This Amendment No. 1 (this **Amendment**) amends and supplements the Solicitation/Recommendation Statement on Schedule 14D-9 (as amended or supplemented from time to time, the **Statement**) originally filed with the U.S. Securities and Exchange Commission (the **SEC**) by Titanium Metals Corporation, a Delaware corporation (the **Company**, **TIMET**, **we**, **our** or **us**). The Statement relates to the cash tender offer of ELIT Acquisition Sub Corp., a Delaware corporation (the **Purchaser**), which is a wholly-owned subsidiary of Precision Castparts Corp., an Oregon corporation (the **Parent**), to purchase all of the outstanding shares of Common Stock at a purchase price of \$16.50 per share, payable net to the seller in cash, without interest and subject to any withholding of taxes required by applicable law (the **Offer Price**). The tender offer is disclosed in the Tender Offer Statement on Schedule TO (together with the exhibits thereto, as it may be amended or supplemented, the **Schedule TO**), filed by Purchaser and Parent with the U.S. Securities and Exchange Commission (the **SEC**) on November 20, 2012, and is upon the terms and subject to the conditions set forth in the Offer to Purchase, dated November 20, 2012 (the **Offer to Purchase**), and in the related Letter of Transmittal (as it may be amended or supplemented, the **Letter of Transmittal**) and, together with the Offer to Purchase, the **Offer**). Capitalized terms used in this Amendment but not defined herein shall have the respective meaning given to such terms in the Statement.

Except as otherwise set forth below, the information set forth in the Statement remains unchanged and is incorporated herein by reference as relevant to the items in this Amendment. Capitalized terms used but not defined herein have the meanings ascribed to them in the Statement.

ITEM 8. ADDITIONAL INFORMATION.

The first paragraph under the heading **Regulatory Requirements** and subheading **United States Antitrust Laws** in Item 8 **Additional Information**, of the Statement is hereby amended and restated in its entirety:

Under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended (the **HSR Act**), certain acquisitions may not be consummated unless certain information has been furnished to the Antitrust Division of the Department of Justice (the **Antitrust Division**) and the Federal Trade Commission (the **FTC**) and certain waiting period requirements have been satisfied. The purchase of shares of Common Stock by Purchaser pursuant to the Offer is subject to such requirements. Parent and TIMET each filed a Premerger Notification and Report Form in connection with the Offer with the Antitrust Division and the FTC on November 14, 2012. In order to provide additional time for antitrust review of the Offer, on November 21, 2012, Parent, Purchaser and TIMET agreed that Parent would withdraw Parent's previously filed Premerger Notification and Report Form and refile such Premerger Notification and Report Form on November 29, 2012. The required waiting period with respect to the Offer will expire at 11:59 p.m., New York City time, on December 14, 2012, unless earlier terminated by the FTC and the Antitrust Division or unless the FTC or the Antitrust Division issues a Request for Additional Information and Documentary Materials (a **Second Request**) prior to that time. If within the 15 calendar day waiting period either the FTC or the Antitrust Division issues a Second Request, the waiting period with respect to the Offer would be extended until 10 calendar days following the date of substantial compliance by Parent with that request, unless the FTC or the Antitrust Division terminates the additional waiting period earlier. After the expiration of the 10 calendar day waiting period, the waiting period may be extended only by court order or Parent's and TIMET's agreement. Complying with a Second Request can take a significant period of time.

Item 8, Additional Information, is hereby amended and supplemented by inserting the following at the end of the fourth paragraph under the heading *Litigation* :

Also on November 19, 2012, two additional putative shareholder class action complaints, captioned *Rackliffe v. Simmons*, C.A. No. 8041-CS (the **Rackliffe Complaint**), and *Kahn v. Titanium Metals Corporation*, C.A. No. 8042-CS (the **Kahn Complaint**), were filed in the Court of Chancery of the State of Delaware against the Company, the members of the Board, Parent and Purchaser. In addition, another putative shareholder class action complaint, captioned *Grobler v. Titanium Metals Corporation*, No. CC-12-07000-E (the **Grobler Complaint**), was filed in the County Court at Law No. 5, Dallas County, Texas, against the Company, the members of the Board, Parent and Purchaser. The Rackliffe Complaint, the Kahn Complaint and the Grobler Complaint each allege, among other things, that the members of the Board breached their fiduciary duties to the Company's stockholders by entering into the Merger Agreement, and further allege that the Company, Parent and/or Purchaser aided and abetted the members of the Board in breaching their fiduciary duties. The Rackliffe Complaint, the Kahn Complaint and the Grobler Complaint seek, among other things, to enjoin the transactions contemplated by the Merger Agreement or, in the alternative, in the case of the Rackliffe Complaint and the Kahn Complaint, an award of money damages.

On November 20, 2012, an additional putative shareholder class action complaint, captioned *Mahlke v. Titanium Metals Corporation*, C.A. No. 8045-CS (the **Mahlke Complaint**), was filed in the Court of Chancery of the State of Delaware against the Company, the members of the Board, Parent and Purchaser. The Mahlke Complaint alleges, among other things, that the members of the Board breached their fiduciary duties to the Company's stockholders by entering into the Merger Agreement, and further alleges that Harold C. Simmons, in his capacity as the Company's controlling stockholder, breached his fiduciary duties to the Company's stockholders and that Parent and Purchaser aided and abetted the members of the Board and Mr. Simmons in breaching their respective fiduciary duties. The Mahlke Complaint seeks, among other things, to enjoin the transactions contemplated by the Merger Agreement or, in the alternative, an award of money damages.

On November 21, 2012, plaintiffs Gaines and Kahn each filed an amended putative shareholder class action complaints in the Gaines action (the **Gaines Amended Complaint**) and the Kahn action (the **Kahn Amended Complaint**), respectively, in the Court of Chancery of the State of Delaware. In addition to the claims previously alleged in each of those actions, the Gaines Amended Complaint and the Kahn Amended Complaint each allege that the Schedule 14D-9, filed with the Securities and Exchange Commission on November 20, 2012, was materially incomplete and omitted certain information. Also on November 21, 2012, plaintiffs Gains and Kahn each filed motions in the Gaines action and the Kahn action, respectively, seeking orders (i) expediting discovery in the Gaines action and the Kahn action, respectively, and (ii) preliminarily enjoining the transactions contemplated by the Merger Agreement.
