PROXY STATEMENT

Information Concerning the Solicitation

This statement is furnished in connection with the solicitation of proxies to be used at the Annual Shareholders Meeting (the "Annual Meeting") of CTI Industries Corporation (the "Company"), an Illinois corporation, to be held at 10:00 a.m. Central Daylight Savings Time on Friday, October 29, 2004, at The Holiday Inn Crystal Lake, 800 South Route 31, Crystal Lake, Illinois 60014. The proxy materials are being mailed to shareholders of record at the close of business on September 21, 2004.

The solicitation of proxies in the enclosed form is made on behalf of the Board of Directors of the Company.

The cost of preparing, assembling and mailing the proxy material and of reimbursing brokers, nominees and fiduciaries for the out-of-pocket and clerical expenses of transmitting copies of the proxy material to the beneficial owners of shares held of record by such persons will be borne by the Company. The Company does not intend to solicit proxies otherwise than by use of the mail, but certain officers and regular employees of the Company or its subsidiaries, without additional compensation, may use their personal efforts, by telephone or otherwise, to obtain proxies.

Quorum and Voting

Only shareholders of record at the close of business on September 21, 2004 are entitled to vote at the Annual Meeting. On that day, there were 1,954,100 shares of Common Stock outstanding. Each share has one vote. A simple majority of the outstanding shares of Common Stock is required to be present in person or by proxy at the meeting for there to be a quorum for purposes of proceeding with the Annual Meeting. The Company's Articles of Incorporation grants the holders of Common Stock the right to elect up to seven total directors, and seven directors will be elected by the Company's Common Stockholders at this meeting. The Common Stock does not possess cumulative voting rights, and the election of directors will be by the vote of a majority of shares of Common Stock present in person or by proxy at the Annual Meeting. The ratification of auditors will require the vote of a simple majority of the shares of Common Stock present at the Annual Meeting by person or proxy. Abstentions and withheld votes have the effect of votes against these matters. Broker non-votes (shares of record held by a broker for which a proxy is not given) will be counted for purposes of

Edgar Filing: CTI INDUSTRIES CORP - Form DEF 14A

determining shares outstanding for purposes of a quorum, but will not be counted as present for purposes of determining the vote on any matter considered at the meeting.

A shareholder signing and returning a proxy on the enclosed form has the power to revoke it at any time before the shares subject to it are voted by notifying the Secretary of the Company in writing. If a shareholder specifies how the proxy is to be voted with respect to any

1

of the proposals for which a choice is provided, the proxy will be voted in accordance with such specifications. If a shareholder fails to so specify with respect to such proposals, the proxy will be voted "FOR" the nominees for directors contained in these proxy materials, "FOR" proposal 2 and "FOR" proposal 3.

The Committee reviewed with the independent auditors, who are responsible for expressing an opinion on the conformity of those audited financial statements with generally accepted accounting principles, their judgments as to the quality, not just the acceptability, of the Company's accounting principles and such other matters as are required to be discussed with the Committee under generally accepted auditing standards, including but not limited to those

7

matters required to be discussed by SAS 61 (Codification of Statements on Auditing Standards, AU ss.380). In addition, the Committee has discussed with the independent auditors the auditor's independence from management and the Company including the matters in the written disclosures required by the Independence Standards Board.

The Committee discussed with the Company's independent auditors the overall scope and plans for their respective audits. The Committee meets with the independent auditors, with and without management present, to discuss the results of their examinations, their evaluations of the Company's internal controls, and the overall quality of the Company's financial reporting.

In reliance on the reviews and discussions referred to above, the Committee recommended to the Board of Directors (and the Board has approved) that the audited financial statements be included in the Annual Report on Form 10-K/A, Amendment No. 1 for the year ended December 31, 2003 for filing with the

Compensation Committee Report on Executive Compensation

The Compensation Committee of the Board of Directors of the Company is composed of three members of the Board of Directors. The Compensation Committee is responsible for establishing the standards and philosophy of the Board of

Edgar Filing: CTI INDUSTRIES CORP - Form DEF 14A

Directors regarding executive compensation, for reviewing and evaluating executive compensation and compensation programs, and for recommending levels of salary and other forms of compensation for executives of the Company to the Board of Directors. The full Board of Directors of the Company is responsible for setting and administering salaries, bonus payments and other compensation awards to executives of the Company.

Compensation Philosophy

The philosophy of the Compensation Committee, and of the Board of Directors of the Company, regarding executive compensation includes the following principal components:

To attract and retain quality executive talent, which is regarded as critical to the long and short-term success of the Company, in substantial part by offering compensation programs which provide attractive rewards for successful effort.

To provide a reasonable level of base compensation to senior executives.

To create a mutuality of interest between executive officers of the Company and shareholders through long-term compensation structures, particularly stock option programs, so that executive officers share the risks and rewards of strategic decision making and its effect on shareholder value.

The Compensation Committee has recommended, and the Board of Directors has determined, to take appropriate action to comply with the provisions of Section 162(m) of the Internal Revenue Code so that executive compensation will be deductible as an expense to the fullest extent allowable.

10

The Company's executive compensation program consists of two key elements: (i) an annual component consisting of base salary and (ii) a long-term component, principally stock options.

Annual Base Compensation

The Compensation Committee recommends annual salary levels for each of the Named Executives, and for other senior executives of the Company, to the Board of Directors. The recommendations of the Compensation Committee for base salary levels for senior executives of the Company are determined annually, in part, by evaluating the responsibilities of the position and examining market compensation levels and trends for similar positions in the marketplace. Additional factors which the Compensation Committee considers in recommending annual adjustments to base salaries include: results of operation of the Company, sales, shareholder returns, and the experience, work-performance, leadership and team building skills of each executive. The Company receives information from the Chief Executive Officer with regard to these matters. While each of these factors is considered in relatively equal weight, the Compensation Committee does not utilize performance matrices or measured weightings in its review. Each year, the Compensation Committee conducts a structured review of base compensation of senior executives with input from the Chief Executive Officer.

Long-Term Component - Stock Options

The long-term component of compensation provided to executives of the

Edgar Filing: CTI INDUSTRIES CORP - Form DEF 14A

Company has been in the form of stock options. The Compensation Committee has recommended to the Board of Directors that a significant portion of the total compensation to executives be in the form of incentive stock options. Stock options are granted with an exercise price equal to or greater than the fair market value of the Company's Common Stock on the date of the grant. Stock options are exercisable between one and ten years from the date granted. Such stock options provide incentive for the creation of shareholder value over the long-term since the full benefit of the compensation package for an executive cannot be realized unless an appreciation in the price of the Company's Common Stock occurs over a specified number of years.

The magnitude of the stock option awards are determined annually by the Compensation Committee and the Board of Directors. Generally, the number of options granted to an executive has been based on the relative salary level of the executive.

On October 12, 2002, incentive stock options to purchase up to 14,285, 8,928, 5,952 and 5,952 shares of the Company's Common Stock were granted to Messrs. Howard Schwan, Brent Anderson, Stephen M. CEO Compensation

The Compensation Committee utilizes the same standards and methods for recommending annual base compensation for the Chief Executive Officer of the Company as it does for other senior executive officers of the Company.

In 1997, the Company entered into an Employment Agreement with Howard W. Schwan, President of the Company, providing that Mr. Schwan's base annual compensation would not be less than \$135,000. During 2001, 2002 and 2003, upon the recommendation of the Compensation Committee, the base salary of Mr. Schwan was \$150,000, \$162,500 and \$162,500 respectively. In 2001, 2002 and 2003, annual incentive compensation was paid to Mr. Schwan in the amounts of \$5,000, \$8,100 and \$5,520, respectively.

The Compensation Committee recommended that Mr. Schwan (and other senior executives of the Company), receive incentive stock options, consistent with observed market practices, so that a significant portion of his total compensation will be based upon, and consistent with, returns to shareholders. In 2002, Mr. Schwan was granted incentive stock options to purchase up to 14,285 shares of the Company's Common Stock.

- o An understanding of internal controls and procedures for financial reporting; and
- o An understanding of audit committee functions.

The foregoing attributes must have been acquired by the audit committee financial expert through one or more of the following means:

Edgar Filing: CTI INDUSTRIES CORP - Form DEF 14A

- (2) Experience actively supervising any of the persons referred to in (1) above;
- (3) Experience in overseeing or assessing the performance of companies or public accountants with respect to the preparation, auditing or evaluation of financial statements; or
- (4) other relevant experience.

All Audit Committee members shall be able to read and understand fundamental financial statements, including but not limited to balance sheets, income statements and cash flow statements.

2. Statement of Policy

The Audit Committee shall provide assistance to the Corporation's directors in fulfilling their responsibility to the shareholders, potential shareholders, and investment community relating to corporate accounting and financial reporting practices of the Corporation, and the quality and integrity of the financial reports of the Corporation. In so doing, it is the responsibility of the Audit Committee to maintain free and open means of communication between the directors, the independent auditors, the internal auditors, and the financial management of the Corporation. In discharging its oversight role, the Committee is empowered to investigate any matter brought to its attention with full access to all books, records, facilities, and counsel or other experts for this purpose.

3. Responsibilities and Processes

The primary responsibility of the Audit Committee is to oversee the Corporation's financial reporting process on behalf of the Board and report the results of their activities to the Board. Management is responsible for preparing the Corporation's financial statements, and the independent auditors are responsible for auditing those financial statements. In carrying out its responsibilities, the Audit Committee believes its policies and procedures should remain flexible,

2

In carrying out these responsibilities, the Audit Committee will:

3.1 Provide an open avenue of communication between the independent auditor, the internal auditor, management and the Board of Directors. The Committee shall have a clear understanding with management and the independent auditors that the independent auditors are ultimately accountable to the Board and the Audit Committee.

The Audit Committee has the responsibility for ensuring its receipt from the independent auditors of a formal written statement delineating all relationships between the auditors and the Corporation. The Audit Committee also has the responsibility for actively engaging in a dialogue with the independent auditors with respect to any disclosed relationships or services that may impact the objectivity and independence of the independent auditor and for taking, or recommending that the full Board take appropriate action to oversee the independence of the independent auditors.

3.6 Meet with the independent auditors and internal auditors to review the scope of the proposed audit for the current year and the audit procedures to be utilized, and at the conclusion thereof review such audit, including any comments or recommendations of the independent or internal auditors.

3.7 Review with the independent auditors and the internal auditor(s) the adequacy and effectiveness of the accounting and financial controls of the Corporation, and elicit any recommendations for the improvement of such internal control procedures or particular areas where new or more detailed controls or procedures are desirable. The Audit Committee should also review with the independent and internal auditors the coordination of audit efforts to assure

3

completeness of coverage, reduction of redundant efforts, and the effective use of audit resources.

3.8 Inquire of management, the internal auditor(s), and the independent auditors about significant business risks or exposures and assess the steps management has taken to minimize such risk to the Corporation.

3.9 Review with management, the independent auditors and the internal auditor(s) the interim financial report prior to the filing of the quarterly report on Form 10-Q. The Audit Committee shall discuss the results of the quarterly review and any other matters required to be communicated to the Audit Committee by the independent auditors under generally accepted auditing standards.

3.10 The Audit Committee shall review with management, the independent auditors and the internal auditor(s) the financial statements to be included in the Annual Report on Form 10-K, including their judgment about the quality, not just acceptability, of accounting principles, the reasonableness of significant judgments, and the clarity of the disclosures in the financial statements.
