Item 2. Identity and Background.

(a)-(c) This statement is filed on behalf of J. & W. Seligman & Co. Incorporated, a Delaware corporation ("JWS"), Seligman Spectrum Focus (Master) Fund, a Cayman Islands corporation ("SSF") and William C. Morris, controlling shareholder of JWS ("Morris", and together with JWS and SSF, the "Reporting Persons"). (d), (e) During the last five years, none of the Reporting Persons and none of the directors and executive officers of JWS and SSF have been (i) convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors) or (ii) a party to a civil proceeding of a judicial or administrative body of competent jurisdiction and as a result of such proceeding was or is subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding any violation with respect to such laws.

(f) Morris is citizen of the United States of America.

### Item 3. Source and Amount of Funds or Other Consideration.

In acquiring the Common Shares reported herein, SSF expended approximately \$3.1 million (including commissions) of its working capital.

### Item 4. Purpose of Transaction.

The Reporting Persons acquired the Common Shares beneficially owned by them for investment purposes. The Reporting Persons expect to continually monitor and re-evaluate their investments in the Common Shares.

JWS believes that the Issuer's business is profitable (on a non-GAAP basis) and growing and that the Issuer's Common Shares are significantly undervalued. Based upon the Issuer's enterprise value of \$33.4 million<sup>(1)</sup> (excluding assets<sup>(2)</sup> of \$40.4 million), the Common Shares are currently trading at 0.4x Wall Street estimates for the Issuer's 2008 fiscal year revenue. Excluding cash, cash equivalents and short-term investments of \$28.6 million,<sup>(2)</sup> the Common Shares are currently trading at 0.6x Wall Street estimates for the Issuer's 2008 fiscal year revenue.

In order to enhance shareholder value, JWS has recommended to the Issuer's Board of Directors that the Issuer buyback one to two million Common Shares in addition to the Common Shares that the Board has currently authorized the Issuer to repurchase. JWS believes that the Issuer can accommodate a repurchase of its Common Shares at the recommended level because it represents approximately 15% to 29% of the Issuer's available cash, cash equivalents and short-term investments of \$28.6 million,<sup>(2)</sup> inclusive of an increase of \$2.9 million during its last fiscal quarter.<sup>(3)</sup> Additionally, JWS believes that the Issuer will continue to generate cash from operations.

As part of this continuing process of monitoring their investment in the Common Shares, representatives of the Reporting Persons may from time to time hold talks or discussions with, write letters to and respond to inquiries from various parties, including, without limitation, the Issuer's Board of Directors, management or representatives, other shareholders and other persons or entities, regarding the Issuer's affairs and strategic alternatives.

From time to time in the past, representatives of the Reporting Persons have contacted members of the Issuer's management and Board of Directors in order to communicate the views of the Reporting Persons as to how best to maximize shareholder value. The initiatives that have been recommended by the Reporting

## Edgar Filing: CATALYST SEMICONDUCTOR INC - Form SC 13D

Persons for consideration by the Issuer's management and Board of Directors have included instituting a share buy-back program, marketing securities of the Issuer to investors and, ultimately, selling the Issuer to a strategic acquiror. JWS is considering proposing a candidate for election to the Issuer's Board of Directors through a submission to the Board's nominating committee and has introduced, and may introduce in the future, candidates for consideration by the Issuer for possible employment.

In the future, the Reporting Persons may undertake various actions or initiatives from time to time. Subject to applicable law and regulation and depending upon various factors, including, the financial

(2) Reflects \$16.6 million of cash and cash equivalents, \$12.0 million of short-term investments and \$11.7 million of property and equipment, net as of April 29, 2007 as reported by the Issuer to the SEC in the Issuer's 8-K filing on June 14, 2007.

(3) Based upon the increase of \$2.9 million in the Issuer's cash, cash equivalents and short-term investments balance from January 28, 2007 to April 29, 2007, as reported by the Issuer to the SEC in the Issuer's 10-Q filing on March 9, 2007 and 8-K filing on June 14, 2007, respectively.

performance of the Issuer, the availability and price of Common Shares, and other general market and investment conditions, those actions may include:

- o acquiring additional Common Shares, through open market purchases or otherwise;
- o selling, trading, engaging in short selling of, hedging or entering into any similar transactions with respect to the Common Shares, through open market transactions or otherwise;
- o seeking representation on the Board of Directors of the Issuer;
- o making recommendations to the Board of Directors and management of the Issuer concerning various business strategies, mergers, acquisitions, dispositions, dividend policy, capital structure, share buybacks, Certificate of Incorporation or Bylaws or other matters; or
- o taking any other actions, including engaging or participating in transactions, that could have the purpose or effect of directly or indirectly changing or influencing control of the Issuer.

Such actions may take place at any time and without prior notice. Conversely, it is possible that none of the courses of action described above will be pursued by any Reporting Person.

Item 5. Interest in Securities of the Issuer.

(a), (b) Based upon the Issuer's Quarterly Report on Form 10-Q filed with the Securities and Exchange Commission on March 9, 2007, there were 16,411,187 Common Shares issued and outstanding as of February 28, 2007. As to each Reporting Person, Items (7)-(11) and (13) of their respective cover page are incorporated herein by reference.

The shares of the Issuer reported herein are directly owned by SSF; however, SSF has engaged JWS as its investment adviser with discretionary authority to acquire, dispose and vote the shares of the Issuer.
