### INFORMATION TO BE INCLUDED IN THE REPORT

#### Item 1.01 Entry into a Material Definitive Agreement.

The disclosure contained in Item 2.03 is incorporated herein by reference.

#### Item 2.03 Creation of a Direct Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

On November 3, 2004, Advance Auto Parts, Inc., or the Company, entered into a new amended and restated \$670 million senior credit facility with Advance Stores Company, Incorporated, or Advance Stores, the lenders party thereto, JPMorgan Chase, as administrative agent, Suntrust Bank and Wachovia Bank, National Association, as syndication agents, and U.S. Bank N.A. and Bank of America N.A., as documentation agents. This new facility will provide for a \$200 million tranche A term loan and a \$170 million tranche B term loan. Proceeds from these term loans will be used to refinance the Company's current tranche D and E term loans and revolver under its existing credit facility. Additionally, the new facility will provide for a \$100 million delayed draw term loan, which is available exclusively for stock buybacks under its previously announced stock repurchase program, and a \$200 million revolving facility, or the revolver (which provides for the issuance of letters of credit with a sub limit of \$70 million). As of November 3, 2004, the Company had no borrowings under the revolver and had \$37.6 million in letters of credit outstanding, which reduced availability to \$162.4 million.

The interest rates on the tranche A and B term loans, the delayed draw term loan and the revolver will be based, at the Company's option, on an adjusted LIBOR rate, plus a margin, or an alternate base rate, plus a margin. The initial margin for the tranche A term loan and revolver is 1.50% and 0.50% per annum for the adjusted LIBOR and alternate base rate borrowings, respectively. The initial margin for the tranche B term loan and the delayed draw term loan is 1.75% and 0.75% per annum for the adjusted LIBOR and alternate base rate borrowings, respectively. Additionally, a commitment fee of 0.375% per annum will be charged on the unused portion of the tranche A loan and revolver, payable in arrears. A commitment fee of 1.75% per annum will be charged on the unused portion of the delayed draw term loan, payable in arrears.

The tranche A term loan requires scheduled repayments of \$7.5 million on March 31, 2005 and quarterly thereafter through December 31, 2006, \$10.0 million on March 31, 2007 and quarterly thereafter through December 31, 2007, \$12.5 million on March 31, 2008 and quarterly thereafter through June 30, 2009 and \$25.0 million due at maturity on September 30, 2009. The tranche B term loan currently requires scheduled repayments of \$0.4 million on March 31, 2005 and quarterly thereafter, with a final payment of \$160.7 million due at maturity on September 30, 2010. The delayed draw term loan requires scheduled repayments of 0.25% of the aggregate principal amount outstanding on March 31, 2006 and quarterly thereafter, with a final payment due at maturity on September 30, 2010 and the revolver expires on September 30, 2009.

Borrowings under the new senior credit facility are required to be prepaid, subject to certain exceptions, with (1) 50% of the Excess Cash Flow (as defined in the senior credit facility) unless the Company's Senior Leverage Ratio (as defined in the senior credit facility) at the end of any fiscal year is less than or equal to 1.00 to 1.00, in which case 25% of Excess Cash Flow for such fiscal year will be required to be repaid, (2) 100% of the net cash proceeds of all asset sales or other dispositions of property by the Company and its subsidiaries, subject to certain exceptions (including exceptions for reinvestment of certain asset sale proceeds within 270 days of such sale and certain sale-leaseback transactions), and (3) 100% of the net proceeds of certain issuances of debt or equity by the Company and its subsidiaries.

Voluntary prepayments and voluntary reductions of the unutilized portion of the revolver are permitted in whole or in part, at the Company's option, in minimum principal amounts specified in the new senior credit facility, without premium or penalty, subject to reimbursement of the lenders' redeployment costs in the case of a prepayment of adjusted LIBOR borrowings other than on the last day of the relevant interest period. The new senior credit facility also provides for customary events of default, including non-payment defaults, covenant defaults and cross-defaults to the Company's other material indebtedness.

## Edgar Filing: ADVANCE AUTO PARTS INC - Form 8-K

The new senior credit facility is guaranteed by the Company and by each of its existing domestic subsidiaries and will be guaranteed by all future domestic subsidiaries. The facility is secured by a first priority lien on substantially all, subject to certain exceptions, of the Advance Stores' properties and assets and the properties and assets of its existing domestic subsidiaries (including Discount Auto Parts, Inc. and its subsidiaries) and will be secured by the properties and assets of its future domestic subsidiaries. The facility contains covenants restricting the ability of the Company and its subsidiaries to, among other things, (1) declare dividends or redeem or repurchase capital stock, (2) prepay, redeem or purchase debt, (3) incur liens or engage in sale-leaseback transactions, (4) make loans and investments, (5) incur additional debt (including hedging arrangements), (6) engage in certain mergers, acquisitions and asset sales, (7) engage in transactions with affiliates, (8) change the nature of the Company's business and the business conducted by its subsidiaries and (9) change the holding company status of the Company. The Company is required to comply with financial covenants with respect to a maximum leverage ratio, a minimum interest coverage ratio, a minimum current assets to funded senior debt ratio, a maximum senior leverage ratio and maximum limits on capital expenditures.

The above description of the new senior credit facility is not complete and is qualified in its entirety by the full text of the amended and restated credit agreement for the facility, which is filed as Exhibit 10.1 to this Current Report on Form 8-K.
