PROXY STATEMENT FOR
THE ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD ON
MAY 11, 2004

This Proxy Statement is furnished in connection with the solicitation of proxies on behalf of the Board of Directors of Blonder Tongue Laboratories, Inc., a Delaware corporation (the "Company"), to be voted at the 2004 Annual Meeting of Stockholders of the Company (the "Annual Meeting") to be held at the Hyatt Regency New Brunswick, 2 Albany Street, New Brunswick, New Jersey 08901 on May 11, 2004, at 10:00 a.m., local time, and at any adjournment or adjournments thereof.

All proxies delivered pursuant to this solicitation are revocable at any time before they are exercised, by written notice to the Secretary of the Company or by delivering a later dated proxy. Attendance at the Annual Meeting will not, without delivery of the written notice described in the immediately preceding sentence, constitute revocation of a proxy. The mailing address of the principal executive offices of the Company is One Jake Brown Road, Old Bridge, New Jersey 08857. The Company's telephone number is (732) 679-4000. This Proxy Statement and the enclosed form of proxy will be mailed to each stockholder on or about April 9, 2004, together with the Annual Report on Form 10-K for the year ended December 31, 2003.

All properly executed proxies delivered pursuant to this solicitation and not revoked will be voted at the Annual Meeting in accordance with the directions given. Regarding the election of Directors to serve until the 2007 Annual Meeting of Stockholders, in voting by proxy, stockholders may vote in favor of all nominees or withhold their votes as to all nominees or withhold their votes as to specific nominees. With respect to any other proposals to be voted upon, stockholders may vote in favor of a proposal, against a proposal or may abstain from voting. Stockholders should specify their choices on the enclosed form of proxy. If no specific instructions are given with respect to the matters to be acted upon, the shares represented by a signed proxy will be voted FOR the election of all nominees, and FOR the proposal to ratify the appointment of BDO Seidman, LLP as independent auditors for the fiscal year ending December 31, 2004. Directors will be elected by a plurality of the votes cast by the holders of the shares of Common Stock voting in person or by proxy at the Annual Meeting. Thus, abstentions will have no effect on the vote for election of Directors. Approval of any other matters to come before the Annual Meeting will require the affirmative vote of the holders of a majority of the shares of Common Stock of the Company present in person or by proxy at the Annual Meeting. Abstentions are deemed present for quorum purposes and entitled to vote and, therefore, will have the effect of a vote against any matter other than the election of Directors. Broker non-votes occur when a broker or other

Edgar Filing: BLONDER TONGUE LABORATORIES INC - Form DEF 14A

nominee holding shares for a beneficial owner does not vote on a proposal because the beneficial owner has not provided voting instructions and the broker does not have discretionary authority to vote shares on the matter. Broker non-votes are not considered to be shares "entitled to vote" (other than for quorum purposes), will not be included in vote totals and will have no effect on the outcome of any matters to be voted upon at the Annual Meeting.

Management is not aware at the date hereof of any matter to be presented at the Annual Meeting other than the election of Directors and the other proposals described in the attached Notice of Annual Meeting of Stockholders. If any other matter is properly presented, the persons named in the proxy will vote thereon according to their best judgement.

The expense of soliciting proxies for the Annual Meeting, including the cost of preparing, assembling and mailing the notice, proxy and Proxy Statement, will be paid by the Company. The solicitation will be made by use of the mails, through brokers and banking institutions, and by officers and regular employees of the Company. Proxies may be solicited by personal interview, mail, telephone or facsimile transmission.

Only owners of record of the common stock, \$.001 par value per share, of the Company ("Common Stock") at the close of business on March 19, 2004 (the "Record Date"), are entitled to notice of and to

vote at the Annual Meeting or any adjournments or postponements thereof. Each owner of record on the Record Date is entitled to one vote for each share of Common Stock of the Company so held. There is no cumulative voting. On the Record Date, there were 8,002,406 shares of Common Stock issued, outstanding and entitled to vote.

PROPOSAL NO. 1 - ELECTION OF DIRECTORS

The Company's Certificate of Incorporation, as amended, provides that the Board shall consist of between five and eleven members, as determined from time to time by the Board, divided into three classes as nearly equal in number as possible. The size of the Board has currently been set at eight. The term of the current Class I Directors expires at the 2005 Annual Meeting, the term of the current Class II Directors expires at the 2006 Annual Meeting and the term of the current Class III Directors expires at the 2004 Annual Meeting. The successors to each class of Directors whose terms expire at an Annual Meeting will be elected to hold office for a term expiring at the Annual Meeting of Stockholders held in the third year following the year of their election.

The Directors whose terms will expire at the 2004 Annual Meeting of Stockholders are Robert B. Mayer and James F. Williams, both of whom have been recommended for nomination by the Nominating Committee and nominated by the Board to stand for reelection as Directors at the 2004 Annual Meeting of Stockholders, to hold office until the 2007 Annual Meeting of Stockholders and until their successors are elected and qualified. Messrs. Mayer and Williams have consented to serve for the new terms, if elected.

Recommendation of the Board of Directors Concerning the Election of Directors

The Board of Directors of the Company recommends a vote FOR Robert B. Mayer and James F. Williams as Class III Directors to hold office until the 2007 Annual Meeting of Stockholders and until their successors are elected and qualified. Proxies received by the Board of Directors will be so voted unless stockholders specify in their proxy a contrary choice.

Director Independence

The Board of Directors has considered the independence of the Company's directors pursuant to Section 121A of the Rules of the American Stock Exchange. Based on this consideration, the Board has determined that Robert B. Mayer, James F. Williams, Robert E. Heaton and Gary P. Scharnett are independent pursuant to Section 121A.

Meetings of the Board of Directors; Committees

During the year ended December 31, 2003, there were 10 meetings of the Company's Board of Directors and each Director attended (either in person or via teleconference) at least 75% of the meetings held. The Board of Directors has three standing committees: the Compensation Committee, the Nominating Committee and the Audit Committee.

Compensation Committee. The Compensation Committee is currently comprised of Robert B. Mayer, Robert E. Heaton and James F. Williams, all of whom are non-employee Directors. The Compensation Committee is responsible to determine compensation for the Company's executive officers and to administer the Company's stock option plans, except for the Amended and Restated 1996 Director Option Plan. This committee held 2 meetings during 2003, all of which were attended (either in person or via teleconference) by each committee member.

Nominating Committee. The Nominating Committee was created in February, 2004 and is currently comprised of Robert E. Heaton and Gary P. Scharnett. The members of the Nominating Committee are independent, as independence for nominating committee members is defined in the American Stock Exchange listing standards. The Nominating Committee is responsible for considering and making recommendations to the Board of Directors concerning the appropriate size of the Board and nominees to stand for election or fill vacancies on the Board. In particular, the Nominating Committee will identify, recruit, consider and recommend candidates to

fill positions on the Board in accordance with its criteria for Board membership (as such criteria is generally described below). In searching for qualified Director candidates to nominate for election at an annual meeting of stockholders, the Nominating Committee will initially consider nominating the

Edgar Filing: BLONDER TONGUE LABORATORIES INC - Form DEF 14A

current Directors whose terms are expiring and shall consider their past performance on the Board, along with the criteria for Board membership, in determining whether to nominate them for re-election. In connection with nominations for elections at annual meetings or to fill vacancies in the Board, the Nominating Committee may solicit the current members of the Board to identify qualified candidates through their business and other organizational networks and may also retain director search firms as it determines necessary in its own discretion. The Nominating Committee would then consider the potential pool of Director candidates derived from the foregoing process, select the top candidates to fill the number of openings based on their qualifications, the Board's needs (including the need for independent Directors) and the criteria for Board membership. The Nominating Committee will then conduct a thorough investigation of the proposed candidates' backgrounds to ensure there is no past history that would disqualify the candidate from serving as a Director of the Company. Those candidates that are selected and pass the background investigation will be recommended to the full Board for nomination.

The criteria for a nominee to the Board includes, among other things:

- o The highest personal and professional ethics, strength of character, integrity and values;
- o Experience as a senior manager, chief operating officer or chief executive officer of a relatively complex organization or, if in a professional or scientific capacity, be accustomed to dealing with complex problems, or otherwise shall have obtained and excelled in a position of leadership;
- o Education, experience, intelligence, independence, fairness, reasoning ability, practical wisdom, and vision to exercise sound, mature judgments on a macro and entrepreneurial basis on matters which relate to the current and long-term objectives of the Company;
- o Competence and willingness to learn the Company's business, and the breadth of viewpoint and experience necessary for an understanding of the diverse and sometimes conflicting interests of stockholders and other constituencies;
- o The nominee should be of such an age at the time of election to assure a minimum of three years of service as a director, and should be free and willing to attend regularly scheduled meetings of the Board of Directors and its committees over a sustained period and otherwise be able to contribute a reasonable amount of time to the affairs of the Company and its affiliates;
- o The stature and capability to represent the Company before the public, stockholders, and other various individuals and groups that affect the Company; and
- o Willingness to appraise objectively the performance of management in the interest of the stockholders and question management's assumptions when inquiry is appropriate.

While the Nominating Committee does not have a formal charter, the Board adopted guidelines addressing the purpose and responsibilities of the Nominating Committee in connection with its formation, which guidelines include procedures for recruiting, considering and recommending nominees to the Board and criteria for Board membership. Although the Nominating Committee will not

Edgar Filing: BLONDER TONGUE LABORATORIES INC - Form DEF 14A

consider any director candidates recommended by stockholders, the Board believes this is appropriate as the Company's certificate of incorporation and bylaws permit stockholders to directly nominate persons for election as Directors by following the procedures set forth therein.

Audit Committee. The Audit Committee is currently comprised of James F. Williams, Robert B. Mayer and Robert E. Heaton, all of whom are non-employee Directors. The Audit Committee is responsible to, among other things, select, retain or terminate the engagement of independent auditors, review the plans and results of the audit engagement with the independent auditors, discuss with the independent auditors all accounting policies

5

and practices to be used and alternative treatments of financial information discussed with management, evaluate and pre-approve audit and non-audit services provided by the independent auditors, review the independence of the independent auditors, assure the regular rotation of the audit partners, consider the range of audit and non-audit fees, review and discuss types of financial and earnings information released to any party, review with the appropriate parties the certifications required for the quarterly reports on Form 10-Q and annual reports on Form 10-K, and review the adequacy of the Company's internal accounting controls. This committee held 6 meetings during 2003, all of which were attended (either in person or via teleconference) by each committee member.

The members of the Audit Committee are independent, as "independence" for audit committee members is defined in the American Stock Exchange listing standards. The Company's Board of Directors has determined that a member of the Audit Committee, James F. Williams, qualifies as an "audit committee financial expert" as defined in Section 401(h) of Regulation S-K promulgated by the Securities Exchange Commission. He is also "independent," as such term is defined in Item 7(d)(3)(iv)(A) of Schedule 14A under the Securities Exchange Act of 1934, as amended. The Board of Directors adopted a written charter for the Audit Committee in June, 2000, which was amended by the Board of Directors in March, 2003 and March, 2004. The Audit Committee reviews and reassesses the charter for adequacy on an annual basis. A copy of the Audit Committee's current charter, as amended, is attached to this Proxy Statement as Exhibit A.

Board Policies Regarding Communications With the Board of Directors and Attendance at Annual Meetings

The Board of Directors maintains a process for stockholders to communicate with the Board of Directors. Stockholders wishing to communicate with the Board of Directors, or any individual member(s) of the Board of Directors, can send a written communication to the attention of the Board of Directors (or specific individual director(s), if applicable) at the following address: c/o Corporate Secretary, One Jake Brown Road, Old Bridge, New Jersey 08857. Any such communication must state the number of shares beneficially owned by the stockholder making the communication. The Corporate Secretary will forward such communication to the full Board of Directors or to any individual director or directors to whom the communication is directed unless the communication is unduly hostile, threatening, illegal or similarly inappropriate, in which case the Corporate Secretary has the authority to discard the communication or take appropriate legal action regarding the communication.

While the Company does not have a formal written policy regarding Board member attendance at its Annual Meeting, the Company actively encourages its directors to attend the Annual Meeting of Stockholders. All eight directors attended the Company's 2003 Annual Meeting of Stockholders.

- o discussed with the Company's independent auditors the matters required to be discussed by Statement on Accounting Standards No. 61, as the same was in effect on the date of the Company's financial statements;
- o received the written disclosures and the letter from the Company's independent auditors required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), as the same was in effect on the date of the Company's financial statements; and
- o discussed with the Company's independent auditors their independence from the Company and its management.

6

Management is responsible for the preparation, presentation and integrity of the Company's financial statements, the financial reporting process, accounting principles and internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. The Company's independent auditors are responsible for performing an independent audit of the financial statements in accordance with generally accepted auditing standards and issuing a report thereon. The Audit Committee's responsibility is to monitor and oversee these processes. The Audit Committee has relied, without independent verification, on the information provided to it and on the representations of management and the independent auditors that the financial statements have been prepared in conformity with generally accepted accounting principles.

Based on the review and discussions referred to in the items above, the Audit Committee recommended to the Board of Directors that the audited financial statements for the fiscal year ended December 31, 2003 be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2003.

Directors' Compensation

Prior to July 1, 2003 during the 2003 fiscal year, each non-employee Director of the Company (other than James H. Williams) was paid a retainer at the annual rate of \$15,000, payable quarterly, a fee of \$1,000 for each Board meeting attended in person (\$500 if attendance was telephonic) and a fee of \$600 for each committee meeting attended in person (\$300 if attendance was telephonic or if attending on the same date as a Board meeting). Effective July 1, 2003, the Directors volunteered to temporarily reduce all Directors' fees by 10% such that each non-employee Director of the Company (other than James H. Williams) is

Edgar Filing: BLONDER TONGUE LABORATORIES INC - Form DEF 14A

currently paid a retainer at the annual rate of \$13,500, payable quarterly, a fee of \$900 for each Board meeting attended in person (\$450 if attendance was telephonic) and a fee of \$540 for each committee meeting attended in person (\$270 if attendance was telephonic or if attending on the same date as a Board meeting). This temporary reduction in compensation was voluntarily made by the directors in reaction to Messrs. Luksch's and Palle's voluntary reduction in their executive compensation that took effect in May, 2003. Each Director is also reimbursed for certain travel, lodging and related expenses incurred in connection with attendance at Board and committee meetings. During calendar year 2003, Messrs. Luksch, Palle and Dwight did not receive any separate compensation for serving on the Board of Directors or any committees thereof.

Effective January 1, 2000, the Company enacted a new policy requiring each of the Company's Directors to maintain an investment in the Company's Common Stock during his or her entire tenure as a Director equal to at least \$25,000, calculated by taking the greater of (i) the amount paid for such stock by the Director and (ii) the highest fair market value of such stock. Non-employee directors of the Company are encouraged to purchase Company Common Stock equal to or exceeding one year's annual retainer during any three-year period until they meet this requirement.

In May, 1998, the stockholders of the Company approved the adoption of the Company's Amended and Restated 1996 Director Option Plan, as further amended by approval of the stockholder in May, 2003 (the "1996 Plan"). The 1996 Plan is administered by the Board of Directors. Under the 1996 Plan, Directors who are not currently employed by the Company or any subsidiary of the Company and who have not been so employed within the past six months are eligible to receive options from time to time to purchase a number of shares of Common Stock as determined by the Board; provided, however, that no Director may be granted options to purchase more than 5,000 shares of Common Stock in any one calendar year. The exercise price for such shares is the fair market value thereof on the date of grant, and the options vest as determined in each case by the Board of Directors. Options granted under the 1996 Plan will generally be exercisable over the term of the option, as determined by the Board; however, no option granted under the 1996 Plan may have a term of greater than ten years from the date of grant. A maximum of 200,000 shares may be awarded under the 1996 Plan which expires January 2, 2006.

7

On June 12, 2003, each of the Company's non-employee Directors other than James H. Williams was granted an option under the 1996 Plan to purchase 5,000 shares of Common Stock at an exercise price of \$2.05 per share. The options vest on the first anniversary of the date of grant.

The Company is party to a consulting and non-competition agreement with James H. Williams for the purpose of obtaining advice and counseling from Mr. Williams concerning strategic planning and financial and business matters. Under this agreement, as amended, Mr. Williams is obligated to make himself available to the Company for up to 25 hours per month, in addition to time spent attending to his duties as a member of the Board of Directors of the Company. Prior to July 1, 2003 during the 2003 fiscal year, Mr. Williams was paid at the rate of \$168,525 per year for his services under this agreement, subject to adjustment on a basis consistent with adjustments to compensation for the Company's senior management. Effective July 1, 2003, Mr. Williams' pay was voluntarily reduced by 10% to \$151,672.56 per year, consistent with similar reductions in annual compensation paid to Messrs. Luksch and Palle. The agreement provides a cap of \$200,000 on payments to be made thereunder during any calendar year. The initial term of this agreement expires on December 31, 2004 and automatically renews thereafter for successive one year terms (subject to termination at the end of any renewal term on at least 90 days' notice).

Edgar Filing: BLONDER TONGUE LABORATORIES INC - Form DEF 14A

Payments to Mr. Williams under this consulting agreement are in lieu of any other payments in connection with his services as a Director or committee member, other than the reimbursement of certain travel, lodging and related expenses incurred in connection with attendance at Board and committee meetings.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 requires the Company's Directors and executive officers, and persons who own more than ten percent of the Common Stock, to file with the Securities and Exchange Commission (the "Commission") and the American Stock Exchange, initial reports of ownership and reports of changes in ownership of Common Stock and other equity securities of the Company. Officers, Directors and greater than ten percent stockholders (collectively, "Reporting Persons") are additionally required to furnish the Company with copies of all Section 16(a) forms they file.

To the Company's knowledge, based solely on review of the copies of such reports furnished to the Company and written representations of the Reporting Persons that no other reports were required with respect to fiscal year 2003, all Section 16(a) filing requirements applicable to the Reporting Persons were complied with on a timely basis in fiscal year 2003, except that (i) the Form 4 for Robert J. Palle, Jr. filed on December 4, 2000 to report his purchase of Common Stock mistakenly did not include his purchase of 2,500 shares on November 28, 2000 and 390 shares on November 29, 2000; accordingly, an Amended Form 4 was filed on April 28, 2003, (ii) the Form 3 for each of Allen Horvath and Kant Mistry was filed 5 days late on May 23, 2003; and (iii) James A. Luksch did not timely file a Form 5 to report his gift of 5,486 shares of Common Stock to his spouse on December 25, 2003, which Form 5 was filed on April 5, 2004.

Compensation Committee Interlocks and Insider Participation

The Compensation Committee of the Board of Directors currently consists of James F. Williams, Robert B. Mayer and Robert E. Heaton. No member of the Compensation Committee was an officer or employee of the Company during fiscal year 2003. None of the executive officers of the Company has served on the board of directors, the compensation committee or any other board committee performing equivalent functions of any other entity, any of whose officers served either on the Board of Directors or the Compensation Committee of the Company.

REPORT OF COMPENSATION COMMITTEE
 ON EXECUTIVE COMPENSATION POLICIES

General

The Company's executive compensation program is administered by the Compensation Committee of the Board of Directors. The objective of the Company in setting executive compensation has been to attract, retain and motivate qualified executives to manage the Company's business and affairs so as to foster sales and earnings growth, achieve significant current profits and maximize stockholder value. Executive compensation in the aggregate is made up principally of annual base salary, bonus, and awards of stock options under the Company's 1995 Long Term Incentive Plan.

Generally, annual salary adjustments and bonuses for executive officers other than Messrs. Luksch and Palle have been established by Mr. Luksch with the concurrence of the Compensation Committee. The annual salary adjustments and bonuses for Messrs. Luksch and Palle are determined by the Compensation Committee, subject to Board approval. An annual performance evaluation of each executive officer is conducted, upon which a salary adjustment is determined. The performance evaluation focuses on the executive's performance during the past year of the responsibilities of his position, the executive's improvement in areas where any deficiencies may have been noted in the past, and the executive's achievement of any specific goals and objectives which may have been established for such executive, including achievement of budget objectives. The Company's overall profit for the fiscal year and the executive's individual contribution to that profit are also considered. As is typical for most corporations, the assessment of individual performance contributions is in most cases subjective and not conditioned upon the achievement of any specific, pre-determined performance targets.

In February, 1997, the Compensation Committee implemented the Executive Officer Bonus Plan ("Executive Bonus Plan"). The Compensation Committee believes that a combination of base salary, cash bonus awards under the Executive Bonus Plan and the award of stock options and/or restricted stock awards will support the short-term and long-term strategic objectives of the Company and will reward individual performance and the value created for stockholders. Cash bonus awards under the Executive Bonus Plan are paid to officers during a

Edgar Filing: BLONDER TONGUE LABORATORIES INC - Form DEF 14A

particular fiscal year based upon and relating to the financial performance of the Company during the prior fiscal year. During the first quarter of each fiscal year of the Company, the Compensation Committee designates which of the Company's executive officers are to participate in the Executive Bonus Plan for that year. Also during the first quarter, the Compensation Committee establishes one or more objective performance goals for each participant, together with a maximum dollar bonus opportunity for the participant and a formula to determine bonus payments based on the achievement of the goal(s). In no event may the bonus for any participant exceed 100% of such participant's base salary.

The performance goals are expressed in terms of (a) one or more corporate or divisional earnings-based measures (which may be based on net income, operating income, cash flows, or any combination thereof) and/or (b) one or more corporate or divisional sales-based measures. Each such goal may be expressed on an absolute and/or relative basis, may employ comparisons with past performance of the Company (including one or more divisions) and/or the current or past performance of other companies, and in the case of earnings-based measures, may employ comparisons to capital, stockholders' equity and shares outstanding. Performance goals need not be uniform among participants.

After the Company's financial results for a fiscal year have been determined, the Compensation Committee certifies the level of performance goal attainment and the potential bonus payment for each participant. The Compensation Committee has full authority to reduce the amount that would otherwise be payable to any participant for a fiscal year.

For 2003, bonuses under the Executive Bonus Plan were only to be awarded if the Company's diluted earnings per share in 2003 were at least equal to 120% of its average annual diluted earnings per share for calendar years 2000, 2001 and 2002. This threshold requirement for the payment of bonuses was not met for fiscal 2003, therefore no bonuses were awarded under the Executive Bonus Plan. Other than Mr. Mistry who became an executive officer in May, 2003, each of the named executive officers in the Summary Compensation Table herein was eligible to participate in the Executive Bonus Plan during 2003. If awarded, bonuses earned during the 2003 fiscal year under the Executive Bonus Plan (included as bonuses earned during 2003 in the Summary Compensation Table herein but payable in 2004) were to be based on a percentage of each recipient's annual salary for 2003 equal to the percentage increase in the Company's diluted earnings per share for fiscal 2003 over the average annual diluted earnings per share for calendar years 2000, 2001 and 2002, multiplied by a multiplier between 1.0 and 1.5 determined on an individual basis by the Compensation Committee, subject to a maximum amount equal to 100% of such recipient's 2003 base annual salary.

Compensation of the Chief Executive Officer

Mr. Luksch has been Chief Executive Officer of the Company since it commenced operations in 1988 and served as President of the Company from such date until May, 2003. His compensation includes the same elements and performance measures as the compensation of the Company's other executive officers.

Mr. Luksch's annual salary, which had been \$341,000 since January 2001, was increased to \$365,000 effective January 1, 2003. This increase was based on Mr. Luksch's leadership and efforts over the prior two years (2001 and 2002) that enabled the Company to remain profitable despite a difficult marketplace and his vision in seeking additional sources of revenue in a down market. The amount of the new salary was determined following an analysis of the range of compensation paid to chief executive officers of similar-sized manufacturing companies located in the Northeastern United States. Mr. Luksch's compensation, as adjusted, fell within the middle of the range. On May 8, 2003,

Edgar Filing: BLONDER TONGUE LABORATORIES INC - Form DEF 14A

Mr. Luksch advised the Board that he and Mr. Palle intended to voluntarily implement a temporary 10% wage reduction upon themselves in an effort to personally participate in the Company's cost reduction program. This reduction became effective May 17, 2003 and remains in place at the present time. Accordingly, Mr. Luksch's current annual salary is \$328,500. Mr. Luksch received no bonus and no stock options during fiscal year 2003. The Committee believes that Mr. Luksch's overall compensation is fair and reasonable. This assessment is a subjective determination and is not quantitatively related to the Company's performance.

In addition, Ms. Nikoo heads the Company's task force for the promotion of its interdiction product line. The annual compensation for Ms. Nikoo in 2003 was \$125,221. 2003 was \$118,562.

One of the Company's directors, Gary P. Scharmatt, is a partner at the law firm of Stradley, Ronon, Stevens & Young, LLP, which serves as the Company's outside counsel. Mr. Scharmatt also served on the Board of Directors of that firm from January 2001 until December 2003.

As of February 29, 2004, James A. Luksch, Chief Executive Officer and a Director of the Company, was indebted to the Company in the amount of \$200,872, for which no interest has been charged. This indebtedness arose from a series of cash advances to Mr. Luksch, the latest of which was advanced in February, 2002. The largest aggregate amount of indebtedness during the 2003 fiscal year was \$200,872.

14

Robert J. Palle, Jr., President and a Director of the Company, lent the Company 100% of the purchase price of certain used equipment purchased by the Company in October through November of 2003. The equipment was purchased at a substantial discount to market price and the Company has sold and will resell the equipment. While the aggregate cost to purchase all of the equipment was approximately \$950,000, the maximum amount of indebtedness outstanding to Mr. Palle at any one time during the 2003 fiscal year was \$810,000. At March 1, 2004, the remaining outstanding balance due to Mr. Palle was \$546,791. Mr. Palle made the loan to the Company on a non-recourse basis, secured solely by a security interest in the equipment purchased by the Company and the proceeds resulting from the sale of the equipment. In consideration for the extension of credit on a non-recourse basis, Mr. Palle will receive from the Company interest on the outstanding balance at the margin interest rate he incurs for borrowing the funds from his lenders (approximately 4.756% as of March 1, 2004) plus 25% of the gross profit derived from the Company's resale of such equipment, which amounts will not be paid to Mr. Palle until the outstanding balance of the indebtedness has been paid in full. During 2003, accrued interest on the loan payable to Mr. Palle was \$4,531, and the share of gross profit payable to Mr. Palle was \$38,721.

In March, 2003, the Company entered into a series of agreements, pursuant to which the Company acquired a 20% minority interest in NetLinc Communications, LLC ("NetLinc") and a 35% minority interest in Blonder Tongue Telephone, LLC ("BTT"). During September, 2003, the parties restructured the terms of their business arrangement which included increasing Blonder Tongue's economic ownership in NetLinc from 20% to 50% and in BTT from 35% to 50%, all at no additional cost to Blonder Tongue. The cash portion of the purchase price in the venture was decreased from \$3,500,000 to \$1,167,000, and was paid in full by the Company to BTT in October, 2003. As the non-cash component of the purchase price, the Company issued 500,000 shares of Common Stock to BTT, resulting in BTT becoming the owner of greater than 5% of the outstanding Common Stock of the Company. One-half of such Common Stock (250,000 shares) has been pledged to the Company as collateral to secure BTT's obligation to repay the \$1,167,000 cash component of the purchase price to the Company. Under the restructured arrangement, the Company pays certain future royalties to NetLinc and BTT upon the sale of telephony products. During 2003, the total accrued royalties to NetLinc and BTT were \$14,400 and \$21,541, respectively, which will be paid to them by the Company in 2004. In addition, during 2003 the Company paid certain expenses of BTT totaling approximately \$95,334. Through this telephony venture, BTT offers primary voice service to MDUs and the Company offers for sale a line of telephony equipment to complement the voice service. In addition to receiving incremental revenues and profits associated with its direct sales of the telephony products, the Company expects to receive a portion of BTT's net income derived from voice-service revenues through its 50% stake in BTT.

Pre-Approval Policy for Services by Independent Auditors

The Audit Committee has implemented pre-approval policies and procedures for the engagement of the Company's independent auditors for both audit and permissible non-audit services. Under these policies and procedures, all services provided by the independent auditors must either (i) be approved by the Audit Committee prior to the commencement of the services, (ii) relate to assisting the Company with tax audits and appeals before a taxing authority or be services associated with periodic reports or registration statements filed by the Company with the Commission, all of which services are pre-approved by the Audit Committee, or (iii) be a de minimis non-audit service (as described in Rule 2-01(c)(7)(C) of Regulation S-X) that does not have to be pre-approved as long as management promptly notifies the Audit Committee of such service and the Audit Committee approves it prior to the service being completed. Within these parameters, the Audit Committee annually approves the scope and fees payable for the year end audit, statutory audits and employee benefit plans to be performed by the independent auditors for the next fiscal year. The Audit Committee has also delegated pre-approval authority for permissible non-audit services to the Chairman of the Audit Committee. Any approvals of non-audit services made by the Chairman of the Audit Committee are then reported by him at the next Audit Committee meeting. Since May 6, 2003, the effective date of the Commission's rules requiring Audit Committee pre-approval of all audit and non-audit services performed by a company's independent auditors, 100% of the services provided by BDO Seidman, LLP have been approved in accordance with the Company's pre-approval policies and procedures.
