Re: PIMCO Floating Rate Strategy Fund (File Nos. 333-120227 and 811-21601) Registration Statement on Form N-2 Relating to Offering of Preferred Shares

Dear Mr. Thompson:

On behalf of PIMCO Floating Rate Strategy Fund (the Fund), I am writing to respond to comments of the Staff of the Securities and Exchange Commission (SEC) conveyed in your letter dated December 2, 2004 and addressed to the attention of Mathew N. Shea (the Comment Letter), relating to the initial registration statement on Form N-2 (the Registration Statement) for preferred shares of the Fund, filed with the SEC on November 4, 2004.

Set forth below are responses to the specific comments made in the Comment Letter.

Prospectus

General

Use of Proceeds, page 15

1. Comment. The third sentence states that the fund will invest substantially all of the net proceeds of the offering within 6 months. Please explain in this section the reasons for the expected delay and the consequences of such a delay. **See** Item 7.2 and Guide 1 to Form N-2.

Response: **The requested change has been made.**

The Fund has revised the section entitled "Use of Proceeds" by adding the following sentence after the noted sentence:

The Fund anticipates that it may take up to six months to complete this initial investment process due to potential limited availability of suitable Senior Loans in the marketplace as well as additional time required for PIMCO to analyze and assess

counterparties and contractual and other features associated with Senior Loans, which are typically more detailed and complex than those associated with more traditional debt instruments.

General Comments

2. Comment: Where a comment is made in one location, it is applicable to all similar disclosure appearing elsewhere in the registration statement.

Response: The added disclosure regarding use of proceeds is also contained in the section of the Statement of Additional Information entitled Use of Proceeds.

3. Comment. We note that portions of the filing are incomplete. We may have additional comments on such portions when you complete them in a pre-effective amendment, on disclosures made in response to this letter, on information supplied supplementally, or on exhibits added in any further pre-effective amendments.

Response: The Fund intends to include all required information and exhibits to the Registration Statement in one or more pre-effective amendments.

4. Comment. If the fund intends to rely on Rule 430A under the Securities Act of 1933 to omit certain information from the prospectus, please identify the omitted information to us supplementally.

Response: To the extent the Fund intends to rely on Rule 430A under the Securities Act of 1933 to omit certain information from the form of prospectus included with the Registration Statement that is declared effective, we confirm that the Fund will identify the omitted information to the Staff supplementally before filing the Fund's final pre-effective amendment.

4. Comment. Please advise us if you have submitted or expect to submit an exemptive application or no-action request in connection with its registration.

Response: The Fund has not submitted, and does not presently anticipate submitting, an exemptive application or no-action request in connection with the Registration Statement

5. Comment. Please respond to this letter in the form of a pre-effective amendment filed pursuant to rule 472 under the Securities Act of 1933. You should provide a response to all comments. Where no change is made in the filing in response to a comment, please so indicate in a
