Item 5.03 Amendment to Articles of Incorporation or Bylaws; Change in Fiscal Year

On September 21, 2011, the Board of Directors (the Board) of Unitil Corporation (Unitil) approved amendments to Unitil's By-Laws (the By-Laws) to provide that notice of special and annual meetings be given to each stockholder of record entitled to vote at the meeting by mailing a notice not less than ten (10) nor more than sixty (60) days before the day named for the meeting, as opposed to fifty (50) days before the day of the meeting, as previously provided, to be consistent with the New Hampshire Business Corporation Act.

The Board further amended the By-Laws to require advance notice of stockholder proposed business and nominations for directors (other than proposals properly made in accordance with Rule 14a-8 under the Securities Exchange Act of 1934, as amended). A copy of the Amended and Restated By-Laws is attached hereto as Exhibit 3.1, and the discussion below is qualified in its entirety by the attached By-Laws.

As amended, the By-Laws require stockholders to provide notice of proposed business or nomination of directors at an annual meeting not less than ninety (90) days and not more than one hundred twenty (120) days prior to the anniversary date of Unitil's prior annual meeting; provided, however, that if the annual meeting is not held within thirty (30) days of the anniversary date of the prior year's annual meeting, stockholder notice of proposed business must be provided no later than the tenth (10th) day following the earlier of (i) the mailing of the notice of the annual meeting date or (ii) the public announcement of the annual meeting date. Stockholders seeking to propose business at an annual meeting must provide certain information, including (i) biographical and stock ownership information (including derivative and hedging interests) of the stockholder proponent (and certain affiliates), (ii) any arrangements or understandings between the stockholder proponent (and certain affiliates) and another person or entity with respect to the proposed business, and (iii) any material interest of the stockholder proponent (and certain affiliates) in the proposed business.

As amended, the By-Laws require stockholders seeking to propose director nominees at an annual meeting to provide certain information, including (i) biographical and stock ownership information concerning the nominee, (ii) biographical and stock ownership information (including derivative and hedging interests) of the stockholder proponent (and certain affiliates) and (iii) arrangements and understandings (including financial arrangements and compensation) between the stockholder proponent and the nominee.
