PRELIMINARY SUBJECT TO COMPLETION DATED MARCH 20, 2007

**TO THE SHAREHOLDERS OF
PUBLIC STORAGE, INC.**

Dear Shareholder:

On behalf of the Board of Directors, we would like to invite you to join us at our 2007 Annual Meeting of Shareholders. At the meeting, we will review our 2006 performance, reporting on our first set of annual financial results following our merger with Shurgard and discussing expectations for the future. We will be available to answer your questions during the meeting and afterward.

The formal business to be conducted at the meeting is described in the notice that follows this letter. In addition to the election of directors, ratification of the selection of our independent auditors and approval of the Public Storage 2007 Equity and Performance-Based Compensation Plan, we are asking you to consider and vote upon a proposal to reorganize the company into a Maryland real estate investment trust. The enclosed proxy statement/prospectus describes in detail the proposed reorganization.

The proposed reorganization has been approved unanimously by our Board of Directors, which has determined that the reorganization is in the company's best interests and recommends that our shareholders vote in favor of the proposed reorganization. To be adopted, the proposed reorganization must be approved by the holders of at least a majority of the outstanding shares of each of our common stock, equity stock and preferred stock.

Your vote is important regardless of how many shares you own. We hope that you will be able to attend the Annual Meeting. To ensure that your vote is recorded, please return the enclosed proxy card, properly completed and signed, before [_____] on [____], 2007, in the envelope provided for that purpose whether or not you plan to attend the annual meeting. You may also vote your shares electronically through the internet or by telephone. This will eliminate the need to return your proxy card. Instructions for internet and telephone voting are on your proxy card. If you attend the meeting, you may withdraw your proxy at the meeting and vote your shares in person from the floor.

If you have any questions about the items of business for consideration at the Annual Meeting, please call Shareholder Communications Corporation at [_____]. I look forward to seeing you on May 3.

Sincerely,

Ronald L. Havner, Jr.
Vice Chairman of the Board, Chief
Executive Officer and President

Voting Your Proxy

Your vote is important. Whether or not you plan to attend the annual meeting, we urge you to vote your proxy promptly.

If you are a stockholder of record (that is, you hold shares of Public Storage stock in your own name), you may vote your shares by proxy by completing, signing, dating and returning the enclosed proxy card in the postage-prepaid envelope provided.

If your shares of Public Storage stock or Depositary Shares are held by a broker, bank or other nominee in street name, you will receive voting instructions (including instructions, if any, on how to vote by telephone or through the Internet) from the record holder that you must follow in order to have your shares voted at the meeting.

If you hold your shares as a participant in the PS 401(k)/Profit Sharing Plan, your proxy will serve as a voting instruction for the trustee of the plan with respect to the amount of shares of Common Stock credited to your account as of the record date. If you provide voting instructions via your proxy/instruction card with respect to your shares held in the plan, trustee will vote those shares of common stock in the manner specified. The trustee will vote any shares for which it does not receive instructions in the same proportion as the shares for which voting instructions have been received, unless the trustee is required by law to exercise its discretion in voting such shares. To allow sufficient time for the trustee to vote your shares, the trustee must receive your voting instructions by [_____], 2007.

If a proxy/instruction card in the accompanying form is properly executed and is received before the voting and not revoked, the persons designated as proxies will vote the shares of common stock, equity stock, series AAA and preferred stock, series Y, represented thereby, if any, in the manner specified, and the Depositary will vote the equity stock, series A or preferred stock underlying the depositary shares represented thereby, if any, in the manner specified. **If you do not indicate how your shares should be voted on a matter, the shares represented by your properly completed proxy/instruction card will be voted as the Board of Directors recommends.** The persons designated as proxies and the Depositary reserve full discretion to cast votes for other persons if any of the nominees for director become unavailable to serve and to cumulate votes selectively among the nominees as to which authority to vote has not been withheld.

Revoking Your Proxy

You may revoke your proxy/instruction card at any time before it is voted at the annual meeting. To revoke your proxy/instruction card, you may send a written notice of revocation to the Corporate Secretary at Public Storage, Inc., 701 Western Ave., Glendale, CA 91201 or to the Depositary before the annual meeting. You may also revoke your proxy by submitting another signed proxy with a later date, or by voting in person at the annual meeting.

Recommendations of the Board of Directors

If you sign and submit the proxy card but do not indicate your voting instructions, the persons named as proxies on your proxy card will vote in accordance with the recommendations of the Board. The Board recommends that you vote:

- **FOR** the election of the nominees for director identified in Proposal 1;
- **FOR** ratification of the appointment of Ernst & Young LLP as the company's registered public accountants for fiscal year 2007;
- **FOR** approval of the Public Storage, Inc. 2007 Equity and Performance-Based Incentive Compensation Plan; and
- **FOR** approval of the proposal to reorganize from a California corporation to a Maryland real estate investment trust.

Quorum

The presence at the meeting in person or by proxy of the holders of a majority of the voting power represented by the outstanding shares of Common Stock and Equity Stock, counted together as a single class, will constitute a quorum for the transaction of business. Abstentions and

Edgar Filing: Public Storage - Form S-4

broker non-votes are counted for purposes of whether a quorum exists.

Table of Contents

A broker non-vote occurs when a nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power with respect to that item and has not received voting instructions from the beneficial owner. If the shareholders present or represented by proxy at the meeting constitute holders of less than a majority of the shares entitled to vote, our meeting may be adjourned to a subsequent date for the purpose of obtaining a quorum.

Voting Rights

Holders of common stock and holders of equity stock, series A vote together as one class, except with respect to the approval of the proposal to reorganize as a Maryland real estate investment trust, on which common shareholders vote as one class, holders of our equity stock, series A and equity stock, series AAA vote together as another class, and holders of our outstanding preferred stock vote as a separate class. With respect to the election of directors, (i) each holder of common stock on the record date is entitled to cast as many votes as there are directors to be elected multiplied by the number of shares registered in the holder's name on the record date, and (ii) each holder of equity stock, series A is entitled to cast as many votes as there are directors to be elected multiplied by 100 times the number of shares of equity stock, series A registered in its name (equivalent to 1/10 the number of depositary shares registered in the holder's name). The holder may cumulate its votes for directors by casting all of its votes for one candidate or by distributing its votes among as many candidates as it chooses. However, no shareholder shall be entitled to cumulate votes unless the candidate's name has been placed in nomination prior to the voting and the shareholder, or any other shareholder, has given notice at the Annual Meeting prior to the voting of the intention to cumulate the shareholder's votes. With respect to all other matters, shareholders can cast one vote for each share of common stock and 100 votes for each share of equity stock, series A (equivalent to 1/10 of a vote for each depositary share) registered in their name. Holders of equity stock, series AAA and holders of preferred stock (equivalent to 1/1000 of a vote for each depositary share representing interests in preferred stock) are entitled to one vote for each share that they own but are only entitled to vote with regard to the approval of the proposal to reorganize as a Maryland real estate investment trust.

Entities controlled by Public Storage have the right to cast a majority of the votes of the equity stock with respect to the merger and intend to vote those shares in favor of the approval of the proposal to reorganize as a Maryland real estate investment trust.

Required Vote

Election of Directors: The ten candidates who receive the most votes will be elected directors of Public Storage. Shares of common stock or equity stock, series A not voted (whether by abstention or otherwise) will not affect the vote.

Ratification of Independent Auditors: This proposal requires the affirmative vote of at least a majority of the votes cast by the holders of Public Storage common stock and equity stock, series A voting together as one class. Any Public Storage shares not voted (whether by abstention or otherwise) will not affect the vote.

Approval of the Public Storage, Inc. 2007 Equity and Performance-Based Incentive Compensation Plan. This proposal requires the affirmative vote of at least a majority of the votes cast by the holders of Public Storage common stock and equity stock, series A voting together as one class. Any Public Storage shares not voted (whether by abstention or otherwise) will not affect the vote.

Approval of the proposal to reorganize as a Maryland real estate investment trust. This proposal requires the affirmative vote of at least a majority of each of (a) the holders of a majority of the outstanding shares of common stock, (b) the holders of at least a majority of outstanding equity stock, and (c) the holders of at least a majority of outstanding preferred stock to approve the proposal to reorganize as a Maryland real estate investment trust.

Because the affirmative vote required to approve the proposal to reorganize as a Maryland real estate investment trust is based on the total number of outstanding shares of common stock, equity stock, and preferred stock, the failure to submit a proxy or voting instruction card or to vote at the annual meeting will have the same effect as a vote against the proposal to reorganize as a Maryland real estate investment trust. Brokers holding shares of our stock will not have discretionary authority to vote those shares in the absence of instructions from the beneficial owners of those shares, so the failure to provide voting instructions to your broker will also have the same effect as a vote against the proposal.

Table of Contents**Proxy Solicitation Costs**

We will pay the cost of soliciting proxies. In addition to solicitation by mail, certain directors, officers and regular employees of the Company and its affiliates may solicit the return of proxies by telephone, personal interview or otherwise. CORPORATE GOVERNANCE**Board and Board Committee Meetings**

During 2006, the Board of Directors held ten meetings, the Audit Committee held eight meetings, the Nominating/Corporate Governance Committee held five meetings, and the Compensation Committee held two meetings. During 2006, each of the directors attended at least 75% of the meetings held by the Board of Directors or, if a member of a committee of the Board of Directors, 75% of the meetings held by both the Board of Directors and all committees of the Board of Directors on which the director served. Directors are encouraged to attend the annual meeting of shareholders. Ten directors attended the last annual meeting of shareholders.

Committees of the Board of Directors

Our Board has three standing committees: (1) the Audit Committee; (2) the Nominating/Corporate Governance Committee; and (3) the Compensation Committee. In addition, the Board may appoint special committees to consider various matters. Each of the standing committees operates pursuant to a written charter. The charters for the Audit, Nominating/Corporate Governance and Compensation Committees can be viewed at our website at www.publicstorage.com/Corporateinformation/CorpGovernance.aspx and will be provided in print to any shareholder who requests a copy by writing to the Corporate Secretary. All members of the committees are independent directors under the rules of the New York Stock Exchange. In addition, all members of our Audit Committee are independent directors under the SEC rules for Audit Committees.

Our three standing committees are described below and the committee members are identified in the following table:

Director	Audit Committee	Nominating/Corporate Governance Committee	Compensation Committee
Dann V. Angeloff		X (Chairman)	X
William C. Baker		X	
John T. Evans	X (Chairman)	X

Gary E. Pruitt	X		X
Daniel C. Staton	X		X (Chairman)

Audit Committee			

The primary functions of the Audit Committee are set forth in its charter and are to assist the Board in fulfilling its responsibilities for oversight of (1) the integrity of the Company's financial statements, (2) compliance with legal and regulatory requirements, (3) the qualifications, independence and performance of the independent registered public accounting firm, and (4) the scope and results of internal audits, the Company's internal controls over financial reporting and the performance of the Company's internal audit function. Among other things, the Audit Committee appoints, evaluates and determines the compensation of the independent registered public accounting firm; reviews and approves the scope of the annual audit, the audit fee and the financial statements; prepares the Audit Committee report for inclusion in the annual proxy statement; and annually reviews its charter

Table of Contents

and performance. The Audit Committee is comprised of three directors, John T. Evans (Chairman), Gary E. Pruitt and Daniel C. Staton. The Board of Directors has determined that each member of the Audit Committee meets the financial literacy and independence standards of the New York Stock Exchange rules. The Board has also determined that Gary E. Pruitt and Daniel C. Staton each qualifies as an audit committee financial expert within the meaning of the rules of the Securities and Exchange Commission and the New York Stock Exchange.

Compensation Committee

The primary functions of the Compensation Committee, as set forth in its charter, are to (1) determine, either as a committee or together with other independent directors, the compensation of the Company's chief executive officer, (2) determine the compensation of other executive officers, (3) administer the Company's stock option and incentive plans, (4) review and discuss with management the Compensation Discussion and Analysis (CD&A) to be included in the proxy and to recommend to the Board inclusion of the CD&A in the company's Form 10-K and proxy statement, (5) provide a description of the processes and procedures for the consideration and determination of executive compensation for inclusion in the company's annual proxy statement, (6) produce the Compensation Committee Report for inclusion in the annual proxy statement, and (7) evaluate its performance annually.

As required by the charter, during 2006, the Compensation Committee made all compensation decisions for our executive officers, including the Named Executive Officers set forth in the Summary Compensation Table below. The Compensation Committee is comprised of four directors, Daniel C. Staton (Chairman), Dann V. Angeloff, Uri P. Harkham and Gary E. Pruitt. The Board of Directors has determined that each member of the Compensation Committee is independent under the rules of the New York Stock Exchange. The Compensation Committee has the authority to retain outside compensation consultants for advice, but historically, has not done so, relying instead on surveys of publicly available information with respect to senior executive compensation at similar companies.

Our chief executive officer may be invited to attend all or a portion of a meeting of the Compensation Committee, depending on the nature of the agenda items. The chief executive officer does not vote on items before the Compensation Committee. However, the Compensation Committee and the Board solicit the view of the chief executive officer on compensation matters, particularly as they relate to the compensation of executive officers reporting to the chief executive officer, including the other Named Executive Officers. In addition, the Compensation Committee solicits the views of the Chairman of the Board and other Board members, particularly with respect to compensation of the chief executive officer.

Nominating/Corporate Governance Committee

The primary functions of the Nominating/Corporate Governance Committee as set forth in its charter are (1) to identify, evaluate and make recommendations to the Board for director nominees for each annual shareholder meeting or to fill any vacancy on the Board, (2) to develop and review and assess the adequacy of the Board's Guidelines on Corporate Governance on an ongoing basis and recommend any changes to those guidelines to the Board, and (3) to oversee of the annual Board assessment of Board performance. Other duties and responsibilities include periodically reviewing the structure, size, composition and operation of the Board and each Board committee, recommending assignments of directors to Board committees, conducting a preliminary review of director independence, periodically evaluating director compensation and recommending any changes in director compensation to the Board, overseeing director orientation and annually evaluating its charter and performance.

Director Independence

The Board of Directors determined that (1) each member of the Board of Directors, other than B. Wayne Hughes, Ronald L. Havner, Jr., Harvey Lenkin, and B. Wayne Hughes, Jr., and (2) each member of the Audit Committee, the Compensation Committee and the Nominating/Corporate Governance Committee has no material relationship with the Company and qualifies as independent under the rules adopted by the New York Stock Exchange. In arriving at this conclusion, the Board determined that none of the independent directors has a material relationship with the Company that would compromise the director's independence. As part of its review, the Board considered Dann V. Angeloff's relationships with the Company. Mr. Angeloff is the general partner of a limited partnership formed in 1973 that owns a mini-warehouse operated by the Company. Based on the size of Mr. Angeloff's interest in the partnership (20%) and the amount of property management fees paid by the limited partnership to the Company (approximately \$68,000 in 2006), the Board determined that Mr. Angeloff's relationships with the Company are not material.

Consideration of Candidates for Director

Shareholder recommendations. The policy of the Nominating/Corporate Governance Committee is to consider properly submitted shareholder recommendations of candidates for membership on the Board of Directors as described below under "Identifying and Evaluating Nominees for Directors." Under this policy, shareholder recommendations may only be submitted by shareholders who would be entitled to submit shareholder proposals under the SEC rules. In evaluating recommendations, the Nominating/Corporate Governance Committee seeks to achieve a balance of knowledge, experience and capability on the Board and to address the membership criteria set forth under "Director Qualifications." Any shareholder recommendations proposed for consideration by the Nominating/Corporate Governance Committee should include the candidate's name and qualifications for Board membership, including the information required under Regulation 14A under the Securities and Exchange Act of 1934, and should be addressed to: Stephanie Heim, Corporate Secretary, Public Storage, Inc., 701 Western Avenue, Glendale, California 91201. Recommendations should be submitted in the time frame described under "Deadlines for Receipt of Shareholder Proposals for Consideration at 2008 Annual Meeting" on page 62.

Director Qualifications. Members of the Board should have high professional and personal ethics and values. They should have broad experience at the policy-making level in business or other relevant experience. They should be committed to enhancing shareholder value and should have sufficient time to carry out their duties and to provide insight and practical wisdom based on experience. Their service on other boards of public companies should be limited to a number that permits them, given their individual circumstances, to perform responsibly all director duties. Each director must represent the interests of all shareholders.

Identifying and Evaluating Nominees for Directors. The Nominating/Corporate Governance Committee utilizes a variety of methods for identifying and evaluating nominees for director. The Nominating/Corporate Governance Committee regularly assesses the appropriate size of the Board, and whether any vacancies on the Board are expected due to retirement or otherwise. In the event

Table of Contents

that vacancies are anticipated, or otherwise arise, the Nominating/Corporate Governance Committee considers various potential candidates for director. Candidates may come to the attention of the Nominating/Corporate Governance Committee through current Board members, professional search firms, shareholders or other persons. These candidates are evaluated at meetings of the Nominating/Corporate Governance Committee, and may be considered at any point during the year. As described above, the Nominating/Corporate Governance Committee considers properly submitted shareholder recommendations of candidates for the Board. Following verification of the shareholder status of persons proposing candidates, recommendations will be aggregated and considered by the Nominating/Corporate Governance Committee prior to the issuance of the proxy statement for the annual meeting. If any materials are provided by a shareholder in connection with the recommendation of a director candidate, such materials are forwarded to the Nominating/Corporate Governance Committee. The Nominating/Corporate Governance Committee also reviews materials provided by professional search firms or other parties in connection with a nominee who is not proposed by a shareholder. In evaluating such nominations, the Nominating/Corporate Governance Committee seeks to achieve a balance of knowledge, experience and capability on the Board.

Communications with the Board of Directors.

The Company provides a process by which shareholders and interested parties may communicate with the Board of Directors. Even if the appointment of Ernst & Young LLP is ratified by the shareholders, the Audit Committee may change the appointment at any time during the year if it determines that a change would be in the best interest of Public Storage and its shareholders.

Representatives of Ernst & Young LLP, the independent registered public accounting firm for Public Storage since its organization in 1980, will be in attendance at the Annual Meeting of Shareholders and will have the opportunity to make a statement if they desire to do so and to respond to any appropriate shareholder inquiries.

Audit Committee Report

The Audit Committee consists of three directors, each of whom has been determined by the Board to meet the New York Stock Exchange standards for independence and the Securities and Exchange Commission's requirements for audit committee member independence. The Audit Committee operates under a charter adopted by the Board of Directors.

Management is responsible for the Company's internal controls and the financial reporting process. The independent registered public accounting firm is responsible for performing an independent audit of the Company's consolidated financial statements in accordance with generally accepted auditing standards and for issuing a report thereon. The Audit Committee's responsibility is to monitor and oversee these processes and necessarily relies on the work and assurances of the Company's management and of the Company's independent registered public accounting firm.

In this context, the Audit Committee has met with management and Ernst & Young LLP, the Company's independent registered public accounting firm, and has reviewed and discussed with them the audited consolidated financial statements. Management represented to the Audit Committee that the Company's consolidated financial statements were prepared in accordance with generally accepted accounting principles. The Audit Committee discussed with the independent registered public accounting firm matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees), as modified or supplemented.

The Company's independent registered public accounting firm also provided to the Audit Committee the written disclosures and the letter required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and the Audit Committee discussed with the independent registered public accounting firm that firm's independence. In addition, the Audit Committee has considered whether the independent registered public accounting firm's provision of non-audit services to the Company is compatible with the firm's independence.

Table of Contents

During 2006, management documented, tested and evaluated the Company's system of internal controls over financial reporting in response to the requirements set forth in Section 404 of the Sarbanes-Oxley Act of 2002 and SEC regulations adopted thereunder. The Audit Committee met with representatives of management, the internal auditors, legal counsel and the independent registered public accountants on a regular basis throughout the year to discuss the progress of the process. At the conclusion of this process, the Audit Committee received from management its assessment and report on the effectiveness of the Company's internal controls over financial reporting. In addition, the Audit Committee received from Ernst & Young LLP its attestation report on management's assessment and report on the Company's internal controls over financial reporting. The Audit Committee reviewed and discussed the results of management's assessment and Ernst & Young's attestation.

Based on the foregoing and the Audit Committee's discussions with management and the independent registered public accounting firm, and review of the representations of management and the report of the independent registered public accounting firm, the Audit Committee recommended to the Board of Directors, and the Board has approved, that the audited consolidated financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2006 for filing with the Securities and Exchange Commission.

PROPOSAL 3

APPROVE 2007 EQUITY AND PERFORMANCE-BASED INCENTIVE COMPENSATION PLAN

At the Annual Meeting, the shareholders of the Company will be asked to approve the adoption of the Company's 2007 Equity and Performance-Based Incentive Compensation Plan (the "2007 Plan"). The 2007 Plan was adopted by the Board on February 26, 2007, subject to approval of the 2007 Plan by the shareholders of the Company. If approved, the 2007 Plan will continue in effect until terminated by the Board, provided that no awards may be granted under the 2007 Plan after the ten-year anniversary of Board approval. Any awards outstanding after Plan termination, however, will remain subject to the terms of the 2007 Plan. The Board believes the 2007 Plan will enhance the Company's ability to attract and retain highly qualified officers and directors, key employees and other persons providing services to us and our subsidiaries; to provide incentive compensation opportunities that are competitive with other corporations and real estate investment trusts; to motivate participants to achieve our corporate goals; and further link executive compensation to the enhancement of long-term shareholder returns. Upon approval of the 2007 Plan, no further awards will be made under the Company's 2001 Stock Option and Incentive Plan and the 2001 Non-Executive/Non-Director Stock Option and Incentive Plan (the "Prior Plans").

SUMMARY OF THE 2007 EQUITY AND PERFORMANCE-BASED INCENTIVE COMPENSATION PLAN

A copy of the 2007 Plan is attached to this Proxy Statement as Appendix A. The following description of the 2007 Plan is a summary and is qualified by reference to the complete text of the 2007 Plan.

General

The purpose of the 2007 Plan is to enhance the long-term shareholder value of the Company by offering opportunities to eligible individuals to participate in the growth in value of the equity of the Company and provide appropriate cash and equity incentives to motivate and reward performance. Awards that may be granted under the 2007 Plan include stock options, stock appreciation rights, restricted stock, unrestricted stock, stock units, dividend equivalent rights, and cash awards (each, an "award"). Options granted under the 2007 Plan may be either incentive stock options, as defined in Section 422 of the Internal Revenue Code of 1986, as amended (the "Code"), or non-statutory stock options.

Administration. The Compensation Committee of the Board will administer the 2007 Plan. The Board may also delegate to a committee of at least two directors, who may also be employees of the Company, the authority to grant awards to employees and other service providers who are not officers or directors of the Company. References below to the Compensation Committee include this committee where applicable.

Table of Contents

Shares Reserved. The shares with respect to which equity awards may be made under the 2007 Plan are currently authorized but unissued shares of common stock. The closing sale price of a share of our common stock on the New York Stock Exchange on March __, 2007, the last date before the record date, was \$_____per share. The maximum number of shares of common stock that may be delivered under the 2007 Plan is 5,000,000 shares. Any shares covered by an award under the 2007 Plan that expires or is forfeited or terminated without issuance of shares (including shares that are attributable to awards that are settled in cash or used to satisfy the applicable tax withholding obligation) will again be available for awards under the 2007 Plan.

Eligibility. Non-statutory stock options and other awards may be granted under the 2007 Plan to employees, directors and consultants of the Company, its affiliates and subsidiaries. Incentive stock options may be granted only to employees of the Company or its subsidiaries. The Compensation Committee, in its discretion, approves awards to be granted under the 2007 Plan. The Company intends the 2007 Plan to be a broad-based employee plan. As of the Record Date, the Company had approximately 5,000 employees and eight non-employee directors who would be eligible to participate in the 2007 Plan.

Transferability of Awards. Unless otherwise determined by the Compensation Committee, most awards granted under the 2007 Plan are not transferable other than by will, domestic relations order, or the laws of descent and distribution or certain limited not-for-value transfers to family members.

Limitation on Awards. Under the 2007 Plan, employees of the Company may not be granted (i) stock options in excess of 1,000,000 shares during any single fiscal year, and (ii) any other awards available under the 2007 Plan with a fair market value at the time of grant greater than \$10,000,000 in the aggregate in any single fiscal year. For this purpose, fair market value shall be determined in accordance with the valuation used in the Company's financial statements under Financial Accounting Statement 123R.

Stock Options

Exercise Price. The Compensation Committee determines the exercise price of options at the time the options are granted. No stock option, including an incentive stock option, may have an exercise price less than the fair market value of a share of common stock on the date of grant. The exercise price of an incentive stock option granted to a ten percent shareholder may not be less than 110% of the fair market value of a share of common stock on the date of grant of such option. The fair market value of a share of common stock is generally determined to be the closing sales price as quoted on the New York Stock Exchange for the date the value is being determined.

Exercise of Option; Form of Consideration. The Compensation Committee determines when options become exercisable. The means of payment for shares issued on exercise of an option are cash, check or wire transfer, and such other payment methods as may be specified by the Compensation Committee, including tender of Company shares previously owned by the Grantee or broker-assisted same-day sale.

Term of Option. The term of an option may be no more than ten years from the date of grant. The term of an incentive stock option granted to a ten percent holder may be no more than five years from the date of grant. No option may be exercised after the expiration of its term.

Vesting. Each option granted under the 2007 Plan will become vested and exercisable at times set forth in the applicable award agreement provided that no options, other than options granted to persons who are not entitled to overtime under applicable state or federal laws, will vest or be exercisable within the six-month period starting on the date of grant.

Termination of Service. Generally, if a Grantee's service to the Company as an employee, consultant or director terminates other than for death, disability or for cause, vested options will remain exercisable for a period of thirty days following the Grantee's termination and unvested options will immediately terminate and be forfeited. Unless otherwise provided for by the Compensation Committee in the award agreement:

if a Grantee terminates employment because of his death, all unvested options granted to such Grantee will fully vest and will be exercisable by the Grantee's estate at any time within one year after the date of the Grantee's death;

if a Grantee terminates employment because of his total and permanent disability, all options granted to the Grantee will continue to vest in accordance with the terms of the Grantee's award agreement and shall be exercisable to the extent they are vested, for a period of one year after the Grantee's termination;

Table of Contents

if a Grantee's employment is terminated for cause, all options granted to him, whether or not vested, will immediately be forfeited. *Repricing.* Options may not be repriced, replaced or regranted through cancellation or modification without shareholder approval.

Restricted Stock Awards and Stock Unit Awards

The Committee may grant awards of restricted stock or stock units in its discretion.

Restrictions. At the time a grant of restricted stock or stock units is made, the Compensation Committee may establish a restricted period applicable to the restricted stock or stock units. The restricted period may expire upon the passage of time or the attainment of performance objectives as the Compensation Committee, in its sole discretion determines.

Right of Holders of Restricted Stock and Stock Units. Unless the Compensation Committee provides otherwise in an award agreement, holders of restricted stock will have the right to vote the stock and the right to receive any dividends declared or paid on the stock and holders of stock units will have no right to vote the stock underlying their units but will have the right to receive any dividends declared or paid on the stock.

Purchase of Restricted Stock and Stock Delivered Pursuant to an Award of Stock Units. To the extent required by applicable law, the Grantee will be required to purchase any restricted stock granted to the Grantee or any stock delivered to the Grantee upon vesting of the Grantee's Stock Units at a purchase price at least equal to the par value of the shares of common stock issuable under the restricted stock award or award of stock units.

Termination of Service. Generally, if a Grantee's service to the Company as an employee, consultant or director terminates other than for death or disability, any restricted stock or stock units that have not vested, or with respect to which all applicable restrictions and conditions have not lapsed, will immediately be forfeited. Unless otherwise provided for by the Compensation Committee in the award agreement:

if a Grantee terminates employment because of his death, all unvested restricted stock and stock units granted to such Grantee will fully vest and the shares of common stock underlying the award will be delivered to the Grantee's estate; and

if a Grantee terminates employment because of his total and permanent disability, all unvested restricted stock and stock units granted to the Grantee will continue to vest in accordance with the terms of the Grantee's award agreement for a period of one year after the Grantee's termination of employment.

Repurchase Right. If a restricted stock award consists of shares of common stock sold to the employee subject to a right of repurchase, the Company will have the right, during the seven months after the termination of the Grantee's service, to repurchase any or all of the award shares that were unvested as of the date of that termination at a purchase price determined by the Compensation Committee.

Unrestricted Stock Awards

The 2007 Plan permits the grant of fully vested shares of common stock in such instances as the Compensation Committee believes are appropriate. Thus for example, if the uncompensated value of past services equals or exceeds the fair market value of the stock award at grant, the Compensation Committee could award fully vested awards if it determines such award is appropriate in the circumstances. Likewise, the Compensation Committee could award fully vested shares of common stock as a retirement benefit if it determines such award is appropriate under the circumstances.

Cash Awards

The Compensation Committee may grant cash awards, which entitle the Grantee to a cash payment on satisfaction of goals described in an award agreement. The Compensation Committee determines the terms, conditions and restrictions related to cash awards.

Stock Appreciation Rights

The Compensation Committee may also grant stock appreciation rights, which are a right to receive, upon exercise, an amount equal to the increase in the fair market value of the shares of common stock underlying the stock appreciation rights during a stated period specified by the Compensation Committee. The term of a stock appreciation right may be no more than ten years from the date of grant.

Table of Contents

Dividend Equivalent Rights

The Compensation Committee may also grant dividend equivalent rights, which are rights entitling the Grantee to receive credits for dividends that would have been paid if the recipient had held a specified number of shares of common stock.

Performance-Based Compensation

Pursuant to section 162(m) of the Internal Revenue Code (also discussed below in Federal Income Tax Consequences of Stock Options and Awards under the 2007 Plan), we are generally not entitled to a U.S. income tax deduction for annual compensation in excess of \$1 million paid to our chief executive officer and the four next most highly compensated officers. However, amounts that constitute performance-based compensation under a plan approved by shareholders are not counted toward the \$1 million limit. Qualified performance-based compensation by the Company must be paid solely on account of the attainment of one or more objective performance measures established in writing by the Compensation Committee while the attainment of such measures is substantially uncertain as provided by applicable regulatory or other guidance. The Compensation Committee may designate whether any so-called full value awards, such as restricted stock, stock units and stock awards, or cash incentive awards being granted to any participant are intended to be performance-based compensation as that term is used in section 162(m). The performance measures that may be used for such awards will be based on any one or more of the following performance criteria as selected by the Committee: (i) funds from operation (FFO); (ii) funds available for distribution (FAD); (iii) revenue, revenue growth or rate of revenue growth; (iv) earnings, including operating income, earnings before or after taxes, earnings before or after interest, depreciation, amortization, or extraordinary or special items or book value per share (which may exclude nonrecurring items); (v) pre-tax income or after-tax income; (vi) earnings per share (basic or diluted); (vii) the intrinsic business value of the enterprise; (viii) operating profit or margin; (ix) stock price or total shareholder return; (x) cash flow (before or after dividends, free cash flow, cash flow return on investment (discounted or otherwise), net cash provided by operations, cash flow in excess of cost of capital or cash flow per share (before or after dividends); (xi) implementation or completion or critical or strategic projects, acquisitions or processes; (xii) economic value created; (xiii) return on equity; (xiv) return on invested capital; (xv) operational efficiency measures; (xvi) rental income; (xvii) move-in activity; (xviii) occupancy level of store properties; (xix) ratio of earnings to fixed charges; (xx) acquisition and development activity; (xxi) cost targets, reductions and savings, productivity and efficiencies; (xxii) strategic business criteria, consisting of one or more objectives based on meeting specified market penetration, geographic business expansion, customer satisfaction, employee satisfaction, human resources management, supervision of litigation, information technology, and goals related to acquisitions, divestitures, joint ventures and similar transactions, and budget comparisons; (xxiii) personal professional objectives, including any of the foregoing performance targets, the implementation of policies and plans, the negotiation of transactions, the development of long-term business goals, formation of joint ventures and the completion of other corporate transactions; or (xxiv) any combination of any of the foregoing. These business criteria may apply to an individual, a business unit or the Company as a whole, and need not be based on an increase or positive result under the business criteria selected.

The performance targets may include a threshold level of performance below which no payment will be made (or no vesting will occur), levels of performance at which specified payments will be made (or specified vesting will occur) and a maximum level of performance above which no additional payment will be made (or at which full vesting will occur). Performance targets will be subject to certification by the Compensation Committee.

Adjustments on Changes in Capitalization, Merger or Change in Control

Changes in Capitalization. In the event of any stock dividend, stock split, reverse stock split, recapitalization, combination or reclassification of stock, spin-off, extraordinary cash or other property dividend or similar change to the Company's capital structure, appropriate equitable adjustments will be made to:

the number and type of awards that may be granted under the 2007 Plan;

the number and type of options and other awards that may be granted to any individual under the 2007 Plan;

Table of Contents

the purchase price and number and class of securities issuable under each outstanding award; and

the repurchase price of any securities substituted for award shares that are subject to repurchase rights.

Merger or Change in Control. Generally, outstanding awards under the 2007 Plan may be assumed, converted, replaced, substituted or cashed out if any of the following corporate transactions occur (each, a Fundamental Transaction):

the dissolution or liquidation of the Company or the merger or consolidation in which the Company is not the surviving corporation;

a merger in which the Company is the surviving corporation but after which the Company's shareholders immediately prior to such merger cease to own their shares or other equity interest in the Company;

the sale of substantially all of the Company's assets; or

the acquisition, sale, or transfer of more than 50% of the Company's outstanding shares by tender offer or similar transaction.

In the event the successor corporation (if any) does not assume or substitute outstanding awards in connection with a Fundamental Transaction, the vesting with respect to such awards will accelerate so that the awards may be exercised before the closing of the Fundamental Transaction but then terminate. The Compensation Committee may also, in its sole discretion, elect to accelerate the vesting of any or all outstanding awards prior to the closing of any Fundamental Transaction or to cash out any or all outstanding awards at the transaction price less the exercise price of the award, if applicable, even if the successor corporation will assume such awards or provide for substitute awards.

In addition, the Board may also specify that certain other transactions or events constitute a change in control or divestiture (as such terms are defined in the 2007 Plan) and, in these cases, may take any one or more of the actions described above for a Fundamental Transaction and may also extend the exercise date of any award (but not beyond the original expiration date). The Board need not adopt the same rules for each award under the 2007 Plan or for each holder of an outstanding award.

The Compensation Committee may provide in an award agreement that any awards that are assumed or replaced in a Fundamental Transaction or change in control and do not otherwise accelerate at that time shall automatically accelerate in full in the event of an involuntary termination of the Grantee for any reason other than death, disability or cause within 18 months following the Fundamental Transaction or change in control, and such accelerated awards shall be exercisable for one year following termination, but in no event after the expiration of its term.

Amendment and Termination of the 2007 Plan

The Board may amend, alter, suspend or terminate the 2007 Plan, or any part thereof, at any time and for any reason. However, the Company must obtain shareholder approval for any amendment to the 2007 Plan to the extent necessary and desirable to comply with applicable laws. Generally, no such action by the Board or shareholders may alter or impair any award previously granted under the 2007 Plan without the written consent of the Grantee. The 2007 Plan will terminate on February 26, 2017, unless terminated earlier by the Board.

Federal Income Tax Consequences of Options and Stock Awards Under the 2007 Plan

THE FOLLOWING IS A SUMMARY OF THE FEDERAL INCOME TAX CONSEQUENCES OF GRANTS OF OPTIONS OR OTHER AWARDS UNDER THE 2007 PLAN. IT DOES NOT DESCRIBE STATE, LOCAL OR FOREIGN TAX CONSIDERATIONS. THE APPLICABLE RULES ARE COMPLEX AND MAY VARY WITH A GRANTEE'S INDIVIDUAL CIRCUMSTANCES. THE DESCRIPTION IS THUS NECESSARILY GENERAL AND DOES NOT ADDRESS ALL OF THE POTENTIAL FEDERAL AND OTHER INCOME TAX CONSEQUENCES TO EVERY GRANTEE.

Non-Statutory Stock Options

Edgar Filing: Public Storage - Form S-4

A Grantee will not recognize taxable income upon the grant of a non-statutory option. Upon exercise of the option, a Grantee will recognize taxable ordinary income equal to the difference between the fair market value of a share of common stock on the date of exercise and the option exercise price. The Company will generally be entitled to a tax deduction equal in amount to the income that a Grantee recognizes upon the exercise of a non-statutory option. When a Grantee sells the shares, the Grantee will have short-term or long-term capital gain or loss, as the case may be, equal to the difference between the amount the Grantee received from the sale and the tax basis of the shares sold. The tax basis of the shares generally will be equal to the greater of the fair market value of the shares on the exercise date or the option exercise price.

Table of Contents

Incentive Stock Options

A Grantee will not recognize taxable income upon the grant of an incentive stock option. If a Grantee exercises an incentive stock option during employment or within three months after his or her employment ends (12 months in the case of disability), the Grantee will not recognize taxable income at the time of exercise, although the Grantee generally will have taxable income for alternative minimum tax purposes at that time as if the option were a non-statutory stock option.

If a Grantee sells or exchanges the shares after the later of (a) one year from the date the Grantee exercised the option and (b) two years from the grant date of the option, the Grantee will recognize long-term capital gain or loss equal to the difference between the amount the Grantee received in the sale or exchange and the option exercise price. If a Grantee disposes of the shares before these holding period requirements are satisfied, the disposition will constitute a disqualifying disposition, and the Grantee generally will recognize taxable ordinary income in the year of disposition equal to the excess, as of the date of exercise of the option, of the fair market value of the shares received over the option exercise price (or, if less, the excess of the amount realized on the disposition of the shares over the option exercise price). Additionally, the Grantee will have long-term or short-term capital gain or loss, as the case may be, equal to the difference between the amount the Grantee received upon disposition of the shares and the option exercise price increased by the amount of ordinary income, if any, the Grantee recognized.

The Company will generally be entitled to a deduction with respect to an incentive stock option only if the Grantee makes a disqualifying disposition. In that situation, the Company will generally be entitled to a deduction in an amount equal to the ordinary income that the Grantee recognizes as a result of the disqualifying disposition.

With respect to both non-statutory stock options and incentive stock options, special rules apply if a Grantee uses shares already held by the Grantee to pay the exercise price or if the shares received upon exercise of the option are subject to a substantial risk of forfeiture by the Grantee.

Restricted Stock Awards

A Grantee of a restricted stock award generally will recognize taxable ordinary income when the restrictions on the shares lapse. The amount of income recognized will equal the excess of the fair market value of the shares at such time over the amount, if any, the Grantee paid to the Company for the shares. However, no later than 30 days after a Grantee receives the restricted stock award, the Grantee may elect under Section 83(b) of the Internal Revenue Code to recognize taxable ordinary income in an amount equal to the excess of the fair market value of the shares at the time of receipt over the amount the Grantee paid to the Company for the shares. Provided that the election is made in a timely manner, when the restrictions on the shares lapse, the Grantee will not recognize any additional income. The taxable income to the Grantee constitutes wages subject to income and employment tax withholding, and the Company receives a corresponding income tax deduction.

When a Grantee sells the shares, the Grantee will have short-term or long-term capital gain or loss, as the case may be, equal to the difference between the amount received from the sale and the tax basis of the shares sold. The tax basis of the shares generally will be equal to the amount, if any, that the Grantee paid to the Company for the shares plus the amount of taxable ordinary income the Grantee recognized either at the time the restrictions lapsed or at the time of a Section 83(b) election, if an election was made by the Grantee. If the Grantee forfeits the shares to the Company (e.g., upon the Grantee's termination prior to expiration of the restriction period), the Grantee may not claim a deduction with respect to the income recognized as a result of the election. Any dividends paid with respect to shares of restricted stock generally will be taxable as ordinary income to the Grantee at the time the dividends are received.

Stock Units

There are no immediate tax consequences of receiving an award of stock units under the 2007 Plan. A Grantee who is awarded stock units will be required to recognize ordinary income in an amount equal to the cash or fair market value of the shares of common stock issued to him when the restrictions on the stock units lapse.

Table of Contents

Stock Appreciation Rights

There are no immediate consequences of receiving an award of stock appreciation rights under the 2007 Plan. Upon exercising a stock appreciation right, a Grantee will recognize ordinary income in an amount equal to the difference between the exercise price and the fair market value of a share of common stock on the date of exercise.

Dividend Equivalent Rights and Cash Awards

Grantees who receive dividend equivalent rights or cash awards under the 2007 Plan will be required to recognize ordinary income on any amounts distributed to the Grantee pursuant to such awards.

Limitation on Deduction of Certain Compensation. A publicly held corporation may not deduct compensation of over a certain amount that is paid in any year to any of its executive officers unless the compensation constitutes qualified performance-based compensation under Section 162(m) of the Internal Revenue Code. The Company will generally attempt to ensure that any award under the 2007 Plan will qualify for deduction, but may not do so in every instance.

Plan Benefits

In March 2007, the Compensation Committee set the corporate performance targets for 2007 incentive compensation for our Named Executive Officers under the 2007 Plan, subject to shareholder approval of the 2007 Plan at the Annual Meeting. The Committee determined that these executives would be eligible for a bonus of up to ten times his or her respective base salary in 2007 based on achieving positive growth in FFO, revenues, and the Company's FAD. In addition, the Committee determined that these executives would be eligible for a separate bonus of up to ten times his or her base salary upon the successful completion of a capital plan for the Company's European operations to position it for long-term, sustainable growth. In each case above, the Compensation Committee may exercise negative discretion pursuant to Section 162(m) of the Internal Revenue Code to reduce the amount of the award. The actual annual incentive compensation awards paid to these executives pursuant to the 2007 Plan, if approved by the shareholders, may be paid in cash, restricted stock units or any combination thereof.

Required Vote

Approval of the Performance-Based Plan requires approval by a majority of the votes represented at the meeting and entitled to vote. For these purposes, an abstention or broker non-vote will not be treated as a vote cast.

The Board of Directors recommends you vote FOR approval of the 2007 Equity and Performance-Based Incentive Compensation Plan.

PROPOSAL 4

APPROVE PROPOSAL TO REORGANIZE FROM A CALIFORNIA CORPORATION TO A MARYLAND REAL ESTATE INVESTMENT TRUST

Our Board of Directors has unanimously approved a proposal to reorganize Public Storage from a California corporation into a Maryland real estate investment trust. For the reasons discussed below, our Board of Directors believes that the reorganization is in the best interests of the company and its shareholders. The resulting effect of the reorganization would be that the Maryland statute governing real estate investment trusts formed under the laws of that state, which we refer to as the Maryland REIT law, would govern our affairs and California law would no longer apply to us. Following the reorganization:

Our name will change from Public Storage, Inc. to Public Storage.

Our headquarters will continue to be located in Glendale, California. We will not establish any offices or operations in Maryland as a result of the reorganization.

Table of Contents

Our business and management will not change and will continue as they were immediately before the reorganization, and the Public Storage directors elected at the 2007 annual meeting will serve as trustees of the Maryland entity until the 2008 annual meeting.

Our fiscal year, assets, liabilities and dividend policies will be the same as immediately before the reorganization.

Each outstanding share of Public Storage, Inc. capital stock will convert automatically into one share of beneficial interest of the capital of PS Maryland, without any action of shareholders required.

Why Have We Chosen to Reorganize under Maryland Law?

Public Storage, Inc. was organized as a California corporation in 1980 under the name of Storage Equities, Inc. In 1980, the Company was a third-party administered real estate investment company with a \$30 million market capitalization and substantially all of its properties were located in California. At the time, the decision to organize in California reflected the Company's substantial connections to the state. Today Public Storage is a self-administered REIT with more than 2,000 properties in 38 states and seven foreign countries. As of March 14, 2007, the market value of our outstanding common stock was more than \$16 billion based on the closing price of our common stock on the New York Stock Exchange.

As we plan for the future, our Board and management believe that it is essential to be able to draw upon well established and comprehensive laws governing real estate investment trusts, or REITs. Our Board believes that because of Maryland's more comprehensive laws governing REITs and the number of REITs domiciled in that state, Maryland courts have developed an expertise in dealing with REITs and REIT issues and a greater body of relevant case law. Our Board believes that the comprehensive Maryland statutes, Maryland's policies with respect to REITs and the established body of relevant case law are highly conducive to the operations of a REIT and provide the directors and management of a REIT with greater certainty and predictability in managing the affairs of the company. That this belief is commonly held is evidenced by, among other things, the fact that nearly 200 publicly owned REITs are currently organized under Maryland law (including approximately 65% of REITs that are members of the National Association of Real Estate Investment Trusts, or NAREIT) and as of December 31, 2006, seven of the ten other REITs in the S&P 500 were organized under Maryland law.

The number of REITs organized under Maryland law may be attributable to the fact that for many years Maryland has encouraged REITs to establish their legal domicile in that state. In furtherance of that policy, Maryland has adopted comprehensive, modern and flexible laws that are periodically updated and revised to meet changing business needs, including a separate statute governing REITs that are organized as trusts, and many believe the separate statute helps provide greater certainty with respect to the treatment of a REIT under state law. The Maryland REIT Law and other provisions of Maryland law are favorable to REITs, including:

provisions permitting charter restrictions on the transferability of stock, which are necessary to satisfy REIT tax requirements;

provisions permitting the issuance of shares to holders for the specific purpose of satisfying REIT tax requirements on share ownership; and

no franchise taxes are imposed by the State of Maryland on real estate investment trusts.

As a result of the above, our Board believes that being organized in Maryland and being governed by Maryland law, like the majority of REITs in our peer group, would be in the best interest of the company and that our shareholders will benefit from the responsiveness of Maryland law to their needs and to those of the company that they own.

What are the Benefits of the Reorganization?

Our Board believes that Public Storage will benefit in several ways by reorganizing into a Maryland REIT:

Edgar Filing: Public Storage - Form S-4

We will be governed by the Maryland REIT law, which contains provisions conducive to the operations of a REIT.

Table of Contents

As a Maryland trust REIT (as opposed to a corporate REIT) we will have access to the benefits specifically afforded to trusts by the Maryland REIT law, including greater flexibility to address in our declaration of trust or bylaws a range of governance and other issues that the Maryland General Corporation Law otherwise prescribes or limits with respect to corporations.

Maryland offers additional protections for trustee and officer indemnification, which should facilitate our efforts to attract and retain qualified trustees and officers.

Maryland law offers additional protections in the event of an unsolicited takeover attempt that we believe should better protect shareholder interests.

The fact that many of our peer group companies are currently organized under the laws of Maryland (as discussed above) has resulted in the development of a comprehensive body of law and practice relating to Maryland REITs.

Being governed by Maryland law will bring the company's governance more in line with that of other REITs.

We expect to realize some cost savings by reorganizing into a trust.

Will the Company's Business Change after the Reorganization?

No, the reorganization will not result in any change in our business, board members, management team, fiscal year, assets, liabilities, or dividend policies.

Will the Reorganization Affect My Investment in Public Storage Shares?

Generally, no, although after the reorganization your investment will be in shares of a Maryland REIT instead of a California corporation. Our intention, however, is that the shares of beneficial interest of PS Maryland will mirror in all material respects the voting rights (except as provided under Maryland law as discussed below), dividend rights and liquidation rights attributable to the various classes and series of Public Storage stock prior to the effective time of the reorganization. Our common stock, equity stock and preferred stock is currently listed on the New York Stock Exchange under the symbols PSA, PSAPRW, PSAA, PSAPRF, PSAPRE, PSAPRV, PSAPRD, PSAPRL, PSAPRG, PSAPRH, PSAPRK, PSAPRI, PSAPRX, PSAPRZ, PSAPRA, PSAPRB, and PSAPRC. Following the reorganization, the common equity shares and preferred shares of PS Maryland will continue to be listed on the NYSE under the same symbols, and all share certificates representing shares of our stock immediately before to the merger will continue to represent a like number and kind of shares of beneficial interest in the surviving trust. The NYSE has advised us that it will consider delivery of existing certificates representing our common, equity and preferred stock as constituting good delivery of the surviving trust's shares of beneficial interest in transactions subsequent to the reorganization.

If the reorganization is approved, we will take necessary action to provide that all rights of participants in our equity incentive plans prior to the merger will be substantially identical to their rights following the reorganization. Accordingly, the participants' new rights will be on substantially identical terms and conditions contained in our existing plans. A vote to approve the reorganization will also be deemed a vote to approve the necessary amendments to the existing stock option and stock purchase plans.

Will the Reorganization Change My Voting Rights?

Generally, the voting rights of holders of common stock will not change after the reorganization. The voting rights of holders of equity stock and preferred stock will be reduced to the extent that California law provides for separate class votes for holders of equity stock and preferred stock for certain extraordinary transactions, such as mergers and reorganizations, while Maryland law has

Table of Contents

no comparable provisions. Holders of PS Maryland preferred shares will continue to have the voting rights described under Description of PS Maryland Shares of Beneficial Interest Preferred Shares of Beneficial Interest and holders of equity shares, series A will continue to vote as a single class with our common shares on all matters submitted for shareholder approval.

How Will the Reorganization be Accomplished?

The reorganization will be accomplished according to an Agreement and Plan of Merger (the Agreement) that we have entered into with PS Maryland, a copy of which is attached to this proxy statement/prospectus as Appendix B. The reorganization and the Agreement have been approved unanimously by our board of directors. Following approval by our shareholders, the reorganization will become effective when articles of merger are filed with and accepted for record by the State Department of Assessments and Taxation of the State of Maryland and when the certificate of merger is accepted for record by the Secretary of State of the State of California. We anticipate that this filing will be made as soon as possible after the annual meeting. Under the Agreement, at the effective time:

Public Storage will be merged with and into PS Maryland, which will be the survivor of the merger, and the name of the surviving entity will be Public Storage.

Public Storage will cease to exist as a California corporation. As a Maryland REIT, the surviving entity will be governed by Maryland law instead of California law.

Following the merger, the company will be governed by the PS Maryland declaration of trust and PS Maryland bylaws, in substantially the form attached to this proxy statement/prospectus as Appendices C and D, respectively.

The directors and officers of Public Storage will become the trustees and officers of the surviving trust.

All issued outstanding shares of our common stock will be converted into an equal number of common shares of the surviving trust.

All issued outstanding shares of our equity stock will be converted into an equal number of equity shares of the surviving trust, and the depositary shares representing 1/1000 of equity share will thereafter represent 1/1000 of an equity share of the surviving trust.

All issued outstanding shares of our preferred stock will be converted into an equal number of preferred shares of the surviving trust, and the depositary shares representing 1/1000 of a share of preferred stock will thereafter represent 1/1000 of an preferred share of the surviving trust.

All options, rights or warrants to purchase shares of our stock immediately prior to the merger will thereafter entitle the holder to purchase a like number of shares of beneficial interest in the surviving trust on the same terms without any action on the part of the holder.

Following the effective time of the merger, all share certificates representing shares of our capital stock immediately before to the merger will continue to represent a like number and kind of shares of beneficial interest in the surviving trust without any action on the part of the holder. **It will not be necessary for shareholders to exchange their existing stock certificates for certificates representing shares of beneficial interest of the surviving trust.** However, if they so choose, shareholders will have the ability to exchange their old share certificates for new share certificates issued in the name of the surviving trust by delivering their old stock certificates to Computershare Trust Company, N.A., our exchange agent, together with the required paperwork.

Are There Any Conditions to Completion of the Reorganization?

Edgar Filing: Public Storage - Form S-4

The reorganization is subject to a number of customary closing conditions, including receipt of all necessary governmental and other consents and approvals as well as the approval of the holders of at least a majority of each of (a) the outstanding shares of our common stock, (b) the outstanding shares of our equity stock, and (c) the outstanding shares of our preferred stock. Notwithstanding shareholder approval of the reorganization, we may terminate the Agreement and abandon the reorganization if circumstances arise or

Table of Contents

facts are revealed that make it inadvisable, in the judgment of our Board, to proceed with the reorganization. In addition, it is a condition to completion of the reorganization (which may be waived by the Board) that dissenters' rights with respect to the reorganization are exercised, if at all, only by holders of fewer than (a) 5% of the outstanding shares of Public Storage's NYSE-listed common, preferred and equity stock, and (b) 1% of the outstanding shares of Public Storage's equity stock, series AAA, and preferred stock, series Y. Approval of the reorganization proposal will also constitute approval of the Agreement, which is attached to this proxy statement/prospectus as Appendix B, as well as the corresponding changes required to our existing stock option and other employee benefit plans and arrangements.

Do Stockholders Have Dissenters' Rights in the Reorganization?

Since Public Storage's common stock and depositary shares representing interests in the equity stock, series A and in the preferred stock are listed on the New York Stock Exchange, dissenting shareholders' rights will not generally be available in connection with the reorganization unless shareholders owning five percent or more of the total outstanding common stock, equity stock or preferred stock file proper demands for payment pursuant to Chapter 13 of the California General Corporation Law following shareholder approval of the reorganization.

The following discussion is a summary of Sections 1300 through 1313 of the California General Corporation Law, sometimes referred to as the CGCL in this proxy statement/prospectus, which sets forth the procedures for Public Storage shareholders to dissent from the proposed reorganization and to demand statutory dissenters' rights of appraisal of their shares under the CGCL. The following discussion is not a complete statement of the provisions of the CGCL relating to the rights of Public Storage shareholders to payment of the fair market value of their shares and is qualified in its entirety by reference to the full text of Sections 1300 to and including 1313 of the CGCL, which is provided in its entirety as Appendix E to this proxy statement/prospectus. All references in Sections 1300 through 1313 of the CGCL and in this summary to a shareholder are to the holder of record of the shares of Public Storage stock as to which dissenters' rights are asserted. A person having a beneficial interest in the shares of Public Storage stock held of record in the name of another person, such as a broker or nominee, must act promptly to cause the holder of record to follow the steps summarized below properly and in a timely manner to perfect such person's dissenters' rights.

Chapter 13 of the CGCL provides Public Storage shareholders who do not approve the proposed reorganization with the right, subject to compliance with the requirements summarized below, to dissent and demand the payment of, and be paid in cash, the fair market value of their Public Storage shares owned by such shareholders as of March 23, 2007, the record date for Public Storage's annual shareholders meeting. In accordance with Chapter 13 of the CGCL, the fair market value of Public Storage shares will be their fair market value determined as of March 19, 2007, the last business day before the first announcement of the terms of the proposed reorganization made in the filing of our preliminary proxy statement/prospectus with the SEC, exclusive of any appreciation or depreciation in the value of the shares in consequence of the proposed reorganization. Because Public Storage's common stock equity stock, series A and preferred stock are listed on the New York Stock Exchange, shareholders will be entitled to dissent and seek payment of the fair market value for their shares only if holders of 5% or more of the outstanding shares of Public Storage common stock, equity stock or preferred stock properly dissent from the proposed reorganization and demand payment of fair market value, in which case all holders of shares of that class will have the right to dissent and seek payment of fair market value for such shares to the extent they comply with applicable procedures under the CGCL. Holders of the equity stock, AAA and the preferred stock, series Y will have dissenters' rights of appraisal irrespective of the percentage of holders of those classes that dissent from the reorganization.

Even though a shareholder who wishes to exercise dissenters' rights may be required to take certain actions before Public Storage's annual shareholders meeting, if the merger agreement relating to the proposed reorganization is later terminated and the proposed reorganization is abandoned, no Public Storage shareholder will have the right to any payment from Public Storage, other than necessary expenses incurred in proceedings initiated in good faith and reasonable attorneys' fees, by reason of having taken that action. The following discussion is subject to those qualifications.

Vote Against the Reorganization. Any Public Storage shareholder (other than holders of equity stock, AAA or preferred stock, series Y) who desires to exercise dissenters' rights must vote his, her or its shares against the proposed reorganization. If a Public Storage shareholder does not return a proxy that is voted against the proposed reorganization, then he, she or it will not be entitled to exercise dissenters' rights.

Written Demand for Payment. Written demand must be made by the record holder of the shares. Such demand must be mailed or otherwise directed to Public Storage, Inc., 701 Western Avenue, Glendale, California 91201-2349, Attn: Corporate Secretary, Telephone: (818) 244-8080; be received not later than the date of the annual meeting; specify the shareholder's name and mailing address and the number and class of shares of Public Storage stock held of record which the shareholder demands Public Storage purchase; state that the shareholder is demanding purchase of the shares and payment of their fair market value; and state the price which the shareholder claims to be the relevant fair market value of the shares. The fair market value of the shares is determined as of the day before the first announcement of the terms of the proposed reorganization. The statement of fair market value constitutes an offer by the shareholder to sell the shares to Public Storage at such price.

Edgar Filing: Public Storage - Form S-4

In addition, within 30 days after notice of the approval of the proposed reorganization by the holders of the requisite percentages of Public Storage shares entitled to vote thereon is mailed to shareholders, the shareholder must also submit to Public Storage or a transfer agent of Public Storage, for endorsement as dissenting shares, the stock certificates representing the Public Storage shares as to which the shareholder is exercising dissenters' rights.

Simply failing to vote for, or voting against, the proposed reorganization will not be sufficient to constitute the demand described above.

Shares of Public Storage stock held by shareholders who have perfected their dissenters' rights in accordance with Chapter 13 of the CGCL and have not withdrawn their demands or otherwise lost their rights are referred to in this summary as dissenting shares.

Notice by Public Storage. Within 10 days after approval of the proposed reorganization by Public Storage's shareholders, Public Storage must mail notice of the approval, accompanied by a copy of Sections 1300, 1301, 1302, 1303, and 1304 of the CGCL, to each Public Storage shareholder who voted against the proposed reorganization and who properly made a written demand to Public Storage in the manner described above and otherwise in accordance with the applicable provisions of Chapter 13 of the CGCL. This notice must state the price determined by Public Storage to represent the fair market value of the dissenting shares. As stated above, the fair market value of the shares is determined as of the day before the first announcement of the terms of the proposed reorganization. The notice must also include a brief description of the procedure to be followed if the shareholder desires to exercise the shareholder's right under such sections. The statement of price determined by Public Storage to represent the fair market value of dissenting shares, as set forth in the notice of approval of the reorganization, will constitute an offer by Public Storage to purchase the dissenting shares at the stated amount if the proposed reorganization closes and the dissenting shares do not otherwise lose their status as such.

Irrespective of the percentage of Public Storage's shares with respect to which dissent demands have been properly filed, Public Storage must mail the notice referred to above to any shareholder who has filed a demand with respect to Public Storage's shares that are subject to transfer restrictions imposed by Public Storage or by any law or regulations.

Payment of agreed upon price. If Public Storage and a dissenting shareholder agree that the shares are dissenting shares and agree on the price of the shares, the dissenting shareholder is entitled to receive the agreed price with interest at the legal rate on judgments from the date of that agreement. Payment for the dissenting shares must be made within 30 days after the later of the date of that agreement or the date on which all statutory and contractual conditions to the proposed reorganization are satisfied. Payments are also conditioned on the surrender of the certificates representing the dissenting shares.

Determination of dissenting shares or fair market value. If Public Storage denies that shares are dissenting shares or the shareholder fails to agree with Public Storage as to the fair market value of the shares, then, within the time period provided by Section 1304(a) of the CGCL, any shareholder demanding purchase of such shares as dissenting shares or any interested corporation may file a complaint in the superior court in the proper California county praying the court to determine whether the shares are dissenting shares or as to the fair market value of the holder's shares, or both, or may intervene in any action pending on such complaint.

On the trial of the action, the court determines the issues. If the status of the shares as dissenting shares is in issue, the court first determines that issue. If the fair market value of the dissenting shares is in issue, the court determines, or appoints one or more impartial appraisers to determine, the fair market value of the shares.

If the court appoints an appraiser or appraisers, they shall proceed to determine the fair market value per share. Within the time fixed by the court, the appraisers, or a majority of the appraisers, shall make and file a report in the office of the clerk of the court. Thereafter, on the motion of any party, the report shall be submitted to the court and considered on such evidence as the court considers relevant. If the court finds the report reasonable, the court may confirm it.

If a majority of the appraisers fail to make and file a report within 10 days after the date of their appointment or within such further time as the court allows, or if the court does not confirm the report, the court determines the fair market value of the dissenting shares. Subject to Section 1306 of the CGCL, judgment is rendered against Public Storage for payment of an amount equal to the fair market value of each dissenting share multiplied by the number of dissenting shares that any dissenting shareholder who is a party, or who has intervened, is entitled to require Public Storage to purchase, with interest at the legal rate from the date on which the judgment is entered. Any party may appeal from the judgment.

The costs of the action, including reasonable compensation to the appraisers to be fixed by the court, is assessed or apportioned as the court considers equitable. However, if the appraisal determined by the court is more than the price offered by Public Storage, Public Storage pays the costs (including, in the discretion of the court, attorneys' fees, fees of expert witnesses and interest at the legal rate on judgments from the date the shareholder made the demand and submitted shares for endorsement if the value awarded by the court for the shares is more than 125 percent of the price offered by Public Storage).

Maintenance of dissenting share status. Except as expressly limited by Chapter 13 of the CGCL, holders of dissenting shares continue to have all the rights and privileges incident to their shares until the fair market value of their shares is agreed upon or determined. A holder of dissenting

Edgar Filing: Public Storage - Form S-4

shares may not withdraw a demand for payment unless Public Storage consents to the withdrawal. Dissenting shares lose their status as dissenting shares, and dissenting shareholders cease to be entitled to require Public Storage to purchase their shares upon the happening of any of the following:

the proposed reorganization is abandoned;

the shares are transferred before their submission to Public Storage for the required endorsement;

the dissenting shareholder and Public Storage do not agree on the status of the shares as dissenting shares or do not agree on the purchase price, but neither Public Storage nor the shareholder files a complaint or intervenes in a pending action within six months after Public Storage mails a notice that its shareholders have approved the proposed reorganization; or

with Public Storage's consent, the dissenting shareholder withdraws the shareholder's demand for purchase of the dissenting shares. To the extent that the provisions of Chapter 5 of the CGCL (which places conditions on the power of a California corporation to make distributions to its shareholders) prevent the payment to any holders of dissenting shares of the fair market value of the dissenting shares, the dissenting shareholders will become creditors of Public Storage for the amount that they otherwise would have received in the repurchase of their dissenting shares, plus interest at the legal rate on judgments until the date of payment, but subordinate to all other creditors of Public Storage in any liquidation proceeding, with the debt to be payable when permissible under the provisions of Chapter 5 of the CGCL.

Any Public Storage shareholder wishing to exercise dissenters' rights is urged to consult legal counsel before attempting to exercise dissenters' rights. Failure to comply strictly with all of the procedures set forth in Sections 1300-1313 of the CGCL may result in the loss of a shareholder's statutory dissenters' rights. In such case, such shareholder will be entitled to receive only the applicable class or series of PS Maryland shares for their shares of Public Storage, Inc. stock as provided in the merger agreement.

What are the Material Federal Income Tax Consequences of the Reorganization?

Consummation of the reorganization merger is subject to our receipt of an opinion from our special tax counsel, Hogan & Hartson LLP, that, on the basis of facts, representations and assumptions set forth in the opinion, the transaction will be treated for federal income tax purposes as a reorganization within the meaning of Section 368(a) of the Internal Revenue Code (the Code). Based on the intended qualification of the reorganization as a reorganization under the Code, no gain or loss will be recognized by Public Storage as a result of the reorganization, and no gain or loss will be recognized by any shareholder of Public Storage who receives shares of beneficial interest in the new Maryland real estate investment trust in exchange for our shares of our stock, except to the extent a shareholder receives cash in connection with an exercise of dissenters' rights. State, local or foreign income tax consequences to shareholders may vary from the federal tax consequences described above, and shareholders should consult their own tax advisors as to the effect of the reorganization under applicable tax laws.

Description of PS Maryland Shares of Beneficial Interest

The following is a summary of the material terms of the shares of beneficial interest of PS Maryland. The discussion that follows is based in part on the terms of PS Maryland's declaration of trust and bylaws as both will be in effect upon completion of the proposed reorganization. All references to the declaration of trust and bylaws are to these amended versions, copies of which are attached as Appendices C and D to this proxy statement/prospectus.

Common Shares of Beneficial Interest

PS Maryland is authorized to issue up to 650,000,000 common shares of beneficial interest, par value \$0.10 per share. At March 14, 2007, Public Storage had outstanding 170,443,552 shares of its common stock (excluding shares issuable upon conversion of convertible securities and shares subject to options). Upon completion of the reorganization, each of these outstanding shares will be converted into one common share of PS Maryland.

Holders of PS Maryland common shares will be entitled to receive dividends when, as and if declared by our board of trustees, out of funds legally available for distribution. If PS Maryland fails to pay dividends on its outstanding preferred shares of beneficial interest, generally PS Maryland may not pay dividends on or repurchase its common shares. If PS Maryland were to liquidate, dissolve or wind up its affairs, holders of common shares will be entitled to share equally and ratably in any assets available for distribution to them, after payment or provision for payment of PS Maryland's debts and other liabilities and the preferential amounts owing with respect to any of its outstanding preferred shares. Holders of common shares will have no preemptive rights, which means they have no right to acquire any additional common shares that PS Maryland may issue at a later date.

The holders of PS Maryland common shares will be entitled to cast one vote for each share on all matters presented to our holders for a vote. The PS Maryland common shares will be, when issued, fully paid and nonassessable.

The rights, preferences and privileges of holders of PS Maryland common shares are subject to, and may be adversely affected by, the rights of the holders of shares of any series of PS Maryland preferred shares or equity shares which will be outstanding upon completion of the reorganization or which we may designate and issue in the future. The preferred shares and equity shares are described below.

Preferred Shares of Beneficial Interest

PS Maryland is authorized to issue up to 100,000,000 preferred shares of beneficial interest, par value \$0.01 per share (Preferred Shares). Our declaration of trust will provide that Preferred Shares may be issued from time to time in one or more series and give our board of trustees broad authority to fix the dividend and distribution rights, conversion and voting rights, if any, redemption provisions and liquidation preferences of each series of Preferred Shares. Holders of Preferred Shares will have no preemptive rights. The Preferred Shares will be, when issued, fully paid and nonassessable.

At February 26, 2007, we had outstanding 17 series of preferred stock and had reserved for issuance, upon conversion of preferred units in one of our operating partnerships, two additional series. Each series (1) has a stated value of \$25.00 per share or depositary share as applicable, (2) provides for cumulative quarterly distributions calculated as a percentage of the stated value (ranging from 6.125% to 7.500% per year) in preference to the holders of shares of Public Storage common stock and any other capital stock ranking junior to such preferred stock as to payment of dividends, and (3) is subject to redemption after a specified date, in whole or in part, at our option at a cash redemption price of \$25.00 per share or depositary share as applicable, plus accrued and unpaid distributions.

Upon completion of the reorganization, the outstanding shares of each series of Public Storage preferred stock will be converted into Preferred Shares of a corresponding series, having terms substantially similar to those of the Public Storage preferred stock, and the depositary shares representing such Public Storage preferred stock will thereafter represent such Preferred Shares. The following table shows the series of Preferred Shares that PS Maryland will issue upon completion of the reorganization, including the distribution rate and date upon which such shares first will be subject to redemption at the option of PS Maryland:

Ranking. The Preferred Shares of each series to be issued upon completion of the reorganization will, with respect to distribution rights and rights upon liquidation, dissolution or winding up of our affairs, rank:

(1) senior to the common shares, any additional class of common shares, existing and future equity shares and any future series of preferred shares ranking junior to the Preferred Shares; and

(2) on a parity with all other Preferred Shares issued or reserved for issuance upon completion of the reorganization.

Distributions. Holders of Preferred Shares of a particular series will be entitled to receive, when, as and if declared by our board of trustees, out of our assets legally available for payment, cash distributions at the respective rates and on the respective dates as set forth in the articles supplementary relating to such series. Each distribution will be payable to holders of record as they appear on our share transfer books on the record dates fixed by our board of trustees.

Distributions on the Preferred Shares issued or reserved for issuance as of the completion of the reorganization will be cumulative from and after the date of issuance or most recent payment date of dividends on the analogous series of Public Storage preferred stock. No distributions (other than in common shares or other shares of beneficial interest ranking junior to the Preferred Shares as to distributions and upon liquidation) will be declared or paid or set aside for payment (nor will any other distribution be declared or made upon our common shares, or any of our other shares of beneficial interest ranking junior to or on a parity with the Preferred Shares of the series as to distributions or upon liquidation), nor will any common shares or any other of our shares of beneficial interest ranking junior to or on a parity with the Preferred Shares of the series as to distributions or upon liquidation be redeemed, purchased

Table of Contents

or otherwise acquired for any consideration (or any moneys be paid to or made available for a sinking fund for the redemption of any such shares) by us (except by conversion into or exchange for our other shares of beneficial interest ranking junior to the Preferred Shares of the series as to distributions and upon liquidation) unless full cumulative distributions on the Preferred Shares of the series have been or contemporaneously are declared and paid or declared and a sum set apart for payment for all past distribution periods and the then current distribution period.

Any distribution made on shares of a series of cumulative Preferred Shares being offered will first be credited against the earliest accrued but unpaid distribution due with respect to shares of the series which remains payable.

Redemption. The Preferred Shares will be subject to redemption at our option, in whole or in part, beginning on the respective dates shown on the table above. The Preferred Shares also will be subject to redemption at our option, in whole or in part, if the Board of Trustees determines in good faith that such redemption, is necessary to maintain the company's status as a REIT for tax purposes. The redemption price may be payable in cash, securities or other property, as specified in the articles supplementary relating to each outstanding series of Preferred Shares.

Notwithstanding the foregoing, no Preferred Shares of any series will be redeemed and we will not purchase or otherwise acquire directly or indirectly any Preferred Shares of that series (except by conversion into or exchange for our shares of beneficial interest ranking junior to the Preferred Shares of that series as to distributions and upon liquidation) unless all outstanding Preferred Shares of the series in question are simultaneously redeemed and, in each case full cumulative distributions on the Preferred Shares of that series will have been or contemporaneously are declared and paid or declared and a sum sufficient for payment for all past distribution periods and the then current distribution period is set apart.

If fewer than all of the outstanding Preferred Shares of any series being offered are to be redeemed, the number of shares to be redeemed will be determined by us and these shares must be redeemed pro rata from the holders of record of these shares in proportion to the number of these shares held by such holders (with adjustments to avoid redemption of fractional shares) or any other equitable method determined by us.

Notice of redemption will be mailed at least 30 days but not more than 60 days before the redemption date to each holder of record of Preferred Shares of any series to be redeemed at the address shown on our stock transfer books. Each notice will state:

- (1) the redemption date;
- (2) the number of shares and series of the Preferred Shares to be redeemed;
- (3) the redemption price;
- (4) the place or places where certificates for such Preferred Shares are to be surrendered for payment of the redemption price; and
- (5) that distributions on the Preferred Shares to be redeemed will cease to accrue on the redemption date.

If fewer than all the Preferred Shares of any series are to be redeemed, the notice mailed to each holder will also specify the number of Preferred Shares to be redeemed from the holder and, upon redemption, a new certificate will be issued representing the unredeemed shares without cost to the holder. To facilitate the redemption of Preferred Shares, our board of trustees may fix a record date for the determination of Preferred Shares to be redeemed. The record date may not be less than 30 or more than 60 days before the date fixed for redemption.

If notice has been given as provided above, unless we default in providing funds for the payment of the redemption price on that date, then from and after the redemption date all distributions on the Preferred Shares called for redemption will cease. From and after the redemption date, unless we default, all rights of the holders of our Preferred Shares of such series, except the right to receive the redemption price (but without interest), will cease.

Subject to applicable law and the limitation on purchases when distributions on Preferred Shares are in arrears, we may, at any time and from time to time, purchase any Preferred Shares in the open market, by tender or by private agreement.

Liquidation Preference. If we voluntarily or involuntarily liquidate, dissolve or wind-up our affairs, then, before we make any distribution or payment to the holders of any common shares or any other class or series of our shares of beneficial interest ranking junior to the Preferred Shares in the distribution of assets upon our liquidation, dissolution or winding up, the holders of each series of Preferred Shares will be entitled to receive out of our assets legally available for distribution to shareholders liquidating distributions in the amount of the liquidation preference per share (set forth in the applicable articles supplementary relating to such series), plus an amount equal to all accrued and unpaid distributions. After payment of the full amount of the liquidating distributions to which they are entitled, the holders of Preferred Shares will have no right or claim to any of our remaining assets. In the event that, upon the voluntary or involuntary liquidation, dissolution or winding up, our legally available assets are insufficient to pay the amount of the liquidating distributions on all outstanding Preferred Shares of any series and the corresponding amounts payable on all shares of other classes or series of our shares of beneficial interest ranking on a parity with the Preferred Shares in the distribution of assets upon liquidation, dissolution or winding up, then the holders of the Preferred Shares and all other such classes or series of shares of beneficial interest will share ratably in any distribution of assets in proportion to the full liquidating distributions to which they would otherwise be respectively entitled.

If liquidating distributions have been made in full to all holders of Preferred Shares, our remaining assets will be distributed among the holders of any other classes or series of shares of beneficial interest ranking junior to the Preferred Shares upon liquidation, dissolution or winding up, according to their respective rights and preferences and in each case according to their respective number of shares. For these purposes, our consolidation or merger with or into any other corporation, or the sale, lease, transfer or conveyance of all or substantially all of our property or business, will not be deemed to constitute a liquidation, dissolution or winding up.

Voting Rights. Holders of the Preferred Shares will not have any voting rights, except as set forth below or as otherwise expressly required by law or as indicated in the applicable articles supplementary.

If six quarterly distributions payable on any series of Preferred Shares are in default (whether or not declared or consecutive), the holders of all the series of Preferred Shares, voting as a single class with all other series of Preferred Shares upon which similar voting rights have been conferred and are exercisable, will be entitled to elect two additional trustees until all distributions in default have been paid or declared and set apart for payment.

The right to vote separately to elect trustees will, when vested, be subject, always, to the same provisions for vesting of the right to elect trustees separately in the case of future distribution defaults. At any time when the right to elect trustees separately has vested, we may, and upon the written request of the holders of record of not less than 20% of our total number of Preferred Shares then outstanding will, call a special meeting of shareholders for the election of trustees. In the case of the written request, a special meeting will be held within 90 days after the delivery of the request and, in either case, at the place and upon the notice provided by law and in the bylaws. However, we will not be required to call a special meeting if the request is received less than 120 days before the date fixed for the next annual meeting of shareholders, and the holders of all classes of outstanding Preferred Shares are offered the opportunity to elect the trustees (or fill any vacancy) at the annual meeting of shareholders. Trustees so elected will serve until the next annual meeting of shareholders or until their respective successors are elected and qualify. If, before the end of the term of any trustee so elected, a vacancy in the office of the trustee occurs, during the continuance of a default by reason of death, resignation, or disability, the vacancy will be filled for the unexpired term of the former trustee by the appointment of a new trustee by the remaining trustee or trustees so elected.

The affirmative vote or consent of the holders of at least 66^{2/3}% of the outstanding Preferred Shares of each series issued upon closing of the reorganization will be required to amend or repeal any provision of, or add any provision to, our declaration of trust, including the articles supplementary, if this action would adversely alter or change the rights, preferences or privileges of the series of Preferred Shares.

Our board of trustees will not, without the consent of holders of at least 66^{2/3}% of the outstanding Preferred Shares, voting as a single class, authorize another class of shares of beneficial interest senior to the Preferred Shares. No consent or approval of the holders of any series of Preferred Shares will be required for the issuance from our authorized but unissued Preferred Shares of other Preferred Shares of any series ranking on a parity with or junior to the Preferred Shares in question, or senior to a series of Preferred Shares expressly made junior to that series of Preferred Shares as to payment of distributions and distribution of assets, including other Preferred Shares of the same series.

Table of Contents

These voting provisions will not apply if, at or prior to the time when the act with respect to which a vote would otherwise be required is effected, all outstanding Preferred Shares of the series had been redeemed or called for redemption upon proper notice and sufficient funds had been deposited in trust to effect the redemption.

Equity Shares

We are authorized to issue up to 200,000,000 equity shares of beneficial interest, par value \$.01 per share. Our declaration of trust will provide that the equity shares may be issued from time to time in one or more series and give our board of trustees broad authority to fix the distribution, conversion and voting rights, redemption provisions and liquidation rights of each series of equity shares. Holders of equity shares have no preemptive rights. The equity shares will be, when issued, fully paid and nonassessable.

At February 26, 2007, Public Storage had two series of equity stock outstanding, consisting of 8,744,193 equity shares, Series A, and 4,289,544 equity shares, Series AAA, each of which rank on a parity with our common stock. The equity stock, series A is represented by 8,774,193 depositary shares (each depositary share representing $\frac{1}{1,000}$ of an Equity Share, series A). The Public Storage equity stock, Series A (1) provides for cash distributions at the rate of five times the distributions on the common stock per depositary share, but not more than \$2.45 per depositary share per year, (2) may be redeemed on or after March 31, 2010 at \$24.50 per depositary share, (3) on liquidation receives the same per share amount allocated in respect of a Common Share, but not to exceed \$24.50 per depositary share, (4) is convertible into common stock at the rate of one depositary share into .956 shares of common stock if Public Storage fails to preserve its status as a REIT and (5) votes as a single class with the common stock at the rate of one-tenth of a vote per depositary share.

The Public Storage equity stock, Series AAA (1) provides for cash distributions at the rate of five times the distributions on the common stock, provided that such distributions shall be neither more than \$.539101563 per share per quarter nor less than the lesser of \$.215640625 per share per year or five times the dividends per share on the common stock per year, (2) is not redeemable except in certain limited circumstances (including if the Company determines a redemption is necessary to maintain the Company's status as a REIT), (3) receives on liquidation, dissolution or winding up of the Company 120% of the amount distributed per share of common stock, (4) is not convertible into common stock except in certain limited circumstances and (5) has no voting rights.

Upon completion of the reorganization, each of these outstanding shares of Public Storage equity stock will be converted into one equity share of beneficial, having terms substantially similar to those of the Public Storage equity stock.

Depositary Shares

Certain of the PS Maryland Preferred Shares and equity shares will be represented by depositary shares, each of which will represent a fractional interest in a Preferred Share or Equity Share of a specified series as described in the applicable articles supplementary. The Preferred Shares or Equity Shares represented by the depositary shares will be deposited with Computershare Trust Company, N.A., or other depositary, under a deposit agreement, among the depositary, the holders of the depositary receipts and us. Depositary receipts, which are certificates evidencing depositary shares, will be issued to evidence the depositary shares. The depositary will be the transfer agent, registrar and dividend disbursing agent for the depositary shares. Holders of depositary receipts agree to be bound by the deposit agreement, which requires holders to take certain actions such as filing proof of residence and paying certain charges.

Distributions. The depositary will distribute all cash or other cash distributions received in respect of the series of Preferred Shares or Equity Shares represented by the depositary shares to the record holders of depositary receipts in proportion to the number of depositary shares owned by those holders on the relevant record date, which will be the same date as the record date fixed by us for the applicable series of Preferred Shares or Equity Shares. The depositary, however, will distribute only an amount as can be distributed without attributing to any depositary share a fraction of one cent with any undistributed balance added to and treated as part of the next sum received by the depositary for distribution to record holders of depositary receipts then outstanding.

In the event of a distribution other than in cash, the depositary will distribute property received by it to the record holders of depositary receipts that are entitled to receive the distribution, in proportion, as nearly as may be

Table of Contents

practicable, to the number of depositary shares owned by those holders on the relevant record date, unless the depositary determines (after consultation with us) that it is not feasible to make the distribution. If this occurs, the depositary may (with our approval) sell the property and distribute the net proceeds from that sale to those holders or adopt another method of distribution as it deems equitable and appropriate.

Liquidation Rights. If we liquidate, dissolve or wind up our affairs, whether voluntary or involuntary, the holders of each depositary share will be entitled to the fraction of the liquidation amount accorded each share of the applicable series of Preferred Shares or Equity Shares, as set forth in the applicable articles supplementary.

Redemption. For all cases where series of Preferred Shares or Equity Shares represented by that series of depositary shares is redeemable, those depositary shares will be redeemed from the proceeds received by the depositary resulting from the redemption, in whole or in part, of that series of Preferred Shares or Equity Shares held by the depositary. Whenever we redeem any Preferred Shares or Equity Shares held by the depositary, the depositary will redeem as of the same redemption date the number of depositary shares representing the Preferred Shares or Equity Shares so redeemed. The depositary will mail the notice of redemption promptly upon receipt of such notice from us and not less than 30 nor more than 60 days prior to the date fixed for redemption of the Preferred Shares or Equity Shares and the depositary shares to the record holders of the depositary receipts.

Voting. Promptly upon receipt of notice of any meeting at which the holders of the series of Preferred Shares or Equity Shares represented by the applicable series of depositary shares are entitled to vote, the depositary will mail the information contained in the notice of meeting to the record holders of the depositary receipts as of the record date for that meeting. Each record holder of depositary receipts will be entitled to instruct the depositary as to the exercise of the voting rights pertaining to the number of Preferred Shares or Equity Shares represented by that record holder's depositary shares. The depositary will then try, as far as practicable, to vote the Preferred Shares or Equity Shares represented by such depositary shares in accordance with those instructions, and we will agree to take all action which may be deemed necessary by the depositary in order to enable the depositary to do so. The depositary will not vote any of the Preferred Shares or Equity Shares to the extent that it does not receive specific instructions from the holders of depositary receipts.

Withdrawal of Preferred Shares or Equity Shares. Upon surrender of depositary receipts at the principal office of the depositary, upon payment of any unpaid amount due the depositary, and subject to the terms of the deposit agreement, the holder of the depositary shares evidenced by the depositary receipts is entitled to delivery of the number of whole Preferred Shares or Equity Shares and all money and other property, if any, represented by those depositary shares. Partial Preferred Shares or Equity Shares will not be issued. If the depositary receipts delivered by the holder evidence a number of depositary shares in excess of the number of depositary shares representing the number of whole Preferred Shares or Equity Shares to be withdrawn, the depositary will deliver to that holder at the same time a new depositary receipt evidencing the excess number of depositary shares. Holders of withdrawn preferred shares or equity shares will not be entitled to deposit those shares under the deposit agreement or to receive depositary receipts evidencing depositary shares.

Amendment and Termination of Deposit Agreement. The form of depositary receipt evidencing the depositary shares of any series and any provision of the deposit agreement may at any time be amended by agreement between the depositary and us. However, any amendment which materially and adversely alters the rights of the holders (other than any change in fees) of depositary shares of any series will not be effective unless that amendment has been approved by the holders of at least a majority of the depositary shares of that series then outstanding. No such amendment may impair the right, subject to the terms of the deposit agreement, of any owner of any depositary shares to surrender the depositary receipt evidencing those depositary shares with instructions to the depositary to deliver to the holder the Preferred Shares or Equity Shares and all money and other property, if any, represented by the depositary receipt, except in order to comply with mandatory provisions of applicable law. The deposit agreement may be terminated by the depositary or us only if:

- (1) all outstanding depositary shares have been redeemed or
- (2) there has been a final distribution in respect of the preferred stock or equity stock in connection with our liquidation, dissolution or winding up and the distribution has been made to all the holders of depositary shares.

Charges of Depositary. We will pay all transfer and other taxes and governmental charges arising solely from the existence of the depositary arrangements. We will pay charges of the depositary in connection with the initial deposit of the Preferred Shares or Equity Shares and the initial issuance of the depositary shares, and redemption of the Preferred Shares or Equity Shares and all withdrawals of Preferred Shares or Equity Shares by owners of depositary shares. Holders of depositary receipts will pay transfer, income and other taxes and governmental charges and those other charges as are provided in the deposit agreement to be for their accounts. In some circumstances, the depositary may refuse to transfer depositary shares, may withhold dividends and distributions and sell the depositary shares evidenced by the depositary receipt if the charges are not paid.

Miscellaneous. The depositary will forward to the holders of depositary receipts all reports and communications from us which are delivered to the depositary and which we are required to furnish to the holders of the Preferred Shares or Equity Shares. In addition, the depositary will make available for inspection by holders of depositary receipts at the principal office of the depositary, and at other places as it may from time to time deem advisable, any reports and communications received from us which are received by the depositary as the holder of Preferred Shares or Equity Shares.

Neither the depositary nor we assume any obligation or liability under the deposit agreement to holders of depositary receipts other than for its or our negligence or willful misconduct. Neither the depositary nor we will be liable if the depositary is prevented or delayed by law or any circumstance beyond its control in performing its obligations under the deposit agreement. Our obligations and those of the depositary under the deposit agreement will be limited to performance in good faith of the depositary's duties under the deposit agreement. Neither of us will be obligated to prosecute or defend any legal proceeding in respect of any depositary shares or Preferred Shares or Equity Shares unless satisfactory indemnity is furnished. We and the depositary may rely on written advice of counsel or accountants, on information provided by holders of depositary receipts or other persons believed in good faith to be competent to give the information and on documents believed to be genuine and to have been signed or presented by the proper party or parties.

Resignation and Removal of Depositary. The depositary may resign at any time by delivering to us notice of its election to do so, and we may at any time remove the depositary. Any resignation or removal will take effect upon the appointment of a successor depositary and its acceptance of the appointment. The successor depositary must be appointed within 60 days after delivery of the notice for resignation or removal and must be a bank or trust company having its principal office in the United States of America and having a combined capital and surplus of at least \$150,000,000.

Power to Reclassify Shares and Issue Additional Shares

The PS Maryland declaration of trust authorizes our board of trustees to classify any unissued preferred shares or equity shares and to reclassify any previously classified but unissued common shares, preferred shares and equity shares of any series from time to time in one or more series, as authorized by the board of trustees. Prior to issuance of shares of each class or series, the PS Maryland board of trustees is required by the Maryland REIT law and our declaration of trust to set for each such class or series, subject to the provisions of our declaration of trust regarding the restrictions on transfer of shares of beneficial interest, the terms, preferences, conversion or other rights, voting powers, restrictions, limitations as to dividends or other distributions, qualifications and terms or conditions of redemption for each such class or series. As a result, the PS Maryland board of trustees could authorize the issuance of preferred shares or equity shares that have priority over the common shares with respect to dividends and rights upon liquidation and with other terms and conditions that could have the effect of delaying, deterring or preventing a transaction or a change in control that might involve a premium price for holders of common shares or otherwise might be in their best interest.

Holders of our shares will not have preemptive rights, which means they will have no right to acquire any additional shares that we may issue at a subsequent date.

Restrictions on Ownership and Transfer

To qualify as a REIT under the Code, Public Storage's shares must be beneficially owned by 100 or more persons during at least 335 days of a taxable year of 12 months or during a proportionate part of a shorter taxable

Table of Contents

year. Also, not more than 50% of the value of Public Storage's outstanding shares (after taking into account options to acquire shares) may be owned, directly, indirectly or through attribution, by five or fewer individuals (as defined in the Code to include certain entities) during the last half of a taxable year. To continue to qualify as a REIT, PS Maryland, which will be treated as a continuation of Public Storage for federal income tax purposes, must continue to satisfy these requirements after the effective time of the reorganization.

To maintain Public Storage's qualification as a REIT, Public Storage's current charter and bylaws include certain restrictions on the number of common shares, preferred shares and shares of equity stock that a person may own. Public Storage's board of directors believes that it is essential for PS Maryland to continue to qualify as a REIT after the effective date of the reorganization. For this reason, the declaration of trust, subject to certain exceptions, will include restrictions on the number of PS Maryland shares that a person may own. A discussion of certain material differences between the rights of shareholders under Public Storage's existing articles of incorporation and bylaws and the PS Maryland declaration of trust and bylaws (including the limits on ownership of shares) is included in the section below titled "Comparison of Rights of Shareholders."

The declaration of trust will provide:

no person, other than an excepted holder or a designated investment entity (each as defined in the declaration of trust and as described below), may own directly or indirectly, or be deemed to own by virtue of the attribution provisions of the Code, more than 3%, in value or number of common shares, whichever is more restrictive, of the outstanding shares of any class or series of common shares;

no person, other than a designated investment entity or an excepted holder (each as defined in the declaration of trust and as described below), may own directly or indirectly, or be deemed to own through attribution, more than 9.9% in value or number of shares, whichever is more restrictive, of the outstanding shares of any class or series of preferred shares, or equity shares;

no excepted holder, which means certain members of the Hughes family, certain trusts established for the benefit of members of the Hughes family, certain related entities, as well as persons whose ownership of shares would cause members of the Hughes family to be deemed to own shares pursuant to application attribution rules under the Code, may own directly or indirectly common shares if, under the applicable tax attribution rules of the Code, any single excepted holder who is treated as an individual would own more than 35.66%, in value or number of shares, whichever is more restrictive, of any class or series of the outstanding common shares, any two excepted holders treated as individuals would own more than 38.66%, in value or number of shares, whichever is more restrictive, of any class or series of the outstanding common shares, any three excepted holders treated as individuals would own more than 41.66%, in value or number of shares, whichever is more restrictive, of any class or series of the outstanding common shares, any four excepted holders treated as individuals would own more than 44.66%, in value or number of shares, whichever is more restrictive, of any class or series of the outstanding common shares, or any five excepted holders treated as individuals would own more than 47.66%, in value or number of shares, whichever is more restrictive, of any class or series of the outstanding common shares;

no excepted holder, as described above, may own directly or indirectly, or be deemed to own through attribution, more than 15% in value or number of shares, whichever is more restrictive, of the outstanding shares of any class or series of equity shares; there is no special limit specifically applicable to preferred shares except the general ownership limit.

Table of Contents

no designated investment entity may acquire or hold, directly or indirectly (or through attribution), shares in excess of the designated investment entity limit of 9.9%, in value or number of shares, whichever is more restrictive, of the outstanding shares of any class or series of common shares;

a designated investment entity may acquire or hold, directly or indirectly (or through attribution), 100% of the outstanding shares of any class or series of preferred shares or equity shares;

no person shall actually or beneficially own PS Maryland's shares to the extent that such ownership would result in PS Maryland being "closely held" under Section 856(h) of the Code or otherwise cause PS Maryland to fail to qualify as a REIT at any time; and

no person shall transfer PS Maryland's shares if such transfer would result in PS Maryland's shares being owned by fewer than 100 persons at any time.

The excepted holder limit has been established in light of the fact that the Hughes family and certain related trusts and entities, upon completion of the reorganization, will own approximately 27% of PS Maryland's common shares, and have the right to acquire additional shares up to 35.66% of PS Maryland's outstanding common shares. The excepted holder limit allows excepted holders, defined in the declaration of trust to include certain members of the Hughes family, certain trusts established for the benefit of members of the Hughes family and certain related entities, to own up to 47.66% of the outstanding shares of any class or series of common shares, so long as no one individual excepted holder would own in excess of 35.66% of the outstanding shares of any such class or series. PS Maryland believes that the excepted holder limit will not jeopardize PS Maryland's status as a REIT because no five excepted holders can own more than 47.66% of any class or series of PS Maryland's outstanding common shares and, thus, PS Maryland will be in compliance with the REIT qualification requirement prohibiting five or fewer individuals from owning more than 50% of the value of PS Maryland's outstanding shares.

The declaration of trust defines a "designated investment entity" as:

1. an entity that is a pension trust that qualifies for look-through treatment under Section 856(h)(3) of the Code;
2. an entity that qualifies as a regulated investment company under Section 851 of the Code; or
3. an entity (referred to in the declaration of trust as a "qualified investment manager") that (i) for compensation engages in the business of advising others as to the value of securities or as to the advisability of investing in, purchasing or selling securities; (ii) purchases securities in the ordinary course of its business and not with the purpose or effect of changing or influencing control of PS Maryland, nor in connection with or as a participant in any transaction having such purpose or effect, including any transaction subject to Rule 13d-3(b) of the Securities Exchange Act of 1934, as amended; and (iii) has or shares voting power and investment power under the Securities Exchange Act of 1934, as amended;

so long as each beneficial owner of such entity, or in the case of a qualified investment manager holding shares solely for the benefit of its customer account holders, the individual account holders of the accounts managed by such entity, would satisfy the 3% common share or 9.9% preferred share or equity share ownership limit, as applicable, if such beneficial owner or account holder owned directly its proportionate share of the shares held by the entity.

Under the declaration of trust, the board of trustees may, in its sole and absolute discretion, exempt a shareholder that is not an individual from the 3% ownership limit for common shares, the 9.9% ownership limit for preferred and equity shares, or the ownership limit for common shares applicable to designated investment entities, if such shareholder provides information and makes representations to the board of trustees that are satisfactory to the board of trustees, in its sole and absolute discretion, to establish that such person's ownership in excess of the applicable ownership limit would not jeopardize PS Maryland's qualification as a REIT. Prior to the reorganization, Public

Table of Contents

Storage's board of directors has granted waivers to certain persons, in accordance with Public Storage's existing charter and bylaws, to own shares in excess of the ownership limits set forth therein. These waivers will remain in effect following the effective date of the reorganization.

Any person who acquires or attempts or intends to acquire actual/or beneficial or constructive ownership of PS Maryland's shares that will or may violate any of the foregoing restrictions on transferability and ownership will be required to give notice immediately to PS Maryland and provide PS Maryland with such other information as the board of trustees may request in order to determine the effect of such transfer on PS Maryland's status as a REIT. If any transfer of shares or any other event would otherwise result in any person violating the ownership limits described above, then the declaration of trust provides that (a) the transfer will be void and of no force or effect with respect to the prohibited transferee with respect to that number of shares that exceeds the ownership limits and (b) the prohibited transferee would not acquire any right or interest in the shares. The foregoing restrictions on transferability and ownership will not apply if PS Maryland's board of trustees determines that it is no longer in PS Maryland's best interests to attempt to qualify, or to continue to qualify, as a REIT.

All certificates representing PS Maryland's shares will bear a legend referring to the restrictions described above.

Every owner of more than 5% (or such lower percentage as required by the Code or the regulations promulgated thereunder) of all classes or series of PS Maryland's shares, including common shares, will be required to give written notice to PS Maryland within 30 days after the end of each taxable year stating the name and address of such owner, the number of shares of each class and series of shares that the owner beneficially owns and a description of the manner in which such shares are held. Each such owner shall provide to PS Maryland such additional information as the board of trustees may request in order to determine the effect, if any, of such beneficial ownership on PS Maryland's status as a REIT and to ensure compliance with the various ownership limitations. In addition, each shareholder shall upon demand be required to provide to the board of trustees such information as the board of trustees may request, in good faith, in order to determine PS Maryland's status as a REIT and to comply with the requirements of any taxing authority or governmental authority or to determine such compliance.

These ownership limitations could delay, deter or prevent a transaction or a change in control that might involve a premium price for the common shares or might otherwise be in the best interest of PS Maryland's shareholders.

Transfer Agent, Registrar and Depositary

The transfer agent and registrar for PS Maryland's common shares, preferred shares and equity shares, and the depositary for PS Maryland's depositary shares, initially will be Computershare Trust Company, N.A.

Certain Provisions of Maryland Law and the PS Maryland Declaration of Trust and Bylaws

The following description of certain provisions of Maryland law and of the PS Maryland declaration of trust and bylaws is only a summary. For a complete description, we refer you to the applicable Maryland law and the copies of the PS Maryland declaration of trust and bylaws which are attached to this proxy statement/prospectus as Appendices C and D.

Number of Trustees; Vacancies

The PS Maryland declaration of trust and bylaws provide that the number of our trustees will be established by a vote of a majority of the members of our board of trustees. PS Maryland currently has the same ten individuals serving as directors of Public Storage as trustees. The PS Maryland bylaws provide that any vacancy, including a vacancy created by an increase in the number of trustees, may be filled only by a majority of the remaining trustees, even if the remaining trustees do not constitute a quorum. As is the case with Public Storage, pursuant to the PS Maryland declaration of trust, each of PS Maryland's trustees will be elected by its shareholders to serve until the next annual meeting and until their successors are duly elected and qualified.

Table of Contents

The PS Maryland bylaws provide that at least a majority of the PS Maryland trustees will be independent, with independence being defined in the manner established by the PS Maryland board of trustees and in a manner consistent with listing standards established by the New York Stock Exchange.

Removal of Trustees

The PS Maryland declaration of trust provides that a trustee may be removed only with cause and only upon the affirmative vote of at least two-thirds of the votes entitled to be cast in the election of trustees. Absent removal of all of the PS Maryland trustees, this provision, when coupled with the provision in the PS Maryland bylaws authorizing the PS Maryland board of trustees to fill vacant trusteeships, may preclude shareholders from removing incumbent trustees and filling the vacancies created by such removal with their own nominees.

Business Combinations

The PS Maryland declaration of trust exempts transactions with the Hughes family from the provisions of the Maryland business combination statute described below. In addition, the PS Maryland board has approved a resolution that exempts transactions between PS Maryland and any other interested shareholder from the provisions of the Maryland business combination statute described below but may opt to make these provisions applicable to transactions between PS Maryland and any such other interested shareholder in the future. Maryland law prohibits business combinations between PS Maryland and an interested shareholder or an affiliate of an interested shareholder for five years after the most recent date on which the interested shareholder becomes an interested shareholder. These business combinations include a merger, consolidation, share exchange, or, in circumstances specified in the statute, an asset transfer or issuance or reclassification of equity securities. Maryland law defines an interested shareholder as:

any person who beneficially owns 10% or more of the voting power of the PS Maryland shares; or

an affiliate or associate of ours who, at any time within the two-year period prior to the date in question, was the beneficial owner of 10% or more of the voting power of our then outstanding voting shares.

A person is not an interested shareholder if the PS Maryland board of trustees approves in advance the transaction by which the person otherwise would have become an interested shareholder. However, in approving a transaction, the PS Maryland board of trustees may provide that its approval is subject to compliance, at or after the time of approval, with any terms and conditions determined by the PS Maryland board of trustees.

After the five-year prohibition, any business combination between us and an interested shareholder generally must be recommended by our board of trustees and approved by the affirmative vote of at least:

80% of the votes entitled to be cast by holders of our then outstanding shares of beneficial interest; and

two-thirds of the votes entitled to be cast by holders of our voting shares other than shares held by the interested shareholder with whom or with whose affiliate the business combination is to be effected or shares held by an affiliate or associate of the interested shareholder.

These super-majority vote requirements do not apply if our common shareholders receive a minimum price, as described under Maryland law, for their shares in the form of cash or other consideration in the same form as previously paid by the interested shareholder for its shares.

The statute permits various exemptions from its provisions, including business combinations that are approved by our board of trustees before the time that the interested shareholder becomes an interested shareholder.

Control Share Acquisitions

Edgar Filing: Public Storage - Form S-4

Our bylaws will contain a provision exempting any and all acquisitions of our common shares from the control shares provisions of Maryland law. However, our board of trustees may opt to make these provisions

Table of Contents

applicable to us at any time by amending or repealing this provision in the future, and may do so on a retroactive basis. Maryland law provides that control shares of a Maryland REIT acquired in a control share acquisition have no voting rights unless approved by a vote of two-thirds of the votes entitled to be cast on the matter. Shares owned by the acquiror or by officers or trustees who are our employees are excluded from the shares entitled to vote on the matter. Control shares are voting shares that, if aggregated with all other shares previously acquired by the acquiring person, or in respect of which the acquiring person is able to exercise or direct the exercise of voting power (except solely by virtue of a revocable proxy), would entitle the acquiring person to exercise or direct the exercise of the voting power in electing trustees within one of the following ranges of voting power:

one-tenth or more but less than one-third;

one-third or more but less than a majority; or

a majority or more of all voting power.

Control shares do not include shares the acquiring person is then entitled to vote as a result of having previously obtained shareholder approval. A control share acquisition means the acquisition of control shares, subject to certain exceptions.

A person who has made or proposes to make a control share acquisition may compel our board of trustees to call a special meeting of shareholders to be held within 50 days of demand to consider the voting rights of the shares. The right to compel the calling of a special meeting is subject to the satisfaction of certain conditions, including an undertaking to pay the expenses of the special meeting. If no request for a special meeting is made, we may present the question at any shareholders meeting.

If voting rights are not approved at the shareholders meeting or if the acquiring person does not deliver the statement required by Maryland law, then, subject to certain conditions and limitations, we may redeem any or all of the control shares, except those for which voting rights have previously been approved, for fair value. Fair value is determined without regard to the absence of voting rights for the control shares and as of the date of the last control share acquisition or of any meeting of shareholders at which the voting rights of the shares were considered and not approved. If voting rights for control shares are approved at a shareholders meeting, the acquiror may then vote a majority of the shares entitled to vote, and all other shareholders may exercise appraisal rights. The fair value of the shares for purposes of these appraisal rights may not be less than the highest price per share paid by the acquiror in the control share acquisition. The control share acquisition statute does not apply to shares acquired in a merger, consolidation or share exchange if we are a party to the transaction, nor does it apply to acquisitions approved by or exempted by our declaration of trust or bylaws.

Merger, Amendment of Declaration of Trust

Under Maryland REIT law, a Maryland REIT generally cannot dissolve, amend its declaration of trust or merge with another entity unless approved by the affirmative vote of shareholders holding at least two-thirds of the shares entitled to vote on the matter unless a lesser percentage, but not less than a majority of all the votes entitled to be cast on the matter, is set forth in the REIT's declaration of trust. Our declaration of trust, including its provisions on removal of trustees, may be amended only by the affirmative vote of the holders of a majority of the votes entitled to be cast on the matter. Under the Maryland REIT law and our declaration of trust, our trustees will be permitted, without any action by our shareholders, to amend the declaration of trust from time to time to qualify as a REIT under the Code or the Maryland REIT law without the affirmative vote or written consent of the shareholders. Our declaration of trust also provides that the affirmative vote of holders of not less than a majority of the shares entitled to vote will be required to approve mergers in which we are not the survivor.

Limitation of Liability and Indemnification

Our declaration of trust will limit the liability of our trustees and officers for money damages, except for liability resulting from:

actual receipt of an improper benefit or profit in money, property or services; or

Table of Contents

a final judgment based upon a finding of active and deliberate dishonesty by the trustee that was material to the cause of action adjudicated.

Our declaration of trust will authorize us, to the maximum extent permitted by Maryland law, to indemnify, and to pay or reimburse reasonable expenses to, any of our present or former trustees or officers or any individual who, while a trustee or officer and at our request, serves or has served another entity, employee benefit plan or any other enterprise as a trustee, director, officer, partner or otherwise. The indemnification covers any claim or liability against the person. Our bylaws will require us, to the maximum extent permitted by Maryland law, to indemnify each present or former trustee or officer who is made a party to a proceeding by reason of his or her service to us.

Maryland law will permit us to indemnify our present and former trustees and officers against liabilities and reasonable expenses actually incurred by them in any proceeding unless:

the act or omission of the trustee or officer was material to the matter giving rise to the proceeding and was committed in bad faith or was the result of active and deliberate dishonesty;

the trustee or officer actually received an improper personal benefit in money, property or services; or

in a criminal proceeding, the trustee or officer had reasonable cause to believe that the act or omission was unlawful.

However, Maryland law will prohibit us from indemnifying our present and former trustees and officers for an adverse judgment in a derivative action or if the trustee or officer was adjudged to be liable for an improper personal benefit. Our bylaws and Maryland law will require us, as a condition to advancing expenses in certain circumstances, to obtain:

a written affirmation by the trustee or officer of his or her good faith belief that he or she has met the standard of conduct necessary for indemnification; and

a written undertaking to repay the amount reimbursed if the standard of conduct is not met.

Operations

We generally will be prohibited from engaging in certain activities, including acquiring or holding property or engaging in any activity that would cause us to fail to qualify as a REIT.

Term and Termination

Our declaration of trust provides for us to have a perpetual existence. Pursuant to our declaration of trust, and subject to the provisions of any of our classes or series of shares of beneficial interest then outstanding and the approval by a majority of the entire board of trustees, our shareholders, at any meeting thereof, by the affirmative vote of at least two-thirds of all of the votes entitled to be cast on the matter, may approve a plan of liquidation and dissolution.

Meetings of Shareholders

Under our bylaws, annual meetings of shareholders are to be held each year, within fifteen (15) months after the last annual meeting, at a date and time as determined by our board of trustees. Special meetings of

shareholders may be called only by a majority of the trustees then in office, by the Chairman of our board of trustees, our President or our Chief Executive Officer. Only matters set forth in the notice of the special meeting may be considered and acted upon at such a meeting. Our bylaws will provide that any action required or permitted to be taken at a meeting of shareholders may be taken without a meeting by unanimous written consent, if that consent sets forth that action and is signed by each shareholder entitled to vote on the matter.

Advance Notice of Trustee Nominations and New Business

Our bylaws will provide that, with respect to an annual meeting of shareholders, nominations of persons for election to our board of trustees and the proposal of business to be considered by shareholders at the annual meeting may be made only:

pursuant to our notice of the meeting;

by our board of trustees; or

by a shareholder who was a shareholder of record both at the time of the provision of notice and at the time of the meeting who is entitled to vote at the meeting and has complied with the advance notice procedures set forth in our bylaws.

With respect to special meetings of shareholders, only the business specified in our notice of meeting may be brought before the meeting of shareholders and nominations of persons for election to our board of trustees may be made only:

pursuant to our notice of the meeting;

by our board of trustees; or

provided that our board of trustees has determined that trustees shall be elected at such meeting, by a shareholder who was a shareholder of record both at the time of the provision of notice and at the time of the meeting who is entitled to vote at the meeting and has complied with the advance notice provisions set forth in our bylaws.

The purpose of requiring shareholders to give advance notice of nominations and other proposals is to afford our board of trustees the opportunity to consider the qualifications of the proposed nominees or the advisability of the other proposals and, to the extent considered necessary by our board of trustees, to inform shareholders and make recommendations regarding the nominations or other proposals. The advance notice procedures also permit a more orderly procedure for conducting our shareholder meetings. Although our bylaws will not give our board of trustees the power to disapprove timely shareholder nominations and proposals, they may have the effect of precluding a contest for the election of trustees or proposals for other action if the proper procedures are not followed, and of discouraging or deterring a third party from conducting a solicitation of proxies to elect its own slate of trustees to our board of trustees or to approve its own proposal.

Possible Anti-Takeover Effect of Certain Provisions of Maryland Law and of Our Declaration of Trust and Bylaws

The business combination provisions of Maryland law (if our board of trustees opts to make them applicable to us), the control share acquisition provisions of Maryland law (if the applicable provision in our bylaws is rescinded), the limitations on removal of trustees, the restrictions on the acquisition of our shares of beneficial interest, the power to issue additional common shares, preferred shares or equity shares and the advance notice provisions of our bylaws could have the effect of delaying, deterring or preventing a transaction or a change in the control that might involve a premium price for holders of the common shares or might otherwise be in their best interest. Certain provisions of Maryland law permit our board of trustees, without shareholder approval and regardless of what is provided in our declaration of trust or bylaws, to implement takeover defenses that we may not yet have and to take, or refrain from taking, certain other actions without those decisions being subject to any heightened standard of conduct or standard of review as such decisions may be subject in certain other jurisdictions.

Amendment of the Articles of Incorporation or the Declaration of Trust	The CGCL requires the approval of shareholders of a California corporation for any amendment to the articles of incorporation, except that certain immaterial amendments specified in the CGCL may be made by the board of directors. Unless a specific section of the CGCL or a California corporation's articles of incorporation require a greater vote, an amendment to a California corporation's articles of incorporation generally must be approved by a majority of the outstanding shares entitled to vote on the amendment. The Public Storage articles of incorporation do not include a provision requiring greater than a majority of votes for amendment.	As permitted by the Maryland REIT Law, PS Maryland's declaration of trust provides that the trustees may amend the declaration of trust from time to time without any action by the shareholders: (i) to qualify as a real estate investment trust under the Code or under the Maryland REIT Law, (ii) in any manner in which the charter of a Maryland corporation may be amended without shareholder approval, and (iii) as otherwise provided in the declaration of trust. All other amendments to the declaration of trust shall be valid only after the Board of Trustees has adopted a resolution setting forth the proposed amendment and declaring such amendment advisable, and such amendment has been approved by the affirmative vote of the holders of not less than a majority of the shares then outstanding and entitled to vote thereon.
Amendment of Bylaws	Under the Public Storage bylaws, the bylaws may be adopted, repealed or amended by shareholders, by the affirmative vote of the holders of a majority of the outstanding shares entitled to vote. Furthermore, bylaws relating to Public Storage's asset coverage, investment policy and qualification as a REIT may only be amended and repealed by shareholder action.	Under PS Maryland's bylaws and declaration of trust, the board of trustees shall have the exclusive power to adopt, alter or repeal any provision of the bylaws and make new bylaws.
Election of Directors/Trustees	The Public Storage bylaws permit cumulative voting for the election of directors, subject to certain notice requirements.	The PS Maryland bylaws provide that each shareholder may vote the number of shares owned by him for each vacancy on the Board of Trustees to be filled. There is no cumulative voting.

Removal of Directors/Trustees	The CGCL provides that a director may be removed with or without cause by the affirmative vote of a majority of the outstanding shares, provided that the shares voted against removal would not be sufficient to elect the director by cumulative voting. Newly Created Directorships and Vacancies	The Public Storage bylaws provide that any vacancies on the board or newly created directorships may be filled by the affirmative vote of a majority of the remaining directors, although less than a quorum. The PS Maryland bylaws provide that any vacancies on the board or newly created trusteeships may be filled by the affirmative vote of a majority of the remaining trustees, even if a quorum is not present. Any trustee elected in this manner shall hold office for the unexpired term of the trustee he or she is replacing and until a successor is elected and qualified.

Special Meetings of Shareholders	Under the Public Storage bylaws, special meetings of the shareholders may be called at any time by the board, the chairman of the board, the president, or by the holders of not less than 10% of the shares entitled to vote at the meeting.	The PS Maryland bylaws provide that a special meeting of the shareholders may be called at any time by the Board of Trustees, or by the chairman of the board, or by the president, or by one or more shareholders holding shares in the aggregate entitled to cast not less than a majority of the votes at the meeting.

Business Combinations	<p>Under the CGCL, the affirmative vote of a majority of the outstanding shares of each class is needed to approve a merger or similar business combination. A shareholder vote is generally not required for reorganizations where the corporation, or the shareholders of the corporation immediately prior to the reorganization, will own equity securities constituting over five-sixths of the voting power of the surviving corporation and the vote of the holders of preferred stock is generally not required where the corporation is the survivor in the merger and the rights of those holders remain unchanged. The CGCL also imposes conditions on certain business combinations with interested shareholders.</p>	<p>As permitted by the Maryland REIT Law, the PS Maryland declaration of trust requires that any transaction resulting in a merger, a consolidation or a sale of trust property be approved by the affirmative vote of not less than a majority of all the votes entitled to be cast, except where the Trust is the successor in the merger.</p> <p>Under the Maryland REIT Law, holders of PS Maryland preferred shares and equity shares will not have a separate class vote on proposed mergers.</p> <p>Under the MGCL, as applicable to Maryland real estate investment trusts, certain business combinations between a Maryland corporation and an interested stockholder or an affiliate of an interested stockholder are prohibited for five years after the most recent date on which the interested stockholder becomes an interested stockholder. These business combinations include a merger, consolidation, share exchange, or, in circumstances specified in the statute, an asset transfer or issuance or reclassification of equity securities. An interested stockholder generally includes: (a) any person who beneficially owns 10% or more of the voting power of the corporation's shares, or (b) affiliate of the corporation who, at any time within the two-year period prior to the date in question, was the beneficial owner of 10% or more of the voting power of the then outstanding voting stock of the corporation.</p> <p>After the five-year prohibition, any business combination between the Maryland corporation and an interested stockholder generally must be recommended by the board of directors of the corporation and approved by two separate super-majority stockholder votes, unless, among other conditions, the holders of common stock receive a minimum price, as defined by the MGCL, for their shares and the consideration is received in cash or in the same form as previously paid by the interested stockholder for its common stock. None of these provisions of the MGCL will apply, however, (1) to business combinations that are approved or exempted by the board of the corporation prior to the time that the interested stockholder becomes an interested stockholder, or (2) if the board approves the transaction in which the stockholder would otherwise have become an interested stockholder. The MGCL permits a Maryland corporation to opt out of the business combinations statute by a provision in its</p>

charter. The PS Maryland declaration of trust exempts any future business combinations with the Hughes family, and the PS Maryland board has adopted a resolution, which may be amended or changed upon future board action, exempting all business combinations with interested shareholders other than the Hughes family.

Ownership Limit	The ownership restrictions in Public Storage s articles of incorporation and bylaws generally prohibit the actual or constructive ownership of more than 2% of the outstanding shares of Public Storage common stock (excluding the interest held by the Hughes family) or more than 9.9% of the outstanding shares of each class or series of shares of Public Storage preferred stock or equity stock, unless an exception is established by the board of directors. The restrictions provide that if, at any time, for any reason, those ownership limitations are violated or more than 50% in value of Public Storage s outstanding stock otherwise would be considered owned by five or fewer individuals, then a number of shares of stock necessary to cure the violation will automatically and irrevocably be transferred from the person causing the violation to a designated charitable beneficiary.	The Maryland REIT Law expressly allows the declaration of trust to provide for restrictions on transferability designed to facilitate qualification as a REIT under the Internal Revenue Code or for any other purpose, which could include defense against an unsolicited bid for a change of control. The ownership restrictions in PS Maryland s declaration of trust generally prohibit the actual or beneficial ownership of more than 3% of the outstanding shares of each class or series of shares of PS Maryland common shares (excluding the interest held by the Hughes family and certain related trusts and entities) or more than 9.9% of the outstanding shares of each class or series of shares of PS Maryland preferred shares or equity shares, unless an exception applies or an exemption is granted by the board of trustees. The restrictions provide that if, at any time, for any reason, those ownership limitations are violated or more than 50% in value of PS Maryland s outstanding shares otherwise would be considered owned by five or fewer individuals, then a number of shares necessary to cure the violation will automatically and irrevocably be transferred from the person causing the violation to a designated charitable beneficiary.
Inspection Rights	Under the CGCL, a shareholder of record is entitled to inspect the bylaws of the corporation during business hours. In addition, under the CGCL and the Public Storage bylaws, a shareholder of record is entitled, upon written demand, to inspect and copy the record of shareholders, the accounting books and records and minutes of proceeding of the shareholders and the board of directors and any committee of the board of director, at any time during usual business hours, for the purpose reasonably related to his or her interest as a shareholder.	Under Maryland REIT law, any shareholder of a real estate investment trust may inspect and copy the bylaws of the trust, minutes of proceedings of shareholders, annual statements of affairs of the trust and voting trust agreements. In addition, any shareholder, or group of shareholders, of record of the trust who has owned at least five percent of the outstanding shares of any class of beneficial interest for at least six months is entitled to inspect and copy the trust s books of account and share ledger and to require the trust to prepare and deliver a verified list of the name and address of, and the number of shares owned by, each shareholder of the trust.

Standard of Conduct	The CGCL requires a director of a California corporation to perform his or her duties as a director in good faith, in a manner believed to be in the best interests of the corporation and its shareholders with the care, including reasonable inquiry, as an ordinarily prudent person in a like position would use under similar circumstances.	The Maryland REIT Law expressly incorporates provisions of the MGCL on this point. Accordingly, the PS Maryland trustees are required to perform his or her duties in good faith, with a reasonable belief that his or her actions are in the best interest of the trust and with the care of an ordinary prudent person in a like position under similar circumstances. Additionally, under Maryland law, an act of a trustee relating to an acquisition or potential acquisition of control may not be subject to a higher duty or greater scrutiny than is applied to any other act of a trustee.
Advance Notice of Directors/Trustees Nomination and of New Business Proposals	The Public Storage bylaws do not contain any advance notice permissions.	<p>The PS Maryland bylaws provide that for nominations for election to the Board of Trustees (other than a person nominated by or at the election of the Board of Trustees) or other business to be properly brought before an annual meeting by a shareholder, the shareholder must have given timely and proper notice thereof in writing to the secretary of the Trust and such other business must otherwise be a proper matter for action by shareholders.</p> <p>Shareholders generally will be required to give notice to PS Maryland at least 90 but not more than 120 days prior to the anniversary date of the immediately preceding annual meeting when they intend to nominate directors or propose actions to be taken at a meeting.</p>

Indemnification of Directors/Trustees and Officers	<p>Under the CGCL, a corporation may generally indemnify its officers, directors, employees and agents against expenses (including attorneys' fees), judgments, fines, settlements and other amounts actually and reasonably incurred in connection with any proceeding (other than actions by or in the right of corporation to procure a judgment in its favor), if they acted in good faith and in a manner they reasonably believed to be in the best interests of the corporation and, with respect to any criminal action or proceeding, had no reasonable cause to believe their conduct was unlawful. A similar standard is applicable in actions, against expenses actually and reasonably incurred in connection with the defense or settlement of the action, except that no indemnification may be made (1) if the person is adjudged liable to the corporation unless the court determines upon application that the person is fairly and reasonably entitled to indemnity for expenses and then only to the extent determined by the court, (2) for amounts paid in settling or otherwise disposing a pending action without court approval, or (3) for expenses incurred in defending a pending action which is settled or otherwise disposed of without court approval. The CGCL provides that to the extent that such persons have been successful in defense of any proceeding, they must be indemnified by the corporation against expenses actually and reasonably incurred in connection therewith. Additionally, the CGCL provides that, the corporation may only indemnify the person if authorized in the specific case, upon a determination that indemnification is proper because the person has met the applicable standard of conduct, (1) by a majority vote of a quorum consisting of directors who are not parties to the proceeding, (2) if such a quorum is not obtainable, by independent legal counsel in a written opinion, (3) by approval of a majority of the outstanding shares entitled to vote, or (4) by the court in which the proceeding is or was pending upon application by the corporation or the person. Expenses incurred in defending any proceeding may be advanced by the corporation prior to the final disposition of the proceeding upon the corporation's receipt of an undertaking by or on behalf of the person to repay that amount if it is ultimately determined that the person is not entitled to be indemnified.</p> <p>Public Storage currently has indemnification agreements with each of its directors and executive officers.</p>	<p>The Maryland REIT Law provides that a Maryland real estate investment trust may indemnify or advance expenses to trustees, officers, employees and agents of the trust to the same extent as is permitted for directors, officers, employees and agents of a Maryland corporation under the MGCL. The PS Maryland declaration of trust provides that PS Maryland shall indemnify trustees and officers to the maximum extent permitted by Maryland law.</p> <p>The MGCL permits a corporation to indemnify its present and former directors and officers, among others, against judgments, penalties, fines, settlements and reasonable expenses actually incurred by them in connection with any proceeding in which they may be made a party by reason of their service in those or other capacities unless it is established that (i) his or her act or omission was material to the matter giving rise to the proceeding and was committed in bad faith or was the result of active and deliberate dishonesty, (ii) he or she actually received an improper personal benefit in money, property or services or (iii) in the case of a criminal proceeding, he or she had reasonable cause to believe that his or her act or omission was unlawful. However, under the MGCL, a Maryland corporation may not indemnify for an adverse judgment (a) in a suit by or in the right of the corporation in which the director or officer shall have been adjudged liable to the corporation, or (b) in respect of any proceeding charging improper personal benefit to the director, on the basis that personal benefit was improperly received, unless in either case a court orders indemnification and then only for expenses. In addition, the MGCL permits a corporation to pay or reimburse, as incurred, in advance of final disposition of a proceeding, reasonable expenses incurred by a director or officer or former director or officer made a party to a proceeding by reason of such status, provided that the corporation shall have received (i) a written affirmation by the director or officer of his or her good faith belief that he or she has met the applicable standard of conduct necessary for indemnification by the corporation as authorized by the bylaws and (ii) a written undertaking by or on his or her behalf to repay the amount paid or reimbursed by the corporation if it shall ultimately be determined that the applicable standard of conduct was not met.</p> <p>PS Maryland intends to enter into new indemnification agreements with each of its trustees and officers.</p>

Limitations on Liability for Directors/Trustees and Officers	<p>Under the CGCL, the liability of directors of a California company to the company or to any shareholder of the company for money damages for breach of fiduciary duty can be eliminated, except for (i) acts or omissions that involve intentional misconduct or a knowing and culpable violation of the law, (ii) acts or omissions that a director believes to be contrary to the best interests of the company or its shareholders or that involve the absence of good faith on the part of the director, (iii) any transaction from which a director derived an improper personal benefit, (iv) acts or omissions that show a reckless disregard for the director's duty to the company or its shareholders in circumstances in which the director was aware, or should have been aware, in the ordinary course of performing a director's duties, of a risk of serious injury to the company or its shareholders, (v) acts or omissions that constitute an unexcused pattern of inattention that amounts to an abdication of the director's duty to the Company or its shareholders, (vi) violations of the CGCL requirements governing company contracts in which the director has a material interest, or (vii) corporate actions for which the director and the Company are jointly and severally liable. Our articles of incorporation limit the liability of our directors to the maximum extent permitted by the CGCL. In general, the liability of officers may not be eliminated or limited under California law.</p>	<p>Maryland REIT Law provides that a Maryland real estate investment trust's declaration of trust may include a provision eliminating or limiting the personal liability of a trustee or officer to the corporation or its stockholders for any money damages except (1) to the extent that it is proved that the person actually received an improper benefit or profit in money, property or services, for the amount of the benefit or profit in money, property, or services actually received or (2) to the extent that a court finds that the person's action, or failure to act, was the result of active and deliberate dishonesty and was material to the cause of action adjudicated in the proceeding. Our declaration contains this provision.</p>
Appraisal Rights	<p>Subject to compliance with certain statutory requirements, if a corporation's shares are listed on a national securities exchange, the CGCL generally recognizes dissenters' rights of appraisal in most reorganizations that require shareholder approval. Dissenters' rights will exist with respect to shares listed on a national securities exchange where holders of 5% or more of the class of outstanding shares claim the right or if the corporation or any law or regulation restricts the transfer of such shares.</p>	<p>The Maryland REIT Law provides that objecting shareholders of a merging Maryland real estate investment trust have the same rights to demand and receive payment of the fair value of their shares as objecting stockholders of a Maryland corporation under the MGCL, subject to certain exceptions, including the ability to eliminate appraisal rights through a provision in a declaration of trust. The PS Maryland declaration includes such a provision.</p>

Dividends and Other Distributions	<p>Under the CGCL, a company may only make a distribution to shareholders if (a) its retained earnings immediately prior to payment of the distribution are at least equal to the amount of the distribution, or (b) generally, its total assets (exclusive of certain intangible assets and certain other charges and expenses) are equal to at least 1 1/4 times its total liabilities (excluding certain deferred items) immediately after giving effect to the distribution and its current assets are at least to its current liabilities. The CGCL also prohibits a California corporation from making any distribution to shareholders if the corporation is or, as a result thereof, would be likely to be unable to meet its liabilities as they mature. The CGCL also imposes limitations on distributions on any class or series of stock if capital stock with a preference on distributions of assets upon liquidation is outstanding if, after giving effect to the distributions, the excess of its assets over its liabilities would be less than the liquidation preference of all shares having a preference on liquidation over the class or series on which the distribution is to be made.</p>	<p>The Maryland REIT Law contains no limitations on the payment of dividends or other distributions by a Maryland real estate investment trust.</p> <p>The PS Maryland declaration of trust provides that the trustees, subject to the provisions of the Maryland REIT Law, may declare and pay dividends of other distributions as the trustees in their discretion from time to time shall determine.</p>
Control Share Acquisitions	<p>The CGCL contains no provisions governing acquisitions of control shares.</p>	<p>The MGCL provides that control shares of a Maryland real estate investment trust acquired in a shareholders control share acquisition have no voting rights except to the extent approved by a vote of two-thirds of the votes entitled to be cast on the matter, excluding shares of beneficial interest owned by the acquiror, by officers or by trustees who are employees of the trust. Control Shares are voting shares of beneficial interest which, if aggregated with all other such shares of beneficial interest previously acquired by the acquiror, or in respect of which the acquiror is able to exercise or direct the exercise of voting power (except solely by virtue of a revocable proxy), would entitle the acquiror to exercise voting power in electing trustees within one of the following ranges of voting power: (i) one-fifth or more but less than one-third, (ii) one-third or more but less than a majority, or (iii) a majority or more of all voting power. Control shares do not include shares the acquiring person is then entitled to vote as a result of having previously obtained shareholder approval. A control share acquisition means the acquisition of control shares, subject to certain exceptions.</p> <p>As permitted by the MGCL, the Bylaws of PS Maryland contain a provision exempting any and all acquisitions of our shares from the control shares provisions of Maryland law.</p>

Board Committees	The CGCL permits the board of a California corporation to delegate to a committee of two or more directors any of its powers except the power to approve any action which also requires shareholder approval, fill vacancies on the board or on a committee of directors, fix the compensation of directors, adopt amend or repeal bylaws, amend or repeal any resolution of the board which is not expressly so amendable or repealable, approve dividends, except at a previously-prescribed rate, or appoint other committees of the board or members thereof.	The Maryland REIT Law contains no provision for or limitation on the composition of or delegation of powers to committees of the board of trustees of a Maryland real estate investment trust. The board of trustees may establish committees of trustees and may delegate to a committee any of the powers of the board of trustees. Section 16(a) of the Securities Exchange Act of 1934 requires the Company's directors and executive officers, and persons who own more than 10% of any registered class of the Company's equity securities to file with the Securities and Exchange Commission (SEC) initial reports (on Form 3) of ownership of the Company's equity securities and to file subsequent reports (on Form 4 or Form 5) when there are changes in such ownership. The due dates of such reports are established by statute and the rules of the SEC. Based on a review of the reports submitted to the Company and of filings on the SEC's EDGAR website, except with respect to an inadvertent late filing by B. Wayne Hughes, Jr. to report 1,156 shares of common stock issued to him in connection with the merger with Shurgard Storage Centers, Inc., the Company believes that, with respect to reports filed during the fiscal year ended December 31, 2006, all directors and officers made timely reports.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

Overall Executive Compensation Philosophy. We pay our senior management a mix of cash compensation and long-term equity compensation we consider appropriate in view of the nature of our business, individual and corporate performance, competitive levels, and our objective of aligning individual and shareholder interests to maximize the value of our shareholders' investment in our securities. In general, our compensation program for senior management, including the Named Executive Officers, consists of payment of a base salary and, potentially, annual bonus compensation, equity awards of restricted stock units and, to a more limited extent, stock options to purchase shares of our common stock, each of which vest upon continued service. For senior executives, we design our annual performance-based incentive compensation to reward achievement of company-wide performance by tying awards primarily to financial objectives such as growth in the intrinsic business value of the enterprise, funds from operations (FFO), revenues and funds available for distribution (FAD) as well as other corporate objectives described below. For other levels of management eligible for incentive compensation, we design incentive compensation to reward achievement of specific operational goals, although company-wide performance may also be a factor.

Table of Contents

Our Compensation Committee made all compensation decisions for our executive officers, including the Named Executive Officers, for 2006. For more information on the Compensation Committee and its responsibilities, see [Corporate Governance Compensation Committee](#) on [page](#) above.

Role of Executive Officers. Our chief executive officer may be invited to attend all or a portion of a meeting of the Compensation Committee, depending on the nature of the agenda items. The chief executive officer does not vote on items before the Compensation Committee, however, the Compensation Committee and the Board solicit the view of the chief executive officer on compensation matters, particularly as they relate to the compensation of executive officers reporting to the chief executive officer, including the other Named Executive Officers. In addition, the Compensation Committee solicits the views of the Chairman of the Board and other Board members, particularly with respect to compensation of the chief executive officer.

Compensation Surveys. Each component of compensation we pay to the Named Executive Officers salary, annual cash bonus and equity compensation is based generally on market compensation rates and each individual's role and responsibilities as reviewed and discussed above. For our executive officers, generally, we determine market compensation rates by reviewing public disclosures of compensation paid to senior executive officers by other REITs of comparable size and market capitalization that are included in the S&P 500. In 2006, other REITs included in the S&P 500 were:

Apartment Investment Management Company;

Archstone-Smith Trust;

Boston Properties, Inc.;

Equity Office Properties Trust;

Equity Residential;

Kimco Realty Corporation;

Plum Creek Timber Company, Inc.;

ProLogis;

Simon Property Group, Inc.; and

Vornado Realty Trust.

The Compensation Committee also bases its payment of base salary and annual bonuses for senior management on corporate, business unit and individual performance. In establishing individual bonuses for senior executives, the Compensation Committee considers growth in the intrinsic business value of the enterprise, FFO, revenues and FAD and other financial and corporate objectives, together with the executive officer's contribution to the Company's growth and profitability, as well as compensation paid to executive officers, including the chief executive officer, at other S&P 500 REITs.

Edgar Filing: Public Storage - Form S-4

Base Salaries. Base salaries provide a base level of monthly income for our Named Executive Officers. We establish base salaries at a level so that a significant portion of the total cash compensation such executives can earn is performance based (through annual incentive compensation). Base salaries are set at levels competitive with comparable REITs and/or competitive conditions in the local market as applicable. In general, the Compensation Committee reviews base salaries of executive officers, other than the chief executive, annually.

With respect to the base salary of our chief executive officer, in 2004, the Compensation Committee reviewed compensation for chief executive officers at comparable REITs. Based on that review, the Compensation Committee set three year compensation targets for Mr. Havner's base salary, bonus target and stock option grants. The targets were conditioned on Mr. Havner's continued employment with the Company and successful achievement of performance and other goals set annually by the Committee. In 2006, as a result of achieving these targets, Mr. Havner received a 10% base salary increase in 2006 and is eligible to receive a 10% base salary increase in 2007.

Bonuses. Annual incentive bonuses are intended to compensate our senior management for achieving financial and operational goals and individual performance objectives, which will enable Public Storage to meet its short and long-term goals. These objectives vary, depending on the individual officer, but relate generally to financial factors, such as growth in FFO, revenue or FAD, and achievement of other corporate operational and financial goals, including acquisitions.

Our annual incentive bonus for executive officers is generally paid in cash in an amount reviewed and approved by the Compensation Committee and ordinarily is paid in a single installment in the first quarter following the completion of a given fiscal year. Based on the compensation targets set in 2004 for bonus and the Compensation Committee's consideration of Mr. Havner's

Table of Contents

performance against the financial goals established in early 2006, the Committee awarded Mr. Havner an annual bonus for 2006 performance of \$786,500. The Committee's decision was based on the achievement of three goals related to (1) FFO, (2) revenues, and (3) the Company's FAD. In early 2006, the Compensation Committee set annual incentive targets and performance criteria for each of our other executive officers. The goals set for the other executive officers were also based on the same performance criteria set forth for Mr. Havner.

In 2006, the Compensation Committee also considered the extraordinary performance of our executive team in completing the merger with our largest competitor, Shurgard Storage Centers, Inc. in August of 2006. The Committee further considered that the executive team had transformed the Company into an international company with the acquisition and noted the resulting growth in revenues, FFO and international expansion and increase of stock price. Noting in particular the significant contributions of Mr. Havner and Mr. Reyes to complete the merger, the Committee approved a bonus payment for merger-related activities of \$3 million for Mr. Havner and \$1.5 million for Mr. Reyes and agreed to gross up these amounts for federal and state income and payroll taxes. At the same time, the Compensation Committee awarded a bonus for merger-related activities of \$350,000 to Mr. Baumann in recognition of the significant legal contributions made to complete the merger and a bonus of \$250,000 to each of the other Named Executive Officers. No gross ups were paid on these awards.

In March 2007, the Compensation Committee set the corporate performance targets for 2007 incentive compensation for the CEO and the other Named Executive Officers under the 2007 Equity and Performance-Based Compensation Incentive Plan, subject to shareholder approval of the 2007 plan at the Annual Meeting. The Committee determined that the CEO and each of the other Named Executive Officers would be eligible for a bonus of up to ten times his or her respective base salary in 2007 based on achieving positive growth in FFO, revenues, and the Company's FAD, similar to the 2006 annual incentive plan. In addition, the Committee determined that the CEO and each of the other Named Executive Officers would be eligible for a separate bonus of up to ten times his or her base salary upon the successful completion of a capital plan for the Company's European operations to position it for long-term, sustainable growth. In each case above, the Compensation Committee may exercise negative discretion pursuant to Section 162(m) of the Internal Revenue Code to reduce the amount of the award. The Compensation Committee believes the goals relating to FFO, revenues and FAD, and to its European operations, while challenging, are achievable. The actual annual incentive compensation awards paid to the Named Executive Officers pursuant to the 2007 plan, if approved by the shareholders, may be paid in cash, restricted stock units or any combination thereof.

Equity-Based Compensation. The Compensation Committee believes that our executive officers should have an incentive to improve the Company's performance by having an ongoing stake in the success of our business. The Compensation Committee seeks to create this incentive by granting executive officers various forms of equity in the Company, including stock options, restricted stock units and shares of restricted stock. In 2006, we granted options and restricted stock units to our Named Executive Officers to link part of their compensation to increases in the Company's stock price and to provide an incentive to continue employment with the Company. Grants of stock options and restricted stock units in 2006 were made under our 2001 Stock Option and Incentive Plan (the "2001 Plan"). As described above, we are recommending that our shareholders approve the 2007 Equity and Performance-Based Incentive Compensation Plan (the "2007 Plan").

Stock Options

Stock options are granted with an exercise price of not less than 100% of the fair market value of our common stock on the date of grant, so that the executive officer may not profit from the option unless the price of our common stock increases. Options granted by the Compensation Committee also are designed to help us retain executive officers in that options are not exercisable at the time of grant, and achieve their maximum value only if the executive remains in the Company's employ for a period of years.

With respect to option awards to Mr. Havner, in 2004, the Compensation Committee agreed to award an annual stock option grant to the chief executive officer of 83,000 shares on December 8 of each year through 2007, subject to the satisfaction of certain conditions including employment. In November 2006, the Compensation Committee approved the award to be effective as of December 8, 2006 at a grant price of \$95.18, the closing price for Public Storage common stock on that date. In 2006, stock options granted to Mr. Havner vest over three years as provided in his 2004 compensation arrangement. With respect to option awards to other executive officers, the Compensation Committee determines award levels based on an individual's responsibilities and performance and also considers equity awards at other S&P 500 REITs.

Restricted Stock Units

Restricted stock or units increase in value as the value of our common stock increases, and vest over time provided that the executive officer remains in the employ of the Company. Accordingly, awards of restricted stock or units serve the Committee's objectives of retaining Company executive officers and other employees and motivating them to advance the interests of the Company and its shareholders. No restricted stock units were granted to Mr. Havner during 2006. In November 2006, following completion of the Shurgard merger, the Compensation Committee approved awards of restricted stock units to each of the Company's other Named Executive Officers. The awards vest over eight years. With respect to awards of restricted stock units to executive officers other than the chief executive officer, the Compensation Committee determines award levels based on an individual's responsibilities and performance and also considers equity awards at other S&P 500 REITs.

Equity Grant Practices

Grants to all of our executive officers must be approved by the Compensation Committee of the Board, which consists entirely of independent directors. Grants occur only at meetings of the Compensation Committee (including telephonic meetings) and such grants are made effective as of the date of the meeting or a future date if appropriate (such as in the case of a new hire). Equity awards are not timed in coordination with the release of material non-public information. The exercise price of all options granted is equal to the closing market price of our common stock on the date of grant.

Our other executive officers may receive stock options, restricted stock units or a mix based on the determination of the Compensation Committee. In general, the Compensation Committee considers equity awards for other executive officers in connection with their annual performance review. In 2006, the Compensation Committee also considered the accomplishments of our executive officers in successfully completing the Shurgard merger. In setting awards for other executive officers, the Compensation Committee primarily considers the recommendations of the chief executive officer.

Table of Contents

Equity awards, including grants of stock options, to employees who are not executive officers, are made by the Equity Awards Committee of the Board, which consists of two directors appointed by the Board. The Equity Awards Committee acts after consideration of management's recommendations. Grants of stock options to new hires who are not executive officers are generally made by the Equity Awards Committee on a quarterly basis during the last month of the calendar quarter following an individual's date of hire. Equity grants to other employees may be made at other times during the year, but are not timed in coordination with the release of material non-public information.

2007 Equity and Performance-Based Incentive Compensation Plan. In February 2007, the Compensation Committee considered and recommended to the Board for approval, subject to shareholder approval at the 2007 Annual Meeting, the 2007 Equity and Performance-Based Compensation Incentive Plan. The Compensation Committee believes the 2007 Plan will enhance the Company's ability to attract and retain highly qualified officers and directors, key employees and other persons providing services to us and our subsidiaries; to provide incentive compensation opportunities that are competitive with other corporations and real estate investment trusts; to motivate participants to achieve our corporate goals; and further link executive compensation to the enhancement of long-term shareholder returns. Upon approval of the 2007 Plan, no further awards will be made under the Company's 2001 Plan and the 2001 Non-Executive/Non-Director Stock Option and Incentive Plan.

Tax & Accounting Considerations Code Section 162(m). Section 162(m) of the Internal Revenue Code imposes a \$1,000,000 limit on the annual deduction that may be claimed for compensation paid to each of the chief executive officer and four other highest paid employees of a publicly held corporation. Certain performance-based compensation awarded under a plan approved by shareholders is excluded from that limitation. Our Performance-Based Plan, is designed to permit the Compensation Committee to make awards that will qualify for deduction as performance-based compensation. While the Compensation Committee considers the tax deductibility of compensation, the Committee has and may approve compensation that does not qualify for deductibility in circumstances it deems appropriate.

REPORT OF THE COMPENSATION COMMITTEE

The Compensation Committee has reviewed and discussed the Compensation Discussion and Analysis with management required by Item 402(b) of Regulation S-K. Based on this review and discussions, the Compensation Committee recommended to the Board of Directors that the Compensation Discussion and Analysis be included in the Company's Annual Report on Form 10-K and proxy statement on Schedule 14A.

Table of Contents**Payments Upon a Change of Control**

The 2001 Plan provides that upon the occurrence of a change of control of the Company

all outstanding restricted stock unit and restricted stock grants shall vest immediately; and

all outstanding stock options vest 15 days before consummation of such a change of control and shall be exercisable during the 15-day period, with such exercise conditioned upon and effective immediately before consummation of the change of control.

A change of control is defined in the 2001 Plan to include generally (a) the dissolution or liquidation of the Company or merger in which the Company does not survive, (b) the sale of substantially all the Company's assets, or (c) any transaction with results in any person or entity, other than the Hughes Family, owning 50% or more of the combined voting power of all classes of our stock. The foregoing provisions do not apply to the extent (a) provision is made for continuation of the 2001 Plan or substitution of new options, restricted stock and restricted stock units, or (b) a majority of our Board of Directors determines that the change of control will not trigger application of the foregoing provisions.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS AND LEGAL PROCEEDINGS**Related Party Transaction Approval Policies and Procedures**

With respect to transactions involving our directors, our Director Code of Ethics provides for review by the Board of related party transactions that might present a possible conflict of interest. The Nominating/Corporate Governance Committee of the Board reviews related party transactions involving Board members pursuant to the Directors' Code of Ethics. Directors are requested to submit information in advance to the Nominating/Corporate Governance Committee. The Committee considers the matters submitted to it and makes a recommendation to the Board with respect to any action to be taken. The director with an actual, potential or apparent conflict of interest does not participate in the decision-making process related to the transaction.

Our executive officers who are not also directors, are subject to our company-wide Business Conduct Standards (BCS). Under the BCS, executive officers are required to discuss and seek pre-approval of the chief executive officer of any potential conflicts of interest. The chief executive officer may consult with the Chief Legal Officer. In addition, the Audit Committee reviews on an ongoing basis, related party transactions involving our executive officers and directors and our affiliate, PS Business Parks, that may require Board pre-approval under applicable law or may be required to be disclosed in our financial statements.

Relationships and transactions with the Hughes Family

B. Wayne Hughes, Chairman of the Board, and his family (the Hughes Family) have ownership interests in, and operate approximately 44 self-storage facilities in Canada under the name Public Storage (PS Canada)

Table of Contents

pursuant to a royalty-free license agreement with the Company. The Company does not currently own any interests in these facilities nor does it own any facilities in Canada. The Hughes Family owns approximately 27% of our Common Stock outstanding at December 31, 2006. The Company has a right of first refusal to acquire the stock or assets of the corporation that manages the 44 self-storage facilities in Canada, if the Hughes Family or the corporation agrees to sell them. However, the Company has no interest in the operations of this corporation, the Company has no right to acquire this stock or assets unless the Hughes Family decides to sell, the right of first refusal does not apply to the self-storage facilities, and the Company receives no benefit from the profits and increases in value of the Canadian self-storage facilities.

The Company, through subsidiaries, continues to reinsure risks relating to loss of goods stored by tenants in the self-storage facilities in Canada. The Company had acquired the tenant insurance business on December 31, 2001 through its acquisition of PSIC. During 2006, PSIC received \$989,000 in reinsurance premiums attributable to the Canadian Facilities. Since PSIC's right to provide tenant reinsurance to the Canadian Facilities may be qualified, there is no assurance that these premiums will continue.

The Company and Mr. Hughes are co-general partners in certain of certain partnerships, some of which are consolidated with the Company and some of which are unconsolidated. Mr. Hughes and his family also own limited partnership interests in certain of these partnerships. The Company and Mr. Hughes and his family receive distributions from these partnerships in accordance with the terms of the partnership agreements.

Management Agreement with PS Business Parks, Inc.

PSB manages certain of the commercial facilities that we own pursuant to management agreements for a management fee equal to 5% of revenues. Public Storage paid a total of \$625,000 in management fees with respect to PSB's property management services in 2006. At December 31, 2006, we had recorded amounts owed to PSB of \$871,000 for management fees and certain other operating expenses related to the managed facilities, paid by PSB on our behalf. These amounts are the result of a time lag between PSB paying such expenditures and being reimbursed by us.

Cost Sharing Arrangements with PSB

Pursuant to a cost-sharing and administrative services agreement, PSB reimburses Public Storage for certain administrative services. PSB's share of these costs totaled approximately \$320,000 for the year ended December 31, 2006.

Stor-RE and third party insurance carriers have provided PS Canada, the Company, PSB, and other affiliates of the Company with liability and casualty insurance coverage until March 31, 2004. PS Canada has a 2.2% interest, and PSB has a 4.0% interest, in Stor-RE. PS Canada and PSB obtained their own liability and casualty insurance covering occurrences after April 1, 2004. For occurrences before April 1, 2004, STOR-Re continues to provide liability and casualty insurance coverage consistent with the relevant agreements.

Legal Proceedings

As previously reported, in November 2002, a shareholder of the Company made a demand on the Board of Directors challenging the fairness of the Company's acquisition of PS Insurance Company, Ltd. (PSIC) and related matters. PSIC was previously owned by the Hughes Family. In June 2003, following the filing by the Hughes Family of a complaint for declaratory relief asking the court to find that the acquisition of PSIC and related matters were fair to the Company, it was ruled that the PSIC transaction was just and reasonable as to the Company and holding that the Hughes Family was not required to make any payment to the Company.

At the end of December 2004, the same shareholder referred to above and a second shareholder filed this shareholder's derivative complaint naming as defendants the Company's directors (and two former directors) and certain officers of the Company. The matters alleged in this complaint relate to PSIC, the Hughes Family's Canadian self-storage operations and the Company's 1995 reorganization. In July 2006, the Court granted the defendants' motion to dismiss the amended Complaint without leave to amend. In August 2006, Plaintiffs filed a notice of appeal of the Court's decision, which is currently pending. We believe the litigation will not have any financially adverse effect on the Company (other than the costs and other expenses relating to the lawsuit).

The Board may provide that any dividends paid on Restricted Stock must be reinvested in shares of Stock, which may or may not be subject to the same vesting conditions and restrictions applicable to such Restricted Stock. All distributions, if any, received by a Grantee with respect to Restricted Stock as a result of any stock split, stock dividend, combination of shares, or other similar transaction shall be subject to the restrictions applicable to the original Grant.

10.5. Rights of Holders of Stock Units.

10.5.1. Voting and Dividend Rights.

Unless the Board otherwise provides in an Award Agreement, holders of Stock Units shall have no rights as stockholders of the Company other than the right to receive, upon the Company's payment of a cash dividend on its outstanding Stock, a cash payment for each Stock Unit held equal to the per-share dividend paid on the Stock. Such Award Agreement may also provide that such cash payment will be deemed reinvested in additional Stock Units at a price per unit equal to the Fair Market Value of a share of Stock on the date that such dividend is paid.

10.5.2. Creditor's Rights.

A holder of Stock Units shall have no rights other than those of a general creditor of the Company. Stock Units represent an unfunded and unsecured obligation of the Company, subject to the terms and conditions of the applicable Award Agreement.

10.9. Right of Repurchase

11. TERMS AND CONDITIONS OF UNRESTRICTED STOCK AWARDS

The Board may, in its sole discretion, grant (or sell at par value or such other higher purchase price determined by the Board) an Unrestricted Stock Award to any Grantee pursuant to which such Grantee may receive shares of Stock free of any restrictions (Unrestricted Stock) under the Plan. Unrestricted Stock Awards may be granted or sold as described in the preceding sentence in respect of past services and other valid consideration, or in lieu of, or in addition to, any cash compensation due to such Grantee.

12. FORM OF PAYMENT FOR OPTIONS AND RESTRICTED STOCK

Payment of the Option Price for the shares purchased pursuant to the exercise of an Option or the Purchase Price for Restricted Stock shall be made in cash or in cash equivalents acceptable to the Company.

12.2. Surrender of Stock.

12.3. Cashless Exercise.

With respect to an Option only (and not with respect to Restricted Stock), to the extent permitted by law and to the extent the Award Agreement so provides, payment of the Option Price for shares purchased pursuant to the exercise of an Option may be made all or in part by delivery (on a form acceptable to the Board) of an irrevocable direction to a licensed securities broker acceptable to the Company to sell shares of Stock and to deliver all or part of the sales proceeds to the Company in payment of the Option Price and any withholding taxes described in **Section 18.3**.

13.1. Dividend Equivalent Rights.

A Dividend Equivalent Right is an Award entitling the recipient to receive credits based on cash distributions that would have been paid on the shares of Stock specified in the Dividend Equivalent Right (or other award to which it relates) if such shares had been issued to and held by the recipient. A Dividend Equivalent Right may be granted hereunder to any Grantee. The terms and conditions of Dividend Equivalent Rights shall be specified in the grant. Dividend equivalents credited to the holder of a Dividend Equivalent Right may be paid currently or may be deemed to be reinvested in additional shares of Stock, which may thereafter accrue additional equivalents. Any such reinvestment shall be at Fair Market Value on the date of reinvestment. Dividend Equivalent Rights may be settled in cash or Stock or a combination thereof, in a single installment or installments, all determined in the sole discretion of the Board. A Dividend Equivalent Right granted as a component of another Award may provide that such Dividend Equivalent Right shall be settled upon exercise, settlement, or payment of, or lapse of restrictions on, such other award, and that such Dividend Equivalent Right shall expire or be forfeited or annulled under the same conditions as such other award. A Dividend Equivalent Right granted as a component of another Award may also contain terms and conditions different from such other award.

13.2. Termination of Service.

Except as may otherwise be provided by the Board either in the Award Agreement or in writing after the Award Agreement is issued, a Grantee's rights in all Dividend Equivalent Rights or interest equivalents shall automatically terminate upon the Grantee's termination of Service for any reason.

14. TERMS AND CONDITIONS OF PERFORMANCE AND ANNUAL INCENTIVE AWARDS

14.1. Performance Conditions

The right of a Grantee to exercise or receive a grant or settlement of any Award, and the timing thereof, may be subject to such performance conditions as may be specified by the Board. The Board may use such business criteria and other measures of performance as it may deem appropriate in establishing any performance conditions, and may exercise its discretion to reduce the amounts payable under any Award subject to performance conditions, except as limited under **Sections 14.2** hereof in the case of a Performance Award or Annual Incentive Award intended to qualify under Code Section 162(m). If and to the extent required under Code Section 162(m), any power or authority relating to a Performance Award or Annual Incentive Award intended to qualify under Code Section 162(m), shall be exercised by the Committee and not the Board.

14.2. Performance or Annual Incentive Awards Granted to Designated Covered Employees

If and to the extent that the Committee determines that a Performance or Annual Incentive Award to be granted to a Grantee who is designated by the Committee as likely to be a Covered Employee should qualify as performance-based compensation for purposes of Code Section 162(m), the grant, exercise and/or settlement of such Performance or Annual Incentive Award shall be contingent upon achievement of pre-established performance goals and other terms set forth in this **Section 14.2**.

14.2.1. Performance Goals Generally.

The performance goals for such Performance or Annual Incentive Awards shall consist of one or more business criteria and a targeted level or levels of performance with respect to each of such criteria, as specified by the Committee consistent with this **Section 14.2**. Performance goals shall be objective and shall otherwise meet the requirements of Code Section 162(m) and regulations thereunder including the requirement that the level or levels of performance targeted by the Committee result in the achievement of performance goals being substantially uncertain. The Committee may determine that such Performance or Annual Incentive Awards shall be granted, exercised and/or settled upon achievement of any one performance goal or that two or more of the performance goals must be achieved as a condition to grant, exercise and/or settlement of such Performance or Annual Incentive Awards. Performance goals may differ for Performance or Annual Incentive Awards granted to any one Grantee or to different Grantees.

14.2.2. Business Criteria.

One or more of the following business criteria for the Company, on a consolidated basis, and/or specified subsidiaries or business units of the Company (except with respect to the stock price or total shareholder return, earnings per share and return on equity criteria), shall be used exclusively by the Committee in establishing performance goals for

such Performance or Annual Incentive Awards: (i) funds from operation (FFO); (ii) funds available for distribution (FAD); (iii) revenue, revenue growth or rate of revenue growth; (iv) earnings, including operating income, earnings before or after taxes, earnings before or after interest, depreciation, amortization, or extraordinary or special items or book value per share (which may exclude nonrecurring items); (v) pre-tax income or after-tax income; (vi) earnings per share (basic or diluted); (vii) **[intrinsic business value]**; (viii) operating profit or margin; (ix) stock price or total shareholder return ; (x) cash flow (before or after dividends, free cash flow, cash flow return on investment (discounted or otherwise), net cash provided by operations, cash flow in excess of cost of capital or cash flow per share (before or after dividends); (xi) implementation or completion or critical or strategic projects, acquisitions or processes; (xii) economic value created; (xiii) return on equity; (xiv) return on invested capital; (xv) operational efficiency measures; (xvi) rental income; (xvii) move-in activity; (xviii) occupancy level of store properties; (xix) ratio of earnings to fixed charges; (xx) acquisition and development activity; (xxi) cost targets, reductions and savings, productivity and efficiencies; (xxii) strategic business criteria, consisting of one or more objectives based on meeting specified market penetration, geographic business expansion, customer satisfaction, employee satisfaction, human resources management, supervision of litigation, information technology, and goals related to acquisitions, divestitures, joint ventures and similar transactions, and budget comparisons; (xxiii) personal professional objectives, including any of the foregoing performance targets, the implementation of policies and plans, the negotiation of transactions, the development of long-term business goals, formation of joint ventures and the completion of other corporate transactions; or (xxiv) any combination of any of the foregoing. These business criteria need not be based on an increase or positive result under the business criteria selected.

14.2.3. Timing For Establishing Performance Goals.

Performance goals shall be established not later than 90 days after the beginning of any performance period applicable to such Performance or Annual Incentive Awards, or at such other date as may be required or permitted for performance-based compensation under Code Section 162(m).

14.2.4. Settlement of Performance or Annual Incentive Awards; Other Terms.

Settlement of such Performance or Annual Incentive Awards shall be in cash, Stock, other Awards or other property, in the discretion of the Committee. The Committee may, in its discretion, reduce the amount of a settlement otherwise to be made in connection with such Performance or Annual Incentive Awards. The Committee shall specify the circumstances in which such Performance or Annual Incentive Awards shall be paid or forfeited in the event of termination of Service by the Grantee prior to the end of a performance period or settlement of Performance Awards.

14.3. Written Determinations.

All determinations by the Committee as to the establishment of performance goals, the amount of any potential Performance Awards and as to the achievement of performance goals relating to Performance Awards, and the amount of any potential individual Annual Incentive Awards and the amount of final Annual Incentive Awards,

shall be made in writing in the case of any Award intended to qualify under Code Section 162(m). To the extent permitted by Section 162(m), the Committee may delegate any responsibility relating to such Performance Awards or Annual Incentive Awards.

14.4. Status of Section 14.2 Awards Under Code Section 162(m)

It is the intent of the Company that Performance Awards and Annual Incentive Awards under **Section 14.2** hereof granted to persons who are designated by the Committee as likely to be Covered Employees within the meaning of Code Section 162(m) and regulations thereunder shall, if so designated by the Committee, constitute qualified performance-based compensation within the meaning of Code Section 162(m) and regulations thereunder. Accordingly, the terms of **Section 14.2**, including the definitions of Covered Employee and other terms used therein, shall be interpreted in a manner consistent with Code Section 162(m) and regulations thereunder. The foregoing notwithstanding, because the Committee cannot determine with certainty whether a given Grantee will be a Covered Employee with respect to a fiscal year that has not yet been completed, the term Covered Employee as used herein shall mean only a person designated by the Committee, at the time of grant of Performance Awards or an Annual Incentive Award, as likely to be a Covered Employee with respect to that fiscal year. If any provision of the Plan or any agreement relating to such Performance Awards or Annual Incentive Awards does not comply or is inconsistent with the requirements of Code Section 162(m) or regulations thereunder, such provision shall be construed or deemed amended to the extent necessary to conform to such requirements.

15. PARACHUTE LIMITATIONS

Notwithstanding any other provision of this Plan or of any other agreement, contract, or understanding heretofore or hereafter entered into by a Grantee with the Company or any Affiliate, except an agreement, contract, or understanding that expressly addresses Section 280G or Section 4999 of the Code (an Other Agreement), and notwithstanding any formal or informal plan or other arrangement for the direct or indirect provision of compensation to the Grantee (including groups or classes of Grantees or beneficiaries of which the Grantee is a member), whether or not such compensation is deferred, is in cash, or is in the form of a benefit to or for the Grantee (a Benefit Arrangement), if the Grantee is a disqualified individual, as defined in Section 280G(c) of the Code, any Option, Restricted Stock or Stock Unit held by that Grantee and any right to receive any payment or other benefit under this Plan shall not become exercisable or vested (i) to the extent that such right to exercise, vesting, payment, or benefit, taking into account all other rights, payments, or benefits to or for the Grantee under this Plan, all Other Agreements, and all Benefit Arrangements, would cause any payment or benefit to the Grantee under this Plan to be considered a parachute payment within the meaning of Section 280G(b)(2) of the Code as then in effect (a Parachute Payment) and (ii) if, as a result of receiving a Parachute Payment, the aggregate after-tax amounts received by the Grantee from the Company under this Plan, all Other Agreements, and all Benefit Arrangements would be less than the maximum after-tax amount that could be received by the Grantee without causing any such payment or benefit to be considered a Parachute Payment. In the event that the receipt of any such right to exercise, vesting, payment, or benefit under this Plan, in conjunction with all other rights,

Table of Contents

payments, or benefits to or for the Grantee under any Other Agreement or any Benefit Arrangement would cause the Grantee to be considered to have received a Parachute Payment under this Plan that would have the effect of decreasing the after-tax amount received by the Grantee as described in clause (ii) of the preceding sentence, then the Grantee shall have the right, in the Grantee's sole discretion, to designate those rights, payments, or benefits under this Plan, any Other Agreements, and any Benefit Arrangements that should be reduced or eliminated so as to avoid having the payment or benefit to the Grantee under this Plan be deemed to be a Parachute Payment.

16. REQUIREMENTS OF LAW

16.1. General.

The Company shall not be required to sell or issue any shares of Stock under any Award if the sale or issuance of such shares would constitute a violation by the Grantee, any other individual exercising an Option, or the Company of any provision of any law or regulation of any governmental authority, including without limitation any federal or state securities laws or regulations. If at any time the Company shall determine, in its discretion, that the listing, registration or qualification of any shares subject to an Award upon any securities exchange or under any governmental regulatory body is necessary or desirable as a condition of, or in connection with, the issuance or purchase of shares hereunder, no shares of Stock may be issued or sold to the Grantee or any other individual exercising an Option pursuant to such Award unless such listing, registration, qualification, consent or approval shall have been effected or obtained free of any conditions not acceptable to the Company, and any delay caused thereby shall in no way affect the date of termination of the Award. Without limiting the generality of the foregoing, in connection with the Securities Act, upon the exercise of any Option or the delivery of any shares of Stock underlying an Award, unless a registration statement under such Act is in effect with respect to the shares of Stock covered by such Award, the Company shall not be required to sell or issue such shares unless the Board has received evidence satisfactory to it that the Grantee or any other individual exercising an Option may acquire such shares pursuant to an exemption from registration under the Securities Act. Any determination in this connection by the Board shall be final, binding, and conclusive. The Company may, but shall in no event be obligated to, register any securities covered hereby pursuant to the Securities Act. The Company shall not be obligated to take any affirmative action in order to cause the exercise of an Option or the issuance of shares of Stock pursuant to the Plan to comply with any law or regulation of any governmental authority. As to any jurisdiction that expressly imposes the requirement that an Option shall not be exercisable until the shares of Stock covered by such Option are registered or are exempt from registration, the exercise of such Option (under circumstances in which the laws of such jurisdiction apply) shall be deemed conditioned upon the effectiveness of such registration or the availability of such an exemption.

16.2. Rule 16b-3.

During any time when the Company has a class of equity security registered under Section 12 of the Exchange Act, it is the intent of the Company that Awards pursuant to the Plan and the exercise of Options granted hereunder will qualify for the exemption provided

by Rule 16b-3 under the Exchange Act. To the extent that any provision of the Plan or action by the Board does not comply with the requirements of Rule 16b-3, it shall be deemed inoperative to the extent permitted by law and deemed advisable by the Board, and shall not affect the validity of the Plan. In the event that Rule 16b-3 is revised or replaced, the Board may exercise its discretion to modify this Plan in any respect necessary to satisfy the requirements of, or to take advantage of any features of, the revised exemption or its replacement.

17. EFFECT OF CHANGES IN CAPITALIZATION

17.1. Changes in Stock.

If the number of outstanding shares of Stock is increased or decreased or the shares of Stock are changed into or exchanged for a different number or kind of shares or other securities of the Company on account of any recapitalization, reclassification, stock split, reverse split, combination of shares, exchange of shares, stock dividend or other distribution payable in capital stock, or other increase or decrease in such shares effected without receipt of consideration by the Company occurring after the Effective Date, the number and kinds of shares for which grants of Options and other Awards may be made under the Plan shall be adjusted proportionately and accordingly by the Company. In addition, the number and kind of shares for which Awards are outstanding shall be adjusted proportionately and accordingly so that the proportionate interest of the Grantee immediately following such event shall, to the extent practicable, be the same as immediately before such event. Any such adjustment in outstanding Options or SARs shall not change the aggregate Option Price or SAR Exercise Price payable with respect to shares that are subject to the unexercised portion of an outstanding Option or SAR, as applicable, but shall include a corresponding proportionate adjustment in the Option Price or SAR Exercise Price per share. The conversion of any convertible securities of the Company shall not be treated as an increase in shares effected without receipt of consideration. Notwithstanding the foregoing, in the event of any distribution to the Company's stockholders of securities of any other entity or other assets (including an extraordinary dividend but excluding a non-extraordinary dividend of the Company) without receipt of consideration by the Company, the Company shall, in such manner as the Company deems appropriate, adjust (i) the number and kind of shares subject to outstanding Awards and/or (ii) the exercise price of outstanding Options and Stock Appreciation Rights to reflect such distribution.

17.2. Reorganization in Which the Company Is the Surviving Entity and in Which No Change in Control Occurs.

Subject to **Section 17.3** hereof, if the Company shall be the surviving entity in any reorganization, merger, or consolidation of the Company with one or more other entities, any Option or SAR theretofore granted pursuant to the Plan shall pertain to and apply to the securities to which a holder of the number of shares of Stock subject to such Option or SAR would have been entitled immediately following such reorganization, merger, or consolidation, with a corresponding proportionate adjustment of the Option Price or SAR Exercise Price per share so that the aggregate Option Price or SAR Exercise Price thereafter shall be the same as the aggregate Option Price or SAR Exercise Price of the shares

remaining subject to the Option or SAR immediately prior to such reorganization, merger, or consolidation. Subject to any contrary language in an Award Agreement evidencing an Award, any restrictions applicable to such Award shall apply as well to any replacement shares received by the Grantee as a result of the reorganization, merger or consolidation. In the event of a transaction described in this Section 17.2, Stock Units shall be adjusted so as to apply to the securities that a holder of the number of shares of Stock subject to the Stock Units would have been entitled to receive immediately following such transaction.

17.3. Reorganization, Sale of Assets or Sale of Stock Which Involves a Change of Control.

Subject to the exceptions set forth in the last sentence of this **Section 17.3** and the last sentence of **Section 17.4**, upon the occurrence of a Change of Control:

(i) all outstanding shares of Restricted Stock and all Stock Units shall be deemed to have vested, and all restrictions and conditions applicable to such shares of Restricted Stock and Stock Units shall be deemed to have lapsed immediately prior to the occurrence of such Change of Control, and

(ii) either of the following two actions shall be taken:

(A) fifteen days prior to the scheduled consummation of a Change of Control, all Options and SARs outstanding hereunder shall become immediately exercisable and shall remain exercisable for a period of fifteen days, or

(B) the Board may elect, in its sole discretion, to cancel any outstanding Awards of Options, Restricted Stock, Stock Units, and/or SARs and pay or deliver, or cause to be paid or delivered, to the holder thereof an amount in cash or securities having a value (as determined by the Board acting in good faith), in the case of Restricted Stock or Stock Units, equal to the formula or fixed price per share paid to holders of shares of Stock and, in the case of Options or SARs, equal to the product of the number of shares of Stock subject to the Option or SAR (the Award Shares) multiplied by the amount, if any, by which (I) the formula or fixed price per share paid to holders of shares of Stock pursuant to such transaction exceeds (II) the Option Price or SAR Exercise Price applicable to such Award Shares.

With respect to the Company's establishment of an exercise window, (i) any exercise of an Option or SAR during such fifteen-day period shall be conditioned upon the consummation of the event and shall be effective only immediately before the consummation of the event, and (ii) upon consummation of any Change of Control, the Plan, and all outstanding but unexercised Options and SARs shall terminate. The Board shall send written notice of an event that will result in such a termination to all individuals who hold Options and SARs not later than the time at which the Company gives notice thereof to its stockholders.

This **Section 17.3** shall not apply to any Change of Control to the extent that (A) provision is made in writing in connection with such Change of Control for the continuation of the Plan or the assumption of the Options, SARs, Stock Units and Restricted

Table of Contents

Stock theretofore granted, or for the substitution for such Options, SARs, Stock Units and Restricted Stock for new common stock options and stock appreciation rights and new common stock stock units and restricted stock relating to the stock of a successor entity, or a parent or subsidiary thereof, with appropriate adjustments as to the number of shares and option and stock appreciation right exercise prices, in which event the Plan, Options, SARs, Stock Units and Restricted Stock theretofore granted shall continue in the manner and under the terms so provided, or (B) a majority of the full Board determine that such Change of Control shall not trigger application of the provisions of this Section 17.3.

17.4. Adjustments.

Adjustments under this **Section 17** related to shares of Stock or securities of the Company shall be made by the Board, whose determination in that respect shall be final, binding and conclusive. No fractional shares or other securities shall be issued pursuant to any such adjustment, and any fractions resulting from any such adjustment shall be eliminated in each case by rounding downward to the nearest whole share. The Board shall determine the effect of a Change of Control upon Awards other than Options, SARs, Stock Units and Restricted Stock, and such effect shall be set forth in the appropriate Award Agreement. The Board may provide in the Award Agreements at the time of grant, or any time thereafter with the consent of the Grantee, for different provisions to apply to an Award in place of those described in **Sections 17.1, 17.2 and 17.3**.

17.5. No Limitations on Company.

The making of Awards pursuant to the Plan shall not affect or limit in any way the right or power of the Company to make adjustments, reclassifications, reorganizations, or changes of its capital or business structure or to merge, consolidate, dissolve, or liquidate, or to sell or transfer all or any part of its business or assets.

18. GENERAL PROVISIONS

18.1. Disclaimer of Rights

No provision in the Plan or in any Award or Award Agreement shall be construed to confer upon any individual the right to remain in the employ or service of the Company or any Affiliate, or to interfere in any way with any contractual or other right or authority of the Company either to increase or decrease the compensation or other payments to any individual at any time, or to terminate any employment or other relationship between any individual and the Company. In addition, notwithstanding anything contained in the Plan to the contrary, unless otherwise stated in the applicable Award Agreement, no Award granted under the Plan shall be affected by any change of duties or position of the Grantee, so long as such Grantee continues to be a director, officer, consultant or employee of the Company or an Affiliate. The obligation of the Company to pay any benefits pursuant to this Plan shall be interpreted as a contractual obligation to pay only those amounts described herein, in the manner and under the conditions prescribed herein. The Plan shall in no way be interpreted to require the Company to transfer any amounts to a third party trustee or otherwise hold any amounts in trust or escrow for payment to any Grantee or beneficiary under the terms of the Plan.

Table of Contents

18.2. Nonexclusivity of the Plan

Neither the adoption of the Plan nor the submission of the Plan to the stockholders of the Company for approval shall be construed as creating any limitations upon the right and authority of the Board to adopt such other incentive compensation arrangements (which arrangements may be applicable either generally to a class or classes of individuals or specifically to a particular individual or particular individuals) as the Board in its discretion determines desirable, including, without limitation, the granting of stock options otherwise than under the Plan.

18.3. Withholding Taxes

The Company or an Affiliate, as the case may be, shall have the right to deduct from payments of any kind otherwise due to a Grantee any federal, state, or local taxes of any kind required by law to be withheld with respect to the vesting of or other lapse of restrictions applicable to an Award or upon the issuance of any shares of Stock upon the exercise of an Option or pursuant to an Award. At the time of such vesting, lapse, or exercise, the Grantee shall pay to the Company or the Affiliate, as the case may be, any amount that the Company or the Affiliate may reasonably determine to be necessary to satisfy such withholding obligation. Subject to the prior approval of the Company or the Affiliate, which may be withheld by the Company or the Affiliate, as the case may be, in its sole discretion, the Grantee may elect to satisfy such obligations, in whole or in part, (i) by causing the Company or the Affiliate to withhold shares of Stock otherwise issuable to the Grantee or (ii) by delivering to the Company or the Affiliate shares of Stock already owned by the Grantee. The shares of Stock so delivered or withheld shall have an aggregate Fair Market Value equal to such withholding obligations. The Fair Market Value of the shares of Stock used to satisfy such withholding obligation shall be determined by the Company or the Affiliate as of the date that the amount of tax to be withheld is to be determined. A Grantee who has made an election pursuant to this **Section 18.3** may satisfy his or her withholding obligation only with shares of Stock that are not subject to any repurchase, forfeiture, unfulfilled vesting, or other similar requirements. The maximum number of shares of Stock that may be withheld from any Award to satisfy any federal, state or local tax withholding requirements upon the exercise, vesting, lapse of restrictions applicable to such Award or payment of shares pursuant to such Award, as applicable, cannot exceed such number of shares having a Fair Market Value equal to the minimum statutory amount required by the Company to be withheld and paid to any such federal, state or local taxing authority with respect to such exercise, vesting, lapse of restrictions or payment of shares.

18.4. Captions

The use of captions in this Plan or any Award Agreement is for the convenience of reference only and shall not affect the meaning of any provision of the Plan or such Award Agreement.

18.5. Other Provisions

Each Award granted under the Plan may contain such other terms and conditions not inconsistent with the Plan as may be determined by the Board, in its sole discretion.

Table of Contents

18.6. Number and Gender

With respect to words used in this Plan, the singular form shall include the plural form, the masculine gender shall include the feminine gender, etc., as the context requires.

18.7. Severability

If any provision of the Plan or any Award Agreement shall be determined to be illegal or unenforceable by any court of law in any jurisdiction, the remaining provisions hereof and thereof shall be severable and enforceable in accordance with their terms, and all provisions shall remain enforceable in any other jurisdiction.

18.8. Governing Law

The validity and construction of this Plan and the instruments evidencing the Awards hereunder shall be governed by the laws of the State of California, other than any conflicts or choice of law rule or principle that might otherwise refer construction or interpretation of this Plan and the instruments evidencing the Awards granted hereunder to the substantive laws of any other jurisdiction.

18.9. Section 409A of the Code

The Board intends to comply with Section 409A of the Code (Section 409A), or an exemption to Section 409A, with regard to Awards hereunder that constitute nonqualified deferred compensation within the meaning of Section 409A. To the extent that the Board determines that a Grantee would be subject to the additional 20% tax imposed on certain nonqualified deferred compensation plans pursuant to Section 409A as a result of any provision of any Award granted under this Plan, such provision shall be deemed amended to the minimum extent necessary to avoid application of such additional tax. The nature of any such amendment shall be determined by the Board.

BOARD OF TRUSTEES

Section 5.1 **Powers.** Subject to any express limitations contained in the Declaration of Trust or in the Bylaws, (a) the business and affairs of the Trust shall be managed under the direction of the Board of Trustees and (b) the Board shall have full, exclusive and absolute power, control and authority over any and all property of the Trust. The Board may take any action as in its sole judgment and discretion is necessary or appropriate to conduct the business and affairs of the Trust. The Declaration of Trust shall be construed with the presumption in favor of the grant of power and authority to the Board. Any construction of the Declaration of Trust or determination made in good faith by the Board concerning its powers and authority hereunder shall be conclusive. The enumeration and definition of particular powers of the Trustees included in the Declaration of Trust or in the Bylaws shall in no way be limited or restricted by reference to or inference from the terms of this or any other provision of the Declaration of Trust or the Bylaws or construed or deemed by inference or otherwise in any manner to exclude or limit the powers conferred upon the Board or the Trustees under the general laws of the State of Maryland or any other applicable laws.

The Board shall have the authority to cause the Trust to elect to qualify for federal income tax treatment as a REIT. Following such election, if the Board determines that it is no longer in the best interests of the Trust to continue to be qualified as a REIT, the Board may revoke or otherwise terminate the Trust's REIT election pursuant to Section 856(g) of the Code.

The Board, without any action by the shareholders of the Trust, shall have and may exercise, on behalf of the Trust, without limitation, the power to determine that compliance with any restriction or limitations on ownership and transfers of shares of the Trust's beneficial interest set forth in Article VII of the Declaration of Trust is no longer required in order for the Trust to qualify as a REIT; to adopt Bylaws of the Trust, which may thereafter be amended or repealed as provided therein; to elect officers in the manner prescribed in the Bylaws; to solicit proxies from holders of shares of beneficial interest of the Trust; and to do any other acts and deliver any other documents necessary or appropriate to the foregoing powers.

Section 5.2 **Number.** The number of Trustees (hereinafter the Trustees) is currently set at ten (10), but may hereafter be increased to a maximum of fifteen (15) or decreased to not fewer than three (3). Notwithstanding the foregoing, if for any reason any or all of the Trustees cease to be Trustees, such event shall not terminate the Trust or affect the Declaration of Trust or the powers of the remaining Trustees. The names and addresses of the current ten Trustees, who shall serve until the first annual meeting of shareholders and until their successors are duly elected and qualify, or until such later time as determined by the Board of Trustees as hereinafter provided, are:

It shall not be necessary to list in the Declaration of Trust the names and addresses of any Trustees hereinafter elected.

Section 5.3 Resignation, Removal or Death. Any Trustee may resign by written notice to the Board, effective upon execution and delivery to the Trust of such written notice or upon any future date specified in the notice. Subject to the rights of holders of one or more classes or series of Preferred Shares, as hereinafter defined, to elect one or more Trustees, a Trustee may be removed at any time, but only with cause, at a meeting of the shareholders, by the affirmative vote of the holders of not less than two thirds of the Shares then outstanding and entitled to vote generally in the election of Trustees.

ARTICLE VI

SHARES OF BENEFICIAL INTEREST

Section 6.1 **Authorized Shares.** The beneficial interest of the Trust shall be divided into shares of beneficial interest (the **Shares**). The total number of Shares of all classes that the Trust has authority to issue is 950,000,000, of which 650,000,000 Shares are initially classified as common shares of beneficial interest, \$0.10 par value per share (**Common Shares**), 200,000,000 Shares are initially classified as equity shares of beneficial interest, \$0.01 par value per share (**Equity Shares**), and 100,000,000 Shares are initially classified as preferred shares of beneficial interest, \$0.01 par value per share (**Preferred Shares**). The Board is authorized to classify and reclassify Shares of any class of shares of beneficial interest into Shares of another class of shares of beneficial interest.

Section 6.2 **Common Shares.** Subject to the provisions of Article VII, each Common Share shall entitle the holder thereof to one vote on each matter upon which holders of Common Shares are entitled to vote.

Section 6.3. **Equity Shares.** The Board of Trustees may classify any unissued Equity Shares and reclassify any previously classified but unissued Equity Shares of any series from time to time, in one or more series of common shares, equity shares or preferred shares.

Section 6.4 **Preferred Shares.** The Board of Trustees may classify any unissued Preferred Shares and reclassify any previously classified but unissued Preferred Shares of any series from time to time, in one or more series of common shares, equity shares or preferred shares.

Section 6.5 **Classified or Reclassified Shares.** Prior to classification or reclassification of any Shares, the Board of Trustees by resolution shall: (a) designate that class or series to distinguish it from all other classes and series of Shares; (b) specify the number of Shares to be included in the class or series; (c) set, subject to the provisions of Article VII and subject to the express terms of any class or series of Shares outstanding at the time, the preferences, conversion or other rights, voting powers, restrictions, limitations as to dividends or other distributions, qualifications and terms and conditions of redemption for each class or series; and (d) cause the Trust to file articles supplementary with the Maryland State Department of Assessments and Taxation (the **SDAT**). Any of the terms of any class or series of Shares set pursuant to clause (c) of this Section 6.4 may be made dependent upon facts ascertainable outside the Declaration of Trust (including the occurrence of any event, including a determination or action by the Trust or any other person or body) and may vary among holders thereof, provided that the manner in which such facts or variations shall operate upon the terms of such class or series of Shares is clearly and expressly set forth in the articles supplementary filed with the SDAT.

Section 6.6 **Dividends and Distributions.** The Board of Trustees may from time to time authorize and the Trust shall declare to shareholders such dividends or distributions as the Board of Trustees in its discretion shall determine. The Board of Trustees shall endeavor to authorize, and the Trust shall declare and pay, such dividends and distributions as shall be necessary for the Trust to qualify as a REIT under the Code; however, shareholders shall have no right to any dividend or distribution unless and until authorized by the Board and declared and publicly disclosed by the Trust. The exercise of the powers and rights of the Board of Trustees pursuant to this Section 6.7 shall be subject to the preferences of any class or series of Shares at the time outstanding.

Section 6.7 **Transferable Shares; Preferential Dividends.** Notwithstanding any other provision in the Declaration of Trust, no determination shall be made by the Board of Trustees nor shall any transaction be entered into by the Trust that would cause any Shares or other beneficial interest in the Trust not to

constitute transferable shares or transferable certificates of beneficial interest under Section 856(a)(2) of the Code or that would cause any distribution to constitute a preferential dividend as described in Section 562(c) of the Code.

Section 6.8 **General Nature of Shares**. All Shares shall be personal property entitling the shareholders only to those rights provided in the Declaration of Trust. The shareholders shall have no interest in the property of the Trust and shall have no right to compel any partition, division, dividend or distribution of the Trust or of the property of the Trust. The death of a shareholder shall not terminate the Trust. The Trust is entitled to treat as shareholders only those persons in whose names Shares are registered as holders of Shares on the share ledger of the Trust.

Section 6.9 **Fractional Shares**. The Trust may, without the consent or approval of any shareholder, issue fractional Shares, eliminate a fraction of a Share by rounding up or down to a full Share, arrange for the disposition of a fraction of a Share by the person entitled to it, or pay cash for the fair value of a fraction of a Share.

Section 6.10 **Divisions and Combinations of Shares**. Subject to an express provision to the contrary in the terms of any class or series of beneficial interest hereafter authorized, the Board of Trustees shall have the power to divide or combine the outstanding shares of any class or series of beneficial interest, without a vote of shareholders.

Section 6.11 **Declaration of Trust and Bylaws**. All persons who shall acquire a Share shall acquire the same subject to the provisions of the Declaration of Trust and the Bylaws.

Section 7.2 Shares.

Section 7.2.1 Ownership Limitations. During the period commencing on the Initial Date and prior to the Restriction Termination Date:

(a) Basic Restrictions.

(i) (1) No Person shall Beneficially Own shares of any class or series of Common Shares in excess of the Ownership Limit, other than: (A) an Excepted Holder, which shall not Beneficially Own Common Shares in excess of the Excepted Holder Limit for such Excepted Holder, (B) a Designated Investment Entity, which shall not Beneficially Own Common Shares in excess of the Designated Investment Entity Limit, and (C) a Person that complies with an Exemption, which Person shall not Beneficially Own Common Shares in excess of the ownership permitted by such Exemption.

(2) No Person shall Beneficially Own shares of any class or series of Preferred Shares or Equity Shares in excess of the Ownership Limit, other than (A) an Excepted Holder, which shall not Beneficially Own Equity Shares in excess of the Excepted Holder Limit for such Excepted Holder, (B) a Designated Investment Entity, which shall not Beneficially Own Preferred Shares or Equity Shares in excess of the Designated Investment Entity Limit, and (C) a Person that complies with an Exemption, which Person shall not Beneficially Own Preferred Shares or Equity Shares in excess of the ownership permitted by such Exemption.

Notwithstanding the above subparagraph 7.2.1(a)(i)(1) and (2), no Person shall be deemed to exceed the Ownership Limit set forth in subparagraph 7.2.1(a)(i) (1) and (2) solely by reason of the Beneficial Ownership of Shares to the extent that such Shares were Beneficially Owned by such Person on the effective date of the 1995 merger of Public Storage Management, Inc., with and into Storage Equities, Inc. (then renamed, Public Storage, Inc.); provided, however, that the Beneficial Ownership of any such Shares shall be taken into account in determining whether any subsequent Transfer or other event violates subparagraph 7.2.1(a)(i).

(ii) No Person shall Beneficially Own Shares to the extent that (1) such Beneficial Ownership of Shares would result in the Trust being closely held within the meaning of Section 856(h) of the Code (without regard to whether the ownership interest is held during the last half of a taxable year), or (2) such Beneficial Ownership of Shares would result in the Trust otherwise failing to qualify as a REIT.

(iii) No Person shall Transfer any Shares if, as a result of the Transfer, the Shares would be beneficially owned by less than 100 Persons (determined without reference to the rules of attribution under Section 544 of the Code). Any Transfer of Shares that, if effective, would result in Shares being beneficially owned by less than 100 Persons (determined under the principles of Section 856(a)(5) of the Code) shall be void ab initio, and the intended transferee shall acquire no rights in such Shares.

(b) Transfer in Trust. If any Transfer of Shares occurs which, if effective, would result in any Person Beneficially Owning Shares in violation of Section 7.2.1(a)(i) or (ii),

(i) then that number of Shares the Beneficial Ownership of which otherwise would cause such Person to violate Section 7.2.1(a)(i) or

(ii) (rounded up to the nearest whole Share) shall be automatically transferred to a Charitable Trust for the benefit of a Charitable Beneficiary, as described in Section 7.3, effective as of the close of business on the Business Day prior to the date of such Transfer, and such Person shall acquire no rights in such Shares; or

Table of Contents

(ii) if the transfer to the Charitable Trust described in clause (i) of this sentence would not be effective for any reason to prevent the violation of Section 7.2.1(a)(i) or (ii), then the Transfer of that number of Shares that otherwise would cause any Person to violate Section 7.2.1(a)(i) or (ii) shall be void ab initio, and the intended transferee shall acquire no rights in such Shares.

Section 7.2.2 Remedies for Breach. If the Board or any duly authorized committee thereof shall at any time determine in good faith that a Transfer or other event has taken place that results in a violation of Section 7.2.1 or that a Person intends to acquire or has attempted to acquire Beneficial Ownership of any Shares in violation of Section 7.2.1 (whether or not such violation is intended), the Board or a committee thereof shall be empowered to take such action as it deems advisable to refuse to give effect to or to prevent such Transfer or other event, including, without limitation, causing the Trust to redeem Shares, refusing to give effect to such Transfer on the books of the Trust or instituting proceedings to enjoin such Transfer or other event; provided, however, that any Transfer or attempted Transfer or other event in violation of Section 7.2.1 shall automatically result in the transfer to the Charitable Trust described above, and, where applicable, such Transfer (or other event) shall be void ab initio as provided above irrespective of any action (or non-action) by the Board or a committee thereof.

Section 7.2.3 Notice of Restricted Transfer. Any Person who acquires, or attempts or intends to acquire, Beneficial Ownership of Shares that will or may violate Section 7.2.1(a), or any Person who would have owned Shares that resulted in a transfer to the Charitable Trust pursuant to the provisions of Section 7.2.1(b), shall immediately give written notice to the Trust of such event, or in the case of such a proposed or attempted transaction, shall give at least 15 days prior written notice, and shall provide to the Trust such other information as the Trust may request in order to determine the effect, if any, of such acquisition or ownership on the Trust's status as a REIT.

Section 7.2.4 Owners Required To Provide Information. From the Initial Date and prior to the Restriction Termination Date:

(a) Every owner of more than 5% (or such lower percentage as required by the Code or the Treasury Regulations promulgated thereunder) of the outstanding Shares, within 30 days after the end of each taxable year, shall give written notice to the Trust stating the name and address of such owner, the number of Shares Beneficially Owned and a description of the manner in which such Shares are held; provided, that a shareholder of record who holds outstanding Shares as nominee for another Person, which other Person is required to include in gross income the dividends or distributions received on such Shares (an Actual Owner), shall give written notice to the Trust stating the name and address of such Actual Owner and the number of Shares of such Actual Owner with respect to which the shareholder of record is nominee.

(b) Each Person who is a Beneficial Owner of Shares and each Person (including the shareholder of record) who is holding Shares for a Beneficial Owner shall provide to the Trust such information as the Trust may request, in good faith, including any information regarding such Person's qualification as a Designated Investment Entity, in order to determine the Trust's status as a REIT and to comply with requirements of any taxing authority or governmental authority or to determine such compliance.

(c) Each owner and Beneficial Owner shall provide to the Trust such information as the Trust may request in order to determine the effect, if any, of such ownership or Beneficial Ownership on the Trust's status as a REIT and to ensure compliance with the Ownership Limit, Excepted Holder Limit or Designated Investment Entity Limit.

Section 7.2.5 Remedies Not Limited. Subject to Sections 5.1 and 7.4 of the Declaration of Trust, nothing contained in this Section 7.2 shall limit the authority of the Board to take such other action as it deems necessary or advisable to protect the Trust and the interests of its shareholders in preserving the Trust's status as a REIT.

Section 7.2.6 Ambiguity. In the case of an ambiguity in the application of any of the provisions of this Section 7.2, Section 7.3 or any definition contained in Section 7.1, the Board shall have the power to determine the application of the provisions of this Section 7.2 or Section 7.3 with respect to any situation based on the facts known to it. If Section 7.2 or 7.3 requires an action by the Board and the Declaration of Trust fails to provide specific guidance with respect to such action, the Board shall have the power to determine the action to be taken so long as such action is not contrary to the provisions of Sections 7.1, 7.2 or 7.3.

Section 7.2.7 Exemptions from the Ownership Limit.

(a) The Board may, in its sole and absolute discretion, exempt a Person from the Ownership Limit or Designated Investment Entity Limit if: (i) such Person submits to the Board information satisfactory to the Board, in its sole and absolute discretion, demonstrating that such Person is not an individual for purposes of Section 542(a)(2) of the Code (determined taking into account Section 856(h)(3)(A) of the Code); (ii) such Person submits to the Board information satisfactory to the Board, in its sole and absolute discretion, relevant to demonstrating that no Person who is an individual for purposes of Section 542(a)(2) of the Code (determined taking into account Section 856(h)(3)(A) of the Code) would be considered to Beneficially Own Shares in excess of the Ownership Limit, Excepted Holder Limit or Designated Investment Entity Limit, as applicable, by reason of such Person's ownership of Shares in excess of the Ownership Limit or Designated Investment Entity Limit, as the case may be, pursuant to the Exemption granted under this subparagraph (a); (iii) such Person submits to the Board information satisfactory to the Board, in its sole and absolute discretion, relevant to demonstrating that clause (2) of subparagraph (a)(ii) of Section 7.2.1 will not be violated by reason of such Person's ownership of Shares in excess of the Ownership Limit or Designated Investment Entity Limit pursuant to the Exemption granted under this subparagraph (a); and (iv) such Person provides to the Board such representations and undertakings, if any, as the Board may, in its sole and absolute discretion, require to ensure that the conditions in clauses (i), (ii) and (iii) hereof are satisfied and will continue to be satisfied throughout the period during which such Person owns Shares in excess of the Ownership Limit or Designated Investment Entity Limit, as the case may be, pursuant to any Exemption thereto granted under this subparagraph (a), and such Person agrees that any violation of such representations and undertakings or any attempted violation thereof will result in the application of the remedies set forth in Section 7.2 with respect to Shares held in excess of the Ownership Limit or Designated Investment Entity Limit with respect to such Person (determined without regard to the Exemption granted such Person under this subparagraph (a)).

(b) Prior to granting any Exemption pursuant to subparagraph (a), the Board, in its sole and absolute discretion, may require a ruling from the IRS or an opinion of counsel, in either case in form and substance satisfactory to the Board, in its sole and absolute discretion as it may deem necessary or advisable in order to determine or ensure the Trust's status as a REIT; provided, however, that the Board shall not be obligated to require obtaining a favorable ruling or opinion in order to grant an Exemption hereunder.

(d) The Board may only reduce the Excepted Holder Limit for an Excepted Holder with the prior written consent of such Excepted Holder or the prior written consent of each of B. Wayne Hughes, Tamara Hughes Gustavson, and B. Wayne Hughes, Jr to the extent then living. No Excepted Holder Limit shall be reduced to a percentage that is less than the Ownership Limit or Designated Investment Entity Limit as applied to Common Shares.

(e) If a member of the Board requests that the Board grant an Exemption to the Ownership Limit with respect to such member or with respect to any other Person if such Board member would be considered to be the Beneficial Owner of Shares owned by such Person, such member of the Board shall not participate in the decision of the Board as to whether to grant any such Exemption.

Section 7.2.8 Increase in Ownership Limit or Designated Investment Entity Limit. The Board may increase the Ownership Limit or Designated Investment Entity Limit subject to the limitations provided in this Section 7.2.8.

(a) The Ownership Limit or Designated Investment Entity Limit may not be increased if, after giving effect to such increase, five Persons who are considered individuals pursuant to Section 542 of the Code, as modified by Section 856(h)(3) of the Code (taking into account all of the Excepted Holders), could Beneficially Own, in the aggregate, more than 49% of the value of the outstanding Shares.

(b) Prior to the modification of the Ownership Limit or Designated Investment Entity Limit pursuant to this Section 7.2.8, the Board, in its sole and absolute discretion, may require such opinions of counsel, affidavits, undertakings or agreements as it may deem necessary or advisable in order to determine or ensure the Trust's status as a REIT if the modification in the Ownership Limit or Designated Investment Entity Limit were to be made.

Section 7.2.9 Legend. Each certificate for Shares shall bear substantially the following legend:

The shares represented by this certificate are subject to restrictions on Beneficial Ownership and Transfer. Subject to certain further restrictions and except as expressly provided in the Trust's Declaration of Trust,

(i) no Person may Beneficially Own shares of any class or series of Common Shares of the Trust in excess of 3% (in value or number of shares, whichever is more restrictive) of the outstanding shares of such class or series, other than (A) an Excepted Holder, (B) a Designated Investment Entity or (C) a Person granted an Exemption;

(ii) no Person may Beneficially Own shares of any class or series of Preferred Shares or Equity Shares of the Trust in excess of 9.9% (in value or number of shares, whichever is more restrictive) of the outstanding shares of such class or series, as the case may be, other than (A) an Excepted Holder (with respect to Equity Shares), (B) a Designated Investment Entity or (C) a Person granted an Exemption;

Table of Contents

(iii) no Excepted Holder may Beneficially Own any class or series of Common Shares or Equity Shares in excess of the Excepted Holder Limit for such Excepted Holder, as set forth in the Trust's Declaration of Trust;

(iv) no Designated Investment Entity may Beneficially Own any class or series of Common Shares of the Trust in excess of 9.9% (in value or number of shares, whichever is more restrictive) of the outstanding shares of such class or series;

(v) no Person may Beneficially Own Shares that would result in the Trust being closely held under Section 856(h) of the Internal Revenue Code of 1986 (the Code) or otherwise cause the Trust to fail to qualify as a real estate investment trust under the Code; and

(vi) no Person may Transfer Shares if such Transfer would result in Shares of the Trust being owned by fewer than 100 Persons.

Any Person who Beneficially Owns or attempts to Beneficially Own Shares which cause or will cause a Person to Beneficially Own Shares in excess or in violation of the limitations set forth in the Trust's Declaration of Trust must immediately notify the Trust. If any of the restrictions on transfer or ownership are violated, the Shares represented hereby will be automatically transferred to a Charitable Trustee of a Charitable Trust for the benefit of one or more Charitable Beneficiaries. In addition, upon the occurrence of certain events, attempted Transfers in violation of the restrictions described above may be void ab initio. A Person who attempts to Beneficially Own Shares in violation of the ownership limitations described above shall have no claim, cause of action, or any recourse whatsoever against a transferor of such Shares. All capitalized terms in this legend have the meanings defined in the Trust's Declaration of Trust, as the same may be amended from time to time, a copy of which, including the restrictions on transfer and ownership, will be furnished to each holder of Shares of the Trust on request and without charge.

Instead of the foregoing legend, the certificate may state that the Trust will furnish a full statement about certain restrictions on transferability to a shareholder on request and without charge.

Section 7.3 Transfer of Shares to the Charitable Trust.

Section 7.3.1 Ownership by the Charitable Trust. Upon any purported Transfer or other event described in Section 7.2.1(b) that would result in a transfer of Shares to a Charitable Trust, such Shares shall be deemed to have been transferred to the Charitable Trustee as trustee of a Charitable Trust for the exclusive benefit of one or more Charitable Beneficiaries. Such transfer to the Charitable Trustee shall be deemed to be effective as of the close of business on the Business Day prior to the purported Transfer or other event that results in the transfer to the Charitable Trust pursuant to Section 7.2.1(b). The Charitable Trustee shall be appointed by the Trust and shall be a Person unaffiliated with the Trust and any Prohibited Owner. Each Charitable Beneficiary shall be designated by the Trust as provided in Section 7.3.7.

Section 7.3.2 Status of Shares Held by the Charitable Trustee. Shares held by the Charitable Trustee shall be issued and outstanding Shares of the Trust. The Prohibited Owner shall have no rights in the Shares held by the Charitable Trustee. The Prohibited Owner shall not benefit economically from ownership of any Shares held in trust by the Charitable Trustee, shall have no rights to dividends or other distributions and shall not possess any rights to vote or other rights attributable to the Shares held in the Charitable Trust. The Prohibited Owner shall have no claim, cause of action, or any other recourse whatsoever against the purported transferor of such Shares.

Section 7.3.3 Dividend and Voting Rights. The Charitable Trustee shall have all voting rights and rights to dividends or other distributions with respect to Shares held in the Charitable Trust, which rights shall be exercised for the exclusive benefit of the Charitable Beneficiary. Any dividend or other distribution paid prior to the discovery by the Trust that Shares have been transferred to the Charitable Trustee shall be paid with respect to such Shares to the Charitable Trustee upon demand and any dividend or other distribution authorized but unpaid shall be paid when due to the Charitable Trustee. Any dividends or distributions so paid over to the Charitable Trustee shall be held in trust for the Charitable Beneficiary. The Prohibited Owner shall have no voting rights with respect to Shares held in the Charitable Trust and, subject to Maryland law, effective as of the date that Shares have been transferred to the Charitable Trustee, the Charitable Trustee shall have the authority (at the Charitable Trustee's sole discretion) (i) to rescind as void any vote cast by a Prohibited Owner prior to the discovery by the Trust that Shares have been transferred to the Charitable Trustee and (ii) to recast such vote in accordance with the desires of the Charitable Trustee acting for the benefit of the Charitable Beneficiary; provided, however, that if the Trust has already taken irreversible action, then the Charitable Trustee shall not have the power to rescind and recast such vote. Notwithstanding the provisions of this Article VII, until the Trust has received notification that Shares have been transferred into a Charitable Trust, the Trust shall be entitled to rely on its share transfer and other shareholder records for purposes of preparing lists of shareholders entitled to vote at meetings, determining the validity and authority of proxies and otherwise conducting votes of shareholders.

Section 7.3.4 Rights Upon Liquidation. Upon any voluntary or involuntary liquidation, dissolution or winding up of or any distribution of the assets of the Trust, the Charitable Trustee shall be entitled to receive, ratably with each other holder of Shares of the class or series of Shares that is held in the Charitable Trust, that portion of the assets of the Trust available for distribution to the holders of such class or series (determined based upon the ratio that the number of Shares or such class or series of Shares held by the Charitable Trustee bears to the total number of Shares of such class or series of Shares then outstanding). The Charitable Trustee shall distribute any such assets received in respect of the Shares held in the Charitable Trust in any liquidation, dissolution or winding up of, or distribution of the assets of the Trust, in accordance with Section 7.3.5.

Section 7.3.5 Sale of Shares by Charitable Trustee. Within 20 days of receiving notice from the Trust that Shares have been transferred to the Charitable Trust, the Charitable Trustee of the Charitable Trust shall sell the Shares held in the Charitable Trust to a person, designated by the Charitable Trustee, whose ownership of the Shares will not violate the ownership limitations set forth in Section 7.2.1(a). Upon such sale, the interest of the Charitable Beneficiary in the Shares sold shall terminate and the Charitable Trustee shall distribute the net proceeds of the sale to the Prohibited Owner and to the Charitable Beneficiary as provided in this Section 7.3.5. The Prohibited Owner shall receive the lesser of (1) the price paid by the Prohibited Owner for the Shares or, if the Prohibited Owner did not give value for the Shares in connection with the event causing the Shares to be held in the Charitable Trust (*e.g.*, in the case of a gift, devise or other such transaction), the Market Price of the Shares on the day of the event causing the Shares to be held in the Charitable Trust and (2) the price per share received by the Charitable Trustee from the sale or other disposition of the Shares held in the Charitable Trust. Any net sales proceeds in excess of the amount payable to the Prohibited Owner shall be immediately paid to the Charitable

Beneficiary. If, prior to the discovery by the Trust that Shares have been transferred to the Charitable Trustee, such Shares are sold by a Prohibited Owner, then (i) such Shares shall be deemed to have been sold on behalf of the Charitable Trust and (ii) to the extent that the Prohibited Owner received an amount for such Shares that exceeds the amount that such Prohibited Owner was entitled to receive pursuant to this Section 7.3.5, such excess shall be paid to the Charitable Trustee upon demand. The Charitable Trustee shall have the right and power (but not the obligation) to offer any Share held in trust for sale to the Trust on such terms and conditions as the Charitable Trustee shall deem appropriate.

Section 7.3.6 Purchase Right in Shares Transferred to the Charitable Trustee. Shares transferred to the Charitable Trustee shall be deemed to have been offered for sale to the Trust, or its designee, at a price per share equal to the lesser of (i) the price per share in the transaction that resulted in such transfer to the Charitable Trust (or, in the case of a devise or gift, the Market Price at the time of such devise or gift) and (ii) the Market Price on the date the Trust, or its designee, accepts such offer. The Trust shall have the right to accept such offer until the Charitable Trustee has sold the Shares held in the Charitable Trust pursuant to Section 7.3.5. Upon such a sale to the Trust, the interest of the Charitable Beneficiary in the Shares sold shall terminate and the Charitable Trustee shall distribute the net proceeds of the sale to the Prohibited Owner.

Section 7.3.7 Designation of Charitable Beneficiaries. By written notice to the Charitable Trustee, the Trust shall designate one or more nonprofit organizations to be the Charitable Beneficiary of the interest in the Charitable Trust such that (i) Shares held in the Charitable Trust would not violate the restrictions set forth in Section 7.2.1(a) in the hands of such Charitable Beneficiary and (ii) each such organization must be described in Sections 501(c)(3), 170(b)(1)(A) or 170(c)(2) of the Code.

Section 7.4 NYSE Transactions. Nothing in this Article VII shall preclude the settlement of any transaction entered into through the facilities of the NYSE or any other national securities exchange or automated inter-dealer quotation system. The fact that the settlement of any transaction takes place shall not negate the effect of any other provision of this Article VII and any transferee in such a transaction shall be subject to all of the provisions and limitations set forth in this Article VII.

Section 7.5 Enforcement. The Trust is authorized specifically to seek equitable relief, including injunctive relief, to enforce the provisions of this Article VII.

Section 7.6 Non-Waiver. No delay or failure on the part of the Trust or the Board in exercising any right hereunder shall operate as a waiver of any right of the Trust or the Board, as the case may be, except to the extent specifically waived in writing.

ARTICLE VIII

Section 8.1 Meetings. There shall be an annual meeting of the shareholders, to be held on proper notice at such time and location within or without the State of Maryland as shall be determined by or in the manner prescribed in the Bylaws, for the election of the Trustees, and for the transaction of any other business as may properly come before the meeting. Except as otherwise provided in the Declaration of Trust, special meetings of shareholders may be called in the manner provided in the Bylaws. Failure to hold an annual meeting does not affect the validity of any act otherwise taken by or on behalf of the Trust or affect the legal existence of the Trust.

Section 8.2 Voting Rights. Subject to the provisions of any class or series of Shares then outstanding or as otherwise required by law, the shareholders shall be entitled to vote only on the following matters: (a) election of Trustees as provided in Section 5.2 and the removal of Trustees as provided in Section 5.3; (b) amendment of the Declaration of Trust as provided in Article X; (c) termination of the Trust as provided in Section 12.2; (d) merger or consolidation of the Trust, or the sale or disposition of substantially all of the property of the Trust, as provided in Article XI; (e) such other matters with respect to which the Board of Trustees has adopted a resolution declaring that a proposed action is advisable and directing that the matter be submitted to the shareholders for approval or ratification; and (f) such other matters as may be properly brought before a meeting by a shareholder pursuant to the Bylaws. With the exception of election and removal of Trustees in accordance with the Declaration and the Bylaws of the Trust and any matter as may be properly brought before a shareholder pursuant to the Bylaws and applicable laws, no action that would bind the Trust and the Trustees may be taken without the prior recommendation of the Trustees. Except with respect to the foregoing matters, no action taken by the shareholders at any meeting shall in any way bind the Board of Trustees.

Section 8.3 Certain Rights of Stockholders. (a) Except as may be provided by the Board of Trustees in setting the terms of classified or reclassified Shares pursuant to Section 6.5, no holder of Shares shall, as such holder, have any preemptive right to purchase or subscribe for any additional Shares of the Trust or any other security of the Trust which it may issue or sell.

(b) Shareholders of the Trust are not entitled to exercise the rights of objecting stockholders under Maryland law.

(c) Shareholders of the Trust are not entitled to exercise cumulative voting rights in the election of trustees.

Section 8.4 Action by Shareholders without a Meeting. No action required or permitted to be taken by the shareholders may be taken without a meeting by less than unanimous written consent of the shareholders of the Trust.

ARTICLE IX

LIABILITY LIMITATION, INDEMNIFICATION

AND TRANSACTIONS WITH THE TRUST

Section 9.1 Limitation of Shareholder Liability. No shareholder shall be liable for any debt, claim, demand, judgment or obligation of any kind of, against or with respect to the Trust by reason of his being a shareholder, nor shall any shareholder be subject to any personal liability whatsoever, in tort, contract or otherwise, to any person in connection with the property or the affairs of the Trust by reason of his being a shareholder.

Section 9.2 Limitation of Trustee and Officer Liability. To the maximum extent that Maryland law in effect from time to time permits limitation of the liability of trustees and officers of a Maryland real estate investment trust or directors or officers of a Maryland corporation, no Trustee or officer of the Trust shall be liable to the Trust or to any shareholder for money damages, except to the extent that (a) the Trustee or officer actually received an improper benefit or profit in money, property or services, for the amount of the benefit or profit in money, property, or services actually received, or (b) a judgment or other final adjudication adverse to the Trustee or officer is entered in a proceeding based on a finding in the proceeding that the Trustee's or officer's action or failure to act was the result of active and deliberate dishonesty and was material to the cause of action adjudicated in the proceeding. Neither the amendment nor repeal of this Section 9.2, nor the adoption or amendment of any other provision of the Declaration of Trust inconsistent with this Section 9.2, shall apply to or affect in any respect the applicability of the preceding sentence with respect to any act or failure to act that occurred prior to such amendment, repeal or adoption.

Section 9.3 Indemnification. To the maximum extent permitted by Maryland law in effect from time to time, and in accordance with applicable provisions of the Bylaws, the Trust shall indemnify and advance expenses in accordance with Maryland law to (a) any present or former Trustee or officer (including any individual who, at the request of the Trust, serves or has served as a director, officer, partner, trustee, employee or agent of another corporation, partnership, joint venture, trust, employee benefit plan or any other enterprise) against any claim or liability to which he or she may become subject by reason of service in such capacity, and (b) any present or former Trustee or officer who has been successful in the defense of a proceeding to which he or she was made a party by reason of service in such capacity, against reasonable expenses incurred by the Trustee or officer in connection with the proceeding and shall pay or reimburse, in advance of final disposition of the proceeding, such reasonable expenses. The Trust may, with the approval of its Board of Trustees, provide such indemnification or advancement of expenses to any present or former Trustee or officer who served a predecessor of the Trust, and to any employee or agent of the Trust or a predecessor of the Trust. Any amendment of this section shall be prospective only and shall not affect the applicability of this section with respect to any act or failure to act that occurred prior to such amendment.

Section 9.4 Transactions Between the Trust and its Trustees, Officers, Employees and Agents. Subject to any express restrictions in the Declaration of Trust or adopted by the Trustees in the Bylaws or by resolution, the Trust may enter into any contract or transaction of any kind with any person, including any Trustee, officer, employee or agent of the Trust or any person affiliated with a Trustee, officer, employee or agent of the Trust, whether or not any of them has a financial interest in such transaction, provided, however, that in the case of any contract or transaction in which any Trustee, officer, employee or agent of the Trust (or any person affiliated with such person) has a material financial interest in such transaction, then: (a) the fact of the interest shall be disclosed or known to: (i) the Board of Trustees, and the Board of Trustees shall approve or ratify the contract or transaction by the affirmative vote of a majority of disinterested Trustees, even if the disinterested Trustees constitute less than a quorum, or (ii) the shareholders entitled to vote, and the contract or transaction shall be authorized, approved or ratified by a majority of the votes cast by the shareholders entitled to vote other than the votes of shares owned of record or beneficially by the interested party; or (b) the contract or transaction is fair and reasonable to the Trust.

Section 9.5 Express Exculpatory Clauses in Instruments. The Board of Trustees may cause to be inserted in every written agreement, undertaking or obligation made or issued on behalf of the Trust, an appropriate provision to the effect that neither the shareholders nor the Trustees, officers, employees or agents of the Trust shall be liable under any written instrument creating an obligation of the Trust, and all Persons shall look solely to the property of the Trust for the payment of any claim under or for the performance of that instrument. The omission of the foregoing exculpatory language from any instrument shall not affect the validity or enforceability of such instrument and shall not render any shareholder, Trustee, officer, employee or agent liable thereunder to any third party nor shall the Trustees or any officer, employee or agent of the Trust be liable to anyone for such omission.

ARTICLE X

AMENDMENTS

Section 10.1 General. The Trust reserves the right from time to time to make any amendment to the Declaration of Trust, now or hereafter authorized by law, including, without limitation, any amendment altering the terms or contract rights, as expressly set forth in the Declaration of Trust, of any Shares. A vote of the shareholders shall not be required if the Trust is the successor in the merger, the merger does not reclassify or change the outstanding Shares of the Trust immediately before the merger becomes effective or otherwise amend the Declaration of Trust and the number of Shares of each class or series outstanding immediately after the effective time of the merger does not increase by more than twenty percent (20%) of the number of Shares of the same class or series outstanding immediately before the merger becomes effective.

(b) After termination of the Trust, the liquidation of its business and the distribution to the shareholders as herein provided, a majority of the Trustees shall execute and file with the Trust's records a document certifying that the Trust has been duly terminated, and the Trustees shall be discharged from all liabilities and duties hereunder, and the rights and interests of all shareholders shall cease.

Section 13.3 Severability.

(a) The provisions of the Declaration of Trust are severable, and if the Board of Trustees shall determine, with the advice of counsel, that any one or more of such provisions (the Conflicting Provisions) are in conflict with the Code, the Maryland REIT Law or other applicable federal or state laws, the Conflicting Provisions, to the extent of the conflict, shall be deemed never to have constituted a part of the Declaration of Trust, even without any amendment of the Declaration of Trust pursuant to Article X and without affecting or impairing any of the remaining provisions of the Declaration of Trust or rendering invalid or improper any action taken or omitted prior to such determination. No Trustee shall be liable for making or failing to make such a determination. In the event of any such determination by the Board of Trustees, the Board shall amend the Declaration of Trust in the manner provided in Section 10.2.

MEETINGS OF SHAREHOLDERS

Section 1. **PLACE.** All meetings of shareholders shall be held at the principal office of the Trust or at such other place within the United States as shall be set by the Board of Trustees and stated in the notice of the meeting. If authorized by the Board of Trustees, and subject to applicable provisions of Maryland law and any guidelines and procedures that the Board of Trustees may adopt, shareholders not physically present in person or by proxy at a meeting of shareholders may, by electronic transmission by and to the Trust or by electronic video screen communication, participate in a meeting of shareholders, be deemed present in person or by proxy, and vote at a meeting of shareholders whether that meeting is to be held at a designated place or in whole or in part by means of electronic transmission by and to the Trust or by electronic video screen communication.

any shareholder votes or takes other action at the meeting by means of electronic transmission to the Trust or electronic video screen communication, a record of that vote or action is maintained by the Trust. Any request by the Trust to a shareholder for consent to conduct a meeting of shareholders by electronic transmission by and to the Trust, shall include a notice that, absent consent of the shareholder, the meeting shall be held at a physical location in accordance with Section 1 of this Article III.

Section 5. **NOTICE**. Not less than ten nor more than 90 days before each meeting of shareholders, the secretary shall give to each shareholder entitled to vote at such meeting and to each shareholder not entitled to vote who is entitled to notice of the meeting written or printed notice stating the time and place of the meeting and, in the case of a special meeting or as otherwise may be required by any statute, the purpose for which the meeting is called, either by mail, by presenting it to such shareholder personally, by leaving it at his or her residence or usual place of business, or by transmitting it to such shareholder by electronic mail to any electronic mail address of such shareholder or through any other electronic transmission by the Trust. Such notice shall be deemed to be given (a) if mailed, when deposited in the United States mail addressed to the shareholder at his or her post office address as it appears on the records of the Trust, with postage thereon prepaid, or (b) when sent by electronic transmission by the Trust or sent by other means of written communication.

Notice given by electronic transmission by the Trust shall be valid only if it complies with the procedures set forth in Section 1(b) of Article I and as long as neither of the following has occurred: (a) the Trust is unable to deliver two consecutive notices to the shareholder by that means, or (b) the inability to so deliver the notices to the shareholder becomes known to the secretary, any assistant secretary, the transfer agent or other person responsible for the giving of the notice.

An affidavit of the mailing or electronic transmission by the Trust or other means of giving any notice of any shareholders meeting shall be executed by the secretary, assistant secretary or any transfer agent of the Trust giving the notice, and shall be filed and maintained in the minute book of the Trust.

Section 6. **SCOPE OF NOTICE**. Any business of the Trust may be transacted at an annual meeting of shareholders without being specifically designated in the notice, except such business as is required by any statute to be stated in such notice. No business shall be transacted at a special meeting of shareholders except as specifically designated in the notice.

Section 7. **ORGANIZATION AND CONDUCT**. At every meeting of the shareholders, the chairman of the board, if there be one, shall conduct the meeting or, in the case of vacancy in office or absence of the chairman of the board, one of the following officers present shall conduct the meeting in the order stated: the vice chairman of the board, if there be one, the president, the vice presidents in their order of rank and seniority, or a chairman chosen by the shareholders entitled to cast a majority of the votes which all shareholders present in person or by proxy are entitled to cast, shall act as chairman, and the secretary, or, in his or her absence, an assistant secretary, or in the absence of both the secretary and assistant secretaries, a person appointed by the chairman shall act as secretary.

Table of Contents

The order of business and all other matters of procedure at any meeting of shareholders shall be determined by the chairman of the meeting. The chairman of the meeting may prescribe such rules, regulations and procedures and take such action as, in the discretion of such chairman, are appropriate for the proper conduct of the meeting, including, without limitation, (a) restricting admission to the time set for the commencement of the meeting; (b) limiting attendance at the meeting to shareholders of record of the Trust, their duly authorized proxies or other such persons as the chairman of the meeting may determine; (c) limiting participation at the meeting on any matter to shareholders of record of the Trust entitled to vote on such matter, their duly authorized proxies or other such persons as the chairman of the meeting may determine; (d) limiting the time allotted to questions or comments by participants; (e) maintaining order and security at the meeting; (f) removing any shareholder or any other person who refuses to comply with meeting procedures, rules or guidelines as set forth by the chairman of the meeting; and (g) recessing or adjourning the meeting to a later date and time and place announced at the meeting. Unless otherwise determined by the chairman of the meeting, meetings of shareholders shall not be required to be held in accordance with the rules of parliamentary procedure.

Section 8. **QUORUM**. At any meeting of shareholders, the presence in person or by proxy of shareholders entitled to cast a majority of all the votes entitled to be cast at such meeting shall constitute a quorum; but this section shall not affect any requirement under any statute or the Declaration of Trust, as amended, restated or supplemented from time to time (the Declaration of Trust) for the vote necessary for the adoption of any measure. If, however, such quorum shall not be present at any meeting of the shareholders, the shareholders entitled to vote at such meeting, present in person or by proxy, shall have the power to adjourn the meeting from time to time to a date not more than 120 days after the original record date without a new record date and without notice other than announcement at the meeting. At such adjourned meeting at which a quorum shall be present, any business may be transacted which might have been transacted at the meeting as originally notified.

Section 9. **VOTING**. A plurality of all the votes cast at a meeting of shareholders duly called and at which a quorum is present shall be sufficient to elect a Trustee. Each share may be voted for as many individuals as there are Trustees to be elected and for whose election the share is entitled to be voted. A majority of the votes cast at a meeting of shareholders duly called and at which a quorum is present shall be sufficient to approve any other matter which may properly come before the meeting, unless a higher vote is required herein or by statute or by the Declaration of Trust. Unless otherwise provided in the Declaration of Trust, each outstanding share entitled to vote, regardless of class, shall be entitled to one vote on each matter submitted to a vote at a meeting of shareholders.

Section 10. **PROXIES**. A shareholder may cast the votes entitled to be cast by the shares owned of record by him or her either in person or by proxy by the shareholder or by his or her duly authorized agent or attorney-in-fact by a written authorization signed or an electronic transmission to the Trust or in any other manner permitted by law. Such proxy shall be filed with the secretary of the Trust before or at the time of the meeting. A proxy shall be deemed signed if the shareholder's name or other authorization is placed on the proxy (whether by manual signature, typewriting, transmission or otherwise in accordance with Maryland law) by the shareholder or the shareholder's attorney-in-fact. A validly executed proxy which does not state that it is irrevocable shall continue in full force and effect unless (a) revoked by the person executing it, before the vote pursuant to that proxy, by a writing delivered to the Trust stating that the proxy is revoked, or by a subsequent proxy executed by, or attendance at the meeting and voting in person by, the person executing the proxy; or (b) written notice of the death or incapacity of the maker of that proxy is received by the Trust before the vote pursuant to that proxy is counted; provided, however, that no proxy shall be valid after the expiration of eleven (11) months from the date of the proxy unless otherwise provided in the proxy.

Section 11. **VOTING OF SHARES BY CERTAIN HOLDERS.** Shares of the Trust registered in the name of a corporation, partnership, trust or other entity, if entitled to be voted, may be voted by the president or a vice president, a general partner or trustee thereof, as the case may be, or a proxy appointed by any of the foregoing individuals, unless some other person who has been appointed to vote such shares pursuant to a bylaw or a resolution of the governing board of such corporation or other entity or agreement of the partners of the partnership presents a certified copy of such bylaw, resolution or agreement, in which case such person may vote such shares. Any trustee or other fiduciary may vote shares registered in his or her name as such fiduciary, either in person or by proxy.

Shares of the Trust directly or indirectly owned by it shall not be voted at any meeting and shall not be counted in determining the total number of outstanding shares entitled to be voted at any given time, unless they are held in a fiduciary capacity, in which case they may be voted and shall be counted in determining the total number of outstanding shares at any given time.

The Board of Trustees may adopt by resolution a procedure by which a shareholder may certify in writing to the Trust that any shares registered in the name of the shareholder are held for the account of a specified person other than the shareholder. The resolution shall set forth the class of shareholders who may make the certification, the purpose for which the certification may be made, the form of certification and the information to be contained in it; if the certification is with respect to a record date or closing of the share transfer books, the time after the record date or closing of the share transfer books within which the certification must be received by the Trust; and any other provisions with respect to the procedure which the Board of Trustees considers necessary or desirable. On receipt of such certification, the person specified in the certification shall be regarded as, for the purposes set forth in the certification, the shareholder of record of the specified shares in place of the shareholder who makes the certification.

Section 12. **INSPECTORS.** At any meeting of shareholders, the chairman of the meeting may, or upon the request of any shareholder shall, appoint one or more persons as inspectors for such meeting. Such inspectors shall ascertain and report the number of shares represented at the meeting based upon their determination of the validity and effect of proxies, count all votes, report the results and perform such other acts as are proper to conduct the election and voting with impartiality and fairness to all the shareholders. In case any person who may be appointed as an inspector fails to appear or act, the vacancy may be filled by appointment made by the Board of Trustees in advance of the meeting or at the meeting by the chairman of the meeting.

Each report of an inspector shall be in writing and signed by him or her or by a majority of them if there is more than one inspector acting at such meeting. If there is more than one inspector, the report of a majority shall be the report of the inspectors. The report of the inspector or inspectors on the number of shares represented at the meeting and the results of the voting shall be prima facie evidence thereof.

Section 13. **ADVANCE NOTICE OF SHAREHOLDER NOMINEES FOR TRUSTEE AND OTHER PROPOSALS BY SHAREHOLDERS.**

(a) Annual Meetings of Shareholders.

(1) At an annual meeting of shareholders, only such business shall be conducted as shall have been properly brought before the meeting. To be properly brought before an annual meeting, business must be (i) specified in the notice of annual meeting (or any supplement thereto) given by or at the direction of the Board of Trustees, (ii) otherwise properly brought before the annual meeting by or at the direction of the Board of Trustees, or (iii) otherwise properly brought before the

annual meeting by a shareholder who is a shareholder of record at the time such notice is delivered to the Trust and who is a shareholder at the time of the annual meeting, who is entitled to vote at the meeting and who complied with the notice procedures set forth in this Section 13(a).

(2) For nominations for election to the Board of Trustees (other than a person nominated by or at the election of the Board of Trustees) or other business to be properly brought before an annual meeting by a shareholder pursuant to clause (iii) of paragraph (a)(1) of this Section 13, the shareholder must have given timely and proper notice thereof in writing to the secretary of the Trust and such other business must otherwise be a proper matter for action by shareholders. To be timely, a shareholder's notice must be delivered to or mailed and received by the secretary at the principal executive office of the Trust by not later than the close of business on the 90th day prior to the first anniversary of the date of mailing of the notice for the preceding year's annual meeting nor earlier than the close of business on the 120th day prior to the first anniversary of the date of mailing of the notice for the preceding year's annual meeting; provided, however, that in the event that the date of the mailing of the notice for the annual meeting is advanced or delayed by more than 30 days from the first anniversary of the date of the mailing of the notice for the preceding year's annual meeting, notice by the shareholder to be timely must be so delivered not earlier than the close of business on the 120th day prior to the date of mailing of the notice for such annual meeting and not later than the close of business on the later of the 90th day prior to the date of mailing of the notice for such annual meeting or the 10th day following the day on which public announcement of the date of mailing of the notice for such meeting is first made by the Trust. In no event shall the public announcement of a postponement of an annual meeting to a later date or time commence a new time period for the giving of a shareholder's notice as described above. Such shareholder's notice shall set forth (i) as to each person whom the shareholder proposes to nominate for election or reelection as a trustee (A) the name, age, business address and residence address of such person, (B) the class and number of shares of beneficial interest of the Trust that are beneficially owned or owned of record by such person and (C) all other information relating to such person that is required to be disclosed in solicitations of proxies for election of Trustees in an election contest (even if an election contest is not involved), or is otherwise required, in each case pursuant to Regulation 14A (or any successor provision) under the Exchange Act (including such person's written consent to being named in the proxy statement as a nominee and to serving as a trustee if elected); (ii) as to any other business that the shareholder proposes to bring before the meeting, a description in reasonable detail of the business desired to be brought before the meeting (including the text of any resolutions proposed for consideration), the reasons for conducting such business at the meeting and any material interest in such business of such shareholder (including any anticipated benefit to the shareholder therefrom) and of each beneficial owner, if any, on whose behalf the proposal is made; and (iii) as to the shareholder giving the notice and each beneficial owner, if any, on whose behalf the nomination or proposal is made, (x) the name and address of such shareholder, as they appear on the Trust's share ledger and current name and address, if different, of such beneficial owner, and (y) the class and number of shares of each class of beneficial interest of the Trust which are owned beneficially and of record by such shareholder and owned beneficially by such beneficial owner.

(3) Notwithstanding anything in this subsection(a) of this Section 13 to the contrary, in the event that the number of Trustees to be elected to the Board of Trustees is increased and there is no public announcement by the Trust of such action or specifying the size of the increased Board of Trustees at least 100 days prior to the first anniversary of the date of mailing of the notice of the preceding year's annual meeting, a shareholder's notice required by this Section 13(a) shall also be considered timely, but only with respect to nominees for any new positions created by such increase, if the notice is delivered to the secretary at the principal executive offices of the Trust not later than the close of business on the 10th day immediately following the day on which such public announcement is first made by the Trust.

(4) The foregoing requirements in this Section 13 for proposals for other business to be conducted at an annual meeting shall be deemed satisfied by a shareholder if the shareholder has notified the Trust of his intention to present a proposal at an annual meeting in compliance with the applicable rules and regulations promulgated under the Securities Exchange Act of 1934, as amended, and such shareholder's proposal has been included in a proxy statement that has been prepared by the Trust to solicit proxies for such annual meeting.

(5) For the purposes of this Section 13, public announcement shall mean disclosure in a press release reported by the Dow Jones News Service, Associated Press or comparable national news service or in a document publicly filed by the Trust with the Securities and Exchange Commission pursuant to Sections 13, 14 or 15 of the Securities Exchange Act of 1934, as amended.

(b) General.

(1) Upon written request by the secretary or the Board of Trustees or any committee thereof, any shareholder proposing a nominee for election as a Trustee or any proposal for other business at a meeting of shareholders shall provide, within five business days of delivery of such request (or such other period as may be specified in such request), written verification, satisfactory to the secretary or the Board of Trustees or any committee thereof, in his, her or its sole discretion, of the accuracy of any information submitted by the shareholder pursuant to this Section 13. If a shareholder fails to provide such written verification within such period, the secretary or the Board of Trustees or any committee thereof may treat the information as to which written verification was requested as not having been provided in accordance with the procedures set forth in this Section 13.

(2) Only such persons who are nominated in accordance with the procedures set forth in this Section 13 shall be eligible to serve as Trustees, and only such business shall be conducted at a meeting of shareholders as shall have been brought before the meeting in accordance with the procedures set forth in this Section 13. The chairman of the meeting shall have the power and duty to determine whether a nomination or any other business proposed to be brought before the meeting was made or proposed, as the case may be, in accordance with the procedures set forth in this Section 13 and, if any proposed nomination or other business is not in compliance with this Section 13, to declare that such defective nomination or proposal be disregarded.

(3) For purposes of this Section 13, (a) the date of mailing of the notice shall mean the date of the proxy statement for the solicitation of proxies for election of Trustees and (b) public announcement shall mean disclosure (i) in a press release either transmitted to the principal securities exchange on which the Trust's common shares are traded or reported by a recognized news service or (ii) in a document publicly filed by the Trust with the United States Securities and Exchange Commission.

(4) Notwithstanding the foregoing provisions of this Section 13, a shareholder shall also comply with all applicable requirements of state law and of the Exchange Act and the rules and regulations thereunder with respect to the matters set forth in this Section 13. Nothing in this Section 13 shall be deemed to affect any right of a shareholder to request inclusion of a proposal in, nor the right of the Trust to omit a proposal from, the Trust's proxy statement pursuant to Rule 14a-8 (or any successor provision) under the Exchange Act.

Section 14. SHAREHOLDER ACTION BY WRITTEN CONSENT WITHOUT A MEETING. Any action required or permitted to be taken at a meeting of shareholders may be taken without a meeting if a consent in writing, setting forth such action, is signed by each shareholder entitled to vote on the matter and any other shareholder entitled to notice of a meeting of shareholders (but not to vote thereat) has waived in writing any right to dissent from such action, and such consent and waiver are filed with the minutes of proceedings of the shareholders.

Section 15. VOTING BY BALLOT. Voting on any question or in any election may be by voice unless the presiding officer shall order or any shareholder shall demand that voting be by ballot.

Section 16. CONTROL SHARE ACQUISITION ACT. The Trust elects not to be bound by Subtitle 7 of Title 3 of the Corporations and Associations Article of the Annotated Code of Maryland.

Section 6. **QUORUM**. A majority of the Board of Trustees shall constitute a quorum for transaction of business at any meeting of the Board of Trustees, provided that, if less than a majority of such Trustees are present at said meeting, a majority of the Trustees present may adjourn the meeting from time to time without further notice, and provided further that if, pursuant to the Declaration of Trust or these Bylaws, the vote of a majority of a particular group of Trustees is required for action, a quorum must also include a majority of such group.

The Trustees present at a meeting which has been duly called and convened may continue to transact business until adjournment, notwithstanding the withdrawal of enough Trustees to leave less than a quorum.

The business transacted at any meeting of the board of directors, however called and noticed or wherever held, shall be as valid as though had at a meeting duly held after regular call and notice if a quorum is present and if, either before or after the meeting, each of the directors not present or who though present has prior to the meeting or at its commencement protested the lack of proper notice to him, signs a written waiver of notice, a consent to holding the meeting or an approval of the minutes. The waiver of notice or consent need not specify the purpose of the meeting. All such waivers, consents and approvals shall be filed with the corporate records or made a part of the minutes of the meeting.

Section 10. **ACTION BY TRUSTEES WITHOUT A MEETING**. In the absence of the chairman of the board, or if there be none, he shall preside at all meetings of the shareholders and at all meetings of the Board of Trustees. SHARES

Section 1. **CERTIFICATES.** Unless the Board of Trustees of the Trust authorizes the issue of some or all of the shares of any or all of its classes or series without certificates, each shareholder shall be entitled to a certificate or certificates which shall evidence and certify the number of shares of each class of beneficial interests held by him or her in the Trust. Each certificate shall be signed by the chief executive officer, the president or a vice president and countersigned by the secretary or an assistant secretary or the treasurer or an assistant treasurer and may be sealed with the seal, if any, of the Trust. The signatures may be either manual or facsimile. Certificates shall be consecutively numbered; and if the Trust shall, from time to time, issue several classes of shares, each class may have

its own number series. A certificate is valid and may be issued whether or not an officer who signed it is still an officer when it is issued. Each certificate representing shares which are restricted as to their transferability or voting powers, which are preferred or limited as to their dividends or as to their allocable portion of the assets upon liquidation or which are redeemable at the option of the Trust, shall have a statement of such restriction, limitation, preference or redemption provision, or a summary thereof, plainly stated on the certificate. In lieu of such statement or summary, the Trust may set forth upon the face or back of the certificate a statement that the Trust will furnish to any shareholder, upon request and without charge, a full statement of such information. At the time of issue or transfer of shares without certificates, the Trust shall send the shareholder a written statement of the information required on certificates by Section 8-203 of Title 8 of the Corporations and Associations Article of the Annotated Code of Maryland.

Section 2. **TRANSFERS**. Certificates shall be treated as negotiable and title thereto and to the shares they represent shall be transferred by delivery thereof to the same extent as those of a Maryland stock corporation. Upon surrender to the Trust or the transfer agent of the Trust of a share certificate duly endorsed or accompanied by proper evidence of succession, assignment or authority to transfer, the Trust shall issue a new certificate to the person entitled thereto, cancel the old certificate and record the transaction upon its books.

The Trust shall be entitled to treat the holder of record of any share or shares as the holder in fact thereof and, accordingly, shall not be bound to recognize any equitable or other claim to or interest in such share or shares on the part of any other person, whether or not it shall have express or other notice thereof, except as otherwise provided by the laws of the State of Maryland.

Notwithstanding the foregoing, transfers of shares of beneficial interest of the Trust will be subject in all respects to the Declaration of Trust and all of the terms and conditions contained therein.

Section 3. **REPLACEMENT CERTIFICATE**. Any officer designated by the Board of Trustees may direct a new certificate to be issued in place of any certificate previously issued by the Trust alleged to have been lost, stolen or destroyed upon the making of an affidavit of that fact by the person claiming the certificate to be lost, stolen or destroyed. When authorizing the issuance of a new certificate, an officer designated by the Board of Trustees may, in his or her discretion and as a condition precedent to the issuance thereof, require the owner of such lost, stolen or destroyed certificate or the owner's legal representative to advertise the same in such manner as he or she shall require and/or to give bond, with sufficient surety, to the Trust to indemnify it against any loss or claim which may arise as a result of the issuance of a new certificate.

Section 4. **CLOSING OF TRANSFER BOOKS OR FIXING OF RECORD DATE**. The Board of Trustees may set, in advance, a record date for the purpose of determining shareholders entitled to notice of or to vote at any meeting of shareholders or determining shareholders entitled to receive payment of any dividend or the allotment of any other rights, or in order to make a determination of shareholders for any other proper purpose. Such date, in any case, shall not be prior to the close of business on the day the record date is fixed and shall be not more than 90 days and, in the case of a meeting of shareholders not less than ten days, before the date on which the meeting or particular action requiring such determination of shareholders of record is to be held or taken.

In lieu of fixing a record date, the Board of Trustees may provide that the share transfer books shall be closed for a stated period but not longer than 20 days. If the share transfer books are closed for the purpose of determining shareholders entitled to notice of or to vote at a meeting of shareholders, such books shall be closed for at least ten days before the date of such meeting.

Table of Contents

If no record date is fixed and the share transfer books are not closed for the determination of shareholders, (a) the record date for the determination of shareholders entitled to notice of or to vote at a meeting of shareholders shall be at the close of business on the day on which the notice of meeting is mailed or the 30th day before the meeting, whichever is the closer date to the meeting; and (b) the record date for the determination of shareholders entitled to receive payment of a dividend or an allotment of any other rights shall be the close of business on the day on which the resolution of the Board of Trustees, declaring the dividend or allotment of rights, is adopted.

When a determination of shareholders entitled to vote at any meeting of shareholders has been made as provided in this section, such determination shall apply to any adjournment thereof, except when (i) the determination has been made through the closing of the transfer books and the stated period of closing has expired or (ii) the meeting is adjourned to a date more than 120 days after the record date fixed for the original meeting, in either of which case a new record date shall be determined as set forth herein.

Section 5. SHARE LEDGER. The Trust shall maintain at its principal office or at the office of its counsel, accountants or transfer agent, an original or duplicate share ledger containing the name and address of each shareholder and the number of shares of each class held by such shareholder.

Section 6. FRACTIONAL SHARES; ISSUANCE OF UNITS. The Board of Trustees may issue fractional shares or provide for the issuance of scrip, all on such terms and under such conditions as they may determine. Notwithstanding any other provision of the Declaration of Trust or these Bylaws, the Board of Trustees may issue units consisting of different securities of the Trust. Any security issued in a unit shall have the same characteristics as any identical securities issued by the Trust, except that the Board of Trustees may provide that for a specified period securities of the Trust issued in such unit may be transferred to the books of the Trust only in such unit.

ARTICLE IX

ACCOUNTING YEAR

The Board of Trustees shall have the power, from time to time, to fix the fiscal year of the Trust by a duly adopted resolution.

ARTICLE X

DISTRIBUTIONS

Section 1. AUTHORIZATION. Dividends and other distributions upon the shares of beneficial interest of the Trust may be authorized and declared by the Board of Trustees, subject to the provisions of law and the Declaration of Trust. Dividends and other distributions may be paid in cash, property or shares of the Trust, subject to the provisions of law and the Declaration of Trust.

Section 2. CONTINGENCIES. Before payment of any dividends or other distributions, there may be set aside out of any funds of the Trust available for dividends or other distributions such sum or sums as the Board of Trustees may from time to time, in their absolute discretion, think proper as a reserve fund for contingencies, for equalizing dividends or other distributions, for repairing or maintaining any property of the Trust or for such other purpose as the Board of Trustees shall determine to be in the best interest of the Trust, and the Board of Trustees may modify or abolish any such reserve in the manner in which it was created.

ARTICLE XI

Section 1. **SEAL**. The Board of Trustees may authorize the adoption of a seal by the Trust. The seal shall have inscribed thereon the name of the Trust and the year of its formation. The Trustees may authorize one or more duplicate seals and provide for the custody thereof.

Section 2. **AFFIXING SEAL**. Whenever the Trust is permitted or required to affix its seal to a document, it shall be sufficient to meet the requirements of any law, rule or regulation relating to a seal to place the word (SEAL) adjacent to the signature of the person authorized to execute the document on behalf of the Trust.

ARTICLE XII

INDEMNIFICATION AND ADVANCE OF EXPENSES

To the maximum extent permitted by Maryland law in effect from time to time, the Trust shall indemnify (a) any Trustee or officer (including among the foregoing, for all purposes of this Article XII and without limitation, any individual who, while a Trustee or officer and at the express request of the Trust, serves or has served another real estate investment trust, corporation, partnership, joint venture, trust, employee benefit plan or any other enterprise as a director, officer, shareholder, partner or trustee of such real estate investment trust, corporation, partnership, joint venture, trust, employee benefit plan or other enterprise) who has been successful, on the merits or otherwise, in the defense of a proceeding to which he or she was made a party by reason of service in such capacity, against reasonable expenses incurred by him or her in connection with the proceeding, and (b) any Trustee or officer or any former Trustee or officer against any claim or liability to which he or she may become subject by reason of such status unless it is established that (i) his or her act or omission was material to the matter giving rise to the proceeding and was committed in bad faith or was the result of active and deliberate dishonesty, (ii) he or she actually received an improper personal benefit in money, property or services or (iii) in the case of a criminal proceeding, he or she had reasonable cause to believe that his or her act or omission was unlawful. In addition, the Trust shall pay or reimburse, as incurred, in advance of final disposition of a proceeding, reasonable expenses incurred by a Trustee or officer or former Trustee or officer made a party to a proceeding by reason of such status, provided that the Trust shall have received (i) a written affirmation by the Trustee or officer of his or her good faith belief that he or she has met the applicable standard of conduct necessary for indemnification by the Trust as authorized by these Bylaws and (ii) a written undertaking by or on his or her behalf to repay the amount paid or reimbursed by the Trust if it shall ultimately be determined that the applicable standard of conduct was not met. The Trust may, with the approval of its Board of Trustees, provide such indemnification or payment or reimbursement of expenses to any Trustee, officer or shareholder or any former Trustee, officer or shareholder who served a predecessor of the Trust and to any employee or agent of the Trust or a predecessor of the Trust.

Neither the amendment nor repeal of this Article, nor the adoption or amendment of any other provision of the Declaration of Trust or these Bylaws inconsistent with this Article, shall apply to or affect in any respect the applicability of this Article with respect to any act or failure to act which occurred prior to such amendment, repeal or adoption.

Any indemnification or payment or reimbursement of the expenses permitted by these Bylaws shall be furnished in accordance with the procedures provided for indemnification or payment or reimbursement of expenses, as the case may be, under Section 2-418 of the MGCL for directors of Maryland corporations. The Trust may provide to Trustees, officers, employees, agents and shareholders

such other and further indemnification or payment or reimbursement of expenses, as the case may be, to the fullest extent permitted by the MGCL, as in effect from time to time, for directors of Maryland corporations.

ARTICLE XIII

WAIVER OF NOTICE

Whenever any notice is required to be given pursuant to the Declaration of Trust or these Bylaws or pursuant to applicable law, a waiver thereof in writing, signed by the person or persons entitled to such notice, whether before or after the time stated therein, shall be deemed equivalent to the giving of such notice. Neither the business to be transacted at nor the purpose of any meeting need be set forth in the waiver of notice, unless specifically required by statute. The attendance of any person at any meeting shall constitute a waiver of notice of such meeting, except where such person attends a meeting for the express purpose of objecting to the transaction of any business on the ground that the meeting is not lawfully called or convened.

§1300. Right to Require Purchase Dissenting Shares and Dissenting Shareholder Defined.

(a) If the approval of the outstanding shares (Section 152) of a corporation is required for a reorganization under subdivisions (a) and (b) or subdivision (e) or (f) of Section 1201, each shareholder of the corporation entitled to vote on the transaction and each shareholder of a subsidiary corporation in a short-form merger may, by complying with this chapter, require the corporation in which the shareholder holds shares to purchase for cash at their fair market value the shares owned by the shareholder which are dissenting shares as defined in subdivision (b). The fair market value shall be determined as of the day before the first announcement of the terms of the proposed reorganization or short-form merger, excluding any appreciation or depreciation in consequence of the proposed action, but adjusted for any stock split, reverse stock split, or share dividend which becomes effective thereafter.

(b) As used in this chapter, dissenting shares means shares which come within all of the following descriptions:

(1) Which were not immediately prior to the reorganization or short-form merger either (A) listed on any national securities exchange certified by the Commissioner of Corporations under subdivision (o) of Section 25100 or (B) listed on the National Market System of the NASDAQ Stock Market, and the notice of meeting of shareholders to act upon the reorganization summarizes this section and Sections 1301, 1302, 1303 and 1304; provided, however, that this provision does not apply to any shares with respect to which there exists any restriction on transfer imposed by the corporation or by any law or regulation; and provided, further, that this provision does not apply to any class of shares described in subparagraph (A) or (B) if demands for payment are filed with respect to 5 percent or more of the outstanding shares of that class.

(3) Which the dissenting shareholder has demanded that the corporation purchase at their fair market value, in accordance with Section 1301.

E-1

Table of Contents

(4) Which the dissenting shareholder has submitted for endorsement, in accordance with Section 1302.

(c) As used in this chapter, dissenting shareholder means the recordholder of dissenting shares and includes a transferee of record.

§1301. Demand for Purchase.

(a) If, in the case of a reorganization, any shareholders of a corporation have a right under Section 1300, subject to compliance with paragraphs (3) and (4) of subdivision (b) thereof, to require the corporation to purchase their shares for cash, that corporation shall mail to each such shareholder a notice of the approval of the reorganization by its outstanding shares (Section 152) within 10 days after the date of that approval, accompanied by a copy of Sections 1300, 1302, 1303, and 1304 and this section, a statement of the price determined by the corporation to represent the fair market value of the dissenting shares, and a brief description of the procedure to be followed if the shareholder desires to exercise the shareholder's right under those sections. The statement of price constitutes an offer by the corporation to purchase at the price stated any dissenting shares as defined in subdivision (b) of Section 1300, unless they lose their status as dissenting shares under Section 1309.

(b) Any shareholder who has a right to require the corporation to purchase the shareholder's shares for cash under Section 1300, subject to compliance with paragraphs (3) and (4) of subdivision (b) thereof, and who desires the corporation to purchase shares shall make written demand upon the corporation for the purchase of those shares and payment to the shareholder in cash of their fair market value. The demand is not effective for any purpose unless it is received by the corporation or any transfer agent thereof (1) in the case of shares described in clause (A) or (B) of paragraph (1) of subdivision (b) of Section 1300 (without regard to the provisos in that paragraph), not later than the date of the shareholders' meeting to vote upon the reorganization, or (2) in any other case within 30 days after the date on which the notice of the approval by the outstanding shares pursuant to subdivision (a) or the notice pursuant to subdivision (i) of Section 1110 was mailed to the shareholder.

(c) The demand shall state the number and class of the shares held of record by the shareholder which the shareholder demands that the corporation purchase and shall contain a statement of what that shareholder claims to be the fair market value of those shares as of the day before the announcement of the proposed reorganization or short-form merger. The statement of fair market value constitutes an offer by the shareholder to sell the shares at that price.

§1302. Endorsement of Shares.

Within 30 days after the date on which notice of the approval by the outstanding shares or the notice pursuant to subdivision (i) of Section 1110 was mailed to the shareholder, the shareholder shall submit to the corporation at its principal office or at the office of any transfer agent thereof, (a) if the shares are certificated securities, the shareholder's certificates representing any shares which the shareholder demands that the corporation purchase, to be stamped or endorsed with a statement that the shares are dissenting shares or to be exchanged for certificates of appropriate denomination so stamped or endorsed or (b) if the shares are uncertificated securities, written notice of the number of shares which the shareholder demands that the corporation purchase. Upon subsequent transfers of the dissenting shares on the books of the corporation, the new certificates, initial transaction statement, and other written statements issued therefor shall bear a like statement, together with the name of the original dissenting holder of the shares.

§1303. Agreed Price Time for Payment.

(a) If the corporation and the shareholder agree that the shares are dissenting shares and agree upon the price of the shares, the dissenting shareholder is entitled to the agreed price with interest thereon at the legal rate on judgments from the date of the agreement. Any agreements fixing the fair market value of any dissenting shares as between the corporation and the holders thereof shall be filed with the secretary of the corporation.

(b) Subject to the provisions of Section 1306, payment of the fair market value of dissenting shares shall be made within 30 days after the amount thereof has been agreed or within 30 days after any statutory or contractual conditions to the reorganization are satisfied, whichever is later, and in the case of certificated securities, subject to surrender of the certificates therefor, unless provided otherwise by agreement.

§1304. Dissenter s Action to Enforce Payment.

(a) If the corporation denies that the shares are dissenting shares, or the corporation and the shareholder fail to agree upon the fair market value of the shares, then the shareholder demanding purchase of such shares as dissenting shares or any interested corporation, within six months after the date on which notice of the approval by the outstanding shares (Section 152) or notice pursuant to subdivision (i) of Section 1110 was mailed to the shareholder, but not thereafter, may file a complaint in the superior court of the proper county praying the court to determine whether the shares are dissenting shares or the fair market value of the dissenting shares or both or may intervene in any action pending on such a complaint.

(b) Two or more dissenting shareholders may join as plaintiffs or be joined as defendants in any such action and two or more such actions may be consolidated.

(c) On the trial of the action, the court shall determine the issues. If the status of the shares as dissenting shares is in issue, the court shall first determine that issue. If the fair market value of the dissenting shares is in issue, the court shall determine, or shall appoint one or more impartial appraisers to determine, the fair market value of the shares.

§1305. Appraisers Report Payment Costs.

(a) If the court appoints an appraiser or appraisers, they shall proceed forthwith to determine the fair market value per share. Within the time fixed by the court, the appraisers, or a majority of them, shall make and file a report in the office of the clerk of the court. Thereupon, on the motion of any party, the report shall be submitted to the court and considered on such evidence as the court considers relevant. If the court finds the report reasonable, the court may confirm it.

(b) If a majority of the appraisers appointed fail to make and file a report within 10 days from the date of their appointment or within such further time as may be allowed by the court or the report is not confirmed by the court, the court shall determine the fair market value of the dissenting shares.

(c) Subject to the provisions of Section 1306, judgment shall be rendered against the corporation for payment of an amount equal to the fair market value of each dissenting share multiplied by the number of dissenting shares which any dissenting shareholder who is a party, or who has intervened, is entitled to require the corporation to purchase, with interest thereon at the legal rate from the date on which judgment was entered.

(d) Any such judgment shall be payable forthwith with respect to uncertificated securities and, with respect to certificated securities, only upon the endorsement and delivery to the corporation of the certificates for the shares described in the judgment. Any party may appeal from the judgment.

(e) The costs of the action, including reasonable compensation to the appraisers to be fixed by the court, shall be assessed or apportioned as the court considers equitable, but, if the appraisal exceeds the price offered by the corporation, the corporation shall pay the costs (including in the discretion of the court attorneys fees, fees of expert witnesses and interest at the legal rate on judgments from the date of compliance with Sections 1300, 1301 and 1302 if the value awarded by the court for the shares is more than 125 percent of the price offered by the corporation under subdivision (a) of Section 1301).

§1306. Dissenting Shareholder s Status as Creditor.

To the extent that the provisions of Chapter 5 prevent the payment to any holders of dissenting shares of their fair market value, they shall become creditors of the corporation for the amount thereof together with interest at the legal rate on judgments until the date of payment, but subordinate to all other creditors in any liquidation proceeding, such debt to be payable when permissible under the provisions of Chapter 5.

§1307. Dividends Paid as Credit Against Payment.

Cash dividends declared and paid by the corporation upon the dissenting shares after the date of approval of the reorganization by the outstanding shares (Section 152) and prior to payment for the shares by the corporation shall be credited against the total amount to be paid by the corporation therefor.

§1308. Continuing Rights and Privileges of Dissenting Shareholders.

Except as expressly limited in this chapter, holders of dissenting shares continue to have all the rights and privileges incident to their shares, until the fair market value of their shares is agreed upon or determined. A dissenting shareholder may not withdraw a demand for payment unless the corporation consents thereto.

§1309. Termination of Dissenting Shareholder Status.

Dissenting shares lose their status as dissenting shares and the holders thereof cease to be dissenting shareholders and cease to be entitled to require the corporation to purchase their shares upon the happening of any of the following:

- (a) The corporation abandons the reorganization. Upon abandonment of the reorganization, the corporation shall pay on demand to any dissenting shareholder who has initiated proceedings in good faith under this chapter all necessary expenses incurred in such proceedings and reasonable attorneys' fees.
- (b) The shares are transferred prior to their submission for endorsement in accordance with Section 1302 or are surrendered for conversion into shares of another class in accordance with the articles.
- (c) The dissenting shareholder and the corporation do not agree upon the status of the shares as dissenting shares or upon the purchase price of the shares, and neither files a complaint or intervenes in a pending action as provided in Section 1304, within six months after the date on which notice of the approval by the outstanding shares or notice pursuant to subdivision (i) of Section 1110 was mailed to the shareholder.
- (d) The dissenting shareholder, with the consent of the corporation, withdraws the shareholder's demand for purchase of the dissenting shares.

§1310. Suspension of Proceedings for Payment Pending Litigation.

If litigation is instituted to test the sufficiency or regularity of the votes of the shareholders in authorizing a reorganization, any proceedings under Sections 1304 and 1305 shall be suspended until final determination of such litigation.

§1311. Exempt Shares.

This chapter, except Section 1312, does not apply to classes of shares whose terms and provisions specifically set forth the amount to be paid in respect to such shares in the event of a reorganization or merger.

§1312. Attacking Validity of Reorganization or Merger.

(a) No shareholder of a corporation who has a right under this chapter to demand payment of cash for the shares held by the shareholder shall have any right at law or in equity to attack the validity of the reorganization or short-form merger, or to have the reorganization or short-form merger set aside or rescinded, except in an action to test whether the number of shares required to authorize or approve the reorganization have been legally voted in favor thereof; but any holder of shares of a class whose terms and provisions specifically set forth the amount to be paid in respect to them in the event of a reorganization or short-form merger is entitled to payment in accordance with those terms and provisions or, if the principal terms of the reorganization are approved pursuant to subdivision (b) of Section 1202, is entitled to payment in accordance with the terms and provisions of the approved reorganization.

Table of Contents

(b) If one of the parties to a reorganization or short-form merger is directly or indirectly controlled by, or under common control with, another party to the reorganization or short-form merger, subdivision (a) shall not apply to any shareholder of such party who has not demanded payment of cash for such shareholder's shares pursuant to this chapter; but if the shareholder institutes any action to attack the validity of the reorganization or short-form merger or to have the reorganization or short-form merger set aside or rescinded, the shareholder shall not thereafter have any right to demand payment of cash for the shareholder's shares pursuant to this chapter. The court in any action attacking the validity of the reorganization or short-form merger or to have the reorganization or short-form merger set aside or rescinded shall not restrain or enjoin the consummation of the transaction except upon 10 days' prior notice to the corporation and upon a determination by the court that clearly no other remedy will adequately protect the complaining shareholder or the class of shareholders of which such shareholder is a member.

(c) If one of the parties to a reorganization or short-form merger is directly or indirectly controlled by, or under common control with, another party to the reorganization or short-form merger, in any action to attack the validity of the reorganization or short-form merger or to have the reorganization or short-form merger set aside or rescinded, (1) a party to a reorganization or short-form merger which controls another party to the reorganization or short-form merger shall have the burden of proving that the transaction is just and reasonable as to the shareholders of the controlled party, and (2) a person who controls two or more parties to a reorganization shall have the burden of proving that the transaction is just and reasonable as to the shareholders of any party so controlled.

§1313. Conversion Deemed to Constitute Reorganization for Purposes of Chapter.

A conversion pursuant to Chapter 11.5 (commencing with Section 1150) shall be deemed to constitute a reorganization for purposes of applying the provisions of this chapter, in accordance with and to the extent provided in Section 1159.

PART II INFORMATION NOT REQUIRED IN PROSPECTUS

Item 20. *Indemnification of Directors and Officers*

The Maryland REIT Law permits a Maryland real estate investment trust to include in its declaration of trust a provision limiting the liability of its trustees and officers to the trust and its shareholders for money damages except for liability resulting from (a) actual receipt of an improper benefit or profit in money, property or services or (b) active or deliberate dishonesty established in a judgment or other final adjudication to be material to the cause of action. Our declaration of trust contains a provision that limits the liability of our trustees and officers to the maximum extent permitted by Maryland law.

The Maryland REIT Law permits a Maryland real estate investment trust to indemnify and advance expenses to its trustees, officers, employees and agents to the same extent as permitted by the Maryland General Corporation Law (the MGCL) for directors and officers of Maryland corporations. The MGCL permits a corporation to indemnify its present and former directors and officers, among others, against judgments, penalties, fines, settlements and reasonable expenses actually incurred by them in connection with any proceeding to which they may be a party by reason of their service in those or other capacities unless it is established that (a) the act or omission if the director or officer was material to the matter giving rise to the proceeding and (i) was committed in bad faith or (ii) was a result of active and deliberate dishonesty, (b) the director or officer actually received an improper personal benefit in money, property or services or (c) in the case of any criminal proceeding, the director or officer had reasonable cause to believe that the act or omission was unlawful. However, a Maryland corporation may not indemnify for an adverse judgment in a suit by or in the right of the corporation or if the director or officer was adjudged to be liable to the corporation nor may a director be indemnified in circumstances in which the director is found liable for an improper personal benefit. In accordance with the MGCL and our bylaws, our bylaws require us, as a condition to advancement of expenses, to obtain (a) a written affirmation by the trustee or officer of his good faith belief that he has met the standard of conduct necessary for indemnification and (b) a written statement by or on his behalf to repay the amount paid or reimbursed by us if it shall ultimately be determined that the standard of conduct was not met.

Our declaration of trust provides that we shall indemnify, to the maximum extent permitted by Maryland law in effect from time to time, any individual who is a present or former trustee or officer (including any individual who, at our request, serves or has served as an, officer, partner, employee or agent of another corporation, partnership, joint venture, trust, employee benefit plan or any other enterprise) from and against any claim or liability to which such person may become subject by reason of service in such capacity. We have the power, with the approval of our board of trustees, to provide indemnification and advancement of expenses to a present or former trustee or officer who served a predecessor of our company in any of the capacities described above and to any employee or agent of our company or a predecessor of our company. Maryland law requires us to indemnify a trustee or officer who has been successful, on the merits or otherwise, in the defense of any proceeding to which he is made a party by reason of his service in that capacity.

(2) That prior to any public reoffering of the securities registered hereunder through use of a prospectus which is a part of this registration statement, by any person or party who is deemed to be an underwriter within the meaning of Rule 145(c), the issuer undertakes that such reoffering prospectus will contain the information called for by the applicable registration form with respect to reofferings by persons who may be deemed underwriters, in addition to the information called for by the other items of the applicable form.

(3) That every prospectus (i) that is filed pursuant to paragraph (2) immediately preceding, or (ii) that purports to meet the requirements of Section 10(a)(3) of the Securities Act of 1933 and is used in connection with an offering of securities subject to Rule 415, will be filed as a part of an amendment to the registration statement and will not be used until such amendment is effective, and that, for purposes of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(4) To respond to requests for information that is incorporated by reference into this prospectus pursuant to Items 4, 10(b), 11, or 13 of this form, within one business day of receipt of such request, and to send the incorporated documents by first class mail or other equally prompt means. This includes information contained in documents filed subsequent to the effective date of this registration statement through the date of responding to the request.

(5) To supply by means of a post-effective amendment all information concerning a transaction, and the company being acquired involved therein, that was not the subject of and included in this registration statement when it became effective.

(6) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

- i. To include any prospectus required by section 10(a)(3) of the Securities Act of 1933;
- ii. To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20% change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement.
- iii. To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

Provided however, That:

- B. Paragraphs (6)(i), (6)(ii) and (6)(iii) of this section do not apply if the registration statement is on Form S-3 or Form F-3 and the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the registrant pursuant to section 13 or section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement.

(7) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

Edgar Filing: Public Storage - Form S-4

Insofar as indemnification for liabilities under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act of 1933 and is therefore unenforceable. In the event a claim of indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in a successful defense of any action, suit or proceeding) is asserted by such director, officer, or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.
