Item 2.02. Results of Operations and Financial Condition.

The following information is furnished pursuant to Item 2.02 (Results of Operations and Financial Condition). This information shall not be deemed filed for purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the Exchange Act), or incorporated in any filing under the Securities Act of 1933, as amended, or the Exchange Act, except as shall be expressly set forth by specific reference in such a filing.

On January 27, 2009, CSG Systems International, Inc. (CSG) issued a press release relating to the results of its operations for the quarter and year ended December 31, 2008. A copy of such press release is attached to this Form 8-K as Exhibit 99.1 and hereby incorporated by reference.

In the attached press release, CSG makes reference to non-GAAP earnings per diluted share from continuing operations (Non-GAAP EPS). Non-GAAP EPS is not a measure of performance under GAAP, and therefore should not be considered in isolation or as a substitute for GAAP EPS. There are limitations with the use of non-GAAP financial measures since they are not based on any comprehensive set of accounting rules or principles. Additionally, the way in which CSG calculates Non-GAAP EPS may differ from the way in which other companies calculate Non-GAAP EPS. A reconciliation of the Non-GAAP EPS measure to the comparable GAAP EPS financial measure is contained in the attached press release and will be posted to the Company's website at www.csgsystems.com.
