Item 1.01 Entry into a Material Definitive Agreement.

On July 17, 2009, Fresh Del Monte Produce Inc., an exempted company duly incorporated under the laws of the Cayman Islands (the Company), and certain of its subsidiaries entered into a 3.5 year, \$500 million syndicated senior secured revolving credit facility agreement (the Revolving Credit Facility) maturing on January 17, 2013 with the financial institutions and other lenders named therein, including Cooperatieve Centrale Raiffeisen-Boerenleenbank B.A., Rabobank Nederland, New York Branch as administrative agent and lead arranger, Rabobank Nederland, Bank of America, N.A., SunTrust Robinson Humphrey, Inc., U.S. Bank National Association and ING Capital LLC as joint bookrunners, Bank of America, N.A. and SunTrust Bank as co-syndication agents, U.S. Bank National Association and ING Capital LLC as co-documentation agents, and Agfirst Farm Credit Bank as managing agent. The facility includes a swing line facility and a letter of credit facility with a \$100 million sublimit.

The Revolving Credit Facility amends and restates the Company's existing amended and restated credit agreement dated March 21, 2003 (the Existing Credit Facility) in its entirety, and replaces the departing lenders. The Existing Credit Facility included a revolving commitment of \$600.0 million expiring on November 10, 2009 and a term loan commitment maturing on May 10, 2011.

The Revolving Credit Facility, which was used to refinance the Existing Credit Facility, has \$333.4 million outstanding, comprised of \$304.3 million in loans and \$29.1 million applied to the letter of credit facility. Unused commitments of \$166.6 million are available for working capital needs, general corporate purposes and other uses. The Company did not incur any prepayment penalties in connection with the refinancing of the Existing Credit Facility.

Borrowings under the Revolving Credit Facility will at the Company's discretion bear interest at either a base rate or a spread over the London Interbank Offer Rate (LIBOR), plus, in each case a margin that varies with the Company's leverage ratio. The base rate is defined as the greatest of the Rabobank Nederland base rate, 0.5% per annum above the Federal Funds Rate, or LIBOR plus 1%. Based on the Company's current leverage ratio, the applicable margin would be 3% for a LIBOR based loan and 1.75% for a base rate loan. The Company is also required to pay a facility fee on the unused commitment amount at a rate per annum that is also based on the Company's leverage ratio. Based on the Company's current leverage ratio, the margin on the facility fee would be 0.625%.

The Revolving Credit Facility is collateralized directly or indirectly by substantially all of the Company's assets and is guaranteed by certain of the Company's subsidiaries.

The Revolving Credit Facility contains customary covenants for transactions of this type applicable to the Company and its subsidiaries, including limitations on the amount and types of liens and indebtedness, material asset sales and mergers. Most of the restrictions are subject to certain minimum thresholds and exceptions. The Revolving Credit Facility also contains the following financial covenants applicable to the Company and its subsidiaries on a consolidated basis:

- a. A leverage ratio of not more than 3.50 to 1.00.
- b. A minimum tangible net worth.
- c. A minimum interest coverage of not less than 3.00 to 1.00.
- d. A limit on capital expenditures.

The Revolving Credit Facility also contains customary events of default. Upon the occurrence of an event of default, the outstanding obligations under the Revolving Credit Facility may be accelerated and become immediately due and payable and the unused commitments may be terminated.

The Company has other commercial relationships with certain parties to the Revolving Credit Facility described herein. Several of the lenders or their affiliates furnish general financing and banking services to the Company.

A copy of the Company's press release announcing the Revolving Credit Facility is filed as Exhibit 99.1 to this Form 8-K. A copy of the Revolving Credit Facility agreement is also filed as Exhibit 10.1 to this Form 8-K.
