**Signet Group plc New Bank Facilities**

On 28th September 2004 Signet Group plc ("Signet" or the "Group") entered into a \$390 million unsecured multi-currency five year revolving credit facility agreement. This replaces the \$410 million facility which was due to expire in August 2006. The terms of this agreement are broadly similar to those of the facility being replaced, but with a reduction in loan margin pricing.

The new facility, which was led by Barclays Capital, HSBC, The Royal Bank of Scotland and Wachovia Bank N.A., will be guaranteed by the Group's principal holding and operating subsidiaries.

The new facility was initially launched at \$300 million but has been increased to \$390 million following successful syndication.

Commenting on the new facility, Walker Boyd, Group Finance Director said:

"The Group has decided to take advantage of the current attractive bank loan market conditions by refinancing its working capital facility earlier than had originally been planned. The successful refinancing reflects the ongoing valued support of our core relationship banks."
