**PROXY STATEMENT**

**GENERAL INFORMATION**

This proxy statement is furnished in connection with the solicitation by the Board of Directors of SPACEHAB, Incorporated, (the Company or SPACEHAB ) a Washington corporation, of proxies to be voted at the 2003 Annual Meeting of Stockholders on November 14, 2003 (the Annual Meeting ). This proxy statement, the accompanying proxy card and Annual Report on Form 10-K to Stockholders are first being mailed to stockholders on or about October 4, 2003.

**Voting Securities**

The Board of Directors has fixed the close of business on September 26, 2003 as the record date for the determination of stockholders entitled to notice of, and to vote at, the Annual Meeting. As of the record date, there were 12,374,979 shares of SPACEHAB 's Common Stock, no par value per share, outstanding and 1,333,334 shares of SPACEHAB 's Series B Senior Convertible Preferred Stock, no par value per share, outstanding. Holders of Common Stock and Series B Senior Convertible Preferred Stock are entitled to notice of the Annual Meeting and to one vote per share of Common Stock or Series B Senior Convertible Preferred Stock owned as of the record date at the Annual Meeting. Holders of the Company 's Common Stock and Series B Senior Convertible Preferred Stock generally vote together as a single class, except that the holders of Series B Senior Convertible Preferred Stock, voting separately as a class, are entitled to elect one director and the holders of the Company 's Common Stock are entitled to elect the remaining directors of the Company.

**Proxies**

Dr. Shelley A. Harrison and Mr. Michael E. Kearney, the persons named as proxies on the proxy card accompanying this proxy statement, were selected by the Board of Directors to serve in such capacity. Dr. Harrison is Chairman of the Board of Directors and Mr. Kearney is a member of the Board of Directors, Chief Executive Officer, President and Chief Operating Officer. Each stockholder giving a proxy has the power to revoke it at any time before the shares represented by that proxy are voted. Revocation of a proxy is effective when the Secretary of the Company receives either (i) an instrument revoking the proxy or (ii) a duly executed proxy bearing a later date. Additionally, a stockholder may change or revoke a previously executed proxy by voting in person at the Annual Meeting.

**Voting of Proxies**

Because many SPACEHAB stockholders are unable to attend the Annual Meeting, the Board of Directors solicits proxies to give each stockholder an opportunity to vote on all matters scheduled to come before the meeting and set forth in this proxy statement. Stockholders are

Edgar Filing: SPACEHAB INC \WA\ - Form DEF 14A

urged to read carefully the material in this proxy statement, specify their choice on each matter by marking the appropriate boxes on the enclosed proxy card, and sign, date and return the card in the enclosed stamped envelope.

If no choice is specified and the card is properly signed and returned, the shares will be voted by the persons named as proxies in accordance with the recommendations of the Board of Directors contained in this proxy statement.

### **Quorum; Method of Tabulation**

The holders of at least one-third of all issued and outstanding shares of Common Stock and Series B Senior Convertible Preferred Stock entitled to vote at the Annual Meeting, if represented in person or by proxy, will constitute a quorum at that meeting. At the Annual Meeting, the election of the six directors to be elected by the holders of Common Stock requires the vote of a plurality of the holders of Common Stock represented at the meeting. The election of the director to be elected by Series B Senior Convertible Preferred Stockholders requires the vote of a plurality of the Series B Senior Convertible Preferred shares represented at the meeting. No stockholder shall be allowed to cumulate his votes.

At the Annual Meeting, the vote of the majority of the outstanding shares of Common Stock and Series B Senior Convertible Preferred Stock entitled to vote at the meeting voting together is required to ratify the appointment of Ernst & Young LLP as the independent public accountants of the Company's financial statements for the fiscal year ending June 30, 2004.

One or more inspectors of election appointed for the meeting will tabulate the votes cast in person or by proxy at the Annual Meeting and will determine whether or not a quorum is present. The inspectors of election will treat abstentions as shares that are present and entitled to vote for purposes of determining the presence of a quorum, but as unvoted for purposes of determining the approval of any matter submitted to the stockholders for a vote. If a broker indicates on a proxy that it does not have discretionary authority as to certain shares to vote on a particular matter, those shares will not be considered as present and entitled to vote with respect to that matter.

### **PROPOSAL 1 ELECTION OF DIRECTORS**

A Board of seven directors will be elected at the Annual Meeting, six by the holders of Common Stock and one by the holders of the Series B Senior Convertible Preferred Stock. All directors shall hold office until the next annual meeting of stockholders or until their successors are duly elected and qualified. The Company's articles of incorporation authorize the Board of Directors from time to time to determine the number of its members. Vacancies in unexpired terms and any additional positions created by board action may be filled by action of the existing Board of Directors at that time, and any director who is appointed in this fashion will serve until the next annual meeting of stockholders or until a successor is duly elected and qualified.

The nominees for whom the enclosed proxy is intended to be voted are set forth below. It is contemplated that all nominees will be available for election, but if one or more is not, the proxy will be voted in accordance with the best judgment of the proxy holder for such person or persons as may be designated by the Board of Directors unless the stockholder has directed otherwise. Messrs. Booth and Macklin will retire from the Board as of the Annual Meeting. The Board of Directors has nominated Mr. Richard S.
