-

**ITEM 7.01. REGULATION FD DISCLOSURE.**

On September 26, 2007, representatives of Newmont Mining Corporation, a Delaware corporation ( Newmont ), are scheduled to make a presentation to analysts and investors at the Denver Gold Forum 2007 conference in Denver, Colorado (the Conference ). At the Conference, Richard T. O'Brien, President and Chief Executive Officer of Newmont, will discuss the information included in the presentation materials attached as Exhibit 99.1 to this Current Report. As part of this presentation, Newmont will, among other things, indicate that (a) its consolidated costs applicable to sales for 2007 could exceed its previous guidance range of \$375 to \$400 per ounce; and (b) the large-scale, mature and low grade nature of its gold deposits may limit its ability to replace, net of depletion, its proven and probable gold reserves in 2007.

The information, including the exhibits attached hereto, in this Current Report is being furnished and shall not be deemed filed for purposes of Section 18 of the Securities Exchange Act of 1934, as amended, or otherwise subject to the liabilities of that section. The information in this Current Report shall not be incorporated by reference into any registration statement or other document pursuant to the Securities Act of 1933, as amended, except as otherwise stated in such filing.
