For Annual Meeting of Stockholders
to be Held on December 12, 2003

Edgar Filing: CLICKNSETTLE COM INC - Form PRE 14A

Approximate Mailing Date of Proxy Statement and Form of Proxy: October 29, 2003.

INFORMATION CONCERNING VOTE

General

This Proxy Statement and the enclosed form of proxy is furnished in connection with the solicitation of proxies by the Board of Directors of clickNsettle.com, Inc., a Delaware corporation (the "Company"), for use at the annual meeting of stockholders to be held on Friday, December 12, 2003 at 11:30 a.m., and at any and all adjournments thereof (the "Annual Meeting"), with respect to the matters referred to in the accompanying notice. The Annual Meeting will be held at our principal offices, located at 1010 Northern Boulevard, Suite 336, Great Neck, New York 11021.

Voting Rights and Outstanding Shares

Only stockholders of record at the close of business on October 27, 2003 are entitled to notice of and to vote at the Annual Meeting. As of the close of business on October 1, 2003, 1,450,259 shares of our common stock, par value \$.001 per share, were issued, of which 1,408,176 shares were outstanding. Each share of common stock entitles the record holder thereof to one (1) vote on all matters properly brought before the Annual Meeting.

Revocability of Proxies

A stockholder who executes and mails a proxy in the enclosed return envelope may revoke such proxy at any time prior to its use by notice in writing to the Secretary of our company, at the above address, or by revocation in person at the Annual Meeting. Unless so revoked, the shares represented by duly executed proxies received by us prior to the Annual Meeting will be presented at the Annual Meeting and voted in accordance with the stockholder's instructions marked thereon. If no instructions are marked thereon, proxies will be voted FOR the election as directors of the nominees named below under the caption "ELECTION OF DIRECTORS," FOR the ratification of the independent accountants, FOR the amendment to the Company's Certificate of Incorporation authorizing the Board of Directors to increase the authorized common stock and to effect a 6-for-1 stock split of the outstanding shares of the Company's common stock and FOR the amendment to the Company's 1996 Stock Option Plan with respect to an increase in the number of common shares authorized for issuance there under. In their discretion, the proxies are authorized to consider and vote upon such matters incident to the conduct of the Annual Meeting and upon such other business matters or proposals as may properly come before the Annual Meeting that our Board of Directors does not know of in a reasonable time prior to this solicitation.

Voting Procedures

All votes shall be tabulated by the inspector of elections appointed for the Annual Meeting, who shall separately tabulate affirmative and negative votes, abstentions, and broker non-votes. The presence of a quorum for the Annual Meeting, defined here as a majority of the votes entitled to be cast at the Annual Meeting, is required. Votes

withheld from director nominees and abstentions will be counted in determining whether a quorum has been reached. Broker-dealer non-votes are not counted for quorum purposes.

Edgar Filing: CLICKNSETTLE COM INC - Form PRE 14A

Assuming a quorum has been reached, a determination must be made as to the results of the vote on each matter submitted for stockholder approval. Director nominees must receive a plurality of the votes cast at the Annual Meeting, which means that a vote withheld from a particular nominee or nominees will not affect the outcome of the Annual Meeting. In order to approve proposals 2 and 4, a majority of the votes cast must be voted affirmatively for such proposal. In order to approve proposal 3, a majority of the outstanding shares entitled to vote must be cast affirmatively.

PROPOSAL 1: ELECTION OF THE BOARD OF DIRECTORS

The Board of Directors has nominated seven (7) persons to be elected as Directors at the Annual Meeting and to hold office until the next annual meeting or until their successors have been duly elected and qualified. It is intended that each proxy received by us will be voted FOR the election, as directors of the Company, of the nominees listed below, unless authority is withheld by the stockholder executing such proxy. Shares may not be voted cumulatively. Each of such nominees has consented to being nominated and to serve as a director of the Company if elected. If any nominee should become unavailable for election or unable to serve, it is intended that the proxies will be voted for a substitute nominee designated by the Board of Directors. At the present time, the Board of Directors knows of no reason why any nominee might be unavailable for election or unable to serve. The proxies cannot be voted for a greater number of persons than the number of nominees named herein.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" ALL THE DIRECTOR NOMINEES.

Employment Contracts and Termination of Employment and Change In Control Arrangements

Roy Israel. In March 2002, we entered into a new employment agreement with Mr. Israel effective as of July 1, 2002. Pursuant to this new agreement, he currently receives an annual base salary of \$319,166, an annual base salary increase equal to the greater of 6% or an amount which reflects the increase in the Urban Consumer Price Index, and an annual bonus based on the achievement of specified criteria with respect to revenues, cash flow and/or pretax income (loss). For the fiscal year ended June 30, 2003, Mr. Israel's bonus, as calculated in accordance with his contract, was \$90,330. In addition, the agreement provides, among other things, that we shall pay up to an aggregate of \$15,000 per policy year for a key man life insurance policy in favor of us for \$1,000,000 and life insurance in favor of the estate of Mr. Israel, a disability policy for coverage of 60% of his base salary, and an allowance for leasing an automobile (up to a monthly lease payment of \$1,000.) If this agreement is terminated other than for cause or as a result of a change in duties, Mr. Israel will be entitled to the greater of (i) his then current base salary and severance bonus for the remainder of the employment term or (ii) three times his then current base salary and severance bonus, to be paid over a one-year period. The severance bonus is 115% of the bonus paid for the full fiscal year immediately prior to termination. In addition, all unvested options shall immediately vest. If this agreement is terminated due to a change in control, Mr. Israel will be entitled to the same severance package as previously described but to be paid in one lump sum. Mr. Israel's employment agreement with us expires June 30, 2007 and automatically renews for one-year terms unless terminated at

8

least 90 days prior to the end of an employment term by either party. If we give notice of non-renewal of the agreement or we do not enter into a new employment agreement with Mr. Israel, he is entitled to receive one year of his base salary plus the severance bonus amount which shall be paid to Mr. Israel during the one-year period following the end of the employment term. The agreement also contains a one-year non-competition clause if the agreement is terminated or upon expiration. In the event of a breach of the agreement by us, the non-competition clause is null and void.

In addition, the agreement provides, among other things, that Mr Littman shall be entitled to participate in the Company's benefits programs and shall be entitled to a \$1,000 a month allowance for leasing an automobile. The agreement also contains a one-year non-competition clause if the agreement is terminated for any reason or upon expiration. Patricia Giuliani-Rheaume. Ms. Giuliani-Rheaume's employment agreement with us currently expires December 31, 2003. REPORT OF THE AUDIT COMMITTEE

The following Report of the Audit Committee does not constitute soliciting material and should not be deemed filed or incorporated by reference into any other Company filing under the Securities Act of 1933 or the Securities Exchange Act of 1934, except to the extent we specifically incorporate this Report by reference therein.

In May 2000, a written charter of the Audit Committee of the Board of Directors was approved by the full Board. In September 2002, the Board approved certain amendments to the charter.

As set forth in more detail in the charter, the Audit Committee's primary responsibilities fall into three broad categories:

- a. the Committee is charged with monitoring the preparation of quarterly and annual financial reports by our management, including discussions with our management and the outside auditors about draft annual financial statements and key accounting and reporting matters;
- b. the Committee is responsible for matters concerning the relationship between us and the outside auditors, including their appointment or

Edgar Filing: CLICKNSETTLE COM INC - Form PRE 14A

removal; reviewing the scope of their audit services and related fees, as well as any other services being provided to us; and determining whether the outside auditors are independent (based in part on the annual letter provided to us pursuant to Independence Standards Board Standard No. 1); and

- c. the Committee oversees management's implementation of effective systems of internal controls, including review of policies relating to legal and regulatory compliance, ethics and conflicts of interests.

The Committee has implemented procedures to ensure that during the course of each fiscal year it devotes the attention that it deems necessary or appropriate to each of the matters assigned to it under the Committee's charter. To carry out its responsibilities, the Committee met five times during fiscal year 2003. During fiscal year 2004, the Committee will continue to meet quarterly with the outside auditors to review the quarterly results. The Committee will meet with the outside auditors to review and approve the planning of the annual audit and will also meet at the conclusion of the annual audit to review the results thereof.

In overseeing the preparation of our financial statements, the Committee met with both management and the outside auditors to review and discuss all financial statements prior to their issuance and to discuss significant accounting issues. Management advised the Committee that all financial statements were prepared in accordance with generally accepted accounting principles, and the Committee discussed the statements with both management and the outside auditors. The Committee's review included discussion with the outside auditors of matters required to be discussed pursuant to Statement on Auditing Standards No. 61 (Communication With Audit Committees).

With respect to the outside auditors, the Committee, among other things, discussed with Grant Thornton LLP matters relating to its independence, including the disclosures made to the Committee as required by the Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees).

On the basis of these reviews and discussions, the Committee recommended to the Board of Directors that the Board approve the inclusion of our audited financial statements in our Annual Report on Form 10-KSB for the fiscal year ended June 30, 2003 for filing with the Securities and Exchange Commission.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

It is the duty of the Compensation Committee to develop, administer and review our compensation plans, programs, and policies; to monitor the performance and compensation of executive officers; and to make appropriate recommendations and reports to the Board of Directors relating to executive compensation.

Edgar Filing: CLICKNSETTLE COM INC - Form PRE 14A

Our compensation program is intended to motivate, retain and attract management, thus linking incentives to financial performance and creating enhanced stockholder value. The program's fundamental philosophy is to tie the amount of compensation "at risk" for an executive to his or her contribution to our success in achieving superior performance objectives.

It is currently anticipated that the compensation program will consist of two components: (1) a base salary as set forth in each executive's employment agreement, and (2) the potential for an annual cash and/or stock option bonus equal to a percentage of the executive's base salary, depending upon the satisfaction of certain general performance criteria established by the Compensation Committee for each position and evaluated at the end of each fiscal year. The criteria may relate to overall Company performance, the individual executive's performance, or a combination of the two, depending upon the particular position at issue. The second component constitutes the "at risk" portion of the compensation program.

Honorable Robert M. Silverson, Jr.

PROPOSAL 2: APPOINTMENT OF INDEPENDENT ACCOUNTANTS

It is proposed that the stockholders ratify the appointment of Grant Thornton LLP ("Grant Thornton") as our independent accountants for fiscal year 2004. Grant Thornton has served as our independent accountants since March 4, 1997.

Representatives of Grant Thornton, who audited our fiscal year 2003 financial statements, are expected to be present at the Annual Meeting with the opportunity to make a statement, if they so desire, and they are expected to be available to respond to appropriate questions. Approval by the stockholders of the appointment of independent accountants is not required, but the Board deems it desirable to submit the matter to the stockholders for ratification. If the majority of stockholders voting at the Annual Meeting should not approve the selection of Grant Thornton, the selection of independent accountants will be reconsidered by the Board of Directors.

The following table sets forth the fees billed by our independent auditors, Grant Thornton, for the fiscal year ended June 30, 2003:

Audit fees and quarterly reviews		\$59,200

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR"
RATIFICATION OF THE INDEPENDENT ACCOUNTANTS.

PROPOSAL 3: APPROVAL OF AMENDMENT TO THE CERTIFICATE OF INCORPORATION TO INCREASE THE AUTHORIZED COMMON STOCK FROM 15,000,000 SHARES TO 25,000,000 SHARES AND TO EFFECT A 6-FOR-1 STOCK SPLIT OF OUTSTANDING SHARES OF COMMON STOCK

The Board of Directors is seeking stockholder approval of an amendment to the Company's Certificate of Incorporation to increase the authorized common stock, par value \$0.001 per share, of the Company from 15,000,000 shares up to 25,000,000 shares and to effect a 6-for-1 forward stock split of its common stock (the "Certificate of Amendment"). The full text of the Certificate of Amendment is set forth in Exhibit A to this Proxy Statement. If this proposal is approved by the stockholders, the Board of Directors will have the authority, in its sole discretion and without further action on the part of the stockholders, to increase the authorized shares of common stock and to effect the approved stock split at any time prior to the next Annual Meeting of Stockholders. The Board of Directors also reserves the right, notwithstanding stockholder approval and without further action or approval by the stockholders, to decide not to proceed with the increase in the shares of authorized common stock and the stock split if it determines, in its sole discretion, that such actions are not in the best interests of the Company and its stockholders.

We are making this proposal as we would like to increase the number of shares of our common stock that are in the public float. As such, we believe we can increase liquidity in our common stock by expanding our potential investor base and by making our common stock potentially more attractive to a diverse group of investors. Other than what is contemplated by the proposals in this Proxy Statement, the Company has no immediate definitive plans, undertakings, agreements or commitments to issue additional shares of its common stock for any purpose. We believe that the availability of additional authorized, but unissued shares, of our common stock could be used for various corporate

12

activities. For example, the shares could be utilized in connection with financing and acquisition transactions, business ventures, management incentives and employee benefits plans and other corporate purposes.

Effectiveness of the Stock Split

If this proposal is approved by stockholders, the increase in the authorized shares of common stock and the stock split would become effective at such time as we file the amendment to our Certificate of Incorporation with the Secretary of State of Delaware. Even if this proposal is approved by stockholders, our Board of Directors has discretion not to carry out the increase in the authorized shares of common stock and the stock split if it determines that these actions will not be beneficial.

Certificates

After the effective date, if a stock split is effected by the Company, we will send all stockholders of record an additional stock certificate representing the additional shares to be issued as a result of the stock split.

Effects of the Stock Split

Edgar Filing: CLICKNSETTLE COM INC - Form PRE 14A

The principal effect of the stock split will be to increase the number of shares of common stock outstanding from approximately 1,408,176 shares to approximately 8,449,056 shares. In addition, the Board will take appropriate action to adjust proportionately the number of shares of common stock issuable upon exercise of outstanding options and warrants, and to adjust the related exercise prices, to reflect the stock split. As a result, the number of shares of common stock issuable upon the exercise of outstanding stock options and warrants as of October 1, 2003 will be increased from approximately 1,004,940 shares to approximately 6,029,640 shares.

The increase in the number of outstanding shares is expected to decrease the bid price of our common stock, although there can be no assurance that the price will decrease in proportion to the stock split ratio. The trading price of our common stock depends on many factors, including many of which that are beyond our control.

The shares of new common stock will be fully paid and non-assessable. The amendment will not change the terms of our common stock. The shares of new common stock will have the same voting rights and rights to dividends and distributions and will be identical in all other respects to the common stock now authorized. Each stockholder's percentage ownership of the new common stock will not be altered.

Because our authorized common stock will be increased, the overall effect will be an increase in the authorized, issued and unissued shares of common stock as a result of the stock split. The unissued shares may be issued by our Board of Directors in its discretion. Any future issuance will have the effect of diluting the percentage of stock ownership and voting rights of the present holders of common stock.

While the Board of Directors believes it advisable to authorize and approve the stock split for the reasons set forth above, the Board is aware that the increase in the number of authorized but unissued shares of common stock may have a potential anti-takeover effect. Our ability to issue additional shares could be used to thwart persons, or otherwise dilute the stock ownership of stockholders seeking to control us. The stock split is not being recommended by the Board as part of an anti-takeover strategy.

Certain Federal Income Tax Consequences

The following description of certain federal income tax consequences is based on the Internal Revenue Code of 1986, as amended, applicable Treasury Regulations promulgated there under, judicial authority and current administrative rulings and practices as in effect on the date of this Proxy Statement. This discussion is for general information only and does not discuss consequences which may apply to special classes of taxpayers (for example, nonresident aliens, broker-dealers or insurance companies) or any aspects of state, local or foreign tax laws. Stockholders are urged to consult their own tax advisors to determine the particular tax consequences to them of the stock split.

We have been advised that because the stock split is not part of a plan to increase periodically a stockholder's proportionate interest in the assets or earning and profits of the Company, the stock split should not result in the recognition by stockholders of any gain or loss for federal income tax purposes. The holding period for each share of new common stock received by a stockholder will include the stockholder's holding period for its shares of old common

Edgar Filing: CLICKNSETTLE COM INC - Form PRE 14A

stock with respect to which the shares of new common stock are issued, provided that the shares of old common stock were held as capital assets. The adjusted tax basis of each share of new common stock received by a stockholder will be the same as the adjusted tax basis of the shares of old common stock with respect to which the share of new common stock is issued.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" APPROVAL OF THE AMENDMENT TO INCREASE THE AUTHORIZED COMMON STOCK AND TO EFFECT THE STOCK SPLIT.

PROPOSAL 4: TO AMEND THE COMPANY'S AMENDED AND RESTATED 1996 INCENTIVE AND NONQUALIFIED STOCK OPTION PLAN TO INCREASE THE NUMBER OF SHARES OF COMMON STOCK AVAILABLE FOR GRANT

Our Board of Directors, on September 23, 2003, approved, subject to stockholder approval, an amendment to our 1996 Stock Option Plan to increase the number of shares of common stock authorized for issuance there under from 1,000,000 to 1,250,000. Under Proposal No. 3 described above, if approved and if the Board of Directors decides to effect the 6-for-1 stock split, the options in the 1996 Stock Option Plan would proportionately increase from 1,000,000 to 6,000,000. Further, if this Proposal No. 4 were to be approved, the options in the 1996 Stock Option Plan would increase from 6,000,000 to 7,500,000. The proposed amendment is set forth in Exhibit B to this Proxy Statement.

The purpose of the 1996 Stock Option Plan is to encourage and enable key employees, including our officers and directors, consultants and advisors to us, and other persons or entities providing services to us to acquire a proprietary interest in us through the ownership of our common stock. We believe that providing the potential for equity ownership to our employees is positive for employee morale and will thereby benefit our stockholders.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR"AMENDING THE 1996 STOCK OPTION PLAN TO INCREASE THE NUMBER OF SHARES AUTHORIZED FOR ISSUANCE.

OTHER MATTERS ARISING AT THE ANNUAL MEETING

The matters referred to in the Notice of Annual Meeting and described in this Proxy Statement are, to the knowledge of the Board of Directors, the only matters that will be presented for consideration at the Annual Meeting. If any other matters should properly come before the Annual Meeting, the persons appointed by the accompanying proxy will vote on such matters in accordance with their best judgment pursuant to the discretionary authority granted to them in the proxy.
