**Item 2.02. Results of Operations and Financial Condition.**

On November 2, 2006, PDL BioPharma, Inc. ( we or the Company ) conducted a webcast conference call regarding our financial results for the quarter ended September 30, 2006 (the Earnings Call ). The transcript of the conference call is attached as Exhibit 99.1 to this current report on Form 8-K and is incorporated herein by reference.

Use of Non-GAAP Financial Information

To supplement the information that was presented in accordance with U.S. generally accepted accounting principles ( GAAP ), in our historical information for the period presented in the Earnings Call, we provided certain non-GAAP financial measures that exclude from the directly comparable GAAP measures certain non-cash and other charges. These non-GAAP financial measures exclude depreciation of property and equipment, stock-based compensation expense, amortization of intangible assets, interest income and other, net, interest expense, income taxes and certain other items. We believe that these non-GAAP measures enhance an investor s overall understanding of our financial performance by reconciling more closely to the actual cash expenses of the Company in its operations as well as excluding expenses that in management s view are unrelated to our core operations, the inclusion of which may make it more difficult for investors and financial analysts reporting on the Company to compare our results from period to period. Non-GAAP financial measures should not be considered in isolation from, or as a substitute for, financial information presented in compliance with GAAP, and non-GAAP financial measures as reported by the Company may not be comparable to similarly titled items reported by other companies.
