Item 1.01 Entry into a Material Definitive Agreement.

On December 17, 2009 (the Closing Date), HUGHES Telematics, Inc. (the Company) entered into a credit agreement (the Second Lien Credit Agreement) with Plase HT, LLC (Plase), as administrative agent, collateral agent and original lender, pursuant to which Plase made a \$15.0 million loan to the Company and was issued a warrant as described in greater detail in Item 2.03 below. In addition, on December 18, 2009, the Company converted an approximately \$8.3 million trade payable balance owed to Hughes Network Systems, LLC (HNS) into a senior unsecured promissory note (the HNS Note) as described in greater detail in Section 2.03 below.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

On the Closing Date, the Company entered into the Second Lien Credit Agreement with Plase, as administrative agent, collateral agent and original lender, pursuant to which Plase made a \$15.0 million loan to the Company. Plase is an affiliate of Apollo Global Management, LLC, the Company's controlling stockholder. The loans under the Second Lien Credit Agreement bear interest at 9.0% per annum, payable-in-kind, and are guaranteed by all of the Company's existing and future domestic subsidiaries. The loans are secured by a second priority lien on substantially all of the Company's tangible and intangible assets, including the equity interests of the Company's subsidiaries. The liens granted in connection with the Second Lien Credit Agreement are expressly subject and subordinated to the liens securing the Company's obligations under its Amended and Restated Credit Agreement dated as of March 31, 2008 (the First Lien Credit Agreement) with Morgan Stanley Senior Funding, Inc. as administrative agent, Morgan Stanley & Co. Incorporated, as collateral agent, and the lenders from time to time party thereto.

In connection with the Second Lien Credit Agreement, the Company issued Plase a warrant to purchase 3,000,000 shares of the Company's common stock at an exercise price of \$6.00 per share (the Warrant) and entered into a customary registration rights agreement (the Registration Rights Agreement).

The covenants contained in the Second Lien Credit Agreement are substantially the same as those in the First Lien Credit Agreement. The Second Lien Credit Agreement requires the Company to comply with negative covenants which include, among others, limitations on the Company's ability to incur additional debt; create liens; pay dividends or make other distributions; make loans and investments; sell assets; redeem or repurchase capital stock or subordinated debt; engage in specified transactions with affiliates; consolidate or merge with or into, or sell substantially all of its assets to, another person; and enter into new lines of business. The Company may incur indebtedness beyond the specific limits allowed under the Second Lien Credit Agreement, provided it maintains a leverage ratio of less than 5.0 to 1.0. The events of default under the Second Lien Credit Agreement include, among others, payment defaults; defaults under, or acceleration of, certain indebtedness; termination of the Company's contract with Mercedes-Benz USA, LLC; breaches of covenants or representations and warranties; certain ERISA events; certain judgments; and bankruptcy and insolvency events. The occurrence of an event of default could result in the acceleration of the obligations under the Second Lien Credit Agreement.

In addition, on December 18, 2009, the Company converted an approximately \$8.3 million trade payable balance owed to HNS into the HNS Note. Such promissory note will accrue interest at a rate of 12% per annum and become due and payable on December 31, 2010. The Company is required to make scheduled principal payments of approximately \$0.8 million on April 15, 2010 and \$1.5 million on each of July 15, 2010 and October 15, 2010. In addition, subject to all restrictions in the First Lien Credit Agreement and Second Lien Credit Agreement and certain other limitations, to the extent the Company sells any capital equipment purchased by the Company (or purchased by HNS on the Company's behalf) for use in connection with the Telematics Agreement between the parties, but no longer needed by the Company, the Company shall make unscheduled prepayments of principal on the promissory note equal to the proceeds from the sale of such capital equipment (net of any selling costs).

The description of the Second Lien Credit Agreement and the Warrant, the Registration Rights Agreement and the HNS Note contained herein is qualified in its entirety by reference to the full text of such documents, copies of which are filed as exhibits hereto and are incorporated herein by reference.

Item 3.02 Unregistered Sales of Equity Securities.

On December 17, 2009, in connection with the execution of the Second Lien Credit Agreement, as described in Item 2.03 of this 8-K, the Company issued Plase a warrant to purchase 3,000,000 shares of common stock of the Company for \$6.00 per share, subject to certain customary anti-dilution provisions. The warrant expires on December 17, 2014. In addition, the Company executed the Registration Rights Agreement in connection with the issuance of the Warrant.

NOW, THEREFORE, the Borrower, the Lenders, the Administrative Agent and the Collateral Agent hereby agree as follows:

SECTION 1. Definitions and Accounting Terms.

SECTION 2. Amount and Terms of Credit.

2.01. The Commitments. (a) Subject to and upon the terms and conditions set forth herein, each Lender with a Closing Date Loan Commitment severally agreed to make a term loan (each, a Closing Date Loan and, collectively, the Closing Date Loans) to the Borrower, which Closing Date Loans (i) were incurred pursuant to a single drawing on the Closing Date, (ii) were denominated in Dollars and (iii) were made by each such Lender in that aggregate principal amount which did not exceed the Closing Date Commitment of such Lender on the Closing Date. Once repaid, Closing Date Loans incurred hereunder may not be reborrowed. It is agreed and acknowledged that a Closing Date Loan in the aggregate principal amount of \$15,000,000 was made to the Borrower as of the Closing Date by the Closing Date Lenders in accordance with the terms of this Section 2.01(a).

(b) [Reserved]

(c) Subject to and upon the terms and conditions set forth herein, each Lender with an Incremental Loan Commitment for a given Tranche of Incremental Loans severally agrees to make a term loan or term loans (each, an Incremental Loan and, collectively, the Incremental Loans) to the Borrower, which Incremental Loans (i) shall be incurred pursuant to a single drawing of such Tranche on the respective Incremental Loan Borrowing Date, (ii) shall be denominated in Dollars and (iii) shall be made by each such Lender in that aggregate principal amount which does not exceed the Commitment of such Lender on the respective Incremental Loan Borrowing Date. Once repaid, Incremental Loans incurred hereunder may not be reborrowed.

2.02. [Reserved].

2.03. [Reserved].

2.04. Disbursement of Funds. No later than 1:00 P.M. (New York City time) on the Closing Date, each Lender will make available its pro rata portion (determined in accordance with Section 2.07) of the Loans requested to be made on such date. All such amounts will be made available in Dollars and in immediately available funds at the Payment Office, and the Administrative Agent will make available to the Borrower at the Payment Office the aggregate of the amounts so made available by the Lenders.

2.05. Notes. (a) The Borrower's obligation to pay the principal of, and interest on, the Loans made by each Lender shall be evidenced in the Register maintained by the Administrative Agent pursuant to Section 11.15 and shall, if requested by such Lender, also be evidenced by a promissory note duly executed and delivered by the Borrower substantially in the form of Exhibit B, with blanks appropriately completed in conformity herewith (each, a Note and, collectively, the Notes).

(b) Each Lender will note on its internal records the amount of each Loan made by it (as well as any increase thereto as a result of the accretion of PIK interest) and each payment in respect thereof and prior to any transfer of any of its Notes will endorse on the reverse side thereof the outstanding principal amount of Loans evidenced thereby. Failure to make any such notation or any error in such notation shall not affect the Borrower's obligations in respect of such Loans. Although under no obligation to do so, any Lender may, following an increase in the outstanding principal amount of its Loans as a result of the accretion of PIK interest, request for a replacement Note in an aggregate principal amount which reflects such increase or increases (although any failure of a Lender to request such replacement Note shall in no event affect the Borrower's obligation to pay the entire principal amount of the Loans of such Lender).

(c) Notwithstanding anything to the contrary contained above in this Section 2.05 or elsewhere in this Agreement, Notes shall only be delivered to Lenders which at any time specifically request the delivery of such Notes. No failure of any Lender to request, obtain, maintain or produce a Note evidencing its Loans to the Borrower shall affect, or in any manner impair, the obligations of the Borrower to pay the Loans (and all related Obligations) incurred by the Borrower which would otherwise be evidenced thereby in accordance with the requirements of this Agreement, and shall not in any way affect the security or guaranties therefor provided pursuant to any Credit Document. Any Lender which does not have a Note evidencing its outstanding Loans shall in no event be required to make the notations otherwise described in preceding clause (b). At any time when any Lender requests the delivery of a Note to evidence any of its Loans, the Borrower shall promptly execute and deliver to the respective Lender the requested Note in the appropriate amount or amounts to evidence such Loans.

2.06. [Reserved].

2.07. Pro Rata Borrowings. (a) All Closing Date Loans under this Agreement were incurred from the Lenders with a Closing Date Loan Commitment on the Closing Date pro rata on the basis of their Closing Date Loan Commitments at such time. All Incremental Loans shall be incurred from the relevant Incremental Loan Lenders on the relevant Incremental Loan Borrowing Dates pro rata on the basis of the relevant Incremental Loan Commitment at such time. It is understood that no Lender shall be responsible for any default by any other Lender of its obligation to make Loans hereunder and that each Lender shall be obligated to make the Loans provided to be made by it hereunder, regardless of the failure of any other Lender to make its Loans hereunder.

(b) [Reserved]

2.08. Interest. (a) The Borrower agrees to pay interest in respect of the unpaid principal amount of each Loan from the date of Borrowing thereof until the maturity thereof (whether by acceleration or otherwise) at a fixed rate per annum equal to the PIK Interest Rate, which interest shall be payable quarterly in-kind (PIK interest). On each Interest Payment Date and the date any interest is demanded under Section 2.08(c) or otherwise hereunder, accrued interest shall be added to the principal amount of the Loans to which it relates on the relevant Interest Payment Date and (i) such accrued interest shall be deemed paid and (ii) the principal amount of the Loans as so increased shall be deemed Loans hereunder and under the other Credit Documents for all purposes, and shall thereafter accrue interest in accordance with the terms of this Agreement.

(b) [Reserved].

(c) Overdue principal and, to the extent permitted by law, overdue interest in respect of each Loan shall, in each case, bear interest at a rate per annum equal to the rate which is 2% in excess of the rate then borne by such Loans, and all other overdue amounts payable hereunder and under any other Credit Document shall bear interest at a rate per annum equal to the rate which is 2% in excess of the rate then borne by such Loans. Interest that accrues under this Section 2.08(c) shall be payable on demand in the manner provided in Section 2.08(a).

(d) Accrued (and theretofore unpaid) interest shall be payable, in respect of each Loan in the manner provided in Section 2.08(a), (x) quarterly in arrears on each Quarterly Payment Date, (y) on the date of any repayment or prepayment of Loans (on the amount repaid or prepaid), and (z) at maturity (whether by acceleration or otherwise) and, after such maturity, on demand (each such date, an Interest Payment Date).

2.09. [Reserved].

2.10. Increased Costs, Illegality, etc. (a) In the event that any Lender shall have determined (which determination shall, absent manifest error, be final and conclusive and binding upon all parties hereto at any time, that such Lender shall incur increased costs or reductions in the amounts received or receivable hereunder with respect to any Loan because of any change since the Closing Date in any applicable law or governmental rule, regulation, order, guideline or request (whether or not having the force of law) or in the interpretation or administration thereof

and including the introduction of any new law or governmental rule, regulation, order, guideline or request, such as, but not limited to (1) a change in the basis of taxation of payment to any Lender of the principal of or interest on the Loans or any other amounts payable hereunder (except for (x) Taxes with respect to which additional amounts are paid pursuant to Section 4.04 or would be payable but for the failure to provide the forms required to be provided in Section 4.04(b) or (y) changes in the rate of tax on, or determined by reference to, the net income or net profits of such Lender pursuant to the laws of the jurisdiction in which it is organized or in which its principal office or applicable lending office is located or any subdivision thereof or therein) or (2) a change in official reserve requirements

then, and in any such event, such Lender shall promptly give notice (by telephone promptly confirmed in writing) to the Borrower and the Administrative Agent of such determination (which notice the Administrative Agent shall promptly transmit to each of the other Lenders). Thereafter, the Borrower agrees to pay to such Lender, upon such Lender's written request therefore, and in the case of such amounts constituting interest, in the manner provided in Section 2.08(a), such additional amounts (in the form of an increased rate of, or a different method of calculating, interest or otherwise as such Lender in its sole discretion shall determine) as shall be required to compensate such Lender for such increased costs or reductions in amounts received or receivable hereunder (a written notice as to the additional amounts owed to such Lender, showing in reasonable detail the basis for the calculation thereof, submitted to the Borrower by such Lender shall, absent manifest error, be final and conclusive and binding on all the parties hereto).

(b) If any Lender determines that after the Closing Date the introduction of or any change in any applicable law or governmental rule, regulation, order, guideline, directive or request (whether or not having the force of law) concerning capital adequacy, or any change in interpretation or administration thereof by the NAIC or any Governmental Authority, central bank or comparable agency, will have the effect of increasing the amount of capital required or expected to be maintained by such Lender or any corporation controlling such Lender based on the existence of such Lender's Commitment hereunder or its obligations hereunder (to the extent reimbursement of such amounts are not provided for in Section 4.04(a)) or would have been provided for but for the failure to provide the forms required to be provided in Section 4.04(b) and other than changes in the rate of tax on, or determined by reference to, the net income or net profits of such Lender pursuant to the laws of the jurisdiction in which it is organized or in which its principal office or applicable lending office is located or any subdivision thereof or therein, then the Borrower agrees to pay to such Lender, upon its written demand therefore, and in the case of such amounts constituting interest, in the manner provided in Section 2.08(a), such additional amounts as shall be required to compensate such Lender or such other corporation for the increased cost to such Lender or such other corporation or the reduction in the rate of return to such Lender or such other corporation as a result of such increase of capital. In determining such additional amounts, each Lender will act reasonably and in good faith and will use averaging and attribution methods which are reasonable; provided that such Lender's determination of compensation owing under this Section 2.10(b) shall, absent manifest error, be final and conclusive and binding on all the parties hereto. Each Lender, upon determining that any additional amounts will be payable pursuant to this Section 2.10(b), will give prompt written notice thereof to the Borrower, which notice shall show in reasonable detail the basis for calculation of such additional amounts.

2.11. [Reserved].

2.12. Change of Lending Office. Each Lender agrees that on the occurrence of any event giving rise to the operation of Section 2.10(a), Section 2.10(b) or Section 4.04(a) with respect to such Lender, it will, if requested by the Borrower, use reasonable efforts (subject to overall policy considerations of such Lender) to designate another lending office for any Loans affected by such event; provided that such designation is made on such terms that such Lender and its lending office suffer no economic, legal or regulatory disadvantage, with the object of avoiding the consequence of the event giving rise to the operation of such Section. Nothing in this Section 2.12 shall affect or postpone any of the obligations of the Borrower or the right of any Lender provided in Sections 2.10 and 4.04(a).

2.13. Replacement of Lenders. (a) Upon the occurrence of any event giving rise to the operation of Section 2.10(a), Section 2.10(b) or Section 4.04 with respect to any Lender which (i) results in such Lender charging to the Borrower increased costs in excess of those being generally charged by the other Lenders, or (ii) are not charged by such Lender to its other borrowers that are similarly situated to the Borrower with respect to the event giving rise to the operation of Section 2.10(a), Section 2.10(b) or Section 4.04 (as applicable), or (b) in the case of a refusal by a Lender to consent to a proposed change, amendment waiver, discharge or termination with respect to this Agreement which has been approved by the Required Lenders as (and to the extent) provided in Section 11.12(b), the Borrower shall have the right, in accordance with Section 11.04(b), if no Default or Event of Default then exists or would exist after giving effect to such replacement, to replace such Lender (the Replaced Lender) with one or more other Eligible Transferees (collectively, the Replacement Lender) and each of which shall be reasonably acceptable to the Administrative Agent; provided that:

(i) at the time of any replacement pursuant to this Section 2.13, the Replacement Lender shall enter into one or more Assignment and Assumption Agreements pursuant to Section 11.04(b) (and with all fees payable pursuant to said Section 11.04(b) to be paid by the Borrower) pursuant to which the Replacement Lender shall acquire all of the outstanding Loans of the Replaced Lender and all Warrants held by the Replaced Lender and, in connection therewith, shall pay to the Replaced Lender in respect thereof an amount equal to the sum of (A) an amount equal to the principal of, and all accrued interest on, all outstanding Loans of the respective Replaced Lender and (B) and any other amounts payable to it hereunder and under the Loan Documents;

Upon receipt by the Replaced Lender of all amounts required to be paid to it pursuant to this Section 2.13, the Administrative Agent shall be entitled (but not obligated) and authorized to execute an Assignment and Assumption Agreement on behalf of such Replaced Lender, and any such Assignment and Assumption Agreement so executed by the Administrative Agent and the Replacement Lender shall be effective for purposes of this Section 2.13 and Section 11.04. Upon the execution of the respective Assignment and Assumption Agreement, the payment of amounts referred to in clauses (i) and (ii) above, recordation of the assignment on the Register by the Administrative Agent pursuant to Section 11.15 and, if so requested by the Replacement Lender, delivery to the Replacement Lender of the appropriate Note

7.15. Designation of Restricted and Unrestricted Subsidiaries. (a) By resolution of the Board of Directors of the Borrower, any Subsidiary (or entity to become a Subsidiary) of the Borrower may be designated to be an Unrestricted Subsidiary if:

(ii) Borrower would be permitted under Section 8.03 to make a Restricted Payment in an amount equal to the Fair Market Value of the Investment in such Subsidiary (or entity to become a Subsidiary). Unless so designated as an Unrestricted Subsidiary, any Person that becomes a Subsidiary of the Borrower will be classified as a Restricted Subsidiary at the time it becomes a Subsidiary. If at any time an Unrestricted Subsidiary ceases to satisfy clause (a)(i) above, unless the Borrower is then able to redesignate such Unrestricted Subsidiary as a Restricted Subsidiary in accordance with this Section 7.15, the Borrower shall be in default of this Section 7.15.

(b) Except as provided in this Section 7.15, and except as otherwise set forth in the definition of an Unrestricted Subsidiary, no Restricted Subsidiary may be redesignated as an Unrestricted Subsidiary. In addition, neither the Borrower nor any Restricted Subsidiary shall at any time be directly or indirectly liable for any Indebtedness that provides that the holder thereof may (with the passage of time or notice or both) declare a default thereon or cause the payment thereof to be accelerated or payable prior to its stated maturity upon the occurrence of a default with respect to any Indebtedness, Lien or other obligation of any Unrestricted Subsidiary (including any right to take enforcement action against such Unrestricted Subsidiary).

(c) By resolution of the Board of Directors, any Unrestricted Subsidiary may be designated to be a Restricted Subsidiary if, immediately after giving pro forma effect to such designation,

(x) the Borrower could incur at least \$1.00 of additional Indebtedness pursuant to Section 8.04(a) or, on a Pro Forma Basis, the Total Leverage Ratio following such designation would be less than the Total Leverage Ratio immediately prior to such designation; and

(y) no Default or Event of Default shall have occurred and be continuing or would result therefrom.

(d) Any such designation or redesignation will be evidenced to the Administrative Agent by delivering Board Resolutions giving effect to such designation or redesignation and an Officer's Certificate of the Borrower that:

(A) the Cumulative Available CNI Amount; plus

(B) 100% of the net cash proceeds from the sale of Equity Interests (other than Disqualified Stock) of the Borrower and cash capital contributions to the Borrower after the Closing Date by a Person who is not a Restricted Subsidiary, but only to the extent not required to prepay the Loans in accordance with Sections 4.02(c) and (i), and provided that such net cash proceeds shall only be included for the purposes of this Section 8.03(a) if and to the extent the cumulative principal amount of all Additional Funding Events (as defined in First-Lien Credit Agreement) prior to or concurrent with such sale or contribution (taking into account such amount of net cash proceeds if applicable) is equal to or greater than \$67,500,000 ; plus

(y) the Fair Market Value of the Investment of the Borrower and the Restricted Subsidiaries in an Unrestricted Subsidiary or other Person at the time such Unrestricted Subsidiary or other Person is designated a Restricted Subsidiary in accordance with the terms of this Agreement; provided, however, that the sum of sub clauses (A) and (B) described in this Section 8.03(a)(iii)(D) shall not exceed the sum of the amount of Investments made after the Closing Date and prior to the date of determination (and treated as a Restricted Payment) by the Borrower, or any Restricted Subsidiary in such Person.

(b) Notwithstanding the foregoing limitation, the Borrower may:

(i) pay dividends on its Equity Interests within 60 days of the declaration thereof if, on said declaration date, such dividends could have been paid in compliance with this Agreement (such dividend to be included in the calculation of the amount of Restricted Payments at the time such dividend is declared);

(iii) purchase, repurchase, redeem, legally defease, acquire or retire for value any Subordinated Obligations of the Borrower or any Guarantor in exchange for, or out of the proceeds of the substantially concurrent sale of, Permitted Refinancing Indebtedness; provided that such purchase, redemption, legal defeasance, acquisition or retirement shall not be included in the calculation of the amount of Restricted Payments;

(iv) so long as no Default has occurred and is continuing, repurchase or otherwise acquire shares of, or options to purchase shares of, Equity Interests of the Borrower or a Subsidiary Guarantor from their employees, former employees, directors or former directors, consultants or former consultants (or permitted transferees of such employees, former employees, directors or former directors or consultants or former consultants), pursuant to the terms of agreements (including, without limitation, employment agreements) or plans or in each case amendments thereto approved by the Board of Directors under which such individuals purchase or sell, or are granted the option to purchase or sell, shares of such Equity Interests; provided that the aggregate amount of all such repurchases and other acquisitions and dividends shall not exceed \$4,000,000 plus the proceeds of any key man life insurance policies that are used to make such repurchases of shares owned by the key man or his estate; provided, further, that such repurchase or other acquisition or dividend shall not be included in the calculation of the amount of Restricted Payments and the net cash proceeds from such sales shall not be included in the calculation pursuant to Section 8.03(a)(iii);

(vi) repurchase Equity Interests to the extent such repurchase is deemed to occur upon a cashless exercise of stock options or warrants; provided that all such repurchases and dividends shall not be included in the calculation of the amount of Restricted Payments and no proceeds in respect of the issuance of Equity Interests shall be deemed to have been received for the purposes of Section 8.03(a)(iii)(B);

(vii) so long as no Default or Event of Default shall have occurred and be continuing, repurchase any Subordinated Obligations or Disqualified Stock of the Borrower or a Guarantor at a purchase price not greater than 100% the principal amount or liquidation preference of such Subordinated Obligation or Disqualified Stock plus accrued and unpaid interest or dividends, as appropriate, in the event of a Change of Control pursuant to a provision similar to Section 4.02 in the documents governing such Subordinated Obligation or Disqualified Stock; provided that prior to consummating any such repurchase, the Borrower has made the Change of Control Offer required by this Agreement and repaid all Loans (and associated obligations) required by and in connection with such Change of Control Offer; provided, further, that such payments shall be included in the calculation of the amount of Restricted Payments;

The amount of any non-cash Restricted Payment shall be deemed to be equal to the Fair Market Value thereof at the date of making such Restricted Payment.

8.04. Indebtedness. (a) The Borrower will not, and will not permit any of its Restricted Subsidiaries to, contract, create, incur, assume or suffer to exist any Indebtedness, provided that the Borrower and any of the Subsidiary Guarantors may incur Indebtedness if (i) no Default or Event of Default shall have occurred and be continuing, or would result immediately after giving effect thereto, and (ii) the Total Leverage Ratio on the date of, and after giving effect to, the respective such incurrence of Indebtedness pursuant to this Section 8.04(a) shall be less than 5.0:1.0.

(viii) Indebtedness of the Borrower and its Restricted Subsidiaries with respect to performance bonds, surety bonds, appeal bonds or customs bonds required in the ordinary course of business or in connection with the enforcement of rights or claims of the Borrower or any of its Restricted Subsidiaries or in connection with judgments that do not result in a Default or an Event of Default; provided that the aggregate outstanding amount of all such performance bonds, surety bonds, appeal bonds and customs bonds permitted by this clause (i) shall not at any time exceed \$5,000,000;

(ix) Indebtedness of the Borrower or any of its Subsidiaries which may be deemed to exist in connection with agreements providing for indemnification, purchase price adjustments and similar obligations in connection with the acquisition or disposition of assets in accordance with the requirements of this Agreement, so long as any such obligations are those of the Person making the respective acquisition or sale, and are not guaranteed by any other Person except as permitted by Section 8.04(b)(vi);

(x) so long as no Default or Event of Default exists at the time of the respective incurrence or immediately after giving effect thereto, Indebtedness of the Borrower or any of its Restricted Subsidiaries which is secured on the basis set forth in Section 8.01(s) and which (i) shall not provide an obligation requiring the payment of interest in cash prior to the date which occurs six months after the Maturity Date (except in connection with any acceleration of the maturity thereof or required offers to purchase such Indebtedness (based on a Change of Control or Asset Sales) which would not violate or conflict with the requirements of this Agreement, and which first allow the repayment of Indebtedness hereunder or a result thereof), (ii) shall not have any required amortization (or sinking fund payments or similar events) occurring prior to the date occurring six months after the Maturity Date (unless there is a default or event of default thereon), (iii) shall not mature earlier than the date occurring six months after the Maturity Date, (iv) shall otherwise have terms (including, without limitation, intercreditor provisions) reasonably satisfactory to the Administrative Agent, and (v) shall not exceed \$30,000,000 in aggregate for all Indebtedness incurred or issued pursuant to this clause (x);

(xi) [Intentionally Omitted]

(xii) so long as no Default or Event of Default exists at the time of the respective incurrence or immediately after giving effect thereto, additional unsecured Indebtedness of the Borrower (which may be guaranteed on a subordinated basis by the Subsidiary Guarantors) that by its terms (i) shall be subordinated in right of payment to the Obligations on terms reasonably satisfactory to the Administrative Agent, (ii) shall not provide for or permit the payment of interest in cash prior to the date which occurs six months after the Maturity Date (except in connection with any acceleration of the maturity thereof or required offers to purchase such Indebtedness (based on a Change of Control or Asset Sales) which would not violate or conflict with the requirements of this Agreement, and which first allow the repayment of Indebtedness hereunder or a result thereof), (iii) shall not have any required amortization (or sinking fund payments or similar events) occurring prior to the date occurring six months after the Maturity Date, (iv) shall not mature earlier than the date occurring six months after the Maturity Date, and (v) shall not exceed \$30,000,000 in aggregate for all Indebtedness incurred or issued pursuant to this clause (xii);

(xiii) Indebtedness of the Borrower or any of its Restricted Subsidiaries (A) assumed in connection with any Permitted Acquisition, provided such Indebtedness is not incurred in connection in contemplation of such Permitted Investment, or (B) incurred to finance a Permitted Acquisition, provided that, in the case of (A) and (B) above, (I) no Default or Event of Default shall have occurred and be continuing, or would result immediately after giving effect thereto, (II) in the case of clause (B) above only, after giving pro forma affect to such Permitted Investment, the Borrower would be permitted to incur \$1.00 of additional Indebtedness under Section 8.04(a), and (III) in the case of (A) only, such Indebtedness shall not exceed \$25,000,000 at any time outstanding;

(xv) Permitted Refinancing Indebtedness;

(xvi) Indebtedness of the Borrower or any of its Subsidiaries for reimbursement obligations relating to letters of credit, so long as the sum of the aggregate available amount of all such letters of credit and any unreimbursed drawings in respect thereof does not at any time exceed \$5,000,000; and

(xvii) Indebtedness under the First-Lien Credit Documents and any refinancing thereof.

8.05. Merger, Amalgamated, Consolidation or Sale of All or Substantially All Assets. (a) The Borrower may not consolidate, merge or amalgamate with or into or wind up into (whether or not the Borrower is the surviving corporation), or sell, assign, transfer, lease, convey or otherwise dispose of all or substantially all of its properties or assets, in one or more related transactions, to any Person unless:

(i) the Borrower is the surviving corporation or the Person formed by or surviving any such consolidation or merger (if other than the Borrower) or to which such sale, assignment, transfer, lease, conveyance or other disposition will have been made is a corporation organized or existing under the laws of the jurisdiction of organization of the Borrower or the laws of the United States, any State thereof or the District of Columbia (or any territory thereof) (the Borrower or such Person, as the case may be, being herein called the Successor Borrower);

(ii) the Successor Borrower, if other than the Borrower, expressly assumes all the obligations of the Borrower under this Agreement and the other Loan Documents pursuant to supplements to the Credit Documents or other documents or instruments, in each case in a form reasonably satisfactory to the Administrative Agent;

(iii) immediately after such transaction, no Default or Event of Default exists;

(iv) immediately after giving pro forma effect to such transaction and any related financing transactions, as if such transactions had occurred at the beginning of the applicable four-quarter period, (A) the Successor Borrower would be able to incur at least \$1.00 of Indebtedness pursuant to Section 8.04(a) or on a Pro Forma Basis and (B) the Total Leverage Ratio immediately following such transaction would be no greater than the Total Leverage Ratio immediately before such transaction;

(v) each Restricted Subsidiary that is a Subsidiary Guarantor, unless it is the other party to the transactions described above, in which case Section 8.05(b)(i)(B) shall apply, shall have by supplement to the Credit Documents confirmed that its Guaranty shall apply to such Person's obligations under the Credit Documents and the Loans; and

(vi) the Borrower shall have delivered to the Administrative Agent an Officer's Certificate and an Opinion of Counsel to the Borrower, each stating that such consolidation, merger or transfer and such supplements to the Credit Documents, if any, comply with this Agreement and the other Credit Documents.

The Successor Borrower will succeed to, and be substituted for, the Borrower under this Agreement and the other Credit Documents. Notwithstanding Section 8.05(a)(iii) and (iv), (i) any Restricted Subsidiary may consolidate with or merge into or transfer all or part of its properties and assets to the Borrower, and (ii) the Borrower may merge with an Affiliate of the Borrower, as the case may be, solely for the purpose of reincorporating the Borrower in a State of the United States, so long as the amount of Indebtedness of the Borrower and its Restricted Subsidiaries is not increased thereby.

(b) No Subsidiary Guarantor will, and the Borrower will not permit any Subsidiary Guarantor to, consolidate, merge or amalgamate with or into or wind up into (whether or not the Borrower or a Subsidiary Guarantor is the surviving corporation), or sell, assign, transfer, lease, convey or otherwise dispose of all or substantially all of its properties or assets, in one or more related transactions, to any Person unless:

(i) (A) such Subsidiary Guarantor is the surviving corporation or the Person formed by or surviving any such consolidation or merger (if other than such Subsidiary Guarantor) or to which such sale, assignment, transfer, lease, conveyance or other disposition will have been made is a corporation organized or existing under the laws of the jurisdiction of organization of such Subsidiary Guarantor, as the case may be, or the laws of the United States, any state thereof (such Guarantor or such Person, as the case may be, being herein called the Successor Guarantor);

(B) the Successor Guarantor, if other than such Subsidiary Guarantor, expressly assumes all the obligations of such Subsidiary Guarantor under the Guaranty and the other Credit Documents pursuant to a joinder agreement and/or supplements to the Credit Documents or other documents or instruments, in each case in a form reasonably satisfactory to the Administrative Agent;

(C) immediately after such transaction, no Default or Event of Default exists; and

(D) the Borrower shall have delivered to the Administrative Agent an Officer's Certificate and an opinion of counsel to the Borrower, each stating that such consolidation, merger or transfer and such joinder agreement, supplements and/or other documents or instruments, if any, comply with this Agreement and the other Credit Documents;

The foregoing provisions of this Section 8.05(b) will not apply to any transaction which constitutes an Asset Sale of a Subsidiary Guarantor made in compliance with Section 8.02. In the case of Section 8.05(b)(i), the Successor Guarantor will succeed to, and be substituted for, such Subsidiary Guarantor under such Guarantor's Guaranty and the other Credit Documents. Notwithstanding the foregoing, any Subsidiary Guarantor may merge or amalgamate into or with or wind up into or transfer all or part of its properties and assets to another Subsidiary Guarantor or the Borrower.

8.06. Limitation on Transactions with Affiliates.

(a) The Borrower shall not, and shall not permit any Restricted Subsidiary to, enter into any transaction or series of related transactions (including the purchase, sale, transfer, assignment, lease, conveyance or exchange of any property or the rendering of any service) with, or for the benefit of, any Affiliate of the Borrower or such Restricted Subsidiary (an Affiliate Transaction), unless:

(i) the terms of such Affiliate Transaction are (A) not materially less favorable, taken as a whole, to the Borrower or such Restricted Subsidiary, as the case may be, than those that could be obtained in a comparable arm's length transaction with a Person that is not an Affiliate of the Borrower or (B) in the reasonable opinion of the Administrative Agent, taken as whole, fair and reasonable to the Borrower or such Restricted Subsidiary, as the case may be;

(ii) if such Affiliate Transaction involves aggregate payments or value in excess of \$3,000,000, a majority of the disinterested members of the Board of Directors or, if there is only one disinterested director, such disinterested director determines that such Affiliate Transaction complies with Section 8.06(a)(i) of this covenant as evidenced in the minutes or other evidence of Board action; and

(iii) if such Affiliate Transaction involves aggregate payments or value in excess of \$10,000,000, the Borrower obtains a written opinion from an Independent Financial Advisor to the effect that the consideration to be paid or received in connection with such Affiliate Transaction is fair, from a financial point of view, to the Borrower or such Restricted Subsidiary, as applicable.

(b) Notwithstanding the foregoing limitation, the Borrower or any Restricted Subsidiary may make, engage in, enter into or suffer to exist the following:

(i) any transaction or series of related transactions between or among (A) the Borrower and/or one or more Subsidiary Guarantors, (B) two or more Subsidiary Guarantors or (C) the Borrower, any Subsidiary Guarantor and/or one or more Foreign Subsidiaries pursuant to the reasonable requirement of, and in furtherance of, the Business Plan.

(v) transactions with customers, clients, suppliers or purchasers or sellers of goods or services, in each case in the ordinary course of business and otherwise in compliance with the terms of this Agreement, which are fair to the Borrower or the Restricted Subsidiary, as the case may be, in the reasonable determination of the Board of Directors or the disinterested members of the Borrower's senior management or are on terms at least as favorable as might reasonably have been obtained at such time from an unaffiliated party; and

(vi) transactions pursuant to any agreement as in effect on the Closing Date and disclosed in Schedule 8.06(b) as the same may be amended, modified, supplemented, extended or renewed from time to time in any manner not materially less favorable (taken as whole) to the Borrower and its Restricted Subsidiaries.

8.07. Modifications of Certificate of Incorporation, By-Laws, Indebtedness and Certain Other Agreements, etc. The Borrower will not, and will not permit any of its Subsidiaries to:

(i) amend, modify or change its certificate or articles of incorporation (including, without limitation, by the filing or modification of any certificate or articles of designation), certificate of formation, limited liability company agreement or by-laws (or the equivalent organizational documents), as applicable, or any agreement entered into by it with respect to its capital stock or other Equity Interests (including any Shareholders' Agreement and any Preferred Stock), or enter into any new agreement with respect to its capital stock or other Equity Interests, unless such amendment, modification, change or other action contemplated by this clause (i) could not reasonably be expected to be adverse to the interests of the Lenders in any material respect and the terms of any such amendment, modification, change or other action will not violate any of the other provisions of this Agreement or any other Credit Document;

(ii) amend, modify or change any provision of (i) any Management Agreement unless such amendment, modification or change could not reasonably be expected to be adverse to the interests of the Lenders in any material respect (although no amendment, modification or change may be made to any monetary term thereof), or (ii) any Tax Sharing Agreement or enter into any new tax sharing agreement, tax allocation agreement or similar agreement without the prior written consent of the Administrative Agent; unless, in each case, such amendment, modification, change or new agreement could not reasonably be expected to be adverse to the interests of the Lenders in any material respect;

(iii) amend, modify or alter (i) the subordination provisions of any other Junior Financing Documentation (and the component definitions as used therein), or (ii) any other term or condition of any other Junior Financing Documentation, in the case of this clause (ii), in a manner materially adverse to the interests of the Lenders; or

(iv) amend, modify or alter the Mercedes Agreement in a manner materially adverse, in the aggregate, to the interests of the Lenders; or

(v) amend, modify or alter any term or condition of any First-Lien Credit Document except to the extent such amendment, modification or alteration is not prohibited by the Intercreditor Agreement.

8.08. Limitation on Restrictions on Distributions from Restricted Subsidiaries.

(a) The Borrower shall not, and shall not permit any Restricted Subsidiary to, create or otherwise cause or suffer to exist any consensual restriction on the right of any Restricted Subsidiary to:

(i) pay dividends, in cash or otherwise, or make any other distributions on or in respect of its Equity Interests to the Borrower or any other Restricted Subsidiary,

(ii) pay any Indebtedness or other obligation owed to the Borrower, a Subsidiary Guarantor or any other Restricted Subsidiary,

(b) The foregoing limitations will not apply:

(i) With respect to Sections 8.08(a)(i), (ii), (iii) and (iv), to restrictions which are:

(B) imposed by any Credit Document or First-Lien Credit Document;

(C) imposed by the Credit Agreement with respect to Indebtedness permitted to be Incurred on or subsequent to the Closing Date (as such restrictions may be amended from time to time, provided that any such restriction is not materially more restrictive as to such Restricted Subsidiary);

(D) relating to Indebtedness of a Restricted Subsidiary existing at the time it became a Restricted Subsidiary if such restriction was not created in connection with or in anticipation of the transaction or series of related transactions pursuant to which such Restricted Subsidiary became a Restricted Subsidiary or was acquired by the Borrower or a Subsidiary Guarantor (as such restrictions may be amended from time to time in a manner not materially more restrictive as to such Restricted Subsidiary);

(E) that result from the refinancing of Indebtedness incurred pursuant to an agreement referred to in Section 8.08(b)(i)(A), (B) or (D) above; provided such restriction is no less favorable in any material respect to the Lenders than those under the agreement evidencing the Indebtedness so refinanced;

(F) restrictions on cash or other deposits or net worth imposed by leases or other agreements entered into in the ordinary course of business;

(G) any encumbrances or restrictions required by any foreign or governmental, local or regulatory authority having jurisdiction over the Borrower, or any Restricted Subsidiary or any of their businesses in connection with any development grant made or other assistance provided to the Borrower, or any Restricted Subsidiary by such governmental authority;

(H) customary provisions in joint venture or similar agreements or other arrangements with minority investors in Restricted Subsidiaries and customary provisions in Indebtedness incurred by Restricted Subsidiaries organized outside the United States; provided, however, that such encumbrance or restriction is applicable only to such Restricted Subsidiary; and provided, further, that (i) the encumbrance or restriction is customary in comparable agreements and (ii) the Borrower determines that any such encumbrance or restriction will not materially affect the ability of the Borrower to make any anticipated payments of the Obligations;

(I) customary restrictions contained in asset sale, stock sale, merger and other similar agreements limiting the transfer, disposition or distribution of such property pending the closing of such sale, including any restriction imposed with respect to such Restricted Subsidiary pursuant to an agreement to dispose of all or substantially all the Equity Interests or assets of such Restricted Subsidiary;

(J) customary restrictions imposed on the transfer or use of copyrighted or patented materials or other Intellectual Property and customary provisions in agreements that restrict the assignment of such agreements or any rights thereunder or in leases governing leasehold interests;

(K) any agreement for the sale or other disposition of a Restricted Subsidiary that restricts distributions of assets (including Equity Interests) by that Restricted Subsidiary pending its sale or other disposition;

(L) restrictions on Indebtedness incurred by any Restricted Subsidiary that is a Foreign Subsidiary; provided that such restrictions are then customary for Indebtedness of such type incurred in such jurisdiction; or

(M) restrictions resulting from any U.S. or foreign law, rule, regulation or order applicable to the Borrower or any Restricted Subsidiary.

(ii) With respect to Section 8.08(a)(iv) only, to restrictions:

SECTION 10. The Administrative Agent.

10.01. Appointment. The Lenders hereby irrevocably designate and appoint Plase HT, LLC as Collateral Agent for the Lenders and the other Secured Creditors and Plase HT, LLC as Administrative Agent (for purposes of this Section 10 and Section 11.01, the term Administrative Agent also shall include Plase HT, LLC in its capacity as Collateral Agent pursuant to the Security Documents), in each case, to act as specified herein and in the other Credit Documents. Plase HT, LLC accepts such appointment as Collateral Agent and Plase HT, LLC accepts such appointment as Administrative Agent. Each Lender hereby irrevocably authorizes, and each holder of any Note by the acceptance of such Note shall be deemed irrevocably to authorize the Administrative Agent to take such action on its behalf under the provisions of this Agreement, the other Credit Documents and any other instruments and agreements referred to herein or therein and to exercise such powers and to perform such duties hereunder and thereunder as are specifically delegated to or required of the Administrative Agent by the terms hereof and thereof and such other powers as are reasonably incidental thereto. The Administrative Agent may perform any of its duties hereunder by or through their officers, directors, agents, employees or affiliates.

10.02. Nature of Duties. (a) The Administrative Agent in its capacity as such shall have no duties or responsibilities except those expressly set forth in this Agreement and in the other Credit Documents. Neither the Administrative Agent in its capacity as such nor any of its officers, directors, agents, employees or affiliates shall be liable for any action taken or omitted by it or them hereunder or under any other Credit Document or in connection herewith or therewith, unless caused by its or their bad faith, gross negligence or willful misconduct (as determined by a court of competent jurisdiction in a final and non-appealable decision). The duties of the Administrative Agent shall be mechanical and administrative in nature; the Administrative Agent shall not have by reason of this Agreement or any other Credit Document a fiduciary relationship in respect of any Lender or the holder of any Note; and nothing in this Agreement or in any other Credit Document, expressed or implied, is intended to or shall be so construed as to impose upon the Administrative Agent any obligations in respect of this Agreement or any other Credit Document except as expressly set forth herein or therein.

(b) [Reserved]

10.03. Lack of Reliance on the Administrative Agent. Independently and without reliance upon the Administrative Agent, each Lender and the holder of each Note, to the extent it deems appropriate, has made and shall continue to make (a) its own independent investigation of the financial

condition and affairs of the Borrower and its Subsidiaries in connection with the making and the continuance of the Loans and the taking or not taking of any action in connection herewith, and (b) its own appraisal of the creditworthiness of the Borrower and its Subsidiaries and, except as expressly provided in this Agreement, the Administrative Agent shall not have any duty or responsibility, either initially or on a continuing basis, to provide any Lender or the holder of any Note with any credit or other information with respect thereto, whether coming into its possession before the making of the Loans or at any time or times thereafter. The Administrative Agent shall not be responsible to any Lender or the holder of any Note for any recitals, statements, information, representations or warranties herein or in any document, certificate or other writing delivered in connection herewith or for the execution, effectiveness, genuineness, validity, enforceability, perfection, collectibility, priority or sufficiency of this Agreement or any other Credit Document or the financial condition of the Borrower or any of its Subsidiaries or be required to make any inquiry concerning either the performance or observance of any of the terms, provisions or conditions of this Agreement or any other Credit Document, or the financial condition of the Borrower or any of its Subsidiaries or the existence or possible existence of any Default or Event of Default.

10.04. Certain Rights of the Agents. If any Agent shall request instructions from the Required Lenders with respect to any act or action (including failure to act) in connection with this Agreement or any other Credit Document, such Agent shall be entitled to refrain from such act or taking such action unless and until such Agent shall have received instructions from the Required Lenders; and such Agent shall not incur liability to any Lender by reason of so refraining. Without limiting the foregoing, neither any Lender nor the holder of any Note shall have any right of action whatsoever against such Agent as a result of such Agent acting or refraining from acting hereunder or under any other Credit Document in accordance with the instructions of the Required Lenders.

10.05. Reliance. The Administrative Agent shall be entitled to rely, and shall be fully protected in relying, upon any note, writing, resolution, notice, statement, certificate, telex, teletype or telecopier message, cablegram, radiogram, order or other document or telephone message signed, sent or made by any Person that the Administrative Agent believed to be the proper Person, and, with respect to all legal matters pertaining to this Agreement and any other Credit Document and its duties hereunder and thereunder, upon advice of counsel selected by the Administrative Agent.

10.06. Indemnification. To the extent the Administrative Agent (or any affiliate thereof) is not reimbursed and indemnified by the Borrower, the Lenders will reimburse and indemnify the Administrative Agent (and any affiliate thereof) in proportion to their respective percentage as used in determining the Required Lenders for and against any and all liabilities, obligations, losses, damages, penalties, claims, actions, judgments, costs, expenses or disbursements of whatsoever kind or nature which may be imposed on, asserted against or incurred by the Administrative Agent (or any affiliate thereof) in performing its duties hereunder or under any other Credit Document or in any way relating to or arising out of this Agreement or any other Credit Document; provided that no Lender shall be liable for any portion of such liabilities, obligations, losses, damages, penalties, claims, actions, judgments, suits, costs, expenses or disbursements resulting from the Administrative Agent's (or such affiliates thereof) gross negligence or willful misconduct (as determined by a court of competent jurisdiction in a final and non-appealable decision).

10.07. The Administrative Agent in its Individual Capacity. With respect to its obligation to make Loans under this Agreement, the Administrative Agent shall have the rights and powers specified herein for a Lender and may exercise the same rights and powers as though it were not performing the duties specified herein; and the term Lender, Required Lenders, holders of Notes or

any similar terms shall, unless the context clearly indicates otherwise, include the Administrative Agent in its individual capacity. The Administrative Agent and its affiliates may accept deposits from, lend money to, and generally engage in any kind of banking, investment banking, trust or other business with, or provide debt financing, equity capital or other services (including financial advisory services) to any Credit Party or any Affiliate of any Credit Party (or any Person engaged in a similar business with any Credit Party or any Affiliate thereof) as if they were not performing the duties specified herein, and may accept fees and other consideration from any Credit Party or any Affiliate of any Credit Party for services in connection with this Agreement and otherwise without having to account for the same to the Lenders.

10.08. Holders. Any Agent may deem and treat the payee of any Note as the owner thereof for all purposes hereof unless and until a written notice of the assignment, transfer or endorsement thereof, as the case may be, shall have been filed with the Administrative Agent. Any request, authority or consent of any Person who, at the time of making such request or giving such authority or consent, is the holder of any Note shall be conclusive and binding on any subsequent holder, transferee, assignee or endorsee, as the case may be, of such Note or of any Note or Notes issued in exchange therefor.

10.09. Resignation by the Administrative Agent. (a) The Administrative Agent may resign from the performance of all of its respective functions and duties hereunder and/or under the other Credit Documents at any time by giving 15 Business Days prior written notice to the Lenders and, unless a Default or an Event of Default under Section 9.05 then exists, the Borrower. Such resignation shall take effect upon the appointment of a successor Administrative Agent pursuant to clauses (b) and (c) below or as otherwise provided below.

(b) Upon any such notice of resignation by the Administrative Agent, the Required Lenders shall appoint a successor Administrative Agent hereunder or thereunder who shall be a commercial bank or trust company reasonably acceptable to the Borrower, which acceptance shall not be unreasonably withheld or delayed (provided that the Borrower's approval shall not be required if an Event of Default then exists).

(c) If a successor Administrative Agent shall not have been so appointed within such 15 Business Day period, the Administrative Agent, with the consent of the Borrower (which consent shall not be unreasonably withheld or delayed, provided that the Borrower's consent shall not be required if an Event of Default then exists), shall then appoint a successor Administrative Agent who shall serve as Administrative Agent hereunder or thereunder until such time, if any, as the Required Lenders appoint a successor Administrative Agent as provided above.

(d) If no successor Administrative Agent has been appointed pursuant to clause (b) or (c) above by the 20th Business Day after the date such notice of resignation was given by the Administrative Agent, the Administrative Agent's resignation shall become effective and the Required Lenders shall thereafter perform all the duties of the Administrative Agent hereunder and/or under any other Credit Document until such time, if any, as the Required Lenders appoint a successor Administrative Agent as provided above.

(e) Upon a resignation of the Administrative Agent pursuant to this Section 10.09, the Administrative Agent shall remain indemnified to the extent provided in this Agreement and the other Credit Documents and the provisions of this Section 10 (and the analogous provisions of the other Credit Documents) shall continue in effect for the benefit of the Administrative Agent for all of its actions and inactions while serving as the Administrative Agent.

10.10. Collateral Matters. (a) Each Lender authorizes and directs the Collateral Agent to enter into the Security Documents for the benefit of the Lenders and the other Secured Creditors. Each Lender hereby agrees, and each holder of any Note by the acceptance thereof will be deemed to agree, that, except as otherwise set forth herein, any action taken by the Required Lenders in accordance with the provisions of this Agreement or the Security Documents, and the exercise by the Required Lenders of the powers set forth herein or therein, together with such other powers as are reasonably incidental thereto, shall be authorized and binding upon all of the Lenders. The Collateral Agent is hereby authorized on behalf of all of the Lenders, without the necessity of any notice to or further consent from any Lender, from time to time prior to an Event of Default, to take any action with respect to any Collateral or Security Documents which may be necessary or desirable to perfect and maintain perfected the security interest in and liens upon the Collateral granted pursuant to the Security Documents.

(b) The Lenders hereby authorize the Collateral Agent, at its option and in its discretion, to release any Lien granted to or held by the Collateral Agent upon any Collateral (i) upon termination of the Total Commitment and payment and satisfaction of all of the Obligations (other than inchoate indemnification obligations) at any time arising under or in respect of this Agreement or the Credit Documents or the transactions contemplated hereby or thereby, (ii) constituting property being sold or otherwise disposed of (to Persons other than the Borrower and the Subsidiary Guarantors) upon the sale or other disposition thereof in compliance with Section 8.02, (iii) if approved, authorized or ratified in writing by the Required Lenders (or all of the Lenders hereunder, to the extent required by Section 11.12) or (iv) as otherwise may be expressly provided in the relevant Security Documents. Upon request by the Administrative Agent at any time, the Lenders will confirm in writing the Collateral Agent's authority to release particular types or items of Collateral pursuant to this Section 10.10.

(c) The Lenders hereby authorize the Collateral Agent, at its option and in its discretion, to release any Subsidiary Guarantor from its obligations under the Guaranty and Collateral Agreement if expressly provided for by the terms of this Agreement.

(d) The Collateral Agent shall have no obligation whatsoever to the Lenders or to any other Person to assure that the Collateral exists or is owned by any Credit Party or is cared for, protected or insured or that the Liens granted to the Collateral Agent herein or pursuant hereto have been properly or sufficiently or lawfully created, perfected, protected or enforced or are entitled to any particular priority, or to exercise or to continue exercising at all or in any manner or under any duty of care, disclosure or fidelity any of the rights, authorities and powers granted or available to the Collateral Agent in this Section 10.10 or in any of the Security Documents, it being understood and agreed that in respect of the Collateral, or any act, omission or event related thereto, the Collateral Agent may act in any manner it may deem appropriate, in its sole discretion, given the Collateral Agent's own interest in the Collateral as one of the Lenders and that the Collateral Agent shall have no duty or liability whatsoever to the Lenders, except for its gross negligence or willful misconduct (as determined by a court of competent jurisdiction in a final and non-appealable decision).

10.11. Delivery of Information. The Administrative Agent shall not be required to deliver to any Lender originals or copies of any documents, instruments, notices, communications or other information received by the Administrative Agent from any Credit Party, any Subsidiary thereof, the Required Lenders, any Lender or any other Person under or in connection with this Agreement or any other Credit Document except (a) as specifically provided in this Agreement or any other Credit Document and (b) as specifically requested from time to time in writing by any Lender with respect to a specific document, instrument, notice or other written communication received by and in the possession of the Administrative Agent at the time of receipt of such request and then only in accordance with such specific request.

10.12. Lender Acknowledgement.

Each Lender acknowledges that each of the Closing Date Agents are Permitted Holders and that the Permitted Holders own, directly or indirectly, a majority of the Equity Interests in the Credit Parties and that the Permitted Holders (including the Closing Date Agents) may make loans to, issue letters of credit for the account of, accept deposits from, acquire additional Equity Interests in and generally engage in any kind of banking, trust, financial advisory, underwriting or other business with each of the Credit Parties and their respective Affiliates as though the Closing Date Agents were not the Administrative Agent or the Collateral Agent hereunder and without notice to or consent of the Lenders. The Lenders acknowledge that, pursuant to such activities, the Permitted Holders (including the Closing Date Agents) and their Affiliates may receive information regarding any Credit Party or its Affiliates (including information that may be subject to confidentiality obligations in favor of such Credit Party or such Affiliate) and acknowledge that the Closing Date Agents (and any other Permitted Holder) shall be under no obligation to provide such information to them. With respect to Loans held by any Permitted Holder, such Permitted Holder shall have the same rights and powers under this Agreement as any other Lender.

SECTION 11. Miscellaneous.

11.01. Payment of Expenses, etc. The Borrower hereby agrees to: (a) whether or not the transactions herein contemplated are consummated, pay all reasonable out-of-pocket costs and expenses of the Administrative Agent (including, without limitation, the reasonable fees and disbursements of the Administrative Agent's counsel and consultants, subject to receipt of reasonably satisfactory documentation) in connection with the preparation, execution, delivery and administration of this Agreement and the other Credit Documents and the documents and instruments referred to herein and therein and any amendment, waiver or consent relating hereto or thereto, whether or not documented, of the Administrative Agent and its Affiliates in connection with its or their syndication efforts with respect to this Agreement and of the Administrative Agent and, after the occurrence of an Event of Default, each of the Lenders in connection with the enforcement of this Agreement and the other Credit Documents and the documents and instruments referred to herein and therein or in connection with any refinancing or restructuring of the credit arrangements provided under this Agreement in the nature of a "work-out" or pursuant to any insolvency or bankruptcy proceedings (including, in each case without limitation, the reasonable fees and disbursements of counsel and consultants for the Administrative Agent and for each of the Lenders, subject to receipt of invoices); (b) pay and hold the Administrative Agent and each of the Lenders harmless from and against any and all present and future stamp, excise, documentary, property and other similar taxes, charges, or levies arising from any payment made hereunder or under any other Credit Document or from the execution, delivery or enforcement or otherwise with respect to this Agreement or any other Credit Document and save the Administrative Agent and each of the Lenders harmless from and against any and all liabilities (including interest and penalties) with respect to or resulting from any delay or omission to pay such taxes; and (c) indemnify the Administrative Agent and each Lender, and each of their respective officers, directors, employees, representatives, agents, affiliates, trustees and investment advisors from and hold each of them harmless against any and all liabilities, obligations (including removal or remedial actions), losses, damages, penalties, claims, actions, judgments, suits, costs, expenses and disbursements (including reasonable attorneys' and consultants' fees and disbursements) incurred by, imposed on or assessed against any of them as a result of, or arising out of, or in any way related to, or by reason of, (i) any investigation, litigation or other proceeding

(whether or not the Administrative Agent or any Lender is a party thereto and whether or not such investigation, litigation or other proceeding is brought by or on behalf of any Credit Party) related to the entering into and/or performance of this Agreement or any other Credit Document in accordance with their respective terms or the use of the proceeds of any Loans hereunder or the consummation of the Transaction or any other transactions contemplated herein or in any other Credit Document or the syndication of this Agreement or the exercise of any of their rights or remedies provided herein or in the other Credit Documents and (ii) the actual or alleged presence of Hazardous Materials in the air, surface water or groundwater or on the surface or subsurface of any Real Property at any time owned, leased or operated by the Borrower or any of its Subsidiaries, the generation, storage, transportation, handling or disposal of Hazardous Materials by the Borrower or any of its Subsidiaries at any location, whether or not owned, leased or operated by the Borrower or any of its Subsidiaries, the non-compliance by the Borrower or any of its Subsidiaries with any Environmental Law (including applicable permits thereunder) applicable to any Real Property, or any Environmental Claim asserted against the Borrower, any of its Subsidiaries or any Real Property at any time owned, leased or operated by the Borrower or any of its Subsidiaries, including, in each case, without limitation, the reasonable fees and disbursements of counsel and other consultants incurred in connection with any such investigation, litigation or other proceeding (but excluding, in each case of this clause (c), any losses, liabilities, claims, damages or expenses to the extent incurred by reason of the bad faith, gross negligence or willful misconduct of the Person to be indemnified (as determined by a court of competent jurisdiction in a final and non-appealable decision)). To the extent that the undertaking to indemnify, pay or hold harmless the Administrative Agent or any Lender set forth in the preceding sentence may be unenforceable because it is violative of any law or public policy, the Borrower shall make the maximum contribution to the payment and satisfaction of each of the indemnified liabilities which is permissible under applicable law.

11.02. Right of Setoff. (a) In addition to any rights now or hereafter granted under applicable law or otherwise, and not by way of limitation of any such rights, upon the occurrence and during the continuance of an Event of Default subject to the terms of the Intercreditor Agreement, the Administrative Agent and each Lender is hereby authorized at any time or from time to time, without presentment, demand, protest or other notice of any kind to any Credit Party or to any other Person, any such notice being hereby expressly waived, to set off and to appropriate and apply any and all deposits (general or special) and any other Indebtedness at any time held or owing by the Administrative Agent or such Lender (including, without limitation, by branches and agencies of the Administrative Agent or such Lender wherever located) to or for the credit or the account of the Borrower or any of its Subsidiaries against and on account of the Obligations and liabilities of the Credit Parties to the Administrative Agent or such Lender under this Agreement or under any of the other Credit Documents, including, without limitation, all interests in Obligations purchased by such Lender pursuant to Section 11.04(b), and all other claims of any nature or description arising out of or connected with this Agreement or any other Credit Document, irrespective of whether or not the Administrative Agent or such Lender shall have made any demand hereunder and although said Obligations, liabilities or claims, or any of them, shall be contingent or unmatured.

(b) NOTWITHSTANDING THE FOREGOING SECTION 11.02(a), AT ANY TIME THAT THE LOANS OR ANY OTHER OBLIGATION SHALL BE SECURED BY REAL PROPERTY LOCATED IN CALIFORNIA, NO LENDER SHALL EXERCISE A RIGHT OF SETOFF, LIEN OR COUNTERCLAIM OR TAKE ANY COURT OR ADMINISTRATIVE ACTION OR INSTITUTE ANY PROCEEDING TO ENFORCE ANY PROVISION OF THIS AGREEMENT UNLESS IT IS TAKEN WITH THE CONSENT OF THE REQUIRED LENDERS OR APPROVED IN WRITING BY THE ADMINISTRATIVE AGENT, IF SUCH SETOFF OR

All such notices and communications shall, when mailed, telecopied, or sent by overnight courier, be effective when deposited in the mails, delivered to the overnight courier, as the case may be, or sent by telecopier, except that notices and communications to the Administrative Agent, and the Borrower shall not be effective until received by the Administrative Agent or the Borrower, as the case may be.

(b) The Borrower hereby agrees that if at any time it becomes subject to the reporting requirements of the Exchange Act, (i) it will use commercially reasonable efforts to identify that portion of the materials and/or information provided by or on behalf of the Borrower hereunder (the Borrower Materials) that do not contain any material non-public information and that may be distributed to each of the Lenders that have indicated to the Administrative Agent (in a manner satisfactory to the Administrative Agent) that they are to be treated as public-side Lenders (i.e., Lenders that do not wish to receive material non-public information with respect to the Borrower or its securities) (each, a Public Lender), (ii) all such Borrower Materials shall be clearly and conspicuously marked PUBLIC which, at a minimum, shall mean that the word PUBLIC shall appear prominently on the first page thereof and (iii) by marketing Borrower Materials PUBLIC, such Borrower shall be deemed to have authorized the Administrative Agent to make such Borrower Materials available to the Public Lenders. Notwithstanding the foregoing or any other provision of this Agreement to the contrary, neither the Borrower nor any of its Affiliates shall be liable, or responsible in any manner, for the use by any Agent, any Lender, any participant or any of their Affiliates of the Borrower Materials. In addition, it is agreed that (i) any Borrower Materials shall be subject to the confidentiality provisions of Section 11.16 and (ii) the Borrowers shall be under no obligation to designate any Borrower Materials as PUBLIC.

11.04. Benefit of Agreement; Assignments; Participations. (a) This Agreement shall be binding upon and inure to the benefit of and be enforceable by the respective successors and permitted assigns of the parties hereto; provided, however, that the Borrower may not assign or transfer any of its rights, obligations or interest hereunder without the prior written consent of the Lenders and, provided, further, that, although any Lender may transfer, assign or grant participations in its rights hereunder, such Lender shall remain a Lender for all purposes hereunder (and may not transfer or assign all or any

portion of its Commitment hereunder except as provided in Sections 2.13 and 11.04(b)) and the transferee, assignee or participant, as the case may be, shall not constitute a Lender hereunder and, provided, further, that no Lender shall transfer or grant any participation under which the participant shall have rights to approve any amendment to or waiver of this Agreement or any other Credit Document except to the extent such amendment or waiver would (i) extend the final scheduled maturity of any Loan in which such participant is participating, or reduce the rate or extend the time of payment of interest or Fees thereon (except in connection with a waiver of applicability of any post-default increase in interest rates) or reduce the principal amount thereof, or increase the amount of the participant's participation over the amount thereof then in effect (it being understood that a waiver of any Default or Event of Default or of a mandatory reduction in the Total Commitment shall not constitute a change in the terms of such participation, and that an increase in any Commitment (or the available portion thereof) or Loan shall be permitted without the consent of any participant if the participant's participation is not increased as a result thereof), (ii) consent to the assignment or transfer by the Borrower of any of its rights and obligations under this Agreement or (iii) release all or substantially all of the Collateral under all of the Security Documents (except as expressly provided in the Credit Documents) supporting the Loans hereunder in which such participant is participating. In the case of any such participation, the participant shall not have any rights under this Agreement or any of the other Credit Documents (the participant's rights against such Lender in respect of such participation to be those set forth in the agreement executed by such Lender in favor of the participant relating thereto) and all amounts payable by the Borrower hereunder shall be determined as if such Lender had not sold such participation.

(b) Notwithstanding the foregoing, any Lender (or any Lender together with one or more other Lenders) may (x) assign all or a portion of its Commitments and related outstanding Obligations (or, if the Commitments have terminated, outstanding Obligations) hereunder to (i) (A) its parent company and/or any affiliate of such Lender which is at least 50% owned by such Lender or its parent company or (B) to one or more other Lenders or any affiliate of any such other Lender which is at least 50% owned by such other Lender or its parent company (provided, that, any fund that invests in loans and is managed or advised by the same investment advisor of another fund which is a Lender (or by an Affiliate of such investment advisor) shall be treated as an affiliate of such other Lender for the purposes of this sub-clause (x)(i)(B)), or (ii) in the case of any Lender that is a fund that invests in loans, any other fund that invests in loans and is managed or advised by the same investment advisor of any Lender or by an Affiliate of such investment advisor or (y) assign all, or if less than all, a portion equal to at least \$1,000,000 in the aggregate for the assigning Lender or assigning Lenders, of such Commitment and related outstanding Obligations (or, if the Commitment has terminated, outstanding Obligations) hereunder to one or more Eligible Transferees (treating any fund that invests in loans and any other fund that invests in loans and is managed or advised by the same investment advisor of such fund or by an Affiliate of such investment advisor as a single Eligible Transferee), each of which assignees shall become a party to this Agreement as a Lender by execution of an Assignment and Assumption Agreement, provided, that, (w) at such time, Schedule 1.01(a) shall be deemed modified to reflect the Commitments and/or outstanding Loans, as the case may be, of such new Lender and of the existing Lenders, (x) upon the surrender of the relevant Notes by the assigning Lender (or, upon such assigning Lender's indemnifying the Borrower for any lost Note pursuant to a customary indemnification agreement) new Notes will be issued, at the Borrower's expense, to such new Lender and to the assigning Lender upon the request of such new Lender or assigning Lender, such new Notes to be in conformity with the requirements of Section 2.05 (with appropriate modifications) to the extent needed to reflect the revised Commitments and/or outstanding Loans, as the case may be, (y) the consent of the Administrative Agent and, so long as no Default or Event of Default then exists, the Borrower, shall be required in connection with any such assignment pursuant to clause (y) above (such consent, in any case, not to be

unreasonably withheld, delayed or conditioned) and (z) no such transfer or assignment will be effective until recorded by the Administrative Agent on the Register pursuant to Section 11.15. To the extent of any assignment pursuant to this Section 11.04(b), the assigning Lender shall be relieved of its obligations hereunder with respect to its assigned Commitment and outstanding Loans. At the time of each assignment pursuant to this Section 11.04(b) to a Person which is not already a Lender hereunder and which is not a United States person (as such term is defined in Section 7701(a)(30) of the Code) for Federal income tax purposes, the respective assignee Lender shall, to the extent legally entitled to do so, provide to the Borrower the appropriate Internal Revenue Service forms (and, if applicable, a Section 4.04(b)(ii) Certificate) described in Section 4.04(b). To the extent that an assignment of all or any portion of a Lender's Commitment and related outstanding Obligations pursuant to Section 2.13 or this Section 11.04(b) would, at the time of such assignment, result in greater increased costs under Section 2.10 or greater payments of additional amounts with respect to U.S. federal withholding taxes under Section 4.04 from those being charged by the respective assigning Lender prior to such assignment, then the Borrower shall not be obligated to pay such increased costs or such additional amounts (although the Borrower, in accordance with and pursuant to the other provisions of this Agreement, shall be obligated to pay any other increased costs of the type described above resulting from changes after the date of the respective assignment).

(c) Nothing in this Agreement shall prevent or prohibit any Lender from pledging its Loans and Notes hereunder to a Federal Reserve Bank in support of borrowings made by such Lender from such Federal Reserve Bank and, with prior notification to the Administrative Agent (but without the consent of the Administrative Agent or the Borrower), any Lender which is a fund may pledge all or any portion of its Loans and Notes to its trustee or to a collateral agent providing credit or credit support to such Lender in support of its obligations to such trustee, such collateral agent or a holder of such obligations, as the case may be. No pledge pursuant to this clause (c) shall release the transferor Lender from any of its obligations hereunder.

(d) Any Lender which assigns all of its Commitments and/or Loans hereunder in accordance with Section 11.04(b) shall cease to constitute a Lender hereunder, except with respect to indemnification provisions under this Agreement (including, without limitation, Sections 2.10, 4.04, 11.06, 11.01 and 11.06), which shall survive as to such assigning Lender.

11.05. No Waiver; Remedies Cumulative. No failure or delay on the part of the Administrative Agent or any Lender in exercising any right, power or privilege hereunder or under any other Credit Document and no course of dealing between the Borrower or any other Credit Party and the Administrative Agent or any Lender shall operate as a waiver thereof; nor shall any single or partial exercise of any right, power or privilege hereunder or under any other Credit Document preclude any other or further exercise thereof or the exercise of any other right, power or privilege hereunder or thereunder. The rights, powers and remedies herein or in any other Credit Document expressly provided are cumulative and not exclusive of any rights, powers or remedies which the Administrative Agent or any Lender would otherwise have. No notice to or demand on any Credit Party in any case shall entitle any Credit Party to any other or further notice or demand in similar or other circumstances or constitute a waiver of the rights of the Administrative Agent or any Lender to any other or further action in any circumstances without notice or demand.

11.06. Payments Pro Rata. (a) Except as otherwise provided in this Agreement, the Administrative Agent agrees that promptly after its receipt of each payment from or on behalf of the Borrower in respect of any Obligations hereunder, the Administrative Agent shall distribute such payment to the Lenders entitled thereto (other than any Lender that has consented in writing to waive its pro rata share of any such payment) pro rata based upon their respective shares, if any, of the Obligations with respect to which such payment was received.

(b) Each of the Lenders agrees that, if it should receive any amount hereunder (whether by voluntary payment, by realization upon security, by the exercise of the right of setoff or banker's lien, by counterclaim or cross action, by the enforcement of any right under the Credit Documents, or otherwise), which is applicable to the payment of the principal of, or interest on, the Loans, of a sum which with respect to the related sum or sums received by other Lenders is in a greater proportion than the total of such Obligation then owed and due to such Lender bears to the total of such Obligation then owed and due to all of the Lenders immediately prior to such receipt, then such Lender receiving such excess payment shall purchase for cash without recourse or warranty from the other Lenders an interest in the Obligations of the respective Credit Party to such Lenders in such amount as shall result in a proportional participation by all the Lenders in such amount; provided that if all or any portion of such excess amount is thereafter recovered from such Lenders, such purchase shall be rescinded and the purchase price restored to the extent of such recovery, but without interest.

11.07. Calculations; Computations. (a) The financial statements to be furnished to the Lenders pursuant hereto shall be made and prepared in accordance with GAAP consistently applied throughout the periods involved (except as set forth in the notes thereto or as otherwise disclosed in writing by the Borrower to the Lenders); provided that, (i) except as otherwise specifically provided herein (and subject to following clauses (ii) and (iii)), for purposes of calculating all financial ratios, financial terms, covenants and related definitions, such calculations shall utilize GAAP and policies in conformity with those used to prepare the audited financial statements of the Borrower referred to in Section 6.05(a) for the fiscal year ended December 31, 2006, (ii) to the extent expressly provided herein, certain calculations shall be made on a Pro Forma Basis and (iii) for purposes of calculating all financial ratios, financial terms, covenants and related definitions, all such calculations shall be based on the operations of the Borrowers and its Restricted Subsidiaries on a consolidated basis and shall be made without giving effect to the operations or financial results of any Unrestricted Subsidiaries.

(b) All computations of interest and other Fees hereunder shall be made on the basis of a year of 360 days for the actual number of days (including the first day but excluding the last day) occurring in the period for which such interest or Fees are payable.

11.08. Allocation of Proceeds. The Borrower, Lenders, and Administrative Agent agree (i) that the proceeds furnished to Borrower hereunder shall be allocated between the Loans and the Warrant in accordance with Schedule 11.08 on or within 30 days following the Closing Date (or in the case of any Incremental Loan, in accordance with the relevant Incremental Loan Commitment Agreement), (ii) to report payments on the Loans (including any original issue discount on the Loans arising as a consequence of such allocation) in accordance with such allocation, and (iii) to take no position inconsistent with such allocation in any return, report, audit, contest, proceeding, or any other matter relating to taxes (including matters relating to withholding of taxes), unless otherwise required by a determination (as defined in Section 1313(a) of the Code (or any corresponding provision of state or local tax law)).

11.09. GOVERNING LAW; SUBMISSION TO JURISDICTION; VENUE; WAIVER OF JURY TRIAL. (a) THIS AGREEMENT AND THE OTHER CREDIT DOCUMENTS AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES HEREUNDER AND THEREUNDER SHALL, EXCEPT AS OTHERWISE PROVIDED IN ANY MORTGAGE, BE CONSTRUED IN ACCORDANCE WITH AND BE GOVERNED BY THE LAW OF THE STATE OF NEW YORK.

ANY LEGAL ACTION OR PROCEEDING WITH RESPECT TO THIS AGREEMENT OR ANY OTHER CREDIT DOCUMENT MAY BE BROUGHT IN THE COURTS OF THE STATE OF NEW YORK OR OF THE UNITED STATES FOR THE SOUTHERN DISTRICT OF NEW YORK, IN EACH CASE WHICH ARE LOCATED IN THE COUNTY OF NEW YORK, AND, BY EXECUTION AND DELIVERY OF THIS AGREEMENT OR ANY OTHER CREDIT DOCUMENT, THE BORROWER HEREBY IRREVOCABLY ACCEPTS FOR ITSELF AND IN RESPECT OF ITS PROPERTY, GENERALLY AND UNCONDITIONALLY, THE JURISDICTION OF THE AFORESAID COURTS. THE BORROWER HEREBY FURTHER IRREVOCABLY WAIVES ANY CLAIM THAT ANY SUCH COURTS LACK PERSONAL JURISDICTION OVER THE BORROWER, AND AGREES NOT TO PLEAD OR CLAIM, IN ANY LEGAL ACTION PROCEEDING WITH RESPECT TO THIS AGREEMENT OR ANY OTHER CREDIT DOCUMENT BROUGHT IN ANY OF THE AFOREMENTIONED COURTS, THAT SUCH COURTS LACK PERSONAL JURISDICTION OVER THE BORROWER. THE BORROWER FURTHER IRREVOCABLY CONSENTS TO THE SERVICE OF PROCESS OUT OF ANY OF THE AFOREMENTIONED COURTS IN ANY SUCH ACTION OR PROCEEDING BY THE MAILING OF COPIES THEREOF BY REGISTERED OR CERTIFIED MAIL, POSTAGE PREPAID, TO THE BORROWER AT ITS ADDRESS SET IN SECTION 11.03, SUCH SERVICE TO BECOME EFFECTIVE 30 DAYS AFTER SUCH MAILING. THE BORROWER HEREBY IRREVOCABLY WAIVES ANY OBJECTION TO SUCH SERVICE OF PROCESS AND FURTHER IRREVOCABLY WAIVES AND AGREES NOT TO PLEAD OR CLAIM IN ANY ACTION OR PROCEEDING COMMENCED HEREUNDER OR UNDER ANY OTHER CREDIT DOCUMENT THAT SERVICE OF PROCESS WAS IN ANY WAY INVALID OR INEFFECTIVE. NOTHING HEREIN SHALL AFFECT THE RIGHT OF THE ADMINISTRATIVE AGENT, ANY LENDER OR THE HOLDER OF ANY NOTE TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY LAW OR TO COMMENCE LEGAL PROCEEDINGS OR OTHERWISE PROCEED AGAINST THE BORROWER IN ANY OTHER JURISDICTION.

(b) THE BORROWER HEREBY IRREVOCABLY WAIVES ANY OBJECTION WHICH IT MAY NOW OR HEREAFTER HAVE TO THE LAYING OF VENUE OF ANY OF THE AFORESAID ACTIONS OR PROCEEDINGS ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT OR ANY OTHER CREDIT DOCUMENT BROUGHT IN THE COURTS REFERRED TO IN CLAUSE (a) ABOVE AND HEREBY FURTHER IRREVOCABLY WAIVES AND AGREES NOT TO PLEAD OR CLAIM IN ANY SUCH COURT THAT ANY SUCH ACTION OR PROCEEDING BROUGHT IN ANY SUCH COURT HAS BEEN BROUGHT IN AN INCONVENIENT FORUM.

(c) EACH OF THE PARTIES TO THIS AGREEMENT HEREBY IRREVOCABLY WAIVES ALL RIGHT TO A TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM ARISING OUT OF OR RELATING TO THIS AGREEMENT, THE OTHER CREDIT DOCUMENTS OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY.

11.10. Counterparts. This Agreement may be executed in any number of counterparts and by the different parties hereto on separate counterparts, each of which when so executed and delivered shall be an original, but all of which shall together constitute one and the same instrument. A set of counterparts executed by all the parties hereto shall be lodged with the Borrower and the Administrative Agent. Delivery of an executed counterpart hereof by facsimile or electronic transmission shall be as effective as delivery of any original executed counterpart hereof.

11.11. Headings Descriptive. The headings of the several sections and subsections of this Agreement are inserted for convenience only and shall not in any way affect the meaning or construction of any provision of this Agreement.

11.12. Amendment or Waiver, etc. (a) Neither this Agreement nor any other Credit Document nor any terms hereof or thereof may be changed, waived, discharged or terminated unless such change, waiver, discharge or termination is in writing signed by the respective Credit Parties party hereto or thereto and the Required Lenders (although additional parties may be added to (and schedules and annexes may be modified to reflect such additions), and Subsidiaries of the Borrower may be released from, the Guaranty and Collateral Agreement and the other Security Documents in accordance with the provisions hereof and thereof without the consent of the other Credit Parties party thereto or the Required Lenders), provided, that, no such change, waiver, discharge or termination shall, without the consent of each Lender (with Obligations being directly affected in the case of following clause (i)), (i) extend the final scheduled maturity of any Loan, or reduce the rate or extend the time of payment of interest or Fees thereon (except in connection with the waiver of applicability of any post-default increase in interest rates), or reduce (or forgive) the principal amount thereof, (ii) amend, modify or waive any provision of this Section 11.12(a) (except for technical amendments with respect to additional extensions of credit pursuant to this Agreement which afford the protections to such additional extensions of credit of the type provided to the Commitments and the Loans on the Closing Date, (iii) reduce the majority voting threshold specified in the definition of Required Lenders (it being understood that, with the consent of the Required Lenders, additional extensions of credit pursuant to this Agreement may be included in the determination of the Required Lenders on substantially the same basis as the extensions of Commitments and/or Loans are included on the Closing Date), (iv) consent to the assignment or transfer by the Borrower of any of its rights and obligations under this Agreement; or (v) change the denomination of currency of any Loan; provided, further, that no such change, waiver, discharge or termination shall (1) increase the Commitment of any Lender over the amount thereof then in effect without the consent of such Lender (it being understood that waivers or modifications of conditions precedent, covenants, Defaults or Events of Default or of a mandatory reduction in the Total Commitment shall not constitute an increase of the Commitment of any Lender, and that an increase in the available portion of the Commitment of any Lender shall not constitute an increase of the Commitment of such Lender), (2) without the consent of the Administrative Agent, amend, modify or waive any provision of Section 10 or any other provision of this Agreement or any other Credit Document as same relates to the rights or obligations of the Administrative Agent or (3) without the consent of the Collateral Agent, amend, modify or waive any provision relating to the rights or obligations of the Collateral Agent.

(b) If, in connection with any proposed change, waiver, discharge or termination of or to any of the provisions of this Agreement as contemplated by clauses (i) through (v), inclusive, of the first proviso to Section 11.12(a), the consent of the Required Lenders is obtained but the consent of one or more of such other Lenders whose consent is required is not obtained, then the Borrower shall have the right, so long as all non-consenting Lenders whose individual consent is required are treated as described in either clause (A) or (B) below, to either (A) replace each such non-consenting Lender or Lenders with one or more Replacement Lenders pursuant to Section 2.13 so long as at the time of such replacement, each such Replacement Lender consents to the proposed change, waiver, discharge or termination or (B) repay all outstanding Loans of such Lender in accordance with Section 4.01(b), provided that, unless the Loans which are repaid pursuant to preceding clause (B) are immediately replaced in full at such time through the addition of new Lenders or the increase of the outstanding Loans of existing Lenders (who in each case must specifically consent thereto), then in the case of any action pursuant to preceding clause (B), the Required Lenders (determined after giving effect to the proposed action) shall specifically

consent thereto, provided further, that the Borrower shall not have the right to replace a Lender or repay its Loans solely as a result of the exercise of such Lender's rights (and the withholding of any required consent by such Lender) pursuant to the second proviso to Section 11.12(a).

(c) Notwithstanding anything to the contrary contained in clause (a) above of this Section 11.12, the Borrower, the Administrative Agent and each Incremental Loan Lender may, in accordance with the provisions of Section 2.14, enter into an Incremental Loan Commitment Agreement, provided that after the execution and delivery by the Borrower, the Administrative Agent and each such Incremental Loan Lender of such Incremental Loan Commitment Agreement, such Incremental Loan Commitment Agreement may thereafter only be modified in accordance with the requirements of clause (a) above of this Section 11.12.

11.13. Survival. All indemnities and expense reimbursement obligations set forth herein including, without limitation, in Sections 2.10, 4.04, 11.01 and 11.10 shall survive the execution, delivery and termination of this Agreement and the Notes and the making and repayment of the Obligations.

11.14. Domicile of Loans. Each Lender may transfer and carry its Loans at, to or for the account of any office, Subsidiary or Affiliate of such Lender. Notwithstanding anything to the contrary contained herein, to the extent that a transfer of Loans pursuant to this Section 11.14 would, at the time of such transfer, result in increased costs under Section 2.10, or 4.04 from those being charged by the respective Lender prior to such transfer, then the Borrower shall not be obligated to pay such increased costs (although the Borrower shall be obligated to pay any other increased costs of the type described above resulting from changes after the date of the respective transfer to the extent otherwise required under any such Section).

11.15. Register. The Borrower hereby designates the Administrative Agent to serve as its agent, solely for purposes of this Section 11.15, to maintain a register (the Register) on which it will record the Commitments from time to time of each of the Lenders, the Loans made by each of the Lenders (including any increases to the principal amounts thereof as a result of the accretion of PIK interest) and each repayment in respect of the principal amount of the Loans of each Lender, and shall be made available to the Borrower for its inspection upon its request. Failure to make any such recordation, or any error in such recordation, shall not affect the Borrower's obligations in respect of such Loans. With respect to any Lender, the transfer of the Commitment of such Lender or the rights to the principal of, and interest on, any Loan shall not be effective until such transfer is recorded on the Register maintained by the Administrative Agent with respect to ownership of such Commitment or Loans, and prior to such recordation all amounts owing to the transferor with respect to such Commitment or Loans shall remain owing to the transferor. The registration of assignment or transfer of all or part of any Commitments or Loans shall be recorded by the Administrative Agent on the Register only upon the acceptance by the Administrative Agent of a properly executed and delivered Assignment and Assumption Agreement pursuant to Section 11.04(b). Coincident with the delivery of such an Assignment and Assumption Agreement to the Administrative Agent for acceptance and registration of assignment or transfer of all or part of a Loan, or as soon thereafter as practicable, the assigning or transferor Lender shall surrender the Note (if any) evidencing such Loan, and upon the request of the respective Lender or Lenders one or more new Notes in the same aggregate principal amount shall be issued to the assigning or transferor Lender and/or the new Lender (as appropriate). Any provision of Incremental Loan Commitments pursuant to Section 2.14 shall be recorded by the Administrative Agent on the Register only upon the acceptance by the Administrative Agent of a properly executed and delivered Incremental Loan Commitment Agreement. The Borrower agrees to indemnify the

Administrative Agent from and against any and all losses, claims, damages and liabilities of whatsoever nature which may be imposed on, asserted against or incurred by the Administrative Agent in performing its duties under this Section 11.15, except to the extent such losses, claims, damages and liabilities result from the Administrative Agent's gross negligence or willful misconduct (as determined by a court of competent jurisdiction in a final and non-appealable decision).

11.16. Confidentiality. (a) Subject to the provisions of clause (b) of this Section 11.16, each Lender agrees that it will not disclose without the prior consent of the Borrower (other than to its employees, auditors, advisors or counsel or to another Lender if such Lender or such Lender's holding or parent company in its sole discretion determines that any such party should have access to such information, provided such Persons shall be subject to the provisions of this Section 11.16 to the same extent as such Lender) any information with respect to the Borrower or any of its Subsidiaries which is now or in the future furnished pursuant to this Agreement or any other Credit Document, provided, that, any Lender may disclose any such information (i) as has become generally available to the public other than by virtue of a breach of this Section 11.16(a) by such Lender (including any information furnished pursuant to Section 11.03(b) and marked "PUBLIC"), (ii) as may be required or appropriate in any report, statement or testimony submitted to any municipal, state or Federal regulatory body having or claiming to have jurisdiction over such Lender or to the Federal Reserve Board or the Federal Deposit Insurance Corporation or similar governmental or non-governmental organizations (whether in the United States or elsewhere) or any rating agency or their successors, (iii) as may be required or appropriate in respect of any summons or subpoena or in connection with any litigation, (iv) in order to comply with any law, order, regulation or ruling applicable to such Lender, (v) to the Administrative Agent or the Collateral Agent or any other Lender, (vi) to any direct or indirect contractual counterparty in any swap, hedge or similar agreement (or to any such contractual counterparty's professional advisor), so long as such contractual counterparty (or such professional advisor) agrees to be bound by the provisions of this Section 11.16 and (vii) to any prospective or actual transferee, pledgee or participant in connection with any contemplated transfer, pledge or participation of any of the Notes, Loans or Commitments or any interest therein by such Lender, provided that such prospective transferee, pledgee or participant agrees to be bound by the confidentiality provisions of this Section 11.16.

(b) The Borrower hereby acknowledges and agrees that each Lender may share with any of its affiliates, and such affiliates may share with such Lender, any information related to the Borrower or any of its Subsidiaries (including, without limitation, any non-public customer information regarding the creditworthiness of the Borrower and its Subsidiaries), provided such Persons shall be subject to the provisions of this Section 11.16 to the same extent as such Lender.

(c) If, at any time and for any reason, the Borrower or any entity that beneficially owns 100% of the Equity Interests of the Borrower, becomes subject to the reporting requirements of Section 13(A) of Section 15(D) of the Securities Exchange Act of 1934, each Lender shall either (i) request that the Borrower no longer provide it with material non-public information that may otherwise be required to be provided hereunder or pursuant to any other agreement, or (ii) agree to adhere to the Borrower's (or such other entity's) insider trading policy.

(d) This Section 11.16 shall not be deemed to supercede or amend any other confidentiality agreement among the parties, whether executed prior to or after the date hereof.

11.17. Special Provisions Regarding Pledges of Equity Interests in, and Promissory Notes Owed by, Persons Not Organized in the United States. The parties hereto acknowledge and agree that the provisions of the various Security Documents executed and delivered by the Credit Parties

require, subject to the terms of the Intercreditor Agreement, that, among other things, all promissory notes executed by, and capital stock and other Equity Interests in, various Persons owned by the respective Credit Party be pledged, and delivered for pledge, pursuant to the Security Documents (and subject to the limitations thereunder). The parties hereto further acknowledge and agree that, subject to the terms of the Intercreditor Agreement, each Credit Party shall be required to take all actions under the laws of the jurisdiction in which such Credit Party is organized to create and perfect all security interests granted pursuant to the various Security Documents (and subject to the limitations thereunder) and to take all actions under the laws of the United States and any State thereof to perfect the security interests in the capital stock and other Equity Interests of, and promissory notes issued by, any Person organized under the laws of said jurisdictions (in each case, to the extent said capital stock, other Equity Interests or promissory notes are owned by any Credit Party). Except as provided in the immediately preceding sentence, to the extent any Security Document requires or provides for the pledge of promissory notes issued by, or capital stock or other Equity Interests in, any Foreign Subsidiary of the Borrower or any other Person organized under the laws of a jurisdiction other than those specified in the immediately preceding sentence, it is acknowledged that, as of the Closing Date, no actions have been required to be taken to perfect, under local law of the jurisdiction of the Person who issued the respective promissory notes or whose capital stock or other Equity Interests are pledged, under the Security Documents. The Borrower hereby agrees that, following any request by the Administrative Agent or the Required Lenders to do so, the Borrower will, and will cause its Subsidiaries to, take such actions under the local law of any jurisdiction with respect to which such actions have not already been taken as are determined by the Administrative Agent or the Required Lenders to be necessary or desirable in order to fully perfect, preserve or protect the security interests granted pursuant to the various Security Documents under the laws of such jurisdictions, in each case, subject to the terms of the Intercreditor Agreement. If requested to do so pursuant to this Section 11.17, all such actions shall be taken in accordance with, and subject to, the provisions of this Section 11.17 and Section 7.12 and within the time periods set forth therein. All conditions and representations contained in this Agreement and the other Credit Documents shall be deemed modified to the extent necessary to effect the foregoing and so that same are not violated by reason of the failure to take actions under local law (but only with respect to capital stock of, other Equity Interests in, and promissory notes issued by, a Foreign Subsidiary of the Borrower or any other Persons organized under laws of jurisdictions other than the United States and any State thereof) not required to be taken in accordance with the provisions of this Section 11.17, provided, that, to the extent any representation or warranty would not be true because the foregoing actions were not taken, the respective representation or warranties shall be required to be true and correct in all material respects at such time as the respective action is required to be taken in accordance with, and subject to, the foregoing provisions of Section 7.12 and this Section 11.17. Prior to the Discharge Conditions being met, the requirements of this Section 11.17 to deliver any Collateral to the Collateral Agent for purposes of perfection by possession or control shall be deemed satisfied by the delivery of such Collateral to the applicable First-Lien Collateral Agent and, if required hereunder, the delivery of a copy of such Collateral to the Collateral Agent.

11.18. Patriot Act. Each Lender subject to the USA PATRIOT ACT (Title 111 of Pub. L. 107-56 (signed into law October 26, 2001)) (the Patriot Act) hereby notifies the Borrower that pursuant to the requirements of the Patriot Act, it is required to obtain, verify and record information that identifies the Borrower and the other Credit Parties and other information that will allow such Lender to identify the Borrower and the other Credit Parties in accordance with the Patriot Act.

11.19. Post-Closing Actions. Notwithstanding anything to the contrary contained in this Agreement or in the other Credit Documents, the parties hereto acknowledge and agree that the Credit Parties shall be required to take the actions specified in Schedule 11.19 as promptly as practicable, and in any event within the time periods set forth in Schedule 11.19.

All conditions precedent and representations contained in this Agreement and the other Credit Documents shall be deemed modified to the extent necessary to effect the foregoing (and to permit the taking of the actions described above within the time periods required above, rather than as elsewhere provided in the Credit Documents), provided that (x) to the extent any representation and warranty would not be true because the foregoing actions were not taken on the Borrowing Date, the respective representation and warranty shall be required to be true and correct in all material respects at the time the respective action is taken (or was required to be taken) in accordance with the foregoing provisions of this Section 11.19 and (y) all representations and warranties relating to the Security Documents shall be required to be true immediately after the actions required to be taken by this Section 11.19 have been taken (or were required to be taken). (c) Each Guarantor hereby waives (to the fullest extent permitted by applicable law) all rights and benefits under Section 580a, 580b, 580d and 726 of the California Code of Civil Procedure. Each Guarantor hereby further waives (to the fullest extent permitted by applicable law), without limiting the generality of the foregoing or any other provision hereof, all rights and benefits which might otherwise be available to such Guarantor under Sections 2809, 2810, 2815, 2819, 2821, 2839, 2845, 2848, 2849, 2850, 2899 and 3433 of the California Civil Code.

(d) Until the Obligations (other than inchoate indemnity obligations) have been paid in full in cash, each Guarantor waives its rights of subrogation and reimbursement and any other rights and defenses available to such Guarantor by reason of Sections 2787 to 2855, inclusive, of the California Civil Code, including, without limitation, (1) any defenses such Guarantor may have to this Guaranty by reason of an election of remedies by the Secured Creditors and (2) any rights or defenses such Guarantor may have by reason of protection afforded to the Borrower or any Guaranteed Party pursuant to the antideficiency or other laws of California limiting or discharging such Borrower's or such other Guaranteed Party's indebtedness, including, without limitation, Section 580a, 580b, 580d or 726 of the California Code of Civil Procedure. In furtherance of such provisions, each Guarantor hereby waives all rights and defenses arising out of an election of remedies by the Secured Creditors, even though that election of remedies, such as a non-judicial foreclosure, destroys such Guarantor's rights of subrogation and reimbursement against any Borrower or any other Guaranteed Party by the operation of Section 580d of the California Code of Civil Procedure or otherwise.

Section 2.04. Reinstatement. The guaranty of any Guarantor contained in this Article II shall continue to be effective, or be reinstated, as the case may be, if at any time payment, or any part thereof, of any of the Obligations guaranteed by such Guarantor hereunder is rescinded or must otherwise be restored or returned by the Collateral Agent or any other Secured Creditor upon the insolvency, bankruptcy, dissolution, liquidation or reorganization of any Borrower or any other Credit Party, or upon or as a result of the appointment of a receiver, intervenor or conservator of, or trustee or similar officer for, any Borrower or any other Credit Party or any substantial part of its property, or otherwise, all as though such payments had not been made.

Section 2.05. Payments. Each Guarantor hereby guarantees that payments hereunder will be paid to the Administrative Agent, for the benefit of the Secured Creditors, without set-off, counterclaim or other defense and on the same basis as payments are made by the Borrower under Sections 4.03 and 4.04 of the Credit Agreement.

Section 2.06. Information. Each Guarantor assumes all responsibility for being and keeping itself informed of the Borrower's and each other Credit Party's financial condition and assets and of all other circumstances bearing upon the risk of nonpayment of the Obligations and the nature, scope and extent of the risks that such Guarantor assumes and incurs hereunder and agrees that none of the Collateral Agent or the other Secured Creditors will have any duty to advise such Guarantor of information known to it or any of them regarding such circumstances or risks.

Section 3.02. Delivery of the Pledged Collateral. (a) Each Grantor represents and warrants that all certificates, agreements or instruments representing or evidencing the Pledged Stock and the Pledged Debt in existence on the date hereof have been delivered to the First-Lien Collateral Agent or the Collateral Agent, as applicable in accordance with the Intercreditor Agreement, in suitable form for transfer by delivery or accompanied by duly executed instruments of transfer or assignment in blank. Subject to the terms of the Intercreditor Agreement and following the satisfaction of the Discharge Conditions, each Grantor agrees promptly to deliver or cause to be delivered to the Collateral Agent any and all Pledged Stock and all debt securities of a principal amount in excess of \$500,000 constituting Pledged Collateral now owned or hereafter acquired by such Grantor.

(b) In addition to the requirements of preceding clause (a), each Grantor will cause any Indebtedness for borrowed money owed to such Grantor by any Person of a principal amount which is in excess of \$500,000 to be evidenced by a promissory note to, subject to the terms of the Intercreditor Agreement and following the satisfaction of the Discharge Conditions, be delivered to the Collateral Agent.

(c) Upon delivery to the Collateral Agent, (i) any Pledged Securities shall be accompanied by undated stock powers duly executed in blank or other undated instruments of transfer reasonably satisfactory to the Collateral Agent and by such other instruments and documents as the Collateral Agent may reasonably request that are necessary to perfect a security interest in such Pledged Collateral and (ii) all other property comprising part of the Pledged Collateral shall be accompanied by proper instruments of assignment duly executed by the applicable Grantor and such other instruments or documents as the Collateral Agent may reasonably request that are necessary to perfect a security interest in such Pledged Collateral.

To the extent that any of the Pledged Collateral are uncertificated securities registered in the name of any Grantor or its nominee or agent, subject to the terms of the Intercreditor Agreement and following the satisfaction of the Discharge Conditions, such Grantor shall promptly upon the Collateral Agent's request deliver to the Collateral Agent an irrevocable agreement of the issuer of such Pledged Collateral satisfactory to the Collateral Agent, acting reasonably, that the issuer will comply with instructions that are originated by the Collateral Agent without the further consent of such Grantor and following an Event of Default cause the issuer of the Pledged Collateral to register the Collateral Agent, or its agent or nominee, as the Collateral Agent may direct, as the registered owner of such Pledged Collateral.

Section 3.03. Representations, Warranties and Covenants. The Grantors jointly and severally represent, warrant and covenant to and with the Collateral Agent, for the benefit of the Secured Creditors, that:

(a) Schedule II correctly sets forth the percentage of the issued and outstanding shares (or units or other comparable measure) of each class of the Equity Interests of the issuer thereof represented by the Pledged Stock and includes all Pledged Stock and Pledged Debt;

(b) to the knowledge of such Grantor (unless such Pledged Stock and Pledged Debt has been issued by any of the Borrower's direct or indirect Restricted Subsidiaries, in which case this representation and warranty shall not be qualified by knowledge), the Pledged Stock and Pledged Debt have been duly and validly authorized and issued by the issuers thereof and (i) in the case of Pledged Stock, are fully paid and nonassessable and (ii) in the case of Pledged Debt, are legal, valid and binding obligations of the issuers thereof, except to the extent that the enforceability thereof may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or other similar laws generally affecting creditors' rights and by equitable principles (regardless of whether enforcement is sought in equity or at law);

(c) except for the security interests granted hereunder and the First Lien Credit Documents, each of the Grantors (i) is and, subject to any transfers made in compliance with the Credit Agreement, will continue to be the direct owner, beneficially and of record, of the Pledged Securities indicated on Schedule II as owned by such Grantor, (ii) holds the same free and clear of all Liens, other than Permitted Liens (including the Lien of the First-Lien Collateral Agent to secure the First-Lien Obligations), (iii) except for transfers permitted under the Credit Agreement, will make no assignment, pledge, hypothecation or transfer of, or create or permit to exist any security interest in or other Lien on, the Pledged Collateral, other than Permitted Liens (including the Lien of the First-Lien Collateral Agent to secure the First-Lien Obligations), and (iv) will use commercially reasonable efforts to defend its title or interest thereto or therein against any and all Liens (other than Permitted Liens (including the Lien of the First-Lien Collateral Agent to secure the First-Lien Obligations))), however arising, of all Persons whomsoever;

(d) except for restrictions and limitations imposed by (i) the First-Lien Credit Documents, (ii) the Credit Documents, (iii) securities laws generally or (iv) customary provisions in joint venture agreements relating to purchase options, rights for first refusal, tag, drag, call or similar rights of a third party that owns Equity Interests in such joint venture, the Pledged Collateral is and will

continue to be freely transferable and assignable, and, except as otherwise expressly permitted by the Credit Agreement, none of the Pledged Collateral is or will be subject to any option, right of first refusal, shareholders agreement, charter or by-law provision or contractual restriction of any nature that might prohibit, impair, delay or otherwise affect the pledge of such Pledged Collateral hereunder, the sale or disposition thereof pursuant hereto or the exercise by the Collateral Agent of rights and remedies hereunder;

(e) each of the Grantors has the power and authority to pledge the Pledged Collateral pledged by it hereunder in the manner hereby done or contemplated;

(f) no consent or approval of any Governmental Authority, any securities exchange or any other Person was or is necessary to the validity of the pledge effected hereby (other than such as have been obtained and are in full force and effect); and

(g) by virtue of the execution and delivery by the Grantors of this Agreement, subject to the terms of the Intercreditor Agreement, when (x) any Pledged Securities are delivered to the Collateral Agent in accordance with this Agreement or (y) the filing of the Uniform Commercial Code financing statements with respect to the respective Grantor are made as described in Section 4.02(a), the Collateral Agent will obtain, for the benefit of the Secured Creditors, a legal, valid and perfected first-priority lien upon and security interest in such Pledged Securities as security for the payment and performance of the Obligations to the extent such security interest may be perfected by possession or control or filing of a Uniform Commercial Code financing statement (as applicable).

Section 3.04. Registration in Nominee Name; Denominations. The Collateral Agent, on behalf of the Secured Creditors, shall, subject to the terms of the Intercreditor Agreement and following the satisfaction of the Discharge Conditions, have the right (in its sole and absolute discretion) to hold the Pledged Securities in the name of the applicable Grantor, endorsed or assigned in blank or in favor of the Collateral Agent or, upon the occurrence of an Event of Default that is continuing, in its own name as pledgee or the name of its nominee (as pledgee or as sub-agent). Each Grantor will promptly give to the Collateral Agent copies of any material notices or other communications received by it with respect to Pledged Securities registered in the name of such Grantor. The Collateral Agent shall, subject to the terms of the Intercreditor Agreement and following the satisfaction of the Discharge Conditions, at all times upon the occurrence of an Event of Default that is continuing have the right to exchange the certificates representing Pledged Securities for certificates of smaller or larger denominations for any purpose consistent with this Agreement.

Section 3.05. Voting Rights; Dividends and Interest. (a) Unless and until an Event of Default shall have occurred and be continuing and the Collateral Agent shall have notified the Grantors, in accordance with paragraph (d) below, that their rights under this Section 3.05 are being suspended:

(i) Each Grantor shall be entitled to exercise any and all voting and other consensual rights and powers inuring to an owner of Pledged Securities or any part thereof for any purpose consistent with the terms in this Agreement, the Credit Agreement and the other Credit Documents, provided that, except as expressly permitted under the Credit Agreement, such rights and powers shall not be exercised in any manner that would reasonably be expected to materially and adversely affect the rights inuring to a holder of any Pledged Securities or the rights and remedies of any of the Collateral Agent or the other Secured Creditors under this Agreement or the Credit Agreement or any other Credit Document or the ability of the Collateral Agent (on behalf of the Secured Creditors) to exercise the same.

(ii) Each Grantor shall be entitled to receive and retain any and all dividends, interest, principal and other distributions paid on or distributed in respect of the Pledged Securities to the extent and only to the extent that such dividends, interest, principal and other distributions are not prohibited by the terms and conditions of the Credit Agreement, the other Credit Documents and applicable laws, provided that (x) any noncash dividends, interest, principal or other distributions that would constitute Pledged Stock or Pledged Debt, whether resulting from a subdivision, combination or reclassification of the outstanding Equity Interests of the issuer of any Pledged Securities or received in exchange for Pledged Securities or any part thereof, or in redemption thereof, or as a result of any merger, consolidation, acquisition or other exchange of assets to which such issuer may be a party or otherwise, shall be and become part of the Pledged Collateral, and, if received by any Grantor, shall not be commingled by such Grantor with any of its other funds or property but shall be held separate and apart therefrom, shall be held in trust for the benefit of the Collateral Agent and the other Secured Creditors and shall, subject to the terms of the Intercreditor Agreement and following the satisfaction of the Discharge Conditions, be forthwith delivered to the Collateral Agent in the same form as so received (with any necessary endorsement as described in Section 3.03(c) or otherwise) and (y) any Article 9 Collateral so received shall be subject to the applicable provisions of Article IV hereof.

(b) Upon the occurrence of an Event of Default that is continuing, after the Collateral Agent shall have notified the Grantors in writing of the suspension of their rights under paragraph (a)(ii) of this Section 3.05, all rights of any Grantor to dividends, interest, principal or other distributions that such Grantor is authorized to receive in accordance with paragraph (a)(ii) of this Section 3.05 shall cease, and all such rights shall, subject to the terms of the Intercreditor Agreement and following the satisfaction of the Discharge Conditions, thereupon become vested in the Collateral Agent, which shall have the sole and exclusive right and authority to receive and retain such dividends, interest, principal or other distributions. All dividends, interest, principal or other distributions received by any Grantor contrary to the provisions of this Section 3.05 shall, subject to the terms of the Intercreditor Agreement and following the satisfaction of the Discharge Conditions, be held in trust for the benefit of the Collateral Agent and the other Secured Creditors, shall be segregated from other property or funds of such Grantor and shall, subject to the terms of the Intercreditor Agreement and following the satisfaction of the Discharge Conditions, be forthwith delivered to the Collateral Agent upon written demand in the same form as so received (with any necessary endorsement). Any and all money and other property paid over to or received by the Collateral Agent pursuant to the provisions of this paragraph (b) shall, subject to the terms of the Intercreditor Agreement and following the satisfaction of the Discharge Conditions, be retained by the Collateral Agent in an account to be established by the Collateral Agent upon receipt of such money or other property and shall be applied in accordance with the provisions of Section 5.02.

(c) Upon the occurrence of an Event of Default that is continuing, after the Collateral Agent shall have notified in writing the Grantors of the suspension of their rights under paragraph (a)(i) of this Section 3.05, all rights of any Grantor to exercise the voting and other consensual rights and powers it is entitled to exercise in accordance with paragraph (a)(i) of this Section 3.05 shall cease, and all such rights shall thereupon become vested in the Collateral Agent, which, subject to the terms of the Intercreditor Agreement and following the satisfaction of the

Discharge Conditions, shall have the sole and exclusive right and authority to exercise such voting and other consensual rights and powers, provided that, unless otherwise directed by the Required Lenders, the Collateral Agent shall have the right from time to time following of an Event of Default that is continuing to permit the Grantors to exercise such rights. After all Events of Default have been cured or waived, the Grantors shall have the right to exercise the voting and consensual rights and powers that they would otherwise be entitled to exercise in accordance with the terms of paragraph (a)(i) above.

(d) Any notice given by the Collateral Agent to the Grantors suspending their rights under paragraph (a) of this Section 3.05 (i) may be given by telephone if promptly confirmed in writing, (ii) may be given to one or more of the Grantors at the same or different times and (iii) may suspend the rights of the Grantors under paragraph (a)(i) or paragraph (a)(ii) of this Section 3.05 in part without suspending all such rights (as specified by the Collateral Agent in its sole and absolute discretion) and without waiving or otherwise affecting the Collateral Agent's rights to give additional notices from time to time suspending other rights so long as an Event of Default has occurred and is continuing.

The Security Interest is and shall be prior to any other Lien on any of the Article 9 Collateral, other than Permitted Liens (including the Lien of the First-Lien Collateral Agent to secure the First-Lien Obligations).

(i) The Article 9 Collateral is owned by the Grantors free and clear of any Lien, except for Permitted Liens (including the Lien of the First-Lien Collateral Agent to secure the First-Lien Obligations). None of the Grantors has filed or consented to the filing of (i) any financing statement or analogous document under the UCC or any other applicable laws covering any Collateral, (ii) any assignment intended as security in which any Grantor assigns any Collateral or any security agreement or similar instrument covering any Article 9 Collateral with the United States Patent and Trademark Office or the United States Copyright Office or (iii) any assignment intended as security in which any Grantor assigns any Article 9 Collateral or any security agreement or similar instrument covering any Article 9 Collateral with any foreign governmental, municipal or other office, which financing statement or analogous document, assignment, security agreement or similar instrument is still in effect, except, in each case, for Permitted Liens (including filings to perfect the Lien of the First-Lien Collateral Agent securing the First-Lien Obligations).

Each Grantor agrees promptly to notify the Collateral Agent if any portion of the Article 9 Collateral owned or held by such Grantor is damaged or destroyed which, individually or in the aggregate, would cause a Material Adverse Effect (excluding Article 9 Collateral consisting of Intellectual Property which is governed exclusively by Section 4.05).

(b) Each Grantor shall, at its own expense, take any and all actions necessary to defend title to the Collateral (other than (i) Collateral that is deemed by such Grantor to be immaterial to the conduct of its business and (ii) Article 9 Collateral consisting of Intellectual Property which is governed exclusively by Section 4.05) against all Persons claiming any interest adverse to the Collateral Agent or any other Secured Creditor (other than the holders of Permitted Liens (including the Lien of the First-Lien Collateral Agent to secure the First-Lien Obligations)) and to defend the security interests of the Collateral Agent in the Collateral and the priority thereof against any Lien (other than Permitted Liens (including the Lien of the First-Lien Collateral Agent to secure the First-Lien Obligations)). Nothing in this Agreement shall prevent any Grantor from discontinuing the operation or maintenance of any of its assets or properties if such discontinuance is (x) in the judgment of its board of directors, desirable in the conduct of its business and (y) permitted by the Credit Agreement.

(c) Each Grantor agrees, at its own expense, to, subject to the terms of the Intercreditor Agreement, execute, acknowledge, deliver and cause to be duly filed all such further instruments and documents and take all such actions as the Collateral Agent may from time to time reasonably request to preserve, protect and perfect the security interests and the rights and remedies created hereby, including the payment of any fees and taxes required in connection with the execution and delivery of this Agreement, the granting of the security interests hereunder and the filing of any financing statements (including fixture filings) or other documents (including execution of agreements in the form of Exhibits IV, V and VI attached hereto and delivery to the Collateral Agent for filing such agreements with the United States Patent and Trademark Office or United States Copyright Office, as applicable, and any filings or notices required to be made under any applicable Assignment of Claims Act (or similar statute) in respect of any Governmental Authority which is an Account Debtor) in connection herewith or therewith. If any amount payable to any Grantor under or in connection with any of the Article 9 Collateral shall be or become evidenced by any promissory note or other instrument issued to such Grantor (i) by the Borrower or any of its Subsidiaries or (ii) by any third Person, in either case, and the face amount of such promissory note or other instrument is in excess of \$500,000, in each such case such note or instrument shall be promptly pledged and, subject to the terms of the Intercreditor Agreement and following the satisfaction of the Discharge Conditions, delivered to the Collateral Agent, duly endorsed in a manner reasonably satisfactory to the Collateral Agent.

(d) At its option, following the satisfaction of the Discharge Conditions, the Collateral Agent may discharge past due Taxes, assessments, charges, fees or Liens at any time levied or placed on the Collateral and not permitted pursuant to Section 8.01 of the Credit Agreement, and, following the satisfaction of the Discharge Conditions, may pay for the maintenance and preservation of the Article 9 Collateral to the extent any Grantor fails to do so as required by the Credit Agreement or this Agreement, and each Grantor, following the satisfaction of the Discharge Conditions, jointly and severally agrees to reimburse the Collateral Agent on demand for any payment made or any expense incurred by the Collateral Agent pursuant to the foregoing authorization, provided that nothing in this paragraph shall be interpreted as excusing any Grantor from the performance of, or imposing any obligation on the Collateral Agent or any Secured Creditor to cure or perform, any covenants or other promises of any Grantor with respect to Taxes, assessments, charges, fees, Liens and maintenance as set forth in this Agreement or in the other Credit Documents.

(e) If at any time any Grantor shall take a security interest in any property of an Account Debtor or any other Person with a value in excess of \$500,000 to secure payment and performance of an Account, such Grantor shall, subject to the terms of the Intercreditor Agreement, promptly assign such security interest to the Collateral Agent. Such assignment need not be filed of public record unless necessary to continue the perfected status of the security interest against creditors of and transferees from the Account Debtor or other Person granting the security interest.

(f) Each Grantor shall remain liable to observe and perform all the conditions and material obligations to be observed and performed by it under each contract, agreement or instrument relating to the Collateral, all in accordance with the terms and conditions thereof.

(g) None of the Grantors shall make or permit to be made an assignment, pledge or hypothecation of the Collateral or shall grant any other Lien in respect of the Collateral, except as permitted by the Credit Agreement. Subject to the immediately following sentence, none of the Grantors shall make or permit to be made any transfer of the Collateral and each Grantor shall remain at all times in possession of the Collateral owned by it, except (i) as permitted by Sections 8.01, 8.02 or 8.05 of the Credit Agreement, (ii) for any such Collateral as may be in transit from time to time or out for repair or maintenance, (iii) for Collateral consisting of equipment in possession of persons affiliated with the Grantors or movable equipment that is temporarily removed by employees, in each case in the ordinary course of business, (iv) for Collateral consisting of Intellectual Property that such Grantor determines in its good faith business judgment to transfer, dispose of or discontinue the use or maintenance thereof would not result in a Material Adverse Effect, (v) Collateral that is required to be transferred or delivered to the First-Lien Collateral Agent in accordance with the First Lien Credit Documents and (vi) otherwise for purchase or lease by such Grantor's customers in the ordinary course of business. Without limiting the generality of the foregoing, each Grantor agrees that it shall not permit any Inventory to be in the possession or control of any warehouseman, agent, bailee, or processor at any time unless (x) such Inventory is in transit at such time, (y) the aggregate fair value of the Inventory in the possession of or subject to the control of such Person is less than \$500,000 or (z) such Person shall have been notified of the Security Interest and shall have acknowledged in writing, in form and substance reasonably satisfactory to the Collateral Agent, that such warehouseman, agent, bailee or processor holds the Inventory for the benefit of the Collateral Agent subject to the Security Interest and shall act upon the instructions of the Collateral Agent without further consent from the Grantor, and that such warehouseman, agent, bailee or processor further agrees to waive and release any Lien held by it with respect to such Inventory, whether arising by operation of law or otherwise.

(h) None of the Grantors will, without the Collateral Agent's prior written consent, grant any extension of the time of payment of any Accounts included in the Article 9 Collateral, compromise, compound or settle the same for less than the full amount thereof, release, wholly or partly, any Person liable for the payment thereof or allow any credit or discount whatsoever thereon, other than compromises, compoundings, settlements and collections made in the ordinary course of business or in accordance with the reasonable business judgment of such Grantor.

(i) The Grantors, at their own expense, shall maintain or cause to be maintained insurance covering physical loss or damage to the Inventory and Equipment in accordance with the requirements set forth in Section 7.03 of the Credit Agreement. Each Grantor irrevocably makes, constitutes and appoints the Collateral Agent (and all officers, employees or agents designated by the Collateral Agent) as such Grantor's true and lawful agent (and attorney-in-fact) for the purpose, upon the occurrence of an Event of Default that is continuing, subject to the terms of the Intercreditor Agreement and following the satisfaction of the Discharge Conditions, of making, settling and adjusting claims in respect of Article 9 Collateral under policies of insurance, endorsing the name of such Grantor on any check, draft, instrument or other item of payment for the proceeds of such policies of insurance and for making all determinations and decisions with respect thereto. In the event that any Grantor at any time or times shall fail to obtain or maintain any of the policies of insurance required under the Credit Agreement or to pay any premium in whole or part relating thereto, the Collateral Agent may, subject to the terms of the Intercreditor Agreement and following the satisfaction of the Discharge Conditions, without waiving or releasing any obligation or liability of the Grantors hereunder or any Event of Default, in its sole reasonable discretion, obtain and maintain such policies of insurance and pay such premium and take any other actions with respect thereto as the Collateral Agent deems advisable. All sums disbursed by the Collateral Agent in connection with this paragraph, including reasonable attorneys' fees, court costs, out-of-pocket expenses and other charges relating thereto, shall be payable, upon demand, by the Grantors to the Collateral Agent and shall be additional Obligations secured hereby.

Section 4.04. Other Actions. In order to insure the attachment, perfection and priority of, and the ability of the Collateral Agent to enforce, the Security Interest in accordance with the terms hereof, each Grantor agrees, in each case at such Grantor's own expense, to, subject to the terms of the Intercreditor Agreement, take the following actions with respect to the following Article 9 Collateral:

(a) Instruments and Tangible Chattel Paper. Each Grantor represents and warrants that each Instrument and each item of Tangible Chattel Paper with a value in excess of \$500,000 in existence on the date hereof has been properly endorsed, assigned and delivered to the First-Lien Collateral Agent or the Collateral Agent, as applicable in accordance with the Intercreditor Agreement, Collateral Agent, accompanied by instruments of transfer or assignment duly executed in blank. If any Grantor shall at any time hold or acquire any Instruments or Chattel Paper with a value in excess of \$500,000, such Grantor shall, subject to the terms of the Intercreditor Agreement and following the satisfaction of the Discharge Conditions, forthwith endorse, assign and deliver the same to the Collateral Agent, accompanied by such undated instruments of transfer or assignment duly executed in blank as the Collateral Agent may from time to time reasonably request.

(b) Electronic Chattel Paper and Transferable Records. If any Grantor at any time holds or acquires an interest in any electronic chattel paper or any transferable record, as that term is defined in Section 201 of the Federal Electronic Signatures in Global and National Commerce Act, or in Section 16 of the Uniform Electronic Transactions Act as in effect in any relevant jurisdiction, such Grantor shall promptly notify the Collateral Agent thereof and, at the request of the Collateral Agent, shall, subject to the terms of the Intercreditor Agreement and following the satisfaction of the Discharge Conditions, take such action as the Collateral Agent may reasonably request to vest in the Collateral Agent control under New York UCC Section 9-105 of such electronic chattel paper or control under Section 201 of the Federal Electronic Signatures in Global and National Commerce Act or, as applicable, Section 16 of the Uniform Electronic Transactions Act, as in effect in such jurisdiction, of such transferable record; provided that no Grantor shall be required to take any action described above in this clause (b) unless the aggregate amount payable to the Grantors evidenced by Electronic Chattel Paper or any transferable record in which the Collateral Agent has not been vested control within the meaning of the statutes described above in this clause (b) exceeds \$500,000. The Collateral Agent agrees with such Grantor that the Collateral Agent will arrange, pursuant to procedures reasonably satisfactory to the Collateral Agent and so long as such procedures will not result in the Collateral Agent's loss of control, for the Grantor to make alterations to the electronic chattel paper or transferable record permitted under UCC Section 9-105 or, as applicable, Section 201 of the Federal Electronic Signatures in Global and National Commerce Act or Section 16 of the Uniform Electronic Transactions Act for a party in control to allow without loss of control, unless an Event of Default has occurred and is continuing or would occur after taking into account any action by such Grantor with respect to such electronic chattel paper or transferable record.

(c) Letter-of-Credit Rights. If any Grantor is at any time a beneficiary under a letter of credit now or hereafter issued in favor of such Grantor in an amount in excess of \$500,000, such Grantor shall promptly notify the Collateral Agent thereof and, at the request and option of the Collateral Agent, such Grantor shall, subject to the terms of the Intercreditor Agreement and following the satisfaction of the Discharge Conditions, pursuant to an agreement in form and substance reasonably satisfactory to the Collateral Agent, use commercially reasonable efforts to either

(i) arrange

for the issuer and any confirmer of such letter of credit to consent to an assignment to the Collateral Agent of the proceeds of any drawing under such letter of credit or (ii) arrange for the Collateral Agent to become the transferee beneficiary of such letter of credit, with the Collateral Agent agreeing, in each case, that the proceeds of any drawing under such letter of credit are to be paid to the applicable Grantor unless an Event of Default has occurred or is continuing.

(d) Commercial Tort Claims. If any Grantor shall at any time hold or acquire a commercial tort claim in an amount reasonably estimated to exceed \$500,000, the Grantor shall promptly notify the Collateral Agent thereof in a writing signed by such Grantor including a summary description of such claim and grant to the Collateral Agent, for the ratable benefit of the Secured Creditors, in such writing a security interest therein and in the proceeds thereof, all upon the terms of this Agreement, with such writing to be in form and substance reasonably satisfactory to the Collateral Agent.

Section 4.05. Covenants Regarding Patent, Trademark and Copyright Collateral. (a) Each Grantor agrees that it will not do any act or omit to do any act (and will exercise commercially reasonable efforts to prevent its licensees from doing any act or omitting to do any act) whereby any Patent would become invalidated or dedicated to the public unless such invalidation or dedication to the public would reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect. Each Grantor further agrees that it shall continue to mark any products covered by a Patent with the relevant patent number as necessary and sufficient in its reasonable judgment to establish and preserve its material rights under applicable patent laws.

(b) Each Grantor (either itself or through its licensees or its sublicensees) will, for each Trademark owned by such Grantor and material to the conduct of such Grantor's business (taken as a whole), (i) use commercially reasonable efforts to maintain such Trademark free from any claim of abandonment or invalidity for non-use, (ii) use commercially reasonable efforts to maintain the quality of products and services offered under such Trademark, (iii) display such Trademark with notice of Federal or foreign registration (or, if such Trademark is unregistered, display such Trademark with notice as required for unregistered Trademarks) to the extent necessary and sufficient in its reasonable business judgment to establish and preserve its material rights under applicable trademark laws and (iv) not knowingly use or permit the use of such Trademark in any violation of any third party rights. The parties acknowledge that, notwithstanding the foregoing, such Grantor may elect to abandon or otherwise discontinue maintenance of any Trademark if (i) such Grantor determines in its good faith business judgment that such abandonment or discontinuance is desirable in the conduct of its business and (ii) such abandonment or discontinuance would not result in a Material Adverse Effect.

(c) Each Grantor (either itself or through its licensees or sublicensees) will, for each work covered by a Copyright material to the conduct of such Grantor's business (taken as a whole), continue to publish, reproduce, display, adopt and distribute the work with appropriate copyright notice as necessary and sufficient in its reasonable business judgment to establish and preserve its material rights under applicable copyright laws.

(d) Each Grantor shall notify the Collateral Agent promptly if it knows that any Patent, Trademark or Copyright owned by such Grantor and material to the conduct of such Grantor's business (taken as a whole) could reasonably be expected to become abandoned, lost or dedicated to the public, or of any materially adverse determination or development (including the institution of, or any such determination or development in, any proceeding, other than ex parte office actions, in the United

States Patent and Trademark Office, United States Copyright Office or any court or similar office of any country) regarding such Grantor's ownership of any such Patent, Trademark or Copyright, its right to register the same, or its right to keep and maintain the same; provided, that the parties acknowledge that nothing in this Agreement prevents such Grantor from disposing of or discontinuing the use or maintenance of any of its Intellectual Property if (i) such Grantor determines in its good faith business judgment that such disposal or discontinuance is desirable in the conduct of its business and (ii) such disposition or discontinuance would not result in a Material Adverse Effect.

(e) In no event shall any Grantor, either itself or through any agent, employee, licensee or designee, file an application with respect to any Patent, Trademark or Copyright with the United States Patent and Trademark Office or the United States Copyright Office or in any other country or any political subdivision thereof, unless it promptly thereafter informs the Collateral Agent and, upon request of the Collateral Agent, executes and delivers any and all agreements, instruments, documents and papers as the Collateral Agent may reasonably request to evidence the Collateral Agent's security interest in such Patent, Trademark or Copyright, and each Grantor hereby appoints the Collateral Agent as its attorney-in-fact to execute and file such writings as are reasonably necessary for the foregoing purposes, all acts of such attorney being hereby ratified and confirmed; such power, being coupled with an interest, is irrevocable until such time as when the Total Commitment has terminated and the Loans and Notes (in each case together with interest thereon), Fees and all other Obligations (other than indemnities described in Section 7.03 and in the other provisions of the Credit Documents which are not then due and payable) incurred hereunder and under the other Credit Documents are paid in full.

(f) Each Grantor will take all commercially reasonable necessary steps that it may deem necessary or appropriate in its good faith business judgment in any proceeding before the United States Patent and Trademark Office, United States Copyright Office or any other Intellectual Property office or agency in any political subdivision of the United States, to maintain each issued Patent and each registration of the Trademarks and Copyrights and pursue each registration or application, in each case, that is material to the conduct of the Grantors' business (taken as a whole) for Patents, Trademarks and/or Copyrights owned by such Grantor (and to obtain the relevant grant or registration), including timely filings of applications for renewal, affidavits of use, affidavits of incontestability and payment of maintenance fees, and, if deemed necessary or appropriate in such Grantor's good faith business judgment, to initiate opposition, interference and cancellation proceedings against third parties; provided, that nothing in this Agreement shall prevent such Grantor from not pursuing or maintaining such an application or registration if (i) such Grantor determines in its good faith business judgment that such discontinuance is desirable in the conduct of its business and (ii) such discontinuance will not result in a Material Adverse Effect.

(g) In the event that any Grantor knows that any Article 9 Collateral consisting of a Patent, Trademark or Copyright owned by such Grantor and material to the conduct of the Grantors' business (taken as a whole) has been materially infringed, misappropriated or diluted by a third party, such Grantor promptly shall notify the Collateral Agent and shall, if consistent with such Grantor's good faith business judgment, promptly sue for infringement, misappropriation or dilution and to recover any and all damages for such infringement, misappropriation or dilution (and take any actions required by applicable law prior to instituting such suit), and take such other actions it deems appropriate under the circumstances to protect such Article 9 Collateral. Nothing in this Agreement shall prevent any Grantor from discontinuing the use or maintenance of any Article 9 Collateral consisting of a Patent, Trademark or Copyright, or require any Grantor to pursue any claim of infringement, misappropriation or dilution, if (x) such Grantor so determines in its good faith business judgment or (y) it is not prohibited by the Credit Agreement.

(h) Upon of an Event of Default that is continuing, each Grantor shall, at the reasonable request of the Collateral Agent, use its commercially reasonable efforts to obtain all requisite consents or approvals by the licensor of each Copyright License, Patent License or Trademark License to effect the assignment of all such Grantor's right, title and interest thereunder to the Collateral Agent or its designee.

(i) Each Grantor shall, upon Collateral Agent's reasonable request, register its material Licenses in such jurisdictions requiring such registration. If permitted in a relevant jurisdiction, a Grantor may execute a short form version of each such License as is necessary to effect the foregoing registration in such jurisdiction.

Section 4.06. Cash Management System and Securities Accounts.

(a) Deposit Accounts. As of the date hereof each Grantor has neither opened nor maintains any Deposit Accounts other than Excluded Accounts and the accounts listed on Schedule V. At Collateral Agent's request, but in no event earlier than the date occurring 60 days from the date hereof, or in the case of any Deposit Account which was an Excluded Account but ceases to constitute same, 30 days after such cessation, or in each case, such longer period as is acceptable to the Collateral Agent, each Grantor shall use commercially reasonable efforts to cause each of such Deposit Accounts to be subject to the terms of a fully executed Deposit Account Control Agreement. Each applicable Grantor will give prompt notice to the Collateral Agent upon establishing a new Deposit Account with a bank. Such Grantor shall, at Collateral Agent's request use commercially reasonable efforts to, within 30 days after the establishment or maintenance of any Deposit Account referred to in the preceding sentence (or such longer period as is agreed by the Collateral Agent), such bank and such Grantor shall duly execute and deliver to the Collateral Agent a Deposit Account Control Agreement with respect to such Deposit Account. The Collateral Agent agrees with each Grantor that the Collateral Agent shall not give any instructions directing the disposition of funds from time to time credited to any Deposit Account or withhold any withdrawal rights from such Grantor with respect to funds from time to time credited to any Deposit Account or give any notice of sale or exclusive control over any Deposit Accounts except upon the occurrence of an Event of Default that is continuing. No Grantor shall grant Control of any Deposit Account to any person other than the First-Lien Collateral Agent and the Collateral Agent. The provisions of this Section 4.06 shall not apply to (1) any Deposit Accounts for which the Collateral Agent is the Bank, (2) any Deposit Accounts (and the cash and Cash Equivalents therein) specifically and exclusively used for (x) payroll, payroll taxes, and other employee wage and benefit payments to or for the benefit of any Grantor's employees and accrued and unpaid employee compensation (including salaries, wages, benefits and expense reimbursements), (y) all taxes required to be collected or withheld (including, without limitation, federal and state withholding taxes (including the employer's share thereof), taxes owing to any governmental unit thereof, sales, use and excise taxes, customs duties, import duties and independent customs brokers' charges), and other taxes for which any Grantor may become liable or (z) accounts used as collateral to satisfy potential obligations permitted by Section 8.01(l) of the Credit Agreement and (3) any Deposit Accounts which individually, or in the aggregate, do not have more than \$50,000 on deposit therein for any period of more than five Business Days (each an Excluded Account).

(b) Securities Accounts. As of the date hereof each Grantor has no Securities Accounts other than those listed in Schedule VI or any accounts used as collateral to satisfy potential obligations permitted by Section 8.01(l) of the Credit Agreement. At Collateral Agent's request, but in no event earlier than the date occurring 60 days from the date hereof (or such longer period as is acceptable to the Collateral Agent), such Grantor shall make commercially reasonable efforts to give the Collateral Agent a perfected security interest in such Securities Accounts by Control. Each applicable Grantor will give prompt notice to the Collateral Agent upon establishing a new Securities Account with any Securities Intermediary. Except with respect to accounts of the type described in clause (v) of the last paragraph of Section 4.01(a) or any accounts used as collateral to satisfy potential obligations permitted by Section 8.01(l) of the Credit Agreement, within 30 days after the establishment or maintenance of any Securities Account referred to in the preceding sentence (or such longer period as is agreed by the Collateral Agent), such Grantor shall, at Collateral Agent's request, use commercially reasonable efforts to cause such Securities Intermediary and such Grantor shall duly execute and deliver to the Collateral Agent a Securities Account Control Agreement with respect to such Securities Account. Each Grantor shall (i) accept any uncertificated Investment Property (other than Excess Exempted Foreign Entity Voting Equity Interests) in trust for the benefit of the Collateral Agent and (ii) from and after the 60th day following the Closing Date (or, if the requirements set forth in the second sentence of Section 4.01(a) above have been satisfied prior to such date, such earlier date), deposit within five (5) Business Days of actual receipt thereof any and all cash and Investment Property (other than (x) cash deposited into a Deposit Account of the type described in clause (2) or (3) of the penultimate sentence of Section 4.06(a), (y) any Investment Property pledged and delivered to the Collateral Agent pursuant to Section 3.02 and (z) any Excess Exempted Foreign Entity Voting Equity Interest) received by it into a Deposit Account or Securities Account subject to Collateral Agent's Control. The Collateral Agent agrees with each Grantor that the Collateral Agent shall not give any Entitlement Orders or instructions or directions to any issuer of uncertificated securities or Securities Intermediary, and shall not withhold its consent to the exercise of any withdrawal or dealing rights by such Grantor, unless an Event of Default has occurred and is continuing or, after giving effect to any such investment and withdrawal rights, would occur. No Grantor shall grant control over any Investment Property to any Person other than the First-Lien Collateral Agent and the Collateral Agent.

Section 4.07. Certain Uncertificated Securities. In the event that any of the Pledged Collateral consists of limited liability company interests or partnership interests that are uncertificated securities for the purposes of the UCC, then the respective Grantor that owns such Pledged Collateral shall cause (or, in the case of any issuer which is not a Subsidiary of such Grantor, use commercially reasonable efforts to cause) the issuer thereof to duly authorize, execute and deliver to the Collateral Agent an agreement for the benefit of the Collateral Agent and the other Secured Creditors substantially in the form of Exhibit VII hereto.

ARTICLE V

Remedies

Section 5.01. Remedies upon Default. Upon the occurrence of an Event of Default that is continuing, each Grantor agrees, subject to the terms of the Intercreditor Agreement and following the satisfaction of the Discharge Conditions, to deliver each item of Collateral to the Collateral Agent on demand, and it is agreed that the Collateral Agent shall have the right, subject to the terms of the Intercreditor Agreement, to take any of or all the following actions at the same or different times: (a) with respect to any Article 9 Collateral consisting of Intellectual Property, on demand, to cause the

Security Interest to become an assignment, transfer and conveyance of any of or all such Article 9 Collateral by the applicable Grantors to the Collateral Agent, for the ratable benefit of the Secured Creditors, or to license or sublicense, whether general, special or otherwise, and whether on an exclusive or nonexclusive basis, any such Article 9 Collateral throughout the world on such terms and conditions and in such manner as the Collateral Agent shall determine (other than in violation of any then-existing licensing arrangements to the extent that waivers cannot be obtained), and (b) with or without legal process and with or without prior notice or demand for performance, to take possession of the Article 9 Collateral and without liability for trespass to enter any premises where the Article 9 Collateral may be located for the purpose of taking possession of or removing the Article 9 Collateral and, generally, to exercise any and all rights afforded to a secured party under the UCC or other applicable law. Without limiting the generality of the foregoing, each Grantor agrees that the Collateral Agent shall have the right, subject to the mandatory requirements of applicable law, to sell or otherwise dispose of all or any part of the Collateral at a public or private sale or at any broker's board or on any securities exchange, for cash, upon credit or for future delivery as the Collateral Agent shall deem appropriate. Each such purchaser at any sale of Collateral shall hold the property sold absolutely, free from any claim or right on the part of any Grantor, and each Grantor hereby waives (to the extent permitted by law) all rights of redemption, stay and appraisal that such Grantor now has or may at any time in the future have under any rule of law or statute now existing or hereafter enacted.

The Collateral Agent shall give the applicable Grantors 10 days' written notice (which each Grantor agrees is reasonable notice within the meaning of Section 9-611 of the New York UCC or its equivalent in other jurisdictions) of the Collateral Agent's intention to make any sale of Collateral. Such notice, in the case of a public sale, shall state the time and place for such sale and, in the case of a sale at a broker's board or on a securities exchange, shall state the board or exchange at which such sale is to be made and the day on which the Collateral, or portion thereof, will first be offered for sale at such board or exchange. Any such public sale shall be held at such time or times within ordinary business hours and at such place or places as the Collateral Agent may fix and state in the notice (if any) of such sale. At any such sale, the Collateral, or portion thereof, to be sold may be sold in one lot as an entirety or in separate parcels, as the Collateral Agent may determine in its sole and absolute discretion. The Collateral Agent shall not be obligated to make any sale of any Collateral if it shall determine not to do so, regardless of the fact that notice of sale of such Collateral shall have been given. The Collateral Agent may, without notice or publication, adjourn any public or private sale or cause the same to be adjourned from time to time by announcement at the time and place fixed for sale, and such sale may, without further notice, be made at the time and place to which the same was so adjourned. In case any sale of all or any part of the Collateral is made on credit or for future delivery, the Collateral so sold may be retained by the Collateral Agent until the sale price is paid by the purchaser or purchasers thereof, but the Collateral Agent and the other Secured Creditors shall not incur any liability in case any such purchaser or purchasers shall fail to take up and pay for the Collateral so sold and, in case of any such failure, such Collateral may be sold again upon like notice. At any public (or, to the extent permitted by law, private) sale made pursuant to this Agreement, any Secured Creditor may bid for or purchase, free (to the extent permitted by law) from any right of redemption, stay, valuation or appraisal on the part of any Grantor (all said rights being also hereby waived and released to the extent permitted by law), the Collateral or any part thereof offered for sale and may make payment on account thereof by using any claim then due and payable to such Secured Creditor from any Grantor as a credit against the purchase price, and such Secured Creditor may, upon compliance with the terms of sale, hold, retain and dispose of such property without further accountability to any Grantor therefor. For purposes hereof, a written agreement to purchase the Collateral or any portion thereof shall be treated as

a sale thereof; the Collateral Agent shall be free to carry out such sale pursuant to such agreement and no Grantor shall be entitled to the return of the Collateral or any portion thereof subject thereto, notwithstanding the fact that after the Collateral Agent shall have entered into such an agreement, all Events of Default shall have been remedied and the Obligations paid in full. As an alternative to exercising the power of sale herein conferred upon it, the Collateral Agent may proceed by a suit or suits at law or in equity to foreclose this Agreement and to sell the Collateral or any portion thereof pursuant to a judgment or decree of a court or courts having competent jurisdiction or pursuant to a proceeding by a court-appointed receiver. Any sale pursuant to the provisions of this Section 5.01 shall be deemed to conform to the commercially reasonable standards as provided in Section 9-610(b) of the New York UCC or its equivalent in other jurisdictions.

Section 5.02. Application of Proceeds. The Collateral Agent shall, subject to the terms of the Intercreditor Agreement, apply the proceeds of any collection or sale of Collateral pursuant to this Article V, including any Collateral consisting of cash, as follows:

FIRST, to the payment of all costs and expenses incurred by, and all indemnity and fee obligations owed to, the Collateral Agent and the Administrative Agent in connection with such collection or sale or otherwise in connection with, or pursuant to, this Agreement, any other Credit Document or any of the Obligations, including all court costs and the fees and expenses of its agents and legal counsel, the repayment of all advances made by the Collateral Agent hereunder or under any other Credit Document on behalf of any Grantor and any other costs or expenses incurred in connection with the exercise of any right or remedy hereunder or under any other Credit Document;

SECOND, to the extent proceeds remain after the application pursuant to the preceding clause FIRST, an amount equal to the outstanding Primary Obligations (as hereinafter defined) shall be paid to the Secured Creditors as provided in Section 5.02(d) hereof, with each Secured Creditor receiving an amount equal to its outstanding Primary Obligations or, if the proceeds are insufficient to pay in full all such Primary Obligations, its Pro Rata Share (as hereafter defined) of the amount remaining to be distributed;

THIRD, to the extent proceeds remain after the application pursuant to the preceding clauses FIRST and SECOND, inclusive, an amount equal to the outstanding Secondary Obligations (as hereinafter defined) shall be paid to the Secured Creditors as provided in Section 5.02(d) hereof, with each Secured Creditor receiving an amount equal to its outstanding Secondary Obligations or, if the proceeds are insufficient to pay in full all such Secondary Obligations, its Pro Rata Share of the amount remaining to be distributed; and

FOURTH, to the extent proceeds remain after the application pursuant to the preceding clauses FIRST through THIRD, inclusive, and following the termination of the security interests created pursuant to this Agreement in accordance with the express provisions of Section 7.13(a) hereof, to the relevant GRANTOR or to whomever may be lawfully entitled to receive such surplus.

(b) For purposes of this Agreement, (x) Pro Rata Share shall mean, when calculating a Secured Creditor's portion of any distribution or amount, that amount (expressed as a percentage) equal to a fraction the numerator of which is the then unpaid amount of such Secured Creditor's Primary Obligations or Secondary Obligations, as the case may be, and the denominator of

which is the then outstanding amount of all Primary Obligations or Secondary Obligations, as the case may be, (y) Primary Obligations shall mean all principal of, premium, fees and interest on, all Loans and all regularly accruing fees payable under the Credit Agreement and (z) Secondary Obligations shall mean all Obligations other than Primary Obligations.

(c) When payments to Secured Creditors are based upon their respective Pro Rata Shares, the amounts received by such Secured Creditors hereunder shall be applied (for purposes of making determinations under this Section 5.02 only) (i) first, to their Primary Obligations and (ii) second, to their Secondary Obligations.

(d) All payments required to be made hereunder shall be made to the Administrative Agent for the account of the Lenders.

(e) For purposes of applying payments received in accordance with this Section 5.02, the Collateral Agent shall be entitled to rely upon the Administrative Agent for a determination (which the Administrative Agent agree to provide upon request of the Collateral Agent) of the outstanding Primary Obligations and Secondary Obligations owed to the Lenders. Unless it has received written notice from a Lender or another Secured Creditor to the contrary, the Administrative Agent, in furnishing information pursuant to the preceding sentence, and the Collateral Agent, in acting hereunder, shall be entitled to assume that no Secondary Obligations are outstanding. No Interest Rate Protection Agreements or Other Hedging Agreements are (or may be) secured hereunder.

(f) It is understood that the Grantors shall remain jointly and severally liable to the extent of any deficiency between the amount of the proceeds of the Collateral and the aggregate amount of the Obligations.

The Collateral Agent shall have sole and absolute discretion as to the time of application of any such proceeds, moneys or balances in accordance with Article V of this Agreement. Upon any sale of Collateral by the Collateral Agent (including pursuant to a power of sale granted by statute or under a judicial proceeding), the receipt of the Collateral Agent or of the officer making the sale shall be a sufficient discharge to the purchaser or purchasers of the Collateral so sold and such purchaser or purchasers shall not be obligated to see to the application of any part of the purchase money paid over to the Collateral Agent or such officer or be answerable in any way for the misapplication thereof.

Section 5.03. Grant of License To Use Intellectual Property. For the purpose of enabling the Collateral Agent to exercise rights and remedies under this Agreement at such time as the Collateral Agent shall be lawfully entitled to exercise such rights and remedies and permitted to exercise such rights and remedies pursuant to the Intercreditor Agreement, each Grantor hereby grants to (in the Collateral Agent's sole discretion) a designee of the Collateral Agent or the Collateral Agent an irrevocable (except as otherwise provided herein), nonexclusive license (exercisable without payment of royalty or other compensation to the Grantors) to use, license or sublicense (in each case to the extent of such Grantor's rights therein and to the extent permitted by then-existing license or other agreements relating thereto) any of the Article 9 Collateral consisting of Intellectual Property now owned or hereafter acquired by such Grantor, and wherever the same may be located, and including in such license reasonable access to all media in which any of the licensed items may be recorded or stored and to all computer software and programs used for the compilation or printout thereof; provided that such license shall be revocable after such time as when the Total Commitment has terminated and the Loans and Notes (in each case together with interest thereon), Fees and all other Obligations (other

than indemnities described in Section 7.03 and the other provisions of the Credit Documents which are not then due and payable) incurred hereunder and thereunder, are paid in full. The use of such license by the Collateral Agent shall be exercised, at the option of the Collateral Agent, only upon the occurrence of an Event of Default that is continuing, provided that any license, sublicense or other transaction entered into in good faith by the Collateral Agent in accordance herewith shall be binding upon the Grantors notwithstanding any subsequent cure of an Event of Default.

Section 5.04. Securities Act. In view of the position of the Grantors in relation to the Pledged Stock, or because of other current or future circumstances, a question may arise under the Securities Act of 1933, as now or hereafter in effect, or any similar statute hereafter enacted analogous in purpose or effect (such Act and any such similar statute as from time to time in effect being called the Federal Securities Laws) with respect to any disposition of the Pledged Stock permitted hereunder. Each Grantor understands that compliance with the Federal Securities Laws might very strictly limit the course of conduct of the Collateral Agent if the Collateral Agent were to attempt to dispose of all or any part of the Pledged Stock, and might also limit the extent to which or the manner in which any subsequent transferee of any Pledged Stock could dispose of the same. Similarly, there may be other legal restrictions or limitations affecting the Collateral Agent in any attempt to dispose of all or part of the Pledged Stock under applicable Blue Sky or other state securities laws or similar laws analogous in purpose or effect. Each Grantor recognizes that in light of such restrictions and limitations the Collateral Agent may, with respect to any sale of the Pledged Stock, limit the purchasers to those who will agree, among other things, to acquire such Pledged Stock for their own account, for investment, and not with a view to the distribution or resale thereof. Each Grantor acknowledges and agrees that in light of such restrictions and limitations, the Collateral Agent, in its sole and absolute discretion (a) may proceed to make such a sale whether or not a registration statement for the purpose of registering such Pledged Stock or part thereof shall have been filed under the Federal Securities Laws and (b) may approach and negotiate with a single potential purchaser to effect such sale. Each Grantor acknowledges and agrees that any such sale might result in prices and other terms less favorable to the seller than if such sale were a public sale without such restrictions. In the event of any such sale, the Collateral Agent shall incur no responsibility or liability for selling all or any part of the Pledged Stock at a price that the Collateral Agent, in its sole and absolute discretion, may in good faith deem reasonable under the circumstances, notwithstanding the possibility that a substantially higher price might have been realized if the sale were deferred until after registration as aforesaid or if more than a single purchaser were approached.

ARTICLE VI

Indemnity, Subrogation and Subordination

Section 6.01. Indemnity and Subrogation. In addition to all rights of indemnity and subrogation as the Guarantors may have under applicable law (but in each case subject to Section 6.03), the Borrower agrees that (a) in the event a payment of any Obligation shall be made by any Guarantor under this Agreement, the Borrower shall indemnify such Guarantor for the full amount of such payment and such Guarantor shall be subrogated to the rights of the Person to whom such payment shall have been made to the extent of such payment and (b) in the event any assets of any Grantor shall be sold pursuant to this Agreement or any other Security Document to satisfy in whole or in part any Obligation owed to any Secured Creditor, the Borrower shall indemnify such Grantor in an amount equal to the fair value of the assets so sold.

Section 6.02. Contribution and Subrogation. Each Guarantor and Grantor other than the Borrower (each a Contributing Party) agrees (subject to Section 6.03) that to the extent that a Guarantor shall have paid more than its proportionate share (based, to the maximum extent permitted by law, on the respective Adjusted Net Worths of the Guarantors on the date the respective payment is made) of any payment made hereunder (whether as Guarantor and/or Grantor hereunder, with proceeds of the Collateral of any Grantor applied hereunder deemed for this purpose to be payments made by it), such Guarantor shall be entitled to seek and receive contribution from and against any other Guarantor hereunder that has not paid its proportionate share of such payment. Each Guarantor's right of contribution shall be subject to the terms and conditions of Section 6.03. Notwithstanding anything to the contrary contained above, any Guarantor that is released from this Agreement (and its guarantees contained herein) in accordance with the express provisions of Section 7.13(b) shall thereafter have no contribution obligations, or rights, pursuant to this Section 6.02, and at the time of any such release, the contribution rights and obligations of the remaining Guarantors shall be recalculated on the respective date of release (as otherwise provided herein) based on the payments made hereunder by the remaining Guarantors. The provisions of this Section 6.02 shall in no respect limit the obligations and liabilities of any Guarantor or Grantor to the Collateral Agent and the other Secured Creditors, and each Guarantor shall remain liable to the Collateral Agent and the other Secured Creditors for the full amount guaranteed by such Guarantor hereunder.

Section 6.03. Subordination. Notwithstanding any provision in this Agreement to the contrary, all rights of the Guarantors and Grantors under Sections 6.01 and 6.02 and all other rights of indemnity, contribution or subrogation under applicable law or otherwise shall be fully subordinated to the indefeasible payment in full in cash of the Obligations, and no Credit Party shall be entitled to be subrogated to any of the rights of the Collateral Agent or any other Secured Creditor against the Borrower or any other Credit Party or any collateral security or guaranty or right of offset held by the Collateral Agent or any other Secured Creditor for the payment of any of the Obligations, nor shall any Credit Party seek or be entitled to seek any contribution or reimbursement from the Borrower or any other Credit Party in respect of payments made by such Credit Party hereunder (or paid with proceeds of collateral of such Credit Party hereunder), whether contractual, under Section 509 of the Bankruptcy Code or otherwise, until all amounts owing to the Collateral Agent and the other Secured Creditors on account of the Obligations are paid in full in cash and the Total Commitment has been terminated. If any amount shall be paid to any Credit Party on account of such contribution or subrogation rights at any time when all of the Obligations shall not have been paid in full in cash or any of the Commitments shall remain in effect, such amount shall be held by such Credit Party in trust for the Collateral Agent and the other Secured Creditors, segregated from other funds of such Credit Party, and shall, forthwith upon receipt by such Credit Party, be turned over to the Collateral Agent in the exact form received by such Credit Party (duly indorsed by such Credit Party to the Collateral Agent, if required), to be held as collateral security for all of the Obligations (whether matured or unmatured) of, or guaranteed by, such Credit Party and/or then or at any time thereafter may be applied against any Obligations, whether matured or unmatured, in such order as the Collateral Agent may determine.

ARTICLE VII

Miscellaneous

Section 7.01. Notices. All communications and notices hereunder shall (except as otherwise expressly permitted in this Agreement) be in writing and given as provided in Section 11.03 of the Credit Agreement, provided that any communication or notice hereunder from the Collateral

Agent to any Credit Party upon the occurrence of an Event of Default that is continuing may be given by telephone if promptly confirmed in writing. All communications and notices hereunder to any Guarantor shall be given to it in care of the Borrower as provided in Section 11.03 of the Credit Agreement.

Section 7.02. Waivers; Amendment. (a) No failure or delay by any Secured Creditor in exercising any right or power hereunder or under any other Credit Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the Secured Creditors hereunder and under the other Credit Documents are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision in this Agreement or consent to any departure by any Credit Party therefrom shall in any event be effective unless the same shall have been effected in accordance with paragraph (b) of this Section 7.02, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. Without limiting the generality of the foregoing, the making of a Loan shall not be construed as a waiver of any Default or Event of Default, regardless of whether any Secured Creditor may have had notice or knowledge of such Default or Event of Default at the time. No notice or demand on any Credit Party in any case shall entitle any Credit Party to any other or further notice or demand in similar or other circumstances.

(b) Neither this Agreement nor any provision hereof may be waived, amended or modified except pursuant to an agreement or agreements in writing entered into by the Collateral Agent and the Credit Party or Credit Parties with respect to which such waiver, amendment or modification is to apply, subject to any consent required in accordance with Section 11.12 of the Credit Agreement.

Section 7.03. Collateral Agent's Fees and Expenses; Indemnification. (a) The parties hereto agree that the Collateral Agent shall be entitled to reimbursement of its reasonable out-of-pocket expenses incurred hereunder as provided in Section 11.01 of the Credit Agreement.

(b) Without limitation of its indemnification obligations under the other Credit Documents, each Grantor and each Guarantor jointly and severally agrees to indemnify the Collateral Agent, each other Secured Creditor and their respective successors, assigns, employees, affiliates and agents (hereinafter in this Section 7.03 referred to individually as Indemnitee) against, and hold each Indemnitee harmless from, any and all losses, claims, damages, liabilities and related out-of-pocket expenses, including the fees, charges and disbursements of any external counsel for any Indemnitee, incurred by or asserted against any Indemnitee arising out of, in connection with, or as a result of, the execution, delivery or performance of this Agreement or any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing agreements or instruments contemplated hereby, or to the Collateral, whether or not any Indemnitee is a party thereto; provided that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities and related out-of-pocket expenses have resulted from the Indemnitee's (or such affiliate's) bad faith, gross negligence, willful misconduct or breach of its obligations under this Agreement (in each case, as determined by a court of competent jurisdiction in a final and non-appealable decision).

(c) Any such amounts payable as provided hereunder shall be additional Obligations secured hereby and by the other Security Documents. The provisions of this Section 7.03 shall remain operative and in full force and effect regardless of the termination of this Agreement or any other Credit Document, the consummation of the transactions contemplated hereby, the repayment of any of the

Obligations, the invalidity or unenforceability of any term or provision of this Agreement or any other Credit Document, or any investigation made by or on behalf of the Collateral Agent or any other Secured Creditor. All amounts due under this Section 7.03 shall be payable within 15 days after written demand therefor.

Section 7.04. Successors and Assigns. Whenever in this Agreement any of the parties hereto is referred to, such reference shall be deemed to include the permitted successors and assigns of such party; and all covenants, promises and agreements by or on behalf of any Guarantor, Grantor or the Collateral Agent that are contained in this Agreement shall bind and inure to the benefit of their respective successors and assigns and shall inure to the benefit of the other Secured Creditors and their respective successors and assigns.

Section 7.05. Survival of Agreement. All covenants, agreements, representations and warranties made by the Credit Parties in the Credit Documents and in the certificates or other instruments prepared or delivered in connection with or pursuant to this Agreement or any other Credit Document shall be considered to have been relied upon by the Lenders and shall survive the execution and delivery of the Credit Documents and the making of any Loans, regardless of any investigation made by any Lender or on its behalf and notwithstanding that the Administrative Agent, the Collateral Agent or any Lender may have had notice or knowledge of any Default or incorrect representation or warranty at the time any credit is extended under the Credit Agreement, and shall continue in full force and effect as long as the principal of or any accrued interest on any Loan or any fee or any other amount payable under any Credit Document is outstanding and unpaid and so long as the Commitments have not expired or terminated.

Section 7.06. Counterparts; Effectiveness; Several Agreement. This Agreement may be executed in any number of counterparts and by the different parties hereto on separate counterparts, each of which when so executed and delivered shall be an original, but all of which shall together constitute one and the same instrument. A set of counterparts executed by all the parties hereto shall be lodged with the Borrower and the Administrative Agent. Delivery of an executed counterpart hereof by facsimile or electronic transmission shall be as effective as delivery of any original executed counterpart hereof. This Agreement shall become effective as to any Credit Party when a counterpart hereof executed on behalf of such Credit Party shall have been delivered to the Collateral Agent and a counterpart hereof shall have been executed on behalf of the Collateral Agent, and thereafter shall be binding upon such Credit Party and the Collateral Agent and their respective permitted successors and assigns, and shall inure to the benefit of such Credit Party, the Administrative Agent, the Collateral Agent and the other Secured Creditors and their respective successors and assigns, except that no Credit Party shall have the right to assign or transfer its rights or obligations hereunder or any interest in this Agreement or in the Collateral (and any such assignment or transfer shall be void) except as contemplated by this Agreement or the Credit Agreement. This Agreement shall be construed as a separate agreement with respect to each Credit Party and may be amended, modified, supplemented, waived or released with respect to any Credit Party without the approval of any other Credit Party and without affecting the obligations of any other Credit Party hereunder.

Section 7.07. Severability. Any provision in this Agreement held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions hereof; the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction. The parties shall endeavor in good-faith

negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

Section 7.08. Right of Set-Off. If an Event of Default shall have occurred and be continuing, each Lender and each of its Affiliates is hereby authorized at any time and from time to time, subject to the terms of the Intercreditor Agreement, to the fullest extent permitted by law, to set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held (other than Deposit Accounts excluded from the Collateral pursuant to the last paragraph of Section 4.01(a)) and other obligations at any time owing by such Lender or Affiliate to or for the credit or the account of any Credit Party against any of and all the obligations of such Credit Party now or hereafter existing under this Agreement owed to such Lender, irrespective of whether or not such Lender shall have made any demand under this Agreement and although such obligations may be unmatured. The applicable Lender shall notify the Borrower, the First-Lien Collateral Agent (if the Discharge Conditions have not been satisfied), the Collateral Agent and the Administrative Agent of such set-off or application, provided that any failure to give or any delay in giving such notice shall not affect the validity of any such set-off or application under this Section 7.08. The rights of each Lender under this Section 7.08 are in addition to other rights and remedies (including other rights of set-off) which such Lender may have.

Section 7.09. Governing Law; Jurisdiction; Consent to Service of Process. (a) This Agreement shall be construed in accordance with and governed by the law of the State of New York.

(b) Each of the parties hereto hereby irrevocably and unconditionally submits, for itself and its property, to the nonexclusive jurisdiction of the Supreme Court of the State of New York sitting in New York County and of the United States District Court of the Southern District of New York, and any appellate court from any thereof, in any action or proceeding arising out of or relating to this Agreement or any other Credit Document, or for recognition or enforcement of any judgment, and each of the parties hereto hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may be heard and determined in such New York State or, to the extent permitted by law, in such Federal court. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Agreement or any other Credit Document shall affect any right that the Collateral Agent, any Lender or any Credit Party may otherwise have to bring any action or proceeding relating to this Agreement or any other Credit Document in the courts of any jurisdiction.

(c) Each of the parties hereto hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection that it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Agreement or any other Credit Document in any court referred to in paragraph (b) of this Section 7.09. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(d) Each party to this Agreement irrevocably consents to service of process in the manner provided for notices in Section 7.01. Nothing in this Agreement or any other Credit Document will affect the right of any party to this Agreement to serve process in any other manner permitted by law.

Section 7.10. WAIVER OF JURY TRIAL. EACH PARTY HERETO HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT, ANY OTHER CREDIT DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 7.10.

Section 7.11. Headings. Article and Section headings and the Table of Contents used in this Agreement are for convenience of reference only, are not part of this Agreement and are not to affect the construction of, or to be taken into consideration in interpreting, this Agreement.

Section 7.12. Liabilities of Guarantors and Security Interest Absolute. All rights of the Collateral Agent hereunder, the Security Interest, the grant of a security interest in the Pledged Collateral and all obligations of each Grantor and Guarantor hereunder shall be absolute and unconditional irrespective of (a) any lack of validity or enforceability of, or rescission or irregularity of, the Credit Agreement, any other Credit Document, any agreement with respect to any of the Obligations or any other agreement or instrument relating to any of the foregoing, (b) any change in the time, manner or place of payment of, or in any other term of, all or any of the Obligations, or any other amendment or waiver of or any consent to any departure from the Credit Agreement, any other Credit Document or any other agreement or instrument, in each case, in accordance with their respective terms, (c) any exchange, release or non-perfection of any Lien on other collateral, or any release or amendment or waiver of or consent under or departure from any guaranty, securing or guaranteeing all or any of the Obligations, (d) any direction as to application of payment by the Borrower, or any other party, (e) any other continuing or other guaranty, undertaking or maximum liability of a Grantor or Guarantor or of any other party as to the Obligations, (f) any payment on or in reduction of any such other guaranty or undertaking, (g) any dissolution, termination or increase, decrease or change in personnel by the borrower, (h) the failure of the Grantor or Guarantor to receive any benefit from or as a result of its execution, delivery and performance of this Agreement, (f) any payment made to any secured creditor on the Obligations which such secured creditor repays to the borrower pursuant to court order in any bankruptcy, reorganization, arrangement, moratorium or other debtor relief proceeding, and each guarantor waives any right to the deferral or modification of its obligations hereunder by reason of any such proceeding, (g) any action or inaction by the secured creditors as contemplated in Section 2.02 or (h) any other circumstance that might otherwise constitute a defense available to, or a discharge of, any Grantor or Guarantor in respect of the Obligations or this Agreement (other than a release of any Grantor or Guarantor in accordance with Section 7.13).

Section 7.13. Termination or Release. (a) The Security Interest and all other security interests granted hereby shall be automatically released when all the Obligations (other than inchoate indemnity obligations) have been indefeasibly paid in full and the Lenders have no further commitment to lend under the Credit Agreement.

(b) A Subsidiary of the Borrower which was a Credit Party immediately prior to the consummation of any transaction permitted by the Credit Agreement as a result of which such Person ceases to be a Credit Party shall automatically be released from its obligations hereunder and the Security Interest in the Collateral of such Person shall be automatically released upon the consummation of such transaction.

(c) Upon any sale or other transfer by any Grantor of any Collateral that is permitted under the Credit Agreement to a Person other than the Borrower or a Subsidiary thereof, or upon the effectiveness of any written consent to the release of the security interest granted hereby in any Collateral pursuant to Section 11.12 of the Credit Agreement, the security interest in such Collateral shall be automatically released.

(d) In connection with any termination or release pursuant to paragraph (a), (b) or (c) of this Section 7.13, the Collateral Agent shall execute and deliver to any Person, at such Person's expense, all documents that such Person shall reasonably request to evidence such termination or release of its obligations or the security interests in its Collateral. Any execution and delivery of documents pursuant to this Section 7.13 shall be without recourse to or warranty by the Collateral Agent.

Section 7.14. Additional Subsidiaries. Pursuant to Section 8.14 of the Credit Agreement, each Domestic Subsidiary of a Credit Party that was not in existence or not a Subsidiary on the date of the Credit Agreement, is required to enter in this Agreement as a Subsidiary Credit Party upon becoming such a Domestic Subsidiary. Upon execution and delivery by the Collateral Agent and such Subsidiary of an instrument in the form of Exhibit I hereto, such Subsidiary shall become a Subsidiary Credit Party hereunder with the same force and effect as if originally named as a Subsidiary Credit Party in this Agreement. The execution and delivery of any such instrument shall not require the consent of any other Credit Party hereunder. The rights and obligations of each Credit Party hereunder shall remain in full force and effect notwithstanding the addition of any new Credit Party as a party to this Agreement.

Section 7.15. Collateral Agent Appointed Attorney-in-Fact. Each Grantor hereby appoints the Collateral Agent the attorney-in-fact of such Grantor for the purpose of carrying out the provisions of this Agreement and taking any action and executing any instrument that the Collateral Agent may deem necessary or advisable to accomplish the purposes hereof upon the occurrence of an Event of Default that is continuing, in each case subject to the terms of the Intercreditor Agreement, which appointment is irrevocable (until the Total Commitment has terminated and the Loans and Notes (in each case together with interest thereon), Fees and all other Obligations (other than indemnities described in Section 7.03 and the other provisions of the Credit Documents which are not then due and payable) incurred hereunder and thereunder, are paid in full) and coupled with an interest. Without limiting the generality of the foregoing, the Collateral Agent shall, subject to the terms of the Intercreditor Agreement, have the right, upon the occurrence of an Event of Default that is continuing, with full power of substitution either in the Collateral Agent's name or in the name of such Grantor (a) to receive, endorse, assign and/or deliver any and all notes, acceptances, checks, drafts, money orders or other evidences of payment relating to the Collateral or any part thereof; (b) to demand, collect, receive payment of, give receipt for and give discharges and releases of all or any of the Collateral; (c) to sign the name of any Grantor on any invoice or bill of lading relating to any of the Collateral; (d) to send verifications of Accounts to any Account Debtor; (e) to commence and prosecute any and all suits, actions or proceedings at law or in equity in any court of competent jurisdiction to

collect or otherwise realize on all or any of the Collateral or to enforce any rights in respect of any Collateral; (f) to settle, compromise, compound, adjust or defend any actions, suits or proceedings relating to all or any of the Collateral; (g) to notify, or to require any Grantor to notify, Account Debtors to make payment directly to the Collateral Agent; and (h) to use, sell, assign, transfer, pledge, make any agreement with respect to or otherwise deal with all or any of the Collateral, and to do all other acts and things necessary to carry out the purposes of this Agreement, as fully and completely as though the Collateral Agent were the absolute owner of the Collateral for all purposes, provided that nothing in this Agreement contained shall be construed as requiring or obligating the Collateral Agent to make any commitment or to make any inquiry as to the nature or sufficiency of any payment received by the Collateral Agent, or to present or file any claim or notice, or to take any action with respect to the Collateral or any part thereof or the moneys due or to become due in respect thereof or any property covered thereby. The Collateral Agent and the other Secured Creditors shall be accountable only for amounts actually received as a result of the exercise of the powers granted to them in this Agreement, and neither they nor their officers, directors, employees or agents shall be responsible to any Grantor for any act or failure to act hereunder, except for their own gross negligence or willful misconduct (as determined by a court of competent jurisdiction in a final and non-appealable decision).

Section 7.16. Further Assurances. Notwithstanding anything to the contrary herein, the parties hereto agree to comply with the requirements set forth in Section 7.12 of the Credit Agreement.

Section 7.17. Collateral Agent. The Collateral Agent shall act in accordance with the provisions of Section 10 of the Credit Agreement, the provisions of which shall be deemed incorporated by reference herein as fully as if set forth in their entirety herein. Each Secured Creditor, by accepting the benefits of this Agreement, agrees to the provisions of Section 11 of the Credit Agreement, including as same apply to the actions of the Collateral Agent hereunder.

Section 7.18. Intercreditor Agreement Governs. NOTWITHSTANDING ANY OTHER PROVISION CONTAINED HEREIN, THIS AGREEMENT, THE LIENS AND SECURITY INTEREST CREATED HEREBY AND THE RIGHTS, REMEDIES, DUTIES AND OBLIGATIONS PROVIDED FOR HEREIN ARE SUBJECT IN ALL RESPECTS TO THE PROVISIONS OF THE INTERCREDITOR AGREEMENT. IN THE EVENT OF ANY CONFLICT OR INCONSISTENCY BETWEEN THE PROVISIONS OF THIS AGREEMENT AND THE INTERCREDITOR AGREEMENT THAT RELATES SOLELY TO THE RIGHTS OR OBLIGATIONS OF, OR RELATIONSHIP BETWEEN, THE FIRST-LIEN SECURED PARTIES AND THE SECOND-LIEN SECURED PARTIES (AS EACH SUCH TERM IS DEFINED IN THE INTERCREDITOR AGREEMENT), THE PROVISIONS OF THE INTERCREDITOR AGREEMENT SHALL CONTROL.

Section 7.19. Obligations of Grantors. To the extent that the obligations of any Grantor hereunder shall conflict, or shall be inconsistent, with the obligation of such Grantor under the First-Lien Credit Documents (as in effect as of the date hereof), prior to the Discharge Conditions being satisfied, the provision of the First-Lien Credit Documents (as defined in the Intercreditor Agreement as in effect as of the date hereof) shall control. So long as the First-Lien Collateral Agent is acting as bailee and non-fiduciary agent for perfection on behalf of the Collateral Agent pursuant to the terms of the Intercreditor Agreement, any obligation of any Grantor in this Agreement that requires (or any representation or warranty hereunder to the extent that it would have the effect of requiring) delivery of Collateral to, or the possession or Control of Collateral with, the Collateral Agent shall be deemed

complied with and satisfied (or, in the case of any representation or warranty hereunder, shall be deemed to be true) if such delivery of Collateral is made to, or such possession or Control of Collateral is with, the First-Lien Collateral Agent.

NUMBER 1A

THIS WARRANT WILL BE VOID IF NOT

WARRANTS

EXERCISED PRIOR TO 5:00 P.M. NEW YORK

CITY TIME, DECEMBER 17, 2014

HUGHES TELEMATICS, INC.

WARRANT

THIS CERTIFIES THAT, for value received PLASE HT, LLC is the registered holder of a Warrant expiring December 17, 2014 (the Warrant) to purchase three million (3,000,000) fully paid and non-assessable share of Common Stock, par value \$.0001 per share (Shares), of HUGHES Telematics, Inc., a Delaware corporation (the Company) evidenced by this Warrant Certificate. The Warrant entitles the holder thereof to purchase from the Company, commencing on the date hereof, such number of Shares of the Company at the price of \$6.00 per share, upon surrender of this Warrant Certificate and payment of the Exercise Price at the office of the Company, but only subject to the conditions set forth herein.

1. Terms and Exercise of Warrants.

(a) Exercise Price. This Warrant shall, when signed by the Company, entitle the registered holder thereof, subject to the provisions of this Warrant, to purchase from the Company the number of shares of Common Stock stated herein, at the price of \$6.00 per whole share, subject to the adjustments provided in Section 2 hereof and in the last sentence of this Section 1(a). The term Exercise Price refers to the price per share at which Common Stock may be purchased at the time the Warrant is exercised.

(b) Duration of Warrant. This Warrant may be exercised only during the period (Exercise Period) commencing on the date hereof and terminating at 5:00 p.m., New York City time on December 17, 2014 (the Expiration Date). If this Warrant is not exercised on or before the Expiration Date, it shall become void, and all rights hereunder shall cease at the close of business on the Expiration Date.

(c) Payment. Subject to the provisions hereof, this Warrant may be exercised by the registered holder by surrendering it, at the office of the Company, with the notice of exercise, as set forth as Annex A to this Warrant, duly executed, and by paying in full the Exercise Price for each full share of Common Stock as to which the Warrant is exercised and any and all applicable taxes due in connection with the exercise of the Warrant, as follows:

(i) in cash, good certified check or good bank draft payable to the order of the Company (or as otherwise agreed to by the Company);

(ii) in shares of Common Stock with an aggregate Fair Market Value equal to the Exercise Price, provided such shares of Common Stock must be free of any lien, encumbrance or contractual restriction on transfer at the time of delivery. Fair Market Value shall mean the volume weighted average sale prices of the Common Stock on the OTC Bulletin Board or primary stock exchange on which the Common Stock is then listed for the twenty most recent trading days on which sales have occurred ending on the third trading day prior to the relevant date of determination, provided that if the stock is not then quoted on the OTC Bulletin Board or any stock exchange, Fair Market Value shall be determined by a majority of the disinterested members of the board of directors of the Company; or

(iii) in the form of notes payable or other indebtedness issued by the Company, which shall be cancelled, in a principal amount, plus accrued and unpaid interest thereon to and including the date of exercise, equal to the Exercise Price.

(d) Net Exercise. If during the Exercise Period the Fair Market Value of one share of the Common Stock is greater than the Exercise Price (at the date of calculation as set forth below), in lieu of exercising this Warrant by payment of cash, Common Stock or indebtedness as set forth in Section 1(c), the holder may, at its election, effect a net exercise of this Warrant, in which event, if so effected, the holder shall, by surrender of this Warrant at the

principal office of the Company, together with the properly endorsed notice of exercise, as set forth as Annex A to this Warrant, receive the number of shares of Common Stock computed using the following formula:

$$X = \frac{Y(A-B)}{A}$$

A

Where:

X = the number of shares of Common Stock to be issued to the holder;

Y = the number of shares of Common Stock with respect to which this Warrant is being exercised;

A = the Fair Market Value (as defined below) of one share of the Company's Common Stock (at the date of such calculation); and

B = the Exercise Price (as adjusted to the date of such calculation).

(e) Issuance of Certificates. As soon as practicable after the exercise of this Warrant and the clearance of the funds in payment of the Exercise Price, the Company shall issue to the registered holder of the Warrant a certificate or certificates for the number of full shares of Common Stock to which such holder is entitled, registered in such name or names as may be directed by him, her or it, and if such Warrant shall not have been exercised in full, a new countersigned Warrant for the number of shares as to which the Warrant shall not have been exercised.

(f) Valid Issuance. All shares of Common Stock issued upon the proper exercise of a Warrant in conformity with this Agreement shall be validly issued, fully paid and nonassessable.

(g) Date of Issuance. Each person in whose name any such certificate for shares of Common Stock is issued shall for all purposes be deemed to have become the holder of record of such shares on the date on which the Warrant was surrendered and payment of the Exercise Price was made, irrespective of the date of delivery of such certificate, except that, if the date of such surrender and payment is a date when the stock transfer books of the Company are closed, such person shall be deemed to have become the holder of such shares at the close of business on the next succeeding date on which the stock transfer books are open.

2. Adjustments.

(a) Stock Dividends - Split-Ups. If after the date hereof, and subject to the provisions of Section 2(g) below, the number of outstanding shares of Common Stock is increased by a stock dividend payable in shares of Common Stock, or by a split-up of shares of Common Stock, or other similar event, then, on the effective date of such stock dividend, split-up or similar event, the number of shares of Common Stock issuable on exercise of this Warrant shall be increased in proportion to such increase in outstanding shares of Common Stock.

(b) Aggregation of Shares. If after the date hereof, and subject to the provisions of Section 2(g), the number of outstanding shares of Common Stock is decreased by a consolidation, combination, reverse stock split or reclassification of shares of Common Stock or other similar event, then, on the effective date of such consolidation, combination, reverse stock split, reclassification or similar event, the number of shares of Common Stock issuable on exercise of the Warrant shall be decreased in proportion to such decrease in outstanding shares of Common Stock.

(c) Adjustments in Exercise Price. Whenever the number of shares of Common Stock purchasable upon the exercise of the Warrant is adjusted, as provided in Section 2(a) or 2(b) above, the Exercise Price shall be adjusted (to the nearest cent) by multiplying such Exercise Price immediately prior to such adjustment by a fraction (x) the numerator of which shall be the number of shares of Common Stock purchasable upon the exercise of this Warrant immediately prior to such adjustment, and (y) the denominator of which shall be the number of shares of Common Stock so purchasable immediately thereafter.

(d) Replacement of Securities upon Reorganization, etc. In case of any reclassification or reorganization of the outstanding shares of Common Stock (other than a change covered by Section 2(a) or 2(b) hereof or that solely affects the par value of such shares of Common Stock), or in the case of any merger or consolidation of the Company with or into another corporation (other than a consolidation or merger in which the Company is the continuing corporation and that does not result in any reclassification or reorganization of the outstanding shares of Common Stock), or in the case of any sale or conveyance to another corporation or entity of the assets or other property of the Company as an entirety or substantially as an entirety in connection with which the Company is dissolved, the Warrant holder shall thereafter have the right to purchase and receive, upon the basis and upon the terms and conditions specified herein and in lieu of the shares of Common Stock of the Company immediately theretofore purchasable and receivable upon the exercise of the rights represented hereby, the kind and amount of shares of stock or other securities or property (including cash) receivable upon such reclassification, reorganization, merger or consolidation, or upon a dissolution following any such sale or transfer, that the Warrant holder would have received if such Warrant holder had exercised this Warrant immediately prior to such event; and if any reclassification also results in a change in shares of Common Stock covered by Section 2(a) or 2(b), then such adjustment shall be made pursuant to Sections 2(a), 2(b), 2(c) and this Section 2(d). The provisions of this Section 2(d) shall similarly apply to successive reclassifications, reorganizations, mergers or consolidations, sales or other transfers.

(e) Upon Issuance of Common Stock. If the Company shall, at any time or from time to time on or before the Expiration Date, issue any shares of Common Stock, options to purchase or rights to subscribe for Common Stock, securities by their terms convertible into or exchangeable for Common Stock, or options to purchase or rights to subscribe for such convertible or exchangeable securities (in each case, other than an issuance of Excluded Securities (as defined below)) in any transaction approved by a majority of the disinterested members of the board of directors of the Company without consideration or for consideration per share less than the Fair Market Value, then the Exercise Price shall forthwith be lowered (but not increased) to a price equal to the price obtained by multiplying:

(X) the Exercise Price in effect immediately prior to the issuance of such Common Stock, options, rights or securities, by

(Y) a fraction of which (x) the numerator shall be the sum of (A) the number of shares of Common Stock outstanding on a fully diluted basis immediately prior to such issuance and (B) the number of additional shares of Common Stock which the aggregate consideration for the number of shares of Common Stock so offered would purchase at the Fair Market Value and (y) the denominator shall be the number of shares of Common Stock outstanding on a fully diluted basis immediately after such issuance.

Excluded Securities shall mean (t) securities issued pursuant to the exercise of this Warrant; (u) securities issued in respect of a dividend, split-up of shares or other distribution resulting in an adjustment under Section 2(a), 2(b) or 2(c); (v) securities issued in Excluded Transactions (as defined below); (w) securities issued to Apollo Global Management LLC or any affiliate thereof (including, without limitation, Communications Investors LLC); (x) securities issued to employees, consultants or advisers of the Company and/or any its subsidiaries in exchange for services rendered to the Company or any of its subsidiaries (and any additional securities issued upon exchange, conversion or exercise of such securities); (y) securities issued pursuant to the terms of outstanding securities or rights in existence as of the original issuance date of this Warrant; or (z) securities issued to business partners, suppliers, vendors, customers or other parties with which the Company has a strategic or commercial relationship, provided the principal purpose of such issuance is other than to provide cash financing to the Company or any of its subsidiaries. Excluded Transactions means the issuance and sale of securities in a transaction in which any of the entities listed on Schedule I hereto, any of their respective affiliates or entities for which they act as advisor or investment manager, or any other entity participating with any the foregoing, is a participant (whether or not other entities are additional participants in such transaction) in one or more transactions consummated prior to March 31, 2010, involving net proceeds to the Company of up to \$15 million in the aggregate.

For the purposes of any adjustment of the Exercise Price pursuant to this Section 2(e), the following provisions shall be applicable:

(i) in the case of the issuance of Common Stock for cash in a public offering or private placement, the consideration shall be deemed to be the amount of cash paid therefor before deducting therefrom any discounts, commissions or placement fees payable by the Company to any underwriter or placement agent in connection with the issuance and sale thereof;

(ii) in the case of the issuance of Common Stock for consideration in whole or in part other than cash, the consideration other than cash shall be deemed to be the fair market value thereof as determined in good faith by a majority of the disinterested members of the Company's board of directors;

(iii) in the case of the issuance of options to purchase or rights to subscribe for Common Stock, securities by their terms convertible into or exchangeable for Common Stock, or options to purchase or rights to subscribe for such convertible or exchangeable securities (except for options to acquire or rights to subscribe for, or securities convertible into or exchangeable for, Excluded Securities);

(1) the aggregate maximum number of shares of Common Stock deliverable upon exercise of any such options to purchase or rights to subscribe for Common Stock shall be deemed to have been issued at the time such options or rights were issued and for a consideration equal to the consideration, if any, received by the Company upon the issuance of such options or rights plus the minimum purchase price provided in such options or rights for the Common Stock covered thereby;

(2) the aggregate maximum number of shares of Common Stock deliverable upon conversion of or in exchange for any such convertible or exchangeable securities or upon the exercise of options to purchase or rights to subscribe for such convertible or exchangeable securities and subsequent conversion or exchange thereof shall be deemed to have been issued at the time such securities, options, or rights were issued and for a consideration equal to the consideration received by the Company for any such securities and related options or rights, plus the additional consideration, if any, to be received by the Company upon the conversion or exchange of such securities or the exercise of any related options or rights;

(3) upon any change in the number of shares or exercise price of Common Stock deliverable upon exercise of any such options or rights or conversions of or exchanges for such securities (excluding any such change resulting from the anti-dilution provisions of any other securities of the Company in connection with a transaction or event that also results in an adjustment under this Section 2(e)), the Exercise Price shall forthwith be readjusted to such Exercise Price as would have been obtained had the adjustment made upon the issuance of such options, rights or securities not converted prior to such change or options or rights related to such securities not converted prior to such change been made upon the basis of such change; and

(4) no further adjustment of the Exercise Price adjusted upon the issuance of any such options, rights, convertible securities or exchangeable securities shall be made as a result of the actual issuance of Common Stock on the exercise of any such rights or options or any conversion or exchange of any such securities.

(f) Notices of Changes in Warrant. Upon every adjustment of the Exercise Price or the number of shares issuable upon exercise of the Warrant, the Company shall give written notice thereof to the Warrant holder, at the last address set forth for such holder in the warrant register, which notice shall state the Exercise Price resulting from such adjustment and the increase or decrease, if any, in the number of shares purchasable at such price upon the exercise of a Warrant, setting forth in reasonable detail the method of calculation and the facts

upon which such calculation is based. Upon the occurrence of any event specified in Sections 2(a), 2(b), 2(c), (2(d) or 2(e), then, in any such event, the Company shall give written notice to the Warrant holder, at the last address set forth for such holder in the warrant register, of the record date or the effective date of the event. Failure to give such notice, or any defect therein, shall not affect the legality or validity of such event.

(g) No Fractional Shares. Notwithstanding any provision contained in this Warrant Agreement to the contrary, the Company shall not issue fractional shares upon exercise of the Warrant. If, by reason of any adjustment made pursuant to this Section 2(g), the holder of a Warrant would be entitled, upon the exercise of the Warrant, to receive a fractional interest in a share, the Company shall, upon such exercise, round up or down to the nearest whole number the number of the shares of Common Stock to be issued to the Warrant holder.

(h) Dividends. If the Company, at any time while the Warrant is outstanding and unexpired, shall pay a dividend in cash or securities to the holders of the Common Stock (or shares of the Company's capital stock into which the Warrant is convertible), then upon the exercise of the Warrant, the registered holder shall be entitled to a proportionate share of any such dividend as if the shares of Common Stock purchased upon exercise hereof by such registered holder had been purchased and outstanding on the record date fixed for the determination of the holders of the Common Stock entitled to receive such dividend.

3. Transfers.

(a) The holder of this Warrant understands that the Company may, as a condition to the transfer of this Warrant or the underlying shares of Common Stock require that the request for transfer be accompanied by an opinion of counsel reasonably satisfactory to the Company, to the effect that the proposed transfer does not result in a violation of the Securities Act, unless such transfer is covered by an effective registration statement or by Rule 144 or Rule 144A under the Securities Act; provided, however, that no transfer by any holder to any of its affiliates shall require an opinion of counsel; provided, further, that such affiliate in each case agrees to be subject to the restrictions in this Section 3(a). Each certificate evidencing the shares of common stock issued upon exercise of this Warrant, or transfer of such shares (other than a transfer registered under the Securities Act or any subsequent transfer of shares so registered) shall be stamped or imprinted with a legend in substantially the following form:

THESE SECURITIES HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED (THE SECURITIES ACT), OR ANY STATE SECURITIES LAWS (COLLECTIVELY, THE ACTS), AND MAY NOT BE OFFERED, SOLD OR OTHERWISE TRANSFERRED, PLEDGED OR HYPOTHECATED IN THE ABSENCE OF A REGISTRATION STATEMENT IN EFFECT WITH RESPECT TO THE SECURITIES UNDER THE SECURITIES ACT OR AN OPINION OF COUNSEL SATISFACTORY TO THE COMPANY THAT SUCH REGISTRATION IS NOT REQUIRED OR UNLESS SOLD PURSUANT TO RULE 144 OR RULE 144A OF SUCH ACT.

The foregoing legends shall be removed by the Company (i) upon any sale of the Warrant or the shares in accordance with Rule 144 (or any successor provision thereof) or pursuant to an effective registration statement or (ii) upon receipt by the Company from the holder of such certifications as it may reasonably request to enable it to determine that such legend is no longer required in order to satisfy the requirements of the Securities Act.

(b) Registration of Transfer. The Company shall register the transfer, from time to time, of this Warrant upon the Warrant Register, upon surrender of the Warrant for transfer, properly endorsed with signatures properly guaranteed and accompanied by appropriate instructions for transfer in the form of Annex B hereto. Upon any such transfer, one or more new Warrants representing a right to purchase an equal aggregate number of shares of Common Stock shall be issued and the old Warrant shall be cancelled.

(c) Procedure for Surrender. This Warrant may be surrendered to the Company, together with a written request for exchange or transfer, and there-upon the Company shall issue in exchange therefor one or more new Warrants as requested by the registered holder of the Warrant so surrendered, representing the right to purchase an equal aggregate number of shares of Common Stock; provided, however, that the Company may require an opinion of counsel stating that such transfer may be made and indicating whether the new Warrant or warrants must also bear a restrictive legend.

(d) Fractional Warrants. The Company shall not be required to effect any registration of transfer or exchange which will result in the issuance of a warrant certificate for a fraction of a warrant.

(e) Service Charges. No service charge shall be made for any exchange or registration of transfer of the Warrant.

4. Other.

(a) No Rights as Stockholder. Except as expressly set forth herein, this Warrant does not entitle the registered holder hereof to any of the rights of a stockholder of the Company, including, without limitation, the right to receive dividends, or other distributions, exercise any preemptive rights to vote or to consent or to receive notice as stockholders in respect of the meetings of stockholders or the election of directors of the Company or any other matter.

(b) Lost, Stolen, Mutilated, or Destroyed Warrant. If this Warrant is lost, stolen, mutilated, or destroyed, the Company may on such terms as to indemnity or otherwise as they may in their discretion impose (which shall, in the case of a mutilated Warrant, include the surrender thereof), issue a new Warrant of like denomination, tenor, and date as the Warrant so lost, stolen, mutilated, or destroyed. Any such new Warrant shall constitute a substitute contractual obligation of the Company, whether or not the allegedly lost, stolen, mutilated, or destroyed Warrant shall be at any time enforceable by anyone.

(c) Reservation of Common Stock. The Company shall at all times reserve and keep available a number of its authorized but unissued shares of Common Stock that will be sufficient to permit the exercise in full of this Warrant.

(d) Payment of Taxes. The Company will from time to time promptly pay all taxes and charges that may be imposed upon the Company in respect of the issuance or delivery of shares of Common Stock upon the exercise of the Warrant, but the Company shall not be obligated to pay any transfer taxes in respect of the Warrant or such shares.

(e) Successors. All the covenants and provisions of this Agreement by or for the benefit of the Company shall bind and inure to the benefit of their respective successors and assigns.

(a) Notices. Any notice, statement or demand authorized by this Warrant to be given or made by the holder of the Warrant to or on the Company shall be sufficiently given when so delivered if by hand or overnight delivery or if sent by certified mail or private courier service within five days after deposit of such notice, postage prepaid, addressed (until another instruction is provided in writing by the Company) to the attention of its Chief Financial Officer at the most recent address listed on the cover page of its most recent filing with the Securities and Exchange Commission, with a copy to (which shall not constitute notice):

All payments made under this Note by the Issuer shall be without setoff or deduction and regardless of any counterclaim or defense. The Issuer represents and warrants to the Noteholder that, to the best of the Issuer's knowledge, there is no claim, defense, counterclaim or setoff which could be asserted by or is available to the Issuer against the Noteholder. In the event any one or more of the provisions contained in this Note shall for any reason be held to be invalid, illegal or unenforceable in any respect, such invalidity, illegality or unenforceability shall not affect any other provision of this Note, but this Note shall be construed as if such invalid, illegal or unenforceable provision had never been contained herein or therein. Time is of the essence for the performance of each and every obligation under this Note.

12. This Note shall be deemed to have been executed and delivered in, and shall be governed by and construed in accordance with the laws of, the State of New York. Each of the Parties hereto hereby irrevocably and unconditionally consents to submit to the non-exclusive jurisdiction of the courts of the State of New York and of the United States of America, in each case having jurisdiction over the County of New York, for any litigation arising out of or relating to this Note and the transactions contemplated hereby and thereby (and agrees not to commence any litigation relating thereto except in such courts unless such courts have declined to exercise jurisdiction), and further agrees that service of any process for any litigation brought against it in any such court. 13. Except with the prior written consent of the Noteholder, this Note may not be assigned by the Issuer. This Note shall inure to the benefit of and be enforceable by the Noteholder and the Noteholder's successors and permitted assigns, and shall be binding and enforceable against the Issuer and the Issuer's successors and assigns. This Note may not be amended other than by mutual agreement of the Noteholder and the Issuer.

14. Issuer, by execution of this Note, and Noteholder, by acceptance of this Note, agree that any suit, action, or proceeding, whether claim or counterclaim, brought or instituted by or against the Issuer or Noteholder, or any successor or assign of Issuer or Noteholder, on or with respect to this Note, or which in any way relates, directly or indirectly, to the obligations of Issuer to Noteholder under this Note, or the dealings of the parties with respect thereto, shall be tried only by a court and not by a jury. ISSUER AND NOTEHOLDER HEREBY EXPRESSLY WAIVE ANY RIGHT TO A TRIAL BY JURY IN ANY SUCH SUIT, ACTION OR PROCEEDING. Issuer and Noteholder acknowledge and agree that this provision is a specific and material aspect of the agreement between the parties and that the Noteholder would not enter into the transaction contemplated hereby with Issuer if this provision were not part of their agreement.
