SCHEDULE 13D

Item 1. Security and Issuer

The class of equity securities to which this Schedule 13D relates is the common stock, \$0.01 par value per share, of Titanium Metals Corporation (the Shares), a Delaware corporation (Issuer). The principal executive office of Issuer is located at 5430 LBJ Freeway, Suite 1700, Dallas, Texas 75240.

Item 2. Identity and Background

This Schedule 13D is being filed pursuant to Rule 13d-1 under the Securities Exchange Act of 1934, as amended (the Exchange Act), by Precision Castparts Corp., an Oregon corporation (Parent), and ELIT Acquisition Sub Corp., a Delaware corporation and wholly owned subsidiary of Parent (Purchaser, and together with Parent, the Reporting Persons). The Reporting Persons have entered into a Joint Filing Agreement, a copy of which is included as Exhibit 6 to this Schedule 13D. The principal office of the Reporting Persons is located at 4650 S.W. Macadam Ave., Suite 400, Portland, Oregon.

Parent is a worldwide manufacturer of complex metal components and products. Purchaser was formed for the sole purpose of conducting the tender offer described in Items 3 and 4 of this Schedule 13D and merging with and into Issuer.

The name, business address, present principal occupation or employment and citizenship of each director and executive officer of Parent and Purchaser is set forth on Schedule A.

During the last five years, neither Parent, Purchaser nor, to the knowledge of Parent or Purchaser, any of the persons listed on Schedule A, has been convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors) or was a party to a civil proceeding of a judicial or administrative body of competent jurisdiction and as a result of such proceeding was or is subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding any violation with respect to such laws.

Item 3. Source and Amount of Funds or Other Consideration

Merger Agreement

On November 9, 2012, Parent and Purchaser entered into an Agreement and Plan of Merger (the Merger Agreement) with Issuer. Pursuant to the Merger Agreement, and upon the terms and subject to the conditions thereof, Purchaser agreed to commence a cash tender offer (the Offer) to acquire all of the outstanding Shares at a price of \$16.50 per Share, net to the seller in cash, without interest and less any required withholding of taxes (such amount, the Offer Price). As soon as practicable following the successful completion of the Offer and subject to the satisfaction or waiver of certain conditions set forth in the Merger Agreement, Purchaser will be merged with and into Issuer (the Merger), and Issuer will become a wholly owned subsidiary of Parent (the Surviving Corporation).

Support Agreement

As a condition and inducement to Parent s willingness to enter into the Merger Agreement, certain stockholders of Issuer (collectively, the Executing Stockholders) have entered into a Support Agreement, dated November 9, 2012, with Parent and Purchaser (the Support Agreement).

Subject to the terms and conditions of the Support Agreement, the Executing Stockholders agreed, among other things, to tender their shares pursuant to the Offer, vote in favor of the Merger, if applicable, and, subject to certain exceptions, not to transfer their Shares that are subject to the Support Agreement. The Executing Stockholders also agreed, subject to certain exceptions, to jointly and severally indemnify Parent, Purchaser, their affiliates, officers, directors, employees, advisors, agents and other representatives and, if the Offer closes, Issuer, its affiliates, officers, directors, employees, advisors, agents and other representatives from losses incurred by those parties in connection with claims with respect to the transactions contemplated by the Merger Agreement and Support Agreement brought by stockholders of Issuer or, in certain cases, a governmental authority. The Support Agreement will terminate upon the earliest to occur of, among other things, the termination of the Merger Agreement, February 28, 2013 (subject to a 60 day extension period to complete antitrust regulatory approvals) or the failure by Parent to commence the Offer by November 20, 2012.

Edgar Filing: TITANIUM METALS CORP - Form SC 13D

In addition, pursuant to the Support Agreement, the Executing Stockholders agreed to request that the Combined Master Retirement Trust (the CMRT), a trust that one of the Executing Stockholders sponsors, enter into an agreement with Parent to tender all 15,434,604 Shares held by it into the Offer, representing an additional 8.8% of the issued and outstanding Shares as of November 12, 2012. In response to the Executing Stockholders request, the CMRT issued a letter to Parent, dated as of November 14, 2012 (the CMRT Support Letter), pursuant to which it indicated its intention to tender any Shares that it owns, free and clear of any liens or encumbrances, into the Offer, subject to its fiduciary duties and other relevant considerations and subject to the Offer commencing on or before November 20, 2012.

Confidentiality Agreement

Parent and Issuer are parties to a confidentiality agreement, dated as of October 18, 2012 (the Confidentiality Agreement). The Confidentiality Agreement provides, among other things, that, in connection with an evaluation relating to a potential transaction, each of Parent and Issuer (i) may deliver to the other party certain confidential information, and that the receiving party will keep all such information relating to the other party confidential and will not disclose such information to any other person (except to their respective representatives who are actually engaged in the evaluation of the proposed transaction and have a need to know such information for the purpose of such evaluation, or as otherwise required by law) without the consent of the other party and (ii) shall not, subject to certain limited exceptions, until one year following the execution of the Confidentiality Agreement, solicit for employment any of the other party's current employees to whom such party had been directly or indirectly introduced as a result of the proposed transaction. Pursuant to the terms of the Confidentiality Agreement, Parent agreed to certain standstill restrictions involving the Company's securities until one year following the execution of the Confidentiality Agreement.

Source and Amount of Funds

Parent and Purchaser's beneficial ownership of the Shares reported in this Schedule 13D arises as a result of the Support Agreement. As described above, the parties entered into the Support Agreement as a condition and inducement to Parent's willingness to enter into the Merger Agreement. Neither Parent nor Purchaser has paid additional consideration to the Executing Stockholders in connection with the execution and delivery of the Support Agreement.

With respect to the Offer, if all outstanding Shares as of November 12, 2012 were tendered in the Offer, Purchaser would need approximately \$2.9 billion to complete the Offer. Parent and Purchaser expect to fund the payment of tendered Shares through a loan to or investment in Purchaser by Parent or another subsidiary of Parent, which Parent or other subsidiary of Parent will provide from cash on hand, based on any combination of internally available cash, cash generated from general corporate activities, the issuance of debt securities and borrowings under Parent's existing and committed credit facilities. The Offer is not subject to a financing condition.

As of September 30, 2012, Parent had cash and cash equivalents of approximately \$193.4 million, and availability under its \$1.0 billion revolving Credit Agreement, dated as of November 30, 2011 (the Revolver), with Bank of America, N.A. and a syndicate of lenders of approximately \$555.5 million.

Parent may issue up to \$3.0 billion of notes on or prior to the Offer closing (the Note Offering). To the extent that the proceeds of the Note Offering are less than \$3.0 billion, a bridge facility in the amount of \$3.0 billion less the gross proceeds of the Note Offering, as described below (the Bridge Facility), with Bank of America, N.A., Merrill Lynch, Pierce, Fenner & Smith Incorporated and Citigroup Global Markets Inc. and their affiliates (the Commitment Parties) will be available as of the Offer closing.

Pursuant to the Revolver, the lenders thereto have made available to Parent loan commitments in an aggregate principal amount of \$1.0 billion. As of September 30, 2012, approximately \$555.5 million was available under the Revolver for borrowings. Parent has the option to request that the lenders under the Revolver increase such loan commitments by up to \$500 million. The Revolver is unsecured.

Parent may request borrowings under the Revolver until November 30, 2016, at which time all outstanding loans under the Revolver, together with all accrued and unpaid interest, are due. Such final maturity date is subject to a 364-day extension in the final year of the facility and can be exercised twice but cannot extend beyond November 30, 2018.

A copy of the Revolver is filed with the Securities and Exchange Commission (the SEC) as an exhibit to Parent's Current Report on Form 8-K filed with the SEC on December 2, 2011.

Pursuant to Parent's Commitment Letter with the Commitment Parties dated as of November 9, 2012 (the Commitment Letter), the Commitment Parties have agreed to make available to Parent loan commitments in an aggregate principal amount of up to \$3.0 billion, less the aggregate gross proceeds of the Note Offering and other debt or disqualified equity securities issued prior the Offer closing. The Bridge Facility will be unsecured.

The loans under the Bridge Facility must be taken in one drawing at the time of the Offer closing. All outstanding loans must be repaid, together with all accrued and unpaid interest, within three hundred sixty four (364) days after that date.

The foregoing descriptions of the Merger Agreement, the Support Agreement, the CMRT Support Letter, the Confidentiality Agreement and the Commitment Letter do not purport to be complete and are qualified in their entirety by reference to the copies of the Merger Agreement, the Support Agreement, the CMRT Support Letter, the Confidentiality Agreement and the Commitment Letter included as Exhibits 1, 2, 3, 4 and 5, respectively, to this Schedule 13D, each of which is incorporated by reference herein.

Item 4. Purpose of the Transaction

As described in Item 3 above, this Schedule 13D relates to the Support Agreement, the purpose of which is to assist Parent and Purchaser in consummating the Merger of Issuer and Purchaser pursuant to the Merger Agreement.

The Merger Agreement provides that, effective upon the successful completion of the Offer, and for so long as Parent and its subsidiaries, directly or indirectly, beneficially own in the aggregate more than 50% of the outstanding Shares, Parent is entitled to designate at least that number of directors, rounded up to the next whole number, that equals the product of (i) the total number of directors on the board of directors of Issuer (the Issuer Board) (giving effect to any increase described in this sentence, if applicable) and (ii) the percentage that the aggregate number of the Shares beneficially owned, directly or indirectly, by Parent and its subsidiaries (including the Shares accepted for payment by Purchaser in the Offer) bears to the total number of the Shares then outstanding, and Issuer will cause, at the request of Parent, Parent's designees to be elected or appointed to the Issuer Board, including, if necessary, by increasing the number of directors and seeking and accepting resignations from incumbent directors. At that time, at the request of Parent, Issuer will also cause individuals designated by Parent to constitute the proportional number of members on each committee of the Issuer Board and each board of directors (or similar body) of each subsidiary of Issuer (and each committee or similar body thereof). Pursuant to the Merger Agreement, at all times prior to the effective time of the Merger (the Effective Time), the Issuer Board is required to have at least three members who were members of the special committee of independent directors of the Issuer Board formed in connection with the proposed transaction or who are successors of such directors and independent for purposes of Section 301 of the Sarbanes-Oxley Act of 2002 (the Independent Directors). If the number of Independent Directors is reduced below three for any reason, the remaining Independent Director(s) will be entitled to designate an individual to fill any vacancy who will be considered to be an Independent Director or, if no Independent Directors remain, the other directors will designate three individuals to fill such vacancies who are independent for purposes of Section 301 of the Sarbanes-Oxley Act of 2002.

At the Effective Time, (i) the Surviving Corporation will become a wholly owned subsidiary of Parent and (ii) each Share outstanding immediately prior to the Effective Time (other than the Shares owned by Issuer, Purchaser or Parent, all of which will be cancelled, and other than the Shares that are held by stockholders, if any, who are entitled to and have properly exercised their appraisal rights under Section 262 of the General Corporation Law of the State of Delaware) will be converted into the right to receive an amount equal to the Offer Price. The directors and officers of Purchaser immediately prior to the Effective Time will be the directors and officers of the Surviving Corporation immediately following the Effective Time. The directors of Purchaser were appointed by Parent and are identified on Schedule A.

Parent will continue to evaluate the business and operations of Issuer during the pendency of the Offer and after the Offer closes pending the Merger and will take those actions it deems appropriate under the circumstances then existing. Following the Merger, Issuer will become a wholly owned subsidiary of Parent.

Following the Merger, the Shares will no longer be traded on the New York Stock Exchange, there will be no public market for the Shares and registration of the Shares under the Exchange Act will be terminated.

Item 3 is incorporated by reference into this Item 4.

Except as set forth in this Schedule 13D and in connection with the Offer and the Merger described above, the Reporting Persons have no plans or proposals that relate to or would result in any of the transactions described in subparagraphs (a) through (j) of Item 4 of Schedule 13D.

Item 5. Interest in Securities of the Issuer

(a) - (b) As a result of the Support Agreement, the Reporting Persons may be deemed to have shared voting power and shared dispositive power with respect to 79,224,055 Shares, subject to the conditions and limitations of the Support Agreement, and thus, for the purpose of Rule 13d-3 promulgated under the Exchange Act, the Reporting Persons may be deemed to be the beneficial owners of an aggregate of 79,224,055 Shares of Issuer. All Shares that may be deemed to be beneficially owned by the Reporting Persons constitute approximately 45.3% of the issued and outstanding Shares of Issuer (based upon 175,061,774 Shares outstanding as represented by Issuer to Parent and Purchaser in the Merger Agreement).

The Reporting Persons are not entitled to any rights as a stockholder of Issuer as to the Shares covered by the Support Agreement, except as otherwise expressly provided in the Support Agreement.

Except as set forth in this Item 5, none of Parent, Purchaser or, to the knowledge of the Reporting Persons, any persons named in Schedule A beneficially owns any Shares.

(c) Except for the Support Agreement, the CMRT Support Letter and the Confidentiality Agreement described above, none of Parent, Purchaser or, to the knowledge of the Reporting Persons, any persons named in Schedule A has effected any transaction in securities of Issuer reported herein during the past 60 days.

(d) To the knowledge of the Reporting Persons, no other person has the right to receive or the power to direct the receipt of dividends from, or the proceeds from the sale of, the securities of Issuer reported herein.

(e) Not applicable.

Item 6. Contracts, Arrangements, Understandings or Relationships with Respect to Securities of the Issuer

Except for the Support Agreement, the CMRT Support Letter and the Confidentiality Agreement described above, to the knowledge of the Reporting Persons, there are no contracts, arrangements, understandings or relationships (legal or otherwise) with respect to any securities of Issuer, which would be required to be reported under this Item.
