Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

(e) On December 10, 2007, the Compensation Committee of the Board of Directors of The Boeing Company (the Company) adopted and approved amendments effective January 1, 2008 to the Supplemental Executive Retirement Plan for Employees of The Boeing Company (the SERP) in which the Company s named executive officers participate.

The amendments to the SERP were adopted primarily to conform the plan to the requirements of final and transition regulations promulgated under Section 409A of the Internal Revenue Code of 1986, as amended (the Code). The Committee, in connection with a review of the Company s executive retirement benefits against the benefits provided by the Company s peers, also amended the SERP to eliminate the payment of an additional supplemental benefit to executives who are hired or rehired on or after January 1, 2008. The additional supplemental benefit is paid to executives to the extent the Company s Pension Value Plan benefit formula yields a number less than a target benefit. Under the amended SERP, executives hired or rehired on or after January 1, 2008 will be eligible to receive the same excess benefits payable to non-executives, but not the supplemental benefit. Executives hired before January 1, 2008 will remain eligible for the greater of the additional supplemental benefit or the excess benefit, as described in the SERP, once they satisfy the SERP s eligibility requirements.

The foregoing description of the amendments to the SERP is qualified in its entirety by reference to the amended and restated SERP, which is filed as Exhibit 10.1 to this Form 8-K and is incorporated herein by reference.
