China, Italy, Japan, New Zealand and South Africa, the exchange offer will not be extended to persons with registered addresses in, and who are residents of, any of Australia, the Hong Kong Special Administrative Region of the People's Republic of China, Italy, Japan, New Zealand or South Africa.
