Item 1.01 Entry into a Material Definitive Agreement.

On October 11, 2016, Polaris Industries Inc., a Delaware corporation (the “Purchaser”) and wholly owned subsidiary of Polaris Industries Inc., a Minnesota corporation (the “Company”), entered into a Purchase Agreement (the “Purchase Agreement”) with TAP Automotive Holdings, LLC (“Transamerican Auto Parts”), the members of Transamerican Auto Parts set forth in an annex to the Purchase Agreement (the “Sellers”), and ORIX Funds Corp., solely in its capacity as the sellers’ representative (the “Sellers’ Representative”), pursuant to which the Purchaser has agreed to acquire Transamerican Auto Parts (the “Acquisition”).

The Acquisition will be structured as a purchase by the Purchaser of the outstanding equity interests in Transamerican Auto Parts from the Sellers for aggregate consideration of \$665 million, subject to a customary adjustment based on, among other things, the amount of cash, debt and working capital in the business of Transamerican Auto Parts at the closing date.

The completion of the Acquisition is subject to receipt of regulatory approval and other customary closing conditions. The Purchase Agreement may be terminated under certain circumstances, including by the Purchaser or the Sellers’ Representative if the acquisition has not been completed by May 5, 2017. The Company currently anticipates that the acquisition will be completed by the end of 2016. The Company expects to fund the purchase price for the Acquisition with borrowings under its existing credit facilities.

The Company has obtained a commitment for “representation and warranty” insurance which will provide coverage for breaches of representations and warranties of the Company contained in the Purchase Agreement, subject to deductibles, exclusions, policy limits and certain other terms and conditions.

The foregoing description of the Purchase Agreement and the Acquisition does not purport to be complete and is subject to, and qualified in its entirety by reference to, the full text of the Purchase Agreement which is filed as Exhibit 2.1 to this Current Report on Form 8-K.

The Purchase Agreement and the above description have been included to provide investors with information regarding the terms of the Acquisition. They are not intended to provide any other factual information about the Company or any parties to the Purchase Agreement or their respective affiliates or equityholders. The representations, warranties and covenants contained in the Purchase Agreement were made only for the purpose of the Purchase Agreement and as of specific dates, were solely for the benefit of the parties thereto, may have been used for purposes of allocating risk between each party rather than establishing matters of fact, may be subject to a contractual standard of materiality different from that generally applicable to investors and may be subject to qualifications or limitations agreed upon by the parties in connection with the negotiated terms of the Acquisition, including being qualified by schedules and other disclosures made by each party. Accordingly, investors should not rely on the representations, warranties and covenants in the Purchase Agreement as statements of factual information.

This Current Report on Form 8-K contains forward-looking statements. Statements that are not historical or current facts, including statements about beliefs and expectations, are forward-looking statements. These forward-looking statements cover, among other things, the timing for closing of the Acquisition, the expected sources of funds to be used for the purchase price to be paid in the Acquisition, and the nature of closing conditions. Forward-looking statements involve inherent risks and uncertainties, and important factors could cause actual results to differ materially from those anticipated, including the following: (1) the Acquisition may not be completed, or completed within the expected timeframe; (2) costs relating to the Acquisition (including in respect of the financing of the Acquisition) may be greater than expected; (3) a governmental entity may prohibit, delay or refuse to grant a necessary regulatory approval in connection with the Acquisition; (4) other closing conditions may not be met on a timely basis or at all which may delay or prevent the Acquisition or require a waiver of such conditions; and (4) other factors identified under “Risk Factors” in Part I, Item 1A of the Company’s Annual Report on Form 10-K for the fiscal year ended December 31, 2015, and updated in the Company’s subsequent reports filed with the Securities and Exchange Commission. Forward-looking statements speak only as of the date they are made, and the Company undertakes no obligation to update them in light of new information or future events.
