Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

Due to the inability of Silicon Storage Technology, Inc. to file our periodic reports with the Securities and Exchange Commission during 2007, we were not able to issue any shares of common stock pursuant to our Registration Statement on Form S-8 until January 2008. As a result, certain stock options held by our employees expired unexercised on the ten year anniversary of their date of grant. On May 29, 2008, the Compensation Committee of the Board of Directors determined to grant each employee whose stock option expired during this period a fully-vested stock bonus award with an economic value approximately equal to the intrinsic value of their stock option on the expiration date, measured as the closing price of our common stock as reported on the NASDAQ Global Market less the exercise price. Michael Briner, our Senior Vice President, Application Specific Product Group, was granted a fully-vested stock bonus of 77,458 shares of common stock. No other executive officer was granted a stock bonus. The form of stock bonus agreement is filed as Exhibit 10.17 hereto.
