**Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers**

On February 17, 2010, ICO Global Communications (Holdings) Limited (the Company) announced that Benjamin G. Wolff has been appointed Chief Executive Officer of the Company. Mr. Wolff, age 41, has served as acting Chief Executive Officer of the Company since December 2009. Mr. Wolff currently serves as Co-Founder and Co-Chairman of Clearwire Corporation, and served in other capacities at Clearwire since 2004, including Clearwire's Chief Executive Officer until 2009. In addition to his positions with Clearwire, Mr. Wolff serves as the President of Eagle River Investments, LLC (ERI) and affiliated entities. ERI, through a subsidiary, is the controlling stockholder of the Company. (Additional information on related party transactions is included in Exhibit 99.1 and incorporated by reference). Mr. Wolff is a member of the Board of Directors and Executive Committee of CTIA - The Wireless Association.

In connection with Mr. Wolff's appointment as Chief Executive Officer, Mr. Wolff will receive a base salary of \$500,000, commencing as of January 1, 2010. He will also be eligible for a bonus of up to 100% of his base salary, at the discretion of the Compensation Committee of the Company's Board of Directors (the Board), based on objectives to be established by the Compensation Committee. In addition, Mr. Wolff was granted options to purchase 2,000,000 shares of the Company's Class A common stock at the NASDAQ closing price for the Company's Class A common stock on the date of grant. These options will vest and become exercisable in four equal annual installments, subject to accelerated vesting or termination as described below. Mr. Wolff was also awarded 2,000,000 shares of restricted stock. The restrictions on 50% of the restricted stock lapse upon achievement of certain performance objectives established by the Compensation Committee (25% in connection with resolution of the Boeing litigation and 25% in connection with securing financing or consummating a transaction that enables the Company to use some or all of its net operating loss carryforwards), subject to an affirmative determination by the Board that the objectives have been met. The restrictions on the other 50% of the restricted stock lapse in four equal annual installments, subject to accelerated vesting or termination as described below. The options and restricted stock were granted under the Company's 2000 stock incentive plan.

If Mr. Wolff is terminated without Cause or resigns for Good Reason (as those terms are defined in his employment agreement), he is entitled to (i) payment of an amount equal to 2 times the sum of his base salary then in effect plus 100% of his target bonus, (ii) continuation of health benefits subject to certain conditions, and (iii) vesting of all options and shares of restricted stock in which he would have vested had he remained actively employed through the second anniversary of the date of termination.

Also on February 17, 2010, the Company announced that Timothy P. Leybold has been appointed Senior Vice President and Chief Financial Officer of ICO Global Communications (Holdings) Limited on an interim basis.
