Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

On February 15, 2005, AmSouth Bank, a wholly owned subsidiary of the registrant, entered into an Advances and Security Agreement (the Advances Agreement ) with the Federal Home Loan Bank of Atlanta ( FHLB ), and a related Collateral Pledge Agreement, to evidence its borrowing arrangement with FHLB. The borrowing arrangement between AmSouth Bank and FHLB is a direct obligation, and is reflected on the registrant s balance sheet. The Advances Agreement replaces the following documentation previously evidencing AmSouth Bank s arrangement with FHLB: Agreement and Addendum for Advances and Security Agreement with Blanket Floating Lien and Agreement for Advances, Specific Collateral Pledge and Security Agreement; Addendum to Agreement for Advances and Security Agreement with Blanket Floating Lien; and Second Addendum to the Agreement for Advances and Security Agreement with Blanket Floating Lien. See Exhibits 4.1, 4.2, and 4.3 to the registrant s Annual Report on Form 10-K for the fiscal year ended December 31, 2003.

The Advances Agreement evidences a credit facility whereby AmSouth Bank can participate in FHLB credit programs from time to time on terms and with maturities and rates determined at the time of the advances. At December 31, 2004, AmSouth Bank had approximately \$4.32 billion in outstanding advances from FHLB, with maturities ranging from 2005 to 2024 and weighted average interest rates of 3.77%. These advances have a combination of fixed and floating rates. Of the balances outstanding at December 31, 2004, \$4.2 billion is callable by the FHLB. If called, these FHLB advances are convertible by AmSouth. The convertible feature provides that after a specified date in the future, the advances will remain at a fixed rate or AmSouth will have the option to pay off the advance or convert from a fixed rate to a variable rate based on a LIBOR index. Under the Advances Agreement, residential mortgage loans and home equity lines and loans are pledged as collateral.
