ABOUT THIS PROSPECTUS

This prospectus is part of a registration statement we filed with the Securities and Exchange Commission, or the SEC, using a shelf registration process. Under this shelf registration process, the selling securityholders may, from time to time, offer and sell, in one or more offerings, the securities described in this prospectus.

We may provide a prospectus supplement containing specific information about the terms of a particular offering by the selling securityholders. If the information in this prospectus is inconsistent with a prospectus supplement, you should rely on the information in that prospectus supplement. You should read both this prospectus and, if applicable, any prospectus supplement. See [Where You Can Find More Information](#) for more information.

In this prospectus, Washington Federal, we, our, ours, and us refer to Washington Federal, Inc., which is a savings and loan holding company headquartered in Seattle, Washington, and its subsidiaries on a consolidated basis, unless the context otherwise requires. References to Washington Federal Savings mean Washington Federal Savings and Loan Association, which is our principal banking subsidiary.

FORWARD-LOOKING STATEMENTS

This prospectus and the documents incorporated by reference contain statements that are considered forward looking statements within the meaning of United States securities laws. In addition, Washington Federal and its management may make other written or oral communications from time to time that contain forward-looking statements. Forward-looking statements, including statements about industry trends, management's future expectations and other matters that do not relate strictly to historical facts, are based on assumptions by management, and are often identified by such forward-looking terminology as expect, look, believe, anticipate, estimate, seek, may, will, trend, and similar statements or variations of such terms. Forward-looking statements may include, among other things, statements about Washington Federal's confidence in its strategies and its expectations about financial performance, market growth, market and regulatory trends and developments, acquisitions and divestitures, new technologies, services and opportunities and earnings.

Forward-looking statements are subject to various risks and uncertainties, which change over time, are based on management's expectations and assumptions at the time the statements are made, and are not guarantees of future results. Management's expectations and assumptions, and the continued validity of the forward-looking statements, are subject to change due to a broad range of factors affecting the national and global economies, the equity, debt, currency and other financial markets, as well as factors specific to Washington Federal and its subsidiaries, including Washington Federal Savings.

Actual outcomes and results may differ materially from what is expressed in our forward-looking statements and from our historical financial results due to the factors discussed elsewhere in this prospectus or disclosed in our other SEC filings. Forward-looking statements should not be relied upon as representing our expectations or beliefs as of any date subsequent to the time this prospectus is filed with the SEC. Washington Federal undertakes no obligation to revise the forward-looking statements contained in this prospectus to reflect events after the time it is filed with the SEC. The factors discussed herein are not intended to be a complete summary of all risks and uncertainties that may affect our businesses. Though we strive to monitor and mitigate risk, we cannot anticipate all potential economic, operational and financial developments that may adversely impact our operations and our financial results.

Table of Contents

Forward-looking statements should not be viewed as predictions, and should not be the primary basis upon which investors evaluate Washington Federal. Any investor in Washington Federal should consider all risks and uncertainties disclosed in our SEC filings described below under the heading "Where You Can Find More Information," all of which are accessible on the SEC's website at <http://www.sec.gov>.

USE OF PROCEEDS

RATIOS OF EARNINGS TO FIXED CHARGES AND PREFERRED DIVIDENDS

No shares of our senior preferred stock, or any other class of preferred stock, were outstanding during the years ended September 30, 2008, 2007, 2006, 2005 and 2004 and we did not pay preferred stock dividends during these periods. Consequently, the ratios of earnings to fixed charges and preferred dividends are the same as the ratios of earnings to fixed charges for the same periods listed above. The ratios of earnings to fixed charges for the years ended September 30, 2008, 2007, 2006, 2005 and 2004 are as follows:

Consolidated Ratios of Earnings to Fixed Charges

	Year Ended September 30,				
	2008	2007	2006	2005	2004
Including Interest on Deposits	1.24	1.58	1.79	2.13	2.19
Excluding Interest on Deposits	3.53	4.87	5.15	5.15	4.38

Note: The ratio of earnings to fixed charges is calculated by adding income before income taxes plus fixed charges and dividing that sum by fixed charges.

DESCRIPTION OF SERIES A PREFERRED STOCK

The following is a brief description of the terms of the series A preferred stock that may be resold by the selling securityholders. This summary does not purport to be complete in all respects. This description is subject to and qualified in its entirety by reference to our restated articles of organization, as amended, including the articles of amendment with respect to the series A preferred stock, copies of which have been filed with the SEC and are also available upon request from us.

General

Under our restated articles of incorporation, as amended, we have authority to issue up to 5.0 million shares of preferred stock, par value \$1.00 per share. Of such number of shares of preferred stock authorized, 200,000 shares have been designated as series A preferred stock, all of which shares of series A preferred stock were issued to the initial selling security holder in a transaction exempt from the registration requirements of the Securities Act. No other shares of preferred stock are issued and outstanding as of the date hereof.

Dividends Payable On Shares of Series A Preferred Stock

Holders of shares of series A preferred stock are entitled to receive if, as and when declared by our board of directors or a duly authorized committee of the board, out of assets legally available for payment, cumulative cash dividends at a rate per annum of 5% per share on a liquidation preference of \$1,000 per share of series A preferred stock with respect to each dividend period from November 14, 2008 to, but excluding, November 15, 2013. From and after November 15, 2013, holders of shares of series A preferred stock are entitled to receive cumulative cash dividends at a rate per annum of 9% per share on a liquidation preference of \$1,000 per share of series A preferred stock with respect to each dividend period thereafter.

Dividends are payable quarterly in arrears on each February 15, May 15, August 15 and November 15, each a dividend payment date, starting with February 15, 2009. If any dividend payment date is not a business day, then the next business day will be the applicable dividend payment date, and no additional dividends will accrue as a result of the applicable postponement of the dividend payment date. Dividends payable during any dividend period are computed on the basis of a 360-day year consisting of twelve 30-day months. Dividends payable with respect to the series A preferred stock are payable to holders of record of shares of series A preferred stock on the date that is 15 calendar days immediately preceding the applicable dividend payment date or such other record date as the board of directors or any duly authorized committee of the board determines, so long as such record date is not more than 60 nor less than 10 days prior to the applicable dividend payment date.

If we determine not to pay any dividend or a full dividend with respect to the series A preferred stock, we are required to provide written notice to the holders of shares of series A preferred stock prior to the applicable dividend payment date.

We depend on dividends, distributions and other payments from our banking subsidiary, Washington Federal Savings, to fund dividend payments on our common and preferred stock. Federal banking laws limit the amount of dividends or other capital distributions that a savings and loan association, such as Washington Federal Savings, may pay. In addition, we are subject to Washington state laws relating to the payment of dividends.

Table of Contents

Priority of Dividends

With respect to the payment of dividends and the amounts to be paid upon liquidation, the series A preferred stock will rank:

senior to our common stock and all other equity securities designated as ranking junior to the series A preferred stock; and

at least equally with all other equity securities designated as ranking on a parity with the series A preferred stock, or parity stock, with respect to the payment of dividends and distribution of assets upon any liquidation, dissolution or winding-up of Washington Federal.

So long as any shares of series A preferred stock remain outstanding, unless all accrued and unpaid dividends for all prior dividend periods have been paid or are contemporaneously declared and paid in full, no dividend whatsoever shall be paid or declared on Washington Federal's common stock or other junior stock, other than a dividend payable solely in common stock. We and our subsidiaries also may not purchase, redeem or otherwise acquire for consideration any shares of our common stock or other junior stock unless we have paid in full all accrued dividends on the series A preferred stock for all prior dividend periods, other than:

purchases, redemptions or other acquisitions of our common stock or other junior stock in connection with the administration of our employee benefit plans in the ordinary course of business pursuant to a publicly announced repurchase plan up to the increase in diluted shares outstanding resulting from the grant, vesting or exercise of equity-based compensation;

purchases or other acquisitions by broker-dealer subsidiaries of Washington Federal solely for the purpose of market-making, stabilization or customer facilitation transactions in junior stock or parity stock in the ordinary course of its business;

purchases or other acquisitions by broker-dealer subsidiaries of Washington Federal for resale pursuant to an offering by Washington Federal of our stock that is underwritten by the related broker-dealer subsidiary;

any dividends or distributions of rights or junior stock in connection with any shareholders' rights plan or repurchases of rights pursuant to any shareholders' rights plan;

acquisition of record ownership of junior stock or parity stock for the beneficial ownership of any other person who is not Washington Federal or a subsidiary of Washington Federal, including as trustee or custodian; and

the exchange or conversion of junior stock for or into other junior stock or of parity stock for or into other parity stock or junior stock but only to the extent that such acquisition is required pursuant to binding contractual agreements entered into before November 14, 2008 or any subsequent agreement for the accelerated exercise, settlement or exchange thereof for common stock.

If we repurchase shares of series A preferred stock from a holder other than the initial selling securityholder, we must offer to repurchase a ratable portion of the series A preferred stock then held by the initial selling securityholder.

Table of Contents

On any dividend payment date for which full dividends are not paid, or declared and funds set aside therefor, on the series A preferred stock and any other parity stock, all dividends paid or declared for payment on that dividend payment date (or, with respect to parity stock with a different dividend payment date, on the applicable dividend date therefor falling within the dividend period and related to the dividend payment date for the series A preferred stock), with respect to the series A preferred stock and any other parity stock shall be declared ratably among the holders of any such shares who have the right to receive dividends, in proportion to the respective amounts of the undeclared and unpaid dividends relating to the dividend period.

Subject to the foregoing, such dividends (payable in cash, stock or otherwise) as may be determined by our board of directors (or a duly authorized committee of the board) may be declared and paid on our common stock and any other stock ranking equally with or junior to the series A preferred stock from time to time out of any funds legally available for such payment, and the series A preferred stock shall not be entitled to participate in any such dividend.

Redemption

The series A preferred stock may not be redeemed prior to November 15, 2011 unless we have received aggregate gross proceeds from one or more qualified equity offerings (as described below) equal to \$50 million, which equals 25% of the aggregate liquidation amount of the series A preferred stock on the date of issuance. In such a case, we may redeem the series A preferred stock, subject to the approval of Office of Thrift Supervision, or OTS, in whole or in part, upon notice as described below, up to a maximum amount equal to the aggregate net cash proceeds received by us from such qualified equity offerings. A qualified equity offering is a sale and issuance for cash by us, to persons other than Washington Federal or its subsidiaries after November 14, 2008, of shares of perpetual preferred stock, common stock or a combination thereof, that in each case qualify as tier 1 capital of Washington Federal at the time of issuance under the applicable risk-based capital guidelines of the OTS. Qualified equity offerings do not include issuances made in connection with acquisitions, issuances of trust preferred securities and issuances of common stock and/or perpetual preferred stock made pursuant to agreements or arrangements entered into, or pursuant to financing plans that were publicly announced, on or prior to October 13, 2008.

After November 15, 2011, the series A preferred stock may be redeemed at any time, subject to the approval of the OTS, in whole or in part, subject to notice as described below.

In any redemption, the redemption price is an amount equal to the per share liquidation amount plus accrued and unpaid dividends to but excluding the date of redemption.

The series A preferred stock will not be subject to any mandatory redemption, sinking fund or similar provisions. Holders of shares of series A preferred stock have no right to require the redemption or repurchase of the series A preferred stock. Our board of directors, or a duly authorized committee of the board of directors, have full power and authority to prescribe the terms and conditions upon which the series A preferred stock will be redeemed from time to time, subject to the provisions of the articles of amendment.

If fewer than all of the outstanding shares of series A preferred stock are to be redeemed, the shares to be redeemed will be selected either *pro rata* from the holders of record of shares of series A preferred stock in proportion to the number of shares held by those holders or in such other manner as our board of directors, or a committee of the board of directors, may determine to be fair and equitable.

Table of Contents

We will mail notice of any redemption of series A preferred stock by first class mail, postage prepaid, addressed to the holders of record of the shares of series A preferred stock to be redeemed at their respective last addresses appearing on our books. This mailing will be at least 30 days and not more than 60 days before the date fixed for redemption. Any notice mailed or otherwise given as described in this paragraph will be conclusively presumed to have been duly given, whether or not the holder receives the notice, and failure duly to give the notice by mail or otherwise, or any defect in the notice or in the mailing or provision of the notice, to any holder of series A preferred stock designated for redemption will not affect the redemption of any other series A preferred stock. Each notice of redemption will set forth the applicable redemption date, the redemption price, the place where shares of series A preferred stock are to be redeemed, and the number of shares of series A preferred stock to be redeemed (and, if less than all shares of series A preferred stock held by the applicable holder, the number of shares to be redeemed from the holder).

Shares of series A preferred stock that are redeemed, repurchased or otherwise acquired by us will revert to authorized but unissued shares of our preferred stock.

Liquidation Rights

In the event that we voluntarily or involuntarily liquidate, dissolve or wind up our affairs, holders of series A preferred stock will be entitled to receive an amount per share, referred to as the total liquidation amount, equal to the fixed liquidation preference of \$1,000 per share, plus any accrued and unpaid dividends, whether or not declared, to the date of payment. Holders of the series A preferred stock will be entitled to receive the total liquidation amount out of our assets that are available for distribution to shareholders, after payment or provision for payment of our debts and other liabilities but before any distribution of assets is made to holders of our common stock or any other shares ranking, as to that distribution, junior to the series A preferred stock.

If our assets are not sufficient to pay the total liquidation amount in full to all holders of series A preferred stock and all holders of any shares of outstanding parity stock, the amounts paid to the holders of series A preferred stock and other shares of parity stock will be paid *pro rata* in accordance with the respective total liquidation amount for those holders. If the total liquidation amount per share of series A preferred stock has been paid in full to all holders of series A preferred stock and other shares of parity stock, the holders of our common stock or any other shares ranking, as to such distribution, junior to the series A preferred stock will be entitled to receive all of our remaining assets according to their respective rights and preferences.

For purposes of the liquidation rights, neither the sale, conveyance, exchange or transfer of all or substantially all of our property and assets, nor the consolidation or merger by us with or into any other corporation or by another corporation with or into us, will constitute a liquidation, dissolution or winding-up of our affairs.

Voting Rights

Except as indicated below or otherwise required by law, the holders of series A preferred stock will not have any voting rights.

Election of Two Directors upon Non-Payment of Dividends. If the dividends on the series A preferred stock have not been paid for an aggregate of six quarterly dividend periods or more (whether or not consecutive), the authorized number of directors then constituting our board of directors will be increased by two. Holders of series A preferred stock, together with the holders of any outstanding parity stock with like voting rights, referred to as voting parity stock, voting as a single class, will be entitled to

Table of Contents

elect the two additional members of our board of directors, referred to as the preferred stock directors, at the next annual meeting (or at a special meeting called for the purpose of electing the preferred stock directors prior to the next annual meeting) and at each subsequent annual meeting until all accrued and unpaid dividends for all past dividend periods have been paid in full. Upon payment in full of all accrued and unpaid dividends, the right to elect preferred stock directors will terminate, subject to revesting in the event that dividends on the series A preferred are not paid for an aggregate of six quarterly dividend payments. The election of any preferred stock director is subject to the qualification that the election would not cause us to violate the corporate governance requirement of the Nasdaq Global Select Market (or any other exchange on which our securities may be listed) that listed companies must have a majority of independent directors.

Upon the termination of the right of the holders of series A preferred stock and voting parity stock to vote for preferred stock directors, the individuals serving as preferred stock directors will immediately cease to be qualified as directors, their term of office shall terminate immediately and the number of authorized directors of Washington Federal will be reduced by the number of preferred stock directors that the holders of series A preferred stock and voting parity stock had been entitled to elect. The holders of a majority of shares of series A preferred stock and voting parity stock, voting as a class, may remove any preferred stock director, with or without cause, and the holders of a majority of the shares series A preferred stock and voting parity stock, voting as a class, may fill any vacancy created by the removal of a preferred stock director. If the office of a preferred stock director becomes vacant for any other reason, the remaining preferred stock director may choose a successor to fill such vacancy for the remainder of the unexpired term.

Other Voting Rights. So long as any shares of series A preferred stock are outstanding, in addition to any other vote or consent of shareholders required by law or by our restated articles of incorporation, as amended, the vote or consent of the holders of at least 66 2/3% of the shares of series A preferred stock at the time outstanding, voting separately as a single class, given in person or by proxy, either in writing without a meeting or by vote at any meeting called for the purpose, shall be necessary for effecting or validating:

any amendment or alteration of the articles of amendment for the series A preferred stock or our restated articles of incorporation, as amended, to authorize or create or increase the authorized amount of, or any issuance of, any shares of, or any securities convertible into or exchangeable or exercisable for shares of, any class or series of capital stock ranking senior to the series A preferred stock with respect to payment of dividends and/or distribution of assets on any liquidation, dissolution or winding up of Washington Federal;

any amendment, alteration or repeal of any provision of the articles of amendment for the series A preferred stock or our restated articles of incorporation, as amended, so as to adversely affect the rights, preferences, privileges or voting powers of the series A preferred stock; or

any consummation of a binding share exchange or reclassification involving the series A preferred stock or of a merger or consolidation of Washington Federal with another entity, unless the shares of series A preferred stock remain outstanding following any such transaction or, if Washington Federal is not the surviving entity, are converted into or exchanged for preference securities and such remaining outstanding shares of series A preferred stock or preference securities have rights, references, privileges and voting powers that are not materially less favorable than the rights, preferences, privileges or voting powers of the series A preferred stock, taken as a whole.

Table of Contents

To the extent of the voting rights of the series A preferred stock, each holder of series A preferred stock will have one vote for each \$1,000 of liquidation preference to which such holder's shares of series A preferred stock are entitled.

The foregoing voting provisions will not apply if, at or prior to the time when the vote or consent would otherwise be required, all outstanding shares of series A preferred stock have been redeemed or called for redemption upon proper notice and sufficient funds have been set aside by us for the benefit of the holders of series A preferred stock to effect the redemption.

DESCRIPTION OF WARRANT TO PURCHASE COMMON STOCK

The following is a brief description of the terms of the warrant that may be resold by the selling securityholders. This summary does not purport to be complete in all respects. This description is subject to and qualified in its entirety by reference to the warrant, a copy of which has been filed with the SEC and is also available upon request from us.

Shares of Common Stock Subject to the Warrant

The warrant is initially exercisable for 1,707,456 shares of our common stock. If we complete one or more qualified equity offerings on or prior to December 31, 2009 that result in our receipt of aggregate gross proceeds of not less than \$200 million, which is equal to 100% of the aggregate liquidation preference of the series A preferred stock, the number of shares of common stock underlying the warrant then held by the selling securityholders will be reduced by 50% to 853,728 shares. The number of shares subject to the warrant are subject to the further adjustments described below under the heading *Adjustments to the Warrant*.

Exercise of the Warrant

The initial exercise price applicable to the warrant is \$17.57 per share of common stock for which the warrant may be exercised. The warrant may be exercised at any time on or before November 14, 2018 by surrender of the warrant and a completed notice of exercise attached as an annex to the warrant and the payment of the exercise price for the shares of common stock for which the warrant is being exercised. The exercise price may be paid either by the withholding by Washington Federal of such number of shares of common stock issuable upon exercise of the warrant equal to the value of the aggregate exercise price of the warrant determined by reference to the market price of our common stock on the trading day on which the warrant is exercised or, if agreed to by us and the warrant holder, by the payment of cash equal to the aggregate exercise price. The exercise price applicable to the warrant is subject to the further adjustments described below under the heading *Adjustments to the Warrant*.

Upon exercise of the warrant, certificates for the shares of common stock issuable upon exercise will be issued to the warrant holder. We will not issue fractional shares upon any exercise of the warrant. Instead, the warrant holder will be entitled to a cash payment equal to the market price of our common stock on the last day preceding the exercise of the warrant (less the pro-rated exercise price of the warrant) for any fractional shares that would have otherwise been issuable upon exercise of the warrant. We will at all times reserve the aggregate number of shares of our common stock for which the warrant may be exercised. We have listed the shares of common stock issuable upon exercise of the warrant with the Nasdaq Global Select Market.

Table of Contents

Rights as a Shareholder

The warrant holder shall have no rights or privileges of the holders of our common stock, including any voting rights, until (and then only to the extent) the warrant has been exercised.

Transferability

The initial selling securityholder may not transfer a portion of the warrant with respect to more than 853,728 shares of common stock until the earlier of the date on which Washington Federal has received aggregate gross proceeds from a qualified equity offering of at least \$200 million and December 31, 2009. The warrant, and all rights under the warrant, are otherwise transferable.

Adjustments to the Warrant

Adjustments in Connection with Stock Splits, Subdivisions, Reclassifications and Combinations. The number of shares for which the warrant may be exercised and the exercise price applicable to the warrant will be proportionately adjusted in the event we pay dividends or make distributions of our common stock, subdivide, combine or reclassify outstanding shares of our common stock.

Anti-dilution Adjustment. Until the earlier of November 14, 2011 and the date the initial selling securityholder no longer holds the warrant (and other than in certain permitted transactions described below), if we issue any shares of common stock (or securities convertible or exercisable into common stock) for less than 90% of the market price of the common stock on the last trading day prior to pricing such shares, then the number of shares of common stock into which the warrant is exercisable and the exercise price will be adjusted. Permitted transactions include issuances:

as consideration for or to fund the acquisition of businesses and/or related assets;

in connection with employee benefit plans and compensation related arrangements in the ordinary course and consistent with past practice approved by our board of directors;

in connection with public or broadly marketed offerings and sales of common stock or convertible securities for cash conducted by us or our affiliates pursuant to registration under the Securities Act, or Rule 144A thereunder on a basis consistent with capital-raising transactions by comparable financial institutions (but do not include other private transactions); and

in connection with the exercise of preemptive rights on terms existing as of November 14, 2008.

Other Distributions. If we declare any dividends or distributions other than our historical, ordinary cash dividends, the exercise price of the warrant will be adjusted to reflect such distribution.

Certain Repurchases. If we affect a *pro rata* repurchase of common stock both the number of shares issuable upon exercise of the warrant and the exercise price will be adjusted.

Business Combinations. In the event of a merger, consolidation or similar transaction involving Washington Federal and requiring shareholder approval, the warrant holder's right to receive shares of our common stock upon exercise of the warrant shall be converted into the right to exercise the warrant for the consideration that would have been payable to the warrant holder with respect to the shares of common stock for which the warrant may be exercised, as if the warrant had been exercised prior to such merger, consolidation or similar transaction.

DESCRIPTION OF COMMON STOCK

General

The following is a brief description of our common stock that may be resold by the selling securityholders. This summary does not purport to be complete in all respects. This description is subject to and qualified in its entirety by reference to our restated articles of incorporation, as amended, a copy of which has been filed with the SEC and is also available upon request from us.

We have 300,000,000 shares of authorized common stock, \$1.00 par value per share, of which 87,978,527 shares were outstanding as of December 10, 2008.

Each share of our common stock is entitled to one vote on all matters submitted to a vote at any meeting of shareholders. Holders of our common stock are entitled to receive dividends as may be declared by our board of directors out of funds legally available therefore and, upon liquidation, to receive pro rata our assets, if any, available for distribution after the payment of creditors and the preferences of series A preferred stock, and any other class or series of preferred stock outstanding at the time of liquidation. Holders of our common stock have no preemptive rights to subscribe for any additional securities of any class that we may issue, nor any conversion, redemption or sinking fund rights. Holders of our common stock have the right to cumulate votes in the election of directors. The rights and privileges of holders of our common stock are subject to any preferences that our board of directors may set for any series of our preferred stock that we may issue in the future. We pay dividends on our common stock only if we have paid or provided for all dividends on our outstanding series of preferred stock, for the then current period and, in the case of any cumulative preferred stock, all prior periods.

Our series A preferred stock has, and any other series of preferred stock upon issuance will have, preference over our common stock with respect to the payment of dividends and the distribution of assets in the event of our liquidation or dissolution. Our preferred stock also has such other preferences as currently, or as may be, fixed by our board of directors.

Holders of our common stock are entitled to one vote for each share that they hold and are vested with all of the voting power except as our board of directors has provided, or may provide in the future, with respect to preferred stock or any other class or series of preferred stock that the board of directors may hereafter authorize. Shares of our common stock are not redeemable, and have no subscription, conversion or preemptive rights.

Our common stock is listed on the Nasdaq Global Select Market. Holders of our common stock are not, and will not be, subject to any liability as shareholders.

Transfer Agent and Registrar

The transfer agent and registrar for our common stock is American Stock Transfer & Trust Company.

Restrictions on Ownership

Federal law generally provides that no person or company, acting directly or indirectly or through or in concert with one or more other persons, may acquire control of a savings and loan holding company, such as Washington Federal, without the prior approval of the OTS. Generally, a person or a

Table of Contents

company will be deemed to control a savings and loan holding company if it (i) acquires more than 25% of any class of the voting securities of the savings and loan holding company or (ii) controls the election of a majority of the directors of the savings and loan holding company. A person or company will be deemed to control, subject to rebuttal, a savings and loan holding company if it (i) acquires more than 10% of any class of voting stock of the savings and loan holding company or (ii) acquires more than 25% of any class of stock (voting or non-voting) of the savings and loan holding company and in each of case is subject to any of the control factors established by the OTS. In addition, a person or company will be deemed to control, subject to rebuttal, a savings and loan holding company if it holds any combination of voting stock and proxies representing more than 25% of any class of voting stock of the savings and loan holding company that enables it to: (i) elect one-third or more of the savings and loan holding company's board of directors; (ii) cause the savings and loan holding company's stockholders to approve an acquisition or corporate reorganization; or (iii) exert a continuing influence on a material aspect of the business operations of the savings and loan holding company.

PLAN OF DISTRIBUTION

The selling securityholders and their successors, including their transferees, may sell the securities directly to purchasers or through underwriters, broker-dealers or agents, who may receive compensation in the form of discounts, concessions or commissions from the selling securityholders or the purchasers of the securities. These discounts, concessions or commissions as to any particular underwriter, broker-dealer or agent may be in excess of those customary in the types of transactions involved.

The securities may be sold in one or more transactions at fixed prices, at prevailing market prices at the time of sale, at varying prices determined at the time of sale or at negotiated prices. These sales may be affected in transactions, which may involve crosses or block transactions:

on any national securities exchange or quotation service on which the preferred stock or the common stock may be listed or quoted at the time of sale, including, as of the date of this prospectus, the Nasdaq Global Select Market in the case of the common stock;

in the over-the-counter market;

in transactions otherwise than on these exchanges or services or in the over-the-counter market; or

through the writing of options, whether the options are listed on an options exchange or otherwise.

In addition, any securities that qualify for sale pursuant to Rule 144 under the Securities Act may be sold under Rule 144 rather than pursuant to this prospectus.

In connection with the sale of the securities or otherwise, the selling securityholders may enter into hedging transactions with broker-dealers, which may in turn engage in short sales of the common stock issuable upon exercise of the warrant in the course of hedging the positions they assume. The selling securityholders may also sell short the common stock issuable upon exercise of the warrant and deliver common stock to close out short positions, or loan or pledge the series A preferred stock or the common stock issuable upon exercise of the warrant to broker-dealers that in turn may sell these securities.

Table of Contents

The aggregate proceeds to the selling securityholders from the sale of the securities will be the purchase price of the securities less discounts and commissions, if any.

In effecting sales, broker-dealers or agents engaged by the selling securityholders may arrange for other broker-dealers to participate. Broker-dealers or agents may receive commissions, discounts or concessions from the selling securityholders in amounts to be negotiated immediately prior to the sale.

In offering the securities covered by this prospectus, the selling securityholders and any broker-dealers who execute sales for the selling securityholders may be deemed to be underwriters within the meaning of Section 2(a)(11) of the Securities Act in connection with such sales. Any profits realized by the selling securityholders and the compensation of any broker-dealer may be deemed to be underwriting discounts and commissions. Selling securityholders who are underwriters within the meaning of Section 2(a)(11) of the Securities Act will be subject to the prospectus delivery requirements of the Securities Act and may be subject to certain statutory and regulatory liabilities, including liabilities imposed pursuant to Sections 11, 12 and 17 of the Securities Act and Rule 10b-5 under the Securities Exchange Act of 1934, or the Exchange Act.

In order to comply with the securities laws of certain states, if applicable, the securities must be sold in such jurisdictions only through registered or licensed brokers or dealers. In addition, in certain states the securities may not be sold unless they have been registered or qualified for sale in the applicable state or an exemption from the registration or qualification requirement is available and is complied with.

The anti-manipulation rules of Regulation M under the Exchange Act may apply to sales of securities pursuant to this prospectus and to the activities of the selling securityholders. In addition, we will make copies of this prospectus available to the selling securityholders for the purpose of satisfying the prospectus delivery requirements of the Securities Act, which may include delivery through the facilities of the Nasdaq Global Select Market pursuant to Rule 153 under the Securities Act.

At the time a particular offer of securities is made, if required, a prospectus supplement will set forth the number and type of securities being offered and the terms of the offering, including the name of any underwriter, dealer or agent, the purchase price paid by any underwriter, any discount, commission and other item constituting compensation, any discount, commission or concession allowed or reallocated or paid to any dealer, and the proposed selling price to the public.

Neither the series A preferred stock nor the warrant is listed on an exchange. Unless requested by the initial selling securityholder, we do not intend to list the series A preferred stock on any exchange. We do not intend to list the warrant on any exchange. No assurance can be given as to the liquidity of the trading market, if any, for the series A preferred stock.

We have agreed to indemnify the selling securityholders against certain liabilities, including certain liabilities under the Securities Act. We have also agreed, among other things, to bear substantially all expenses (other than underwriting discounts and selling commissions) in connection with the registration and sale of the securities covered by this prospectus.

SELLING SECURITYHOLDERS

On November 14, 2008, we issued the securities covered by this prospectus to the United States Department of the Treasury, which is the initial selling securityholder under this prospectus, in a transaction exempt from the registration requirements of the Securities Act. The initial selling securityholder, or its successors, including transferees, may from time to time offer and sell, pursuant to

Table of Contents

this prospectus or a supplement to this prospectus, any or all of the securities they own. The securities to be offered under this prospectus for the account of the selling securityholders are:

200,000 shares of series A preferred stock, representing beneficial ownership of 100% of the shares of series A preferred stock outstanding on the date of this prospectus;

a warrant to purchase 1,707,456 shares of our common stock, representing beneficial ownership of approximately 1.9% of our common stock as of December 10, 2008; and

1,707,456 shares of our common stock issuable upon exercise of the warrant, which shares, if issued, would represent ownership of approximately 1.9% of our common stock as of December 10, 2008.

For purposes of this prospectus, we have assumed that, after completion of the offering covered by this prospectus, none of the securities covered by this prospectus will be held by the selling securityholders.

Beneficial ownership is determined in accordance with the rules of the SEC and includes voting or investment power with respect to the securities. To our knowledge, the initial selling securityholder has sole voting and investment power with respect to the securities.

We do not know when or in what amounts the selling securityholders may offer the securities for sale. The selling securityholders might not sell any or all of the securities offered by this prospectus. Because the selling securityholders may offer all or some of the securities pursuant to this offering, and because currently no sale of any of the securities is subject to any agreements, arrangements or understandings, we cannot estimate the number of the securities that will be held by the selling securityholders after completion of the offering.

Other than with respect to the acquisition of the securities, the initial selling securityholder has not had a material relationship with us.

Information about the selling securityholders may change over time and changed information will be set forth in supplements to this prospectus if and when necessary.

LEGAL MATTERS

The validity of the series A preferred stock, the warrant and the common stock offered hereby will be passed upon for us by Patton Boggs LLP.

Item 15. Indemnification of Directors and Officers.

Section 23B.08.320 of the Washington Business Corporation Act (WBCA) provides that the personal liability of directors and officers to a corporation imposed by Section 23B.08.310 of the WBCA may be eliminated by the articles of incorporation of the corporation, except in the case of acts or omissions involving certain types of conduct. In Article VI of our Bylaws, we have elected to indemnify and hold harmless our directors and officers to the extent permitted by law. Thus, our directors or officers are not personally liable to us or our shareholders for monetary damages for conduct as a director or officer, except for liability (i) for acts or omissions finally adjudged to be intentional misconduct or a knowing violation of law, (ii) for conduct finally adjudged to be in violation of Section 23B.08.310 of the WBCA, or (iii) for any transaction for which it was finally adjudged that the director or officer personally received a benefit in money, property or services to which such person was not legally entitled. If Washington law is amended to authorize corporate action that further eliminates or limits the liability of directors or officers, then the liability of our directors and officers will be eliminated or limited to the fullest extent permitted by Washington law, as so amended.

Section 23B.08.560 of the WBCA provides that if authorized by (i) the articles of incorporation, (ii) a bylaw adopted or ratified by the shareholders, or (iii) a resolution adopted or ratified, before or after the event, by the shareholders, a corporation will have the power to indemnify directors made party to a proceeding, or to obligate itself to advance or reimburse expenses incurred in a proceeding, without regard to the limitations on indemnification contained in Sections 23B.08.510 through 23B.08.550 of the WBCA, provided that no such indemnity shall indemnify any director (i) for acts or omissions that involve intentional misconduct or a knowing violation of law, (ii) for conduct violating Section 23B.08.310 of the WBCA, or (iii) for any transaction from which the indemnitee will personally receive a benefit in money, property or services to which such person is not legally entitled.

Pursuant to Article VI of our Bylaws, we will, subject to certain exceptions, indemnify and defend our directors, officers or employees against all expense, liability or loss actually and reasonable incurred or suffered in connection with any actual or threatened action, suit or proceeding relating to service for or at our request, including without limitation, liability under the Securities Act. We will not indemnify a director or officer from or on account of acts or omissions of such person which are finally adjudged to be intentional misconduct or a knowing violation of the law, for conduct finally adjudged to

be in violation of Section 23B.08.310 of the WBCA, or for any transaction with respect to which it is finally adjudged that such person personally received a benefit in money, property or services to which he or she was not entitled.

Also, pursuant to Article VI of our Bylaws, we may, by action of our Board of Directors, provide indemnification and pay expenses to our directors, officers, employees and agents or another corporation, partnership, joint venture, trust or other enterprise with the same scope and effect as above described in relation to directors. Insofar as indemnification for liabilities arising under the Securities Act may be permitted to our directors, officers or persons controlling Washington Federal pursuant to the provisions described above, we have been informed that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act and is therefore unenforceable.

The undersigned registrant hereby undertakes:

- (1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

Table of Contents

(i) to include any prospectus required by Section 10(a)(3) of the Securities Act of 1933, as amended (the Securities Act of 1933);

(ii) to reflect in the prospectus any facts or events arising after the effective date of this registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this registration statement. Notwithstanding the foregoing, any increase or decrease in the volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20 percent change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement; and

(iii) to include any material information with respect to the plan of distribution not previously disclosed in this registration statement or any material change to such information in this registration statement;

provided, however, that paragraphs (1)(i), (1)(ii) and (1)(iii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934, as amended (the Exchange Act), that are incorporated by reference in this registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of this registration statement.

(2) That, for the purposes of determining any liability under the Securities Act of 1933, each post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at the time shall be deemed to be the initial *bona fide* offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser:

(i) each prospectus filed by a registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and

(ii) each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5), or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii) or (x) for the purpose of providing the information required by Section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof. *Provided, however*, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference

Table of Contents

into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.

(5) That, for the purpose of determining liability of a registrant under the Securities Act of 1933 to any purchaser in the initial distribution of the securities:

The undersigned registrant undertakes that in a primary offering of securities of the undersigned registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

(i) any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424;

(ii) any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant;

(iii) the portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or its securities provided by or on behalf of the undersigned Registrant; and

(iv) any other communication that is an offer in the offering made by the undersigned registrant to the purchaser.

The registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in this registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the indemnification provisions described herein, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.
