Item 1.01. Entry into a Material Definitive Agreement.

On January 26, 2005, the Board of Directors approved new arrangements with respect to compensation of non-employee directors, which provide that (i) each non-employee director is paid \$8,000 for each quarterly meeting of the Board of Directors (Quarterly Board Meeting Fee) which the director attends in person, (ii) each member of the audit committee is paid \$4,000 for each quarterly meeting of such committee which the director attends in person, and (iii) each non-employee director may be paid up to \$12,000 in any fiscal quarter for additional services delegated by the Board of Directors to such director in the director's capacity as a member of the Audit Committee, the Board of Directors or any other committees of the Board of Directors, provided that any such fee paid with respect to a particular service must be approved by the Board of Directors following the completion of such service by the director. Under these arrangements, a non-employee director may be paid a Quarterly Board Meeting Fee for attending a quarterly Board meeting via telephonic conference call if the director has good reason for the director's failure to attend such meeting in person as determined by the Chairman of the Board, but such payment is limited to one occurrence in any given fiscal year. The arrangements are effective as of January 1, 2005 and supersede the compensation arrangements with respect to non-employee directors that had been in effect immediately prior to such date.
