## **Section 5 - Corporate Governance and Management**

### **Item 5.02 - Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers**

#### ***Appointment of Co-Chief Executive Officer***

On October 12, 2015, Aditya Mohanty, our Chief Operating Officer, was promoted to co-President and co-Chief Executive Officer, effective October 15, 2015, and will share the duties of Chief Executive Officer with our incumbent President and Chief Executive Officer, Michael D. West. The establishment of co-CEOs will allow each executive to devote more of his time to the management of particular aspects of our business. Mr. Mohanty will lead our advanced clinical development programs and commercialization strategies and will assume leadership of our corporate and administration activities, while Dr. West will focus on leading our science, technology development, and intellectual property activities, including the advancement of our discovery and pre-clinical product development programs. The two executives will continue to collaborate closely on major corporate decisions, and both will report to the Board of Directors.

Dr. West has served as our Chief Executive Officer since 2007 and as a member of our Board of Directors since 2002. Dr. West also serves on the Boards of Directors of all of our subsidiaries. Mr. Mohanty joined BioTime as our Chief Operating Officer in December 2014, after serving in a number of executive positions at Shire plc, including as President/Head Regenerative Medicine, as Senior Vice President, Business and Technical Operations, as Global Franchise Head Rare Diseases (MPS), and as Vice President of Operations/Product General Manager.
