Registrant's telephone number, including area code: (617) 954-5000

Date of fiscal year end: November 30

Date of reporting period: May 31, 2007

On June 29, 2007, Massachusetts Financial Services Company ( MFS ) became the investment adviser of the Registrant, and Maria F. Dwyer and Tracy Atkinson became the chief executive officer and the chief financial officer, respectively, of the Registrant. During the semi-annual period ended May 31, 2007, Columbia Management Advisors, LLC ( Columbia ) served as investment adviser to the Registrant, during which representatives of Columbia served as chief executive officer and chief financial officer of the Registrant.

**ITEM 1. REPORTS TO STOCKHOLDERS.**

## Letter from the MFS CEO

Dear Shareholders:

Welcome to MFS®. The shareholders of your fund approved MFS Investment Management® as the fund's new investment advisor, effective at the close of business on June 29, 2007. In connection with the appointment of MFS, the name of your fund changed to MFS® High Yield Municipal Trust. The enclosed semiannual report contains information for the period ended May 31, 2007. Because this is prior to the name change, the fund is referred to in the report by its old name. Also, unless otherwise noted, the report refers to the fund's management, investments, policies and

procedures, and other characteristics as they existed prior to June 29, 2007, when MFS assumed administrative, financial reporting, compliance, and other responsibilities for the fund. Your fund's investment objectives and principal investment strategies will remain the same; however, the fund will be managed by a new portfolio management team. The fund's new portfolio managers are Geoffrey L. Schechter, who has been employed in the investment management area of MFS since 1993, and Gary A. Lasman, who has been employed in the investment management area of MFS since 2002. Prior to 2002, Mr. Lasman was employed as a Senior Municipal Analyst for the Liberty Funds Group.

I want to thank you for trusting us to manage your money and would like to take this opportunity to introduce you to our management approach.

At MFS we have a long tradition of investment management. For more than 80 years we have applied a consistent, bottom-up, research-driven method to security selection with a top-down approach to risk management.

In 1932 MFS became one of the first investment management firms in the United States to establish its own in-house research department. Today, this department has evolved into a global research team providing on-the-ground coverage in the more than 60 countries where our portfolios invest. Our team approach extends across asset classes and contributes to our culture of collaboration, which has been crucial in supporting the free and open exchange of ideas while ensuring the highest standards of accountability.

When working with MFS, you can count on us to continue to provide securities analysis that is research driven, globally integrated, and disciplined.

We look forward to helping you reach your investing goals.

Respectfully,

Robert J. Manning

Chief Executive Officer, President, and Chief Investment Officer

MFS Investment Management

July 12, 2007

Edgar Filing: MFS HIGH YIELD MUNICIPAL TRUST - Form N-CSRS

Colonial Municipal Income Trust

May 31, 2007 (Unaudited)

(g) The Trust has been informed that each issuer has placed direct obligations of the U.S. Government in an irrevocable trust, solely for the payment of principal and interest.

(h) Security pledged as collateral for open futures contracts.

(i) Variable rate demand note. These securities are payable upon demand and are secured by letters of credit or other credit support agreements from banks. The interest rates change periodically and the interest rates shown reflect the rates as of May 31, 2007.

(j) Cost for federal income tax purposes is \$240,892,086.

At May 31, 2007, the Trust held the following open short futures contracts:

Type	Number of Contracts	Value	Aggregate Face Value	Expiration Date	Unrealized Appreciation
10-Year U.S. Treasury Notes	129	\$ 13,724,391	\$ 13,932,589	Jun-2007	\$ 208,198

At May 31, 2007, the Trust held the following interest rate swap contract:

Notional Amount	Effective Date	Expiration Date	Counter-Party	Receive (Pay)	Fixed Rate	Variable Rate	Unrealized Appreciation
\$10,000,000	05/07/07	08/09/07	JPMorgan Chase Bank	Pay	3.669%	BMA Index	\$ 129,325

At May 31, 2007, the Trust had sufficient cash and/or liquid securities to cover any commitments under these derivative contracts and delayed delivery settlements.

At May 31, 2007, the composition of the investment portfolio by revenue source is as follows:

	% of Net Assets
Health Care	44.5
Tax-Backed	29.4
Other	20.3
Housing	15.5

\* Calculated by subtracting the Trust's total liabilities from the Trust's total assets and dividing the amount by the number of Auction Preferred Shares outstanding.

\*\* Includes accrued but not paid distributions to Auction Preferred Shareholders.

\*\*\* Unaudited

See Accompanying Notes to Financial Statements.

## Notes to Financial Statements Colonial Municipal Income Trust

May 31, 2007 (Unaudited)

### Note 1. Organization

Colonial Municipal Income Trust (the Trust) is a Massachusetts business trust registered under the Investment Company Act of 1940 (the Act), as amended, as a closed-end management investment company and operates as a diversified investment company. Effective June 29, 2007, the Trust's name changed to MFS High Yield Municipal Trust.

### Investment Goal

The Trust seeks to provide high current income, generally exempt from federal income taxes, by investing primarily in medium and lower quality bonds and notes issued by or on behalf of state and local government units whose interest is exempt from ordinary federal income tax, other than the possible incidence of any alternative minimum tax. The Trust's secondary goal is to seek total return.

### Trust Shares

The Trust may issue an unlimited number of common shares. On July 20, 1999, the Trust issued 3,600 Auction Preferred Shares (APS).

### Note 2. Significant Accounting Policies

#### Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (GAAP) requires management to make certain estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates. The following is a summary of significant accounting policies consistently followed by the Trust in the preparation of its financial statements for the six months ended May 31, 2007.

#### Security Valuation

Debt securities generally are valued by pricing services approved by the Trust's Board of Trustees, based upon market transactions for normal, institutional-size trading units of similar securities. The services may use various pricing techniques which take into account appropriate factors such as yield, quality, coupon rate, maturity, type of issue, trading characteristics and other data, as well as broker quotes. Debt securities for which quotations are readily available are valued at an over-the-counter or exchange bid quotation. Certain debt securities, which tend to be more thinly traded and of lesser quality, are priced based on fundamental analysis of the financial condition of the issuer and the estimated value of any collateral. Valuations developed through pricing techniques may vary from the actual amounts realized upon sale of the securities, and the potential variation may be greater for those securities valued using fundamental analysis.

Short-term debt obligations maturing within 60 days are valued at amortized cost, which approximates market value.

Investments in open-end investment companies are valued at net asset value.

Futures contracts are valued at the settlement price established each day by the board of trade or exchange on which they are traded.

Investments for which market quotations are not readily available, or that have quotations which management believes are not appropriate, are valued at fair value as determined in good faith under consistently applied procedures established by and under the general supervision of the Board of Trustees. If a security is valued at fair value, such value is likely to be different from the last quoted market price for the security.

In September 2006, Statement of Financial Accounting Standards No. 157, *Fair Value Measurements* (SFAS 157), was issued. SFAS 157 is effective for fiscal years beginning after November 15, 2007. SFAS 157 defines fair value, establishes a framework for measuring fair value and

## Edgar Filing: MFS HIGH YIELD MUNICIPAL TRUST - Form N-CSRS

expands disclosures about fair value measurements. Management is evaluating the impact the application of SFAS 157 will have on the Trust's financial statement disclosures.

### Security Transactions

Security transactions are accounted for on the trade date. Cost is determined and gains (losses) are based upon the specific identification method for both financial statement and federal income tax purposes.

### Futures Contracts

The Trust may invest in futures contracts to seek to enhance returns, to hedge some of the risks of its investments in fixed

## Colonial Municipal Income Trust

May 31, 2007 (Unaudited)

income securities or as a substitute for a position in the underlying assets. The use of futures contracts involves certain risks, which include: (1) imperfect correlation between the price movement of the instruments and the underlying securities, (2) inability to close out positions due to differing trading hours, or the temporary absence of a liquid market, for either the instrument or the underlying securities, or (3) an inaccurate prediction by the Trust's investment advisor of the future direction of interest rates. Any of these risks may involve amounts exceeding the variation margin recorded in the Trust's Statement of Assets and Liabilities at any given time.

Upon entering into a futures contract, the Trust deposits cash or securities with the broker in an amount sufficient to meet the initial margin requirement. Subsequent payments are made or received by the Trust equal to the daily change in the contract value and are recorded as variation margin receivable or payable and offset in unrealized gains or losses. The Trust recognizes a realized gain or loss when the contract is closed or expires.

## Swap Contracts

The Trust may engage in swap transactions such as interest rate and total return swaps, consistent with its investment objective and policies to obtain a desired return at a lower cost than if the Trust had invested directly in the asset that yielded the desired return.

Swaps involve the exchange by a Trust with another party of their respective commitments to pay or receive interest or total return throughout the lives of the agreements. The interest to be paid or received on swaps is included in realized gain/(loss) on investments. Unrealized gains are reported as an asset and unrealized losses are reported as a liability on the Statement of Assets and Liabilities. A realized gain or loss is recorded upon termination of swap agreements and is equal to the difference between the Trust's basis in the swap and the proceeds from (or cost of) the closing transaction. Swap agreements are stated at fair value. Notional principal amounts are used to express the extent of involvement in these transactions, but the amounts potentially subject to credit risk are much smaller.

If there is a default by the counterparty to a swap contract, the Trust will be limited to contractual remedies pursuant to the agreements related to the transaction. There is no assurance that the swap contract counterparties will be able to meet their obligations pursuant to the swap contracts or that, in the event of default, the Trust will succeed in pursuing contractual remedies. The Trust thus assumes the risk that it may be delayed in or prevented from obtaining payments owed to it pursuant to the swap contracts.

The use of derivative instruments involves, to varying degrees, elements of market risk in excess of the amount recognized in the Statement of Assets and Liabilities.

## Restricted Securities

Restricted securities are securities that may only be resold upon registration under federal securities laws or in transactions exempt from registration. In some cases, the issuer of restricted securities has agreed to register such securities for resale at the issuer's expense either upon demand by the Trust or in connection with another registered offering of the securities. Many restricted securities may be resold in the secondary market in transactions exempt from registration. Such restricted securities may be determined to be liquid under criteria established by the Board of Trustees. The Trust will not incur any registration costs upon such resale.

## Income Recognition

Interest income is recorded on the accrual basis. Original issue discount is accreted to interest income over the life of the security with a corresponding increase in the cost basis. Premium and discount are amortized and accreted, respectively, on debt securities. Corporate actions and dividend income are recorded on the ex-date.

## Federal Income Tax Status

The Trust intends to qualify each year as a regulated investment company under Subchapter M of the Internal Revenue Code, as amended, and will distribute substantially all of its taxable income, if any, for its tax year, and as such will not be subject to federal income taxes. In addition, the Trust intends to distribute in each calendar year substantially all of its net investment income, capital gains and certain other amounts, if any,

Edgar Filing: MFS HIGH YIELD MUNICIPAL TRUST - Form N-CSRS

such that the Trust should not be subject to federal excise tax. Therefore, no federal income or excise tax provision is recorded.

Colonial Municipal Income Trust

May 31, 2007 (Unaudited)

Distributions to Shareholders

Distributions to shareholders are recorded on the ex-date and are generally declared and paid monthly. Distributions to Auction Preferred shareholders are recorded daily and payable at the end of each dividend period. Each dividend payment period for the APS is generally seven days. The applicable dividend rate for the APS on May 31, 2007, was 3.85%. For the six months ended May 31, 2007, the Trust declared dividends to Auction Preferred shareholders amounting to \$1,638,460, representing an average dividend rate of 3.65% per APS on an annualized basis.

Indemnification

In the normal course of business, the Trust enters into contracts that contain a variety of representations and warranties and which provide general indemnities. The Trust's maximum exposure under these arrangements is unknown because this would involve future claims against the Trust. Also, under the Trust's organizational documents and by contract, the trustees and officers of the Trust are indemnified against certain liabilities that may arise out of actions relating to their duties to the Trust. However, based on experience, the Trust expects the risk of loss due to these representations, warranties and indemnities to be minimal.

Note 3. Federal Tax Information

For the year ended November 30, 2006, permanent book and tax basis differences resulted primarily from differing treatments for discount accretion/premium amortization on debt securities and market discount reclassifications.

The tax character of distributions paid during the year ended November 30, 2006 was as follows:

**Distributions paid from:**

Tax-Exempt Income	\$ 12,639,297
Ordinary Income*	14,913

\* For tax purposes short-term capital gains distributions, if any, are considered ordinary income distributions.

As of November 30, 2006, the components of distributable earnings on a tax basis were as follows:

Undistributed	Undistributed	Net
Tax-Exempt Income	Long-term	Unrealized
\$950,066	Capital Gains	Appreciation*
	\$	\$13,218,170

\* The differences between book-basis and tax-basis net unrealized appreciation are primarily due to discount accretion/premium amortization on debt securities.

Unrealized appreciation and depreciation at May 31, 2007, based on cost of investments for federal income tax purposes were:

Edgar Filing: MFS HIGH YIELD MUNICIPAL TRUST - Form N-CSRS

Unrealized appreciation	\$ 14,286,850
Unrealized depreciation	(4,680,419)
Net unrealized appreciation	\$ 9,606,431

The following capital loss carryforwards, determined as of November 30, 2006, may be available to reduce taxable income arising from future net realized gains on investments, if any, to the extent permitted by the Internal Revenue Code:

Year of Expiration	Capital Loss Carryforward
2007	\$ 3,490,821
2008	13,036,764
2009	3,114,307
2010	7,684,792
2011	4,393,912
2012	4,060,511
2014	7,119,782
Total	\$ 42,900,889

Colonial Municipal Income Trust

May 31, 2007 (Unaudited)

Under current tax rules, certain currency (and capital) losses realized after October 31 may be deferred and treated as occurring on the first day of the following fiscal year. As of November 30, 2006, post-October capital losses of \$442,091 attributed to security transactions were deferred to December 1, 2006.

In June 2006, FASB Interpretation No. 48, Accounting for Uncertainty in Income Taxes (the Interpretation ) was issued, and is effective for fiscal years beginning after December 15, 2006 and is to be applied to all open tax years as of the effective date. On December 22, 2006, the SEC delayed the implementation of the Interpretation for regulated investment companies for an additional six months. This Interpretation prescribes a minimum threshold for financial statement recognition of the benefit of a tax position taken or expected to be taken in a tax return, and requires certain expanded disclosures. Management is evaluating the application of the Interpretation to the Trust, and has not at this time determined the impact, if any, resulting from the adoption of this Interpretation on the Trust's financial statements.

#### Note 4. Fees and Compensation Paid to Affiliates

##### Investment Advisory Fee

Columbia Management Advisors, LLC ( Columbia ), an indirect, wholly-owned subsidiary of Bank of America Corporation ( BOA ), was the investment advisor to the Trust and provided administrative and other services for the six months ended May 31, 2007. Columbia receives a monthly investment advisory fee at the annual rate of 0.65% of the Trust's average weekly net assets, including assets applicable to the APS.

##### Pricing and Bookkeeping Fees

Effective December 15, 2006, the Trust entered into a Financial Reporting Services Agreement with State Street Bank & Trust Company ( State Street ) and Columbia (the Financial Reporting Services Agreement ) pursuant to which State Street provides financial reporting services to the Trust. Also effective December 15, 2006, the Trust entered into an Accounting Services Agreement with State Street and Columbia (collectively with the Financial Reporting Services Agreement, the State Street Agreements ) pursuant to which State Street provides accounting services to the Trust. Under the State Street Agreements, the Trust pays State Street an annual fee of \$38,000 paid monthly. In addition, the Trust pays State Street a monthly fee based on an annualized percentage rate of average daily net assets of the Trust for the month. The aggregate fee may not exceed \$140,000 per year (exclusive of out-of-pocket expenses and charges). The Trust also reimburses State Street for certain out-of-pocket expenses and charges.

Effective December 15, 2006, the Trust entered into a Pricing and Bookkeeping Oversight and Services Agreement (the Services Agreement ) with Columbia. Under the Services Agreement, Columbia provides services related to Trust expenses and the requirements of the Sarbanes-Oxley Act of 2002, and provides oversight of the accounting and financial reporting services provided by State Street. Under the Services Agreement, the Trust reimbursed Columbia for out-of-pocket expenses and direct internal costs relating to accounting oversight and for services relating to Trust expenses and the requirements of the Sarbanes-Oxley Act of 2002.

Prior to December 15, 2006, Columbia was responsible for providing pricing and bookkeeping services to the Trust under a pricing and bookkeeping agreement and was entitled to receive an annual fee at the same fee structure described above under the State Street Agreements. Under separate agreements between Columbia and State Street, Columbia delegated certain functions to State Street. As a result of the delegation, the total fees payable under the pricing and bookkeeping agreement (other than certain reimbursements paid to Columbia and discussed below) were paid to State Street. The Trust also reimbursed Columbia and State Street for out-of-pocket expenses and charges, including fees payable to third parties for pricing the Trust's portfolio securities and direct internal costs incurred by Columbia in connection with providing fund accounting oversight and monitoring and certain other services.

For the six months ended May 31, 2007, the total amount paid and payable to affiliates by the Trust under these agreements were \$13,013 and \$1,518, respectively.

For the six months ended May 31, 2007, the annualized effective pricing and bookkeeping fee rate for the Trust, inclusive of out-of-pocket expenses, was 0.047% of the Trust's average daily net assets.

Colonial Municipal Income Trust

May 31, 2007 (Unaudited)

### Custody Credits

During the period covered by this report, the Trust had an agreement with its custodian bank under which custody fees may be reduced by balance credits. These credits were recorded as a reduction of total expenses on the Statement of Operations. The Trust could have invested a portion of the assets utilized in connection with the expense offset arrangement in an income-producing asset if it had not entered into such an agreement.

### Fees Paid to Officers and Trustees

All officers of the Trust during the period covered by this report were employees of Columbia or its affiliates and, with the exception of the Trust's Chief Compliance Officer, received no compensation from the Trust. The Board of Trustees has appointed a Chief Compliance Officer to the Trust in accordance with federal securities regulations. During the period covered by this report, the Trust, along with other funds managed by Columbia, pays a pro-rata share of the expenses associated with the Chief Compliance Officer. The Trust's expenses for the Chief Compliance Officer may not exceed \$15,000 per year.

The Trust's former Trustees participated in a deferred compensation plan which may be terminated at any time. Obligations of the plan will be paid solely out of the Trust's assets.

### Note 5. Portfolio Information

For the six months ended May 31, 2007, the cost of purchases and proceeds from sales of securities, excluding short-term obligations, were \$35,151,220 and \$33,484,525, respectively.

### Note 6. Preferred Shares

The Trust currently has outstanding 3,600 APS. The APS have a liquidation preference of \$25,000 per APS plus accumulated but unpaid dividends and have certain class specific preferences over the common shares. The dividend rate on the APS is set, typically every seven days, through an auction process. Dividends on the APS are cumulative. Each holder of the APS is entitled to one vote per APS. Unless otherwise required by law or under the terms of the bylaws, each holder of APS has the same voting rights as common shareholders and will vote together with common shareholders as a single class. The holders of APS, voting as a separate class, have the right to: (a) elect at least two Trustees, (b) elect a majority of the Trustees at any time when dividends on the APS are due and unpaid for two full years, and (c) vote on certain matters affecting the rights of the APS.

Under the Act, the Trust is required to maintain asset coverage of at least 200% with respect to the APS as of the last business day of each month in which any APS are outstanding. Additionally, the Trust is required to meet more stringent asset coverage requirements under the terms of the APS agreement and in accordance with the guidelines prescribed by the APS rating agencies. Should these requirements not be met, or should dividends accrued on the APS not be paid, the Trust may be restricted in its ability to declare dividends to common shareholders or may be required to redeem certain APS. At May 31, 2007, there were no such restrictions on the Trust.

### Note 7. Disclosure of Significant Risks and Contingencies

#### Concentration of Credit Risk

The Trust holds investments that are insured by private insurers who guarantee the payment of principal and interest in the event of default or that are supported by a letter of credit. Each of the Trust's insurers is rated Aaa by Moody's Investors Service, Inc. At May 31, 2007, investments supported by private insurers that represent greater than 5% of the total investments of the Trust were as follows:

<b>Insurer</b>	<b>% of Total</b>
<b>Investments</b>	
MBIA Insurance Corp.	7.4
AMBAC Assurance Corp.	6.4
<b>Geographic Concentration</b>	

The Trust had greater than 5% of its total investments at May 31, 2007 invested in debt obligations issued by the states of California, Illinois, New York, Florida and Texas and their respective political subdivisions, agencies and public authorities. The Trust is more susceptible to economic and political factors adversely affecting issuers of the specific state's municipal securities than are municipal bond funds that are not concentrated to the same extent in these issuers.

### High-Yield Securities

Investing in high-yield securities may involve greater credit risk and considerations not typically associated with

Colonial Municipal Income Trust

May 31, 2007 (Unaudited)

investing in U.S. Government bonds and other higher quality fixed income securities. These securities are non-investment grade securities, often referred to as junk bonds. Economic downturns may disrupt the high yield market and impair the ability of issuers to repay principal and interest. Also, an increase in interest rates would likely have an adverse impact on the value of such obligations. Moreover, high-yield securities may be less liquid to the extent that there is no established secondary market.

### Tax Development Risk

The Trust purchases municipal securities whose interest, in the opinion of bond counsel, is free from federal income tax. There is no assurance that the Internal Revenue Service (IRS) will agree with this opinion. In the event the IRS determines that the issuer does not comply with relevant tax requirements, interest payments from a security could become federally taxable, possibly retroactively to the date the security was issued. Shareholders of the Trust may be required to file amended tax returns as a result.

### Legal Proceedings

On February 9, 2005, Columbia Management Advisors, Inc. (which has since merged into Banc of America Capital Management, LLC (now named Columbia Management Advisors, LLC)) (Columbia) and Columbia Funds Distributor, Inc. (which has been renamed Columbia Management Distributors, Inc.) (the Distributor) (collectively, the Columbia Group) entered into an Assurance of Discontinuance with the New York Attorney General (NYAG) (the NYAG Settlement) and consented to the entry of a cease-and-desist order by the Securities and Exchange Commission (SEC) (the SEC Order) on matters relating to mutual fund trading. The SEC Order and the NYAG Settlement are referred to collectively as the Settlements.

Under the terms of the SEC Order, the Columbia Group agreed, among other things, to: pay \$70 million in disgorgement and \$70 million in civil money penalties; cease and desist from violations of the antifraud provisions and certain other provisions of the federal securities laws; maintain certain compliance and ethics oversight structures; retain an independent consultant to review the Columbia Group's applicable supervisory, compliance, control and other policies and procedures; and retain an independent distribution consultant (see below). The Columbia Funds have also voluntarily undertaken to implement certain governance measures designed to maintain the independence of their boards of trustees. The NYAG Settlement also, among other things, requires Columbia and its affiliates to reduce management fees for certain Columbia Funds (including the former Nations Funds) and other mutual funds collectively by \$32 million per year for five years, for a projected total of \$160 million in management fee reductions.

Pursuant to the procedures set forth in the SEC Order, the \$140 million in settlement amounts described above will be distributed in accordance with a distribution plan that was developed by an independent distribution consultant and approved by the SEC on April 6, 2007.

A copy of the SEC Order is available on the SEC website at <http://www.sec.gov>. A copy of the NYAG Settlement is available as part of the Bank of America Corporation Form 8-K filing on February 10, 2005.

In connection with the events described above, various parties have filed suit against certain funds, the Trustees of the Columbia Funds, FleetBoston Financial Corporation and its affiliated entities and/or Bank of America and its affiliated entities.

On February 20, 2004, the Judicial Panel on Multidistrict Litigation transferred these cases and cases against other mutual fund companies based on similar allegations to the United States District Court in Maryland for consolidated or coordinated pretrial proceedings (the MDL). Subsequently, additional related cases were transferred to the MDL. On September 29, 2004, the plaintiffs in the MDL filed amended and consolidated complaints. One of these amended complaints is a putative class action that includes claims under the federal securities laws and state common law, and that names Columbia, the Distributor, the Trustees of the Columbia Funds, Bank of America Corporation and others as defendants. Another of the amended complaints is a derivative action purportedly on behalf of the Columbia Funds that asserts claims under federal securities laws and state common law.

On February 25, 2005, Columbia and other defendants filed motions to dismiss the claims in the pending cases. On March 1, 2006, for reasons stated in the court's memoranda dated November 3, 2005, the U.S. District Court for the

---

Colonial Municipal Income Trust

May 31, 2007 (Unaudited)

District of Maryland granted in part and denied in part the defendants' motions to dismiss. The court dismissed all of the class action claims pending against the Columbia Funds Trusts. As to Columbia and the Distributor, the claims under the Securities Act of 1933, the claims under Sections 34(b) and 36(a) of the Investment Company Act of 1940 (ICA) and the state law claims were dismissed. The claims under Sections 10(b) and 20(a) of the Securities Exchange Act of 1934 and claims under Section 36(b) of the ICA were not dismissed.

On March 21, 2005, a purported class action was filed in Massachusetts state court alleging that certain conduct, including market timing, entitled Class B shareholders in certain Columbia funds to an exemption from contingent deferred sales charges upon early redemption (the CDSC Lawsuit). The CDSC Lawsuit was removed to federal court in Massachusetts and the federal Judicial Panel transferred the CDSC Lawsuit to the MDL.

On April 4, 2006, the plaintiffs and the Columbia defendants named in the MDL, including the Columbia Funds, entered into a term sheet containing the principal terms of a stipulation of settlement that would settle all Columbia-related claims in the MDL described above, including the CDSC Lawsuit. On April 6, 2006, the U.S. District Court for the District of Maryland stayed all actions with respect to these Columbia-related claims. The settlement is subject to court approval.

In 2004, the Columbia Funds' adviser and distributor and certain affiliated entities and individuals were named as defendants in certain purported shareholder class and derivative actions making claims, including claims under the Investment Company and the Investment Advisers Acts of 1940 and state law. Certain Columbia Funds were named as nominal defendants. The suits allege, *inter alia*, that the fees and expenses paid by the funds are excessive and that the advisers and their affiliates inappropriately used fund assets to distribute the funds and for other improper purposes. On March 2, 2005, the actions were consolidated in the Massachusetts federal court as *In re Columbia Entities Litigation*. The plaintiffs filed a consolidated amended complaint on June 9, 2005. On November 30, 2005, the judge dismissed all claims by plaintiffs and entered final judgment in favor of the defendants. The plaintiffs appealed to the United States Court of Appeals for the First Circuit on

December 30, 2005. A stipulation and settlement agreement dated January 19, 2007 was filed in the First Circuit on February 14, 2007, with a joint stipulation of dismissal and motion for remand to obtain district court approval of the settlement. That joint motion was granted and the appeal was dismissed. On March 6, 2007, the case was remanded to the District Court. On May 11, 2007, the District Court entered a preliminary approval order which granted preliminary approval of the settlement. A final settlement hearing, at which the District Court will determine whether the proposed settlement should be finally approved and the action

dismissed on the merits with prejudice, is scheduled for September 18, 2007. The terms of the settlement, if finally approved, will require payments by the funds' adviser and/or its affiliates, including payment of plaintiffs' attorneys' fees and notice to class members. In the event that the settlement is not finally approved, the plaintiffs may elect to go forward with their appeal and no opinion is expressed regarding the likely outcome or financial impact of such an appeal on any fund.

#### Note 8. Subsequent Event

On April 10, 2007, Columbia entered into an asset purchase agreement with Massachusetts Financial Services Company, Inc. (MFS) to sell certain assets used in Columbia's business of managing the Trust to MFS (such transaction, the Sale). At the annual meeting of the shareholders of the Trust held in June 2007, the shareholders, among other things, approved a new advisory agreement between MFS and the Trust and elected twelve new Trustees. Upon the Closing of the Sale on June 29, 2007 (the Closing), the existing advisory agreement between Columbia and the Trust was terminated, the Trust was removed from the existing service agreements among the Trust, Columbia and certain affiliated funds, and new agreements between: (a) MFS and the Trust (for investment advisory and administrative services); (b) State Street Bank and the Trust (for custody, fund accounting and securities lending services); and (c) Computershare, Trust Company, N.A. and the Trust (for transfer agency services) became effective.

Also upon the Closing: (i) the Trust changed its name to MFS High Yield Municipal Trust; and (ii) the then-serving Trustees and officers of the Trust resigned and the newly elected Trustees and newly appointed officers took office. On June 29, 2007, PricewaterhouseCoopers LLP (PwC)

Colonial Municipal Income Trust

May 31, 2007 (Unaudited)

resigned as the independent registered public accounting firm for the Trust. During the two most recent fiscal years, PwC's audit reports contained no adverse opinion or disclaimer of opinion; nor were its reports qualified or modified as to uncertainty, audit scope, or accounting principles. Further, in connection with its audits for the two most recent fiscal years and through June 29, 2007, there were no disagreements between the Trust and PwC on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedure, which, if not resolved to the satisfaction of PwC, would have caused it to make reference to the subject matter of the disagreement in its report on the financial statements for such years. Effective June 29, 2007, Ernst & Young LLP was appointed by the audit committee of the Board of Trustees as the independent registered public accounting firm of the Trust for the fiscal year ended November 30, 2007.

---

## Dividend Reinvestment Plan Colonial Municipal Income Trust

Shareholders may elect to have all distributions of dividends and capital gains automatically reinvested by Computershare (the Plan Agent), as agent under the Trust's Dividend Reinvestment and Cash Purchase Plan (the Plan). Pursuant to the Plan, the provisions of which are described below, shareholders not making such an election will receive all such amounts in cash paid by check mailed directly to the shareholder by the Plan Agent, as the dividend paying agent.

If the Trustees of the Trust declare a dividend or determine to make a capital gain distribution payable either in shares of the Trust or in cash, as shareholders may have elected, non-participants in the Plan will receive cash and participants in the Plan will receive the equivalent in shares of the Trust. If the market price of the shares on the payment date for the dividend or distribution is equal to or exceeds their net asset value, participants will be issued shares of the Trust at the higher of net asset value or 95% of the market price. If the net asset value exceeds the market price of Trust shares at such time, or if the Trust declares a dividend or other distribution payable only in cash, the Plan Agent will, as agent for Plan participants, buy Trust shares in the open market, on the New York Stock Exchange or elsewhere, for the participants' accounts. If, before the Plan Agent has completed its purchases, the market price exceeds the net asset value of the Trust's shares, the average per share purchase price paid by the Plan Agent may exceed the net asset value of the Trust's shares, resulting in the acquisition of fewer shares than if the dividend or distribution had been paid in shares issued by the Trust.

Participants in the Plan may withdraw from the Plan upon written notice to the Plan Agent. When a participant withdraws from the Plan or upon termination of the Plan as provided below, certificates for whole shares credited to the participant's account under the Plan will be issued and a cash payment will be made for any fraction of a share credited to such account.

Participants in the Plan have the option of making additional cash payments to the Plan Agent semi-annually, for investment in the Trust's shares. Such payments may be made in any amount from \$100 to \$500. State Street will use all funds received from participants (as well as any dividends and distributions received in cash) to purchase Trust shares in the open market semiannually. Interest will not be paid on any uninvested cash payments.

In the case of shareholders such as banks, brokers or nominees holding shares for others who are the beneficial owners of those shares, the Plan Agent will administer the Plan on the basis of the number of shares certified from time to time by the shareholder of record as representing the total amount registered in such shareholder's name and held for the account of beneficial owners who are to participate in the Plan.

There is no charge to Plan participants for reinvesting dividends or distributions. The Plan Agent's fees for the handling of the reinvestment of dividends and distributions will be paid by the Trust. There will be no brokerage charges with respect to shares issued directly by the Trust as a result of dividends or distributions payable either in stock or in cash. However, each participant will pay a pro rata share of brokerage commissions incurred with respect to the Plan Agent's open market purchases in connection with the reinvestment of dividends or distributions as well as from voluntary cash payments. Brokerage charges for purchasing small amounts of stock for individual accounts under the voluntary cash purchase provisions of the Plan are expected to be less than the usual brokerage charges for individual transactions of comparable size, because the Plan Agent will be purchasing shares for all participants in blocks and charging to cash purchase Plan participants a pro rated portion of the lower commissions usually obtainable on such block purchases.

The automatic reinvestment of dividends and distributions will not relieve participants of any income tax that may be payable on such dividends or distributions.

The Plan may be amended or terminated on 30 days written notice to the Plan participants. Contact the Plan Agent for more information regarding the Plan. All correspondence concerning the Plan should be directed to Computershare Trust Company, N.A. by mail at P.O. Box 403011, Providence, RI 02940-3011, or by phone at 1-800-637-2304.

## Board Consideration and Approval of Investment Advisory Agreement

On April 10, 2007, Columbia Management Advisors, LLC ( Columbia ) entered into an asset purchase agreement with Massachusetts Financial Services Company, Inc. ( MFS ) to sell certain assets used in Columbia 's business of managing the Trust and the other closed-end funds managed by Columbia (the Colonial Closed-End Funds ) to MFS (such transaction, the Sale ). Upon the closing of the transaction (the Closing ) on June 29, 2007, MFS became the investment adviser to the Trust. Because the then-existing investment advisory agreements (the Previous Advisory Agreements ) were to terminate upon the Closing, shareholder approval of new investment advisory agreements with MFS ( New Advisory Agreements ) was required. Shareholders of each Colonial Closed-End Fund approved the New Advisory Agreements at the annual meeting of shareholders.

The Advisory Fees and Expenses Committee of the Board reviewed each of the New Advisory Agreements and determined to recommend that the full Board approve those agreements.

The Board received and reviewed, in advance of their meeting on April 10, 2007, all materials that they, their legal counsel or MFS, the Colonial Closed-End Funds ' proposed investment adviser, believed to be reasonably necessary for the Board to evaluate and to determine whether to approve the New Advisory Agreements. Those materials included, among other items, (i) information on the investment performance of funds advised by MFS relative to the performance of peer groups and performance benchmarks, (ii) information on each Colonial Closed-End Fund 's anticipated investment advisory fees and other expenses, including, for certain of the Colonial Closed-End Funds, information about anticipated expense caps and fee waivers, (iii) information about the anticipated profitability of the New Advisory Agreements to MFS, and potential fall-out or ancillary benefits that MFS and its affiliates may receive as a result of their relationships with the Colonial Closed-End Funds and (iv) additional information provided by MFS in response to a request of independent legal counsel to the Independent Trustees. The Board also met with representatives of MFS and considered other information such as (v) MFS ' financial condition, (vi) each Colonial Closed-End Fund 's investment objective and strategies and the size, education and experience of the portfolio management staff MFS proposes to manage the Colonial Closed-End Funds, (vii) the anticipated use by MFS of soft commission dollars to pay for research products and services, and (viii) MFS ' resources to be devoted to the Colonial Closed-End Funds ' investment policies and restrictions, and MFS ' policies on personal securities transactions and other compliance policies.

The Board had the opportunity to ask questions of, and to request additional materials from, MFS and to consult in executive session with independent legal counsel to the Independent Trustees.

In considering whether to approve the New Advisory Agreements, the Board, including the Independent Trustees, did not identify any single factor as determinative, and each trustee weighed various factors as he or she deemed appropriate. The Board considered the following matters in connection with their approval of the New Advisory Agreements:

### **The nature, extent and quality of the services to be provided to the Colonial Closed-End Funds under the New Advisory Agreements.**

The Board considered the nature, extent and quality of the services to be provided by MFS and its affiliates to the Colonial Closed-End Funds and the resources to be dedicated to the Colonial Closed-End Funds by MFS and its affiliates. Among other things, the Board considered (i) MFS 's ability, including its resources, reputation and other attributes, to attract and retain highly qualified research, investment advisory and supervisory investment professionals; (ii) the portfolio management services to be provided by those investment professionals; and (iii) that the services to be provided under the New Advisory Agreements and a new administrative services agreement with MFS (the Administrative Services Agreement ) were comparable to the services provided under the Current Advisory Agreements and other administrative agreements. After reviewing the above and related factors, the Board concluded, within the context of its overall conclusions regarding the New Advisory Agreements, that the nature, extent and quality of services provided supported the approval of each of the New Advisory Agreements.

**Investment performance of funds advised by MFS.** The Board reviewed information about the performance of various funds advised by MFS over various time periods, including information prepared by MFS showing that the performance of such funds generally compared favorably to the performance of peer groups and performance benchmarks. The Board also considered MFS ' reputation generally and MFS ' commitment to the business of managing closed-end

funds, including its experience managing the six closed-end funds currently managed by MFS. After reviewing the above and related factors, the Board concluded, within the context of its overall conclusions regarding each New Advisory Agreement, that the performance of MFS was sufficient, in light of other considerations, to warrant the approval of each of the New Advisory Agreements.

**The costs of the services to be provided and the profits to be realized by MFS and its affiliates from their relationships with the Colonial Closed-End Funds.** The Board considered the fees to be charged to the Colonial Closed-End Funds for investment advisory services as well as the anticipated total expense levels of the Colonial Closed-End Funds. The Board considered information about the investment advisory fees charged by MFS to a closed-end fund, which were comparable to, and to institutional clients, which were generally lower than, the investment advisory fees under the New Advisory Agreements, and the scope of services provided to such clients relative to the scope of services to be provided under the New Advisory Agreements. In evaluating each Colonial Closed-End Fund's anticipated investment advisory fees, the Board took into account the fact that the investment advisory fee rates included in the New Advisory Agreements were the same as those included in the Current Advisory Agreements. The Board also took into account the demands and complexity of the investment management of the Colonial Closed-End Funds. The Board considered the expense reductions that MFS anticipated would result from the shift to the group of service providers currently employed for transfer agency, fund accounting and custody services by funds advised by MFS.

The Board also considered the compensation to be received directly or indirectly by MFS and its affiliates from their relationships with the Colonial Closed-End Funds. The Board reviewed information provided by MFS regarding the estimated profitability to MFS and its affiliates of their relationships with the Colonial Closed-End Funds, and information about the allocation of expenses used to calculate profitability. When reviewing profitability, the Board also considered court cases in which investment adviser profitability was an issue in whole or in part, the performance of funds advised by MFS, the anticipated expense levels of the Colonial Closed-End Funds and the extent to which MFS would implement expense caps for the Colonial Closed-End Funds. After reviewing the foregoing and related factors, the Board concluded, within the context of its overall conclusions regarding each of the New Advisory Agreements, that the investment advisory fees to be charged to each Colonial Closed-End Fund were fair and reasonable, and that the anticipated costs of the investment advisory services generally, and the related anticipated profitability to MFS and its affiliates of their relationships with the Colonial Closed-End Funds, supported the approval of the New Advisory Agreements.

**Economies of Scale.** The Board considered the potential existence of economies of scale in the provision of services by MFS to each Colonial Closed-End Fund and whether those economies would be shared with the Colonial Closed-End Fund through breakpoints in the investment advisory fees or other means, such as expense caps. The Board noted that several of the Colonial Closed-End Funds benefited from fee waivers, expense caps or both prior to the Sale, and that those Colonial Closed-End Funds were expected to continue to so benefit. In considering the issues above, the Board also took note of the expected profitability to MFS and its affiliates of their proposed relationships with the Colonial Closed-End Funds, as discussed above. After reviewing the above and related factors, the Board concluded, within the context of its overall conclusions regarding each of the New Advisory Agreements, that the extent to which economies of scale were expected to be shared with the Colonial Closed-End Funds supported the approval of each of the New Advisory Agreements.

**Other Factors.** The Board also considered other factors, which included but were not limited to the following:

- n the compliance programs of MFS and the compliance-related resources that MFS and its affiliates would provide to the Colonial Closed-End Funds.
- n the nature, quality, estimated cost and extent of administrative and shareholder services to be performed by MFS and its affiliates, both under the New Advisory Agreements and under separate agreements for the provision of administrative services.
- n so-called "fall-out benefits" to MFS, such as the engagement of its affiliates to provide services to the Colonial Closed-End Funds, as well as possible conflicts of interest associated with those fall-out and other benefits.

Based on its evaluation of all factors that it deemed to be material, including those factors described above, and assisted by the advice of independent counsel, the Board, including all of the Independent Trustees, approved each of the New Advisory Agreements.

## Shareholder Meeting Results

### Results of the Annual Meeting of Shareholders

On June 22, 2007, the Annual Meeting of Shareholders of the Trust (the Meeting) was held to consider the following proposals: (i) the approval of a new investment advisory agreement with Massachusetts Financial Services Company, Inc. (MFS); (ii) the election of trustees to take office after the Closing; and (iii) the re-election of current trustees whose term of office was to expire in 2007. The Board of Trustees of the Trust withdrew a proposal to approve an amended and restated declaration of trust because of a technical error in the form of declaration of trust included in the proxy statement for the Meeting. On April 10, 2007, the record date for the Meeting, the Trust had 27,781,748 common shares and 3,600 preferred shares outstanding. The votes cast were as follows:

### Approval of New Investment Advisory Agreement with MFS

The shareholders approved the proposed investment advisory agreement as follows:

For	Against	Abstain	Non-Votes
13,939,127	715,896	486,708	4,134,244

### Election of Trustees to Take Office upon the Closing

The shareholders elected the following Trustees whose term of office commenced upon the Closing:

	For	Withheld
Robert E. Butler	18,585,624	692,701
Lawrence H. Cohn	18,600,235	678,090
David H. Gunning	18,599,604	678,721
William R. Gutow	18,636,073	642,253
Michael Hegarty	18,583,755	694,570
Robert J. Manning	18,629,204	649,121
Lawrence T. Perera	18,585,260	693,065
Robert C. Pozen	18,637,249	641,076
Dale Sherratt	18,589,398	688,928
Robert W. Uek	18,619,294	659,031

The holders of preferred shares elected the following Trustees whose term of office commenced upon the Closing:

	For	Withheld
J. Atwood Ives	3,007	20
Laurie J. Thomsen	3,007	20

The twelve Trustees elected under this proposal took office on June 29, 2007.

### Re-Election of Trustees

The shareholders re-elected the following Trustees whose term of office was to expire in 2007:

Edgar Filing: MFS HIGH YIELD MUNICIPAL TRUST - Form N-CSRS

	<b>For</b>	<b>Withheld</b>
Richard W. Lowry	18,586,371	688,927
John J. Neuhauser	18,619,081	659,245
Thomas C. Theobald	18,574,423	703,902

The holders of preferred shares re-elected the following Trustees:

	<b>For</b>	<b>Withheld</b>
Douglas A. Hacker	3,007	20
Thomas E. Stitzel	3,007	20

The terms of office of Janet Langford Kelly, Charles R. Nelson, William E. Mayer, Patrick J. Simpson and Anne-Lee Verville continued after the Meeting. Each of the Trustees in office prior to the Closing resigned on June 29, 2007.

## Important Information About This Report Colonial Municipal Income Trust

### Transfer Agent

Computershare Trust Company, N.A.

P.O. Box 43010

Providence, RI 02940-3010

The trust mails one shareholder report to each shareholder address. Shareholders can order additional reports by calling 1-800-637-2304. In addition, representatives at that number can provide shareholders information about the trust.

A description of the trust's proxy voting policies and procedures is available (i) at [www.mfs.com](http://www.mfs.com) (in the proxy voting section); or (ii) on the Securities and Exchange Commission's website at [www.sec.gov](http://www.sec.gov), and (iii) without charge, upon request, by calling 1-800-730-6001. Information regarding how the trust voted proxies relating to portfolio securities during the 12-month period ended June 30 is available from the SEC's website. Information regarding how the trust voted proxies relating to portfolio securities is also available at [www.mfs.com](http://www.mfs.com).

The trust files a complete schedule of portfolio holdings with the SEC for the first and third quarters of each fiscal year on Form N-Q. The trust's Form N-Q is available on the SEC's website at [www.sec.gov](http://www.sec.gov) and may be reviewed and copied at the SEC's Public Reference Room in Washington, DC. Information on the operation of the Public Reference Room may be obtained by calling 1-800-SEC-0330.

**Annual Certifications** As required, on June 26, 2007, the trust submitted to the New York Stock Exchange ( NYSE ) the annual certification of the trust's Chief Executive Officer certifying that he is not aware of any violation of the NYSE's Corporate Governance listing standards. The trust also has included the certifications of the trust's Chief Executive Officer and Chief Financial Officer required by Section 302 of the Sarbanes-Oxley Act of 2002 as exhibits to the trust's Form N-CSR filed with the Securities and Exchange Commission for the annual period.

This report has been prepared for shareholders of Colonial Municipal Income Trust.

**Please consider the investment objectives, risks, charges and expenses for the trust carefully before investing.**

**ITEM 2. CODE OF ETHICS.**

Subsequent to the period covered by this report, on June 29, 2007, the Registrant amended and restated its Code of Ethics (the Code ) as that term is defined in paragraph (b) of Item 2 of Form N-CSR. A copy of the amended and restated Code of Ethics is filed as an exhibit to this Form N-CSR.

**ITEM 3. AUDIT COMMITTEE FINANCIAL EXPERT.**

Not applicable for semi-annual reports.

**ITEM 4. PRINCIPAL ACCOUNTANT FEES AND SERVICES.**

Not applicable for semi-annual reports.

**ITEM 5. AUDIT COMMITTEE OF LISTED REGISTRANTS.**

Not applicable for semi-annual reports.

**ITEM 6. SCHEDULE OF INVESTMENTS**

A schedule of investments for the Registrant is included as part of the report to shareholders under Item 1 of this Form N-CSR.

**ITEM 7. DISCLOSURE OF PROXY VOTING POLICIES AND PROCEDURES FOR CLOSED-END MANAGEMENT INVESTMENT COMPANIES.**

Not applicable for semi-annual reports.

**ITEM 8. PORTFOLIO MANAGERS OF CLOSED-END MANAGEMENT INVESTMENT COMPANIES.**

**General.** Information regarding the portfolio manager(s) of the MFS High Yield Municipal Trust (the Fund ) is set forth below.

<b>Portfolio Manager</b>	<b>Primary Role</b>	<b>Since</b>	<b>Title and Five Year History</b>
Gary A. Lasman	Portfolio Manager	June 29, 2007	Investment Officer of MFS; employed in the investment management area of MFS since 2002; Senior Municipal Analyst for Liberty Funds Group prior to 2002.
Geoffrey L. Schechter	Portfolio Manager	June 29, 2007	Investment Officer of MFS; employed in the investment management area of MFS since 1993.

**Compensation.** Portfolio manager total cash compensation is a combination of base salary and performance bonus:

*Base Salary* Base salary represents a smaller percentage of portfolio manager total cash compensation (generally below 33%) than incentive compensation.

*Performance Bonus* Generally, incentive compensation represents a majority of portfolio manager total cash compensation. The performance bonus is based on a combination of quantitative and qualitative factors, with more weight given to the former (generally over 60%) and less weight given to the latter.

The quantitative portion is based on pre-tax performance of all of the accounts managed by the portfolio manager (which includes the Fund and any other accounts managed by the portfolio manager) over a one-, three- and five-year period relative to the appropriate Lipper peer group universe and/or one or more benchmark indices with respect to each account. Primary weight is given to portfolio performance over a three-year time period with lesser consideration given to portfolio performance over one- and five-year periods (adjusted as appropriate if the portfolio manager has served for shorter periods).

The qualitative portion is based on the results of an annual internal peer review process (conducted by other portfolio managers, analysts and traders) and management's assessment of overall portfolio manager contributions to investor relations and the investment process (distinct from fund and other account performance).

Portfolio managers also typically benefit from the opportunity to participate in the MFS Equity Plan. Equity interests and/or options to acquire equity interests in MFS or its parent company are awarded by management, on a discretionary basis, taking into account tenure at MFS, contribution to the investment process, and other factors.

## Edgar Filing: MFS HIGH YIELD MUNICIPAL TRUST - Form N-CSRS

Finally, portfolio managers are provided with a benefits package including a defined contribution plan, health coverage and other insurance, which are available to other employees of MFS on substantially similar terms. The percentage such benefits represent of any portfolio manager's compensation depends upon the length of the individual's tenure at MFS and salary level, as well as other factors.

**Ownership of Fund Shares.** The following table shows the dollar range of equity securities of the Fund beneficially owned by each of the Fund's portfolio managers as of June 29, 2007. The following dollar ranges apply:

- N. None
- A. \$1 - \$10,000
- B. \$10,001 - \$50,000
- C. \$50,001 - \$100,000
- D. \$100,001 - \$500,000
- E. \$500,001 - \$1,000,000
- F. Over \$1,000,000

Name of Portfolio Manager	Dollar Range of Equity Securities in Fund
Gary A. Lasman	N
Geoffrey L. Schechter	N

**Other Accounts.** In addition to the Fund, the Fund's portfolio managers are each responsible (either individually or jointly) for the day-to-day management of certain other accounts, the number and total assets of which as of June 29, 2007 were as follows:

Name	Registered Investment Companies		Other Pooled Investment Vehicles		Other Accounts	
	Number of Accounts*	Total Assets*	Number of Accounts	Total Assets	Number of Accounts	Total Assets
Gary A. Lasman	4	\$ 2.7 billion	0	N/A	0	N/A
Geoffrey L. Schechter	13	\$ 7.1 billion	1	\$ 231.5 million	0	N/A

\* Includes the Fund.

Advisory fees are not based upon performance of any of the accounts identified in the table above.

**Potential Conflicts of Interest.** MFS seeks to identify potential conflicts of interest resulting from a portfolio manager's management of both the Fund and other accounts, and has adopted policies and procedures designed to address such potential conflicts.

The management of multiple funds and accounts (including proprietary accounts) may give rise to potential conflicts of interest if the funds and accounts have different objectives and strategies, benchmarks, time horizons and fees as a portfolio manager must allocate his or her time and investment ideas across multiple funds and accounts. In certain instances

there may be securities which are suitable for the Fund's portfolio as well as for accounts of MFS or its subsidiaries with similar investment objectives. The Fund's trade allocation policies may give rise to conflicts of interest if the Fund's orders do not get fully executed or are delayed in getting executed due to being aggregated with those of other funds or accounts of MFS or its subsidiaries. A portfolio manager may execute transactions for another fund or account that may adversely impact the value of the Fund's investments. Investments selected for funds or accounts other than the Fund may outperform investments selected for the Fund.

When two or more clients are simultaneously engaged in the purchase or sale of the same security, the securities are allocated among clients in a manner believed by MFS to be fair and equitable to each. It is recognized that in some cases this system could have a detrimental effect on the price or volume of the security as far as the Fund is concerned. In most cases, however, MFS believes that the Fund's ability to participate in volume transactions will produce better executions for the Fund.

MFS does not receive a performance fee for its management of the Fund. As a result, MFS and/or a portfolio manager may have a financial incentive to allocate favorable or limited opportunity investments or structure the timing of investments to favor accounts other than the Fund - for instance, those that pay a higher advisory fee and/or have a performance fee.

**ITEM 9. PURCHASES OF EQUITY SECURITIES BY CLOSED-END MANAGEMENT INVESTMENT COMPANY AND AFFILIATED PURCHASERS.**

**MFS High Yield Municipal Trust**

\* Includes shares purchased by the Dividend Reinvestment Agent pursuant to the Registrant's Dividend Reinvestment Plan.

**ITEM 10. SUBMISSION OF MATTERS TO A VOTE OF SECURITY HOLDERS.**

The Board of Trustees of the Registrant has adopted procedures by which shareholders may send recommendations to the Board for nominees to the Registrant's Board. Effective June 29, 2007, shareholders may mail written recommendations to MFS High Yield Municipal Trust, Massachusetts Financial Services Company, 500 Boylston Street, Boston, MA 02116, Attention: Mark Polebaum, Secretary of the Trust. Shareholder communications must be in writing and be signed by the shareholder and identify the Registrant to which they relate. Such recommendations must be accompanied by the candidate's biographical and occupational data (including whether the candidate would be an interested person of the Registrant), a written consent of the candidate to be named as a nominee and to serve as Trustee if elected, record and ownership information for the recommending shareholder with respect to the Registrant and a description of any arrangements or understandings regarding recommendation of the candidate for consideration.

**ITEM 11. CONTROLS AND PROCEDURES.**

(a) Based upon their evaluation of the effectiveness of the registrant's disclosure controls and procedures (as defined in Rule 30a-3(c) under the Investment Company Act of 1940 (the Act)) as conducted within 90 days of the filing date of this Form N-CSR, the registrant's principal financial officer and principal executive officer have concluded that those disclosure controls and procedures provide reasonable assurance that the material information required to be disclosed by the registrant on this report is recorded, processed, summarized and reported within the time periods specified in the Securities and Exchange Commission's rules and forms.

(b) There were no changes in the Registrant's internal controls over financial reporting (as defined in Rule 30a-3(d) under the Act) that occurred during the Registrant's last fiscal quarter that have materially affected, or are reasonably likely to materially affect, the Registrant's internal control over financial reporting. Subsequent to the period covered by this report, on June 29, 2007, Massachusetts Financial Services Company (MFS) became the investment adviser and fund administrator to the Registrant. As a result of MFS' appointment as investment adviser and fund administrator to the Registrant, the Registrant amended its internal controls over financial reporting to utilize the internal controls over financial reporting utilized by other investment management companies for which MFS provides investment advisory and fund administration services. Therefore, the internal controls over financial reporting of the Registrant prior to June 29, 2007 may materially differ from those currently utilized for the Registrant.

**ITEM 12. EXHIBITS.**

(a) File the exhibits listed below as part of this Form. Letter or number the exhibits in the sequence indicated.

- (1) Any code of ethics, or amendment thereto, that is the subject of the disclosure required by Item 2, to the extent that the registrant intends to satisfy the Item 2 requirements through filing of an exhibit: Attached hereto.
  
  - (2) A separate certification for each principal executive officer and principal financial officer of the registrant as required by Rule 30a-2 under the Act (17 CFR 270.30a-2): Attached hereto.
  
  - (3) Not applicable.
  
  - (4) Letter to the Securities and Exchange Commission from PricewaterhouseCoopers LLP ( PWC ) stating whether PWC agrees with the statements made by the Registrant in the Registrant s Form N-SAR for the period ended May 31, 2007. Attached hereto.
- (b) If the report is filed under Section 13(a) or 15(d) of the Exchange Act, provide the certifications required by Rule 30a-2(b) under the Act (17 CFR 270.30a-2(b)), Rule 13a-14(b) or Rule 15d-14(b) under the Exchange Act (17 CFR 240.13a-14(b) or 240.15d-14(b)) and Section 1350 of Chapter 63 of Title 18 of the United States Code (18 U.S.C. 1350) as an exhibit. A certification furnished pursuant to this paragraph will not be deemed filed for the purposes of Section 18 of the Exchange Act (15 U.S.C. 78r), or otherwise subject to the liability of that section. Such certification will not be deemed to be incorporated by reference into any filing under the Securities Act of 1933 or the Exchange Act, except to the extent that the registrant specifically incorporates it by reference: Attached hereto.
