Item 1.01 Entry into a Material Definitive Agreement.

On June 27, 2007, Advanced Medical Optics, Inc. (the Company) entered into an Information Technology Services Agreement (the Agreement) with International Business Machines Corporation (IBM). Under the Agreement, IBM will provide to the Company services relating to information technology. The initial term of the Agreement commences July 1, 2007 and ends on November 30, 2012, or such earlier date as it may be terminated pursuant to its terms.

Under the Agreement, IBM will provide to the Company substantially all of the information technology infrastructure and services currently provided to the Company by Siemens Business Services, Inc. By continuing to contract for these services, the Company expects to reduce the risks associated with performing these information technology functions in-house and maintain and upgrade the information technology infrastructure to support growth and strategic business initiatives.

The services that IBM will provide include data center, server, network and workstation operations, as well as help desk, applications management and support, and disaster recovery services. The Company will pay IBM for the services under a combination of fixed and variable charges, with the variable charges fluctuating based on the Company's actual use of the services. The Company and IBM may modify the services covered by the Agreement at rates set forth in the Agreement, or later agreed to by the parties. The Company has the right to terminate the Agreement for convenience at any time, or on a change of control of the Company or IBM, with notice but without penalty. In addition, the Company has the right to terminate the Agreement, in whole or for designated services, for cause, including failure to timely cure a material breach of the Agreement. The Agreement is terminable in certain other circumstances, including insolvency.

The foregoing description of the Agreement does not purport to be complete and is qualified in its entirety by reference to the full text of the Agreement, a copy of which is attached hereto as Exhibit 10.1 and is incorporated herein by reference.
