(a) Bylaw Amendments

On December 16, 2010, the Board of Directors (the "Board of Directors") of Franklin Resources, Inc. (the "Company") approved an amendment to, and restatement of, the Company's Amended and Restated Bylaws, effective as of such date.

The Board of Directors adopted the amended bylaws in connection with the proposed nomination of new directors to the Board of Directors and a general corporate governance review. Among other matters, the amended bylaws reflect the following updates:

amend Section 2.3(a) to expand the information required in a stockholder notice for nominations or other business at a stockholders meeting to include disclosure of any group associated with the stockholder and any arrangement with respect to Company stock related to the stockholder proposal, as well as any other information that would be required to be disclosed in the proxy statement with respect to such proposal;

amend Section 2.7(b) to establish the authority of the Chairman or other person presiding over meetings of stockholders to conduct such meetings;

amend Section 2.11(c) to specify a majority voting requirement for the non-binding advisory vote with respect to executive compensation and a plurality requirement for the non-binding advisory vote on its frequency;

amend Section 3.1 to increase the authorized number of Directors to twelve, from eleven, effective from and after the Company's 2011 annual meeting of stockholders to be held on March 15, 2011;

amend Article IV with respect to indemnification to (i) remove mandatory indemnification of agents of the Company, and (ii) provide an offset for amounts collected by officers of subsidiaries from the subsidiary;

amend Article V to update the description of the responsibilities of the Chairman of the Board and the President; and

add a new Section 7.9 regarding forum selection to provide that, unless the Board of Directors consents to the selection of an alternative forum, the Court of Chancery of the State of Delaware will be the sole and exclusive forum for certain actions involving the Company or its directors, officers, employees or agents.

The foregoing description of the amendment to the Company's Amended and Restated Bylaws is qualified in its entirety by the full text of the Amended and Restated Bylaws filed as Exhibit 3.1 hereto and incorporated herein by reference.

**Item 8.01 Other Events.**

On December 16, 2010, the Company announced that on such date the Board of Directors authorized the Company to repurchase, from time to time, up to an aggregate of 10.0 million shares of its common stock in either open market or off-market transactions. The size and timing of these purchases will depend on price, market and business conditions and other factors. The stock repurchase program is not subject to an expiration date. The new Board of Directors authorization is in addition to the existing authorization, of which approximately 2.2 million shares remained available for repurchase at November 30, 2010.
