Item 2.02. Results of Operation and Financial Condition.

On July 20, 2012, HMN Financial, Inc. (the "Company") issued a press release (the "Press Release") that included financial information for its quarter and six months ended June 30, 2012. A copy of the Press Release is attached as Exhibit 99.1 to this Form 8-K and incorporated by reference into this Item 2.02. The information included in the Press Release is to be considered furnished under the Securities Exchange Act of 1934, as amended.

Subsequent to the publication of the Press Release and in connection with preparation of its financial statements for the quarter ended June 30, 2012, the Company determined that an outstanding commercial real estate development loan in the amount of \$5.7 million treated as accruing at the time of the Press Release should be classified as non-accruing, and accordingly, a non-performing loan and asset, as of June 30, 2012. As a result of this correction, non-performing loans and assets increased \$5.7 million at June 30, 2012 from the amount previously reported, and non-performing assets decreased from the end of the prior period by \$2.8 million and \$6.8 million, or 6.0% and 13.4 %, respectively, during the three- and six-month periods ended June 30, 2012. This loan is the largest remaining non-performing loan and is secured by a commercial development located in the Bank's primary market area.

Set forth below is information as originally reported in the Press Release and as corrected to reflect this change. The change only affects information relating to non-performing loans and assets and does not affect any financial information included in the Company's consolidated balance sheet as of June 30, 2012 or its consolidated income statement for the three- or six-month periods ended June 30, 2012, as previously reported in the Press Release, or any previously issued financial statements. A complete copy of the corrected Press Release is attached as Exhibit 99.2 to this Form 8-K and is incorporated by reference into this Item 2.02.
