**Item 1.01. Entry into a Material Definitive Agreement.**

**Item 2.01. Completion of Acquisition or Disposition of Assets.**

On March 17, 2010, an indirect, wholly owned subsidiary of Chesapeake Lodging Trust (the Company ) entered into a definitive agreement to acquire the Company's initial hotel property, the 498-room Hyatt Regency Boston, from an affiliate of Hyatt Hotels Corporation ( Hyatt ) for cash consideration of \$112 million, plus customary pro-rated amounts and closing costs. The transaction was completed on March 18, 2010. The Company funded the purchase price from the proceeds of its initial public offering, which was completed in January 2010. A copy of the press release announcing the transaction is filed as Exhibit 99.1 to this report.

In connection with the closing of the transaction, the Company delivered a management agreement, substantially in the form previously negotiated with Hyatt as disclosed in the Company's IPO registration statement, pursuant to which the Company engaged Hyatt to continue to manage the hotel under the Hyatt Regency flag. The initial term of the management agreement is twenty years, subject to two 10-year renewal options exercisable by Hyatt and the Company's right to terminate the agreement after the fifth year of the initial term if the hotel fails to meet targeted levels of revenue per available room and gross operating profit for two consecutive years. As manager, Hyatt generally will have sole responsibility and exclusive authority for all activities necessary for the day-to-day operation of the hotel. In addition, Hyatt generally will provide all managerial and other employees for the hotel, oversee the operation and maintenance of the hotel, prepare reports, budgets and projections, and provide other administrative and accounting support services to the hotel. The agreement requires the Company to pay Hyatt an annual base management fee equal to 3% of the hotel's total gross operating revenue, and an annual incentive management fee equal to 20% of the amount, if any, by which the hotel's adjusted profit (as defined in the agreement) exceeds an 11% preferred return on the Company's invested capital in the hotel.

An affiliate of Hyatt owns approximately 4.9% of the Company's outstanding common shares of beneficial interest.
