**VERI-TEK INTERNATIONAL, CORP.**

**PROXY STATEMENT**

**ANNUAL MEETING OF STOCKHOLDERS**

**INTRODUCTION**

This Proxy Statement is furnished by the Board of Directors of Veri-Tek International, Corp., a Michigan corporation (the Company) in connection with the solicitation of proxies for use at the Annual Meeting of Stockholders to be held on May 21, 2008 and at any adjournments thereof. The Annual Meeting has been called to consider and vote upon (1) the election of six (6) Directors, (2) the ratification of UHY LLP as our independent public accountants and (3) such other business as may properly come before the Annual Meeting or any adjournment(s) thereof. This Proxy Statement and the accompanying Proxy are being sent to Stockholders on or about April 21, 2008.

**Persons Making the Solicitation**

**The Proxy is solicited on behalf of our Board of Directors.** The original solicitation will be by mail. Following the original solicitation, the Board of Directors expects that certain individual Stockholders will be further solicited through telephone or other oral communications from the Board of Directors. The Board of Directors does not intend to use specially engaged employees or paid solicitors. The Board of Directors intends to solicit Proxies for shares which are held of record by brokers, dealers, banks or voting trustees, or their nominees, and may pay the reasonable expenses of such record holders for completing the mailing of solicitation materials to persons for whom they hold shares. All solicitation expenses will be borne by the Company.

**Terms of the Proxy**

The enclosed Proxy indicates the matters to be acted upon at the Annual Meeting and provides boxes to be marked to indicate the manner in which the Stockholder's shares are to be voted with respect to such matters. By appropriately marking the boxes, a Stockholder may specify whether the proxyholder shall vote for or against or shall be without authority to vote the shares represented by the Proxy. The Proxy also confers upon the proxyholder discretionary voting authority with respect to such other business as may properly come before the Annual Meeting.

If the Proxy is executed properly and is received by the proxy holder prior to the Annual Meeting, the shares represented by the Proxy will be voted. An abstention and a broker non-vote would be included in determining whether a quorum is present at the meeting, but would otherwise not affect the outcome of any vote. Where a Stockholder specifies a choice with respect to the matter to be acted upon, the shares will be voted in accordance with such specification. Any Proxy which is executed in such a manner as not to withhold authority to vote for the election of the specified nominees as Directors (see Matters To Be Acted Upon Item 1: Election of Directors) shall be deemed to confer such authority. A Proxy may be revoked at any time prior to its exercise by giving written notice of the revocation thereof to David H. Gransee, Secretary, 7402 W. 100<sup>th</sup> Place, Bridgeview, Illinois 60455, by attending the meeting and electing to vote in person, or by a duly executed Proxy bearing a later date.

**POTENTIAL PAYMENTS UPON TERMINATION OR CHANGE OF CONTROL**

The amount of compensation payable to our named executive officers upon voluntary termination, involuntary termination without Just Cause (as that term is defined in such executive's employment agreement), Just Cause termination, termination following a change of control and in the event of permanent disability of the executive is described below.

The following assumptions were made in estimating the payments set forth below: (1) termination payment of accrued unpaid base salary is calculated assuming a full pay period (this payment may be less, depending upon where the termination date falls within the pay period); (2) the value of post-termination health, dental and life insurance is estimated to be \$1,500 per month; and (3) accrued and unused vacation is assumed to be the annual maximum of four weeks.

**Section 16(a) Beneficial Ownership Reporting Compliance**

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires our officers, directors and persons who beneficially own more than 10% of a registered class of our equity securities to file reports of securities ownership and changes in such ownership with the Securities and Exchange Commission (the "SEC"). Officers, directors and greater than 10% beneficial owners are also required by rules promulgated by the SEC to furnish us with copies of all Section 16(a) forms they file.

Based solely upon a review of the copies of such forms furnished to us or written representations that no Form 5 filings were required, we believe that during the period from January 1, 2007 through December 31, 2007, all Section 16(a) filing requirements applicable to its officers, directors and greater than 10% beneficial owners were complied with, except the initial Form 3 reporting requirement of Andrew Rooke and the Form 4 reporting requirements relating to restricted stock grants received by Robert Gigliotti, Terrence McKenna, Marvin Rosenberg, David Gransee, Andrew Rooke and David Langevin. Each of these forms were subsequently filed.

**Code of Ethics**

We have adopted a code of ethics that applies to all of our employees, executive officers and Directors including our principal executive officer and principal financial officer. The code of ethics includes provisions covering compliance with laws and regulations, insider trading practices, conflicts of interest, confidentiality, protection and proper use of our assets, accounting and record keeping, fair competition and fair dealing and reporting of illegal or unethical behavior. The code of ethics is posted on our website at [www.Veri-Tek.com](http://www.Veri-Tek.com). Waiver of any provision of the code of ethics granted to an executive officer or Director may only be made by our Board of Directors and will be promptly disclosed on our website.

**Transactions with Related Persons**

Discussed below are certain direct and indirect relationships and transactions involving the Company and any director, executive officer, director nominee, beneficial owner of more than five percent of our Common Stock and any member of the immediate family of the foregoing. We believe that the terms of the following transactions are comparable to terms that would have been reached by unrelated parties in arms-length transactions.

*GT Distribution, Inc.*

We purchase and sell parts to GT Distribution, Inc. ( *GT Distribution* ) through our Manitex and Manitex Lifting subsidiaries. GT Distribution is owned in part by David J. Langevin, our Chairman and Chief Executive Officer. As of December 31, 2007, we had \$461,000 in accounts receivable from GT Distribution and \$162,000 accounts payable due to GT Distribution.

On July 31, 2007, we entered into an asset purchase agreement with GT Distribution, pursuant to which GT Distribution transferred all of its rights and interest in the Noble forklift product line (the *Product Line* ) to the Company in exchange for the discharge of obligations and trade payables of GT Distribution and certain of its subsidiaries totaling \$4,219,000 and assumption by the Company of certain liabilities associated with the Product Line. In light of Mr. Langevin's significant ownership interest in GT Distribution, we received a fairness opinion from an independent financial advisor and the approval of a special independent committee of our Board of Directors prior to entering into this transaction.

*Other*

We have a note payable to the former members of Quantum Value Management, LLC ( *QVM* ) for \$1,072,000, issued in connection with our acquisition of the membership interests of QVM. Immediately following the transaction, three of the members of QVM, Michael Azar, David Langevin and Robert J. Skanadlaris, owned 6.1%, 12.1% and 12.1%, respectively, of our outstanding Common Stock. At that time, Michael Azar was our Vice President and Secretary and David Langevin was, and currently is, our Chairman of the Board of Directors and Chief Executive Officer.

*Approval Process*

Transactions involving related persons are approved, or ratified if pre-approval is not feasible, by our Audit Committee, which approves or ratifies the transaction only if our Audit Committee determines that it is in the best interests of our stockholders. In considering the transaction, our Audit Committee considers all relevant factors, including, as applicable (i) the business rationale for entering into the transaction; (ii) available alternatives to the transaction; (iii) whether the transaction is on terms no less favorable than terms generally available to an unrelated third party under the same or similar circumstances; (iv) the potential for the transaction to lead to an actual or apparent conflict of interest and any safeguards imposed to prevent such actual or apparent conflicts; and (v) the overall fairness of the transaction. Our Audit Committee also periodically monitors ongoing transactions involving related persons to ensure that there are no changed circumstances that would render it advisable to amend or terminate the transaction.

**DIRECTOR COMPENSATION**

Directors who are employees of the Company receive no compensation, as such, for their service as members of the Board. In calendar year 2008, pursuant to the Non-Employee Director Plan, Directors who are not employees of the Company will receive \$6,250 per fiscal quarter. All Directors are reimbursed for expenses incurred in connection with attendance at meetings. In addition, non-employee Directors are eligible to participate in the Company's Amended and Restated 2004 Equity Incentive Plan.

The following table sets forth information regarding the compensation received by each of our non-employee Directors during the year ended December 31, 2007:

### **THE COMMITTEE ON DIRECTORS AND BOARD GOVERNANCE**

The Committee on Directors and Board Governance is currently composed of Robert S. Gigliotti, Stephen R. Light, Terrence P. McKenna and Marvin B. Rosenberg.

The principal functions of the Committee on Directors and Board Governance is to:

consider and recommend to the Board qualified candidates for election as directors of the Company;

periodically prepare and submit to the Board for adoption the Committee's selection criteria for directors nominees;

recommend to the Board and management a process for new Board member orientation;

consider matters of corporate governance and Board practices and recommend improvements to the Board;

review periodically our articles of incorporation and bylaws in light of statutory changes and current best practices;

review periodically the charter, responsibilities, membership and chairmanship of each committee of the Board and recommend appropriate changes;

review Director independence, conflicts of interest, qualifications and conduct and recommend to the Board removal of a Director when appropriate; and

annually assess the Committee's performance.

The members of the Committee on Directors and Board Governance considered certain governance and director matters and took action by written consent, but did not meet during fiscal 2007. See "Nominating Procedures" below for further information on the nominating process.

The Committee on Directors and Board Governance's charter is posted on our website, [www.Veri-Tek.com](http://www.Veri-Tek.com) in the investor relations section.

#### **Nominating Procedures**

The Board has adopted membership guidelines that outline the desired composition of the Board and the criteria to be used in selecting directors. These guidelines provide that the Board should be composed of directors with a variety of experience and backgrounds, who have high-level managerial experience in a complex organization and who represent the balanced interests of shareowners as a whole rather than those of special interest groups. Other important factors in Board composition include diversity, age, international background and experience and specialized expertise. A significant majority of the Board should be directors who are not our past or present employees or a significant stockholder, customer or supplier.

In considering candidates for the Board, the Committee on Directors and Board Governance considers the entirety of each candidate's credentials and does not have any specific, minimum qualifications that must be met by a Board nominee. The Committee is guided by the composition guidelines set forth above and by the following basic selection criteria: highest character, integrity and experience.

#### **Corporate Governance**

The Board of Directors has determined that five of our directors are independent under Section 803A of the American Stock Exchange Company Guide. The independent directors are: Robert S. Gigliotti, Stephen R. Light, Terrence P. McKenna, Marvin B. Rosenberg and Stephen J. Tober.

## Edgar Filing: Veri-Tek International, Corp. - Form DEF 14A

Each of the directors serving on the Audit Committee, the Compensation Committee and the Corporate Governance Committee are independent under the standards of the American Stock Exchange.

Prior to their resignations on March 29, 2007, Joseph B. Davies and Diane E. Roggenbauer were independent directors under Section 803A of the American Stock Exchange Company Guide.

#### **Meetings of Non-Employee Directors**

The non-employee directors of the Board typically meet in executive session without management present either prior to or immediately following each scheduled Board Meeting, and as otherwise needed. When the non-employee directors of the Board or respective committees meet in executive session without management, a temporary chair is selected from among the directors to preside at the executive session.

#### **Compensation Committee Interlocks and Insider Participation**

No member of our Compensation Committee is currently or was formerly an officer or an employee of the Company. The Compensation Committee is comprised entirely of independent directors. None of our executive officers serves as a member of the board of directors or compensation committee of any entity that has one or more executive officers serving as members of the our Board of Directors or Compensation Committee.

#### **Delivery of Proxy Materials to Households**

Pursuant to SEC rules, services that deliver the Company's communications to stockholders that hold their stock through a bank, broker or other holder of record may deliver to multiple stockholders sharing the same address a single copy of the Company's annual report to stockholders and this proxy statement. Upon written or oral request, the Company will promptly deliver a separate copy of the annual report to stockholders and this proxy statement to any stockholder at a shared address to which a single copy of each document was delivered.

#### **Communication with the Board of Directors**

Correspondence for any member of Veri-Tek's Board of Directors may be sent to his attention: c/o Corporate Secretary, VERI-TEK INTERNATIONAL, CORP., 7402 W. 100<sup>th</sup> Place, Bridgeview, Illinois 60455 Any written communication will be forwarded to the Board for its consideration.

#### **Director Attendance at Annual Meetings**

Our Directors are expected to attend the Annual Meeting of Stockholders except where attendance is impractical due to illness or unavoidable scheduling conflicts. The 2007 annual meeting of stockholders was attended by all of our then-current Directors.

### AUDIT COMMITTEE

The Board of Directors has adopted a written charter for the Audit Committee. The four members of the Audit Committee are independent directors as that term is defined in Section 803A of the American Stock Exchange Company Guide and Rule 10A-3 as promulgated under the Securities Exchange Act of 1934.

*Change in Principal Accounting Firm.* On August 28, 2006, Freedman & Goldberg, CPAs, P.C. ( Freedman & Goldberg ) was dismissed as our independent registered public accountant and simultaneously UHY LLP ( UHY ) was appointed as our independent registered public accountant.

The decision to change independent accountants was approved by our Board of Directors and did not result from any dissatisfaction with the quality of professional services rendered by Freedman & Goldberg.

Freedman & Goldberg's report on our financial statements for the fiscal year ended December 31, 2005 did not contain an adverse report or disclaimer of opinion, and was not qualified or modified as to uncertainty, audit scope or accounting principles. During the fiscal year ended December 31, 2005 and the subsequent interim period, there were no disagreements with Freedman & Goldberg on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedure.

During the fiscal year ended December 31, 2005 and the subsequent interim period, there were no reportable events with respect to the Company, as that term is defined in Item 304(a)(1)(v) of Regulation S-K, and the Company did not consult with UHY with respect to the Company regarding any of the matters or events set forth in Item 304(a)(2)(i) and (ii) of Regulation S-K.

*Principal Accounting Firm Fees.* The aggregate amount of fees billed for professional services by UHY and UHY Advisors, Inc. ( Advisors ) for the fiscal years ended December 31, 2007 and December 31, 2006, are as follows:

	2007	2006
Audit Fees	\$ 327,755	\$ 298,485
Audit-Related Fees	34,160	19,675
Total Audit and Audit-Related Fees	361,915	318,160
Tax Fees	5,655	78,705
All Other Fees	6,230	62,510
 Total Fees	 \$ 373,800	 \$ 459,375

*Audit Fees.* These fees are for professional services rendered in connection with the audit of our annual financial statements for the fiscal years ended December 31, 2007 and December 31, 2006, and for the reviews of the financial statements included in the Company's Quarterly Reports on Form 10-Q for those fiscal years.

*Audit Related Fees.* These fees are fees billed in the fiscal year for assurance and related services that are related to the performance of the audit or review of our financial statements but are not Audit Fees.

*Tax Fees.* These fees relate to federal, state and foreign tax compliance services, including preparation, compliance, advice and planning.

*All Other Fees.* These fees are for professional services rendered other than Tax Fees or in connection with our audit.

The Audit Committee has adopted an Audit and Non-Audit Services Pre-Approval Policy which requires the Audit Committee's pre-approval of audit and non-audit services performed by the independent auditor to

assure that the provisions of such services does not impair the auditor's independence. All audit and non-audit services rendered by UHY for fiscal years 2006 and 2007 were pre-approved in accordance with the Audit and Non-Audit Services Pre-Approval Policy.

*Leased Employees.* UHY acts as our principal independent registered public accounting firm. Through December 31, 2007, UHY had a continuing relationship with Advisors from which it leased auditing staff who were full time, permanent employees of Advisors and through which UHY's partners provide non-audit services. UHY has only a few full time employees. Therefore, few, if any, of the audit services performed were provided by permanent full-time employees of UHY. UHY manages and supervises the audit services and audit staff, and is exclusively responsible for the opinion rendered in connection with its examination.

*The Audit Committee report set forth below shall not be deemed incorporated by reference by any general statement incorporating by reference this Proxy Statement into any filing under the Securities Act of 1933 or under the Securities Exchange Act of 1934, except to the extent that the Company specifically incorporates this information by reference, and shall not otherwise be deemed filed under such acts.*

*Audit Committee Report.* Management is responsible for the Company's internal controls, financial reporting process and compliance with laws and regulations and ethical business standards. The independent auditor is responsible for performing an independent audit of the Company's consolidated financial statements in accordance with generally accepted auditing standards and issuing a report thereon. The Audit Committee's responsibility is to monitor and oversee these processes on behalf of the Board of Directors. In this context, the Audit Committee has reviewed and discussed with management and the independent auditors the audited financial statements. The Audit Committee has discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees). In addition, the Audit Committee has received from the independent auditors the written disclosures required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees) and discussed with them their independence from the Company and its management. Moreover, the Audit Committee has considered whether the independent auditor's provision of other non-audit services to the Company is compatible with the auditor's independence. In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2007, for filing with the Securities and Exchange Commission. By recommending to the Board of Directors that the audited financial statements be so included, the Audit Committee is not opining on the accuracy, completeness or fairness of the audited financial statements.

Sincerely,

ROBERT S. GIGLIOTTI

STEPHEN R. LIGHT

TERRENCE P. MCKENNA

STEPHEN J. TOBER

**ITEM 2: RATIFICATION OF APPOINTMENT OF INDEPENDENT PUBLIC ACCOUNTANTS**

The Board of Directors, upon recommendation of the Audit Committee, has appointed UHY LLP as independent public accountants, to audit our consolidated financial statements for the year ending December 31, 2008, and to perform other appropriate services as directed by our management and Board of Directors.

A proposal will be presented at the meeting to ratify the appointment of UHY LLP as the Company's independent public accountants. It is not expected that a representative of UHY LLP will be present at the Annual Meeting. Stockholder ratification of the selection of UHY LLP as our independent public accountants is not required by our bylaws or other applicable legal requirement. However, the Board of Directors is submitting the selection of UHY LLP to the Stockholders for ratification as a matter of good corporate practice. If the Stockholders fail to ratify this appointment, other independent public accountants will be considered by the Board of Directors upon recommendation of the Audit Committee. Even if the appointment is ratified, the Board of Directors at its discretion may direct the appointment of a different independent accounting firm at any time during the year if it determines that such a change would be in the best interests of the Company and its Stockholders.

**Vote Required**

The ratification of UHY LLP as the Company's independent public accountants will require the affirmative vote of the holders of at least a majority of the outstanding shares of our Common Stock present or represented at the meeting. **THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR RATIFICATION OF THE APPOINTMENT OF UHY LLP AS THE COMPANY'S INDEPENDENT PUBLIC ACCOUNTANTS.**

**ITEM 3: OTHER MATTERS**

However, if any other matters should properly come before the meeting, it is intended that votes will be cast pursuant to the authority granted by the enclosed Proxy.
