**Item 1.01 Entry into a Material Definitive Agreement**

On December 31, 2012, CECO Environmental Corp., through its subsidiary CECO Group, Inc. (collectively, the Company or CECO ) acquired 100% of the capital stock of Adwest Technologies, Inc. ( Adwest ), pursuant to the terms of a Stock Purchase Agreement ( SPA ) among CECO and all of the shareholders of Adwest (the Sellers ). Adwest is engaged in the business of manufacturing, installing and servicing regenerative thermal oxidizers used in air pollution abatement solutions.

The consideration paid by the Company to the Sellers in the transaction at closing was \$4.0 million in cash and 52,632 shares of the Company s common stock worth approximately \$0.5 million (based on the average closing price of the Company s common stock on the Nasdaq Global Market for the thirty trading days immediately preceding the date of the SPA). The total consideration paid excludes transaction costs and is subject to certain escrow restrictions and post-closing adjustments.

The consideration also includes a three year cash earn out payment of up to \$1.65 million. The additional payment may be earned if Adwest s EBITDA in each of the 2013, 2014 and 2015 fiscal years exceeds \$1.2 million annually (the EBITDA Target ), subject to the scale set forth below.

At Less Than 100% EBITDA Target, Earn Out Would Be Paid As Follows:

|                                  |      |
|----------------------------------|------|
| EBITDA Target of 100% pays       | 100% |
| EBITDA Target of 99% pays        | 95%  |
| EBITDA Target of 98% pays        | 90%  |
| EBITDA Target of 97% pays        | 85%  |
| EBITDA Target of 96% pays        | 80%  |
| EBITDA Target of 90% to 95% pays | 75%  |
| EBITDA Target of 80% to 89% pays | 40%  |
| EBITDA Target below 80%          | 0%   |

If the total EBITDA for 2013, 2014 & 2015 is equal to or exceeds \$3.6 million, as measured on March 30, 2016, the Sellers are entitled to be paid the difference between \$1.65 million and actual earn out payments received by the Sellers for prior years.

The parties to the SPA have made customary representations, warranties and covenants therein. The assertions embodied in those representations and warranties were made for purposes of the SPA and are subject to qualifications and limitations agreed by the respective parties in connection with negotiating the terms of the SPA. In addition, certain representations and warranties made as of a specified date may be subject to a contractual standard of materiality different from what might be viewed as material to stockholders, or may have been used for the purpose of allocating risk between the respective parties rather than establishing matters as facts. For the foregoing reasons, no person should rely on the representations and warranties as statements of factual information at the time they were made or otherwise.

The foregoing description of the acquisition is included to provide information regarding its terms. It does not purport to be a complete description and is qualified in its entirety by reference to the full text of the SPA, which is filed as Exhibit 2.1 hereto and is incorporated herein by reference.
