ITEM 3. Source and Amount of Funds or Other Consideration

Initial Investment

On August 12, 1999 (the "Closing Date"), pursuant to the Stock Purchase and Sale Agreement described in Item 4 below, SZI acquired from the Issuer: (i) 2,000,000 newly issued shares of Common Stock (the "Initial Shares") and (ii) a warrant to purchase an additional 2,000,000 shares of Common Stock (the "Warrant"). The aggregate amount of funds used in acquiring the Initial Shares and the Warrant was \$9,000,000. All funds used in acquiring the Initial Shares and the Warrant were obtained from the working capital of SZI.

In connection with the Issuer's acquisition of American Commercial Lines LLC ("ACL") and the recapitalization of ACL, the Issuer announced that it would conduct a rights offering to be issued pro rata to all holders of the Issuer's Common Stock to purchase newly-issued shares of Common Stock in the aggregate amount of \$42 million ("Rights Offering"). SZI agreed with the Issuer pursuant to a binding Term Sheet ("Term Sheet") to exercise the Warrant and purchase up to 4.0 million shares of Common Stock offered in the Rights Offering which were not otherwise subscribed for. On May 29, 2002, the Issuer closed the Rights Offering. In accordance with the terms of the Rights Offering, SZI purchased 1,560,174 shares of Common Stock at a purchase price of \$5.00 per share (the "Rights Offering Shares"), and, pursuant to its obligations under the Term Sheet, exercised its outstanding Warrant to purchase 1,900,437 shares of Common Stock at a purchase price of \$4.74 per share (the "Warrant Shares"). All funds used to purchase the Rights Offering Shares and the Warrant Shares came from the working capital of SZI.

Covanta Investment

On December 2, 2003, the Issuer entered into a Note Purchase Agreement (the "Note Purchase Agreement") among the Issuer, SZI, D.E. Shaw Laminar Portfolios, L.L.C. ("Laminar") and Third Avenue Value Fund Series ("Third Avenue"), pursuant to which each of SZI, Laminar and Third Avenue has agreed, severally and not jointly, to provide the Issuer with a Bridge Loan in the aggregate principal amount of \$40,000,000 and the Issuer issued (i) shares of its Common Stock to each of SZI, Laminar and Third Avenue, including 1,280,213 shares to SZI (SZI's shares referred to as the "Fee Shares"), which represent consideration for SZI, Laminar and Third Avenue agreeing to provide the Bridge Loan, and (ii) convertible notes, which are convertible in limited circumstances, in an

Edgar Filing: DANIELSON HOLDING CORP - Form SC 13D/A

aggregate principal amount of \$40,000,000 to SZI, Laminar and Third Avenue, including \$10,000,000 to SZI (SZI's notes referred to as the "Note"), which were issued in consideration for the Bridge Loan. The Issuer has represented it will use a portion of the proceeds of the Bridge Loan to purchase the equity of Covanta Energy Corporation ("Covanta") pursuant to a reorganization plan under Chapter 11 proceedings in the United States Bankruptcy Court for the Southern District of New York (the "Bankruptcy Court"), and the remainder of the proceeds will be used for fees and expenses related to the purchase of Covanta and for general corporate purposes. In the event the purchase of Covanta does not occur for any reason other than default of the Issuer, the Issuer shall have the right to redeem all of the shares of Common Stock issued to SZI, Laminar and Third Avenue pursuant to the Note Purchase Agreement at an aggregate consideration of \$4.00. The investment by SZI described in this paragraph is referred to as the "Covanta Investment."

All funds used in making SZI's portion of the Bridge Loan were obtained from the working capital of SZI.

ITEM 4. Purpose of the Transaction

Initial Investment

The acquisition of the Initial Shares and the Warrant was effected for the purpose of investing in the Issuer and to provide funds with which the Issuer may from time to time fund business acquisitions. In connection with the transaction, an affiliate of SZI entered into an agreement with the Issuer to provide certain advisory services to the Issuer and certain of its subsidiaries in connection with such potential acquisitions.

The Issuer entered into a Stock Purchase and Sale Agreement dated as of April 14, 1999 (the "Stock Purchase Agreement") with Samstock, L.L.C., a wholly-owned subsidiary of SZI ("Samstock"). The Stock Purchase Agreement was amended by Amendment No. 1, Assignment and Consent to Assignment of Stock Purchase Agreement, dated May 7, 1999 by and among Samstock, the Issuer and SZI (the "Amendment") pursuant to which the rights and obligations of Samstock under the Purchase Agreement were assigned to and assumed by SZI. On the Closing Date, SZI acquired the Initial Shares and the Warrant pursuant to the Stock Purchase Agreement, as amended.

In connection with the acquisition of the Initial Shares and the Warrant, the Issuer granted to SZI certain registration rights, which rights are now memorialized in a Registration Rights Agreement dated as of November 8, 2002 and made by and between the Issuer and SZI (the "Registration Rights Agreement").

CUSIP No. 236274106

13D/A

Page 5 of 34 Pages

Pursuant to the terms of the Registration Rights Agreement, SZI (or its designee) may make up to two requests that the Issuer file a shelf registration statement covering the resale of the Common Stock held from time to time by SZI, subject to certain limitations. In addition, SZI has piggyback registration rights in connection with a public offering of Common Stock by the Issuer solely for cash.

The purpose of the transactions contemplated under the Term Sheet was to assist the Issuer in satisfying its cash contribution obligations in connection with the acquisition and recapitalization of ACL. On May 29, 2002, the Issuer closed the Rights Offering. Pursuant to its obligations under the Term Sheet and in accordance with the terms of the Rights Offering, SZI purchased 1,560,174 shares of Common Stock under the Rights Offering and exercised its outstanding Warrant to purchase 1,900,437 shares of Common Stock.

Edgar Filing: DANIELSON HOLDING CORP - Form SC 13D/A

Covanta Investment

The acquisition of the Fee Shares and the Notes were effected for the purpose of investing in the Issuer and to provide funds with which the Issuer has agreed to purchase Covanta.

Upon the Bankruptcy Court's approval of the bankruptcy plan and after closing of the acquisition of Covanta, the Issuer will initiate a rights offering (the "Covanta Rights Offering"). During the Covanta Rights Offering, each of Laminar, SZI and Third Avenue shall have the right to acquire additional shares of the Issuer's Common Stock. The Issuer will use the proceeds of the Covanta Rights Offering to prepay the convertible notes. To the extent the proceeds of the Covanta Rights Offering are insufficient to prepay all of the principal amount of the convertible notes outstanding, the convertible notes will automatically convert into shares of the Issuer's Common Stock at an initial conversion price of \$1.53 per share; provided, however, that the notes will remain outstanding to the extent conversion would result in an "ownership change" of the Issuer under the Internal Revenue Code.

In connection with the Note Purchase Agreement, the Issuer has granted SZI, Laminar and Third Avenue certain registration rights, which rights are now memorialized in a Registration Rights Agreement dated as of December 2, 2003 and made by and among the Issuer, SZI, Laminar and Third Avenue (the "Covanta Registration Rights Agreement"; a copy of the Covanta Registration Rights Agreement is attached hereto as Exhibit 9 and incorporated herein by reference).

The Note Purchase Agreement contains certain restrictive covenants pursuant to which the Issuer has agreed not to, without the consent of holders of 66 2/3% of the principal amount of the convertible notes issued to SZI, Laminar and Third Avenue, among other things, pay dividends on any of its securities until the convertible notes are converted or repaid in full.

The summaries contained in this Schedule 13D of certain provisions of each of the Stock Purchase Agreement, Amendment, Term Sheet, Registration Rights Agreement, the Note Purchase Agreement and the Covanta Registration Rights Agreement are not intended to be complete and are qualified in their entirety by reference to each respective agreement attached as Exhibits to Schedule 13D and incorporated herein by reference.

Like all holders of 5% or more of Issuer's Common Stock, SZI will be subject to restrictions contained in Issuer's Certificate of Incorporation, which limits stock transfers by 5% or greater shareholders and prohibits parties from acquiring 5% or more of Issuer's Common Stock without the Issuer's consent. Subject to the restrictions contained in Issuer's Certificate of Incorporation, SZI intends to continue to review its investment in the Common Stock and, from time to time depending upon certain factors, including without limitation the financial performance of the Issuer, the availability and price of shares of Common Stock and other general market and investment conditions, may determine to acquire through open market purchases or otherwise additional shares of Common Stock, or may determine to sell through the open market or otherwise, in each case, subject to the limitations of the Stock Purchase Agreement and the Note Purchase Agreement, each as amended.

Except as stated above, neither SZI nor, to the best knowledge of SZI, any of ZGP or the persons listed in Item 2 hereto, has any plans or proposals of the types referred to in clauses (a) through (j) of Item 4 of Schedule 13D, as promulgated by the Securities and Exchange Commission.

SZI currently has the sole power to vote or to direct the vote of all shares of Issuer's Common Stock owned by SZI.

SZI disclaims beneficial ownership of any securities of Issuer beneficially owned by Laminar or Third Avenue.

Except as set forth below, as of the date hereof, neither SZI, nor to the best knowledge of SZI, any of the persons set forth in Item 2 hereof, owns any shares of Common Stock other than the shares owned by SZI. An affiliate of SZI owns approximately 40% of the 11.25% Senior Notes and 12% pay-in-kind Senior Subordinated Notes of ACL.

(c) Except as set forth above, during the last 60 days, no transactions in the Common Stock were effected by SZI, or to the best knowledge of SZI, any of the persons set forth in Item 2.

(d) No person other than SZI has the right to receive or the power to direct the receipt of dividends from, or the proceeds from the sale of shares of Common Stock owned by SZI.

7. Terms of Notes.

7.1 General Terms. Each Note shall bear interest, commencing on the date of issuance thereof, payable on the Maturity Date or upon prior prepayment and shall mature on the Maturity Date. The Notes shall bear interest on their outstanding amount (and any interest compounded pursuant to Section 7.5(b) hereof) at a rate of 12% per annum for period from the date of issuance through July 15, 2004 and 16% thereafter until paid or converted in full, in each case calculated on the basis of a 360-day year for the actual number of days elapsed; provided, however, that the terms of the Notes shall be modified pursuant to the Ownership Change Rollover Terms and the Non-Ownership Change Rollover Terms, as applicable, as set forth herein. Except pursuant to the Rollover Terms, all amounts due on each Note (including accrued interest) shall be payable in cash unless payment by conversion into shares of Common Stock is otherwise authorized or required herein. The terms of the Notes shall remain unchanged upon application of the Rollover Terms, except as expressly provided in the applicable Rollover Terms. All payments by the Company under the Notes shall be made without set-off, defense or counterclaim and shall be free and clear and without any deduction or withholding for any taxes or fees of any nature whatever, unless the obligation to make such deduction or withholding is imposed by law.

7.3 Payment by Conversion.

(a) In cases in which Notes (including accrued interest thereon) are authorized or required by this Agreement to be paid or prepaid by conversion, such payment shall be effected by the issuance of shares of Common Stock valued at \$1.53 per share in exchange for the principal of and accrued interest on the Notes; provided, however, no shares of Common Stock will be issued by the Company for payment of the Notes by conversion to the extent the issuance of such Common Stock would result (based on the reasonable determination by the Company and its tax advisors) in an Ownership Change Limitation. In the event the Ownership Change Limitation prevents the payment in full by conversion of the Notes required to be paid or prepaid by conversion, the Ownership Change Rollover Terms shall apply to the Notes in an original principal amount equal to the

Edgar Filing: DANIELSON HOLDING CORP - Form SC 13D/A

principal of, and accrued interest on, the Notes not so paid or prepaid by conversion.

(b) No fractional shares of the Common Stock will be issued upon payment of a Note by conversion. In lieu of any fractional share to which a Purchaser would otherwise be entitled, the Company will pay to the Purchaser in cash the amount of the unconverted principal balance of the Note that would otherwise be converted into such fractional share.

(c) The Company will pay any and all documentary, stamp or similar taxes payable to the United States of America or any political subdivision or taxing authority thereof or therein in respect of the issue or delivery of shares of Common Stock on conversion of Notes therefor.

(d) Upon payment or prepayment of a Note by conversion, the Purchaser shall surrender the Note, duly endorsed, at the principal offices of the Company or any transfer agent of the Company. Upon conversion of a Note and payment for fractional shares as provided above, the Company will be forever released from its payment obligations and liabilities under such Note to the extent of the portion thereof paid or prepaid by conversion.

(e) Upon acquisition by each of D. E. Shaw and TAT, respectively, resulting in a holding of ten percent (10%) or more of the Common Stock of the Company, respectively, each of D. E. Shaw and TAT agrees with, and for the benefit of, the Company and not any other Purchaser, severally and not jointly, not to vote its shares of Common Stock in the Company on matters: (i) that directly affect the management, policies and operations of the Company's insurance Subsidiaries including the election of directors and appointment of officers of the insurance Subsidiaries, (ii) that directly affect the policies and business operations of the insurance Subsidiaries, including matters involving the business plans or strategies of the insurance Subsidiaries, underwriting and claims handling standards and procedures, arrangements with insurance agents and brokers, regulatory compliance filings, or reinsurance arrangements

of the insurance Subsidiaries, and (iii) directly regarding the management or operations of the insurance Subsidiaries that insurance regulators in the jurisdictions where each of D. E. Shaw and TAT, respectively, has filed a Disclaimer of Affiliation and Control ("Disclaimer") of the insurance Subsidiaries advise would constitute the exercise of control over the management, policies and operations of the insurance Subsidiaries under the applicable Insurance Holding Company Act in such jurisdictions.

7.4 Mandatory Prepayment upon the Non-Occurrence of the Contemplated Transactions.

(a) If there is at least one, but no more than two, Non-Performing Purchaser(s), and another Purchaser elects to assume the obligations of the Non-Performing Purchaser(s), each Non-Performing Purchaser shall be automatically deemed to have assigned, without charge or recourse, to the Purchaser assuming the Non-Performing Purchaser's obligations hereunder, all right, title and interest

Edgar Filing: DANIELSON HOLDING CORP - Form SC 13D/A

in the Notes held by such Non-Performing Purchaser, and the Non-Performing Purchaser's Escrowed Stock. Except as otherwise agreed among the assuming Purchaser(s), if more than one Purchaser elects to assume such obligations, the assumption shall be in proportion to the assuming Purchasers' ownership percentages of the Notes hereunder. Upon any such assignment of a Non-Performing Purchaser's Note and Escrowed Stock and assumption by another Purchaser that performs all of its obligations and such assumed obligations hereunder, the Non-Performing Purchaser shall have no further liability hereunder to the Company or to the other Purchasers.

(b) If the Deposit is not returned to the Company by Covanta solely as a result of a Purchaser Group Non-Performance: (i) 75% of the original principal of and accrued interest on each Note shall automatically be deemed to be cancelled and forgiven by the Purchasers; (ii) subject to the next sentence, the remaining principal of and accrued interest on the Notes, as well as the amount of the Investor Expense Reimbursement then due and payable, shall be converted into shares of Common Stock of the Company at a price of \$1.53 per share on the second Business Day following the date the Covanta Agreement is terminated and the Reserve Amount shall be released to the Company; (iii) the Escrowed Stock shall be subject to redemption by the Company pursuant to Section 2.3(b); and (iv) the Purchasers shall have all right, title and interest in and to all of the Deposit or any portion thereof received from Covanta by the Company at any time after the date the Transactions are terminated, pursuant to Section 7.5(b). If \$3,000,000 is not due and payable by the Company to CSFB in connection with the Acquisition: (x) the amount converted in Section 7.4(b)(ii) above shall be reduced by \$3,000,000; (y) \$3,000,000 of the Reserve Amount shall be released from the Escrow Account to the Purchasers to repay the Notes by such amount; and (z) the remainder of the Reserve Amount shall be released to the Company. Upon any such cancellation and conversion of the Notes, and redemption of the Escrowed Stock, the Purchasers shall have no further liability to the Company in connection with this Agreement.

(c) If the Covanta Agreement is terminated or the closing of the Acquisition does not occur on or before June 30, 2004, and the Deposit is not returned to the Company by Covanta solely as a result of a Company Non-Performance: (i) the Reserve Amount shall be released from the Escrow Account to the Purchasers immediately in order to repay the Notes by such amount; (ii) the Escrowed Stock shall immediately cease to be subject to redemption by the Company and the Escrow Receipts, or the Escrowed Stock if permitted by the Restated Certificate of Incorporation, shall immediately be released to the Purchasers; and (iii) the remaining outstanding principal of and accrued interest on the Notes, as well as the amount of the Investor Expense Reimbursement then due and payable shall be immediately due and payable in cash.

(d) The parties expressly acknowledge that neither the Company nor any Purchaser has any liability to any other party under this Agreement for any lost profits or losses or indirect, punitive, incidental or consequential damages in connection with this Agreement or the Transactions.

(e) The Company hereby expressly acknowledges that no Purchaser has any obligation to perform or discharge any obligation or commitment of any other Purchaser. The Company and the Purchasers further agree that the remedies set forth in this Section 7.4 shall be the sole remedies in connection with Non-Performing Purchaser(s) or a Purchaser Group Non-Performance or a Company Non-Performance in connection with this Agreement or the Transactions.

7.5 Mandatory Prepayment in Cash.

(a) In the event the Deposit under the Covanta Agreement is, or is required to be, returned to the Company, then the following shall apply:

(i) the Company shall prepay the aggregate principal amount of \$30,000,000 of the Notes in cash on July 15, 2004 or, if earlier, the third Business Day following the return of such Deposit under the Covanta Agreement, the Reserve Amount shall be released from the Escrow Account to the Purchasers in repayment of the Notes in such amount, and the remaining \$3,000,000 outstanding principal amount of the Notes, if any, together with any accrued interest, shall remain outstanding subject to the Non-Ownership Change Rollover Terms; provided, that such outstanding principal amount shall be deemed increased by the amount of Investor Expense Reimbursement then due and payable; or

(ii) if the Breakup Fee is due and payable, then the Company shall prepay the Notes in accordance with the provisions of Section 7.5(a)(i) above and then apply the proceeds of the Breakup Fee to payments in the following order of priority: (FIRST) to outstanding principal of and then accrued and unpaid interest on the Notes; (SECOND) to documented out-of-pocket expenses of the Purchasers incurred in connection with the Transactions, subject to the Investor Expense Reimbursement; (THIRD) to documented out-of-pocket expenses of the Company incurred in connection with the Transactions to the extent not otherwise reimbursed; and (FOURTH) 50% of the remainder to be divided among each Purchaser in proportion to their respective ownership percentages of the Notes and 50% of the remainder to the Company. Any principal amount and accrued interest on the Notes that remains outstanding after all payments have been made pursuant to this Section 7.5(a)(ii), shall remain outstanding subject to Non-Ownership Change Rollover Terms.

(b) In the event of any bona fide dispute about the return of the Deposit under the Covanta Agreement or the payment of the Breakup Fee, the prepayment date with respect to the amount of the dispute only, shall be extended until not later than the Extended Maturity Date, and interest on the Notes shall compound as of July 15, 2004, and, if then still outstanding, as of January 2, 2005. Upon resolution of any such dispute, any and all proceeds received by the Company shall be applied immediately in accordance with Section 7.5(a). If the proceeds of any such resolution are not sufficient to prepay all of the outstanding Notes, any remaining principal amount on the Notes, plus accrued interest thereon shall remain outstanding subject to the Non-Ownership Change Rollover Terms.

(c) Immediately after each issuance, if any, of Common Stock otherwise than pursuant to this Agreement (including the Plan Shares) and prior to or in connection with the Rights Offering, the Company shall prepay Notes (and accrued interest) in an amount equal to the net proceeds of such issuance.

8 Events of Default. Upon the occurrence of any of the following (each an "Event of Default"), the Company agrees (i) with respect to any Event of Default described in Sections 8(a) or 8(b), that all unpaid principal of and accrued interest on the Notes shall become immediately due and payable in cash without presentment, demand, protest, notice or other requirements of any kind, all of which are hereby expressly waived by the Company and its Subsidiaries; and (ii) with respect to all other Events of Default, the Required Majority may by written notice to the Company, declare all or any portion of the unpaid principal of and accrued interest on the Notes to be, and the same shall forthwith become, immediately due and payable, subject to the cure periods specified herein, if capable of cure:

Edgar Filing: DANIELSON HOLDING CORP - Form SC 13D/A

"materiality" or "Material Adverse Effect " qualifiers set forth therein) on and as of the Closing Date, with the same force and effect as though made on and as of the Closing Date, except in any case for such failures to be true and correct which would not, individually or in the aggregate, result in a Material Adverse Effect.

(b) Company shall have performed and complied in all material respects with all covenants and agreements required by this Agreement to be performed or complied with by Company on or prior to the Closing Date.

(c) Each Purchaser shall have received a certificate, dated the Closing Date, signed by the Chief Financial Officer of the Company, certifying on behalf of the Company that the conditions specified in the foregoing Sections 9.1(a) and (b) have been fulfilled.

(g) The Covanta Agreement shall have been executed and delivered by each of the parties thereto and shall be in full force and effect.

(h) Each Purchaser's obligations under this Section 9.1 shall be several and independent from the obligations of each other Purchaser; provided, however, that if any Purchaser is unwilling or fails to fulfill or comply with any of the conditions set forth in this Section 9.1, any other Purchaser shall have the immediate right to replace such Purchaser's commitment by increasing its own commitment, as set forth in Exhibit A; provided, further that if the remaining purchasers both desire to replace such Purchaser's commitment, each may do so in proportion to the percentage of their existing commitment hereunder.

complied with by such Purchaser on or prior to the Closing Date.

(c) The Company shall have received from each Purchaser a certificate dated the Closing Date, signed by an appropriate officer of such Purchaser, certifying on behalf of such Purchaser that the conditions specified in the foregoing Sections 9.2(a) and (b) have been fulfilled.

(d) The sale of the Notes by the Company shall not be prohibited or enjoined by any law or governmental or court order or regulation.

10. Registration of the Securities; Compliance with the Securities Act.

10.1 Securities Law Transfer Restrictions. No Purchaser shall sell, assign, pledge, transfer or otherwise dispose or encumber any of the Securities being purchased by it hereunder, except (i) pursuant to an effective registration statement under the Securities Act or (ii) pursuant to an available exemption from registration under the Securities Act and applicable state securities laws and, if requested by the Company, upon delivery by such Purchaser of an opinion of counsel reasonably satisfactory to the Company to the effect that the proposed transfer is exempt from registration under the Securities Act and applicable state securities laws. The Company shall not register any transfer of the Securities in violation of this Section 10.1. The Company may, and may instruct any transfer agent for the Company to, place such stop transfer orders as may be required on the transfer books of the Company in order to ensure compliance with the provisions of this Section 10.1. Notwithstanding the foregoing, without the prior written consent of the Company: (i) the Notes shall not be transferable, except for transfers to Affiliates of the Purchasers that agree not to further transfer the Notes and expressly agree to assume such Purchaser's obligations hereunder, and (ii) the Escrowed Stock shall not be transferable prior to the earlier of July 15, 2004 and the closing of the Rights Offering.

10.2 Legends. Each certificate representing any of the Securities shall be endorsed with the legend set forth below, and each Purchaser covenants that, except to the extent such restrictions are waived by the Company, it shall not transfer the Securities represented by any such certificate without complying with the restrictions on transfer described in this Agreement and the legends endorsed on such certificate:

"THE SECURITIES REPRESENTED BY THIS [CERTIFICATE] [NOTE] [AND THE SECURITIES ISSUABLE UPON ITS CONVERSION] HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED (THE "ACT"), OR SECURITIES LAWS OF ANY STATE AND MAY NOT BE OFFERED, SOLD, ASSIGNED, PLEDGED TRANSFERRED OR OTHERWISE DISPOSED OF IN THE ABSENCE OF AN EFFECTIVE REGISTRATION STATEMENT UNDER THE ACT AND APPLICABLE STATE SECURITIES LAWS OR PURSUANT TO AN AVAILABLE EXEMPTION FROM REGISTRATION UNDER THE ACT OR SUCH LAWS AND, IF REQUESTED BY THE COMPANY, UPON DELIVERY OF AN OPINION OF COUNSEL REASONABLY SATISFACTORY TO THE COMPANY THAT THE PROPOSED TRANSFER IS EXEMPT FROM THE ACT OR SUCH LAWS."

11. Termination.

11.1 Conditions of Termination. Notwithstanding anything to the contrary contained herein, this Agreement may be terminated at any time before the Closing (a) by mutual consent of the Company and the Purchasers, or (b) by either party hereto if the Closing shall not have occurred on or prior to June 30, 2004.

11.2 Effect of Termination. In the event of termination pursuant to Section 11.1 hereof, this Agreement shall become null and void and have no effect, with no liability on the part of the Company or the Purchasers, or their directors, officers, agents or stockholders, with respect to this Agreement, except for liability for any willful breach of this Agreement.

12. Miscellaneous Provisions.

12.1 Public Statements or Releases. Neither the Company nor any Purchaser shall make any public announcement with respect to the existence or terms of this Agreement or the transactions provided for herein without the prior approval of the other parties, which shall not be unreasonably withheld or delayed.

Notwithstanding the foregoing, nothing in this Section 12.1 shall prevent any party from making any public announcement it considers necessary in order to satisfy its obligations under the law or the rules of any national securities exchange, provided such party, to the extent practicable, provides the other parties with an opportunity to review and comment on any proposed public announcement before it is made.

The exercise or partial exercise of any right, power or remedy shall neither constitute the exclusive election thereof nor the waiver of any other right, power or remedy available to such party.

12.3 Pronouns. All pronouns or any variation thereof shall be deemed to refer to the masculine, feminine or neuter, singular or plural, as the identity of the person, persons, entity or entities may require.

Edgar Filing: DANIELSON HOLDING CORP - Form SC 13D/A

Subject to Section 7.4(b), such payment shall be made in cash to such accounts as the Purchasers shall jointly specify in writing to the Company.

12.7 Severability. Should any part or provision of this Agreement be held unenforceable or in conflict with the applicable laws or regulations of any jurisdiction, the invalid or unenforceable part or provisions shall be replaced with a provision which accomplishes, to the extent possible, the original business purpose of such part or provision in a valid and enforceable manner, and the remainder of this Agreement shall remain binding upon the parties hereto.

12.8 Governing Law; Injunctive Relief. This Agreement shall be governed by, and construed in accordance with, the laws of the State of New York.

12.9 Waiver. No waiver of any term, provision or condition of this Agreement, whether by conduct or otherwise, in any one or more instances, shall be deemed to be, or be construed as, a further or continuing waiver of any such term, provision or condition or as a waiver of any other term, provision or condition of this Agreement.

12.10 Assignment. The rights and obligations of the parties hereto shall inure to the benefit of and shall be binding upon the authorized successors and permitted assigns of each party. 12.11 Counterparts. This Agreement may be signed in one or more counterparts, each of which shall be an original, but all of which together shall constitute one instrument.

12.13 Entire Agreement. This Agreement constitutes the entire agreement between the parties hereto respecting the subject matter hereof and supersedes all prior agreements, negotiations, understandings, representations and statements respecting the subject matter hereof, whether written or oral. EXHIBIT 9

This Registration Rights Agreement, dated as of December 2, 2003, (as amended, supplemented or otherwise modified from time to time, this "Agreement"), by and between Danielson Holding Corporation, a Delaware corporation (the "Company"), and D. E. Shaw Laminar Portfolios, L.L.C., a Delaware limited liability company ("DES"), SZ Investments, L.L.C., a Delaware limited liability company ("SZI"), and Third Avenue Trust, on behalf of the Third Avenue Value Fund Series, a Delaware business trust ("TAT"), severally (each of DES, SZI and TAT, an "Investor" and collectively, the "Investors"). Capitalized terms used herein and not otherwise defined shall have the meanings ascribed thereto in the Note Purchase Agreement.

WITNESSETH:

WHEREAS, the Investors are parties to that certain Note Purchase Agreement of even date herewith, among the Company and the Investors, severally (the "Note Purchase Agreement"), and pursuant thereto the Company has agreed to execute and deliver this Agreement for the benefit of the Investors;

NOW, THEREFORE, intending to be legally bound, the parties hereto agree as follows:

ARTICLE I
REGISTRATION RIGHTS

1.1 Definitions. For purposes of this Article I:

The term "Common Stock" means the Company's common stock, par value \$.10 per share. The term "Company Voting Securities" shall mean Common Stock and any other equity securities of the Company entitled to vote generally for the election of directors. The term "Exchange Act" means the Securities Exchange Act of 1934, as amended. The term "Holder" shall mean any Investor who holds Registrable Securities and any holder of Registrable Securities to whom the registration rights conferred by this Agreement have been transferred. The term "register," "registered" and "registration" refer to a registration effected by preparing and filing a registration statement in compliance with the Securities Act of 1933, as amended (the "Act").

The term "Registrable Securities" means shares of Common Stock acquired by the Investors pursuant to the Note Purchase Agreement. In the case of SZI, Registrable Securities of SZI shall be governed by the provisions of this Agreement and not by the provisions of the registration rights agreement, dated as of November 8, 2002, between the Company and SZI.

The term "Rule 415 Offering" means an offering on a delayed or continuous basis pursuant to Rule 415 (or any successor rule to similar effect) promulgated under the Act.

The term "Shelf Registration Statement" means a registration statement intended to effect a shelf registration in connection with a Rule 415 Offering.

1.2 Shelf Registrations and Piggy-Back Registrations.

(a) Pursuant to Section 5.7 of the Note Purchase Agreement, on the earlier of June 30, 2004, or ten days after the date of the closing of the Rights Offering, the Company shall file with the SEC a Shelf Registration Statement, or such other registration statement as the Company may qualify to file, and shall use commercially reasonable efforts to cause such registration statement to be declared effective as promptly as practicable, on behalf of the Holders with respect to all of the Registrable Securities and shall use its commercially reasonable efforts to keep such registration statement effective until such time

Edgar Filing: DANIELSON HOLDING CORP - Form SC 13D/A

as all such Registrable Securities covered thereby have been sold or disposed of thereunder or sold, transferred or otherwise disposed of to a Person that is not a Holder.

(b) Piggyback Registration. If (but without any obligation to do so) the Company proposes to register any of its Common Stock under the Act in connection with the public offering of such Common Stock by the Company solely for cash (other than a registration relating solely to the sale of securities to participants in a dividend reinvestment plan, stock plan or employee benefit plan; a registration relating solely to the issuance of securities to the security holders of an acquired company in connection with an acquisition; or a registration on any form which does not permit inclusion of selling stockholders), or the Company proposes to register any of its securities on behalf of a holder exercising demand registration rights, the Company shall, at such time, promptly give each Investor written notice of such registration. Upon the written request any Investor given within 15 days after mailing of such notice by the Company, the Company shall cause to be registered under the Act all of the Registrable Securities that such Investor has requested to be registered. Notwithstanding anything to the contrary in this Section 1.2(b), in connection with any offering involving an underwriting of shares being issued by the Company, the Company shall not be required under this Section 1.2(b) to include any of the Holders' Registrable Securities in such underwriting or the registration statement relating thereto unless they accept the terms of the underwriting as agreed upon between the Company and the

13D/A

Page 30 of 34 Pages

underwriters selected by the Company. If the total amount of securities, including Registrable Securities, requested by Holders and other stockholders to be included in such offering exceeds the amount of securities offered other than by the Company that the underwriters reasonably believe can be offered without jeopardizing the success of the offering, then the Company shall be required to include in the offering only that number of such securities, including Registrable Securities, which the underwriters believe will not jeopardize the success of the offering. To achieve any necessary reduction in the securities to be sold, the securities to be excluded from the offering shall first be selected (in each case, pro rata among such class of holders according to the total amount of securities proposed to be included in the registration statement or in such other proportions as shall mutually be agreed to by such class of holders) in the following order: (i) first, securities being included on behalf of holders other than either the Investors or other holders of Registrable Securities shall be excluded; (ii) next, if additional securities must be excluded, Registrable Securities included pursuant to Section 1.2(b) shall be excluded; (iii) finally, if additional securities must be excluded, securities offered by the Company shall be excluded.

1.3 Additional Obligations of the Company. Whenever the Company has filed a registration statement under this Article I, the Company shall, as expeditiously as reasonably possible:

(a) Prepare and file with the SEC such amendments and supplements to such registration statement and the prospectus used in connection therewith as may be necessary to comply with the provisions of the Act with respect to the disposition of all securities covered thereby.

(b) Furnish to the holders of Registrable Securities such numbers of copies of a prospectus, including a preliminary prospectus, in conformity with the requirements of the Act, and such other documents as they may reasonably request

Edgar Filing: DANIELSON HOLDING CORP - Form SC 13D/A

in order to facilitate the disposition of Registrable Securities covered by such registration statement owned by them.

(c) Use its best efforts to register and qualify the securities covered by such registration statement under such other securities or Blue Sky laws of such states or other jurisdictions as shall be reasonably requested by the holders of Registrable Securities, provided that the Company shall not be required to qualify to do business or to file a general consent to service of process in any such states or jurisdictions where it is not so subject.

(d) Notify each holder of Registrable Securities covered by such registration statement at any time when a prospectus relating thereto is required to be delivered under the Act of the happening of any event as a result of which the prospectus included in such registration statement, as then in effect, includes an untrue statement of a material fact or omits to state a material fact required to be stated therein or necessary to make the statements therein not misleading in the light of the circumstances then existing, and then use its best efforts to promptly correct such statement or omission. Notwithstanding the foregoing and anything to the contrary set forth in this Section 1.3, each holder of Registrable Securities acknowledges that the Company shall have the right to suspend the use of the prospectus forming a part of a registration statement if such offering would interfere with a pending corporate transaction or for other reasons involving material non-public information, until such time as an amendment to the registration statement has been filed by the Company and declared effective by the SEC, or until such time as the Company has filed an appropriate report with the SEC pursuant to the Exchange Act. Each holder of Registrable Securities hereby covenants that it will (a) keep any such notice strictly confidential, and (b) not sell any shares of Common Stock pursuant to such prospectus during the period commencing at the time at which the Company gives the holder of Registrable Securities notice of the suspension of the use of such prospectus and ending at the time the Company gives the holder of Registrable Securities notice that it may thereafter effect sales pursuant to such prospectus. The Company shall only be able to suspend the use of such prospectus for not more than two periods of not more than 90 days each in respect of any registration in any 12 month period.

(e) Use its best efforts to cause all Registrable Securities to be listed on all securities exchanges on which similar securities issued by the Company are then listed.

1.4 Furnish Information. It shall be a condition precedent to the obligations of the Company to take any action pursuant to this Article I with respect to the Registrable Securities of any selling holder of Registrable Securities that such holder of Registrable Securities shall furnish to the Company such information regarding itself, the Registrable Securities held by it, and the intended method of disposition of such securities as shall be required to effect the registration of such holder's Registrable Securities and as may be required from time to time to keep such registration current.

1.5 Expenses of Registration. All expenses incurred by or on behalf of the Company in connection with registrations, filings or qualifications pursuant to Section 1.2, including, without limitation, all registration, filing and qualification fees, printers' and accounting fees, and fees and disbursements of counsel for the Company, shall be borne by the Company. In no event shall the

Edgar Filing: DANIELSON HOLDING CORP - Form SC 13D/A

Company be obligated to bear any underwriting discounts or commissions or brokerage fees or commissions relating to Registrable Securities or the actual fees and expenses of more than one counsel for each selling Investor; provided that such fees and expenses in the aggregate shall not exceed \$60,000.

1.6 Indemnification. In the event any Registrable Securities are included in a registration statement under this Article I:

(a) To the extent permitted by law, the Company will indemnify and hold harmless each holder and the affiliates of such holder, and their respective directors, officers, general and limited partners, agents and representatives (and the directors, officers, affiliates and controlling persons thereof), and each other person, if any, who controls such holder within the meaning of the Act, against any losses, claims, damages, or liabilities (joint or several) to which they may become subject under the Act, the Exchange Act or other federal or state law, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon any of the following statements, omissions or violations (collectively a "Violation"): (i) any untrue statement or alleged untrue statement of a material fact contained in such registration statement, including any preliminary prospectus (but only if such statement is not corrected in the final prospectus) contained therein or any amendments or supplements thereto, (ii) the omission or alleged omission to state therein a material fact required to be stated therein, or necessary to make the statements therein not misleading (but only if such omission is not corrected in the final prospectus), or (iii) any violation or alleged violation by the Company in connection with the registration of Registrable Securities under the Act, the Exchange Act, any state securities law or any rule or regulation promulgated under the Act, the Exchange Act or any state securities law; and the Company will pay to each such Holder, affiliate or controlling person, as incurred, any legal or other expenses reasonably incurred by them in connection with investigating or defending any such loss, claim, damage, liability or action; provided, however, that the indemnity agreement contained in this Section 1.6(a) shall not apply to amounts paid in settlement of any such loss, claim, damage, liability or action if such settlement is effected without the consent of the Company (which consent shall not be unreasonably withheld), nor shall the Company be liable in any such case for any such loss, claim, damage, liability or action to the extent that it arises out of or is based upon a Violation which occurs in reliance upon and in conformity with written information furnished expressly for use in connection with such registration by any such holder or controlling person. Each indemnified party shall furnish such information regarding itself or the claim in question as an indemnifying party may reasonably request in writing and as shall be reasonably required in connection with defense of such claim and litigation resulting therefrom.

(b) To the extent permitted by law, each selling holder of Registrable Securities will indemnify and hold harmless the Company, each of its directors, each of its officers who has signed the registration statement, each person, if any, who controls the Company within the meaning of the Act, any underwriter, any other holder selling securities in such registration statement and any controlling person of any such underwriter or other holder, against any losses, claims, damages or liabilities (Joint or several) to which any of the foregoing persons may become subject, under the Act, the Exchange Act or other federal or state law, insofar as such losses, claims, damages or liabilities (or actions in respect thereto) arise out of or are based upon any Violation, in each case to the extent (and only to the extent) that such Violation occurs in reliance upon and in conformity with written information furnished by such holder expressly for use in connection with such registration; and each such holder will pay, as incurred, any legal or other expenses reasonably incurred by any person intended to be indemnified pursuant to this Section 1.6(b) in connection with investigating or defending any such loss, claim, damage, liability or action; provided, however, that the indemnity agreement contained in this Section 1.6(b) shall not apply to amounts paid in settlement of any such loss, claim, damage,

Edgar Filing: DANIELSON HOLDING CORP - Form SC 13D/A

liability or action if such settlement is effected without the consent of such holder, which consent shall not be unreasonably withheld; provided, that, in no event shall any indemnity under this Section 1.6(b) exceed the net proceeds from the offering received by such holder. Each indemnified party shall furnish such information regarding itself or the claim in question as an indemnifying party may reasonably request in writing and as shall be reasonably required in connection with defense of such claim and litigation resulting therefrom.

13D/A

Page 32 of 34 Pages

(c) Promptly after receipt by an indemnified party under this Section 1.6 of notice of the commencement of any action (including any governmental action), such indemnified party will, if a claim in respect thereof is to be made against any indemnifying party under this Section 1.6, deliver to the indemnifying party a written notice of the commencement thereof and the indemnifying party shall have the right to participate in, and, to the extent the indemnifying party so desires, jointly with any other indemnifying party similarly noticed, to assume the defense thereof with counsel mutually satisfactory to the parties. The failure to deliver written notice to the indemnifying party within a reasonable time after the commencement of any such action, if materially prejudicial to its ability to defend such action, shall relieve such indemnifying party of any liability to the indemnified party under this Section 1.6 to the extent of such prejudice, but the omission so to deliver written notice to the indemnifying party will not relieve it of any liability that it may have to any indemnified party otherwise than under this Section 1.6. The indemnified party shall have the right, but not the obligation, to participate in the defense of any action referred to above through counsel of its own choosing and shall have the right, but not the obligation, to assert any and all separate defenses, cross claims or counterclaims which it may have, and the fees and expenses of such counsel shall be at the expense of such indemnified party unless (i) the employment of such counsel has been specifically authorized in advance by the indemnifying party, (ii) there is a conflict of interest that prevents counsel for the indemnifying party from adequately representing the interests of the indemnified party or there are defenses available to the indemnified party that are different from, or additional to, the defenses that are available to the indemnifying party, (iii) the indemnifying party does not employ counsel that is reasonably satisfactory to the indemnified party within a reasonable period of time, or (iv) the indemnifying party fails to assume the defense or does not reasonably contest such action in good faith, in which case, if the indemnified party notifies the indemnifying party that it elects to employ separate counsel, the indemnifying party shall not have the right to assume the defense of such action on behalf of the indemnified party and the reasonable fees and expenses of such separate counsel shall be borne by the indemnifying party; provided, however, that, the indemnifying party shall not, in connection with any proceeding or related proceedings in the same jurisdiction, be liable for the reasonable fees and expenses of more than one separate firm (in addition to one firm acting as local counsel) for all indemnified parties.

(d) The obligations of the Company and the holders under this Section 1.6 shall survive the completion of any offering of Registrable Securities in a registration statement under this Article I.

1.7 Reports Under the Exchange Act. With a view to making available to the holders of Registrable Securities the benefits of Rule 144 promulgated under the Exchange Act and any other rule or regulation of the SEC that may at any time permit a holder to sell securities of the Company to the public without registration or pursuant to a registration on Form S-3, the Company agrees to:

Edgar Filing: DANIELSON HOLDING CORP - Form SC 13D/A

(a) use its best efforts to make and keep public information available, as those terms are understood and defined in Rule 144;

(b) use its best efforts to file with the SEC in a timely manner all reports and other documents required under the Act and the Exchange Act; and

(c) furnish to any Holder forthwith upon request (i) a written statement by the Company as to its compliance with the reporting requirements of Rule 144, or as to whether it qualifies as a registrant whose securities may be resold pursuant to Form S-3, (ii) a copy of the most recent annual or quarterly report of the Company and such other reports and documents so filed by the Company, and (iii) such other information (and the Company shall take such action) as may be reasonably requested in availing any holder of Registrable Securities of any rule or regulation of the SEC which permits the selling of any such securities without registration or pursuant to such form.

1.8 No Assignment of Registration Rights. The rights to cause the Company to register Registrable Securities pursuant to this Article I may only be assigned by a holder of Registrable Securities to a transferee or assignee of any Registrable Securities if immediately following such transfer the further disposition of such securities by the transferee or assignee is restricted under the Act.

1.9 Waiver Procedures. The observance by the Company of any provision of this Article I may be waived (either generally or in a particular instance and either retroactively or prospectively) with the written consent of the holders of at least 66 2/3% of the Registrable Securities, and any waiver effected in accordance with this paragraph shall be binding upon each holder of Registrable Securities.

1.10 "Market Stand-off" Agreement. Any holder of Registrable Securities, if requested by an underwriter of any registered public offering of Company securities being sold in a firm commitment underwriting, agrees not to sell or otherwise transfer or dispose of any Common Stock (or other Company Voting Securities) held by such holder other than shares of Registrable Securities included in the registration during the seven days prior to, and during a period of up to 180 days following, the effective date of the registration statement. Such agreement shall be in writing in a form reasonably satisfactory to the Company and such underwriter. The Company may impose stop-transfer instructions with respect to the securities subject to the foregoing restriction until the end of the required stand-off period.

ARTICLE II MISCELLANEOUS

2.1 Remedies. Each of the Investors and the Company acknowledge and agree that (i) the provisions of this Agreement are reasonable and necessary to protect the proper and legitimate interests of the parties hereto, and (ii) the parties would be irreparably damaged in the event any of the provisions of this Agreement were not performed in accordance with their specific terms or were otherwise breached. It is accordingly agreed that any party shall be entitled to seek preliminary and permanent injunctive relief to prevent breaches of the provisions of this Agreement by any other party (or its Affiliates) without the necessity of proving actual damages or of posting any bond, and to enforce

2.3 Severability. If any term, provision, covenant or restriction of this Agreement is held by a court of competent jurisdiction to be invalid, void or unenforceable, the remainder of the terms, provisions, covenants and restrictions shall remain in full force and effect and shall in no way be affected, impaired or invalidated. The parties hereto agree that they will use their best efforts at all times to support and defend this Agreement.

2.4 Amendments. This Agreement may be amended only by an agreement in writing signed by each of the parties hereto.

2.5 Governing Law. This Agreement shall be governed and controlled as to validity, enforcement, interpretation, construction, effect and in all other respects by the internal laws of the State of Delaware applicable to contracts made in that State.
