**Sapiens Announces Payment of Fourth and Final Installment of
the Principal Amount of Debentures**

Cary, N.C. December 6, 2009 Sapiens International Corporation N.V. (NASDAQ and TASE: SPNS), a member of the Formula Group (NASDAQ: FORTY and TASE: FORT), today announced that it has paid the fourth and final installment of the principal amount of the convertible debentures (Series A) of the Company, in the amount of approximately \$5.3 million. This completes Sapiens' payment of an aggregate amount of approximately \$26.5 million of the principal amount of convertible debentures (Series A) of the Company.

The Company's announcement follows its recently released financial results for the third quarter of 2009, which showed the Company's twelfth consecutive quarter of operational profit and net income commencing from the third quarter of 2008.

Mr Roni Al Dor, President & Chief Executive Officer of the Company said today:

We view the final payment of the debentures as an important milestone in the lifecycle of the company. In the past few years, Sapiens has undergone a restructuring process in which we left no stone unturned in the company, and developed a business strategy which, I am happy to say, turned out to be a winning one. Payment of the debentures signifies, from our perspective, the character of Sapiens which does not compromise on business excellence while honoring all its obligations. Today, we are in a good financial position, and, after we have improved our bottom line, we are focussed on increasing our revenues by penetrating into new markets globally, as well as by exploring mergers and acquisitions with companies operating in synergetic fields.
