Honda Begins Construction of New Auto Plant in Indonesia

In Jakarta, on June 4, 2012, P.T. Honda Prospect Motor (HPM), Honda's automobile manufacturing and sales joint venture in Indonesia, held a groundbreaking ceremony to mark the start of the construction of its new automobile production plant in Karawang Industrial Park in a suburb of Jakarta.

With annual production capacity of 120,000 units, the new auto plant is scheduled to begin production in 2014 in order to continue meeting demands in the rapidly growing automobile market in Indonesia.

The new plant, an investment of approximately 3.1 trillion Indonesian rupiah (approximately 27 billion yen*), will employ approximately 2,000 associates at the start of production. Combined with the current capacity of 60,000 units, HPM's annual production capacity will total 180,000 units.

* Calculated with the exchange rate of 1 Indonesian rupiah = 0.0088 yen

Toshiaki Hiwatari	14,352,559	34,754	7,689	97.27	Approved
Notes:					

- (i) The requirements for approval of each matter for resolution are as follows:

- For the First Item of the proposals, a majority vote of the shareholders entitled to vote and present at the General Shareholders Meeting
- For the Second Item of the proposals, not less than two-thirds (2/3) of the votes of the shareholders present at the General Shareholders Meeting who hold shares representing in aggregate not less than one-third (1/3) of the voting rights of all shareholders entitled to vote
- For the Third and Fourth Items of the proposals, a majority vote of the shareholders present at the General Shareholders Meeting who hold shares representing in aggregate not less than one-third (1/3) of the voting rights of all shareholders entitled to vote

- (ii) The ratio of affirmative votes is the ratio of the aggregate of the number of voting rights exercised prior to the General Shareholders Meeting and the number of votes by the shareholders present at the General Shareholders Meeting, through which approval was able to be ascertained for each of the proposals, against the aggregate of the number of voting rights exercised prior to the General Shareholders Meeting and the number of voting rights of all the shareholders present at the General Shareholders Meeting.

Table of Contents

(4) Reasons for not including certain number of votes by shareholders present at the meeting in the number of votes mentioned above. The aggregate number of (a) the voting rights exercised prior to the General Shareholders Meeting and (b) the votes by shareholders present at the General Shareholders Meeting, through which approval or disapproval was able to be ascertained for each of the proposals, was sufficient to meet the approval requirements and therefore the matters were duly resolved under the Company Law. Accordingly, the number of votes by the shareholders present at the General Shareholders Meeting, but for which approval, disapproval or abstention for each proposal could not be confirmed, were not included in the numbers of affirmative votes/negative votes/abstentions mentioned in paragraph (3) above.
