Item 3.02 Unregistered Sales of Equity Securities

On May 5, 2008, Knight Capital Group, Inc. (the Company), Knight/Trimark, Inc., a direct wholly-owned subsidiary of the Company (the Purchaser), Libertas Holdings LLC (Libertas) and New Libertas Holdings LLC (the Seller) entered into an Interest Purchase Agreement (the Purchase Agreement) pursuant to which the Seller will sell to the Purchaser, and the Purchaser will purchase from the Seller, all of the issued and outstanding interests of Libertas (the Transaction).

Pursuant to the Purchase Agreement, the Purchaser will acquire Libertas, a privately held company, for aggregate consideration (the Consideration) comprised of (i) approximately \$50 million in cash (the Cash Closing Consideration) and \$25 million in restricted shares of unregistered Class A common stock, par value \$0.01 per share, of the Company (Company Common Stock) payable upon the closing of the Transaction; and (ii) up to \$75 million in shares of Company Common Stock conditioned on the achievement by Libertas of certain performance targets during the three (3) years beginning on the first full month following the closing of the Transaction and payable in accordance with the Purchase Agreement. The Cash Closing Consideration is subject to an adjustment based upon the excess or deficit of working capital of Libertas at the closing of the Transaction as determined pursuant to the Purchase Agreement. With respect to each issuance of shares of Company Common Stock, the number of shares of Company Common Stock to be issued will be determined based upon the volume-weighted average price of Company Common Stock in the five (5) trading days prior to such issuance. A portion of the Consideration payable upon the closing of the Transaction that is comprised of shares of Company Common Stock will be placed in escrow to satisfy certain indemnification obligations of Libertas and the Seller. Pursuant to the Purchase Agreement, the transfer by the holders of the Consideration comprised of shares of Company Common Stock issued upon the closing of the Transaction will be restricted for varying agreed periods following their issuance.

The issuance of shares of Company Common Stock to the Seller pursuant to the Purchase Agreement is expected to be exempt from the registration requirements under Section 4(2) of the Securities Act of 1933, as amended (the Securities Act), and the rules and regulations thereunder. Specifically, the issuance of the shares of Company Common Stock is expected to be exempt in reliance upon Rule 506 of Regulation D under the Securities Act because, among other things, the shares of Company Common Stock will only be issued to accredited investors as defined in Rule 501 of the Securities Act.

The Company expects the Transaction to be completed in the fall of 2008, subject to the satisfaction of customary closing conditions.

Item 7.01 FD Disclosure.

On May 5, 2008, the Company entered into the Purchase Agreement referenced in Item 3.02 above, and on May 6, 2008, the Company issued a press release announcing the Transaction. A copy of the Company's press release is furnished with this Form 8-K and attached hereto as Exhibit 99.1.
