Dear Stockholder:

The board of directors of Toys R Us, Inc. (Toys or the Company) has unanimously approved a merger providing for the acquisition of the Company by Global Toys Acquisition, LLC, an entity owned by an investment group consisting of entities advised by or affiliated with Bain Capital Partners LLC, Kohlberg Kravis Roberts & Co., L.P. and Vornado Realty Trust. If the merger is completed, you will receive \$26.75 in cash, without interest, for each share of the Company s common stock you own, unless you have properly exercised your appraisal rights.

You will be asked, at a special meeting of the Company s stockholders, to adopt the merger agreement. The board of directors has unanimously approved and declared advisable the merger, the merger agreement and the transactions contemplated by the merger agreement and has unanimously declared that the merger, the merger agreement and the transactions contemplated by the merger agreement are fair to, and in the best interests of, the Company s stockholders. The board of directors unanimously recommends that the Company s stockholders vote FOR the adoption of the merger agreement.

The time, date and place of the special meeting to consider and vote upon the adoption of the merger agreement are as follows:

8:30 a.m. Eastern Time, June 23, 2005

Dodger Stages

340 West 50th Street (between 8th and 9th Avenues)

New York, New York

The proxy statement attached to this letter provides you with information about the proposed merger and the special meeting of the Company s stockholders. We encourage you to read the entire proxy statement carefully. You may also obtain more information about the Company from documents we have filed with the Securities and Exchange Commission.

Edgar Filing: TOYS R US INC - Form DEFM14A

YOUR VOTE IS IMPORTANT REGARDLESS OF THE NUMBER OF SHARES OF THE COMPANY'S COMMON STOCK YOU OWN. BECAUSE THE ADOPTION OF THE MERGER AGREEMENT REQUIRES THE AFFIRMATIVE VOTE OF THE HOLDERS OF A MAJORITY OF THE COMPANY'S OUTSTANDING SHARES OF COMMON STOCK ENTITLED TO VOTE THEREON, A FAILURE TO VOTE WILL HAVE THE SAME EFFECT AS A VOTE AGAINST THE MERGER. ACCORDINGLY, YOU ARE REQUESTED TO VOTE YOUR SHARES BY PROMPTLY COMPLETING, SIGNING AND DATING THE ENCLOSED PROXY CARD AND RETURNING IT IN THE ENVELOPE PROVIDED OR USE TELEPHONE OR INTERNET VOTING PRIOR TO THE SPECIAL MEETING, WHETHER OR NOT YOU PLAN TO ATTEND THE SPECIAL MEETING.

Voting by proxy will not prevent you from voting your shares in person if you subsequently choose to attend the special meeting.

Thank you for your cooperation and continued support.

Very truly yours,

John H. Eyer, Jr.

Chairman of the Board, Chief Executive Officer and President

**NOTICE OF SPECIAL MEETING OF STOCKHOLDERS
TO BE HELD JUNE 23, 2005**

Dear Stockholder:

A special meeting of stockholders of Toys R Us, Inc., a Delaware corporation (Toys or the Company), will be held on June 23, 2005, at 8:30 a.m., Eastern Time, at Dodger Stages, 340 West 50th Street (between 8th and 9th Avenues), New York, New York, for the following purposes:

1. To consider and vote on the adoption of the Agreement and Plan of Merger dated as of March 17, 2005, by and among the Company, Global Toys Acquisition, LLC (the Parent), and Global Toys Acquisition Merger Sub, Inc., a wholly owned subsidiary of Parent (Acquisition Sub), as it may be amended from time to time, pursuant to which, upon the merger becoming effective, each share of common stock, par value \$0.10 per share, of the Company (other than shares held in the treasury of the Company or owned by Acquisition Sub, Parent or any wholly owned subsidiary of Parent or the Company and other than shares held by a stockholder who properly demands statutory appraisal rights) will be converted into the right to receive \$26.75 in cash, without interest; and
2. To transact such other business as may properly come before the special meeting or any adjournment or postponement thereof.

Only stockholders of record on May 20, 2005, are entitled to notice of and to vote at the special meeting and at any adjournment or postponement of the special meeting. All stockholders of record are cordially invited to attend the special meeting in person.

The adoption of the merger agreement requires the approval of the holders of a majority of the outstanding shares of the Company s common stock entitled to vote thereon. Even if you plan to attend the special meeting in person, we request that you complete, sign, date and return the enclosed proxy, or submit your proxy by telephone or the Internet prior to the special meeting and thus ensure that your shares will be represented at the special meeting if you are unable to attend. If you sign, date and mail your proxy card without indicating how you wish to vote, your proxy will be voted in favor of the adoption of the merger agreement. If you fail to return your proxy card or fail to submit your proxy by telephone or the Internet, the effect will be that your shares will not be counted for purposes of determining whether a quorum is present at the special meeting and will have the same effect as a vote against the adoption of the merger agreement. If you are a stockholder of record and do attend the special meeting and wish to vote in person, you may revoke your proxy and vote in person.

QUESTIONS AND ANSWERS ABOUT THE SPECIAL MEETING AND THE MERGER

The following questions and answers address briefly some questions you may have regarding the special meeting and the proposed merger. These questions and answers may not address all questions that may be important to you as a stockholder of Toys R Us, Inc. Please refer to the more detailed information contained elsewhere in this proxy statement, the annexes to this proxy statement and the documents referred to or incorporated by reference in this proxy statement. In this proxy statement, the terms Toys, Company, we, our, ours, and us refer to Toys Inc. and references to subsidiaries of the Company exclude Toys R Us-Japan, Ltd.

Q: What is the proposed transaction?

A: The proposed transaction is the acquisition of the Company by an entity owned by an investment group consisting of entities advised by or affiliated with Bain Capital Partners LLC (Bain), Kohlberg Kravis Roberts & Co., L.P. (KKR), and Vornado Realty Trust (Vornado), and together with Bain and KKR, the Sponsors) pursuant to an Agreement and Plan of Merger (as may be amended from time to time, the merger agreement) dated as of March 17, 2005 among the Company, Global Toys Acquisition, LLC (Parent), and Global Toys Acquisition Merger Sub, Inc., a wholly owned subsidiary of Parent (Acquisition Sub). Once the merger agreement has been adopted by the Company s stockholders and the other closing conditions under the merger agreement have been satisfied or waived, Acquisition Sub will merge with and into Toys (the merger). Toys will be the surviving corporation in the merger (the surviving corporation) and will become a wholly owned subsidiary of Parent.

Q: What will I receive in the merger?

A: Upon completion of the merger, you will receive \$26.75 in cash, without interest, for each share of our common stock that you own. For example, if you own 100 shares of our common stock, you will receive \$2,675.00 in cash in exchange for your Toys shares.

Q: Where and when is the special meeting?

A: The special meeting will take place at Dodger Stages, 340 West 50th Street (between 8th and 9th Avenues), New York, New York, on June 23, 2005, at 8:30 a.m. Eastern Time.

Q: What vote of our stockholders is required to adopt the merger agreement?

A: For us to complete the merger, stockholders holding at least a majority of the shares of our common stock outstanding at the close of business on the record date must vote FOR the adoption of the merger agreement. Accordingly, failure to vote or an abstention will have the same effect as a vote against adoption of the merger agreement.

Q: How does the Company s board of directors recommend that I vote?

A: Our board of directors unanimously recommends that our stockholders vote FOR the adoption of the merger agreement. You should read The Merger Reasons for the Merger for a discussion of the factors that our board of directors considered in deciding to recommend the adoption of the merger agreement.

Q: What do I need to do now?

Edgar Filing: TOYS R US INC - Form DEFM14A

A: We urge you to read this proxy statement carefully, including its annexes, and to consider how the merger affects you. If you are a stockholder of record, then you can ensure that your shares are voted at the special meeting by submitting your proxy via:

(1) *telephone*, using the toll-free number listed on each proxy card (if you are a registered stockholder, that is if you hold your stock in your name) or vote instruction card (if your shares are held in street name, that is if your shares are held in the name of a broker, bank or other nominee, and your bank, broker or nominee makes voting by telephone available);

Table of Contents

(2) *the Internet*, at the address provided on each proxy card (if you are a registered stockholder) or vote instruction card (if your shares are held in street name and your bank, broker or nominee makes Internet voting available); or

(3) *mail*, by marking, signing, dating and mailing each proxy card or vote instruction card and returning it in the envelope provided.

Q: If my shares are held in street name by my broker, will my broker vote my shares for me?

A: Yes, but only if you provide instructions to your broker on how to vote. You should follow the directions provided by your broker regarding how to instruct your broker to vote your shares. Without those instructions, your shares will not be voted, which will have the same effect as voting against the merger.

Q: How do I revoke or change my vote?

A: You can change your vote at any time before your proxy is voted at the special meeting. You may revoke your proxy by notifying the Company's Corporate Secretary in writing or by submitting a new proxy by telephone, the Internet or mail, in each case, dated after the date of the proxy being revoked. In addition, your proxy may be revoked by attending the special meeting and voting in person. However, simply attending the special meeting will not revoke your proxy. If you have instructed a broker to vote your shares, the above-described options for changing your vote do not apply, and instead you must follow the instructions received from your broker to change your vote.

Q: What does it mean if I get more than one proxy card or vote instruction card?

A: If your shares are registered differently and are in more than one account, you will receive more than one card. Please complete and return all of the proxy cards or vote instruction cards you receive (or submit your proxy by telephone or the Internet, if available to you) to ensure that all of your shares are voted.

Q: When do you expect the merger to be completed?

A: We are working toward completing the merger as quickly as possible, and we anticipate that it will be completed by the end of July 2005. In order to complete the merger, we must obtain stockholder approval and satisfy the other closing conditions under the merger agreement. See *The Merger Agreement* Conditions to the Merger.

Q: Should I send in my stock certificates now?

A: No. Shortly after the merger is completed, you will receive a letter of transmittal with instructions informing you how to send in your stock certificates to the paying agent in order to receive the merger consideration. You should use the letter of transmittal to exchange stock certificates for the merger consideration to which you are entitled as a result of the merger. **DO NOT SEND ANY STOCK CERTIFICATES WITH YOUR PROXY.**

Q: Who can help answer my other questions?

A:

Edgar Filing: TOYS R US INC - Form DEFM14A

Table of Contents

Purpose (Page 11)

You will be asked to consider and vote upon adoption of the merger agreement. The merger agreement provides that Acquisition Sub will be merged with and into the Company, and each outstanding share of the Company's common stock (other than shares held in the treasury of the Company or owned by Acquisition Sub, Parent or any wholly owned subsidiary of Parent or the Company and other than shares held by a stockholder who properly demands statutory appraisal rights) will be converted into the right to receive \$26.75 in cash, without interest.

The persons named in the accompanying proxy will also have discretionary authority to vote upon other business, if any, that properly comes before the special meeting and any adjournments or postponements of the special meeting, including any adjournments or postponements for the purpose of soliciting additional proxies.

Record Date and Voting (Page 11)

You are entitled to vote at the special meeting if you owned shares of the Company's common stock at the close of business on May 20, 2005, the record date for the special meeting. You will have one vote for each share of the Company's common stock that you owned on the record date. There are 221,406,474 shares of the Company's common stock entitled to be voted.

Vote Required (Page 12)

For us to complete the merger, stockholders holding at least a majority of the shares of our common stock outstanding at the close of business on the record date must vote FOR the adoption of the merger agreement. A failure to vote your shares of the Company's common stock or an abstention will have the same effect as a vote against the merger.

Share Ownership of Directors and Executive Officers (Page 12)

As of May 20, 2005, the directors and current executive officers of Toys owned approximately 0.39% of the shares of the Company's common stock entitled to vote at the special meeting. Each of them has advised us that they plan to vote all of their shares in favor of the adoption of the merger agreement.

Voting and Proxies (Page 12)

Any Toys stockholder of record entitled to vote may submit a proxy by telephone, the Internet or returning the enclosed proxy by mail or may vote in person by appearing at the special meeting. If your shares are held in street name by your broker, you should instruct your broker on how to vote your shares using the instructions provided by your broker.

Revocability of Proxy (Page 12)

Any Toys stockholder of record who executes and returns a proxy may revoke the proxy at any time before it is voted in any one of the following three ways:

filing with the Company's Corporate Secretary, at or before the special meeting, a written notice of revocation that is dated a later date than the proxy;

sending a later-dated proxy by telephone, the Internet or mail relating to the same shares to the Company's Corporate Secretary, at or before the special meeting; or

attending the special meeting and voting in person by ballot.

Table of Contents

Simply attending the special meeting will not constitute revocation of a proxy. If you have instructed your broker to vote your shares, the above-described options for revoking your proxy do not apply and instead you must follow the directions provided by your broker to change these instructions.

When the Merger Will be Completed (Page 47)

We are working to complete the merger as soon as possible. We anticipate completing the merger by the end of July 2005, subject to adoption of the merger agreement by the Company's stockholders and the satisfaction of the other closing conditions.

Board Recommendation (Page 22)

After careful consideration, our board of directors, by the unanimous vote of the directors:

has determined that the merger, the merger agreement and the transactions contemplated by the merger agreement are advisable, fair to and in the best interests of the Company and its stockholders;

has approved the merger agreement, the merger and the transactions contemplated by the merger agreement; and

recommends that the Company's stockholders vote FOR the adoption of the merger agreement.

Opinions of the Company's Financial Advisors (Page 22 and Annex B and Annex C)

Credit Suisse First Boston delivered its opinion to the Company's board of directors that, as of the date of its opinion and based upon and subject to the factors and assumptions set forth therein, the merger consideration of \$26.75 in cash per share, to be received by the Company's stockholders pursuant to the merger agreement was fair from a financial point of view to the Company's stockholders. In addition, Duff & Phelps, LLC (Duff & Phelps) delivered its opinion to the Company's board of directors that, as of the date of its opinion and based upon and subject to the factors and assumptions set forth therein, the merger consideration of \$26.75 in cash per share to be received by the Company's stockholders pursuant to the merger agreement was fair from a financial point of view to the Company's stockholders.

The opinions of Credit Suisse First Boston and Duff & Phelps do not constitute a recommendation as to how any of our stockholders should vote with respect to the merger agreement. The full text of the written opinions of Credit Suisse First Boston, dated March 16, 2005, and Duff & Phelps, dated March 16, 2005, which set forth the matters considered and assumptions made in connection with such opinions, are attached as Annex B and Annex C, respectively, to this proxy statement. We recommend that you read each entire opinion carefully. Pursuant to the terms of the engagement letter with each of Credit Suisse First Boston and Duff & Phelps, the Company has agreed to pay to each of Credit Suisse First Boston and Duff & Phelps a fee. Substantially all of the fee of Credit Suisse First Boston is payable only upon consummation of the merger.

Financing (Page 36)

In connection with the execution and delivery of the merger agreement, Parent obtained commitments to provide approximately \$6.2 billion in debt financing, not all of which is expected to be drawn at the completion of the merger, consisting of (1) a \$2.85 billion U.S. asset-based debt facility, (2) a \$2.0 billion bridge facility, (3) a \$1.0 billion European bridge facility and (4) a \$350 million European working capital facility. Parent has agreed to use its reasonable best efforts to arrange the debt financing on the terms and conditions described in the commitments. In addition, Parent has obtained an aggregate of \$1.2 billion in equity commitments from affiliates of the Sponsors.

Table of Contents

Treatment of Stock Options (Page 47)

The merger agreement provides that all outstanding Company stock options (other than UK Options (as defined below)) issued pursuant to the Company's stock option plans, whether or not vested or exercisable, will be cashed out and canceled in connection with the completion of the merger. Each option holder will receive an amount in cash, less applicable withholding taxes, without interest, equal to the product of:

the number of shares of our common stock subject to each option as of the effective time of the merger, multiplied by

the excess, if any, of \$26.75 over the exercise price per share of common stock subject to such option.

If the amount of such product is zero, no payment will be made.

Holders of options outstanding under the Toys R Us 1994 UK Executive Share Option Scheme (the UK Option Scheme) immediately prior to the signing of the merger agreement (the UK Options) have been notified that their options are fully vested and may be exercised at any time prior to the merger. If the UK Options are not exercised prior to the close of the merger, these options will expire at the later of the completion of the merger or May 30, 2005.

Treatment of Restricted Shares and Stock Units (Page 48)

The merger agreement provides that:

each outstanding share of our restricted stock the restrictions of which have not lapsed immediately prior to the effective time of the merger will become fully vested and will be converted into the right to receive \$26.75 in cash, without interest and less applicable withholding taxes; and

each outstanding right to receive our common stock pursuant to a stock unit award under any of our stock plans, whether or not vested, will be canceled, and the holder of the stock unit will be entitled to receive \$26.75 in cash, without interest and less applicable withholding taxes.

Interests of the Company's Directors and Executive Officers in the Merger (Page 37)

Our directors and executive officers may have interests in the merger that are different from, or in addition to, yours, including the following:

our directors and executive officers will have their vested and unvested stock options, restricted stock and stock unit awards cashed out and canceled in connection with the merger, meaning that they will receive cash payments for each share of common stock subject

Edgar Filing: TOYS R US INC - Form DEFM14A

to such option equal to the excess, if any, of \$26.75 per share over the exercise price per share of their options, without interest and less applicable withholding taxes, and they will receive \$26.75 per share for their restricted stock and stock unit awards, without interest and less applicable withholding taxes;

each of our current executive officers, other than our chief executive officer, is eligible to receive a success bonus equal to two times his or her annual salary if he or she is still employed by us when the merger occurs;

each of our current executive officers has, and certain former executive officers have, a retention agreement that provides certain severance payments and benefits in the case of his or her termination of employment under certain circumstances and, in addition, in the event any benefit received by the executive officer gives rise to an excise tax for the executive officer, the executive officer is also entitled to a gross-up payment in an amount that would place the executive officer in the same after-tax position that he or she would have been in if no excise tax had applied;

Table of Contents

at the completion of the merger, the Company will terminate all its non-qualified deferred compensation plans, including the supplemental executive retirement plan and any other non-qualified deferred compensation plans in which our executive officers or directors participate, and will cause all accounts thereunder to be distributed to participants; also, at the end of the year, the Company will make a cash payment to supplemental executive retirement plan participants equal to the normal contribution that would have been made for the current year under that plan; and

the merger agreement provides for indemnification arrangements for each of our current and former directors and officers that will continue for six years following the effective time of the merger as well as insurance coverage covering his or her service to the Company as a director or officer.

During the week of May 9, 2005, the Sponsors began to initiate discussions with members of the Company's management regarding the Sponsors' plans for management following the closing of the merger. As of the date of this proxy statement, however, none of our executive officers has entered into any amendments or modifications to existing employment agreements with us or our subsidiaries in anticipation of the merger. Nor has any executive officer, who has plans or is expected to remain with the surviving corporation, entered into any agreement, arrangement or understanding with the Sponsors or their affiliates regarding employment with, or the right to purchase or participate in the equity of, the surviving corporation. Although no such agreement, arrangement or understanding currently exists it is generally expected that a number of our executive officers will remain after the merger is completed, which means that such executive officers may, prior to the closing of the merger, enter into new arrangements with the Sponsors or their affiliates regarding employment with, or the right to purchase or participate in the equity of, the surviving corporation.

Material United States Federal Income Tax Consequences (Page 43)

If you are a U.S. holder of our common stock, the merger will be a taxable transaction to you. For U.S. federal income tax purposes, your receipt of cash in exchange for your shares of the Company's common stock generally will cause you to recognize a gain or loss measured by the difference, if any, between the cash you receive in the merger and your adjusted tax basis in your shares. If you are a non-U.S. holder of our common stock, the merger will generally not be a taxable transaction to you under U.S. federal income tax laws unless you have certain connections to the United States. You should consult your own tax advisor for a full understanding of how the merger will affect your taxes.

Procedure for Receiving Merger Consideration (Page 48)

As soon as practicable after the effective time of the merger, a paying agent will mail a letter of transmittal and instructions to you and our other stockholders. The letter of transmittal and instructions will tell you how to surrender your stock certificates in exchange for the merger consideration. You should not return your stock certificates with the enclosed proxy card, and you should not forward your stock certificates to the paying agent without a letter of transmittal.

No Solicitation of Transactions (Page 53)

The merger agreement contains restrictions on our ability to solicit or engage in discussions or negotiations with a third party regarding specified transactions involving the Company. Notwithstanding these restrictions, under certain circumstances, our board of directors may respond to an unsolicited written bona fide proposal for an alternative acquisition or terminate the merger agreement and enter into an agreement with respect to a superior proposal.

Table of Contents

Conditions to the Merger (Page 57)

Before we can complete the merger, a number of conditions must be satisfied. These include:

the receipt of Company stockholder approval;

the absence of governmental orders that have the effect of making the merger illegal or that otherwise prohibit the closing;

the absence of actions or suits instituted by a governmental authority seeking to prohibit or challenging the completion of the merger;

clearance under antitrust and competition laws;

absence of a material adverse effect; and

the receipt by us, Parent or Acquisition Sub of the proceeds from the debt financing.

Termination of the Merger Agreement (Page 58)

Toys, Parent and Acquisition Sub may agree in writing to terminate the merger agreement at any time without completing the merger, even after the stockholders of Toys have adopted the merger agreement. The merger agreement may also be terminated at any time prior to the effective time of the merger in certain other circumstances, including:

by either Parent or the Company if:

the closing has not occurred on or before September 15, 2005 (in certain specified circumstances such date may be extended by either Parent or us until October 31, 2005);

a final, non-appealable governmental order prohibits the merger;

the Company stockholders do not adopt the merger agreement at the special meeting or any postponement or adjournment thereof;

there is a material breach by the non-terminating party of its representations, warranties, covenants or agreements in the merger agreement such that the closing conditions would not be satisfied;

Rights of Appraisal (Page 64 and Annex D)

Delaware law provides you with appraisal rights in the merger. This means that, if you comply with the procedures for perfecting appraisal rights provided for under Delaware law, you are entitled to have the fair value of your shares determined by the Delaware Court of Chancery and to receive payment based on that valuation in lieu of the merger consideration. The ultimate amount you receive as a dissenting stockholder in an appraisal proceeding may be more or less than, or the same as, the amount you would have received under the merger agreement.

To exercise your appraisal rights, you must deliver a written demand for appraisal to the Company before the vote on the merger agreement at the special meeting and you must not vote in favor of the adoption of the merger agreement. Your failure to follow exactly the procedures specified under Delaware law will result in the loss of your appraisal rights. A copy of Section 262 of the General Corporation Law of the State of Delaware (DGCL) is attached to this proxy statement as Annex D.

THE SPECIAL MEETING

Time, Place and Purpose of the Special Meeting

This proxy statement is being furnished to our stockholders as part of the solicitation of proxies by our board of directors for use at the special meeting to be held on June 23, 2005, starting at 8:30 a.m., Eastern Time, at Dodger Stages, 340 West 50th Street (between 8th and 9th Avenues), New York, New York or at any postponement or adjournment thereof. The purpose of the special meeting is for our stockholders to consider and vote upon the adoption of the merger agreement. Our stockholders must adopt the merger agreement for the merger to occur. If the stockholders fail to adopt the merger agreement, the merger will not occur. A copy of the merger agreement is attached to this proxy statement as Annex A.

Edgar Filing: TOYS R US INC - Form DEFM14A

This proxy statement and the enclosed form of proxy are first being mailed to our stockholders on or about May 23, 2005.

Record Date and Voting

The holders of record of the Company's common stock as of the close of business on May 20, 2005 the record date for the special meeting, are entitled to receive notice of, and to vote at, the special meeting. On the record date, there were 221,406,474 shares of the Company's common stock outstanding.

The holders of a majority of the outstanding shares of the Company's common stock on the record date represented in person or by proxy, will constitute a quorum for purposes of the special meeting. A quorum is necessary to hold the special meeting. Any shares of the Company's common stock held in treasury by the

Table of Contents

Company or by any of its subsidiaries are not considered to be outstanding for purposes of determining a quorum. Once a share is represented at the special meeting, it will be counted for the purpose of determining a quorum at the special meeting and any postponement or adjournment of the special meeting. However, if a new record date is set for the adjourned special meeting, then a new quorum will have to be established.

Required Vote

Each outstanding share of the Company's common stock on the record date entitles the holder to one vote at the special meeting. Completion of the merger requires the adoption of the merger agreement by the affirmative vote of the holders of a majority of the shares of the Company's common stock outstanding on the record date. In order for your shares of the Company's common stock to be included in the vote, if you are a stockholder of record, you must submit a proxy by telephone or the Internet or return the enclosed proxy card by mail or vote in person at the special meeting.

If your shares are held in street name by your broker, you should instruct your broker how to vote your shares using the instructions provided by your broker. If you have not received such voting instructions or require further information regarding such voting instructions, contact your broker and they can give you directions on how to vote your shares. Under the rules of the NYSE, brokers who hold shares in street name for customers may not exercise their voting discretion with respect to the approval of non-routine matters such as the merger proposal and thus, absent specific instructions from the beneficial owner of such shares, brokers are not empowered to vote such shares with respect to the approval of such proposals. Abstentions and broker non-votes, if any, will be treated as shares that are present and entitled to vote at the special meeting for purposes of determining whether a quorum exists. **Because adoption of the merger agreement requires the affirmative vote of a majority of the shares of the Company's common stock outstanding on the record date, failures to vote, abstentions and broker non-votes, if any, will have the same effect as votes AGAINST adoption of the merger agreement.**

As of May 20, 2005, the directors and current executive officers of Toys owned, in the aggregate, 853,857 shares of the Company's common stock, or approximately 0.39% of the outstanding shares of the Company's common stock. The directors and current executive officers have informed Toys that they intend to vote all of their shares of the Company's common stock FOR the adoption of the merger agreement.

Proxies; Revocation

If you submit a proxy by telephone or the Internet or by returning a signed proxy card by mail, your shares will be voted at the special meeting as you indicate on your proxy card or by such other method. If no instructions are indicated on your proxy card, your shares of the Company's common stock will be voted FOR the adoption of the merger agreement.

You may revoke your proxy at any time before the vote is taken at the special meeting. To revoke your proxy, you must either advise our Corporate Secretary in writing, submit a proxy by telephone, the Internet or mail dated after the date of the proxy you wish to revoke or attend the special meeting and vote your shares in person. Attendance at the special meeting will not by itself constitute revocation of a proxy.

If you have instructed your broker to vote your shares, the above-described options for revoking your proxy do not apply and instead you must follow the directions provided by your broker to change these instructions.

Edgar Filing: TOYS R US INC - Form DEFM14A

Toys does not expect that any matter other than the adoption of the merger agreement will be brought before the special meeting. If, however, such a matter is properly presented at the special meeting or any adjournment or postponement of the special meeting, the persons appointed as proxies will have discretionary authority to vote the shares represented by duly executed proxies in accordance with their discretion and judgment.

Toys will pay the cost of this proxy solicitation. In addition to soliciting proxies by mail, directors, officers and employees of Toys may solicit proxies personally and by telephone, facsimile or other electronic means of communication. These persons will not receive additional or special compensation for such solicitation services.

Table of Contents

Toys will, upon request, reimburse brokers, banks and other nominees for their expenses in sending proxy materials to their customers who are beneficial owners and obtaining their voting instructions. Toys has retained Georgeson Shareholder Communications Inc. to assist it in the solicitation of proxies for the special meeting and will pay Georgeson Shareholder Communications Inc. a fee of approximately \$7,500, plus reimbursement of out-of-pocket expenses.

Adjournments and Postponements

Although it is not currently expected, the special meeting may be adjourned or postponed for the purpose of soliciting additional proxies. Any adjournment may be made without notice, other than by an announcement made at the special meeting. If a quorum exists, then a majority of the votes cast by holders of shares of the Company's common stock present in person or represented by proxy at the special meeting may adjourn the special meeting. Alternatively, if no quorum exists, then the chairman or a majority in interest of the stockholders present at the special meeting may adjourn the special meeting. Any signed proxies received by the Company will be voted in favor of an adjournment in these circumstances, although a proxy voted AGAINST adoption of the merger agreement will not be voted in favor of an adjournment for the purpose of soliciting additional proxies. Any adjournment or postponement of the special meeting for the purpose of soliciting additional proxies will allow the Company's stockholders who have already sent in their proxies to revoke them at any time prior to their use at the special meeting as adjourned or postponed.

THE MERGER

Background of the Merger

Over the past few years, the Company's performance and prospects have been adversely impacted by significant developments in the retail toy industry. Discount and mass merchandisers who have greater financial resources and lower operating expenses have driven down pricing and reduced profit margins for other players in the retail toy industry. Additionally, the Company's toy sales have been negatively impacted by changing consumer habits, including age compression, which is the acceleration of children abandoning traditional toy categories at increasingly younger ages for cell phones, DVD players, CD players, MP3 devices and other electronic devices.

As a result of these trends and the performance of the U.S. toy stores in the 2003 holiday season, the Company decided to conduct a thorough strategic evaluation of all of its worldwide assets and operations to determine the optimal configuration and uses of its resources. The Company announced this decision publicly in January 2004. Following the announcement, the Company selected Credit Suisse First Boston as its financial advisor. After the Company retained Credit Suisse First Boston, the Company's management and Credit Suisse First Boston commenced a review of the Company and its businesses.

Throughout the strategic evaluation, the board of directors of the Company and the executive committee of the board of directors met regularly and consulted with the Company's management, Credit Suisse First Boston, Simpson Thacher & Bartlett LLP, which had been retained as counsel to the Company in connection with the strategic evaluation, Skadden Arps, Slate, Meagher & Flom LLP (Skadden Arps), which had been retained as counsel to represent the board of directors in connection with the strategic evaluation, and Alston & Bird LLP, which had been retained as counsel to the Company with respect to employee benefits matters. Duff & Phelps was also initially retained by the Company to provide solvency advice and was later requested to provide a fairness opinion to the board of directors. Early in the process in 2004, in connection with the strategic evaluation, the Company also consulted with DJM Asset Management, which had been previously retained by the Company to provide real estate valuations in conjunction with the disposition of the entire real estate portfolio of the Kids R Us business and Alix Partners with respect to potential contemplated cost reductions throughout the Company. During the course of the process, the board of

Edgar Filing: TOYS R US INC - Form DEFM14A

directors held 15 meetings and the executive committee of the board of directors held 19 meetings to discuss the strategic alternatives available to the Company. In general, the executive committee of the board of directors (a standing committee of the board of

Table of Contents

directors that predated the strategic evaluation) met between meetings of the board of directors to address matters relating to the strategic evaluation that arose in the interim and to assist in setting the framework for presenting matters to the board of directors at its next meeting. After the board of directors retained Skadden Arps as counsel for the board of directors, Skadden Arps attended every meeting of the board of directors and the executive committee.

At its meetings held on March 2, May 12, June 1, June 2, June 29 and July 13, 2004, the board of directors received updates as to the ongoing progress of the strategic evaluation and discussed the strategic issues facing the Company and the strategic alternatives available to the Company. During the course of these meetings, representatives of Skadden Arps reviewed for the directors their legal duties in connection with the exploration of strategic alternatives and discussed legal issues related to such exploration. The board of directors and the executive committee over the course of this series of meetings reviewed management's assessment of the Company's current position, including, among other matters, the Company's strategic plan, financial results and prospects, and the increased competition in the retail toy industry. At the meetings of the board of directors and of the executive committee, representatives of Credit Suisse First Boston discussed various financial analyses relating to the Company and each of its business segments. Representatives of Credit Suisse First Boston also addressed the alternatives of a potential sale of the entire Company and an initial public offering of 100% of the capital stock of a newly formed entity to operate the Babies R Us business. After taking into account the advice of management and Credit Suisse First Boston, the strategic alternatives that appeared to the board of directors as having the most promise consisted of (1) continuing to operate all of the retail divisions as a single corporate entity, but eliminating a substantial number of toy stores and substantially decreasing expenses, (2) a spin-off or an initial public offering of 20% of the capital stock of a newly formed entity to operate the Babies R Us business, (3) a spin-off or an initial public offering of the capital stock of a newly formed entity to operate the Babies R Us business and subsequent sale of the domestic and international toys business (global toys) in whole or in pieces and (4) operation of the Babies R Us business as the Company's sole retail division and the sale of the global toys business in whole or in pieces. The board of directors discussed these alternatives and management and Credit Suisse First Boston responded to questions from the board of directors. A spin-off of the global toys business was also discussed as another potential strategic alternative but the board of directors, after taking into account the advice of management and Credit Suisse First Boston, did not view a spin-off of the global toys business as an attractive alternative. By the time of the July 13th meeting, a tentative consensus of the board of directors had begun to coalesce around the strategic alternative of a spin-off of the Babies R Us business and the continuation of the global toys business in light of the benefits of separating the two businesses based upon, among other reasons, unlocking the higher growth potential of the Babies R Us business. The board of directors did not make any decision on any particular alternative, however, and deferred further consideration of the matter until the meeting of August 10, 2004.

On July 19, 2004, the Company received a letter from a group led by financial sponsors (the initial bidding group) expressing interest in acquiring the global toys business of the Company, subject to conducting due diligence. According to this letter, the proposed transaction would permit the stockholders of the Company to receive the cash proceeds from the sale of the global toys business and would preserve for the stockholders any future upside benefit arising from the equity ownership of the Babies R Us business. On July 22, 2004, the executive committee held a meeting to review the initial bidding group's proposal as well as verbal inquiries received by Credit Suisse First Boston from another financial sponsor (the second bidder). The executive committee considered possible responses to the foregoing proposal and authorized Credit Suisse First Boston to pursue discussions with the initial bidding group. On July 26, 2004, representatives of Credit Suisse First Boston met with representatives of the initial bidding group to further discuss its proposal. At a meeting of the board of directors held on July 27, 2004, Credit Suisse First Boston updated the board of directors on the initial bidding group's proposal as well as on verbal inquiries received from the second bidder. The board of directors discussed a potential sale of the global toys business, combined with a distribution of all or a substantial portion of the proceeds of the sale to the Company's stockholders and retention of the Babies R Us business. Credit Suisse First Boston and management responded to questions from the board of directors. After July 2004, another financial sponsor joined the second bidder and one financial sponsor dropped out of the initial bidding group.

Table of Contents

At a meeting of the board of directors on August 10, 2004, management and Credit Suisse First Boston further updated the board of directors on their work to date in exploring the strategic alternatives that had been discussed at the prior meetings of the board of directors. A representative of Skadden Arps reviewed for the board of directors its legal duties in connection with the exploration of strategic alternatives. Representatives of Credit Suisse First Boston reviewed financial matters relating to separating the businesses or continuing with the businesses operating as a single entity. Financial analyses reviewed by Credit Suisse First Boston with the board of directors indicated that the separation of the Babies R Us business from the global toys business and/or the sale of one business or both businesses separately or together would reasonably be expected to generate higher gross aggregate values than the operation of the businesses as currently constituted within the Company. A representative of Simpson Thacher & Bartlett advised the board of directors on the key legal issues regarding the separation of the businesses, including the sale of the global toys business and a spin-off of the Babies R Us business. Management discussed with the board of directors the liquidation values of the global toys business and advised the board of directors with respect to issues relating to a spin-off of the Babies R Us business. Management also reviewed for the board of directors the risks and opportunities relating to maintaining the status quo and certain other strategic alternatives. The board of directors also received a presentation and advice from Alix Partners related to potential cost reductions. Credit Suisse First Boston, Simpson Thacher & Bartlett, Skadden Arps, Alix Partners and management responded to questions from the board of directors. After discussion, the board of directors authorized management to pursue the separation of the global toys business and Babies R Us business. In order to achieve this result, management was authorized by the board of directors to pursue simultaneously the sale of the global toys business and the spin-off of the Babies R Us business as alternative possibilities.

On August 11, 2004, the Company announced to the public that it had decided to pursue the separation of the global toys business and the Babies R Us business. The Company also announced that it was exploring, among other actions, the possible sale of the global toys business and the possible spin-off of the Babies R Us business.

Management, with the assistance of Credit Suisse First Boston, then began preparing a confidential information memorandum describing the global toys business for potential use in future discussions with interested parties. Representatives of Credit Suisse First Boston compiled a list of prospective financial and strategic buyers to be contacted directly by Credit Suisse First Boston regarding their potential interest in a possible transaction.

At the direction of the Company, Credit Suisse First Boston commenced contacting these potential buyers and identified additional parties which were also contacted as part of the ongoing process. Initial contacts were made with senior executives or representatives of 29 parties and consisted of a brief discussion of the Company's possible interest in engaging in a sale of the global toys business and an inquiry as to whether the potential party would be interested in receiving further information.

At the meeting of the board of directors on September 20, 2004, management and representatives of Credit Suisse First Boston provided the board of directors with an update regarding the ongoing sale process with respect to the global toys business and on the Company's work on a potential spin-off of the Babies R Us business.

On October 26, 2004, in order to facilitate the potential separation of the global toys business and the Babies R Us business, the Company purchased all of the outstanding shares of SB Toys, Inc. for an aggregate of \$42 million in cash from Softbank Capital Partners (and its affiliates) and other investors. The investors in SB Toys, Inc. had the potential to be an obstacle to the separation of the Company's Internet toys and Internet babies businesses. At the time of the purchase, SB Toys, Inc. held a minority interest in Toysrus.com, LLC, the Company's Internet toys business. One of the Company's directors is affiliated with Blackstone Group Holdings L.P., an investor in SB Toys, Inc., which received \$430,769 for its shares of SB Toys, Inc. The transaction was approved by a special committee of the board of directors consisting of members who did not have any

Table of Contents

ownership interests in Toysrus.com, LLC or Toysrus.com, Inc., an equity holder of Toysrus.com, LLC. Based on the special committee's recommendation, the Company did not offer to repurchase any of the ownership interests in Toysrus.com, Inc. held by current and former employees, officers, directors and consultants of the Company and its affiliates.

With the assistance of Simpson Thacher & Bartlett, the Company negotiated and entered into confidentiality and standstill agreements with 25 parties for the purpose of facilitating the delivery of confidential information regarding the global toys business to the parties who expressed an interest in receiving such information. As part of that process, the Company entered into confidentiality and standstill agreements with each of the Sponsors in October 2004. Beginning on October 4, 2004, the confidential information memorandum on the global toys business was sent by Credit Suisse First Boston to all parties which had entered into confidentiality and standstill agreements. Beginning on October 12, 2004 Credit Suisse First Boston sent letters to such parties inviting preliminary indications of interest by November 2, 2004.

On November 2, 2004, the Company received preliminary indications of interest from six groups for the acquisition of all of the global toys business and from three parties for the acquisition of the international operations of the global toys business. The groups expressing an interest in all of the global toys business were KKR, a bidding group consisting of Bain and Vornado (Bain/Vornado), the initial bidding group, the second bidder and two other parties.

At the meeting of the board of directors on November 18, 2004, management and representatives of Credit Suisse First Boston and Simpson Thacher & Bartlett provided the board of directors with an update regarding the ongoing sale process and the preliminary indications of interest with respect to the global toys business that had been received. A representative of Simpson Thacher & Bartlett reviewed for the board of directors the proposed transaction structure and the material legal considerations relating to the sale of the global toys business. After discussion, the board of directors authorized management to continue with the process for the sale of the global toys business and to focus its energies on that process rather than a spin-off of the Babies R Us business. In that regard, the board of directors noted the strength of the preliminary indications of interest for the global toys business and the benefits of focusing management's resources on the process for the sale of the global toys business.

After the receipt of preliminary indications of interest, representatives of the six groups which had submitted preliminary indications of interest on all of the global toys business conducted due diligence investigations of the global toys business. In addition, between November 2004 and January 2005, the Company made management presentations to such parties. During this period, the parties other than KKR, Bain/Vornado, the initial bidding group and the second bidder dropped out of the process.

Initial drafts of the bid contracts prepared by Simpson Thacher & Bartlett were circulated to the four bidding groups on December 15, 2004. On or about January 11, 2005, the four bidding groups submitted their initial comments on the draft bid contracts.

On January 7, 2005, on behalf of the Company, Credit Suisse First Boston sent to the four bidding groups a letter outlining the procedures for submitting a final bid for the global toys business by February 17, 2005. On February 4, 2005, revised drafts of the bid contracts were circulated to the four bidding groups.

At the meeting of the board of directors on January 21, 2005, management and representatives of Credit Suisse First Boston and Simpson Thacher & Bartlett provided the board of directors with another update regarding the ongoing sale process, and Simpson Thacher & Bartlett reviewed the various issues relating to the contracts designed to separate the Company's businesses. The board of directors, recognizing the fluidity of the transaction and that developments in the sale process might evolve rapidly, specifically authorized the executive committee to make decisions with respect to the sale process.

Table of Contents

On or about February 17, 2005, the Company received final bids for the global toys business (including further comments on the bid contracts) from the four bidding groups. In addition, the initial bidding group proposed an unsolicited offer to purchase the entire Company for \$23.25 per share in cash, subject to due diligence on the Babies R Us business. Bain/Vornado also expressed an interest in acquiring the entire Company but did not specify price or other terms.

On February 21, 2005, a meeting of the executive committee of the board of directors was convened to review the terms of the proposals that were submitted by the four bidding groups. Representatives of Credit Suisse First Boston reviewed financial aspects of the bids and analyzed valuation matters relating to the Babies R Us business to be retained by the Company's stockholders. A representative of Simpson Thacher & Bartlett then reviewed for the executive committee the material legal terms and conditions proposed by the four bidding groups. The executive committee discussed the attractiveness of the four bids for the global toys business and that the initial bidding group's proposal to acquire the entire Company did not provide a sufficiently compelling value relative to the value of the proposals for the global toys business. The executive committee also expressed concerns relating to the Company allowing the initial bidding group to conduct due diligence on Babies R Us and the potential disruption if, at this stage of the bidding process, other bidders were informed that the Company was considering bids for the entire Company. The executive committee discussed that at some point both the price and certainty associated with a bid for the entire Company might justify such potential disruption to the existing process. Accordingly, the executive committee authorized the representatives of Credit Suisse First Boston and Simpson Thacher & Bartlett to negotiate further with all four bidding groups.

Between February 22 and February 25, 2005, representatives of Credit Suisse First Boston and Simpson Thacher & Bartlett contacted the four bidding groups and their advisors to clarify the material terms reflected in their proposals and to identify aspects of their proposals which raised issues for the Company. Each of the bidding groups was requested to improve both the price and the non-financial terms and conditions of its proposal. On or about March 1, 2005, each of the four bidding groups resubmitted a bid for the global toys business and improved the price and non-financial terms and conditions of its proposal. The initial bidding group again submitted a proposal to purchase the entire Company, but this time the proposal was for \$24.00 per share, subject to limited due diligence on the Babies R Us business, or \$23.25 per share, subject to no due diligence. On March 3, 2005, an executive committee meeting was held at which representatives of Credit Suisse First Boston and Simpson Thacher & Bartlett updated the executive committee as to recent developments in the sale process. The executive committee reiterated the authorization to the Company's representatives that had been provided at the executive committee meeting on February 21, 2005 to continue to negotiate further with all four bidding groups. The consensus of the executive committee by the end of the meeting was not to allow the initial bidding group to conduct additional due diligence relating to a bid for the entire Company at that time. Following that meeting, the initial bidding group informed Credit Suisse First Boston that it could possibly submit a higher offer to purchase the entire Company.

On March 7, 2005, a meeting of the board of directors was convened. Representatives of Credit Suisse First Boston outlined for the board of directors a summary of the ongoing sale process that had been conducted since the meeting of the board of directors at the end of January. Credit Suisse First Boston then reviewed for the board of directors the bids that had been received by the Company and analyzed financial aspects of the bids for the global toys business. Representatives of Simpson Thacher & Bartlett also provided for the board of directors a detailed comparison of the material legal terms of the four proposals, including the commitment letters submitted by the bidding groups. The board of directors discussed the proposals and posed questions to Credit Suisse First Boston and Simpson Thacher & Bartlett. Based on these presentations and discussions, the board of directors authorized Credit Suisse First Boston and Simpson Thacher & Bartlett to continue pursuing the various strategic alternatives, including a transaction with KKR and the initial bidding group for the sale of the global toys business. The consensus of the board of directors was that the value of the pending proposal from the initial bidding group with respect to the sale of the entire Company was not sufficiently compelling relative to the value that could be achieved for stockholders pursuant to the sale of the global toys business (combined with a distribution of all or a substantial portion of the proceeds of such sale to the Company's stockholders and the

Table of Contents

retention of the equity in the Babies R Us business). The board of directors also discussed, however, that it would entertain proposals for the entire Company from all of the bidding groups if the initial bidding group submitted a proposal for the entire Company that included improved terms with respect to both price and certainty of closing. In that regard, the board of directors discussed the risks and benefits of continuing to pursue the process that had been initiated in August 2004 beyond the next scheduled meeting of the board of directors of March 16, 2005 in light of the additional time that might be needed to accommodate a process for a bid for the entire Company.

On the evening of March 7, 2005, the initial bidding group submitted a revised proposal for the entire Company of \$25.25 per share, which proposal was not subject to further due diligence on the Babies R Us business. The initial bidding group also increased its bid for the global toys business. On March 8, 2005, in accordance with the discussions of the board of directors at the March 7 meeting of the board of directors and based on the initial bidding group's subsequent increased proposal of \$25.25 per share for the entire Company, representatives of Credit Suisse First Boston informed the other three bidding groups that an offer for the entire Company had been received and requested that each of the other three bidding groups, if interested, submit preliminary indications of interest with respect to the entire Company by March 11, 2005. Representatives of Credit Suisse First Boston informed each bidding group that, if a favorable indication of interest was submitted for the acquisition of the entire Company, such bidding group would be granted limited due diligence on the Babies R Us business prior to the final bid date.

On March 9, 2005, in response to a request from Credit Suisse First Boston, the initial bidding group submitted a draft merger agreement and financing commitment letters with respect to its proposal to acquire the entire Company. Thereafter, representatives of the initial bidding group orally suggested to Credit Suisse First Boston that it might be willing to increase its proposed bid for the entire Company by possibly as much as a \$1.00 per share. On March 11, 2005, the initial bidding group indicated that its previous offer of \$25.25 per share would only be open for several additional hours unless the Company entered into an exclusivity agreement with the initial bidding group. The Company did not enter into an exclusivity agreement with the initial bidding group and the initial bidding group did not withdraw its offer of \$25.25 per share. Between March 7 and March 16, 2005, Simpson Thacher & Bartlett continued to have discussions with the initial bidding group on certain aspects of the draft merger agreement with respect to the proposal for the entire Company as well as on certain aspects of the bid contracts for the sale of the global toys business.

On March 11, 2005, the Sponsors informed representatives of Credit Suisse First Boston of their desire to work together to submit a proposal to acquire the entire Company. Later that day, representatives of the Sponsors informed representatives of Credit Suisse First Boston that, subject to certain due diligence on the Babies R Us business, they were prepared to submit a proposal of \$26.50 per share or higher for the entire Company for the March 16th meeting of the board of directors.

On March 11, 2005, representatives of Credit Suisse First Boston informed the Sponsors and the initial bidding group that the Company was seeking to be in a position to approve a transaction either for the entire Company or for the global toys business at the meeting of the board of directors scheduled for March 16, 2005.

On March 12, 2005, Simpson Thacher & Bartlett sent to outside legal counsel for the Sponsors a draft of a merger agreement for the sale of the entire Company. Between March 12 and March 16, 2005, representatives of Simpson Thacher & Bartlett and the outside legal counsel for the Sponsors had numerous discussions relating to the terms of the merger agreement. During this period, the Sponsors and the initial bidding group were provided with due diligence information on the Babies R Us business. During this period, Credit Suisse First Boston also requested that the Sponsors and the initial bidding group submit their best and final proposals before the next scheduled meeting of the board of directors on March 16, 2005.

On the morning of March 16, 2005, the Sponsors submitted a definitive proposal to acquire the entire Company for approximately \$6.6 billion of aggregate equity value or \$27.00 per share, subject to certain assumptions including those with respect to the Company's capitalization. Later that

day, after additional

information provided by the Company to the Sponsors resulted in the Sponsors coming to the understanding that the number of fully diluted shares was slightly higher than they had assumed based on the information they had been previously provided, the proposed price was adjusted to \$26.75 per share to reflect such higher number of shares. The aggregate equity value of the proposal of approximately \$6.6 billion was, however, not reduced. The initial bidding group did not submit an improved proposal, but reiterated its prior offer.

On the morning of March 16, 2005, the board of directors met to consider and review the strategic alternatives, including the offer for the entire Company submitted by the Sponsors. A representative of Skadden Arps reviewed for the board of directors its fiduciary and other legal duties. Credit Suisse First Boston reviewed and analyzed, among other matters, the financial aspects of the proposals for the entire Company from the Sponsors and the initial bidding group and the leading proposals for the global toys business. Duff & Phelps reviewed its financial analyses of the Company for the board of directors. Representatives of Simpson Thacher & Bartlett reviewed for the board of directors in detail the terms of the merger agreement and other legal aspects of the proposal by the Sponsors. Management and the advisors responded to numerous questions from the board of directors. The board of directors discussed, among other matters, the risks and benefits of selling the entire Company and compared the entire Company transaction, taking into account the information and analyses provided for the board of directors, with the values anticipated to be obtained for stockholders in connection with the proposals for the global toys business. There was a recess in the meeting of the board of directors and the meeting was set to continue that evening.

During the course of the day on March 16, 2005, the management of the Company, the Sponsors and counsel for the parties negotiated substantially all of the remaining terms of the merger agreement.

Later that evening the meeting of the board of directors was re-convened to consider whether to approve the proposed transaction. Representatives of Simpson Thacher & Bartlett updated the board of directors on changes in the definitive documentation since the previous review by the board of directors. Each of Credit Suisse First Boston and Duff & Phelps delivered its oral opinion, confirmed by delivery of a written opinion dated March 16, 2005 to the effect that, as of such date and subject to the assumptions made, matters considered and limitations on the review undertaken, the \$26.75 per share merger consideration to be received by the holders of the Company's common stock was fair from a financial point of view to such holders. Following additional discussion and deliberation, the board of directors approved the merger agreement and the transactions contemplated by the merger agreement and resolved to recommend that the stockholders of the Company vote to adopt the merger agreement.

On March 17, 2005, the merger agreement was executed by the Company, Parent and Acquisition Sub. Prior to the opening of trading on the New York Stock Exchange that day, the Company issued a press release announcing the execution of the merger agreement.

During the week of May 9, 2005, the Sponsors began to initiate discussions with members of the Company's management regarding the Sponsors plans for management following the closing of the merger. As of the date of this proxy statement, no specific discussions have taken place regarding the employment arrangements or equity investments by management in Parent or Acquisition Sub. In order to facilitate any future arrangements which may be agreed to between any member of management and the Sponsors, however, the Sponsors expect to waive the provision of the merger agreement providing that the Company shall take all action necessary so that all stock options (other than UK Options) would be converted into cash payments. The waiver will allow the stock options (other than UK Options) held by any employee to remain outstanding to the extent and on the terms agreed to between such employee and the Sponsors.

Also during the week of May 9, 2005, the Sponsors informed the Company that they may wish to have Parent merge with and into Acquisition Sub immediately prior to the effective time. The Company has informed the Sponsors that it expects to grant a waiver under the merger agreement to permit such a merger. In the event of such a merger, all of Parent's obligations under the merger agreement would become obligations of Acquisition Sub and Acquisition Sub would become directly held by the Sponsors.

The Sponsors sent to the executive committee a letter, dated May 12, 2005, requesting confirmation that the executive committee does not object to the Sponsors utilizing the services of Credit Suisse First Boston in connection with the arranging of financing for the merger. Prior to the execution of the merger agreement, Credit Suisse First Boston's and the Company's understanding had been that Credit Suisse First Boston would not participate in the financing. Subsequent to the execution of the merger agreement, the Sponsors stated that they believed that Credit Suisse First Boston's involvement in the financing would enhance the likelihood of a successful execution of a financing in a timely fashion. The Sponsors represented in the letter that Credit Suisse First Boston would not be a lead bookrunning manager on the left in connection with the financing. Based in part on these statements and certain other terms and conditions set forth in the letter, the executive committee approved the participation of Credit Suisse First Boston in the financing.

Reasons for the Merger

In reaching its decision to approve the merger agreement and the merger and the other transactions contemplated by the merger agreement and to recommend that the Company's stockholders vote to adopt the merger agreement, the board of directors of the Company consulted with management and its legal, financial and other outside advisors. The board of directors considered a number of factors and potential benefits of the merger including, without limitation, the following:

the price being paid for each share of the Company's common stock in the transaction represents a substantial premium to historic trading prices, including (1) a premium of over 123% over the closing sale price of \$12.02 on the New York Stock Exchange on January 7, 2004 (the trading day immediately prior to the date on which the Company announced it was exploring strategic alternatives) and (2) a premium of over 63% over the closing sale price of \$16.42 on the New York Stock Exchange on August 10, 2004 (the trading day immediately prior to the date on which the Company announced it was exploring a sale of the global toys business);

the opinion dated March 16, 2005 of Credit Suisse First Boston that, subject to the assumptions made, matters considered and limitations on the review undertaken in connection with such opinion, the per share consideration to be received by the Company's stockholders was, as of such date, fair from a financial point of view to such stockholders (the full text of the written opinion of Credit Suisse First Boston is attached as Annex B to this proxy statement, and stockholders are urged to and should read the written opinion carefully and in its entirety);

the opinion dated March 16, 2005 of Duff & Phelps that, subject to the assumptions made, matters considered and limitations on the review undertaken in connection with such opinion, the per share consideration to be received by the Company's stockholders was, as of such date, fair from a financial point of view to such stockholders (without giving effect to any impact of the merger on any particular stockholder other than in its capacity as a stockholder) (the full text of the written opinion of Duff & Phelps is attached as Annex C to this proxy statement, and stockholders are urged to and should read the written opinion carefully and in its entirety);

the financial aspects of the proposals received from Parent and the other bidding groups with respect to the sale of the entire Company and the sale of the global toys business;

the price proposed by Parent represented the highest price that the Company had received for the acquisition of the entire Company;

the price proposed by Parent exceeded both (1) the sum of (a) the value attributable to the global toys business as indicated by the highest offer for that business, (b) the value attributable to Toys R Us Japan, and (c) the value attributable to the Babies R Us business as indicated by the high end of the valuation range for Babies R Us (without reflecting a control premium) indicated by Credit Suisse First Boston's financial analyses and (2) the value of the entire Company that Duff & Phelps derived from adding (a) the high end of the valuation range for the global toys business, (b) the value attributable to Toys R Us Japan and (c) the high end of the valuation range for the Babies R Us business;

the possible alternatives to the sale of the Company, including continuing to operate the Company on a stand-alone basis or the sale of the global toys business together with operating the Babies R Us

Table of Contents

business on a stand-alone basis, and the risks associated with such alternatives, each of which the board of directors determined not to pursue in light of its belief that the sale of the entire Company to Parent maximized stockholder value and represented the best transaction reasonably available to stockholders;

the potential disadvantages of a sale of the global toys business compared to the sale of the entire Company, including the additional time that would potentially be required to close the global toys transaction, the potential tax liability to the Company from the sale of the global toys business, the complexity of separating the two businesses and the loss of cost synergies from operating the two businesses together;

the Company's business, current financial condition and results of operation and future prospects and the belief of the board of directors that the consideration to be received by the Company's stockholders in the transaction exceeds the Company's intrinsic value based on the board of directors' familiarity with such matters and the presentations of the Company's financial advisors;

the fact that the merger consideration is all cash, which provides certainty of value to our stockholders;

the fact that the Company conducted an extensive process for the acquisition of the global toys business involving 29 parties and sent confidential information to 25 parties that resulted in four definitive proposals to acquire the global toys business and two definitive proposals to acquire the entire Company;

the recent evaluation by the board of directors of the Company's strategic plan and projections and the risks and benefits related to achieving those projections and the goals of that plan, compared to the risks and benefits of the merger;

the debt commitment letters obtained by Parent indicated a strong commitment on the part of the lenders with few conditions that would permit the lenders to terminate their commitment;

the limited number and nature of the conditions to Parent's obligation to consummate the merger and the limited risk of non-satisfaction of these conditions;

the provisions of the merger agreement that allow the Company, under certain circumstances, to furnish information to and conduct negotiations with third parties;

the board of directors' understanding that both the \$247.5 million termination fee (and the circumstances when such fee is payable) and the requirement to reimburse Parent for certain expenses, up to a limit of \$30 million, in the event that the merger agreement is terminated because the Company's stockholders fail to adopt the merger agreement, were reasonable in light of the benefits of the merger, the auction process conducted by Credit Suisse First Boston and commercial practice;

the provisions of the merger agreement that allow the board of directors, under certain circumstances, to change its recommendation that the Company's stockholders vote in favor of the adoption of the merger agreement;

the other terms of the merger agreement, including the ability of the board of directors to terminate the merger agreement in order to accept a superior proposal (subject to paying Parent the \$247.5 million termination fee); and

the ability of the Company's stockholders to exercise appraisal rights.

Edgar Filing: TOYS R US INC - Form DEFM14A

The board of directors also considered and balanced against the potential benefits of the merger a number of potentially adverse factors concerning the merger including, without limitation, the following:

the risk that the merger might not be completed in a timely manner or at all, including the risk that the merger will not occur if the financing contemplated by the debt commitment letters is not obtained;

the opportunities for growth and the potential for increased stockholder value if the Company were to stay independent or if Babies R Us were to remain independent in connection with a sale of the global toys business;

the interests of the Company's executive officers and directors in the merger (see Interests of the Company's Directors and Executive Officers in the Merger);

Table of Contents

the merger consideration consists of cash and will therefore be taxable to our stockholders for U.S. federal income tax purposes;

the requirement to pay Parent a \$247.5 million termination fee in order for the board of directors to accept a superior proposal;

the requirement of the Company to reimburse Parent for up to \$30 million of its expenses incurred in connection with the proposed merger if the Company's stockholders do not adopt the merger agreement and the merger;

the risk of diverting management focus and resources from other strategic opportunities and from operational matters while working to implement the merger; and

the possibility of management and employee disruption associated with the merger.

After taking into account all of the factors set forth above, as well as others, the board of directors agreed that the benefits of the merger outweigh the risks and that the merger agreement and the merger are advisable and fair and in the best interests of the Company and its stockholders. **The board of directors has approved the merger agreement and the merger and recommends that the Company's stockholders vote to adopt the merger agreement at the special meeting.**

The board of directors did not assign relative weights to the above factors or the other factors considered by it. In addition, the board of directors did not reach any specific conclusion on each factor considered, but conducted an overall analysis of these factors. Individual members of the board of directors may have given different weights to different factors.

Recommendation of the Company's Board of Directors

After careful consideration, the Company's board of directors, by unanimous vote:

has determined that the merger, the merger agreement and the transactions contemplated by the merger agreement are advisable, fair to and in the best interests of the Company and its stockholders;

has approved the merger, the merger agreement and the transactions contemplated by the merger agreement; and

recommends that the Company's stockholders vote **FOR** the adoption of the merger agreement.

Opinions of the Company's Financial Advisors

Opinion of Credit Suisse First Boston

Edgar Filing: TOYS R US INC - Form DEFM14A

Credit Suisse First Boston has acted as financial advisor to the Company in connection with the merger. The Company selected Credit Suisse First Boston based upon Credit Suisse First Boston's experience, reputation and familiarity with the business sector in which the Company conducts its business. Credit Suisse First Boston is an internationally recognized investment banking firm and is regularly engaged in the valuation of businesses and securities in connection with mergers and acquisitions, leveraged buyouts, negotiated underwritings, competitive biddings, secondary distributions of listed and unlisted securities, private placements and valuations for corporate and other purposes.

On March 16, 2005, at a meeting of the board of directors held to evaluate the merger, Credit Suisse First Boston delivered to the board of directors an oral opinion, which opinion was confirmed by delivery of a written opinion dated March 16, 2005, to the effect that, as of that date and based upon and subject to the matters described in its opinion, the merger consideration to be received pursuant to the merger was fair, from a financial point of view, to the holders of the Company's common stock.

Credit Suisse First Boston's opinion was provided to the board of directors in connection with its evaluation of the merger consideration and relates only to the fairness, from a financial point of view, of the merger consideration to be received by the holders of the Company's common stock, does not address any other aspect of the merger or any related transactions and does not constitute a recommendation to any Company stockholder as to any matter relating to the merger or any related transactions, including how such stockholder should vote or act. The summary of Credit Suisse First Boston's opinion in this proxy statement is qualified in its entirety by reference to the full text of the opinion.

In arriving at its opinion, Credit Suisse First Boston:

reviewed publicly available business and financial information relating to the Company;

reviewed other information relating to the Company, including financial forecasts, that were provided to or discussed with Credit Suisse First Boston by the Company;

considered, to the extent publicly available, the financial terms of certain other business combinations and other transactions which had recently been effected; and

considered other information, financial studies, analyses and investigations and financial, economic and market criteria which it deemed relevant.

In connection with its review, Credit Suisse First Boston did not assume any responsibility for independent verification of any of the information that it reviewed or considered and relied on that information being complete and accurate in all material respects. With respect to the financial forecasts for the Company, Credit Suisse First Boston was advised by the management of the Company, and assumed that they were reasonably prepared on bases reflecting the best currently available estimates and judgments of the Company's management as to the future financial performance of the Company. Credit Suisse First Boston was not requested to make, and did not make, an independent evaluation or appraisal of the assets or liabilities (contingent or otherwise) of the Company.

Credit Suisse First Boston assumed, with the consent of the board of directors, that in the course of obtaining any regulatory or third party consents, approvals or agreements in connection with the merger, no delay, limitation, restriction or condition would be imposed that would have an adverse effect on the Company or the merger that would be material to its analyses. Credit Suisse First Boston also assumed, with the consent of the board of directors, that the final executed merger agreement did not differ in any material respect from the draft merger agreement reviewed by Credit Suisse First Boston and that the merger would be consummated in accordance with the terms of the merger agreement without waiver, modification or amendment of any material term, condition or agreement thereof. Credit Suisse First Boston's opinion addresses

Edgar Filing: TOYS R US INC - Form DEFM14A

only the fairness, from a financial point of view, to the holders of the Company's common stock of the merger consideration and does not address any other aspect or implication of the merger or any other agreement, arrangement or understanding entered into in connection with the merger or otherwise. Credit Suisse First Boston's opinion was necessarily based upon information made available to it as of the date thereof and upon financial, economic, market and other conditions as they existed and could be evaluated on the date thereof. Credit Suisse First Boston's opinion did not address the merits of the merger or any related transactions as compared to alternative transactions or strategies that might be available to the Company, nor did it address the underlying decision of the Company to proceed with the merger.

In preparing its opinion to the board of directors, Credit Suisse First Boston performed a variety of financial and comparative analyses, including those described below. The summary of Credit Suisse First Boston's analyses described below is not a complete description of the analyses underlying Credit Suisse First Boston's opinion. The preparation of a fairness opinion is a complex process involving various determinations as to the most appropriate and relevant methods of financial analysis and the application of those methods to the particular circumstances and, therefore, a fairness opinion is not readily susceptible to partial analysis or summary description. In arriving at its opinion, Credit Suisse First Boston made qualitative judgments as to the significance and relevance of each analysis and factor that it considered. Credit Suisse First Boston arrived at its ultimate opinion based on the results of all analyses undertaken by it and assessed as a whole and did not draw, in isolation, conclusions from or with regard to any one factor or method of analysis. Accordingly, Credit Suisse First Boston believes that its analyses must be considered as a whole and that selecting portions of its analyses and factors or focusing on information presented in tabular format, without considering all analyses and factors or the narrative description of the analyses, could create a misleading or incomplete view of the processes underlying its analyses and opinion.

In its analyses, Credit Suisse First Boston considered industry performance, general business, economic, market and financial conditions and other matters, many of which are beyond the control of the Company. No company, transaction or business used in Credit Suisse First Boston's analyses as a comparison is identical to the Company, its business or the proposed transaction, and an evaluation of the results of those analyses is not entirely mathematical. Rather, the analyses involve complex considerations and judgments concerning financial and operating characteristics and other factors that could affect the acquisition, public trading or other values of the companies, business segments or transactions analyzed. The estimates contained in Credit Suisse First Boston's analyses and the ranges of valuations resulting from any particular analysis are not necessarily indicative of actual values or predictive of future results or values, which may be significantly more or less favorable than those suggested by the analyses. In addition, analyses relating to the value of businesses or securities do not purport to be appraisals or to reflect the prices at which businesses or securities actually may be sold. Accordingly, the estimates used in, and the results derived from, Credit Suisse First Boston's analyses are inherently subject to substantial uncertainty.

Credit Suisse First Boston's opinion and financial analyses were only one of many factors considered by the board of directors in its evaluation of the proposed transaction and should not be viewed as determinative of the views of the board of directors or the Company's management with respect to the transaction or the merger consideration. Although Credit Suisse First Boston evaluated the merger consideration from a financial point of view, it was not requested to, and did not, determine or recommend the specific consideration to be paid in the transaction.

Analyses Performed in Connection with the Preparation of the Fairness Opinion by Credit Suisse First Boston

The following is a summary of the material financial analyses Credit Suisse First Boston presented to the board of directors on March 16, 2005 in connection with the merger. The financial analyses summarized below include information presented in tabular format. In order to fully understand Credit Suisse First Boston's financial analyses, the tables must be read together with the text of each summary. The tables alone do not constitute a complete description of the financial analyses. Considering the data in the tables below without considering the full narrative description of the financial analyses, including the methodologies and assumptions underlying the analyses, could create a misleading or incomplete view of Credit Suisse First Boston's financial analyses.

Discounted Cash Flow Analysis. A discounted cash flow analysis is generally used to calculate a valuation range for a company by calculating the present value of the cash flows expected to be generated by the company. Present value refers to the current value of future cash flows or amounts and is obtained by discounting those future cash flows or amounts by a discount rate that takes into account macro-economic assumptions, the cost of capital, and other appropriate factors.

Table of Contents

Financial forecasts for the Company, including with respect to earnings before interest, taxes, depreciation and amortization (which is referred to as EBITDA), for fiscal years 2005 through 2009, were based on internal estimates of the Company's management. These estimates provided by management to Credit Suisse First Boston reflected compound annual growth rates for fiscal years 2004 through 2009 of 3.8% for sales and 7.1% for EBITDA (and EBITDA margins of between 7.1% and 8.3%). Credit Suisse First Boston calculated ranges of estimated terminal values for the Company by multiplying fiscal year 2009 estimated EBITDA by selected multiples ranging from 5.5x to 7.0x (based on analyses of trading multiples of selected public companies). The estimated after-tax free cash flows and terminal values were then discounted to present value using discount rates of 10.0% to 12.0% (based on analyses of weighted average costs of capital for selected public companies). Using the ranges of EBITDA terminal multiples and discount rates identified above, Credit Suisse First Boston then estimated a range of enterprise values for the Company by (i) adding the present values of estimated after-tax free cash flows for fiscal years 2005 through 2009 and the present value of the estimated terminal values (value of future cash flow from an asset at a particular point in time in the future) as of 2009 and (ii) then adjusting such amount to reflect the Company's interest in Toys R Us Japan. Thereafter, Credit Suisse First Boston calculated a range of per share equity values by making certain adjustments, including adjustments to reflect the Company's net debt (total debt minus cash), in order to derive an implied equity reference range for the Company and then dividing those amounts by the number of fully diluted shares of the Company. Credit Suisse First Boston then compared this implied per share equity reference range against the per share merger consideration. This analysis indicated the following implied per share equity reference range for the Company, as compared to the per share merger consideration of \$26.75:

Implied Per Share Equity		
Reference Range		
For Toys R Us, Inc.		Per Share Merger Consideration
\$19.60	\$25.58	\$26.75

Selected Public Companies Analysis. In order to assess how the public market values shares of common stock of similar publicly traded companies, Credit Suisse First Boston reviewed market values and certain trading multiples relating to the following selected publicly held companies which Credit Suisse First Boston deemed comparable to the Company:

Credit Suisse First Boston compared the market values and certain trading multiples relating to the selected publicly held companies with the market values and trading multiples relating to the Company.

Table of Contents

Multiples were based on closing stock prices as of March 15, 2005. Estimated data for the selected companies were based on publicly available research analysts' estimates. Credit Suisse First Boston compared, among comparable companies, adjusted market values, calculated as public equity value plus net debt, as multiples of fiscal years 2004 and 2005 estimated EBITDA. Credit Suisse First Boston also compared, among comparable companies, equity values per share as multiples of fiscal years 2004 and 2005 estimated earnings per share, commonly referred to as P/E. The range of market trading multiples of the comparable companies is set forth below:

Metric	Comparable Companies	
	Range of Multiples	
Adjusted Market Value/2004 EBITDA	5.3x	13.1x
Adjusted Market Value/2005 EBITDA	4.3x	10.4x
Price/2004 Earnings	12.0x	25.7x
Price/2005 Earnings	11.5x	22.3x

Credit Suisse First Boston applied ranges of selected multiples of those financial and operating data derived from the selected companies to comparable data for the Company in order to derive an implied enterprise value reference range for the Company. Thereafter, Credit Suisse First Boston calculated a range of per share equity values by making certain adjustments, including adjustments to reflect the Company's net debt, in order to derive an implied equity reference range for the Company and then dividing those amounts by the number of fully diluted shares of the Company. Credit Suisse First Boston then compared this implied per share equity reference range against the per share merger consideration. This analysis indicated the following implied per share equity reference range for the Company, as compared to the per share merger consideration of \$26.75:

Implied Per Share Equity		Per Share Merger Consideration
Reference Range		
For Toys R Us, Inc.		
\$16.35	\$20.98	\$26.75

Credit Suisse First Boston noted that the enterprise value reference range that it had derived for the Company implied a multiple range of adjusted market value divided by 2004 EBITDA of 5.5x to 7.0x.

Although the comparable companies in this analysis were compared to the Company for purposes of this analysis, Credit Suisse First Boston noted that no company utilized in this analysis is identical to the Company because of, among other factors, differences between the business mix, regulatory environment, operations and other characteristics of the Company and the comparable companies. In evaluating the comparable companies in selecting the multiple ranges it used in its analysis, Credit Suisse First Boston necessarily made judgments and assumptions with regard to industry performance, general business, economic, regulatory, market and financial conditions and other matters, many of which are beyond the control of the Company, such as the impact of competition on the business of the Company and on the industry generally, industry growth and the absence of any adverse material change in the financial condition and prospects of the Company or the industry or in the markets generally. Mathematical analysis (such as determining the average or median) is not in itself a meaningful method of using comparable company data.

Table of Contents

Multiples for the selected transactions were based on publicly available financial information at the time of announcement of the relevant transaction. Estimated data for the Company were based on internal estimates of the Company's management. Credit Suisse First Boston compared enterprise values (equity value plus net debt) in the selected transactions as multiples of latest 12 months sales, EBITDA and earnings before interest and taxes (which is referred to as EBIT). The analysis indicated the following multiples:

Metric	Comparable Transaction Median	
Enterprise Value as Multiple of:		
Last twelve months net sales	0.1x	2.0x
Last twelve months EBITDA	3.9x	19.8x
Last twelve months EBIT	5.8x	37.6x

Credit Suisse First Boston believed that a purely quantitative comparable transaction analysis would not be particularly meaningful in the context of the proposed merger because the reasons for and the circumstances surrounding each of the transactions analyzed were so diverse and because of the inherent differences in the businesses, operations, financial condition and prospects of the Company and the businesses, operations and financial condition of the companies included in the comparable transaction analysis. Credit Suisse First Boston believed that the appropriate use of a comparable transaction analysis in this instance involves qualitative judgments concerning the differences between the characteristics of these transactions and the proposed merger.

Based on the foregoing, Credit Suisse First Boston applied ranges of selected multiples of those financial and operating data derived from the selected transactions to corresponding financial data of the Company in order to derive an implied enterprise reference range for the Company. Thereafter, Credit Suisse First Boston calculated a range of per share equity values by making certain adjustments, including adjustments to reflect the Company's net debt, in order to derive an implied equity reference range for the Company and then dividing those amounts by the number of fully diluted shares of the Company. Credit Suisse First Boston then compared this implied per share equity reference range against the per share merger consideration. This analysis indicated the following implied per share equity reference range for the Company, as compared to the per share merger consideration of \$26.75:

Implied Per Share Equity		
Reference Range		Per Share Merger Consideration
For Toys R Us, Inc.		
\$19.32	\$27.04	\$26.75

Credit Suisse First Boston noted that the enterprise value reference range for the Company that it had derived implied a transaction value to last twelve months EBITDA of 6.5x to 9.0x.

Other Analyses Performed by Credit Suisse First Boston

At the request of the board of directors, Credit Suisse First Boston also presented to the board of directors certain other analyses regarding alternative transactions including the sale of global toys and the retention by the Company of the Babies R Us business. Credit Suisse First

Edgar Filing: TOYS R US INC - Form DEFM14A

Boston's opinion addressed only the fairness from a financial point of view of the per share merger consideration and did not address the merits of a potential transaction involving the disposition of the global toys business as compared to alternative transactions or strategies that may be available to the Company, including the merger. Credit Suisse First Boston assumed for the purpose of its analysis that, consistent with the proposals received from the two highest bidders among the four bidding groups, any disposition of the global toys business would not include the Company's 48% equity interest in Toys R Us Japan or the Babies R Us business, each of which would be retained by the Company (collectively, the global toys transaction).

Credit Suisse First Boston estimated that the two highest bids received from the four bidding groups, as adjusted to account for the assumption of debt and certain other adjustments, indicated proceeds to the Company from the global toys divestiture of \$14.27 to \$14.44 per share.

Credit Suisse First Boston also performed certain analyses of the Babies R Us business. Credit Suisse First Boston performed a discounted cash flow analysis, which was based upon internal estimated EBITDA forecasts provided by the Company's management for fiscal years 2005 through 2009 for the Babies R Us business as a stand-alone entity. These estimates provided by management to Credit Suisse First Boston reflected compound annual growth rates for fiscal years 2004 through 2009 of 8.2% for sales and 11.8% for EBITDA (and EBITDA margins of between 11.2% and 13.2%). Credit Suisse First Boston calculated ranges of estimated terminal values for the Babies R Us business by multiplying fiscal year 2009 estimated EBITDA by selected multiples ranging from 7.0x to 9.0x (based on analyses of trading multiples of selected public companies). The estimated after-tax free cash flows and terminal values were then discounted to present value using discount rates of 10.5% to 12.0% (based on analyses of weighted average costs of capital for selected public companies). Using the ranges of EBITDA terminal multiples and discount rates identified above, Credit Suisse First Boston estimated a range of enterprise values for the Babies R Us business by adding the present values of estimated after-tax cash flows for fiscal years 2005 through 2009 and the present value of the estimated terminal values as of 2009. Thereafter, certain adjustments, including adjustments to reflect the Babies R Us business projected stand-alone corporate overhead, based upon estimates provided by management of the Company, were then made in order to derive an implied equity reference range for the Babies R Us business.

Credit Suisse First Boston also performed a selected public companies analysis with respect to the Babies R Us business. Using publicly available information with respect to comparable companies, Credit Suisse First Boston reviewed market values and certain trading multiples of certain of the publicly held companies that were used for Credit Suisse First Boston's selected public companies analysis of the Company that were considered similar to the Babies R Us business based on information provided by the Company with respect to the Babies R Us business as identified below:

Bed, Bath & Beyond

Best Buy

Dick's

Guitar Center

Linens n Things

Lowe's

Michaels

O'Reilly Automotive

Petco

PETsMART

Staples

Multiples were based on closing stock prices as of March 15, 2005. Estimated data for the selected companies were based on publicly available research analysts' estimates. Credit Suisse First Boston compared, among the comparable companies, adjusted market values, calculated as public equity value plus net debt, as multiples of fiscal years 2004 and 2005 estimated EBITDA. Credit Suisse First Boston also compared, among the comparable companies, P/E multiples for fiscal years 2004 and 2005. The range of market trading multiples of the comparable companies is set forth below:

Metric

	Comparable Companies	
	Range of Multiples	
Adjusted Market Value/2004 EBITDA	5.3x	13.1x
Adjusted Market Value/2005 EBITDA	4.3x	10.4x
Price/2004 Earnings	17.0x	25.7x
Price/2005 Earnings	14.4x	22.3x

Credit Suisse First Boston then applied ranges of selected multiples to corresponding data of the Company, in order to derive an implied enterprise value reference range for the Babies R Us business.

Based upon the discounted cash flow and selected public companies analyses of Babies R Us described above, Credit Suisse First Boston derived an equity valuation range for the Babies R Us business (on a fully

Table of Contents

distributed basis) per share of \$7.76 to \$10.13. Credit Suisse First Boston noted that the equity valuation it derived for the Babies R Us business implied a multiple range of adjusted market value divided by 2005 EBITDA of 7.2x to 9.5x.

Credit Suisse First Boston also examined, among other things, the trading price range of the stock of Toys R Us Japan during the one-year period prior to March 16, 2005, and based on such review, arrived at a range of \$1.11 to \$1.41 for the Company's interest in Toys R Us Japan.

By subtracting the estimated range of expenses that would be required for the Company to consummate the separation of the global toys business from the Babies R Us business, as provided by management of the Company from the range of equity values indicated by its analysis of the global toys transaction, Credit Suisse First Boston estimated an implied equity valuation range of the global toys transaction per share of the Company of \$23.00 to \$25.76 as compared to the per share merger consideration of \$26.75.

The Company has agreed to pay Credit Suisse First Boston a fee of \$35 million for its financial advisory services in connection with the transactions, of which substantially all is contingent upon consummation of the merger. The Company also has agreed to reimburse Credit Suisse First Boston for its out-of-pocket expenses, including the fees and expenses of its outside legal counsel and any other advisor retained by Credit Suisse First Boston, and to indemnify Credit Suisse First Boston and related parties against liabilities, including liabilities under the federal securities laws, arising out of its engagement.

Credit Suisse First Boston and its affiliates in the past have provided, are currently providing and may in the future provide investment banking and other financial services to the Company, Parent and Parent's affiliates (including the Sponsors and their respective affiliates), for which services Credit Suisse First Boston and its affiliates have received, and expect to receive, compensation. In addition, with the approval of the executive committee of the board of directors, Credit Suisse First Boston or one or more of its affiliates has agreed to provide, or otherwise assist the Sponsors in obtaining, a portion of the financing necessary to complete the merger, for which Credit Suisse First Boston would receive additional compensation. Credit Suisse First Boston is a full service securities firm, engaged in securities trading and brokerage activities as well as providing investment banking and other financial services. In the ordinary course of business, Credit Suisse First Boston and its affiliates may acquire, hold or sell, for its or its affiliates' own accounts and the accounts of customers, equity, debt and other securities and financial instruments (including bank loans and other obligations) of the Company, Parent and Parent's affiliates (including the Sponsors and their respective affiliates), as well as provide investment banking and other financial services to such companies. In addition, funds managed by Credit Suisse First Boston or one or more of its affiliates have investments in funds managed or advised by one or more affiliates of the Sponsors.

in Chicago, Duff & Phelps has offices in Los Angeles, New York, San Francisco, Seattle, and Atlanta. Each year, Duff & Phelps renders approximately 400 opinions, including fairness opinions, business valuation opinions, solvency opinions, tax-related financial opinions, and other financial opinions.

The full text of the written opinion of Duff & Phelps, dated March 16, 2005, which sets forth, among other things, assumptions made, procedures followed, matters considered and qualifications and limitations of the review undertaken in rendering the opinion, is attached as Annex C to this proxy statement. Stockholders are urged to read the opinion carefully and in its entirety. The Duff & Phelps opinion is directed to the Company's board of directors, addresses only the fairness, from a financial point of view, of the consideration to be received by the Company's stockholders in the merger and does not address any other aspect of the merger and does not constitute a recommendation to any stockholder as to how to vote at the special meeting. The opinion was only one of many factors taken into consideration by the board of directors in making its determination to approve the merger.

The following is a summary of the material analyses performed by Duff & Phelps in connection with rendering its opinion. This summary is not a complete description of all analyses performed by Duff & Phelps. The opinion is based on the comprehensive consideration of the various analyses performed. This summary is qualified in its entirety by reference to the full text of the opinion.

While this summary describes the analysis and factors that Duff & Phelps deemed material in its presentation and opinion to the board of directors, it does not purport to be a comprehensive description of all analyses and factors considered by Duff & Phelps. The preparation of a fairness opinion is a complex process that involves various determinations as to the most appropriate and relevant methods of financial analysis and the application of these methods to the particular circumstances. Therefore, a fairness opinion is not readily susceptible to partial analysis or a summary description.

In arriving at its opinion, Duff & Phelps did not attribute any particular weight to any particular analysis or factor considered by it, but rather made qualitative judgments as to the significance and relevance of each analysis and factor. Several analytical methodologies were employed by Duff & Phelps in its analyses and no one single method of analysis should be regarded as critical to the overall conclusion reached by Duff & Phelps. Each analytical technique has inherent strengths and weaknesses, and the nature of the available information may further affect the value of particular techniques. Accordingly, Duff & Phelps believes that its analyses must be considered as a whole and that selecting portions of its analyses and of the factors considered by it, without considering all analyses and factors, could create a misleading or incomplete view of the evaluation process underlying its opinion. The conclusion reached by Duff & Phelps, therefore, is based on all analyses and factors taken, as a whole, and also on application of Duff & Phelps's own experience and judgment. The opinion does not address the relative merits of the merger and any other transactions or business strategies considered by the board of directors as alternatives to the merger, or the effect of any other business combination in which Toys R Us might engage.

In connection with preparing the opinion, Duff & Phelps made such reviews, analyses and inquiries as Duff & Phelps deemed necessary and appropriate under the circumstances. Duff & Phelps's due diligence included, but was not limited to, the following items:

Conducted meetings and numerous follow-up discussions with the senior management team of the Company;

Reviewed the Company's audited financial statements and Securities and Exchange Commission filings, including the annual reports on Form 10-K for the fiscal years ended on or about January 31, 2002 through 2004 and quarterly reports on Form 10-Q for the nine months ended October 31, 2003 and 2004;

Edgar Filing: TOYS R US INC - Form DEFM14A

Reviewed the Company's unaudited, internally prepared consolidating financial statements for the fiscal year ended on or about January 31, 2005;

Table of Contents

Reviewed financial projections prepared by management, including those for the Company on a consolidated basis for the fiscal years 2005 through 2007 and for each of the Babies R Us business and the global toys business on a standalone basis for the fiscal years 2005 through 2009;

Reviewed other operating and financial information provided by Company management;

Reviewed minutes of the Company's board of directors meetings held during the preceding two years;

Reviewed a draft, dated March 16, 2005, of the merger agreement;

Reviewed confidential offering memoranda for each of the U.S. and international toy retailing operations, prepared by Credit Suisse First Boston, dated October 2004;

Analyzed the historical trading price and trading volume of the Company's common stock; and

Reviewed certain other relevant, publicly available information, including economic, industry and investment information.

In performing its analyses, Duff & Phelps made numerous assumptions with respect to the industry performance, general business, market and economic conditions and other matters, many of which are beyond the control of any party to the merger agreement or Duff & Phelps. Duff & Phelps also assumed that all of the conditions precedent required to implement the merger will be satisfied or waived and that the merger will be completed in accordance with the merger agreement. In rendering its opinion, Duff & Phelps relied upon the fact that the Company and the board of directors have each been advised by counsel as to all legal matters with respect to the proposed merger. Duff & Phelps did not make and assumed no responsibility to make any representation, or render any opinion, as to any legal matter.

In its review and analysis, and in arriving at its opinion, Duff & Phelps:

relied upon the accuracy, completeness, and fair presentation of all information, data, advice, opinions and representations obtained from public sources or provided to it from private sources, including Company management, and did not attempt to independently verify such information;

assumed that any estimates, evaluations and projections furnished to Duff & Phelps were reasonably prepared and based upon the last currently available information and good faith judgment of the person furnishing the same;

assumed that the final version of all documents reviewed by Duff & Phelps in draft form, including the merger agreement, conform in all material respects to the drafts reviewed; and

assumed that information supplied and representations made by Company management were substantially accurate regarding the Company and the proposed merger.

Edgar Filing: TOYS R US INC - Form DEFM14A

Furthermore Duff & Phelps did not make any independent evaluation, appraisal or physical inspection of the Company's specific assets or liabilities (contingent or otherwise). Duff & Phelps's opinion should not be construed as a valuation opinion, credit rating, solvency opinion, an analysis of the Company's creditworthiness or otherwise as tax advice or as accounting advice.

The Duff & Phelps opinion is necessarily based upon market, economic, financial and other conditions as they existed on and that could be evaluated as of, the date of the opinion. You should understand that subsequent developments may affect the conclusion expressed in the Duff & Phelps opinion, and that Duff & Phelps disclaims any undertaking or obligation to advise any person of any change in any fact or matter affecting its opinion which may come or be brought to the attention of Duff & Phelps after the date of its opinion.

Summary of Financial Analyses by Duff & Phelps

As part of its analysis to determine whether the \$26.75 per share cash consideration to be received by the Company's public common stockholders in the merger transaction was fair, from a financial point of view, to the

Table of Contents

public common stockholders, Duff & Phelps took into consideration whether the \$26.75 per share consideration to be received by the public common stockholders was not less than the fair market value of the Company on a per share basis by estimating the fair market value of the Company.

Duff & Phelps estimated the fair market value of the Company by separately estimating the fair market value of its two principal business units. Duff & Phelps used this approach due to the two business units having significantly different growth and margin attributes. Duff & Phelps concluded that prospective acquirors of the Company would examine the business in this manner to determine the fair market value of the Company. In that regard, Duff & Phelps used generally accepted valuation techniques including, a discounted cash flow analysis, comparable public company analysis and comparable transaction analysis, as described below, to calculate a range of enterprise values that were then adjusted to calculate a summary range of per share equity values.

Duff & Phelps also used valuation techniques, including a discounted cash flow analysis and comparable company analysis, to estimate the fair market value of the Company on a consolidated single entity basis. This analysis of the entire Company resulted in ranges of enterprise values that were lower than the ranges of enterprise values derived from estimating the fair market value of the Company's two principal business units separately.

Discounted Cash Flow Analysis

Duff & Phelps performed discounted cash flow analyses of the projected free cash flows of global toys and the Babies R Us business for fiscal years 2005 through 2009. These cash flows were based on financial forecasts and estimates provided by the Company's management. For the global toys business, these estimates reflected compound annual growth rates for fiscal years 2004 through 2009 of 2.7% for sales and 4.9% for EBITDA (and EBITDA margins of between 6.0% and 6.6%). For the Babies R Us business, these estimates reflected compound annual growth rates for fiscal years 2004 through 2009 of 8.2% for sales and 11.8% for EBITDA (and EBITDA margins of between 11.2% and 13.2%). Free cash flow is defined as cash that is available to either reinvest or to distribute to security holders.

A discounted cash flow analysis is a traditional valuation methodology used to derive a valuation of an asset by calculating the present value of estimated future cash flows of the asset. Present value refers to the current value of future cash flows or amounts and is obtained by discounting those future cash flows or amounts by a discount rate that takes into account macro-economic assumptions and estimates of risk, the opportunity cost of capital, expected returns and other appropriate factors. Duff & Phelps performed a discounted cash flow analysis by adding (1) the present value of projected free cash flows for fiscal years 2005 through 2009 to (2) the present value of the terminal value as of 2009. Terminal value refers to the value of all future cash flows from an asset at a particular point in time.

Duff & Phelps calculated ranges of estimated terminal values for the global toys business and the Babies R Us business by utilizing a commonly accepted perpetuity formula. Duff & Phelps's terminal value calculation is supported by implied multiples of terminal year EBITDA and revenues. The projected free cash flows and the terminal values were then discounted to the present at a rate that reflected the relative risk associated with these cash flows, as well as the rates of return that security holders could expect to realize on alternative investment opportunities.

The foregoing analyses indicated the following ranges of enterprise values:

Global Toys Business:	\$ 3.2 to \$3.6 billion
Babies R Us Business:	\$ 1.7 to \$1.9 billion

Comparable Public Company Analysis

Duff & Phelps analyzed 11 companies that Duff & Phelps, based on its experience in the retail industry, considered to be broadly comparable to the Company in terms of investment risks and attributes, as well as products provided and markets served. In this analysis, Duff & Phelps reviewed valuation multiples and financial

performance ratios for the comparable public companies. All 11 of the companies were used in the analysis of the global toys business and nine of the 11 companies were used in the analysis of the Babies R Us business. Duff & Phelps calculated a range of enterprise values for each of the global toys business and the Babies R Us business by multiplying the range of selected company multiples and financial performance ratios that Duff & Phelps determined was applicable to the global toys business or the Babies R Us business, as applicable by the estimated financial data (latest 12 months revenue, latest 12 months EBITDA, and projected EBITDA) for the global toys business or the Babies R Us business, as applicable.

The foregoing analyses indicated the following ranges of enterprise values:

Global Toys Business:	\$ 3.3 to \$3.5 billion
Babies R Us Business:	\$ 1.6 to \$2.0 billion

In the selection of the comparable companies, Duff & Phelps used multiple databases to identify publicly traded companies in the toy, juvenile apparel and specialty retail industry. These 11 companies are segmented as follows:

Global Toys Group

The Children's Place Retail Stores, Inc.
 Electronics Boutique Holding Corporation
 Gamestop Corporation
 Gymboree Corporation
 Oshkosh B Gosh, Inc.

Babies R Us Group

The Children's Place Retail Stores, Inc.
 Gymboree Corporation
 Oshkosh B Gosh, Inc.

Large Specialty Retail Group

Barnes & Noble, Inc.
 Bed Bath & Beyond, Inc.
 Best Buy Company, Inc.
 Borders Group, Inc.
 Dick's Sporting Goods, Inc.
 The Sports Authority, Inc.

Comparable Sale Transaction Analysis

Duff & Phelps utilized databases of publicly available information to search for publicly available data regarding all sale transactions announced since January 1, 2000 in which the target company had a primary Standard Industrial Classification Code of 5945 (Hobby, Toy, and Game Stores), 5651 (Family Clothing Stores), 5731 (Radio, Television, and Consumer Electronics Stores), and 5999 (Miscellaneous Shopping Stores, Not Elsewhere Classified). Duff & Phelps analyzed the implied valuation multiples paid (Enterprise Value/EBITDA and Enterprise Value/Revenue) in transactions that Duff & Phelps, based on, among other things, its experience with mergers and acquisitions transactions, deemed relevant to arriving at its opinion. Duff & Phelps then calculated ranges of enterprise values by multiplying the ranges of these multiples and representative levels of revenue and EBITDA of global toys.

The foregoing analyses indicated a range of enterprise values for the global toys business of \$2.9 to \$4.0 billion.

Table of Contents

Duff & Phelps determined that the comparable sale transaction analysis was not meaningful with respect to its application to the Babies R Us business. Were Duff & Phelps to employ this valuation methodology in estimating the enterprise value for the Babies R Us business, the resulting enterprise value would be considerably lower than that estimated in the comparable public company analysis. The majority of transactions with sufficient data to calculate valuation multiples involved target companies with lower revenue growth and lower profitability margins relative to the Babies R Us business.

Summary of Analyses

Duff & Phelps set forth a summary value conclusion for both the global toys business and the Babies R Us business, of respectively, \$3.2 billion to \$3.6 billion and \$1.6 billion to \$2.0 billion derived from the foregoing discounted cash flow, comparable public company and comparable sale transactions analyses. Based on these ranges of enterprise values and after adjusting for net debt, the value of the stock of Toys R Us Japan and proceeds from the exercise of certain equity instruments, and then dividing these amounts by the number of fully diluted shares of the Company, the per share fair market value of the Company's common stock was estimated by Duff & Phelps to be in the range of approximately \$22.23 to \$25.33. Duff & Phelps noted that the per share merger consideration was \$26.75, which was above the upper end of the range implied by these analyses.

Premiums Paid Analysis

Duff & Phelps also reviewed data on premiums of merger and acquisition transactions relative to market prices of target companies prior to the announcement of such transactions for transactions announced since January 1, 2001. In order to estimate the implied premium component embedded within the merger consideration, Duff & Phelps compared the merger consideration to the price of the Company's common stock just prior to the announcement by the Company of transaction alternatives being pursued made on August 11, 2004 (the Announcement Date). To isolate the implied premium component of the merger consideration, Duff & Phelps took into account the percentage change in the S&P Specialty Retail Index (excluding the Company) between the Announcement Date and March 11, 2005. On this basis, the implied premium of the cash consideration of \$26.75 per share was approximately 39%, compared to premiums in the range of 14-31% for transactions involving comparable companies in the specialty retail industry selected by Duff & Phelps based on its experience in the retail industry.

Conclusion

Based on the foregoing analysis, Duff & Phelps concluded that the proposed merger consideration of \$26.75 in cash per share to be received by the Company's stockholders pursuant to the merger agreement is fair to the stockholders of the Company, from a financial point of view (without giving effect to any impact of the proposed merger on any particular stockholder other than in its capacity as a stockholder), as of the date of its opinion.

Fees and Expenses

The Duff & Phelps engagement letter with the Company provided that, for its services, Duff & Phelps was entitled to receive from the Company a fee of \$650,000 due and payable as follows: \$325,000 upon execution of the engagement letter and \$325,000 upon notice that Duff & Phelps was prepared to deliver its opinion as to the fairness of the merger to the Company's public stockholders. The engagement letter also provided that Duff & Phelps be reimbursed for its reasonable out-of-pocket expenses and to indemnify Duff & Phelps for its services as a financial

advisor to the board of directors.

Duff & Phelps in the past has provided, is currently providing and may in the future provide services to the Company, Parent and Parent's affiliates (including the Sponsors and their respective affiliates), for which services Duff & Phelps has received, and expects to receive, compensation.

Financing

In connection with the merger, Parent will cause approximately \$6.6 billion to be paid out to the Company's stockholders and holders of other equity interests in the Company. These payments are expected to be funded by a combination of equity contributions by affiliates of the Sponsors to Parent and debt financing. Affiliates of the Sponsors have collectively agreed to contribute, subject to the satisfaction of certain conditions, \$1.2 billion of equity to Parent and the remaining funds necessary to finance the merger are expected to be obtained through Parent's and its subsidiaries' debt financing.

Parent has obtained equity and debt financing commitments for the transactions contemplated by the merger agreement, which are subject to customary conditions. After giving effect to contemplated draws by the subsidiaries of the Company or Parent and its affiliates under the new debt commitments, Parent currently expects total existing and new debt outstanding at closing of the merger transaction will be approximately \$6 billion.

In connection with the execution and delivery of the merger agreement, Parent obtained commitments to provide approximately \$6.2 billion in debt financing (not all of which is expected to be drawn at closing) consisting of (a) a \$2.85 billion U.S. asset-based debt facility (the Asset-Based Facility), (b) a \$2.0 billion bridge facility (the U.S. Bridge Facility), (c) a \$1.0 billion European bridge facility (the European Bridge Facility) and (d) a \$350 million European working capital facility (the European Working Capital Facility) and, together with the European Bridge Facility, the European Facilities). Parent expects to use these facilities and existing debt and may use alternative financing to finance the merger.

On or about May 19, 2005, Credit Suisse First Boston became a party to the commitments for the Asset-Based Facility and the U.S. Bridge Facility and committed to provide 15% of the financings contemplated by each such facilities.

Asset-Based Facility

The commitment to provide the Asset-Based Facility was issued by Bank of America, N.A., Banc of America Securities LLC, Deutsche Bank AG Cayman Islands Branch and Deutsche Bank Securities Inc. Borrowings under the Asset-Based Facility are limited by a borrowing base which is calculated periodically based on specified percentages of the value of eligible inventory, eligible credit card accounts receivable and eligible real estate (with a limit of \$725 million on borrowing based on eligible real estate at closing), subject to certain reserves and other adjustments. The Asset-Based Facility will be guaranteed by certain U.S. subsidiaries of the Company and secured by a perfected first priority lien on substantially all assets of such subsidiaries, subject to various limitations and exceptions. Mortgage documentation is not required to be completed by closing in order to borrow up to \$725 million against the value of the real estate. At or prior to closing, up to \$725 million of the Asset-Based Facility may be transferred to the U.S. Bridge Facility, subject to certain conditions. The Asset-Based Facility commitments are conditioned on the merger being consummated by October 31, 2005, as well as other customary conditions including the absence of a material adverse change at the Company, the creation of security interests, the execution of satisfactory definitive documentation, receipt of at least \$1.2 billion (in the aggregate) in equity or junior capital from equity investors, including affiliates of the Sponsors, receipt of certain proceeds from the U.S. Bridge Facility and the European Bridge Facility or alternate financing sources, receipt of all required consents and approvals, the absence of any material amendments or waivers to the merger agreement to the extent materially adverse to the lenders which have not been approved by the lenders and the absence of any event of default.

U.S. Bridge Facility

The commitment to provide the U.S. Bridge Facility was issued by Banc of America Bridge LLC, Banc of America Securities LLC, Deutsche Bank AG Cayman Islands Branch and Deutsche Bank Securities Inc. The U.S. Bridge Facility will be reduced by the amount of Yen denominated debt outstanding at closing. The U.S.

Bridge Facility will become obligations of certain U.S. subsidiaries of the Company and is conditioned on the merger being consummated by October 31, 2005, as well as other customary conditions including the absence of a material adverse change at the Company, the execution of satisfactory definitive documentation, receipt of at least \$1.2 billion (in the aggregate) in equity or junior capital from equity investors, including affiliates of the Sponsors, receipt of certain proceeds from the Asset-Based Facility and the European Bridge Facility, receipt of all required consents and approvals, the absence of any material amendments or waivers to the merger agreement to the extent materially adverse to the lenders which have not been approved by the lenders and the absence of any event of default.

European Facilities

The commitment to provide the European Facilities was issued by Deutsche Bank AG London. The European Facilities will initially be secured by a pledge of the assets (including stock) of the entities borrowing under the European Bridge Facility and, following closing, will be secured, to the extent legally possible and practicable, by a lien over substantially all of the assets of the borrowers and guarantors under the European Facilities. The European Facilities are conditioned upon the execution of the definitive documentation by October 17, 2005. Initial borrowings under the European Bridge Facility will be subject only to limited conditions including the creation of security interests, the absence of payment default under the facility, the absence of a bankruptcy at Parent, the absence of a breach by Parent under certain material negative covenants and representations, the absence of any amendments or waivers to the merger agreement which are materially adverse to the interests of, and have not been approved by, the lenders, and the absence of a breach by the Company with respect to certain undertakings in respect of the merger. Borrowings under the European Working Capital Facility will also be subject to customary conditions such as the absence of a material adverse change at the Company.

Interests of the Company's Directors and Executive Officers in the Merger

In considering the recommendation of the Company's board of directors with respect to the merger, you should be aware that some of the Company's directors, executive officers and former executive officers have interests in the merger that are different from, or in addition to, the interests of our stockholders generally. These interests, to the extent material, are described below. The Company's board of directors was aware of these interests and considered them, among other matters, in approving the merger agreement and the merger.

Treatment of Stock Options

As of the record date, there were approximately 6,933,409 shares of our common stock subject to stock options granted under our equity incentive plans to our current executive officers and certain former executive officers who terminated employment since the beginning of our fiscal year 2004 (executive officers) and our directors. Each outstanding stock option that remains unexercised as of the completion of the merger, whether or not the option is vested or exercisable, will be canceled, and, except for certain options held by employees resident in the United Kingdom, the holder of such stock option will be entitled to receive a cash payment, without interest and less applicable withholding taxes, equal to the product of:

the number of shares of our common stock subject to the option as of the effective time of the merger, multiplied by

the excess, if any, of \$26.75 over the exercise price per share of common stock subject to such option.

Edgar Filing: TOYS R US INC - Form DEFM14A

If the amount of such product is zero, no payment will be made.

Options outstanding under the UK Option Scheme must be exercised, if at all, prior to completion of the merger, or, if later, May 30, 2005. Any shares acquired upon the exercise of UK Options will be treated identically to any other shares of our common stock outstanding as of the closing of the merger. UK Options currently outstanding that are not exercised prior to the merger will expire upon the later of the completion of the merger or May 30, 2005 and be worthless following such time.

The following table summarizes the vested and unvested options with exercise prices of less than \$26.75 per share held by our executive officers and directors as of May 20, 2005 and the approximate consideration that each of them will receive pursuant to the merger agreement in connection with the cancellation of their options, based on the weighted average exercise prices of the options:

Treatment of Restricted Stock and Stock Units

As of the record date, there were approximately 615,174 shares of our common stock represented by restricted stock and stock unit awards held by our executive officers and directors under our equity incentive plans. Under the terms of the merger agreement, all such equity awards shall become immediately vested effective as of the completion of the merger. At the effective time of the merger, any restricted stock or stock unit that is then outstanding will be canceled, and the holder of each such award will receive a cash payment of \$26.75 per share, subject to any required withholding taxes.

Table of Contents

The following table summarizes the restricted stock and stock unit awards held by our executive officers and directors as of May 20, 2005 and the consideration that each of them will receive pursuant to the merger agreement in connection with the cancellation of such awards:

In addition to the above equity awards, pursuant to our Non-Employee Directors' Stock Unit Plan, each of our non-employee directors will receive some or all of his or her compensation for service as a director during the first two quarters of the fiscal year in the form of stock units or, at the election of the director, stock options. The number of such stock units and options to be received will depend on the individual election of the director, the number of meetings he or she attends during such quarters, the board committees on which he or she serves, and the fair market value of our common stock on the dates of grant. All such stock units and options will be converted to cash payments upon completion of the merger as described above.

Retention/Severance Agreements

Each of our current executive officers has, and certain former executive officers have, retention agreements with the Company. Under each of the retention agreements, if the officer's employment is terminated by us without cause or by the officer for good reason (which includes in most cases, among other things, a reduction in the officer's total target compensation or a relocation out of northeastern New Jersey, or in Mr. Eyler's case, an adverse change in his position, authority or duties or a relocation more than 35 miles from Paramus, New Jersey), as those terms are defined in the retention agreement, after or, in some cases before, a change in control (which would include completion of the merger), the officer will be entitled to receive a lump sum amount equal to the sum of (1) two times, or, in the case of Mr. Eyler, three times, the officer's annual base salary and annual target bonus for the year of the termination, (2) certain accrued obligations, and (3) the amount he or she would have received under certain benefit plans, including the supplemental executive retirement plan (the "SERP"), had the officer continued

employment throughout the applicable severance period. If an officer

Table of Contents

becomes entitled to receive these severance amounts, the officer will also be entitled to continued coverage for a period of time under our health and dental plans (in the case of Messrs. Arthur and Barbour, and Ms. Derby, the officer will pay premiums charged to active employees for the first two years of such coverage and thereafter may elect coverage to age 65 at the cost paid by former employees; in the case of Messrs. Feldt and Markee, such coverage will be solely at the expense of the Company for the first two years and the officer may thereafter elect coverage to age 65 at the cost paid by former employees; in the case of Mr. Kay, such coverage will be solely at the Company's expense for the first two years and he may elect coverage for one additional year at the cost paid by former employees; and Mr. Eyler may elect such coverage to age 65 at the cost charged to former employees). Such medical and dental benefits will terminate if the officer becomes entitled to medical benefits from a subsequent employer. In some cases, the officer will be entitled to continuation for two years of financial planning services and a leased automobile. Each retention agreement also contains a tax gross-up provision whereby if the officer incurs any excise tax by reason of his or her receipt of any payment that constitutes an excess parachute payment as defined in Section 280G of the Internal Revenue Code of 1986, as amended (the Code), the officer will receive a gross-up payment in an amount that would place the officer in the same after-tax position that he or she would have been in if no excise tax had applied. As a condition to receiving any payments or benefits under the retention agreements, the current executive officers must execute a release of claims in respect of their employment with us. The retention agreements contain certain restrictive covenants, which will continue to bind certain of the executive officers after the merger, including an agreement not to disclose confidential information of the Company at any time, and covenants not to compete with the Company, solicit customers of the Company or recruit the Company's employees during the employment term and for a period of two years following the termination of the executive's employment.

The following table shows the amount of potential cash severance payable to our current executive officers (including a pro rata bonus for the year of termination, based on an assumed termination date of June 30, 2005, and the amount the officer would have received under the SERP had the officer continued employment throughout the applicable severance period). The table also shows the amount of cash severance payments already paid or to be accelerated upon completion of the merger to certain former executive officers under the retention agreements (including the amount the officer would have received under the SERP had the officer continued employment throughout the applicable severance period). The table also shows estimated tax gross-up payments to each such officer.

* Excludes the value of acceleration of vesting of certain benefits and the retention/success bonuses, as reported separately herein, and the value of certain continued health and other benefits and perquisites. The tax gross-up payment, where applicable, relates to the value of all such severance payments and benefits and the acceleration of certain benefits as well as the retention/success bonuses.

** Estimates are subject to change based on the date of completion of the merger, date of the termination of the executive officer, interest rates then in effect, and certain other assumptions used in the calculation.

Table of Contents***Retention/Success Bonuses***

Each of our current executive officers, other than Mr. Eyler, is eligible to receive a retention/success bonus equal to two times his or her annual salary if he or she is still employed by us when the merger occurs. The following table shows the amount of the bonus that each such officer is eligible to receive upon the completion of the merger:

Termination of Deferred Compensation Plan and Distribution of Accounts

At the completion of the merger, the Company will terminate all of its non-qualified deferred compensation plans, including the SERP and any other non-qualified deferred compensation plans in which our executive officers or directors participate, and will cause all accounts thereunder to be distributed to participants. The Company has agreed to provide SERP participants a cash payment equal to the normal contribution that would have been made for the fiscal year ending January 28, 2006 under the SERP, provided the participant remains employed by the Company as of January 28, 2006.

The following table shows the account balances in such non-qualified deferred compensation plans of our executive officers and directors as of May 19, 2005 (the most recent practicable date before this proxy statement was printed). All account balances (to be updated as of the closing date of the merger) will vest and be distributed upon the completion of the merger.

Amendment to Qualified Retirement Plan

The Company maintains a 401(k) savings and profit sharing plan for its employees, including its executive officers. Before the merger, that plan will be amended to provide that all participants having at least four years of service as of the completion of the merger will be fully vested in their profit sharing account balance under the plan. Since the current vesting period is five years of service, this extra year of service credit will benefit Mr. Kay, who will have between four and five years of actual service with the Company as of the completion of the merger.

Indemnification and Insurance

The merger agreement provides that, without limiting any additional rights that any employee, officer or director of the Company may have under any employment agreement, benefit plan or the Company's certificate of incorporation or bylaws, for a period of six years after the effective time of the merger, Parent will, and will cause the surviving corporation to, indemnify and hold harmless each present (as of the effective time of the merger) and former officer or director of the Company or any of our subsidiaries against all claims, losses, liabilities, damages, judgments, inquiries, fines and reasonable fees, costs and expenses, including attorney's fees and disbursements, incurred in connection with any claim arising out of actions taken by them in their capacity as officers or directors prior to the effective time of the merger or taken by them at the request of the Company or any of our subsidiaries, to the fullest extent permitted under applicable law. In this regard, the surviving corporation may be required to advance expenses to an indemnified officer or director, provided that the person to whom expenses are advanced provides an undertaking, to the extent required by Delaware law, to repay such advances if it is ultimately determined that this person is not entitled to indemnification. The surviving corporation will not settle, compromise or consent to the entry of any judgment in any action, suit, proceeding, investigation or claim under which indemnification could be sought unless such settlement, compromise or consent includes an unconditional release of the indemnified person or the indemnified person otherwise consents.

The merger agreement provides that for a period of six years after the effective time of the merger, the certificate of incorporation and bylaws of the surviving corporation will continue to contain provisions with respect to indemnification, advancement of expenses and exculpation of

Edgar Filing: TOYS R US INC - Form DEFM14A

former or present directors and officers that are no less favorable than presently set forth in our current certificate of incorporation and bylaws.

The merger agreement provides that prior to the effective time of the merger, we will endeavor to (and if we are unable to, Parent will cause the surviving corporation to after the effective time of the merger) obtain and fully pay (up to a maximum cost of 300% of the current premium paid by us for our existing coverage in the

Table of Contents

aggregate) for tail insurance policies with a claims period of at least six years from the effective time of the merger from an insurance carrier with the same or better credit rating as our current insurance carrier with respect to directors and officers liability insurance in an amount and scope at least as favorable as our existing policies with respect to matters existing or occurring at or prior to the effective time of the merger. In addition, Parent will, and will cause the surviving corporation to, honor and perform under specified indemnification agreements entered into by the Company or any of our subsidiaries.

New Employment Arrangements

During the week of May 9, 2005, the Sponsors began to initiate discussions with members of the Company's management regarding the Sponsors plans for management following the closing of the merger. As of the date of this proxy statement, however, none of our executive officers has entered into any amendments or modifications to existing employment agreements with us or our subsidiaries in anticipation of the merger. Nor has any executive officer, who has plans or is expected to remain with the surviving corporation, entered into any agreement, arrangement or understanding with the Sponsors or their affiliates regarding employment with, or the right to purchase or participate in the equity of, the surviving corporation. Although no such agreement, arrangement or understanding currently exists it is generally expected that a number of our executive officers will remain after the merger is completed, which means that such executive officers may, prior to the closing of the merger, enter into new arrangements with the Sponsors or their affiliates regarding employment with, or the right to purchase or participate in the equity of, the surviving corporation.

Material United States Federal Income Tax Consequences

The following is a general discussion of certain material U.S. federal income tax consequences of the merger to holders of our common stock. We base this summary on the provisions of the Code, applicable current and proposed U.S. Treasury Regulations, judicial authority, and administrative rulings and practice, all of which are subject to change, possibly on a retroactive basis.

For purposes of this discussion, we use the term "U.S. holder" to mean:

a citizen or individual resident of the U.S. for U.S. federal income tax purposes;

a corporation, or other entity taxable as a corporation for U.S. federal income tax purposes, created or organized in or under the laws of the U.S. or any State or the District of Columbia;

a trust if it (1) is subject to the primary supervision of a court within the U.S. and one or more U.S. persons have the authority to control all substantial decisions of the trust or (2) has a valid election in effect under applicable U.S. Treasury Regulations to be treated as a U.S. person; or

an estate the income of which is subject to U.S. federal income tax regardless of its source.

A non-U.S. holder is a person (other than a partnership) that is not a U.S. holder.

This discussion assumes that a holder holds the shares of our common stock as a capital asset within the meaning of Section 1221 of the Code (generally, property held for investment). This discussion does not address all aspects of U.S. federal income tax that may be relevant to a holder in light of its particular circumstances, or that may apply to a holder that is subject to special treatment under the U.S. federal income tax laws (including, for example, insurance companies, dealers in securities or foreign currencies, traders in securities who elect the mark-to-market method of accounting for their securities, stockholders subject to the alternative minimum tax, persons that have a functional currency other than the U.S. dollar, tax-exempt organizations, financial institutions, mutual funds, partnerships or other pass through entities for U.S. federal income tax purposes, controlled foreign corporations, passive foreign investment companies, certain expatriates, corporations that accumulate earnings to avoid U.S. federal income tax, stockholders who hold shares of our common stock as part of a hedge, straddle, constructive sale or conversion transaction, or stockholders who acquired their shares of our

Table of Contents

common stock through the exercise of employee stock options or other compensation arrangements). In addition, the discussion does not address any tax considerations under state, local or foreign laws or U.S. federal laws other than those pertaining to the U.S. federal income tax that may apply to holders. **Holders are urged to consult their own tax advisors to determine the particular tax consequences, including the application and effect of any state, local or foreign income and other tax laws, of the receipt of cash in exchange for our common stock pursuant to the merger.**

If a partnership holds our common stock, the tax treatment of a partner will generally depend on the status of the partners and the activities of the partnership. If you are a partner of a partnership holding our common stock, you should consult your tax advisors.

U.S. Holders

The receipt of cash in the merger (or pursuant to the exercise of dissenters' rights) by U.S. holders of our common stock will be a taxable transaction for U.S. federal income tax purposes (and may also be a taxable transaction under applicable state, local and foreign tax laws). In general, for U.S. federal income tax purposes, a U.S. holder of our common stock will recognize gain or loss equal to the difference between:

the amount of cash received in exchange for such common stock and

the U.S. holder's adjusted tax basis in such common stock.

If the holding period in our common stock surrendered in the merger (or pursuant to the exercise of dissenters' rights) is greater than one year as of the date of the merger, the gain or loss will be long-term capital gain or loss. The deductibility of a capital loss recognized on the exchange is subject to limitations under the Code. If a U.S. holder acquired different blocks of our common stock at different times and different prices, such holder must determine its adjusted tax basis and holding period separately with respect to each block of our common stock.

Under the Code, a U.S. holder of our common stock may be subject, under certain circumstances, to information reporting on the cash received in the merger (or pursuant to the exercise of dissenters' rights) unless such U.S. holder is a corporation or other exempt recipient. Backup withholding will also apply (currently at a rate of 28%) with respect to the amount of cash received, unless a U.S. holder provides proof of an applicable exemption or a correct taxpayer identification number, and otherwise complies with the applicable requirements of the backup withholding rules. Backup withholding is not an additional tax and any amounts withheld under the backup withholding rules may be refunded or credited against a U.S. holder's U.S. federal income tax liability, if any, provided that such U.S. holder furnishes the required information to the Internal Revenue Service in a timely manner.

Non-U.S. Holders

Any gain realized on the receipt of cash in the merger (or pursuant to the exercise of dissenters' rights) by a non-U.S. holder generally will not be subject to United States federal income tax unless:

Edgar Filing: TOYS R US INC - Form DEFM14A

the gain is effectively connected with a trade or business of the non-U.S. holder in the United States (and, if required by an applicable income tax treaty, is attributable to a United States permanent establishment of the non-U.S. holder);

the non-U.S. holder is an individual who is present in the United States for 183 days or more in the taxable year of that disposition, and certain other conditions are met; or

we are or have been a United States real property holding corporation for U.S. federal income tax purposes and the non-U.S. holder owned more than 5% of the Company's common stock at any time during the five years preceding the merger.

Table of Contents

An individual non-U.S. holder described in the first bullet point immediately above will be subject to tax on the net gain derived from the merger under regular graduated U.S. federal income tax rates. An individual non-U.S. holder described in the second bullet point immediately above will be subject to a flat 30% tax on the gain derived from the merger, which may be offset by U.S. source capital losses, even though the individual is not considered a resident of the United States. If a non-U.S. holder that is a foreign corporation falls under the first bullet point immediately above, it will be subject to tax on its net gain in the same manner as if it were a United States person as defined under the Code and, in addition, may be subject to the branch profits tax equal to 30% of its effectively connected earnings and profits or at such lower rate as may be specified by an applicable income tax treaty.

We believe we are not, have not been and do not anticipate becoming a United States real property holding corporation for U.S. federal income tax purposes.

Information reporting and, depending on the circumstances, backup withholding (currently at a rate of 28%) will apply to the cash received in the merger (or pursuant to the exercise of dissenters' rights), unless the beneficial owner certifies under penalty of perjury that it is a non-U.S. holder (and the payor does not have actual knowledge or reason to know that the beneficial owner is a United States person as defined under the Code) or such owner otherwise establishes an exemption. Backup withholding is not an additional tax and any amounts withheld under the backup withholding rules may be refunded or credited against a non-U.S. holder's U.S. federal income tax liability, if any, provided that such non-U.S. holder furnishes the required information to the Internal Revenue Service in a timely manner.

Regulatory Approvals

The merger requires filings with and approvals or clearances from antitrust and other regulatory authorities, including the United States, Canada, Austria and Germany.

On March 24, 2005, counsel for the investment group consisting of entities advised by or affiliated with the Sponsors contacted the professional staff of the European Commission, Directorate General for Competition, to confirm that the merger does not require approval under Council Regulation (EC) No 139/2004 of 20 January 2004 on the control of concentrations between undertakings (ECMR). On April 6, 2005, the staff provided confirmation that the merger as now contemplated will not require approval under the ECMR.

U.S. On April 6, 2005, the Company and Parent each filed a premerger notification and report form under the Hart-Scott-Rodino Antitrust Improvement Act of 1976, as amended, and the rules and regulations promulgated thereunder (the Hart-Scott-Rodino Act), with the Federal Trade Commission and the Department of Justice. The Federal Trade Commission and the Department of Justice granted early termination of the waiting period initiated by these filings on April 15, 2005.

Austria. On April 20, 2005, Parent filed a premerger notification under Chapter 5 of the Austrian Cartel Act of 1988 (*Kartellgesetz 1988, KartG*) with the Vienna Court of Appeals, acting in its role as cartel court. The Vienna Court of Appeals typically takes no more than six weeks to issue a clearance decision. Accordingly, Parent anticipates receiving the clearance decision no later than June 3, 2005.

Canada. On April 19, 2005, Parent filed a request for an Advance Ruling Certificate (ARC) under Section 102 of the Canadian Competition Act with the Canadian Competition Bureau. The Canadian Competition Bureau issued the ARC on April 29, 2005.

Germany. On April 15, 2005, Parent filed a premerger notification under Part I, Chapter VII of the German Act against Restrictions of Competition of 1958 (*Gesetz gegen Wettbewerbsbeschränkungen*) with the German Federal Cartel Office (*Bundeskartellamt*). The German Cartel Office (*Bundeskartellamt*) granted a clearance decision on April 27, 2005.

Litigation

In March 2005, two purported class action complaints were filed by putative stockholders of the Company in the Court of Chancery in the State of Delaware in and for New Castle County against the Company and certain of its officers and directors (Individual Defendants) challenging the proposed merger. The first complaint, styled *Iron Workers of Western Pennsylvania Pension & Profit Plans v. Toys R Us, Inc.* (CA No. 1212-N), was filed on March 25, 2005 and the second complaint, styled *Jolly Roger Fund LP v. Toys R Us, Inc.* (CA No. 1218-N), was filed on March 31, 2005. On April 20, 2005, the cases were consolidated in the Court of Chancery in the State of Delaware in and for New Castle County. On May 18, 2005, plaintiffs filed a consolidated First Amended Complaint (the Complaint), in which plaintiffs also named as defendants Parent and Acquisition Sub.

The Complaint asserts on behalf of a purported class of Company stockholders a claim against the Individual Defendants for alleged breaches of fiduciary duties in connection with the merger agreement. The Complaint alleges that in determining to enter into the merger agreement, the Individual Defendants failed to take appropriate steps to obtain maximum value for stockholders and did not engage in an adequate, conflict-free and fair process to obtain maximum value for stockholders, that certain Individual Defendants engaged in self-dealing and suffered from conflicts of interest, that the Individual Defendants impermissibly acted to foreclose competing bids, and that the Individual Defendants have failed to disclose all material information concerning the value of the Company and the process leading to the merger agreement.

The Complaint asserts a claim against Parent and Acquisition Sub for aiding and abetting the alleged breaches of fiduciary duties by the Individual Defendants in connection with the merger agreement. The Complaint alleges that Parent and Acquisition Sub knowingly and substantially participated in the alleged breaches of fiduciary duties by the Individual Defendants by allegedly negotiating with the Individual Defendants to include in the merger agreement provisions which could thwart other bids.

The Complaint seeks to enjoin the consummation of the merger agreement or, alternatively, to rescind it. Plaintiffs also seek an award of damages for the alleged wrongs asserted in the Complaint.

On May 20, 2005, plaintiffs filed motions for expedited proceedings and a preliminary injunction. The Company believes that the Complaint is without merit and intends to defend the lawsuit vigorously.

Amendment to the Company s Amended and Restated Rights Agreement

The Company is party to an amended and restated rights agreement, dated as of April 16, 1999, with American Stock Transfer & Trust Company, as rights agent. In general, the amended and restated rights agreement imposes a significant penalty upon any person or group that acquires 15% or more of the Company s outstanding common stock without the approval of our board of directors.

On March 17, 2005, immediately prior to the execution of the merger agreement, the Company and the rights agent entered into an amendment to the amended and restated rights agreement which provides that neither the execution of the merger agreement nor the consummation of the merger will trigger the provisions of the rights agreement. In particular, the amendment to the amended and restated rights agreement provides that neither Parent, Acquisition Sub nor any of their affiliates or associates shall be deemed to be an Acquiring Person, and a Distribution Date, Stock Acquisition Date or a Triggering Event shall not be deemed to have occurred, in each case solely by virtue of or as a result of the approval, execution, delivery or adoption of the merger agreement and the consummation of the transactions contemplated by the merger

agreement. In addition, the amendment to the amended and restated rights agreement also provides that the rights shall expire immediately prior to the effective time of the merger.

The merger agreement contains representations and warranties the Company, Parent and Acquisition Sub made to each other as of specific dates. The assertions embodied in those representations and warranties were made solely for purposes of the contract between the Company, Parent and Acquisition Sub and may be subject to important qualifications and limitations agreed by the Company, Parent and Acquisition Sub in connection with negotiating its terms. Moreover, certain representations and warranties may not be accurate or complete as of any specified date because they are subject to a contractual standard of materiality different from those generally applicable to stockholders or were used for the purpose of allocating risk between the Company, Parent and Acquisition Sub rather than establishing matters as facts. For the foregoing reasons, you should not rely on the representations and warranties as statements of factual information.

Effective Time

The effective time of the merger will occur at the time that we file a certificate of merger with the Secretary of State of the State of Delaware on the closing date of the merger or such later time as provided in the certificate of merger and agreed to by Parent and the Company. The closing date will occur as soon as practicable, but in no event later than on the second business day after all of the conditions to the merger set forth in the merger agreement have been satisfied or waived, or such other date as Parent and the Company may agree.

Structure

At the effective time of the merger, Acquisition Sub will merge with and into the Company. Toys will survive the merger and continue to exist after the merger as a wholly owned subsidiary of Parent. All of the Company's and Acquisition Sub's properties, assets, rights, privileges, immunities, powers and franchises, and all of their debts, liabilities, and duties, will become those of the surviving corporation.

Treatment of Stock and Options

Company Common Stock

Edgar Filing: TOYS R US INC - Form DEFM14A

At the effective time of the merger, each share of our common stock issued and outstanding immediately prior to the effective time of the merger will automatically be canceled and will cease to exist and will be converted into the right to receive \$26.75 in cash, without interest, other than shares of Company common stock:

held in the Company's treasury immediately prior to the effective time of the merger, which shares will be canceled without conversion or consideration;

owned by Acquisition Sub, Parent or any wholly owned direct or indirect subsidiary of the Company, Parent or Acquisition Sub immediately prior to the effective time of the merger, which shares will be canceled without conversion or consideration; and

held by stockholders who have properly demanded and perfected their appraisal rights in accordance with Delaware law, which shares shall be entitled to only such rights as are granted by Delaware law.

Table of Contents

After the effective time of the merger, each of our outstanding stock certificates representing shares of common stock converted in the merger will represent only the right to receive the merger consideration. The merger consideration paid upon surrender of each certificate will be paid in full satisfaction of all rights pertaining to the shares of our common stock represented by that certificate.

Company Stock Options

At the effective time of the merger, each outstanding option (other than a UK Option), whether or not vested or exercisable, to acquire our common stock will be canceled, and the holder of each stock option will be entitled to receive from the surviving corporation as promptly as practicable thereafter an amount in cash, without interest and less applicable withholding taxes, equal to the product of:

the number of shares of our common stock subject to each option as of the effective time of the merger, multiplied by

the excess of \$26.75, if any, over the exercise price per share of common stock subject to such option.

If the amount of such product is zero, no payment will be made.

The amount of cash payable with respect to options will be reduced by the amount of any applicable taxes required to be withheld.

Holders of options outstanding under the UK Option Scheme immediately prior to the signing of the merger agreement were notified that their options are fully vested and that the options outstanding under the UK Option Scheme may be exercised prior to the merger. We gave notice to such holders at least 70 days prior to the anticipated effective time of the merger that the UK Options will lapse, to the extent not exercised, on the later of 60 days after the date of notice or the effective time of the merger. We have taken all appropriate actions to terminate the UK Option Scheme as of the effective time of the merger and to provide that no shares of our common stock will be issued or purchased under the UK Option Scheme, or upon the purported exercise of any UK Option, from and after the effective time of the merger.

Restricted Shares and Stock Unit Awards

At the effective time of the merger, each outstanding share of our restricted stock, the restrictions of which have not lapsed immediately prior to the effective time of the merger, will become fully vested and, subject to a proper demand for appraisal rights under Delaware law, will be converted into the right to receive \$26.75 in cash, without interest.

At the effective time of the merger, each outstanding right to receive our common stock pursuant to a stock unit award under any of our stock plans, whether or not vested, will be canceled, and the holder of the stock unit will be entitled to receive \$26.75 in cash, without interest and less applicable withholding taxes.

Exchange and Payment Procedures

At or prior to the effective time of the merger, Parent will, or will cause the surviving corporation to, deposit in trust an amount of cash sufficient to pay the merger consideration to each holder of shares of our common stock with a bank or trust company (the paying agent) reasonably acceptable to us. Promptly after the effective time of the merger, the paying agent will mail a letter of transmittal and instructions to you and the other stockholders. The letter of transmittal and instructions will tell you how to surrender your common stock certificates in exchange for the merger consideration.

You should not return your stock certificates with the enclosed proxy card, and you should not forward your stock certificates to the paying agent without a letter of transmittal.

Table of Contents

You will not be entitled to receive the merger consideration until you surrender your stock certificate or certificates to the paying agent, together with a duly completed and executed letter of transmittal and any other documents as the paying agent may require. The merger consideration may be paid to a person other than the person in whose name the corresponding certificate is registered if the certificate is properly endorsed or is otherwise in the proper form for transfer. In addition, the person who surrenders such certificate must either pay any transfer or other applicable taxes or establish to the satisfaction of the surviving corporation that such taxes have been paid or are not applicable.

No interest will be paid or will accrue on the cash payable upon surrender of the certificates. The paying agent will be entitled to deduct and withhold, and pay to the appropriate taxing authorities, any applicable taxes from the merger consideration. Any sum which is withheld and paid to a taxing authority by the paying agent will be deemed to have been paid to the person with regard to whom it is withheld.

At the effective time of the merger, our stock transfer books will be closed, and there will be no further registration of transfers of outstanding shares of our common stock. If, after the effective time of the merger, certificates are presented to the surviving corporation for transfer, they will be canceled and exchanged for the merger consideration.

The paying agent, Parent and the surviving corporation will not be liable to any person for any cash delivered to a public official pursuant to any applicable abandoned property, escheat or similar law. Any portion of the merger consideration deposited with the paying agent that remains undistributed to the holders of certificates evidencing shares of our common stock for 180 days after the effective time of the merger, will be delivered, upon demand, to Parent. Holders of certificates who have not surrendered their certificates prior to the delivery of such funds to Parent may only look to Parent for the payment of the merger consideration. Any portion of the merger consideration that remains unclaimed as of a date that is immediately prior to such time as such amounts would otherwise escheat to or become property of any governmental authority will, to the extent permitted by applicable law, become the property of Parent free and clear of any claims or interest of any person previously entitled to the merger consideration.

If you have lost a certificate, or if it has been stolen or destroyed, then before you will be entitled to receive the merger consideration, you will have to comply with the replacement requirements established by the paying agent, including, if necessary, the posting of a bond in a customary amount sufficient to protect the surviving corporation against any claim that may be made against it with respect to that certificate.

A material adverse effect will not have occurred, however, as a result of any change, circumstance, event or effect resulting from:

The representations and warranties of each of the parties to the merger agreement will expire upon the effective time of the merger.

Conduct of Our Business Pending the Merger

Under the merger agreement, we have agreed that, subject to certain exceptions and unless Parent gives its prior written consent, between March 17, 2005 and the completion of the merger:

we and our subsidiaries will conduct business and operate our and our subsidiaries' owned and lease real properties in the ordinary course of business; and

we will use reasonable best efforts to preserve substantially intact our business organization, material insurance policies, material intellectual property and goodwill, and to preserve our current relationships with suppliers, lessors, employees, customers, liaisons, licensees, distributors, wholesalers, franchisees and other persons with which we have significant business relations.

Edgar Filing: TOYS R US INC - Form DEFM14A

Stockholders Meeting

The merger agreement requires us, as soon as reasonably practicable, to call, give notice of and hold a meeting of our stockholders to adopt the merger agreement. Except to the extent necessary in order to comply with its fiduciary duties under applicable law, our board of directors is required to recommend that our stockholders vote in favor of adoption of the merger agreement and to use its reasonable best efforts to have the merger agreement adopted by our stockholders.

No Solicitation of Transactions

We have agreed that we, our directors and officers and our subsidiaries will not, and we are required to use our reasonable best efforts to cause our and our subsidiaries' representatives not to, directly or indirectly:

initiate, solicit or knowingly encourage or facilitate any inquiries or the making, submission or reaffirmation of any acquisition proposal; or

Edgar Filing: TOYS R US INC - Form DEFM14A

engage in any negotiations or discussions concerning, or provide access to our and our subsidiaries' properties, books and records or any confidential information or data to, any person relating to an acquisition proposal or execute or enter into any agreement, understanding, letter of intent or arrangement with respect to any acquisition proposal.

An acquisition proposal is any proposal or offer with respect to a tender offer or exchange offer, merger, reorganization, share exchange, consolidation or other business combination involving us and any of our subsidiaries or any proposal or offer to acquire in any manner an equity interest representing a 20% or greater economic or voting interest in the Company, or the assets, securities or other ownership interests of or in the Company or any of our subsidiaries representing 20% or more of the consolidated assets, revenues or earnings of the Company and our subsidiaries.

Except as described below, neither we nor our board of directors or any committee thereof may recommend any acquisition proposal to our stockholders or approve any agreement with respect to an acquisition proposal. Prior to adoption of the merger agreement by our stockholders, however, we or our board of directors are permitted to provide access to our properties, books and records and provide other information and data in response to a request for such information or data (if we receive an executed confidentiality agreement from the

Table of Contents

person requesting the information on terms substantially similar to those contained in the existing confidentiality agreements) or to engage in discussions or negotiations with, or provide any information to, a third party in connection with an unsolicited bona fide written acquisition proposal, if and only to the extent that before taking any of these actions:

our board of directors determines in its good faith judgment, after consultation with its outside legal counsel and financial advisors, that such action is necessary for our board of directors to comply with its fiduciary duties under applicable law and that the applicable acquisition proposal will result in, or could reasonably be expected to constitute or result in, a superior proposal from the party that made the applicable acquisition proposal; and

we promptly notify Parent no later than 24 hours after taking any such action.

For purposes of the merger agreement, superior proposal means any acquisition proposal that:

relates to a proposal or offer to acquire in any manner an equity interest representing a 50% or greater economic or voting interest in the Company, or the assets, securities or other ownership interests of or in the Company or any of our subsidiaries representing 50% or more of the consolidated assets, revenues or earnings of the Company and our subsidiaries;

is reasonably capable of being consummated, taking into account all legal, financial, regulatory, timing, and similar aspects of, and conditions to, the proposal, the likelihood of obtaining necessary financing and the person making the proposal; and

if consummated, would result in a transaction more favorable to our stockholders from a financial point of view than the transactions contemplated by the merger agreement (after giving effect to any adjustments to the terms of the merger agreement committed to in writing by Parent in response to the applicable acquisition proposal).

Furthermore, if, at any time prior to the adoption of the merger agreement by our stockholders, our board of directors determines in its good faith judgment, after consultation with its outside legal counsel and financial advisors, that an unsolicited bona fide written acquisition proposal that did not otherwise result from a material breach of the provisions described in the previous paragraphs is a superior proposal and that terminating the merger agreement to accept the superior proposal and/or recommending the superior proposal to our stockholders is necessary in order for our board of directors to comply with its fiduciary duties under applicable law, we may terminate the merger agreement and/or our board of directors may approve or recommend the superior proposal to our stockholders, and immediately prior to or concurrently with the termination of the merger agreement enter into any agreement, understanding, letter of intent or arrangement with respect to such superior proposal, as applicable, but only if:

we give Parent prior written notice that we or our board of directors intend to terminate the merger agreement or recommend such superior proposal to our stockholders at least three business days before the action is to be taken and, during this period, we and our advisors negotiate in good faith with Parent to make such adjustments to the terms and conditions of the merger agreement so that the acquisition proposal would no longer constitute a superior proposal; and

in case we terminate the merger agreement, we concurrently pay to Parent the \$247.5 million termination fee. See Termination and Fees and Expenses below.

We have also agreed:

to terminate immediately any discussions or negotiations regarding acquisition proposals that were being conducted before the merger agreement was signed;

to notify Parent within 48 hours of our receipt of an acquisition proposal, including the material terms and conditions of the acquisition proposal and the identity of the third party making the proposal;

Table of Contents

to keep Parent reasonably informed of the status and material terms and conditions of any proposals or offers; and

to the extent we have a right to do so, to promptly request that with respect to each person who executed a confidentiality agreement with us within the 12 months prior to the date of the merger agreement in connection with that person's consideration of an acquisition proposal that such person return or destroy all confidential information or data previously furnished to the person.

Employee Benefits

At or prior to the effective time of the merger, we will amend our 401(k) plan to provide that the profit sharing account balance of any employee who has four years of service as of the effective time of the merger will be fully vested (subject to compliance with applicable anti-discrimination rules).

At or prior to the effective time of the merger, we will cause all accounts in our deferred compensation plans (including the SERP) to become fully vested. In addition, the Company will cause the deferred compensation plans to terminate as of the effective time of the merger and will cause all account balances to be distributed within 15 days after the closing.

Furthermore, Parent will cause the surviving corporation to maintain:

the bonus performance targets established by the Company for the first two quarters of the fiscal year ending January 28, 2006 under the Amended and Restated Toys R Us, Inc. Management Incentive Plan;

through the end of the fiscal year ending January 28, 2006, certain specified benefit plans and benefits, or substitute plans or arrangements, that in the aggregate provide compensation and benefits that are not materially less favorable to the participants; and

for a period of five years after the merger, the Toys R Us, Inc. Split Dollar Plan and the rabbi trust known as the Grantor Trust for Toys R Us, Inc. Supplemental Executive Retirement Plan (the SERP Rabbi Trust) in effect for the benefit of current participants and will keep the SERP Rabbi Trust funded with policies of insurance on lives of such participants as in effect immediately prior to the merger or substitute policies providing a death benefit equal to the liabilities under our Split Dollar Plan.

Agreement to Take Further Action and to Use Reasonable Best Efforts

Subject to the terms and conditions of the merger agreement, each party has agreed to use its reasonable best efforts to take all actions and to do all things necessary, proper or advisable under applicable law to consummate the transactions contemplated by the merger agreement, including making filings under the Hart-Scott-Rodino Act and under the antitrust laws of foreign jurisdictions for which similar filings are required. If requested in writing by Parent prior to the date of this proxy statement, we have agreed to use reasonable efforts to assist Parent in separating the global toys business from the Babies R Us business, provided that such efforts would not reasonably be expected to have the effect of preventing or materially delaying the consummation of the transactions contemplated by the merger agreement, resulting in increased liability to our directors and officers or the directors and officers of any of our subsidiaries, or being otherwise adverse to us, any of our subsidiaries or our respective officers and directors. In addition, each party has agreed to cooperate and use reasonable best efforts to resolve any objections or suits brought by any governmental entity or private third party challenging any of the transactions contemplated by the merger agreement as being in violation of any antitrust law. Such efforts include agreeing to sell, hold separate or otherwise dispose of or conduct such party's business in a

manner which would resolve such objections or suits. However, no party is required to take any of the foregoing actions if doing so would have a material adverse effect.

Table of Contents

Existing Indebtedness

Prior to the closing, if requested by Parent, we will commence a tender offer and consent solicitation with respect to any or all of our 6.875% Notes due 2006, 6.25% Senior Notes due 2007, 7.625% Notes due 2011, 7.875% Notes due 2013, 7.375% Notes due 2018 and 8.75% Debentures due 2021 in accordance with the terms and conditions provided by Parent to us and applicable law (collectively, the "debt tenders"). Unless we otherwise agree in writing, no debt tender will be required to close on or prior to the closing. In the event that the merger agreement is terminated, then Parent will reimburse us for any reasonable out-of-pocket costs, fees and expenses incurred by us in connection with the debt tenders and will indemnify us for any other liabilities incurred by us pursuant to the debt tenders except to the extent our actions are inconsistent with the instructions of Parent.

Pursuant to a request from Parent, we effected a tender offer with respect to our outstanding 6.25% Senior Notes due 2007. The tender offer for the 6.25% Senior Notes due 2007 expired on May 3, 2005, and \$380,687,000 aggregate principal amount of the 6.25% Senior Notes due 2007 was validly tendered and accepted for payment. The remaining aggregate principal amount of the 6.25% Senior Notes due 2007 was repurchased by the Company in the scheduled remarketing that closed on May 16, 2005.

Prior to the closing, we will purchase the premises leased pursuant to the Lease Agreement, dated September 26, 2001, between Wachovia Bank, N.A. (f/k/a First Union Development Corporation) and one of our subsidiaries (the "Synthetic Lease"). Prior to the closing, we will terminate and settle certain specified swap agreements.

Cooperation

Parent has agreed to use reasonable best efforts to take, or cause to be taken, all actions and to do, or cause to be done, all things necessary, proper or advisable to:

maintain in effect the financing commitments and to satisfy the conditions to obtaining the financing set forth therein;

enter into definitive financing agreements with respect to the debt financing as contemplated by the debt financing commitments so that the financing commitments are in effect as promptly as practicable but in no event later than the closing date; and

consummate the financing at or prior to the closing.

In addition, Parent has agreed to use the bridge facility contemplated by the debt financing commitments to cause the closing to occur by the thirtieth day after the special meeting to the extent the real estate secured financing contemplated by the debt financing commitments has not been finalized by such time.

Edgar Filing: TOYS R US INC - Form DEFM14A

If, despite Parent's reasonable best efforts, any of the debt financing commitments or the debt financing agreements expire or are terminated prior to the closing, Parent has agreed to promptly notify us of such expiration or termination and has agreed to use reasonable best efforts to promptly arrange for alternative debt financing with terms and conditions substantially comparable to those contained in the expired or terminated commitments or agreements.

We have agreed, and have agreed to cause our subsidiaries to, provide such cooperation as may be reasonably requested by Parent in connection with the debt financing, including:

upon reasonable advance notice by Parent, participation in meetings, drafting sessions, due diligence sessions, management preparation sessions, road shows and sessions with rating agencies;

using reasonable best efforts to prepare business projections and financial statements for inclusion in offering memoranda, private placement memoranda, prospectuses and similar documents;

Our obligation to complete the merger is subject to the following additional conditions:

Representations and Warranties. The truth and correctness in all material respects of Parent's and Acquisition Sub's representations and warranties when the merger agreement was entered into and as of the date the merger is completed, except to the extent that a representation or warranty expressly speaks as of a specific date, in which case it need be true only as of that date.

Compliance with Covenants. The performance, in all material respects, by Parent and Acquisition Sub of their covenants and agreements in the merger agreement.

Closing Certificate. The delivery at closing by Parent of a certificate with respect to the satisfaction of the conditions relating to Parent's and Acquisition Sub's representations, warranties, covenants and agreements.

Termination

Edgar Filing: TOYS R US INC - Form DEFM14A

The merger agreement may be terminated and the merger may be abandoned at any time prior to the effective time of the merger, whether before or after stockholder approval has been obtained, as follows:

by mutual written consent of the parties;

by either Parent or the Company, if:

a U.S. or state governmental authority, the European Commission, Canadian governmental authority or governmental authorities of certain material European jurisdictions have issued a final order, decree or ruling or taken any other final action permanently restraining, enjoining or otherwise prohibiting the merger and such order or other action is final and non-appealable;

Table of Contents

the closing has not occurred on or before September 15, 2005, so long as the failure to complete the merger is not the result of the failure of the terminating party to comply with the terms of the merger agreement, where such failure constitutes a material breach of the merger agreement; provided, that if the closing conditions relating to the absence of actions or suits by governmental authorities or the obtaining of antitrust approvals have not been satisfied, then either Parent or we may unilaterally extend such date until October 31, 2005;

the Company stockholders do not adopt the merger agreement at the special meeting or any postponement or adjournment thereof;

there is a material breach by the non-terminating party of any of its representations, warranties, covenants or agreements in the merger agreement such that the closing conditions would not be satisfied and which has not been cured prior to the earlier of 10 business days following notice or September 15, 2005 (or October 31, 2005, if applicable);

by Parent, if our board of directors withdraws, modifies or changes in a manner adverse to Parent its recommendation or approval of the transactions contemplated by the merger agreement or recommends or approves an acquisition proposal other than the transactions contemplated by the merger agreement or resolves to effect any of the foregoing;

by the Company, prior to adoption of the merger agreement by the Company stockholders in accordance with the merger agreement, if we receive a superior proposal in accordance with the terms of the merger agreement described under No Solicitation of Transactions above, but only after we have provided notice to Parent regarding our intent to terminate the merger agreement and/or recommend the superior proposal and provided Parent at least a three business day period, during which time we must negotiate in good faith with Parent to make such adjustments to the terms and conditions of the merger agreement so that the superior proposal would no longer be considered as such, and only if we concurrently pay to Parent the termination fee described below under Fees and Expenses.

Fees and Expenses

We have agreed to reimburse Parent's transaction expenses, up to a limit of \$30 million, if either the Company or Parent terminates the merger agreement because of the failure to receive Company stockholder approval at the special meeting or any postponement or adjournment thereof.

In addition, we have agreed to pay to Parent a termination fee of \$247.5 million if:

Parent has terminated the merger agreement due to a breach by us of our representations, warranties, covenants or agreements such that the closing conditions would not be satisfied and such breach has not been cured within the specified time, and

prior to the breach giving rise to Parent's right to terminate, an acquisition proposal has been made known to us or publicly disclosed and has not been withdrawn; and

within 12 months after the termination, we enter into an agreement with respect to an acquisition proposal or a transaction pursuant to an acquisition proposal is completed;

either the Company or Parent has terminated the merger agreement because of the failure to receive Company stockholder approval, and

prior to the special meeting, an acquisition proposal has been made known to us or publicly disclosed and has not been withdrawn; and

within 12 months after the termination, we enter into an agreement with respect to an acquisition proposal or a transaction pursuant to an acquisition proposal is completed;

either the Company or Parent has terminated the merger agreement because the closing has not occurred on or before September 15, 2005 (or October 31, 2005, if applicable); and

prior to the termination date, an acquisition proposal has been made known to us or publicly disclosed and has not been withdrawn; and

within 12 months after the termination, we enter into an agreement with respect to an acquisition proposal or a transaction pursuant to an acquisition proposal is completed;

Parent has terminated the merger agreement because our board of directors has withdrawn, modified or adversely changed its recommendation of the transactions contemplated by the merger agreement or recommended or approved an acquisition proposal other than the transactions contemplated by the merger agreement or resolved to effect any of the foregoing; or

the Company has terminated the merger agreement in accordance with and subject to the terms of the merger agreement described under "No Solicitation of Transactions" above prior to the adoption of the merger agreement by the Company's stockholders in accordance with the merger agreement due to the receipt by the Company of a superior proposal.

If we are obligated to pay a termination fee, any amounts previously paid to Parent as expense reimbursement will be credited toward the termination fee amount payable by us. For purposes of determining whether a termination fee is payable by us, an "acquisition proposal" is one that relates to a proposal or offer to acquire in any manner a 50% or greater economic or voting interest in the Company, or the assets, securities or other ownership interests of or in the Company or any of our subsidiaries representing 50% or more of the consolidated assets, revenues or earnings of the Company and our subsidiaries.

Amendment and Waiver

Subject to applicable law, the merger agreement may be amended by the written agreement of the parties at any time prior to the closing date of the merger, whether before or after the adoption of the merger agreement by our stockholders.

The merger agreement also provides that, at any time prior to the effective time of the merger, any party may, by written agreement:

extend the time for the performance of any of the obligations or other acts of the other parties to the merger agreement;

waive any inaccuracies in the representations and warranties contained in the merger agreement or in any document delivered pursuant to the merger agreement; or

waive compliance with any of the agreements or conditions contained in the merger agreement which may be legally waived.

RIGHTS OF APPRAISAL

Under the DGCL, you have the right to demand appraisal in connection with the merger and to receive, in lieu of the merger consideration, payment in cash for the fair value of your common stock of the Company as determined by the Delaware Court of Chancery. The Company's stockholders electing to exercise appraisal rights must comply with the provisions of Section 262 of the DGCL in order to perfect their rights. The Company will require strict compliance with the statutory procedures.

Edgar Filing: TOYS R US INC - Form DEFM14A

The following is intended as a brief summary of the material provisions of the Delaware statutory procedures required to be followed by a stockholder in order to demand and perfect appraisal rights. This summary, however, is not a complete statement of all applicable requirements and is qualified in its entirety by reference to Section 262 of the DGCL, the full text of which appears in Annex D to this proxy statement.

Section 262 requires that stockholders be notified that appraisal rights will be available not less than 20 days before the special meeting to vote on the adoption of the merger agreement. A copy of Section 262 must be

Table of Contents

included with such notice. This proxy statement constitutes the Company's notice to its stockholders of the availability of appraisal rights in connection with the merger in compliance with the requirements of Section 262. If you wish to consider exercising your appraisal rights, you should carefully review the text of Section 262 contained in Annex D since failure to timely and properly comply with the requirements of Section 262 will result in the loss of your appraisal rights under Delaware law.

If you elect to demand appraisal of your shares, you must satisfy each of the following conditions:

You must deliver to the Company a written demand for appraisal of your shares before the vote with respect to the merger agreement is taken at the special meeting. This written demand for appraisal must be in addition to and separate from any proxy or vote abstaining from or voting against the adoption of the merger agreement. Voting against or failing to vote for the adoption of the merger agreement by itself does not constitute a demand for appraisal within the meaning of Section 262.

You must not vote in favor of the adoption of the merger agreement. A vote in favor of the adoption of the merger agreement, by proxy or in person, will constitute a waiver of your appraisal rights in respect of the shares so voted and will nullify any previously filed written demands for appraisal.

If you fail to comply with either of these conditions and the merger is completed, you will be entitled to receive the cash payment for your shares of the Company's common stock as provided for in the merger agreement, but you will have no appraisal rights with respect to your shares of the Company's common stock. A proxy card which is signed and does not contain voting instructions will, unless revoked, be voted FOR the adoption of the merger agreement and will constitute a waiver of your right of appraisal and will nullify any previous written demand for appraisal.

All demands for appraisal should be in writing and addressed to Toys R Us, Inc., One Geoffrey Way, Wayne, New Jersey 07470, Attention: General Counsel, before the vote on the merger agreement is taken at the special meeting, and should be executed by, or on behalf of, the record holder of the shares in respect of which appraisal is being demanded. The demand must reasonably inform the Company of the identity of the stockholder and the intention of the stockholder to demand appraisal of his, her or its shares.

To be effective, a demand for appraisal by a holder of the Company's common stock must be made by, or in the name of, such registered stockholder, fully and correctly, as the stockholder's name appears on his or her stock certificate(s). The demand should specify the holder's name and mailing address and the number of shares registered in the holder's name and must state that the person intends thereby to demand appraisal of the holder's shares in connection with the merger. **Beneficial owners who do not also hold the shares of record may not directly make appraisal demands to the Company. The beneficial holder must, in such cases, have the registered owner submit the required demand in respect of those shares.** If shares are owned of record in a fiduciary capacity, such as by a trustee, guardian or custodian, execution of a demand for appraisal should be made in that capacity; and if the shares are owned of record by more than one person, as in a joint tenancy or tenancy in common, the demand should be executed by or for all joint owners. An authorized agent, including an authorized agent for two or more joint owners, may execute the demand for appraisal for a stockholder of record; however, the agent must identify the record owner or owners and expressly disclose the fact that, in executing the demand, he or she is acting as agent for the record owner. A record owner, such as a broker, who holds shares as a nominee for others, may exercise his or her right of appraisal with respect to the shares held for one or more beneficial owners, while not exercising this right for other beneficial owners. In that case, the written demand should state the number of shares as to which appraisal is sought. Where no number of shares is expressly mentioned, the demand will be presumed to cover all shares held in the name of the record owner.

If you hold your shares of the Company's common stock in a brokerage account or in other nominee form and you wish to exercise appraisal rights, you should consult with your broker or the other nominee to determine the appropriate procedures for the making of a demand for appraisal by the nominee.

Table of Contents

Within 10 days after the effective time of the merger, the surviving corporation must give written notice that the merger has become effective to each Company stockholder who has properly filed a written demand for appraisal and who did not vote in favor of the merger agreement. At any time within 60 days after the effective time, any stockholder who has demanded an appraisal has the right to withdraw the demand and to accept the cash payment specified by the merger agreement for such stockholder's shares of the Company's common stock. Within 120 days after the effective time, either the surviving corporation or any stockholder who has complied with the requirements of Section 262 may file a petition in the Delaware Court of Chancery demanding a determination of the fair value of the shares held by all stockholders entitled to appraisal. The surviving corporation has no obligation and has no present intention to file such a petition in the event there are dissenting stockholders. Accordingly, it is the obligation of the Company's stockholders to initiate all necessary action to perfect their appraisal rights in respect of shares of the Company's common stock within the time prescribed in Section 262. The failure of a stockholder to file such a petition within the period specified could nullify the stockholder's previously written demand for appraisal.

If a petition for appraisal is duly filed by a stockholder and a copy of the petition is delivered to the surviving corporation, the surviving corporation will then be obligated, within 20 days after receiving service of a copy of the petition, to provide the Chancery Court with a duly verified list containing the names and addresses of all stockholders who have demanded an appraisal of their shares and with whom agreements as to the value of their shares have not been reached. After notice to dissenting stockholders, the Chancery Court is empowered to conduct a hearing upon the petition, and to determine those stockholders who have complied with Section 262 and who have become entitled to the appraisal rights provided thereby. The Chancery Court may require the stockholders who have demanded payment for their shares to submit their stock certificates to the Register in Chancery for notation thereon of the pendency of the appraisal proceedings; and if any stockholder fails to comply with that direction, the Chancery Court may dismiss the proceedings as to that stockholder.

After determination of the stockholders entitled to appraisal of their shares of the Company's common stock, the Chancery Court will appraise the shares, determining their fair value exclusive of any element of value arising from the accomplishment or expectation of the merger, together with a fair rate of interest, if any, to be paid upon the amount determined to be the fair value. When the value is determined, the Chancery Court will direct the payment of such value, with interest thereon accrued during the pendency of the proceeding, if the Chancery Court so determines, to the stockholders entitled to receive the same, upon surrender by such holders of the certificates representing those shares.

In determining fair value and, if applicable, a fair rate of interest, the Chancery Court is required to take into account all relevant factors. In *Weinberger v. UOP, Inc.*, the Supreme Court of Delaware discussed the factors that could be considered in determining fair value in an appraisal proceeding, stating that "proof of value by any techniques or methods that are generally considered acceptable in the financial community and otherwise admissible in court should be considered, and that fair price obviously requires consideration of all relevant factors involving the value of a company." The Delaware Supreme Court stated that, in making this determination of fair value, the court must consider market value, asset value, dividends, earnings prospects, the nature of the enterprise and any other facts that could be ascertained as of the date of the merger that throw any light on future prospects of the merged corporation. Section 262 provides that fair value is to be "exclusive of any element of value arising from the accomplishment or expectation of the merger." In *Cede & Co. v. Technicolor, Inc.*, the Delaware Supreme Court stated that such exclusion is a "narrow exclusion [that] does not encompass known elements of value, but which rather applies only to the speculative elements of value arising from such accomplishment or expectation." In *Weinberger*, the Supreme Court of Delaware also stated that "elements of future value, including the nature of the enterprise, which are known or susceptible of proof as of the date of the merger and not the product of speculation, may be considered." In determining fair value for appraisal purposes under Section 262 of the DGCL, the Chancery Court might, or might not, employ some or all of the valuation analyses utilized by the Company's financial advisors as described in summary fashion under the heading "Opinion of the Company's Financial Advisors." **You should be aware that the fair value of your shares as determined under Section 262 could be more, the same, or less than the value that you are entitled to receive under the terms of the merger agreement.**

Table of Contents

Costs of the appraisal proceeding may be imposed upon the surviving corporation and the stockholders participating in the appraisal proceeding by the Chancery Court as the Chancery Court deems equitable in the circumstances. Upon the application of a stockholder, the Chancery Court may order all or a portion of the expenses incurred by any stockholder in connection with the appraisal proceeding, including, without limitation, reasonable attorneys' fees and the fees and expenses of experts, to be charged pro rata against the value of all shares entitled to appraisal. Any stockholder who had demanded appraisal rights will not, after the effective time, be entitled to vote shares subject to that demand for any purpose or to receive payments of dividends or any other distribution with respect to those shares, other than with respect to payment as of a record date prior to the effective time; however, if no petition for appraisal is filed within 120 days after the effective time of the merger, or if the stockholder delivers a written withdrawal of such stockholder's demand for appraisal and an acceptance of the terms of the merger within 60 days after the effective time of the merger, then the right of that stockholder to appraisal will cease and that stockholder will be entitled to receive the cash payment for shares of his, her or its Company common stock pursuant to the merger agreement. Any withdrawal of a demand for appraisal made more than 60 days after the effective time of the merger may only be made with the written approval of the surviving corporation. Once a petition for appraisal has been filed, the appraisal proceeding may not be dismissed as to any stockholder without the approval of the Chancery Court.

Failure to comply with all of the procedures set forth in Section 262 will result in the loss of a stockholder's statutory appraisal rights. **In view of the complexity of Section 262, the Company's stockholders who may wish to dissent from the merger and pursue appraisal rights should consult their legal advisors.**

MULTIPLE STOCKHOLDERS SHARING ONE ADDRESS

In accordance with Rule 14a-3(e)(1) under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), one proxy statement will be delivered to two or more stockholders who share an address, unless Toys has received contrary instructions from one or more of the stockholders. Toys will deliver promptly upon written or oral request a separate copy of the proxy statement to a stockholder at a shared address to which a single copy of the proxy statement was delivered. Requests for additional copies of the proxy statement, and requests that in the future separate proxy statements be sent to stockholders who share an address, should be directed to Toys R Us, Inc., One Geoffrey Way, Wayne, New Jersey 07470, Attention: Investor Relations, telephone: (973) 617-3500. In addition, stockholders who share a single address but receive multiple copies of the proxy statement may request that in the future they receive a single copy by contacting Toys at the address and phone number set forth in the prior sentence.

SUBMISSION OF STOCKHOLDER PROPOSALS

If the merger is completed, we will not hold a 2005 annual meeting of stockholders. If the merger is not completed, you will continue to be entitled to attend and participate in our stockholder meetings and we will hold a 2005 annual meeting of stockholders, in which case stockholder proposals will be eligible for consideration for inclusion in the proxy statement and form of proxy for our 2005 annual meeting of stockholders in accordance with Rule 14a-8 under the Securities Exchange Act of 1934, as amended. To be eligible for inclusion in the proxy statement and form of proxy for the 2005 annual meeting pursuant to Rule 14a-8, proposals of stockholders must have been received by us no later than December 15, 2004 and must comply with Rule 14a-8. If the date of the 2005 annual meeting, if any, is changed by more than 30 days from June 2, 2005, then in order to be considered for inclusion in the Company's proxy materials, proposals of stockholders intended to be presented at the 2005 annual meeting must be received by us a reasonable time before we begin to print and mail our proxy materials for the 2005 annual meeting. In order to curtail controversy as to the date on which a proposal was received by us, we suggest that proponents submit their proposals by Certified Mail, Return Receipt Requested, to Toys R Us, Inc., One Geoffrey Way, Wayne, New Jersey 07470, Attention: Corporate Secretary.

(a) Each share of Common Stock, par value \$0.10 per share, of the Company (the **Company Common Stock**) issued and outstanding immediately prior to the Effective Time (other than any shares of Company Common Stock (**Shares**) to be canceled pursuant to Section 3.1(b) (any Shares to be so cancelled, **Excluded Shares**) and any Dissenting Shares (as defined in Section 3.4)) shall be converted into the right to receive \$26.75 in cash, without interest (the **Per Share Merger Consideration**).

(b) Each Share held in the treasury of the Company, or owned by Parent, Acquisition Sub or owned by any wholly owned direct or indirect Subsidiary of the Company, Parent or Acquisition Sub, in each case immediately prior to the Effective Time, shall be canceled without any conversion thereof and no consideration shall be paid with respect thereto.

(c) Each share of common stock of Acquisition Sub issued and outstanding immediately prior to the Effective Time shall be converted into one share of common stock of the Surviving Corporation.

(c) As of the Effective Time, each outstanding share of Restricted Stock the restrictions of which have not lapsed immediately prior to the Effective Time shall become fully vested and, subject to Section 3.4, converted into the right to receive the Per Share Merger Consideration under Section 3.1(a).

3.03. *Adjustment of Merger Consideration.* Notwithstanding anything in this Agreement to the contrary, if, between the date of this Agreement and the Effective Time, the issued and outstanding Shares shall have been changed into a different number of shares or a different class by reason of any stock split, reverse stock split, stock dividend, reclassification, redenomination, recapitalization, split-up, combination, exchange of shares or other similar transaction, the Per Share Merger Consideration and any other dependent items shall be appropriately adjusted to provide to the holders of Company Common Stock the same economic effect as contemplated by this Agreement prior to such action and as so adjusted shall, from and after the date of such event, be the Per Share Merger Consideration or other dependent item, subject to further adjustment in accordance with this sentence.

3.04. *Dissenting Shares.*

(a) Shares that are issued and outstanding immediately prior to the Effective Time and which are held by holders of Shares who have not voted in favor of or consented to the Merger and who have properly demanded and perfected their rights to be paid the fair value of such Shares in accordance with Section 262 of the DGCL (the **Dissenting Shares**) shall not be converted into the right to receive the Per Share Merger Consideration, and the holders thereof shall be entitled to only such rights as are granted by Section 262 of the DGCL; *provided, however*, that if any such stockholder of the Company shall fail to perfect or shall effectively waive, withdraw or lose such stockholder's rights under Section 262 of the DGCL, such stockholder's Shares in respect of which the stockholder would otherwise be entitled to receive fair value under Section 262 of the DGCL shall thereupon be deemed to have been converted, at the Effective Time, into the right to receive the Per Share Merger Consideration without any interest thereon.

(b) The Company shall give Parent (i) prompt notice of any notice received by the Company of intent to demand the fair value of any Shares, withdrawals of such notices and any other instruments served pursuant to Section 262 of the DGCL and received by the Company and (ii) the opportunity to direct all negotiations and proceedings with respect to the exercise of dissenters' rights under Section 262 of the DGCL. 3.05. *Payment and Exchange of Certificates.*

(a) Following the date of this Agreement and in any event not less than three Business Days prior to the mailing of the Proxy Statement to the stockholders of the Company, Parent or Acquisition Sub shall designate a bank or trust company reasonably acceptable to the Company to act as Paying Agent in connection with the Merger (the **Paying Agent**). At or prior to the Effective Time, Parent will provide to, or cause the Surviving Corporation to provide to, and shall deposit in trust with, the Paying Agent, the aggregate consideration to which stockholders of the Company become entitled under this Article III. Until used for that purpose, the funds shall be invested by the Paying Agent, as directed by Parent or the Surviving Corporation, in obligations of or guaranteed by the United States of America or obligations of an agency of the United States of America which are backed by the full faith and credit of the United States of America, in commercial paper obligations rated A-1 or P-1 or better by Moody's Investors Services Inc. or Standard & Poor's Corporation, or in deposit accounts, certificates of deposit or bankers' acceptances of, repurchase or reverse repurchase agreements with, or Eurodollar time deposits purchased from, commercial banks, each of which has capital, surplus and undivided profits aggregating more than \$500 million (based on the most recent financial statements of the banks which are then publicly available at the SEC or otherwise); provided that no such investment or losses thereon shall affect the Per Share Merger Consideration payable to former stockholders of the Company, and Parent shall promptly provide, or shall cause the Surviving Corporation to promptly provide, additional funds to the Paying Agent for the benefit of the former stockholders of the Company in the amount of any such losses.

(b) Promptly after the Effective Time, the Surviving Corporation shall cause the Paying Agent to mail to each person who was a record holder of Company Common Stock immediately prior to the Effective Time, whose shares were converted pursuant to Article III into the right to receive the Per Share Merger Consideration, (i) a form of letter of transmittal for use in effecting the surrender of stock certificates which immediately prior to the Effective Time represented Company Common Stock (each, a **Certificate**) in order to receive payment of the Per Share Merger Consideration (which shall specify that delivery shall be effected, and risk of loss and title to the Certificate shall pass, only upon actual delivery of the Certificates to the Paying Agent, and shall otherwise be in customary form) and (ii) instructions for use in effecting the surrender of the Certificates in exchange for payment of the Per Share Merger Consideration. When the Paying Agent receives a Certificate, together with a properly completed and executed letter of transmittal and any other required documents, the Paying Agent shall pay to the holder of the Shares represented by the Certificate, or as otherwise directed in the letter of transmittal, the Per Share Merger Consideration with regard to each Share represented by such Certificate, less any required Tax withholdings in accordance with Section 3.5(c) below, and the Certificate shall be cancelled. No interest shall be paid or accrued on the Per Share Merger Consideration payable upon the surrender of Certificates. If payment is to be made to a Person other than the Person in whose name a surrendered Certificate is registered, it shall be a condition of payment that the Certificate so surrendered must be properly endorsed or otherwise be in proper form for transfer, and the Person who surrenders the Certificate must provide funds for payment of any transfer or other Taxes required by reason of the payment to a Person other than the registered holder of the surrendered Certificate or establish to the satisfaction of the Surviving Corporation that the Tax has been paid or is not applicable. After the Effective Time, a Certificate shall represent only the right to receive the Per Share Merger Consideration in respect of the Shares represented by such Certificate, without any interest thereon.

(c) The Paying Agent may withhold from the sum payable to any Person as a result of the Merger, and pay to the appropriate Taxing Authorities, any amounts which the Paying Agent or the Surviving Corporation may be required (or may reasonably believe it is required) to withhold under the Code, or any provision of state, local or foreign Tax Law. Any sum which is withheld and paid to a Taxing Authority as permitted by this Section will be deemed to have been paid to the Person with regard to whom it is withheld.

(d) In the event that any Certificate shall have been lost, stolen or destroyed, upon the holder's compliance with the replacement requirements established by the Paying Agent, including, if necessary, the posting by the holder of a bond in customary amount as indemnity against any claim that may be made against it with respect to the Certificate, the Paying Agent shall deliver in exchange for the lost, stolen or destroyed Certificate the

applicable Per Share Merger Consideration payable in respect of the Shares represented by the Certificate pursuant to this Article III.

(e) At any time which is more than 180 days after the Effective Time, Parent shall be entitled to require the Paying Agent to deliver to it any funds which had been deposited with the Paying Agent and have not been disbursed in accordance with this Article III (including, without limitation, interest and other income received by the Paying Agent in respect of the funds made available to it), and after the funds have been delivered to Parent, Persons entitled to payment in accordance with this Article III shall be entitled to look solely to Parent (subject to abandoned property, escheat or other similar Laws) for payment of the Per Share Merger Consideration upon surrender of the Certificates held by them, without any interest thereon. Any Per Share Merger Consideration remaining unclaimed as of a date which is immediately prior to such time as such amounts would otherwise escheat to or become property of any government entity shall, to the extent permitted by applicable Law, become the property of Parent free and clear of any claims or interest of any Person previously entitled thereto. Neither the Surviving Corporation, Parent nor the Paying Agent will be liable to any Person entitled to payment under this Article III for any consideration which is delivered to a public official pursuant to any abandoned property, escheat or similar Law.

(f) At the Effective Time, the stock transfer books of the Company shall be closed and thereafter there shall be no further registration of transfers of Shares that were outstanding prior to the Effective Time. After the Effective Time, Certificates presented to the Surviving Corporation for transfer shall be canceled and exchanged for the Per Share Merger Consideration in respect of the Shares represented thereby.

Except as set forth on the corresponding sections of the disclosure letter delivered by Parent to the Company on or prior to the execution of this Agreement (the **Parent Disclosure Letter**), Parent and Acquisition Sub hereby, jointly and severally, represent and warrant to the Company that:

5.01. *Organization.* Each of Parent and Acquisition Sub is duly organized, validly existing and in good standing under the laws of the state of its organization. Acquisition Sub is a direct wholly owned Subsidiary of Parent.

5.02. *Authority; Enforceability.* Each of Parent and Acquisition Sub has the corporate or other power and authority to execute and deliver this Agreement and to perform its obligations hereunder and to consummate the transactions contemplated hereby. The execution and delivery by each of Parent and Acquisition Sub of this Agreement and the consummation by each of Parent and Acquisition Sub of the transactions contemplated

hereunder have been duly authorized by all necessary corporate action on the part of each of Parent and Acquisition Sub. This Agreement has been duly executed and delivered by each of Parent and Acquisition Sub and, assuming due authorization, execution and delivery by the other parties hereto, constitutes a legal, valid and binding agreement of each of Parent and Acquisition Sub, enforceable against each of them in accordance with its terms, subject to the effects of bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium and other similar Laws relating to or affecting creditors' rights generally and general equitable principles (whether considered in a proceeding in equity or at law).

5.03. *Non-Contravention.* The execution, delivery and performance of this Agreement by each of Parent and Acquisition Sub does not and will not (a) conflict with or violate its certificate of incorporation or by-laws or comparable governing documents, (b) assuming that all consents, approvals and authorizations contemplated by clauses (a), (b), (c), (d), (e), (f) and (g) of Section 5.4 have been obtained and all filings described in such clauses have been made, conflict with or violate any Law applicable to Parent, Acquisition Sub or any of their Subsidiaries or by which it or any of its properties are bound or (c) result in any breach or violation of or constitute a default (or an event which with notice or lapse of time or both would become a default) or result in the loss of a benefit under, or give rise to any right of termination, cancellation, amendment or acceleration of, any note, bond, mortgage, indenture, contract, agreement, lease, license, permit or other instrument or obligation to which Parent, Acquisition Sub or any of their Subsidiaries is a party or by which Parent, Acquisition Sub or any of their Subsidiaries or its or any of their properties are bound, except, in the case of clauses (b) and (c), for any such conflict, violation, breach, default, loss, right or other occurrence which would not prevent or materially delay the consummation of the transactions contemplated hereby.

5.04. *Governmental Consents.* The execution, delivery and performance of this Agreement by each of Parent and Acquisition Sub and the consummation by each of Parent and Acquisition Sub of the transactions contemplated hereby do not and will not require any consent, approval, authorization or permit of, action by, filing with or notification to, any Governmental Authority, except as required under or pursuant to (a) the HSR Act, (b) the Exchange Act, (c) state securities, takeover and blue sky laws, (d) the rules and regulations of the NYSE, (e) DGCL, (f) the applicable requirements of antitrust or other competition laws of other jurisdictions or investment laws relating to foreign ownership and (g) any other consent, approval, authorization, permit, action, filing or notification the failure of which to make or obtain would not prevent or materially delay the consummation of the transactions contemplated hereby.

5.05. *Financing.* Attached hereto as Section 5.5(a) of the Parent Disclosure Letter is a true and complete copy of the ABL Letter, European Letter, and the Bridge Letter (collectively, the **Debt Financing Commitments**), pursuant to which lenders party thereto have agreed, subject to the terms and conditions set forth therein, to lend the amounts set forth therein for the purposes of, among other things, financing (i) the United States bridge loan, (ii) the United States asset based debt facility, (iii) the European real estate bridge loan, and (iv) the European asset based debt facility (the **Debt Financing**). Attached hereto as Section 5.5(b) of the Parent Disclosure Letter is a true and complete copy of the Bain Letter, the KKR Letter, and the VNO Letter (collectively, the **Equity Financing Commitments** and together with the Debt Financing Commitments, the **Financing Commitments**), pursuant to which parties therein have committed, subject to the terms and conditions set forth therein, to invest the amount set forth therein to purchase Equity Interests of Parent (the **Equity Financing** and together with the Debt Financing, the **Financing**). None of the Financing Commitments has been amended or modified prior to the date of this Agreement, and the respective commitments contained in the Financing Commitments have not been withdrawn or rescinded in any respect. The Financing Commitments are in full force and effect. There are no conditions precedent or other contingencies related to the funding of the full amount of the Financing, other than as set forth in or contemplated by the Financing Commitments. The aggregate proceeds to be disbursed pursuant to the agreements contemplated by the Financing Commitments, together with the Company's expected cash and cash equivalents, will be sufficient for Parent and the Surviving Corporation to pay the aggregate Merger Consideration (and any other repayment or refinancing of debt contemplated in this Agreement or the Financing Commitments) and to

pay all related fees and expenses. Parent has no reason as of the date hereof to believe that any of the conditions to the Financing contemplated by the Financing Commitments within its control will not be satisfied or that the Financing will not be made available to Parent on the Closing Date.

5.06. *Brokers.* No agent, broker, finder or investment banker is entitled to any brokerage, finder's or other fee or commission in connection with the transactions contemplated by this Agreement based upon arrangements made by or on behalf of Parent or Acquisition Sub for which the Company could have any liability if the Closing does not occur.

5.07. *Company Stock.* Neither Parent nor Acquisition Sub is, and at no time during the last three years has been, an interested stockholder of the Company as defined in Section 203 of the DGCL. Neither Parent nor Acquisition Sub owns (directly or indirectly, beneficially or of record) is a party to any agreement, arrangement or understanding for the purpose of acquiring, holding, voting or disposing of, in each case, any shares of capital stock of the Company (other than as contemplated by this Agreement).

5.08. *Solvency.* As of the Effective Time, assuming satisfaction of the conditions to Parent's obligation to consummate the Merger, or waiver of such conditions, and after giving effect to all of the transactions contemplated by this Agreement, including without limitation the Financing, any alternative financing and the payment of the aggregate Per Share Merger Consideration, consummation of the Debt Tenders, if any (and any other repayment or refinancing of debt contemplated in this Agreement or the Financing Commitments), and payment of all related fees and expenses, each of Parent and the Surviving Corporation will be Solvent.

For the purposes of this Section 5.8 the term "Solvent" when used with respect to any Person, means that, as of any date of determination, (a) the amount of the fair saleable value of the assets of such Person will, as of such date, exceed (i) the value of all liabilities of such Person, including contingent and other liabilities, as of such date, as such quoted terms are generally determined in accordance with applicable federal laws governing determinations of the insolvency of debtors, and (ii) the amount that will be required to pay the probable liabilities of such Person on its existing debts (including contingent liabilities) as such debts become absolute and matured, (b) such Person will not have, as of such date, an unreasonably small amount of capital for the operation of the businesses in which it is engaged or proposed to be engaged following such date, and (c) such Person will be able to pay its liabilities, including contingent and other liabilities, as they mature. For purposes of this definition, (i) not have an unreasonably small amount of capital for the operation of the businesses in which it is engaged or proposed to be engaged and able to pay its liabilities, including contingent and other liabilities, as they mature means that such Person will be able to generate enough cash from operations, asset dispositions or refinancing, or a combination thereof, to meet its obligations as they become due.

Parent and the Company will cooperate with each other in the preparation of the Proxy Statement. Without limiting the generality of the foregoing, (i) the Company will provide Parent with a reasonable opportunity to review and comment on the Proxy Statement and (ii) Parent will furnish to the Company the information relating to it and Acquisition Sub required by the Exchange Act to be set forth in the Proxy Statement. All of the parties hereto shall cause the Proxy Statement to comply as to form and substance as to such party in all material respects with the applicable requirements of (i) the Exchange Act, and (ii) the rules and regulations of the NYSE.

Parent agrees that none of the information supplied or to be supplied by Parent for inclusion in the Proxy Statement will, at the date it is first mailed to the stockholders of the Company and at the time of the Stockholders Meeting, contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements therein, in the light of the circumstances under which they are made, not misleading. For purposes of the foregoing, it is understood and agreed that information concerning or related to the Company or any Company Subsidiary will be deemed to have been supplied by the Company and information concerning or related to Parent or Acquisition Sub will be deemed to have been supplied by Parent. If at any time prior to the Stockholders Meeting any event or circumstances relating to the Company or any Company Subsidiary, or their respective officers or directors, should be discovered by the Company that should be set forth in an amendment or a supplement to the Proxy Statement, the Company shall promptly inform Parent and file such amendment or supplement with the SEC.

(c) The Company shall use its reasonable best efforts, after consultation with Parent, to resolve all SEC comments with respect to the Proxy Statement as promptly as practicable after receipt thereof. reasonable access without violating such agreement), afford representatives of Parent, following notice from Parent to the Company in accordance with this Section 6.4, reasonable access during normal business hours to all properties, offices, books, contracts, commitments and records and such financial (including all working papers) and operating data of the Company and the Company Subsidiaries and all other information concerning its business, properties, personnel, vendors, landlords/sublandlords, tenants, licensees, franchisees and Representatives as Parent may reasonably request, and (ii) shall furnish to Parent (y) promptly, unaudited monthly consolidated balance sheet of the Company and the Company Subsidiaries for the month then ended and related consolidated statements of earnings, cash flows and stockholders' equity (which the Company will use reasonable best efforts to furnish within fifteen days after the end of each month), and (z) within a reasonable time, all information (including extracts and copies of books, records, contracts and other documents including a copy of each report, schedule, registration statement and other document filed or received by it during such period pursuant to the requirements of federal securities laws) concerning the operations and business of the Company or any Company Subsidiary, including access to its personnel, vendors, landlords/sublandlords, tenants, licensees, franchisees and Representatives as Parent may reasonably request. In conducting any inspection of any properties of the Company and the Company Subsidiaries, neither Parent nor any of its representatives shall (i) contact or have any discussions with any of the Company's employees, agents, or representatives, unless in each case Parent obtains the prior written consent of the Company, which shall not be unreasonably withheld, or (ii) contact or have any discussions with any of the vendors, franchisees or licensees of the Company or the Company Subsidiaries or any of the landlords/sublandlords under any of the leases or any of the tenants/subtenants, unless in each case Parent obtains the prior written consent of the Company, which shall not be unreasonably withheld, (iii) damage any property or any portion thereof, or (iv) perform any onsite procedure or investigation (including any onsite environmental investigation or study) without the Company's prior written consent, which shall not be unreasonably withheld. Parent shall schedule and coordinate all inspections with the Company and shall give the Company at least three Business Days prior written notice thereof, setting forth the inspection or materials that Parent or its representatives intend to conduct. The Company shall be entitled to have representatives present at all time during any such inspection. Notwithstanding the foregoing, neither the Company nor any Company Subsidiary shall be required to provide access to or to disclose information where such access or disclosure would jeopardize the attorney-client privilege of the Company or the Company Subsidiaries or contravene any Law or binding agreement entered into prior to the date of this Agreement. The relevant parties will make appropriate substitute disclosure arrangements under circumstances in which the restrictions of the preceding sentence apply.

(b) All information obtained pursuant to this Section 6.4 shall continue to be governed by the Confidentiality Agreements.

6.05. *Acquisition Proposals.*

(a) The Company agrees that (i) it and its officers and directors shall not, (ii) the Company Subsidiaries and the Company Subsidiaries' officers and directors shall not and (iii) it shall use reasonable best efforts to ensure that its and the Company Subsidiaries' investment bankers, financial advisors, attorneys, accountants, employees, consultants or other agents, advisors or and representatives (**Representatives**) not to (A) directly or indirectly, initiate, solicit or knowingly encourage or facilitate any inquiries or the making, submission or reaffirmation of any proposal or offer with respect to a tender offer or exchange offer, merger, reorganization, share exchange, consolidation or other business combination involving the Company and the Company Subsidiaries (or any of them) or any proposal or offer to acquire in any manner an equity interest representing a 20% or greater economic or voting interest in the Company, or the assets, securities or other ownership interests of or in the Company or any Company Subsidiary representing 20% or more of the consolidated assets, revenues or earnings of the Company and the Company Subsidiaries, other than the transactions contemplated by this Agreement (any such proposal or offer being hereinafter referred to as an **Acquisition Proposal**) or (B) directly or indirectly, engage in any negotiations or discussions concerning, or provide access to its properties, books and records or any confidential information or data to, any Person relating to an Acquisition Proposal or execute or enter into any agreement, understanding, letter of intent or arrangement with respect to any Acquisition Proposal (other

than a confidentiality agreement described below). Subject to Section 6.5(b), neither the Company nor its Board of Directors or any committee thereof shall recommend to its stockholders any Acquisition Proposal or approve any agreement with respect to an Acquisition Proposal. Notwithstanding the foregoing, nothing contained in this Agreement shall prevent the Company or its Board of Directors from (i) taking and disclosing to its stockholders a position contemplated by Rule 14d-9 and Rule 14e-2(a) promulgated under the Exchange Act (or any similar communication to stockholders in connection with the making or amendment of a tender offer or exchange offer) or from making any legally required disclosure to stockholders with regard to an Acquisition Proposal (provided that neither the Company nor its Board of Directors may recommend any Acquisition Proposal unless permitted by Section 6.5(b) below and the Company may not fail to make or withdraw, modify or change in a manner adverse to Parent all or any portion of the Company Board Recommendation unless permitted by Section 6.2 (in which case Parent shall have the right to terminate this Agreement as set forth in Section 8.1(e)), and provided further that, notwithstanding anything herein to the contrary, any stop-look-and-listen communication by the Company or its Board of Directors to the stockholders of the Company pursuant to Rule 14d-9(f) promulgated under the Exchange Act (or any similar communication to the stockholders of the Company in connection with the making or amendment of a tender offer or exchange offer containing the substance of a stop-look-and-listen communication pursuant to such Rule 14d-9(f)) shall not be considered a failure to make, or a withdrawal, modification or change in any manner adverse to Parent of, all or a portion of the Company Board of Recommendation) or (ii) prior to the adoption of this Agreement by the Company's stockholders in accordance with this Agreement, (A) providing access to its properties, books and records and providing information or data in response to a request therefor by a Person who has made an unsolicited bona fide written Acquisition Proposal if the Board of Directors receives from the Person so requesting such information an executed confidentiality agreement on terms substantially similar to those contained in the Confidentiality Agreements (except for such changes specifically necessary in order for the Company to be able to comply with its obligations under this Agreement and it being understood that the Company may enter into a confidentiality agreement without a standstill provision or with a standstill provision less favorable to the Company if it waives or similarly modifies the standstill provision in the Confidentiality Agreements), or (B) engaging in any negotiations or discussions with any Person who has made an unsolicited bona fide written Acquisition Proposal, if and only to the extent that prior to taking any of the actions set forth in clauses (A) or (B) of clause (ii), (x) the Board of Directors of the Company shall have determined in good faith, after consultation with its outside legal counsel and financial advisors, that such action is necessary in order for the Board of Directors to comply with its fiduciary duties under applicable law and that such Acquisition Proposal will result in, or could reasonably be expected to constitute or result in, a Superior Proposal from the party that made the applicable Acquisition Proposal, and (y) the Company shall have informed Parent promptly following (and in no event later than 24 hours after) the taking by it of any such action. A **Superior Proposal** means an Acquisition Proposal (provided that for purposes of the definition of Superior Proposal, the term Acquisition Proposal shall have the meaning assigned above, except that references to 20% or greater and 20% or more shall be deemed to be references to 50% or greater and 50% or more, respectively) that is reasonably capable of being consummated, taking into account all legal, financial, regulatory, timing, and similar aspects of, and conditions to, the proposal, the likelihood of obtaining necessary financing and the Person making the proposal, and, if consummated, would result in a transaction more favorable to the Company's stockholders from a financial point of view than the transactions contemplated by this Agreement (after giving effect to any adjustments to the terms and provisions of this Agreement committed to in writing by Parent in response to such Acquisition Proposal). The Company shall use its reasonable best efforts to take the necessary steps promptly to inform the Persons set forth in clauses (i), (ii) and (iii) of the first sentence of this Section 6.5(a) of the obligations undertaken in this Section 6.5.

(b) Notwithstanding anything in this Section 6.5 to the contrary, if, at any time prior to the adoption of this Agreement by the Company's stockholders in accordance with this Agreement, the Board of Directors determines in good faith, after consultation with its financial advisors and outside legal counsel, in response to a bona fide written Acquisition Proposal that was unsolicited and that did not otherwise result from a material breach of Section 6.5(a), that such proposal is a Superior Proposal and that terminating this Agreement to accept such Superior Proposal and/or recommending such Superior Proposal to the stockholders of the Company is necessary in order for the Board of Directors to comply with its fiduciary duties under applicable law, the

Company may terminate this Agreement and/or its Board of Directors may approve or recommend such Superior Proposal to its stockholders, and immediately prior to or concurrently with the termination of this Agreement enter into any agreement, understanding, letter of intent or arrangement with respect to such Superior Proposal, as applicable; *provided, however*, that the Company shall not terminate this Agreement pursuant to this sentence, and any purported termination pursuant to this sentence shall be void and of no force or effect, unless concurrently with such termination pursuant to this Section 6.5(b) the Company pays to Parent the Termination Fee payable pursuant to Section 8.2(c); and *provided, further*, however, that the Company shall not exercise its right to terminate this Agreement and the Board of Directors shall not recommend a Superior Proposal to its stockholders pursuant to this Section 6.5(b) unless the Company shall have delivered to Parent a prior written notice advising Parent that the Company or its Board of Directors intends to take such action with respect to a Superior Proposal, specifying in reasonable detail the material terms and conditions of the Superior Proposal, this notice to be delivered not less than three Business Days prior to the time the action is taken, and, during this three Business Day period, the Company and its advisors shall negotiate in good faith with Parent to make such adjustments in the terms and conditions of this Agreement such that such Acquisition Proposal would no longer constitute a Superior Proposal.

(c) The Company shall immediately cease and cause to be terminated any existing activities, discussions or negotiations with any Persons conducted heretofore with respect to any Acquisition Proposal. The Company also shall, if it has not already done so, promptly request, to the extent it has a contractual right to do so, that each Person, if any, that has heretofore executed a confidentiality agreement within the 12 months prior to the date of this Agreement in connection with its consideration of any Acquisition Proposal shall return or destroy all confidential information or data heretofore furnished to any person by or on behalf of it or any of its Subsidiaries.

(d) The Company shall promptly (and in no event later than 48 hours after receipt of an Acquisition Proposal) notify (which notice shall be provided orally and in writing and shall identify the Person making the Acquisition Proposal and set forth in reasonable detail its material terms and conditions) Parent after receipt of an Acquisition Proposal and thereafter shall keep Parent reasonably informed of the status and material terms and conditions of any proposals or offers. The Company shall make available to Parent (to the extent it has not already done so) all material non-public information made available to any Person making an Acquisition Proposal at substantially the same time as it provides it to such other Person.

6.06. *Further Action; Reasonable Best Efforts.*

(a) Subject to the terms and conditions of this Agreement, each party will use its reasonable best efforts to take, or cause to be taken, all actions and to do, or cause to be done, all things necessary, proper or advisable under applicable Law to consummate the transactions contemplated by this Agreement. In furtherance and not in limitation of the foregoing, each party hereto agrees to make an appropriate filing of a Notification and Report Form pursuant to the HSR Act and the Antitrust Laws of such other jurisdictions for which similar filings are required with respect to the transactions contemplated by this Agreement as promptly as practicable after the date of this Agreement and to supply as promptly as practicable any additional information and documentary material that may be requested pursuant to the HSR Act or such other Antitrust Laws and to take all other actions necessary, proper or advisable to cause the expiration, termination or waiver of the applicable waiting periods and to achieve the necessary clearance decisions under the HSR Act and such other applicable Antitrust Laws as soon as practicable.

(b) Parent, on the one hand, and the Company, on the other hand, shall, in connection with the efforts referenced in Section 6.6(a) to obtain all requisite approvals and authorizations for the transactions contemplated by this Agreement under the HSR Act or any other Antitrust Law, use its reasonable best efforts to (i) cooperate in all respects with each other in connection with any filing or submission and in connection with any investigation or other inquiry, including any proceeding initiated by a private party; (ii) keep the other party informed of any communication received by such party from, or given by such party to, the Federal Trade Commission (the **FTC**), the Antitrust Division of the Department of Justice (the **DOJ**), the European

Commission, or any other Governmental Authority and of any communication received or given in connection with any proceeding by a private party, in each case regarding any of the transactions contemplated hereby; and (iii) permit the other party to review any communication given by it to, and consult with each other in advance of any meeting or conference with, the FTC, the DOJ, European Commission or any other Governmental Authority or, in connection with any proceeding by a private party, with any other Person, and to the extent permitted by the FTC, the DOJ, the European Commission or other applicable Governmental Authority or other Person, give the other party the opportunity to attend and participate in such meetings and conferences in accordance with Antitrust Law. For purposes of this Agreement, **Antitrust Law** means the Sherman Act, as amended, the Clayton Act, as amended, Council Regulation (EC) 139/2004, the HSR Act, the Federal Trade Commission Act, as amended, and all other federal, state and foreign statutes, rules, regulations, orders, decrees, administrative and judicial doctrines and other laws that are designed or intended to prohibit, restrict or regulate actions having the purpose or effect of monopolization or restraint of trade or impeding or lessening of competition through merger or acquisition, in any case that are applicable to the transactions contemplated by this Agreement.

(c) In furtherance and not in limitation of the covenants of the parties contained in Sections 6.6(a) and (b), if any objections are asserted with respect to the transactions contemplated by this Agreement under any Antitrust Law or if any suit is instituted (or threatened to be instituted) by the FTC, the DOJ, the European Commission, or any other applicable Governmental Authority or any private party challenging any of the transactions contemplated hereby as violative of any Antitrust Law or otherwise brought under any Antitrust Law that would otherwise prohibit or materially impair or materially delay the consummation of the transactions contemplated hereby, each of Parent, Acquisition Sub and the Company shall use its reasonable best efforts to resolve any such objections or suits so as to permit consummation of the transactions contemplated by this Agreement, including in order to resolve such objections or suits which, in any case if not resolved, could reasonably be expected to prohibit or materially impair or delay the consummation of the transactions contemplated hereby, including selling, holding separate or otherwise disposing of or conducting its business in a manner which would resolve such objections or suits or agreeing to sell, hold separate or otherwise dispose of or conduct its business in a manner which would resolve such objections or suits or permitting the sale, holding separate or other disposition of, any of its assets or the assets of its Subsidiaries or the conducting of its business in a manner which would resolve such objections or suits; provided, however, that no party shall be required to take any such actions to resolve any such objections or suits which actions, individually or in the aggregate, would have a Material Adverse Effect. Without excluding other possibilities, the transactions contemplated by this Agreement shall be deemed to be materially delayed if unresolved objections or suits delay or could reasonably be expected to delay the consummation of the transactions contemplated hereby beyond September 15, 2005.

(d) Subject to the obligations under Section 6.6(c), in the event that any administrative or judicial action or proceeding is instituted (or threatened to be instituted) by a Governmental Authority or private party challenging any transaction contemplated by this Agreement, or any other agreement contemplated hereby each of Parent and the Company shall cooperate in all respects with each other and use its respective reasonable best efforts to contest and resist any such action or proceeding and to have vacated, lifted, reversed or overturned any decree, judgment, injunction or other order, whether temporary, preliminary or permanent, that is in effect and that prohibits, prevents or restricts consummation of the transactions contemplated by this Agreement.

(e) Notwithstanding the foregoing or any other provision of this Agreement, nothing in this Section 6.6 shall limit a party's right to terminate this Agreement pursuant to Section 8.1(b) so long as such party has up to then complied in all material respects with its obligations under this Section 6.6.

6.08. *Directors and Officers Indemnification and Insurance.*

(a) Without limiting any additional rights that any employee, officer or director may have under any employment agreement or Benefit Plan or under the Company's certificate of incorporation or by laws, after the Effective Time, Parent shall, and shall cause the Surviving Corporation to, indemnify and hold harmless each present (as of the Effective Time) and former officer or director of the Company and the Company Subsidiaries (the **Indemnified Directors and Officers**), against all claims, losses, liabilities, damages, judgments, inquiries, fines and reasonable fees, costs and expenses, including, attorneys' fees and disbursements (collectively, **Costs**), incurred in connection with any claim, action, suit, proceeding or investigation, whether civil, criminal, administrative or investigative, arising out of actions taken by them in their capacity as officers or directors at or prior to the Effective Time (including this Agreement and the transactions and actions contemplated hereby), or taken by them at the request of the Company or any Company Subsidiary, whether asserted or claimed prior to, at or after the Effective Time, to the fullest extent permitted under applicable Law for a period of six years from the Effective Time. Each Indemnified Director and Officer will be entitled to advancement of expenses incurred in the defense of any claim, action, suit, proceeding or investigation from the Surviving Corporation within ten Business Days of receipt by the Surviving Corporation from the Indemnified Director or Officer of a request therefor; *provided* that any Person to whom expenses are advanced provides an undertaking, if and only to the extent required by the DGCL, to repay such advances if it is ultimately determined that such person is not entitled to indemnification. The Surviving Corporation shall not settle, compromise or consent to the entry of any judgment in any proceeding or threatened action, suit, proceeding, investigation or claim (and in which indemnification could be sought by such Indemnified Director or Officer hereunder), unless such settlement, compromise or consent includes an unconditional release of such Indemnified Director or Officer from all liability arising out of such action, suit, proceeding, investigation or claim or such Indemnified Director or Officer otherwise consents.

(b) The certificate of incorporation and by-laws of the Surviving Corporation shall continue to contain provisions no less favorable with respect to indemnification, advancement of expenses and exculpation of former or present directors and officers than are presently set forth in the Company's certificate of incorporation and by-laws, which provisions shall not be amended, repealed or otherwise modified for a period of six years from the Effective Time in any manner that would adversely affect the rights thereunder of any such individuals.

(c) Prior to the Effective Time, the Company shall endeavor to (and if it unable to, Parent shall cause the Surviving Corporation to after the Effective Time) obtain and fully pay (up to a maximum cost of 300% of the current annual premium paid by the Company for its existing coverage in the aggregate) for tail insurance policies (providing only for the Side A coverage for Indemnified Directors and Officers where the existing policies also include coverage for the Company) with a claims period of at least six years from the Effective Time from an insurance carrier with the same or better credit rating as the Company's current insurance carrier with respect to directors' and officers' liability insurance in an amount and scope at least as favorable as the Company's existing policies (or as otherwise set forth in Section 6.8(c) of the Company Disclosure Letter) with respect to matters existing or occurring at or prior to the Effective Time. Parent shall, and shall cause the Surviving Corporation to, honor and perform under all indemnification agreements entered into by the Company or any Company Subsidiary set forth in Section 6.8(c) of the Company Disclosure Letter.

(d) Notwithstanding anything herein to the contrary, if any claim, action, suit, proceeding or investigation (whether arising before, at or after the Closing Date) is made against any Indemnified Director or Officer or any other party covered by directors' and officers' liability insurance, on or prior to the sixth anniversary of the Effective Time, the provisions of this Section 6.8 shall continue in effect until the final disposition of such claim, action, suit, proceeding or investigation.

(e) This covenant is intended to be for the benefit of, and shall be enforceable by, each of the Indemnified Directors and Officers and their respective heirs and legal representatives. The indemnification provided for herein shall not be deemed exclusive of any other rights to which an Indemnified Director or Officer is entitled, whether pursuant to Law, contract or otherwise.

(f) In the event that the Surviving Corporation or any of their respective successors or assigns (i) consolidates with or merges into any other Person and shall not be the continuing or surviving corporation or entity of such consolidation or merger or (ii) transfers or conveys all or substantially all of its properties and assets as an entirety in one or a series of related transactions to any Person(s), then, and in each such case, proper provision shall be made so that such continuing or surviving corporation or entity or such Persons(s), as the case may be, shall assume the obligations set forth in this Section 6.8; provided that the Surviving Corporation shall not be relieved from such obligation. In addition, the Surviving Corporation shall not distribute, sell, transfer or otherwise dispose of any of its assets in a manner that would reasonably be expected to render the Surviving Corporation unable to satisfy its obligations under this Section 6.8.

6.09. *Public Announcements.* Each of the Company, Parent and Acquisition Sub agrees that no public release or announcement concerning the transactions contemplated by this Agreement shall be issued by any party without the prior written consent of the Company and Parent (which consent shall not be unreasonably withheld or delayed), except as such release or announcement may be required by Law or the rules or regulations of any applicable United States securities exchange, in which case the party required to make the release or announcement shall use its reasonable best efforts to allow each other party reasonable time to comment on such release or announcement in advance of such issuance, it being understood that the final form and content of any such release or announcement, to the extent so required, shall be at the final discretion of the disclosing party.

6.10. *Existing Indebtedness.* (a) Prior to the Closing, at the written request of Parent, the Company shall commence a tender offer and consent solicitation with respect to any or all of the Company's 6.875% Notes due 2006, 6.25% Senior Notes due 2007, 7.625% Notes due 2011, 7.875% Notes due 2013, 7.375% Notes due 2018 and 8.75% Debentures due 2021 in accordance with the written terms and conditions provided by Parent to the Company and applicable Law (collectively, the **Debt Tenders**). Unless otherwise agreed by the Company in writing, no Debt Tender shall be required to close on or prior to the Closing. In the event this Agreement is terminated pursuant to Section 8.1, then Parent shall promptly reimburse the Company for any reasonable out-of-pocket costs, fees and expenses incurred by the Company in connection with the Debt Tenders and shall indemnify the Company for any other Liabilities incurred by the Company pursuant to the Debt Tenders except to the extent the Company's actions are inconsistent with the instructions of the Parent.

(b) Prior to the Closing, the Company shall purchase the premises leased pursuant to the Lease Agreement, dated September 26, 2001, between First Union Development Corporation and a subsidiary of the Company pursuant to Section 20.1 of the Synthetic Lease (the **Synthetic Lease**), the Participation Agreement, and all other related documentation shall be terminated (the **Synthetic Lease Purchase**).

(c) Prior to the Closing, the Company shall terminate and settle all swap agreements set forth on Section 6.10(d) of the Company Disclosure Letter (the **Swap Termination**).

(d) Nothing in this Agreement or the Confidentiality Agreements will prohibit any of the parties to the respective Equity Commitments, as a provider of the Equity Financing, from syndicating up to 49% of their respective Equity Commitments; provided, however, that such Equity Commitments shall not be syndicated in a manner which would unreasonably be expected to delay or prevent the closing of the Merger.

6.11. *Cooperation*

(a) Parent shall use its reasonable best efforts to take, or cause to be taken, all actions and to do, or cause to be done, all things necessary, proper or advisable to (i) maintain in effect the Financing Commitments and to satisfy the conditions to obtaining the Financing set forth therein (including by consummating the Equity Financing pursuant to the terms and conditions of the Equity Financing Commitment), (ii) enter into definitive financing agreements with respect to the Debt Financing as contemplated by the Debt Financing Commitments, including the related

flex provisions (the **Financing Agreements**), so that the Financing Agreements are in effect as promptly as practicable but in any event no later than the Closing Date and (iii) consummate the

Financing at or prior to Closing. Parent shall agree to use the bridge facility contemplated by the Debt Financing Commitments to cause the Closing to occur by the thirtieth day after the stockholders' meeting at which this Agreement has been adopted by the Requisite Stockholder Vote (subject to the terms and conditions of this Agreement and such bridge facility commitment to the extent the real estate secured financing contemplated by the Debt Financing Commitments has not been finalized by such time). Parent shall provide to the Company copies of all documents relating to the Debt Financing and shall keep the Company informed of the status of the financing process relating thereto. The Company shall, and shall cause the Company Subsidiaries to, provide such cooperation as may be reasonably requested by Parent in connection with the Debt Financing, including (i) upon reasonable advance notice by Parent, participation in meetings, drafting sessions, due diligence sessions, management presentation sessions, road shows and sessions with rating agencies, (ii) using reasonable best efforts to prepare business projections and financial statements for inclusion in offering memoranda, private placement memoranda, prospectuses and similar documents, (iii) assisting Parent with its preparation and negotiation of mortgages, granting such mortgages, assisting Parent in obtaining preliminary title policies, resolving exceptions on such title policies which are objected to by the lenders of the Debt Financing, with respect to some or all of the Sites, assisting Parent with its preparation of, and negotiation related to, pledges in the Equity Interests of some or all of the Company Subsidiaries, and the granting of such pledges, (iv) preparing any conveyance instruments necessary to transfer prior to the Closing record ownership of the Owned Real Property to the correct legal owner as of the date of this Agreement, and effecting such transfers, (v) assisting Parent with its preparation of any necessary transfer documentation with respect to the Sites required in connection with Debt Financing, and (vi) allowing Parent and its and its lender's representatives such access as may be reasonably necessary for their property level due diligence; *provided* that, the Company shall not be required to provide any such assistance which would interfere unreasonably with the business or operations of the Company and the Company Subsidiaries and *provided, further*, that, without the Company's consent, which shall not unreasonably be withheld, in no event shall any property level due diligence involve environmental tests or assessments more intrusive to such properties than those tests and assessments necessary to prepare Phase I reports. Parent shall promptly, upon request by the Company, reimburse the Company for all reasonable out-of-pocket third party costs incurred by the Company or any of the Company Subsidiaries in connection with such cooperation.

(b) If, notwithstanding the use of reasonable best efforts by Parent to satisfy its obligations under Section 6.11(a), any of the Debt Financing Commitments or the Debt Financing Agreements expire or are terminated prior to the Closing, in whole or in part, for any reason, Parent shall (i) promptly notify the Company of such expiration or termination and the reasons therefor and (ii) use its reasonable best efforts (subject to the limitations set forth in Section 6.11(a) above) promptly to arrange for alternative debt financing (upon terms and conditions substantially comparable to those contained in such expired or terminated commitments or agreements, except with respect to economic terms and conditions, which shall be no less favorable than those contained in such expired or terminated commitments or agreements) to replace the financing contemplated by such expired or terminated commitments or agreements in an amount sufficient to consummate the transactions contemplated by this Agreement.

6.12. *Further Action.* Each of the parties hereto shall use its reasonable best efforts to take, or cause to be taken, all appropriate action, do or cause to be done all things necessary, proper or advisable under applicable Law, and execute and deliver such documents and other papers (including accountants' work papers, subject to such confidentiality restrictions as Parent's or the Company's accountants shall reasonably request), as may be required to consummate the transactions contemplated by this Agreement. Each such notification shall include a certification of an officer of the Company that such notification is being delivered in accordance with this Section 6.13. No such notification shall be deemed to supplement or amend the Company Disclosure Letter for the purpose of (i) determining the accuracy of any of the representations and warranties made by the Company in this Agreement, or (ii) determining whether any of the conditions set forth in Section 7.1, Section 7.2, Section 7.3 has been satisfied.

6.14. *Third Party Consents.* The Company shall use reasonable best efforts to promptly obtain all authorizations, consent, approvals and waivers of, give all notices to each third party that may be necessary for the performance of its obligations under this Agreement and the consummation of the transactions contemplated hereby, *provided, however*, that the Company shall not amend or agree to amend, or waive any material right or material economic benefit under, any Material Contract in connection with obtaining such consents, approvals and waivers without Parent's consent, *provided, further*, that, in connection with obtaining such authorizations, consents, approvals and waivers, or the giving of such notices, the Company shall not incur any out of pocket costs or any other obligation or Liability unless de minimus in nature.

Board of Directors

Toys R Us, Inc.

One Geoffrey Way

Wayne, NJ 07470-2030

Members of the Board:

You have asked us to advise you with respect to the fairness, from a financial point of view, to the holders of common stock, par value \$0.10 per share (Company Common Stock), of Toys R Us, Inc. (the Company), of the Per Share Merger Consideration (as defined below) to be received by such stockholders pursuant to the terms of the Merger Agreement, dated as of March 17, 2005 (the Merger Agreement), among the Company, Global Toys Acquisition, LLC (the Parent) and Global Toys Acquisition Merger Sub, Inc., a wholly owned subsidiary of the Parent (the Acquisition Sub). The Merger Agreement provides for, among other things, the merger (the Merger) of the Company with the Acquisition Sub pursuant to which the Company will become a wholly owned subsidiary of the Parent and each outstanding share of Company Common Stock will be converted into the right to receive \$26.75 in cash (the Per Share Merger Consideration).

In arriving at our opinion, we have reviewed a draft, dated March 16, 2005, of the Merger Agreement and certain publicly available business and financial information relating to the Company. We have also reviewed certain other information relating to the Company, including financial forecasts, provided to or discussed with us by the Company and have met with the Company's management to discuss the business and prospects of the Company. We have also considered certain financial and stock market data of the Company, and we have compared that data with similar data for other publicly held companies in businesses we deemed similar to that of the Company and we have considered, to the extent publicly available, the financial terms of certain other business combinations and other transactions which have recently been effected. We also considered such other information, financial studies, analyses and investigations and financial, economic and market criteria which we deemed relevant.

In connection with our review, we have not assumed any responsibility for independent verification of any of the foregoing information and have relied on such information being complete and accurate in all material respects. With respect to the financial forecasts for the Company, the management of the Company has advised us, and we have assumed, that such forecasts have been reasonably prepared on bases reflecting the best currently available estimates and judgments of the Company's management as to the future financial performance of the Company. We also have assumed, with your consent, that, in the course of obtaining any regulatory or third party consents, approvals or agreements in connection with the Merger, no delay, limitation, restriction or condition will be imposed that would have an adverse effect on the Company or the Merger that would be material to our analyses, that the final executed Merger Agreement will not differ in any material respect from the draft Merger Agreement reviewed by us, and that the Merger will be consummated in accordance with the terms of the Merger Agreement without waiver, modification or amendment of any material term, condition or agreement thereof. In addition, we have not been requested to make, and have not made, an independent evaluation or appraisal of the assets or liabilities (contingent or otherwise) of the Company. Our opinion addresses only the fairness, from a financial point of view, to the holders of Company Common Stock of the Per Share Merger Consideration to be received in the Merger and does not address any other aspect or implication of the Merger or any other agreement, arrangement or understanding entered into in connection with the Merger or otherwise. Our opinion is necessarily based upon information made available to us as of the date hereof

Edgar Filing: TOYS R US INC - Form DEFM14A

and financial, economic, market and other conditions as they exist and can be evaluated on the date hereof. Our opinion does not address the merits of the Merger as compared to alternative transactions or strategies that may be available to the Company nor does it address the Company's underlying decision to proceed with the Merger.

We have acted as financial advisor to the Company in connection with the Merger and will receive a fee for our services, a significant portion of which is contingent upon the consummation of the Merger. In addition, the Company has agreed to indemnify us for certain liabilities and other items arising out of our engagement. From time to time, we and our affiliates have in the past provided, are currently providing and in the future we may provide, investment banking and other financial services to the Company, the Parent and the Parent's affiliates, for which we have received, and would expect to receive, compensation. We are a full service securities firm engaged in securities trading and brokerage activities as well as providing investment banking and other financial services. In the ordinary course of business, we and our affiliates may acquire, hold or sell, for our and our affiliates' own accounts and the accounts of customers, equity, debt and other securities and financial instruments (including bank loans and other obligations) of the Company, the Parent and the Parent's affiliates, as well as provide investment banking and other financial services to such companies. In addition, funds managed by us or one or more of our affiliates have investments in funds managed or advised by one or more affiliates of the Parent.

It is understood that this letter is for the information of the Board of Directors of the Company in connection with its consideration of the Merger and does not constitute a recommendation to any stockholder as to how such stockholder should vote or act on any matter relating to the proposed Merger.

Based upon and subject to the foregoing, it is our opinion that, as of the date hereof, the Per Share Merger Consideration to be received by the holders of Company Common Stock in the Merger is fair, from a financial point of view, to such stockholders.

Very truly yours,

ANNEX C

Board of Directors

Toys R Us, Inc.

One Geoffrey Way

Wayne NJ 07470

Ladies and Gentlemen:

Duff & Phelps, LLC (Duff & Phelps) has been engaged by the board of directors (the Board of Directors) of Toys R Us, Inc. (Toys R Us or Company), as financial advisor to the Board of Directors of the Company, in connection with a contemplated transaction (the Proposed Transaction), as described below. Specifically, Duff & Phelps has been engaged to provide an opinion (the Opinion) as to the fairness to the shareholders of the Company, from a financial point of view, of the consideration to be received by such holders in the Proposed Transaction (without giving effect to any impacts of the Proposed Transaction on any particular shareholder other than in its capacity as a shareholder). Separately, Duff & Phelps was engaged by the Board of Directors to provide opinions as to the solvency and adequacy of capitalization of each of the primary business units (noted herein as Babies R Us and Global Toys) of the Company in connection with certain contemplated alternatives to the Proposed Transaction.

Description of the Proposed Transaction

The Proposed Transaction involves the acquisition of all of the outstanding capital stock of the Company by Global Toys Acquisition, LLC (Parent) for a cash consideration of \$26.75 per share, through the merger of Global Toys Acquisition Merger Sub, Inc., (Acquisition Sub), a wholly owned subsidiary of Parent, with and into the Company. The specific terms of the Proposed Transaction are detailed in the Agreement and Plan of Merger among Toys R Us, Parent, and Acquisition Sub, dated as of March 17, 2005 (the Merger Agreement).

Scope of Analysis

In connection with this Opinion, we have made such reviews, analyses and inquiries, as we have deemed necessary and appropriate under the circumstances. Our due diligence with regards to the Proposed Transaction included, but was not limited to, the items summarized below.

Edgar Filing: TOYS R US INC - Form DEFM14A

1. Conducted meetings and numerous follow-up discussions with the senior management team of the Company;
2. Reviewed the Company's audited financial statements and SEC filings, including the annual reports on Form 10-K for the fiscal years ended on or about January 31, 2002 through 2004, and quarterly reports on Form 10-Q for the nine months ended October 31, 2003 and 2004;
3. Reviewed the Company's unaudited, internally prepared consolidating financial statements for the fiscal year ended on or about January 31, 2005;

C-1

Table of Contents

Board of Directors

Toys R Us, Inc.

March 16, 2005

Page 2

4. Reviewed financial projections prepared by management, including those for Toys R Us on a consolidated basis for the fiscal years 2005 through 2007, and for each of Babies R Us and Global Toys on a standalone basis for the fiscal years 2005 through 2009;
5. Reviewed other operating and financial information provided by Company management;
6. Reviewed minutes of the Company's Board of Director meetings held during the preceding two years;
7. Reviewed a draft dated March 16, 2005 of the Merger Agreement;
8. Reviewed Confidential Offering Memoranda for each of the U.S. and International Toy Retailing Operations of Toys R Us, prepared by Credit Suisse First Boston LLC, dated October 2004;
9. Analyzed the historical trading price and trading volume of Toys R Us common stock; and
10. Reviewed certain other relevant, publicly available information, including economic, industry, and investment information.

Duff & Phelps also took into account its assessment of general economic, market and financial conditions, as well as its experience in securities and business valuation, in general, and with respect to similar transactions, in particular. Duff & Phelps did not make any independent evaluation, appraisal or physical inspection of the Company's specific assets or liabilities (contingent or otherwise).

This Opinion should not be construed as a valuation opinion, credit rating, solvency opinion, an analysis of the Company's creditworthiness or otherwise as tax advice or as accounting advice. In rendering this Opinion, Duff & Phelps relied upon the fact that the Company and the Board of Directors have each been advised by counsel as to all legal matters with respect to the Proposed Transaction, including whether all procedures required by law to be taken in connection with the Proposed Transaction have been duly, validly and timely taken; and Duff & Phelps has not made, and assumes no responsibility to make, any representation, or render any opinion, as to any legal matter.

In preparing its forecasts, performing its analysis and rendering its Opinion with respect to the Proposed Transaction, Duff & Phelps (i) relied upon the accuracy, completeness, and fair presentation of all information, data, advice, opinions and representations obtained from public sources or provided to it from private sources, including Company management, and did not attempt to independently verify such information, (ii) assumed that any estimates, evaluations and projections furnished to Duff & Phelps were reasonably prepared and based upon the last currently available information and good faith judgment of the person furnishing the same, and (iii) assumed that the final version of all documents reviewed by us in draft form, including the Merger Agreement, conform in all material respects to the drafts reviewed. Duff & Phelps's Opinion further assumes that information supplied and representations made by Company management are substantially accurate regarding the Company and the Proposed Transaction.

In our analysis and in connection with the preparation of this Opinion, Duff & Phelps has made numerous assumptions with respect to industry performance, general business, market and economic conditions and other matters, many of which are beyond the control of any party involved in the Proposed Transaction. Duff & Phelps has also assumed that all of the conditions precedent required to implement the Proposed Transaction will be satisfied or waived and that the Proposed Transaction will be completed in accordance with the Merger Agreement as of March 17, 2005.

The basis and methodology for this Opinion have been designed specifically for the express purpose of the Board of Directors and may not translate to any other purpose.

Duff & Phelps has prepared this Opinion effective as of March 16, 2005. The Opinion is necessarily based upon market, economic, financial and other conditions as they exist and can be evaluated as of such date, and Duff & Phelps disclaims any undertaking or obligation to advise any person of any change in any fact or matter affecting the Opinion which may come or be brought to the attention of Duff & Phelps after the date hereof. This letter should not be construed as creating any fiduciary duty on Duff & Phelps's part to any party.

It is understood that this Opinion is for the information of the Board of Directors in connection with its consideration of the Proposed Transaction and may not be used for any other purpose without our prior written consent, except that this Opinion may be included in its entirety in any filing made by the Company in respect of the Proposed Transaction with the Securities and Exchange Commission or as otherwise required by law. In addition, this Opinion is not a recommendation as to whether to proceed with the Proposed Transaction or any related transaction, nor does it indicate that the consideration paid is the best possible attainable under any circumstances. The decision as to whether to proceed with the Proposed Transaction or any related transaction may depend on an assessment of factors unrelated to the financial analysis on which this Opinion is based.

You may summarize or otherwise reference the existence of this Opinion as required by law or regulation to be filed with the Securities and Exchange Commission, provided that any such summary or reference language shall be subject to prior approval by Duff & Phelps. Said approval shall not be unreasonably withheld. Except as described above, without our prior consent, this Opinion may not be quoted or referred to, in whole or in part, in any written document.

Conclusion

Based upon and subject to the foregoing, Duff & Phelps is of the opinion that, as of the date hereof, the consideration to be received by the shareholders of Toys R Us in the Proposed Transaction is fair to such shareholders from a financial point of view (without giving effect to any impact of the Proposed Transaction on any particular stockholder other than in its capacity as a stockholder).

Respectfully submitted,

(3) In the event all of the stock of a subsidiary Delaware corporation party to a merger effected under § 253 of this title is not owned by the parent corporation immediately prior to the merger, appraisal rights shall be available for the shares of the subsidiary Delaware corporation.

(c) Any corporation may provide in its certificate of incorporation that appraisal rights under this section shall be available for the shares of any class or series of its stock as a result of an amendment to its certificate of incorporation, any merger or consolidation in which the corporation is a constituent corporation or the sale of all or substantially all of the assets of the corporation. If the certificate of incorporation contains such a provision, the procedures of this section, including those set forth in subsections (d) and (e) of this section, shall apply as nearly as is practicable.

(d) Appraisal rights shall be perfected as follows:

(1) If a proposed merger or consolidation for which appraisal rights are provided under this section is to be submitted for approval at a meeting of stockholders, the corporation, not less than 20 days prior to the meeting, shall notify each of its stockholders who was such on the record date for such meeting with respect to shares for which appraisal rights are available pursuant to subsection (b) or (c) hereof that appraisal rights are available for any or all of the shares of the constituent corporations, and shall include in such notice a copy of this section. Each stockholder electing to demand the appraisal of such stockholder's shares shall deliver to the corporation, before the taking of the vote on the merger or consolidation, a written demand for appraisal of such stockholder's shares. Such demand will be sufficient if it reasonably informs the corporation of the identity of the stockholder and that the stockholder intends thereby to demand the appraisal of such stockholder's shares. A proxy or vote against the merger or consolidation shall not constitute such a demand. A stockholder electing to take such action must do so by a separate written demand as herein provided. Within 10 days after the effective date of such merger or consolidation, the surviving or resulting corporation shall notify each stockholder of each constituent corporation who has complied with this subsection and has not voted in favor of or consented to the merger or consolidation of the date that the merger or consolidation has become effective; or

(2) If the merger or consolidation was approved pursuant to § 228 or § 253 of this title, then, either a constituent corporation before the effective date of the merger or consolidation, or the surviving or resulting corporation within ten days thereafter, shall notify each of the holders of any class or series of stock of such constituent corporation who are entitled to appraisal rights of the approval of the merger or consolidation and that appraisal rights are available for any or all shares of such class or series of stock of such constituent corporation, and shall include in such notice a copy of this section. Such notice may, and, if given on or after the effective date of the merger or consolidation, shall, also notify such stockholders of the effective date of the merger or consolidation. Any stockholder entitled to appraisal rights may, within 20 days after the date of mailing of such notice, demand in writing from the surviving or resulting corporation the appraisal of such holder's shares. Such demand will be sufficient if it reasonably informs the corporation of the identity of the stockholder and that the stockholder intends thereby to demand the appraisal of such holder's shares. If such notice did not notify stockholders of the effective date of the merger or consolidation, either (i) each such constituent corporation shall send a second notice before the effective date of the merger or consolidation notifying each of the holders of any class or series of stock of such constituent corporation that are entitled to appraisal rights of the effective date of the merger or consolidation or (ii) the surviving or resulting corporation shall send such a second notice to all such holders on or within 10 days after such effective date; provided, however, that if such second notice is sent more than 20 days following the sending of the first notice, such second notice need only be sent to each stockholder who is entitled to appraisal rights and who has demanded appraisal of such holder's shares in accordance with this subsection. An affidavit of the secretary or assistant secretary or of the transfer agent of the corporation that is required to give either notice that such notice has been given shall, in the absence of fraud, be prima facie evidence of the facts stated therein. For purposes of determining the stockholders entitled to receive either notice, each constituent corporation may fix, in advance, a record date that shall be not more than 10 days prior to the date the notice is given, provided, that if the notice is given on or after the effective date of the

merger or consolidation, the record date shall be such effective date. If no record date is fixed and the notice is given prior to the effective date, the record date shall be the close of business on the day next preceding the day on which the notice is given.

(e) Within 120 days after the effective date of the merger or consolidation, the surviving or resulting corporation or any stockholder who has complied with subsections (a) and (d) hereof and who is otherwise entitled to appraisal rights, may file a petition in the Court of Chancery demanding a determination of the value of the stock of all such stockholders. Notwithstanding the foregoing, at any time within 60 days after the effective date of the merger or consolidation, any stockholder shall have the right to withdraw such stockholder's demand for appraisal and to accept the terms offered upon the merger or consolidation. Within 120 days after the effective date of the merger or consolidation, any stockholder who has complied with the requirements of subsections (a) and (d) hereof, upon written request, shall be entitled to receive from the corporation surviving the merger or resulting from the consolidation a statement setting forth the aggregate number of shares not voted in favor of the merger or consolidation and with respect to which demands for appraisal have been received and the aggregate number of holders of such shares. Such written statement shall be mailed to the stockholder within 10 days after such stockholder's written request for such a statement is received by the surviving or resulting corporation or within 10 days after expiration of the period for delivery of demands for appraisal under subsection (d) hereof, whichever is later.

(f) Upon the filing of any such petition by a stockholder, service of a copy thereof shall be made upon the surviving or resulting corporation, which shall within 20 days after such service file in the office of the Register in Chancery in which the petition was filed a duly verified list containing the names and addresses of all stockholders who have demanded payment for their shares and with whom agreements as to the value of their shares have not been reached by the surviving or resulting corporation. If the petition shall be filed by the surviving or resulting corporation, the petition shall be accompanied by such a duly verified list. The Register in Chancery, if so ordered by the Court, shall give notice of the time and place fixed for the hearing of such petition by registered or certified mail to the surviving or resulting corporation and to the stockholders shown on the list at the addresses therein stated. Such notice shall also be given by 1 or more publications at least 1 week before the day of the hearing, in a newspaper of general circulation published in the City of Wilmington, Delaware or such publication as the Court deems advisable. The forms of the notices by mail and by publication shall be approved by the Court, and the costs thereof shall be borne by the surviving or resulting corporation.

(g) At the hearing on such petition, the Court shall determine the stockholders who have complied with this section and who have become entitled to appraisal rights. The Court may require the stockholders who have demanded an appraisal for their shares and who hold stock represented by certificates to submit their certificates of stock to the Register in Chancery for notation thereon of the pendency of the appraisal proceedings; and if any stockholder fails to comply with such direction, the Court may dismiss the proceedings as to such stockholder.

(h) After determining the stockholders entitled to an appraisal, the Court shall appraise the shares, determining their fair value exclusive of any element of value arising from the accomplishment or expectation of the merger or consolidation, together with a fair rate of interest, if any, to be paid upon the amount determined to be the fair value. In determining such fair value, the Court shall take into account all relevant factors. In determining the fair rate of interest, the Court may consider all relevant factors, including the rate of interest which the surviving or resulting corporation would have had to pay to borrow money during the pendency of the proceeding. Upon application by the surviving or resulting corporation or by any stockholder entitled to participate in the appraisal proceeding, the Court may, in its discretion, permit discovery or other pretrial proceedings and may proceed to trial upon the appraisal prior to the final determination of the stockholder entitled to an appraisal. Any stockholder whose name appears on the list filed by the surviving or resulting corporation pursuant to subsection (f) of this section and who has submitted such stockholder's certificates of stock to the Register in Chancery, if such is required, may participate fully in all proceedings until it is finally determined that such stockholder is not entitled to appraisal rights under this section.

(i) The Court shall direct the payment of the fair value of the shares, together with interest, if any, by the surviving or resulting corporation to the stockholders entitled thereto. Interest may be simple or compound, as the Court may direct. Payment shall be so made to each such stockholder, in the case of holders of uncertificated stock forthwith, and the case of holders of shares represented by certificates upon the surrender to the corporation of the certificates representing such stock. The Court's decree may be enforced as other decrees in the Court of Chancery may be enforced, whether such surviving or resulting corporation be a corporation of this State or of any state.

(j) The costs of the proceeding may be determined by the Court and taxed upon the parties as the Court deems equitable in the circumstances. Upon application of a stockholder, the Court may order all or a portion of the expenses incurred by any stockholder in connection with the appraisal proceeding, including, without limitation, reasonable attorney's fees and the fees and expenses of experts, to be charged pro rata against the value of all the shares entitled to an appraisal.

(k) From and after the effective date of the merger or consolidation, no stockholder who has demanded appraisal rights as provided in subsection (d) of this section shall be entitled to vote such stock for any purpose or to receive payment of dividends or other distributions on the stock (except dividends or other distributions payable to stockholders of record at a date which is prior to the effective date of the merger or consolidation); provided, however, that if no petition for an appraisal shall be filed within the time provided in subsection (e) of this section, or if such stockholder shall deliver to the surviving or resulting corporation a written withdrawal of such stockholder's demand for an appraisal and an acceptance of the merger or consolidation, either within 60 days after the effective date of the merger or consolidation as provided in subsection (e) of this section or thereafter with the written approval of the corporation, then the right of such stockholder to an appraisal shall cease. Notwithstanding the foregoing, no appraisal proceeding in the Court of Chancery shall be dismissed as to any stockholder without the approval of the Court, and such approval may be conditioned upon such terms as the Court deems just.

(l) The shares of the surviving or resulting corporation to which the shares of such objecting stockholders would have been converted had they assented to the merger or consolidation shall have the status of authorized and unissued shares of the surviving or resulting corporation.
