QUESTIONS AND ANSWERS ABOUT THE PROXY MATERIALS AND THE ANNUAL MEETING

Q: Why am I receiving these materials?

A: The board of directors, or the Board, of Seaspan Corporation, a corporation organized in the Republic of the Marshall Islands (referred to in this proxy statement as Seaspan, the Company, we or us), is providing these proxy materials for you in connection with our annual meeting of shareholders, which will take place on April 30, 2011. As a shareholder, you are invited to attend the annual meeting and are entitled and requested to vote on the items of business described in this proxy statement.

Q: What information is contained in this proxy statement?

A: The information included in this proxy statement relates to the proposals to be voted on at the annual meeting, the voting process, the compensation of directors and certain officers, and other information about our Company.

Q: How may I obtain Seaspan's Annual Report on Form 20-F filed with the SEC?

A: The 2010 Annual Report on Form 20-F is or will be available under "SEC Filings" in the Investor Relations section of our website at www.seaspancorp.com and at the website of the Securities and Exchange Commission, or the SEC, at www.sec.gov. Additionally, shareholders can request a hard copy of our complete audited financial statements free of charge upon request by:

Writing us at Seaspan Corporation, Unit 2, 7th Floor, Bupa Centre, 141 Connaught Road West, Hong Kong, China, fax number +852-2540-1689;

Emailing us at info@seaspancorp.com; or

Calling us at +852-2540-1686.

Q: What items of business will be voted on at the annual meeting?

A: The items of business scheduled to be voted on at the annual meeting are:

The election of two Class III directors to our Board for a term of three years; and

The ratification of the appointment of KPMG LLP, Chartered Accountants, as our independent auditors for the fiscal year ending December 31, 2011.

We will also consider any other business that properly comes before the annual meeting.

Q: How does the Board recommend that I vote?

A: Our Board recommends that you vote your shares **FOR** each of the nominees to the Board and **FOR** the ratification of the independent auditors for the 2011 fiscal year.

Q: Who may vote at the annual meeting?

A: You may vote all of the common shares that you owned at the close of business on March 4, 2011, the record date for the annual meeting. On the record date, we had 68,808,033 common shares outstanding and entitled to be voted at the meeting. You may cast one vote for each common share held by you on all matters presented at the meeting.

We also have outstanding 200,000 Series A 12% Cumulative Preferred Shares, par value \$0.01 per share, or the Series A Preferred Shares, and the holders of such shares are entitled to vote together with the holders of common shares on all matters which are voted upon by our shareholders. Each holder of Series A Preferred Shares is entitled to the number of votes equal to the largest number of whole common shares into which all Series A Preferred Shares held of record by such holder could be converted as of the date immediately

Table of Contents

preceding the record date for the determination of the shareholders entitled to vote on such matters. As of the record date for the meeting, the holders of Series A Preferred Shares were entitled to 16,420,120 votes in the aggregate, approximately 82 votes per Series A Preferred Share.

You may vote all shares owned by you as of the record date for the annual meeting, including (1) shares held directly in your name as the shareholder of record, and (2) shares held for you as the beneficial owner through a broker, trustee or other nominee such as a bank.

Q: What is the difference between holding shares as a shareholder of record and as a beneficial owner?

A: Most of our shareholders hold their shares through a broker or other nominee rather than directly in their own name. As summarized below, there are some distinctions between shares held of record and those owned beneficially.

Shareholder of Record

If your shares are registered directly in your name with our transfer agent, American Stock Transfer & Trust Company, LLC, you are considered, with respect to those shares, the shareholder of record, and these proxy materials are being sent directly to you by us. As the shareholder of record, you have the right to grant your voting proxy directly to us or to vote in person at the meeting. We have enclosed or sent a proxy card for you to use.

Beneficial Owner

If your shares are held in a brokerage account or by another nominee, you are considered the beneficial owner of shares held in street name, and these proxy materials are being forwarded to you together with a voting instruction card. As the beneficial owner, you have the right to direct your broker, trustee or nominee how to vote and are also invited to attend the annual meeting.

Since a beneficial owner is not the shareholder of record, you may not vote these shares in person at the meeting unless you obtain a legal proxy from the broker, trustee or nominee that holds your shares giving you the right to vote the shares at the meeting. Your broker, trustee or nominee has enclosed or provided voting instructions for you to use in directing the broker, trustee or nominee how to vote your shares.

Q: How can I attend the annual meeting?

A: You are entitled to attend the annual meeting only if you were a Seaspan shareholder as of the close of business on March 4, 2011 or you hold a valid proxy for the annual meeting. You should be prepared to present photo identification for admittance. In addition, if you are a shareholder of record, your name will be verified against the list of shareholders of record on the record date prior to your being admitted to the annual meeting. If you are not a shareholder of record but hold shares through a broker, trustee or nominee (i.e., in street name), you should provide proof of beneficial ownership on the record date, such as your most recent account statement prior to the record date, a copy of the voting instruction card provided by your broker, trustee or nominee, or other similar evidence of ownership. If you do not provide photo identification or comply with the procedures outlined above upon request, you will not be admitted to the annual meeting. The meeting is scheduled to begin promptly at 8:00 a.m. (Hong Kong Time).

Q: How can I vote my shares in person at the annual meeting?

A: Shares held in your name as the shareholder of record may be voted in person at the annual meeting. Shares held beneficially in street name may be voted in person only if you obtain a legal proxy from the broker, trustee or nominee that holds your shares giving you the right to vote the shares. Even if you plan to attend the annual meeting, we recommend that you also submit your proxy or voting instructions as described below so that your vote will be counted if you later decide not to attend the meeting.

Table of Contents

Q: How can I vote my shares without attending the annual meeting?

A: Whether you hold shares directly as the shareholder of record or beneficially in street name, you may direct how your shares are voted without attending the meeting. If you are a shareholder of record, you may vote by submitting a proxy. If you hold shares beneficially in street name, you may vote by submitting voting instructions to your broker, trustee or nominee. Shareholders of record of our common and preferred shares may submit proxies by completing, signing and dating their proxy cards and mailing them in the enclosed envelopes or via the Internet as directed on the proxy card. Our shareholders who hold shares beneficially in street name may vote by completing, signing and dating the voting instruction cards provided and mailing them in the enclosed envelopes or via the Internet as directed on the proxy card, or otherwise as directed in the voting instruction card provided by your broker, trustee or nominee.

Q: Can I change my vote?

A: You may change your vote at any time prior to the vote at the annual meeting. If you are the shareholder of record, you may change your vote by granting a new proxy bearing a later date (which automatically revokes the earlier proxy), by providing a written notice of revocation to our Corporate Secretary by mail received prior to your shares being voted, or by attending the annual meeting and voting in person. Attendance at the meeting will not cause your previously granted proxy to be revoked unless you specifically so request. For shares you hold beneficially in street name, you may change your vote by submitting new voting instructions to your broker, trustee or nominee, or, if you have obtained a legal proxy from your broker or nominee giving you the right to vote your shares, by attending the meeting and voting in person.

Q: Is my vote confidential?

A: Proxy instructions, ballots and voting tabulations that identify individual shareholders are handled in a manner that protects your voting privacy. Your vote will not be disclosed either within Seaspan or to third parties, except (1) as necessary to meet applicable legal requirements, (2) to allow for the tabulation of votes and certification of the vote and (3) to facilitate a successful proxy solicitation. Occasionally shareholders provide written comments on their proxy card, which are then forwarded to our management.

Q: How many shares must be present or represented to conduct business at the annual meeting?

A: A quorum is required for our shareholders to conduct business at the annual meeting. The presence at the meeting, in person or by proxy, of the holders of shares having a majority of the voting power represented by all outstanding shares entitled to vote on the record date will constitute a quorum, permitting us to conduct the business of the meeting. Proxies received but marked as abstentions, if any, will be included in the calculation of the number of shares considered to be present at the meeting for quorum purposes. If less than a quorum is present, a majority of those shares present either in person or by proxy shall have power to adjourn the meeting until a quorum shall be present.

Q: How are votes counted?

A: In the election of directors, you may vote FOR all of the nominees or your vote may be WITHHELD with respect to one or more of the nominees. For the other item of business, you may vote FOR, AGAINST or ABSTAIN. If you ABSTAIN, the abstention has the same effect as a vote AGAINST.

If you provide specific instructions for a given item, your shares will be voted as you instruct on such item. If you sign your proxy card or voting instruction card without giving specific instructions, your shares will be voted in accordance with the recommendations of the Board (i.e., FOR our nominees to the Board, FOR ratification of the independent auditors and in the discretion of the proxy holders on any other matters that

properly come before the meeting).

Table of Contents

If you hold shares beneficially in street name and do not provide your broker with voting instructions, your shares may constitute broker non-votes. Generally, broker non-votes occur on a matter when a broker is not permitted to vote on that matter without instructions from the beneficial owner and instructions are not given. In tabulating the voting result for any particular proposal, shares that constitute broker non-votes are not considered entitled to vote on that proposal. Thus, broker non-votes will not affect the outcome of any matter being voted on at the meeting, assuming that a quorum is obtained.

Q: What is the voting requirement to approve each of the proposals?

A: In the election of directors, the two persons receiving the highest number of FOR votes at the annual meeting will be elected. The other proposal requires the affirmative FOR vote of a majority of those shares present in person or represented by proxy and entitled to vote on that proposal at the annual meeting.

Q: Is cumulative voting permitted for the election of directors?

A: No. We do not allow you to cumulate your vote in the election of directors. For all matters proposed for shareholder action at the annual meeting, each common share outstanding as of the close of business on the record date is entitled to one vote. Each Series A Preferred Share is entitled to that number of whole common shares that it could be converted into on the date immediately prior to the record date.

Q: What happens if additional matters are presented at the annual meeting?

A: Other than the two items of business described in this proxy statement, we are not aware of any business to be acted upon at the annual meeting. If you grant a proxy, the persons named as proxyholders, Gerry Wang and Sai W. Chu, or either of them, will have the discretion to vote your shares on any additional matters properly presented for a vote at the meeting. If for any unforeseen reason any of our nominees is not available as a candidate for director, the persons named as proxyholder will vote your proxy for such candidate or candidates as may be nominated by the Board, unless the Board chooses to reduce the number of directors serving on the Board.

Q: What should I do if I receive more than one set of voting materials?

A: You may receive more than one set of voting materials, including multiple copies of this proxy statement and multiple proxy or voting instruction cards. For example, if you hold your shares in more than one brokerage account, you may receive a separate voting instruction card for each brokerage account in which you hold shares. If you are a shareholder of record and your shares are registered in more than one name, you will receive more than one proxy card. Please complete, sign, date and return each proxy card and voting instruction card that you receive or follow the instructions on each card to vote via the Internet.

Q: How may I obtain a separate set of voting materials?

A: If you share an address with another shareholder, you may receive only one set of the proxy statement unless you have provided contrary instructions. If you wish to receive a separate set of proxy materials now or in the future, you may contact us to request a separate copy of these materials at:

Q: Who will bear the cost of soliciting votes for the annual meeting?

A: We are making this solicitation and will pay the entire cost of preparing, assembling, printing, mailing and distributing these proxy materials and soliciting votes. In addition to the mailing of these proxy materials, the solicitation of proxies or votes may be made in person, by telephone or by electronic communication by our directors, officers and employees, who will not receive any additional compensation for such solicitation activities. Upon request, we will reimburse brokerage houses and other custodians, nominees and fiduciaries for forwarding proxy and solicitation materials to shareholders.

Q: Where can I find the voting results of the annual meeting?

A: We intend to announce preliminary voting results at the annual meeting and publish final results in our report on Form 6-K for the three months ending June 30, 2011.

Q: What is the deadline to propose actions for consideration at next year's annual meeting of shareholders or to nominate individuals to serve as directors?

A: You may submit proposals, including director nominations, for consideration at future shareholder meetings as indicated below.

CORPORATE GOVERNANCE PRINCIPLES AND BOARD MATTERS

We are committed to sound corporate governance principles. These principles contribute to our business success and are essential to maintaining our integrity in the marketplace. Our Corporate Governance Guidelines and Code of Business Conduct and Ethics are available under Corporate Governance in the Investor Relations section of our website at www.seaspancorp.com.

Board Practices

General

As of March 1, 2011, our Board consisted of eight members. Except for George H. Juetten, who was appointed by our Series A Preferred shareholders on July 25, 2009 and who does not belong to a class of directors, the Board is divided into the following three classes, with members of each class elected to hold office for a term of three years in accordance with the classification indicated below and until his successor is elected and qualified:

Our Class I directors are Kyle R. Washington and Nicholas Pitts-Tucker. They have terms that expire in 2012;

Our Class II directors are Gerry Wang, Peter Lorange and Graham Porter. They have terms that expire in 2013; and

Our Class III directors are Peter S. Shaerf and John C. Hsu. They have terms that expire in 2011. Mr. Shaerf and Mr. Hsu have each been nominated by the Board for re-election at the 2011 annual meeting of shareholders. Please read Proposals to be Voted on Proposal No. 1 Election of Directors in this current report on Form 6-K for more information about Messrs. Shaerf and Hsu.

There are no service contracts between us and any of our directors providing for benefits upon termination of their employment or service; however, Gerry Wang, our chief executive officer, has entered into employment arrangements with SSML, a subsidiary of our Manager, that provide for certain severance benefits. References to our Manager are to Seaspan Management Services Limited and its wholly owned subsidiaries, which provide us with all of our technical, administrative and strategic services. For additional information regarding these arrangements with Mr. Wang, please read Item 7. Major Shareholders and Related Party Transactions B. Related Party Transactions Employment Agreement and Other Related Agreements with Gerry Wang in our 2010 Annual Report on Form 20-F.

Our Board has determined that each of the current members of the Board, other than Kyle R. Washington, Gerry Wang and Graham Porter, has no material relationship with us, either directly or as a partner, shareholder or officer of an organization that has a relationship with us, and is, therefore, independent from management and our Manager. Peter Lorange, who was previously an officer of certain of our subsidiary companies on an interim basis, resigned from that appointment on April 25, 2010 and was replaced with Mr. Porter. The Board has determined that Mr. Lorange has no material relationship with us either directly or as a partner, shareholder or officer of an organization that has a relationship with us. The Board has also determined that, in spite of his prior interim service as an officer of certain of our subsidiary companies, Mr. Lorange is independent from us, a standard that differs from the NYSE independence standard for domestic companies. Please read

Exemptions from NYSE Corporate Governance Rules for more information about the ways in which our corporate governance practices differ from those followed by domestic companies.

The Board has the following four committees: audit committee, compensation committee, conflicts committee and nominating and corporate governance committee (the latter of which was established in October 2010). The membership of these committees during 2010 and the function of each of the committees are described below. Each of our committees operates under a written charter adopted by our Board. All of the committee charters are available under Corporate Governance in the Investor Relations section of our website at www.seaspancorp.com.

Table of Contents

During 2010, the Board held eight meetings, the audit committee held four meetings, the compensation committee held eight meetings, the conflicts committee held 14 meetings, and the nominating and corporate governance committee held one meeting. Each director attended at least 75% of the Board meetings (held during the period for which such person was a director) during the last fiscal year. Each director attended at least 75% of the total number of committee meetings on which such person served (held during the periods for which such person served) during the last fiscal year with the exception of Peter Lorange, who attended five of 14 conflicts committee meetings.

Our audit committee is composed entirely of directors who currently satisfy applicable NYSE and SEC audit committee independence standards. In 2010, our audit committee members were George H. Juetten, John C. Hsu and Nicholas Pitts-Tucker, who was appointed to the committee on April 25, 2010 and replaced Barry R. Pearl. All members of the committee are financially literate, and the Board has determined that all members qualify as financial experts. The audit committee assists the Board in fulfilling its responsibilities for general oversight of: the integrity of our consolidated financial statements; our compliance with legal and regulatory requirements; the independent auditors' qualifications and independence; and the performance of our internal audit function and independent auditors.

Our compensation committee is composed entirely of directors who currently satisfy applicable NYSE independence standards. In 2010, our compensation committee consisted of Peter S. Shaerf, John C. Hsu and George H. Juetten, who was appointed to the committee on April 25, 2010 and replaced Barry R. Pearl. The compensation committee reviews, evaluates and approves our agreements, plans, policies and programs to compensate our officers and directors. Each year the committee produces a report on executive compensation and publishes the report in our Annual Report on Form 20-F, otherwise discharges the Board's responsibilities relating to the compensation of our officers and directors, and performs such other functions as the Board may assign to the committee from time to time.

In 2010, our conflicts committee consisted of Peter S. Shaerf, Peter Lorange and Nicholas Pitts-Tucker. Mr. Lorange and Mr. Pitts-Tucker were appointed to the conflicts committee on April 25, 2010 and succeeded Barry R. Pearl and filled a vacancy that was created following the resignation of director Milton K. Wong effective January 2, 2010. The conflicts committee reviews and approves transactions between us and our directors, our officers and other related parties for potential conflicts of interest on an ongoing basis. Each member of the committee currently satisfies applicable NYSE independence standards, other than Mr. Lorange, whom the Board has determined has no material relationship with us, either directly or as a partner, shareholder or officer of an organization that has a relationship with us and has been deemed by the Board to be independent from us. Please read [Exemptions from NYSE Corporate Governance Rules](#) for more information about the ways in which our corporate governance practices differ from those followed by domestic companies.

Our nominating and corporate governance committee, which was established in October 2010, is composed entirely of directors who currently satisfy applicable NYSE independence standards. In 2010, our nominating and corporate governance committee consisted of Nicholas Pitts-Tucker, George H. Juetten and John C. Hsu. The nominating and corporate governance committee assists the Board with: corporate governance practices; identifying qualified individuals to become members of the Board; the process of recommending director nominees to the Board for election at annual meetings of the shareholders or to fill vacancies on the Board; and the results of period performance evaluations of the members of the Board and making any recommendations on consequent improvements that have been identified during such evaluations.

The report of the compensation committee is included beginning on page 19 of this current report on Form 6-K, and the report of the audit committee is included on page 22.

Exemptions from NYSE Corporate Governance Rules

As a foreign private issuer, we are exempt from certain corporate governance rules that apply to domestic companies under NYSE listing standards. The following are significant ways in which our corporate governance practices differ from those followed by domestic companies:

In lieu of obtaining shareholder approval prior to the adoption of equity compensation plans, the Board approves such adoption; and

Unlike domestic companies listed on the NYSE, foreign private issuers are not required to have a majority of independent directors and the standard for independence applicable to foreign private issuers may differ from the standard that is applicable to domestic issuers. Our Board has determined that four of our eight current directors (being John C. Hsu, George H. Juetten, Nicholas Pitts-Tucker and Peter S. Shaerf) satisfy the NYSE's independence standards for domestic companies. The Board has also determined that Peter Lorange, who has no material relationship with us either directly or as a partner, shareholder or officer of an organization that has a relationship with us, is independent from us. This is the general NYSE independence standard. The Board has not applied the NYSE three-year look-back test relating to Mr. Lorange's interim service as an officer of certain of our subsidiary companies in deeming Mr. Lorange to be independent.

U.S. issuers are required to have a compensation committee and a nominating and corporate governance committee, each comprised entirely of independent directors. Although as a foreign private issuer these rules do not apply to us, we have a compensation committee and a nominating and corporate governance committee that each consists of three directors, all of whom currently satisfy NYSE standards for independence.

PROPOSALS TO BE VOTED ON

PROPOSAL NO. 1

ELECTION OF DIRECTORS

As of March 1, 2011, our Board consisted of eight members. Except for George H. Juetten, who was appointed by our Series A Preferred shareholders on July 25, 2009 and who does not belong to a class of directors, the rest of the Board is divided into three classes: Class I, Class II and Class III. The number of directors in each class is required to be as nearly equal as possible. At the 2011 annual meeting, two Class III directors will be elected to serve for three-year terms until the 2014 annual meeting and until their successors are elected. The nominees for election at the 2011 annual shareholder meeting are Peter S. Shaerf and John C. Hsu. The remaining five non-Series A Preferred directors are divided into two classes of two Class I directors and three Class II directors, whose terms expire in 2012 and 2013, respectively. Votes may not be cast at the 2011 annual shareholder meeting for a greater number of director nominees than two.

Information regarding the business experience of each nominee is provided below. There are no family relationships among our executive officers and directors.

If you sign your proxy or voting instruction card but do not give instructions for the voting of directors, your shares will be voted **FOR** the two persons recommended by the Board. If you wish to give specific instructions for the voting of directors, you may do so by indicating your instructions on your proxy or voting instruction card.

The two persons receiving the highest number of **FOR** votes represented by common and preferred shares of Seaspan, present in person or represented by proxy and entitled to be voted at the annual meeting, will be elected.

The Board expects that both nominees will be available to serve as directors. If, for any unforeseen reason, either of the Board's nominees is not available as a candidate for director, the proxyholders, Gerry Wang and Sai W. Chu, will vote your proxy for such other candidate or candidates as may be nominated by the Board, unless the Board chooses to reduce the number of directors serving on the Board.

Our Board recommends a vote FOR the election to the Board of each of the following nominees for Class III Directors (terms expiring in 2014):

REPORT OF THE COMPENSATION COMMITTEE

OF THE BOARD OF DIRECTORS ON EXECUTIVE COMPENSATION

Our executive compensation program is administered by the compensation committee of the Board, which we refer to as the Committee. The Committee is currently composed entirely of non-employee directors who are independent, as determined by the Board, within the meaning of applicable NYSE standards.

The Committee reviews, evaluates, and approves the agreements, plans, policies and programs of Seaspan to compensate our officers and directors, produces a report on executive compensation each year and publishes the report in our Annual Report on Form 20-F, otherwise discharges the Board s responsibilities relating to compensation of our officers and directors, and performs such other functions as the Board may assign to the Committee from time to time. The Committee s charter is available under Corporate Governance in the Investor Relations section of our website at www.seaspancorp.com.

The Committee met eight times during 2010, and the chairman of the Committee met in person or telephonically with outside consultants with respect to director and executive officer compensation. The Committee has direct access to independent compensation consultants and other experts for information as it deems appropriate and used independent consultants from time to time during the year.

The Committee has furnished the following report on executive compensation.

Executive Compensation Philosophy

During 2010, we had no employees. The Committee is responsible for reviewing and evaluating the executive compensation of our chief executive officer and chief financial officer, both of whom were seconded to us by our Manager during 2010, and our directors. Generally, the goals of our compensation program are to:

attract, retain and motivate a high-caliber executive leadership team;

Table of Contents

pay competitively and consistently within an appropriately defined market;

align executive compensation with shareholder interests; and

link compensation to our performance and the individual performance of our executive officers and directors.

Executive Compensation Practices

Each year, we survey the executive compensation practices of our industry peer groups. The level of executive compensation will be commensurate with our performance both within and outside our peer group.

Components of Executive Compensation

Base Pay

Base pay is baseline cash compensation and is determined by the competitive market and individual performance. The base pay for our chief executive officer for 2010 was payable by our Manager and established by an employment agreement between SSML, a subsidiary of our Manager, and Gerry Wang. The base pay for our chief financial officer is payable by our Manager and is established by a letter agreement, dated December 5, 2007, between a subsidiary of our Manager and Sai W. Chu.

Annual Bonus

Our annual bonus program focuses on matching reward with the individual's performance and our financial performance in the fiscal year through comparison to established targets and the financial performance of peer companies. The bonus has included in the past long term stock grants and may include cash compensation, which will be evaluated and determined by the Committee in conjunction with the chief executive officer.

Equity Incentive Plan

The Plan is intended to promote our interests by encouraging employees, consultants and directors to acquire or increase their equity interest in us and to provide a means whereby they may develop a sense of proprietorship and personal involvement in our development and financial success, and to encourage them to remain with and devote their best efforts to our business, thereby advancing our interests and the interests of our stockholders. The Plan is also contemplated to enhance our ability to attract and retain the services of individuals who are essential for our growth and profitability.

Developments

We are discussing with Gerry Wang, our chief executive officer, a new potential employment agreement. The proposed new employment agreement would, among other things, significantly increase Mr. Wang's compensation, which primarily would include salary, cash and stock-based bonuses and incentives related to fleet transactions and company performance. We intend to publicly disclose details of any such new employment agreement promptly following the entry into a definitive agreement between Mr. Wang and us.

The undersigned members of the Committee have submitted this Report to our Board.
