PRESS RELEASE

Amsterdam, 6 October 2011

Koos Timmermans to present at Merrill Lynch conference

Today, ING Bank Vice-Chairman Koos Timmermans will address the 16th Annual Bank of America Merrill Lynch Banking & Insurance CEO Conference in London, United Kingdom.

In his presentation, Koos Timmermans will demonstrate ING's track record of delivering on its priorities, including strengthening its financial position, delivering on restructuring and generally building stronger Banking and Insurance organisations. Mr. Timmermans will reiterate the substantial measures ING has taken since the beginning of the financial crisis, including managing down the asset base of the Bank and derisking the investment book.

In addition, Mr. Timmermans will address ING's progress to meet the restructuring demands of the European Commission. Koos Timmermans will finish his presentation by illustrating ING Bank's strategic position: a liability driven bank that is well positioned for the future, using its strong deposit gathering capability for future growth while managing its balance sheet efficiently through further integration.
