#### **ITEM 1.01 ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT**

On June 17, 2005, Miller Industries, Inc., (the “Registrant”) entered into (a) a Credit Agreement (the “Senior Credit Agreement”) with Wachovia Bank, National Association for a \$27.0 million senior secured credit facility (the “Senior Credit Facility”), and (b) an Amendment No. 5 to Amended and Restated Credit Agreement (the “Fifth Amendment”) with its subsidiary, Miller Industries Towing Equipment, Inc., as co-borrower, and William G. Miller, the Registrant’s Chairman and Co-Chief Executive Officer, as sole lender and successor lender agent, pursuant to which the Registrant’s existing junior credit facility (the “Junior Credit Facility”) was amended.

The Senior Credit Facility consists of a \$20.0 million revolving credit facility (the “Revolver”), and a \$7.0 million term loan (the “Term Loan”). In the absence of a default, all borrowings under the Revolver bear interest at the LIBOR Market Index Rate (as defined in the Senior Credit Agreement) plus a margin of between 1.75% to 2.50% per annum that is subject to adjustment from time to time based upon the Consolidated Leverage Ratio (as such term is defined in the Senior Credit Agreement), and the Term Loan bears interest at a 30-day adjusted LIBOR rate plus a margin of between 1.75% to 2.50% per annum that is subject to adjustment from time to time based upon the Consolidated Leverage Ratio (as such term is defined in the Senior Credit Agreement). The Revolver expires on June 15, 2008, and the Term Loan matures on June 15, 2010. The Senior Credit Facility contains customary representations and warranties, events of default and affirmative and negative covenants for secured facilities of this type.

The Fifth Amendment provides for a new term loan, made by William G. Miller as sole lender under the Junior Credit Facility, in the principal amount of approximately \$5.7 million on June 17, 2005, resulting in a total outstanding principal amount of term loans under the Junior Credit Agreement of \$10.0 million as of June 17, 2005. The Fifth Amendment also extends the maturity date of the Junior Credit Facility to September 17, 2008, and amends certain terms of the junior credit agreement to, among other things, make certain of the representations and warranties, covenants and events of default more consistent with the representations and warranties, covenants and events of default in the Senior Credit Agreement. In the absence of a default, all of the term loans outstanding under the Junior Credit Facility continue to bear interest at a rate of 9.0% per annum.

Proceeds from the Senior Credit Facility were used to repay The CIT Group/Business Credit, Inc. and Mr. Miller under the Registrant’s former senior credit facility. As a result, effective June 17, 2005, the Registrant’s former senior credit facility was satisfied and terminated, and Mr. Miller no longer holds any of the Registrant’s senior debt. These transactions were approved by the Registrant’s Audit Committee, as well as the disinterested members of the Registrant’s Board of Directors, with Mr. Miller abstaining.

The foregoing summary of the Senior Credit Facility and the Fifth Amendment is not complete and is qualified in its entirety by the terms and provisions of the Senior Credit Agreement and Fifth Amendment. Copies of these documents are included as exhibits to this Report, and are incorporated by reference into this Item 1.01.
