MERGER PROPOSED YOUR VOTE IS VERY IMPORTANT

Dear Shareholder:

On August 21, 2012, The Private Bank of California, Beach Business Bank and First PacTrust Bancorp, Inc. agreed to a strategic business combination in which Private Bank will merge with Beach Business Bank, a wholly owned subsidiary of First PacTrust (or, at the option of First PacTrust, Pacific Trust Bank, fsb, a wholly owned subsidiary of First PacTrust, as further described in this proxy statement/prospectus). In the merger, all of the issued and outstanding shares of Private Bank common stock will be converted into, in aggregate, (1) 2,083,333 shares of First PacTrust common stock and (2) \$24,887,513 in cash, in each case subject to certain adjustments. Based on the number of Private Bank common shares outstanding as of [] each share of Private Bank common stock would be converted into [] shares of First PacTrust common stock and \$[] if the merger had been completed as of that date. However, the exact number of First PacTrust shares and amount of cash you may be entitled to receive in the merger will depend on the number of Private Bank common shares issued and outstanding on the date the merger is actually completed.

We are sending you this proxy statement/prospectus to notify you of and invite you to the special meeting of The Private Bank of California shareholders being held to consider the Agreement and Plan of Merger, dated as of August 21, 2012, as it may be further amended from time to time (which we refer to as the merger agreement), that The Private Bank of California has entered into with First PacTrust, and to ask you to vote at the special meeting in favor of the approval of the merger agreement.

The special meeting of Private Bank shareholders will be held on March 20, 2013 at the Hyatt Regency Century Plaza Hotel, Encino Room, 2025 Avenue of the Stars, Los Angeles, CA 90067 at 3:30 p.m. local time.

You will also be asked to approve the adjournment of the special meeting, if necessary or appropriate, to solicit additional proxies in favor of the approval of the merger agreement.

First PacTrust common stock is currently quoted on the NASDAQ Global Market under the symbol BANC. On [], the last trading day before the date of this proxy statement/prospectus for which it was practicable to obtain this information, the closing share price of First PacTrust common stock was \$[] per share as reported on the NASDAQ Global Market. We urge you to obtain current market quotations for First PacTrust and The Private Bank of California.

Your vote is important. We cannot complete the merger unless The Private Bank of California s shareholders approve the merger agreement. In order for the merger to be approved, the holders of at least a majority of the shares of Private Bank common stock outstanding and entitled to vote must vote in favor of approval of the merger agreement. Regardless of whether or not you plan to attend the special meeting, please take the time to vote your shares in accordance with the instructions contained in this proxy statement/prospectus. Failing to vote will have the same effect as voting against the merger.

The Private Bank of California s board of directors unanimously recommends that Private Bank shareholders vote FOR approval of the merger agreement and FOR the approval of the adjournment of the special meeting, if necessary or appropriate, to solicit additional proxies in favor of the approval of the merger agreement.

QUESTIONS AND ANSWERS ABOUT THE MERGER AND THE PBOC SPECIAL MEETING

The following are some questions that you may have regarding the merger and The Private Bank of California special meeting, and brief answers to those questions. We urge you to read carefully the remainder of this proxy statement/prospectus because the information in this section does not provide all of the information that might be important to you with respect to the merger and the special meeting. Additional important information is also contained in the documents incorporated by reference into this proxy statement/prospectus. See Where You Can Find More Information.

References in this proxy statement/prospectus to PBOC or Private Bank refer to The Private Bank of California, a California-chartered state bank. References in this proxy statement/prospectus to First PacTrust refer to First PacTrust Bancorp, Inc., a Maryland corporation, and, unless the context otherwise requires, to its affiliates. References in this proxy statement/prospectus to Beach refer to Beach Business Bank, a California corporation and a wholly owned subsidiary of First PacTrust.

Q: What am I being asked to vote on at the PBOC special meeting?

A: First PacTrust and PBOC have entered into an Agreement and Plan of Merger, dated as of August 21, 2012, which we refer to as the merger agreement, pursuant to which First PacTrust has agreed to acquire PBOC. Under the terms of the merger agreement, PBOC will merge with and into Beach, a wholly owned subsidiary of First PacTrust, with Beach continuing as the surviving entity. We refer to this transaction (including the alternative structure described in the immediately following sentence) as the merger. The merger agreement provides that if First PacTrust gives written notice to PBOC no later than three business days prior to the completion of the merger, First PacTrust may revise the structure of the merger so that PBOC merges with and into Pacific Trust Bank, fsb, a federal savings bank and a wholly owned subsidiary of First PacTrust, which we refer to as PacTrust Bank, with PacTrust Bank as the surviving entity in the merger (we refer to this alternative as the alternative structure).

PBOC shareholders are also being asked to approve the adjournment of the special meeting, if necessary or appropriate, to solicit additional proxies in favor of the approval of the merger agreement. This is referred to as the adjournment proposal.

Q: What will I receive in the merger?

A: If the merger is completed, each holder of PBOC common stock outstanding immediately prior to the completion of the merger will receive his, her or its proportional share of (1) 2,083,333 shares of First PacTrust common stock and (2) \$24,887,513 in cash, in each case subject to certain adjustments, which we refer to as the merger consideration. Based on the number of PBOC common shares outstanding as of [], each share of PBOC common stock would have been converted into [] shares of First PacTrust common stock and \$[] in cash if the merger had been completed as of that date. The exact number of First PacTrust shares and amount of cash you may be entitled to receive in the merger will depend on the number of PBOC common shares outstanding on the date the merger is actually completed.

The merger consideration is subject to the following adjustment: if the value of the merger consideration, calculated using \$12.00 as the value of

The merger consideration is subject to the following adjustment: if the value of the merger consideration, calculated using \$12.00 as the value of one share of First PacTrust common stock, would otherwise exceed an amount equal to 1.30 times PBOC s tangible common equity as of the last business day of the month before the closing of the merger (after subtracting from tangible common equity certain unaccrued one-time PBOC merger-related costs and expenses) then the cash portion of the merger consideration will be adjusted downward until the total value of the merger consideration is equal to such amount.

First PacTrust will not issue any fractional shares of First PacTrust common stock in the merger. PBOC shareholders who would otherwise be entitled to a fractional share of First PacTrust common stock upon the completion of the merger will instead receive an amount in cash calculated using \$12.00 as the value of one share of First PacTrust common stock.

1

- Q: Will the value of the merger consideration change between the special meeting and the time the merger is completed?
- A: The value of the merger consideration may fluctuate between the special meeting and the completion of the merger based upon the market value of First PacTrust common stock. In the merger you will receive a number of shares of First PacTrust common stock for each share of PBOC common stock you hold. Any fluctuation in the market price of First PacTrust common stock after the special meeting will change the value of the shares of First PacTrust common stock that you will receive.
- Q: How does PBOC s board of directors recommend that I vote at the special meeting?
- A: PBOC s board of directors unanimously recommends that you vote FOR the proposal to approve the merger agreement and FOR the adjournment proposal.
- Q: When and where is the PBOC special meeting?
- A: The PBOC special meeting will be held at the Hyatt Regency Century Plaza Hotel, Encino Room, 2025 Avenue of the Stars, Los Angeles, CA 90067 on March 20, 2013, at 3:30 p.m. local time.
- O: What do I need to do now?
- A: After you have carefully read this proxy statement/prospectus and have decided how you wish to vote your shares, please vote your shares promptly so that your shares are represented and voted at the special meeting. If you hold your shares in your name as a shareholder of record, you must complete, sign, date and mail your proxy card in the enclosed postage-paid return envelope as soon as possible, or call the toll-free telephone number or use the Internet as described in the instructions included with your proxy card or voting instruction card. If you hold your shares in street name through a bank or broker, you must direct your bank or broker to vote in accordance with the instructions you have received from your bank or broker. Street name shareholders who wish to vote at the special meeting will need to obtain a proxy form from the institution that holds their shares.
- Q: What constitutes a quorum for the special meeting?
- A: The presence at the special meeting, in person or by proxy, of holders of a majority of the outstanding shares of PBOC common stock entitled to vote at the special meeting will constitute a quorum for the transaction of business. Abstentions and broker non-votes will be included in determining the number of shares present at the meeting for the purpose of determining the presence of a quorum. A broker non-vote occurs under stock exchange rules when a broker is not permitted to vote on a matter without instructions from the beneficial owner of the shares and no instruction is given.
- Q: What is the vote required to approve each proposal at the PBOC special meeting?
- A: Approval of the merger agreement requires the affirmative vote of the holders of a majority of the outstanding shares of PBOC common stock as of the close of business on January 24, 2013, the record date for the special meeting.

Approval of the adjournment proposal requires the affirmative vote of a majority of the shares of PBOC common stock represented in person or by proxy at the special meeting, even if less than a quorum.

Table of Contents

Q: Why is my vote important?

If you do not vote, it will be more difficult for PBOC to obtain the necessary quorum to hold its special meeting. In addition, your failure to vote or failure to instruct your bank or broker as to how to vote will have the same effect as a vote against approval of the merger agreement. The merger agreement must be approved by the holders of a majority of the outstanding shares of PBOC common stock entitled to vote at the special meeting. PBOC s board of directors unanimously recommends that you vote to approve the merger agreement.

Q: If my shares of common stock are held in street name by my bank or broker, will my bank or broker automatically vote my shares for me?

A: No. Your bank or broker cannot vote your shares without instructions from you. You should instruct your bank or broker as to how to vote your shares in accordance with the instructions provided to you. Please check the voting form used by your bank or broker.

Q: What if I abstain from voting or fail to instruct my bank or broker?

A: If you fail to vote, mark ABSTAIN on your proxy or fail to instruct your bank or broker with respect to the proposal to approve the merger agreement, it will have the same effect as a vote AGAINST the proposal.

If you mark ABSTAIN on your proxy with respect to the adjournment proposal, it will have the same effect as a vote AGAINST the proposal. The failure to vote or failure to instruct your bank or broker with respect to the adjournment proposal, however, will have no effect on the adjournment proposal.

Q: Can I attend the special meeting and vote my shares in person?

A: Yes. All shareholders, including shareholders of record and shareholders who hold their shares through banks, brokers, nominees or any other holder of record, are invited to attend the special meeting. Holders of record of PBOC common stock can vote in person at the special meeting. If you are not a shareholder of record, you must obtain a proxy, executed in your favor, from the record holder of your shares, such as a broker, bank or other nominee, to be able to vote in person at the special meeting. If you plan to attend the special meeting, you must hold your shares in your own name or have a letter from the record holder of your shares confirming your ownership. In addition, you must bring a form of personal photo identification with you in order to be admitted. PBOC reserves the right to refuse admittance to anyone without proper proof of share ownership or without proper photo identification. The use of cameras, sound recording equipment, communications devices or any similar equipment during the special meeting is prohibited without PBOC s express written consent.

Q: Can I change my vote?

A: Yes. You may revoke any proxy at any time before it is voted by (1) signing and returning a proxy card with a later date, (2) delivering a written revocation letter to PBOC s corporate secretary, (3) voting again by telephone or the Internet or (4) attending the special meeting in person, notifying the corporate secretary and voting by ballot at the special meeting. Attendance at the special meeting will not automatically revoke your proxy. A revocation or later-dated proxy received by PBOC after the vote will not affect the vote. PBOC s corporate secretary s mailing address is: Secretary, The Private Bank of California, 10100 Santa Monica Boulevard, Suite 2500, Los Angeles, California, 90067. If you hold your shares in street name through a bank or broker, you should contact your bank or broker to revoke your proxy.

- Q: Will PBOC be required to submit the proposal to approve the merger agreement to its shareholders even if PBOC s board of directors has withdrawn, modified or qualified its recommendation?
- A: Yes. Unless the merger agreement is terminated before the PBOC special meeting, PBOC is required to submit the proposal to approve the merger agreement to its shareholders even if PBOC s board of directors has withdrawn or modified its recommendation.
- Q: What are the U.S. federal income tax consequences of the merger to PBOC shareholders?
- A: The merger is intended to qualify as a reorganization within the meaning of Section 368(a) of the Internal Revenue Code of 1986, as amended, which we refer to as the Code, and U.S. holders of PBOC common stock are not expected to recognize any gain or loss for U.S. federal income tax purposes on the exchange of shares of PBOC common stock for shares of First PacTrust common stock in the merger, except that U.S. holders will recognize gain (but not loss) to the extent of the amount of any cash received in the merger. For further information, see Material U.S. Federal Income Tax Consequences of the Merger.

The U.S. federal income tax consequences described above may not apply to all holders of PBOC common stock. A holder s tax consequences will depend on its individual situation. Accordingly, we strongly urge you to consult your tax advisor for a full understanding of the particular tax consequences of the merger to you.

Q: What if I want to exercise dissenters rights?

- A: If you want to exercise dissenters rights and receive the fair value of your PBOC shares in cash instead of the merger consideration described in this proxy statement/prospectus, your shares must not be voted FOR approval of the merger agreement, and you must follow other procedures after the meeting, as described in Annex C. If you return a signed proxy without voting instructions or with instructions to vote FOR the merger agreement, your shares will be automatically voted in favor of the merger agreement and you will lose dissenters rights. Thus, if you wish to dissent and you execute and return a proxy, you must specify that your shares are to be either voted AGAINST or ABSTAIN with respect to approval of the merger.
- Q: If I am a PBOC shareholder, should I send in my PBOC stock certificates now?
- A: No. Please do not send in your PBOC stock certificates with your proxy. After the merger, an exchange agent designated by First PacTrust will send you instructions for exchanging PBOC stock certificates for the merger consideration. See The Merger Agreement Conversion of Shares; Exchange of Certificates.

SUMMARY

This summary highlights selected information from this proxy statement/prospectus. It may not contain all of the information that is important to you. We urge you to carefully read the entire proxy statement/prospectus, including the appendices, and the other documents to which we refer in order to fully understand the merger. See Where You Can Find More Information. Each item in this summary refers to the page of this proxy statement/prospectus on which that subject is discussed in more detail.

In the Merger, PBOC Shareholders Will Receive Cash and Shares of First PacTrust Common Stock (page [])

If the merger is completed, each holder of PBOC common stock outstanding immediately prior to the completion of the merger will receive his, her or its proportional share of (1) 2,083,333 shares of First PacTrust common stock and (2) \$24,887,513 in cash, in each case subject to certain adjustments. Based on the number of PBOC common shares outstanding as of [], 2013, each share of PBOC common stock would have been converted into [] shares of First PacTrust common stock and \$[] in cash if the merger had been completed as of that date. The exact number of First PacTrust shares and amount of cash you may be entitled to receive in the merger will depend on the number of PBOC common shares outstanding on the date the merger is actually completed.

The merger consideration is subject to the following adjustment: if the value of the merger consideration, calculated using \$12.00 as the value of one share of First PacTrust common stock, would otherwise exceed an amount equal to 1.30 times PBOC s tangible common equity as of the last business day of the month before the closing of the merger (after subtracting from tangible common equity certain unaccrued one-time PBOC merger-related costs and expenses), then the cash portion of the merger consideration will be adjusted downward until the value of the merger consideration is equal to such amount.

First PacTrust will not issue any fractional shares of First PacTrust common stock in the merger. PBOC shareholders who would otherwise be entitled to a fractional share of First PacTrust common stock upon the completion of the merger will instead receive an amount in cash calculated using \$12.00 as the value of one share of First PacTrust common stock.

For example, if you hold 10 shares of PBOC common stock and there are 3,900,000 shares of PBOC common stock outstanding at the time the merger is completed, you will receive 5 shares of First PacTrust common stock and a total cash payment of \$67.91 (i.e., 2,083,333 divided by 3,900,000, multiplied by 10 = 5.3419 shares, and (A) \$24,887,513 divided by 3,900,000, multiplied by 10 = 863.81, plus (B) 0.3419 multiplied by \$12.00=4.10, which represents a cash payment instead of the 0.3419 fractional shares of First PacTrust common stock that you otherwise would have received).

The merger agreement governs the merger. The merger agreement is included in this proxy statement/prospectus as Annex A. Please read the merger agreement carefully. All descriptions in this summary and elsewhere in this proxy statement/prospectus of the terms and conditions of the merger are qualified by reference to the merger agreement.

PBOC s Board of Directors Unanimously Recommends that PBOC Shareholders Vote FOR Approval of the Merger Agreement (page

PBOC s board of directors determined that the merger, the merger agreement and the transactions contemplated by the merger agreement are advisable and in the best interests of PBOC and its shareholders and has unanimously approved the merger and the merger agreement. PBOC s board of directors unanimously recommends that PBOC shareholders vote FOR approval of the merger agreement. For the factors considered by PBOC s board of directors in reaching its decision to approve the merger agreement, see The Merger PBOC s Reasons for the Merger; Recommendation of PBOC s Board of Directors.

Milestone Advisors, LLC Has Provided an Opinion to PBOC s Board of Directors Regarding the Merger Consideration (page [] and Annex B)

On August 21, 2012, Milestone Advisors, LLC, PBOC s financial advisor in connection with the merger, which we refer to as Milestone, rendered its oral opinion to PBOC s board of directors, subsequently confirmed in writing, that as of such date and based upon and subject to the assumptions, procedures, considerations, qualifications and limitations set forth in the written opinion, the merger consideration was fair, from a financial point of view, to the holders of shares of PBOC common stock.

The full text of Milestone s opinion, dated August 21, 2012, is attached as Annex B to this proxy statement/prospectus. You should read the opinion in its entirety for a discussion of the assumptions made, procedures followed, factors considered and limitations upon the review undertaken by Milestone in rendering its opinion.

Milestone s opinion is directed to PBOC s board of directors, addresses only the fairness of the merger consideration from a financial point of view to the holders of shares of PBOC common stock on the date the opinion was rendered, and does not address any other aspect of the merger or constitute a recommendation as to how any shareholders of PBOC should vote at any shareholder meeting held in connection with the merger.

For further information, see The Merger Opinion of Milestone Advisors, LLC.

What Holders of PBOC Stock Options and Other Equity-Based Awards Will Receive (page [])

Each option to acquire PBOC common stock, which we refer to as a PBOC option, that is outstanding immediately prior to the completion of the merger will be converted into an option to purchase a number of whole shares of First PacTrust common stock (rounded down to the nearest whole share) equal to the number of shares of PBOC common stock subject to such PBOC option immediately prior to the completion of the merger multiplied by a fraction, which we refer to as the option exchange ratio (as described below), at a per-share exercise price (rounded up to nearest whole penny) equal to the per-share exercise price for each such PBOC common share subject to such PBOC option immediately prior to the completion of the merger divided by the option exchange ratio. The option exchange ratio is a fraction, the numerator of which is the per share merger consideration value and the denominator of which is \$12.00. The First PacTrust options issued in exchange for PBOC options will otherwise be issued on substantially similar aggregate terms and conditions (including with respect to vesting) as applied to each PBOC option immediately prior to the completion of the merger. First PacTrust may convert the PBOC options into options issued pursuant to an existing benefit plan of First PacTrust or its affiliates, so long as such conversion does not materially and adversely affect the holders of the PBOC options and is consistent with the above-described adjustment provisions.

Table of Contents

Each restricted share of PBOC common stock that is outstanding immediately prior to the closing of the merger, which we refer to as a PBOC restricted share, will, under its terms, vest in full and become free of all restrictions as of the closing of the merger. At the closing of the merger, the holder of any such PBOC restricted shares will be entitled to receive the merger consideration in respect of each of his or her PBOC restricted shares. For more information, see The Merger Interests of PBOC s Directors and Executive Officers in the Merger.

PBOC Will Hold its Special Meeting on March 20, 2013 (page [])

The special meeting of PBOC shareholders will be held on March 20, 2013, at 3:30 p.m. local time, at the Hyatt Regency Century Plaza Hotel, Encino Room, 2025 Avenue of the Stars, Los Angeles, CA 90067. At the special meeting, PBOC shareholders will be asked to:

approve the merger agreement and the transactions it contemplates; and

approve the adjournment of the special meeting, if necessary or appropriate, to solicit additional proxies in favor of the approval of the merger agreement, which we refer to as the adjournment proposal.

Only holders of record at the close of business on January 24, 2013 will be entitled to vote at the special meeting. Each share of PBOC common stock is entitled to one vote on each proposal to be considered at the PBOC special meeting. As of the record date, there were 3,872,801 shares of PBOC common stock entitled to vote at the special meeting. Each of the directors of PBOC and certain of the executive officers and other shareholders of PBOC have entered into voting agreements with First PacTrust, pursuant to which they have agreed, solely in their capacity as PBOC shareholders, to vote all of their shares of PBOC common stock in favor of the proposals to be presented at the special meeting. As of the record date, PBOC directors, executive officers and other shareholders who are parties to the voting agreements were entitled to vote an aggregate of approximately 1,331,167 shares of PBOC common stock, representing approximately 34.37% of the PBOC common stock outstanding on that date. As of the record date, the directors and executive officers of PBOC were entitled to vote approximately 695,197 shares of PBOC common stock representing approximately 17.95% of the shares of PBOC common stock outstanding on that date. As of the record date, First PacTrust and its subsidiaries held no shares of PBOC common stock (other than shares held as fiduciary, custodian or agent), and its directors and executive officers or their affiliates held [1] shares of PBOC common stock.

To approve the merger agreement, holders of a majority of the outstanding shares of PBOC common stock entitled to vote at the special meeting must vote in favor of approving the merger agreement. Because approval is based on the affirmative vote of a majority of the shares outstanding, your failure to vote, failure to instruct your bank or broker how to vote with respect to the proposal to approve the merger agreement or abstention will have the same effect as a vote against approval of the merger agreement.

Approval of the adjournment proposal requires the affirmative vote of a majority of shares of PBOC common stock entitled to vote on, and represented in person or by proxy at the special meeting, even if less than a quorum. Because approval of the adjournment proposal is based on the affirmative vote of a majority of shares voting or expressly abstaining at the special meeting, abstentions will have the same effect as a vote against such proposal. The failure to vote or failure to instruct your bank or broker how to vote with respect to the adjournment proposal, however, will have no effect on such proposal.

PBOC s Officers and Directors Have Financial Interests in the Merger that Differ from Your Interests (page [])

PBOC shareholders should be aware that PBOC s directors and executive officers have interests in the merger that are different from, or in addition to, those of PBOC shareholders generally. These interests may create potential conflicts of interest. PBOC s board of directors was aware of these interests and considered these interests, among other matters, when making its decision to approve the merger agreement and in recommending that PBOC s shareholders vote in favor of approving the merger agreement. These interests include:

PBOC has entered into agreements with each of its current and former nonemployee directors, none of whom will be directors of First PacTrust, pursuant to which each director has agreed not to exercise his or her outstanding options prior to the effective time of the merger and PBOC will pay to the director for each share covered by his or her options an amount equal to the cash value of the merger consideration (based on a First PacTrust share value of \$12.00 per share for this purpose) minus \$10.00, which is the per share exercise price of the options.

PBOC has employment agreements with David Misch, its Chief Executive Officer, and Richard Smith, its President, and change in control agreements with Suzanne Dondanville, Joyce Kaneda and Nick Zappia, all of whom are executive officers of PBOC. In general, and as described in this summary and more fully in the disclosures under The Merger Interests of PBOC s Directors and Executive Officers in the Merger, each of these agreements provides for lump sum cash severance payments and other benefits upon a qualifying termination of employment following a change in control of PBOC (as defined in the respective agreements). The merger would constitute a change in control under each of these agreements. If the merger is completed, however, each of these agreements will be wholly or partially superseded by an agreement or plan entered into with or adopted by PBOC or First PacTrust in anticipation of the merger, as described in the summary below and more fully in the disclosures under The Merger Interests of PBOC s Directors and Executive Officers in the Merger.

PBOC s employment agreement with Mr. Misch was for an original term of three years ending January 4, 2013 and has been extended until the closing date of the merger, the termination of the merger agreement, or August 21, 2013, whichever occurs first. Under the agreement, among other things, Mr. Misch receives a base salary of not less than \$285,000 and is generally entitled to receive benefits under and participate in benefit plans of PBOC. Under the agreement, in the event of a qualifying termination of employment following a change in control in the Bank (as defined in the agreement), Mr. Misch will receive a lump sum cash severance payment equal to one times the highest annual cash compensation paid to him during the three years preceding the change in control and continuation of medical benefits for a period of twelve months; provided, however, that the amount of any benefits to be paid under the agreement in the event of a change in control would be limited to the amounts allowed as deductible payments pursuant to Section 280G of the Internal Revenue Code. Mr. Misch entered into a new employment agreement with First PacTrust that, upon the effective time of the merger, supersedes his existing employment agreement with PBOC in its entirety.

First PacTrust has entered into a three-year employment agreement with Mr. Misch that becomes effective upon the completion of the merger. Under the agreement, Mr. Misch will be Executive Vice President and Chief Risk Officer, receive an annual base salary of not less than \$350,000, a guaranteed minimum bonus of \$100,000 for 2013 (subject to continued employment through December 31, 2013), a grant of an option to purchase 100,000 shares of First PacTrust common stock (which options vest in ratable installments on each of the first, second and third anniversaries of the completion of the merger, subject to his continued employment through the applicable vesting date, and in full upon a severance-qualifying termination under the terms of the agreement) and, in the event Mr. Misch either resigns for any reason from January 1, 2014 through June 30, 2014 or incurs a severance-qualifying termination at any time during the term of the agreement, \$250,000 in cash severance paid in installments and health care continuation cost reimbursements, for 18 months after termination.

Mr. Smith s employment agreement with PBOC is for a term of three years commencing January 1, 2009, subject to automatic extension for subsequent one year periods unless notice to terminate the agreement is provided at least 180 days prior to the end of the then-current term. This agreement has been automatically extended. Under the agreement, among other things, Mr. Smith receives a base salary of \$329,200 per year plus other benefits, and, in the event of a qualifying termination of employment following a change in control in the Bank (as defined in the agreement), Mr. Smith will receive a lump sum cash payment equal to one times the highest annual cash compensation paid to him during the three years preceding the change in control and continuation of medical benefits for a period of twelve months. Mr. Smith entered into a retention agreement with First PacTrust that, upon the effective time of the merger, supersedes the above-described change-in-control severance provision in his existing employment agreement with PBOC in its entirety.

First PacTrust has entered into a retention agreement with Mr. Smith that becomes effective upon the completion of the merger. Pursuant to the agreement, Mr. Smith is entitled to receive two, equal, lump-sum retention bonus installments in an aggregate amount of \$404,200, subject to his continued employment through 90 days and 18 months after the completion of the merger. Upon a qualifying termination of employment after the completion of the merger and prior to the applicable retention bonus payment date, Mr. Smith is entitled to receive payment of any unpaid installments, and a lump-sum payment of the base salary that would have been paid to him through the 18-month anniversary of the completion of the merger had his employment not been terminated.

The Bank has also entered into change in control agreements with Suzanne Dondanville, Joyce Kaneda and Nick Zappia, which provide that in the event of a qualifying termination of employment of the executive following a change in control in the Bank (as defined in the agreement), the executive will receive a lump sum cash payment equal to one times the highest annual cash compensation paid to him or her during the three years preceding the change in control and continuation of medical benefits for a period of twelve months. The payments under the change in control agreements (and any other payments made to the executives in connection with such a change in control of the Bank) are reduced to the applicable executive s safe harbor amount under Sections 280G and 4999 of the Internal Revenue Code if the payment of such amounts would cause the executive s total payments to be subject to the excise tax under Section 4999 of the Internal Revenue Code. Although the Bank previously entered into such change in control agreements with Suzanne Dondanville, Joyce Kaneda and Nick Zappia, each of Mss. Dondanville and Kaneda entered into severance and retention arrangements with PBOC, and Mr. Zappia entered into a retention agreement with First PacTrust, which, upon the effective time of the merger, supersede the above-described change-in-control severance provisions in their existing agreements with PBOC in their entirety.

First PacTrust has entered into a retention agreement with Mr. Zappia that becomes effective upon the completion of the merger. Pursuant to Mr. Zappia s agreement, he would be entitled to receive two, equal, lump-sum retention bonus installments in an aggregate amount of \$280,000, subject to his continued employment through 90 days and 18 months after the completion of the merger. Upon a qualifying termination of employment after the completion of the merger and prior to the applicable retention bonus payment date, Mr. Smith would receive payment of any unpaid installments.

10

In connection with the merger, PBOC has adopted a severance and retention plan for certain employees, including Suzanne Dondanville and Joyce Kaneda, executive officers of the Bank. David Misch, Richard Smith, and Nick Zappia do not participate in this plan. The plan provides for Mss. Dondanville and Kaneda to receive an amount equal to 50% of their highest one-year compensation (as defined in their change of control agreements) over the past two years, provided they continue to be employed by First PacTrust 90 days after the effective time of the merger. Mss. Dondanville and Kaneda would be entitled to receive an additional 50% of the compensation plus any unpaid installments of such retention amounts on the earlier of (a) the one-year anniversary of the effective time, or immediately upon involuntary termination by First PacTrust (other than for cause) if such termination occurs within one year after the effective time. Additionally, the officer is entitled to one year of medical coverage upon a termination of the officer s employment by First PacTrust other than for cause within one year after the effective time of the merger.

Each PBOC option that is outstanding immediately prior to the completion of the merger will be converted into an option to purchase a number of whole shares of First PacTrust common stock (rounded down to the nearest whole share) equal to the number of shares of PBOC common stock subject to such PBOC option immediately prior to the completion of the merger multiplied by the option exchange ratio at a per-share exercise price (rounded up to nearest whole penny) equal to the per-share exercise price for each such PBOC common share subject to such PBOC option immediately prior to the completion of the merger divided by the option exchange ratio. The First PacTrust options issued in exchange for PBOC options will otherwise be issued on substantially similar aggregate terms and conditions (including with respect to vesting) as applied to each PBOC option immediately prior to the completion of the merger. First PacTrust may convert the PBOC options into options issued pursuant to an existing benefit plan of First PacTrust or its affiliates, so long as such conversion does not materially and adversely affect the holders of the PBOC options and is consistent with the above-described adjustment provisions.

In addition, each PBOC restricted share will, under its terms, vest in full and become free of all restrictions as of the closing of the merger. At the closing of the merger, the holder of any such PBOC restricted shares will be entitled to receive the merger consideration in respect of each of his or her PBOC restricted shares.

For a more complete description of these interests, see The Merger Interests of PBOC s Directors and Executive Officers in the Merger and The Merger Agreement Treatment of PBOC Stock Options and Other Equity-Based Awards.

$PBOC\ Shareholders\ Who\ Do\ Not\ Vote\quad For\quad the\ Merger\ Will\ Have\ Dissenters\quad Rights\ (page\ [\quad])$

Under California law, which is the law under which PBOC is incorporated, the holders of PBOC common stock will be entitled to dissenters appraisal rights in connection with the merger, provided they do not vote FOR the merger and comply with all other applicable statutory procedures for asserting dissenters—rights required by California law. Thus, if you wish to dissent and you execute and return a proxy in the accompanying form, you must specify that your shares are to be voted—AGAINST—or—ABSTAIN—with respect to approval of the merger. If you do not return your proxy then you also may exercise your dissenters—rights. Shareholders who exercise their dissenters—rights by complying with the applicable statutory procedures required by California law will be entitled to receive payment in cash for the fair value of their shares as determined by PBOC or, in the event that PBOC and such shareholders cannot agree on the fair value of their shares, in a judicial proceeding. The procedures to be followed by dissenting shareholders are described below in—The Merger—Dissenters—Rights in the Merger.

11

Conditions That Must Be Satisfied or Waived for the Merger to Occur (page [])

Currently, PBOC and First PacTrust expect to complete the merger during the second quarter of 2013. As more fully described in this proxy statement/prospectus and in the merger agreement, the completion of the merger depends on a number of conditions being satisfied or, where legally permissible, waived. These conditions include, among others, approval of the merger agreement by PBOC s shareholders and the receipt of certain required regulatory approvals.

Neither PBOC nor First PacTrust can be certain when, or if, the conditions to the merger will be satisfied or waived, or that the merger will be completed.

Termination of the Merger Agreement (page [])

The merger agreement can be terminated at any time prior to completion of the merger by mutual consent, or by either party in the following circumstances:

the merger has not been completed by May 21, 2013, which we refer to as the end date (if the failure to complete the merger by that date is not caused by the terminating party s breach of the merger agreement);

any required regulatory approval has been denied by the relevant regulatory authority and this denial has become final and nonappealable, or a regulatory authority has issued a final, nonappealable injunction permanently enjoining or otherwise prohibiting the completion of the merger or the other transactions contemplated by the merger agreement;

there is a breach of the merger agreement by the other party that would cause the conditions for completion of the merger not to be satisfied, and the breach is not cured prior to the earlier of May 21, 2013 and 30 business days following written notice of the breach; or

PBOC shareholders fail to approve the merger agreement at the PBOC special meeting, and PBOC is not obligated to resubmit the merger agreement to its shareholders for approval at a second shareholder meeting as described below in The Merger Agreement PBOC Shareholder Meeting and Recommendation of PBOC s Board of Directors, or the merger agreement is resubmitted to PBOC shareholders at a second shareholder meeting and the PBOC shareholders fail to approve the merger agreement at such shareholder meeting.

In addition, First PacTrust may terminate the merger agreement in the following circumstances:

PBOC shareholders fail to approve the merger agreement at the special meeting (regardless of whether or not PBOC is obligated to resubmit the merger agreement to its shareholders for approval at a second shareholder meeting as described below in The Merger Agreement PBOC Shareholder Meeting and Recommendation of PBOC s Board of Directors);

PBOC s board of directors fails to recommend to the PBOC shareholders that they approve the merger agreement or withdraws, modifies or qualifies such recommendation in a manner adverse to First PacTrust;

PBOC s board of directors fails to reaffirm its recommendation of the merger within 10 business days after the public announcement of an alternate acquisition proposal (or material modification thereto);

PBOC s board of directors breaches its non-solicitation obligations described below in The Merger Agreement Agreement Not to Solicit Other Offers or its obligations with respect to calling shareholder meetings and alternate acquisition proposals described below in The Merger Agreement PBOC Shareholder Meeting and Recommendation of PBOC s Board of Directors ;

Table of Contents

PBOC s board of directors approves, recommends or endorses an alternative transaction (as described below in The Merger Agreement PBOC Shareholder Meeting and Recommendation of PBOC s Board of Directors) or acquisition proposal; or

required regulatory approvals have been obtained, but with materially burdensome conditions being imposed on First PacTrust. A materially burdensome condition is one that would have a material adverse effect on First PacTrust or on PBOC, in each case measured on a scale relative to PBOC.

Termination Fee (page [])

If the merger agreement is terminated under certain circumstances, including circumstances involving a change in recommendation by PBOC s board of directors, PBOC may be required to pay First PacTrust a termination fee of \$2 million and to reimburse First PacTrust s expenses incurred in connection with the merger agreement and the transactions contemplated thereby. The termination fee could discourage other companies from seeking to acquire or merge with PBOC.

Regulatory Approvals Required for the Merger (page [])

Both PBOC and First PacTrust have agreed to use their reasonable best efforts to obtain all regulatory approvals required to complete the transactions contemplated by the merger agreement. These approvals include approval from, among others: the Board of Governors of the Federal Reserve System, which we refer to as the Federal Reserve Board, the Federal Deposit Insurance Corporation, which we refer to as the FDIC, and the California Department of Financial Institutions, which we refer to as the DFI. First PacTrust and PBOC are in the process of filing applications and notifications to obtain the required regulatory approvals.

Although neither PBOC nor First PacTrust knows of any reason why it cannot obtain these regulatory approvals in a timely manner, PBOC and First PacTrust cannot be certain when or if they will be obtained, or, if obtained, whether they will contain terms, conditions or restrictions not currently contemplated that will be detrimental to, or have a material adverse effect on, First PacTrust after completion of the merger.

Board of Directors and Executive Officers of First PacTrust Following Completion of the Merger (page [])

The size and composition of First PacTrust s board of directors and Beach s board of directors will not be affected by the merger.

David Misch, Chief Executive Officer of PBOC, has agreed to serve as First PacTrust s Chief Risk Officer following the completion of the merger. David Misch, Richard Smith, and Nick Zappia, all of whom are executive officers of PBOC, have each entered into agreements to continue working with First PacTrust following the closing. Richard Pachulski, a member of the board of directors of PBOC, has agreed to serve as the Chairman of a new Advisory Board to be formed by First PacTrust. See The Merger Interests of PBOC s Directors and Executive Officers in the Merger. Information about First PacTrust s current directors and executive officers can be found in the documents listed in the section entitled Where You Can Find More Information.

The Rights of PBOC Shareholders Will Change as a Result of the Merger (page [])

The rights of PBOC shareholders will change as a result of the merger due to differences in First PacTrust s and PBOC s governing documents. The rights of PBOC shareholders are governed by California law and by PBOC s articles of incorporation and amended and restated bylaws, each as amended to date (which we refer to as PBOC s articles of incorporation and bylaws, respectively). Upon the completion of the merger, PBOC shareholders will become First PacTrust shareholders, and the rights of such shareholders will be governed by Maryland law and First PacTrust s articles of incorporation and amended and restated bylaws.

Table of Contents

See Comparison of Shareholders Rights for a description of the material differences in shareholder rights under each of the First PacTrust and PBOC governing documents.

Information About the Companies (page [])

First PacTrust Bancorp, Inc.

First PacTrust is a bank holding company, or BHC, incorporated under Maryland law, primarily engaged in the business of planning, directing and coordinating the business activities of its wholly owned subsidiaries, Pacific Trust Bank, a federally chartered savings bank, referred to herein as PacTrust Bank, and Beach Business Bank, a California state-chartered bank, referred to herein as Beach. As a BHC, First PacTrust s activities are limited to banking and activities that are closely related to banking. At September 30, 2012, First PacTrust had consolidated total assets of approximately \$1,669.7 million, gross loans of \$1,325.7 million and total deposits of \$1,328.2 million.

On July 1, 2012, First PacTrust completed its acquisition of Beach, which we refer to as the Beach merger. In the Beach merger, First PacTrust acquired Beach in exchange for cash and warrants to purchase First PacTrust common stock. Upon completion of the acquisition, Beach became a wholly-owned subsidiary of First PacTrust.

On August 17, 2012, First PacTrust completed its acquisition of all of the outstanding shares of Gateway Bancorp, which we refer to as Gateway, the holding company for Gateway Business Bank, for an aggregate purchase price of \$15.5 million in cash, which we refer to as the Gateway acquisition. Immediately following the closing of the Gateway acquisition, Gateway Business Bank was merged with and into PacTrust Bank.

The principal executive offices of First PacTrust are located at 18500 Von Karman Avenue, Suite 1100, Irvine, California 92612, and its telephone number is (949) 236-5211. The Private Bank of California

The Private Bank of California was chartered on October 24, 2005 as a commercial bank in the state of California by the DFI. PBOC provides a wide range of financial services, including credit and deposit products as well as cash management services, from its headquarters located in the Century City area of Los Angeles, California as well as full-service branches in Hollywood and Orange County and a loan production office in downtown Los Angeles. The Bank starget clients include high net worth and high income individuals, business professionals and their professional service firms, business owners, entertainment service businesses and non-profit organizations. At September 30, 2012, PBOC had assets of approximately \$685.1 million, gross loans of \$331.8 million and total deposits of \$580.5 million.

The DFI is the primary state regulator of PBOC and the FDIC is its primary federal regulator. Accordingly, PBOC is subject to the regulations of and periodic examinations by the DFI and FDIC, as primary regulators. In addition, because the deposits of PBOC are insured by the FDIC, PBOC is also subject to regulation and examination by the FDIC in its capacity as the bank s deposit insurance regulator. PBOC s principal executive offices are located at 10100 Santa Monica Boulevard, Suite 2500, Los Angeles, California 90067, and its telephone number is (310) 286-0710. RISK FACTORS

In addition to general investment risks and the other information contained in or incorporated by reference into this proxy statement/prospectus, including the matters addressed under the section—Cautionary Statement Regarding Forward-Looking Statements,—you should carefully consider the following risk factors in deciding how to vote for the proposals presented in this proxy statement/prospectus. In addition, you should read and consider the risks associated with each of the businesses of PBOC and First PacTrust because these risks will relate to the combined company. Descriptions of some of these risks can be found in the Annual Report on Form 10-K filed by First PacTrust for the year ended December 31, 2011 (as amended on Form 10-K/A filed on April 17, 2012), as updated by other reports filed with the SEC, which is filed with the SEC and incorporated by reference into this proxy statement/prospectus. You should also consider the other information in this proxy statement/prospectus and the other documents incorporated by reference into this proxy statement/prospectus. See Where You Can Find More Information.

Because the market price of First PacTrust common stock will fluctuate, PBOC shareholders cannot be certain of the market value of the merger consideration they will receive.

If the merger is completed, each holder of PBOC common stock outstanding immediately prior to the completion of the merger will receive his, her or its proportional share of (1) 2,083,333 shares of First PacTrust common stock and (2) \$24,887,513 in cash, in each case subject to certain adjustments. The exact number of First PacTrust shares and amount of cash you may be entitled to receive in the merger will depend on the number of PBOC common shares outstanding on the date the merger is actually completed. Additionally, the market value of the merger consideration on the date the merger is completed may differ from the market value of the merger consideration on the date First PacTrust announced the merger, on the date that this proxy statement/prospectus was mailed to PBOC shareholders, and on the date of the special meeting of the PBOC shareholders. Any change in the market price of First PacTrust common stock prior to the completion of the merger will affect the market value of the First PacTrust common stock that PBOC shareholders will receive upon completion of the merger. Stock price changes may result from a variety of factors that are beyond the control of First PacTrust and PBOC, including but not limited to general market and economic conditions, changes in our respective businesses, operations and prospects and regulatory considerations. Therefore, at the time of the PBOC special meeting you will not know the precise market value of the consideration you will receive at the effective time of the merger. You should obtain current market quotations for shares of First PacTrust common stock and for shares of PBOC common stock.

The market price of First PacTrust common stock after the merger may be affected by factors different from those affecting the shares of PBOC or First PacTrust currently.

Upon completion of the merger, holders of PBOC common stock will become holders of First PacTrust common stock. First PacTrust s business differs from that of PBOC, and, accordingly, the results of operations of the combined company and the market price of First PacTrust common stock after the completion of the merger may be affected by factors different from those currently affecting the independent results of operations of each of First PacTrust and PBOC.

Regulatory approvals may not be received, may take longer than expected or may impose conditions that are not presently anticipated.

Before the merger may be completed, First PacTrust and PBOC must obtain various approvals or consents, including from the Federal Reserve Board, FDIC and the DFI. In deciding whether to grant these approvals, the relevant governmental authorities will make a determination of whether, among other things, the merger is in the public interest. These regulatory entities may impose conditions on the completion of the merger or require changes to the terms of the merger. Although the parties do not currently expect that any material conditions or changes would be imposed, there can be no assurance that they will not be. Such conditions or changes could

15

have the effect of delaying completion of the merger or imposing additional costs on or limiting the revenues of the combined company following the merger, any of which might have a material adverse effect on the combined company following the merger. In addition, First PacTrust or PBOC may elect not to consummate the merger if any required regulatory approval has been denied by the relevant regulatory authority and such denial has become final and nonappealable, or if a regulatory authority has issued a final, nonappealable injunction permanently enjoining or otherwise prohibiting the completion of the merger. See The Merger Regulatory Approvals Required for the Merger.

Combining the two companies may be more difficult, costly or time consuming than expected.

First PacTrust and PBOC have operated and, until the completion of the merger, will continue to operate, independently. The success of the merger, including anticipated cost savings, will depend, in part, on our ability to successfully combine the businesses of First PacTrust and PBOC. To realize these anticipated benefits, after the completion of the merger, First PacTrust expects to integrate PBOC s business into its own. It is possible that the integration process could result in the loss of key employees, the disruption of each company s ongoing businesses or inconsistencies in standards, controls, procedures and policies that adversely affect the combined company s ability to maintain relationships with clients, customers, depositors and employees or to achieve the anticipated benefits of the merger. The loss of key employees could adversely affect First PacTrust s ability to successfully conduct its business in the markets in which PBOC now operates, which could have an adverse effect on First PacTrust s financial results and the value of its common stock. If First PacTrust experiences difficulties with the integration process, the anticipated benefits of the merger may not be realized fully or at all, or may take longer to realize than expected. As with any merger of financial institutions, there also may be business disruptions that cause PBOC to lose customers or cause customers to remove their accounts from PBOC and move their business to competing financial institutions. Integration efforts between the two companies will also divert management attention and resources. These integration matters could have an adverse effect on each of PBOC and First PacTrust during this transition period and for an undetermined period after completion of the merger. In addition, the actual cost savings of the merger could be less than anticipated.

The fairness opinion obtained by PBOC from its financial advisor will not reflect changes in circumstances between signing the merger agreement and the completion of the merger.

PBOC has not obtained an updated fairness opinion as of the date of this proxy statement/prospectus from Milestone Advisors, LLC, PBOC s financial advisor. Changes in the operations and prospects of PBOC or First PacTrust, general market and economic conditions and other factors that may be beyond the control of PBOC and First PacTrust, and on which the fairness opinion was based, may alter the value of PBOC or First PacTrust or the prices of shares of PBOC common stock or First PacTrust common stock by the time the merger is completed. The opinion does not speak as of the time the merger will be completed or as of any date other than the date of such opinion. Because PBOC does not anticipate asking its financial advisor to update its opinion, the August 21, 2012 opinion does not address the fairness of the merger consideration, from a financial point of view, at the time the merger is completed. The opinion is attached as Annex B to this proxy statement/prospectus. For a description of the opinion that PBOC received from its financial advisor, see The Merger Opinion of Milestone Advisors, LLC. For a description of the other factors considered by PBOC s board of directors in determining to approve the merger, see The Merger PBOC s Reasons for the Merger; Recommendation of PBOC s Board of Directors.

Some of the directors and executive officers of PBOC may have interests and arrangements that may have influenced their decisions to support or recommend that you approve the merger agreement.

The interests of some of the directors and executive officers of PBOC may be different from those of PBOC common shareholders, and directors and officers of PBOC may be participants in arrangements that are different from, or in addition to, those of PBOC common shareholders. These interests are described in more detail in the section entitled The Merger Interests of PBOC s Directors and Executive Officers in the Merger.

16

Termination of the merger agreement could negatively impact PBOC.

If the merger agreement is terminated, there may be various consequences. For example, PBOC s businesses may have been impacted adversely by the failure to pursue other beneficial opportunities due to the focus of management on the merger, without realizing any of the anticipated benefits of completing the merger, or the market price of PBOC common stock could decline to the extent that the current market price reflects a market assumption that the merger will be completed. If the merger agreement is terminated and PBOC s board of directors seeks another merger or business combination, PBOC shareholders cannot be certain that PBOC will be able to find a party willing to pay the equivalent or greater consideration than that which First PacTrust has agreed to pay in the merger. In addition, if the merger agreement is terminated under certain circumstances, including circumstances involving a change in recommendation by PBOC s board of directors, PBOC may be required to reimburse First PacTrust s expenses related to the merger and pay First PacTrust a termination fee of \$2 million.

PBOC will be subject to business uncertainties and contractual restrictions while the merger is pending.

Uncertainty about the effect of the merger on employees and customers may have an adverse effect on PBOC. These uncertainties may impair PBOC s ability to attract, retain and motivate key personnel until the merger is completed, and could cause customers and others that deal with PBOC to seek to change existing business relationships with PBOC. Retention of certain employees by PBOC may be challenging while the merger is pending, as certain employees may experience uncertainty about their future roles with PBOC. If key employees depart because of issues relating to the uncertainty and difficulty of integration or a desire not to remain with PBOC, PBOC s business following the merger could be harmed. In addition, subject to certain exceptions, PBOC has agreed to operate its business in the ordinary course prior to closing. See The Merger Agreement Covenants and Agreements for a description of the restrictive covenants applicable to PBOC.

The unaudited pro forma financial data for First PacTrust and PBOC included in this proxy statement/prospectus are preliminary, and First PacTrust s actual financial position and operations after the completion of the merger may differ materially from the unaudited pro forma financial data included in this proxy statement/prospectus.

The unaudited pro forma financial data for both First PacTrust and PBOC in this proxy statement/prospectus are presented for illustrative purposes only and are not necessarily indicative of what First PacTrust s actual financial position or operations would have been had the merger, the Beach merger and the Gateway acquisition been completed on the dates indicated. Note A Basis of Presentation

The unaudited pro forma combined condensed consolidated financial information and explanatory notes show the impact on the historical financial condition and results of operations of First PacTrust resulting from the completed Beach and Gateway acquisitions, which closed July 1, 2012 and August 17, 2012, respectively, and the pending PBOC acquisition under the acquisition method of accounting. Under the acquisition method of accounting, the assets and liabilities of Beach and Gateway were, and the assets and liabilities of PBOC will be, recorded by First PacTrust at their respective fair values as of the date each transaction was or is completed. The unaudited pro forma combined condensed consolidated statement of financial condition combines the historical financial information of First PacTrust and PBOC as of September 30, 2012, and assumes that the PBOC merger was completed on that date. The unaudited pro forma combined condensed consolidated statements of operations for the nine month period ended September 30, 2012 and for the twelve month period ended December 31, 2011 give effect to the completed Beach merger, the completed Gateway acquisition and the pending PBOC merger as if all three transactions had been completed on January 1, 2011.

Since the transactions are recorded using the acquisition method of accounting, all loans are recorded at fair value, including adjustments for credit quality, and no allowance for credit losses is carried over to First PacTrust s balance sheet. In addition, certain nonrecurring costs associated with the completed Beach merger, the completed Gateway acquisition and the pending PBOC merger such as potential severance, professional fees, legal fees and conversion-related expenditures are expensed as incurred and not reflected in the unaudited pro forma combined condensed consolidated statements of operations.

While the recording of the acquired loans at their fair value will impact the prospective determination of the provision for loan and lease losses and the allowance for loan and lease losses, for purposes of the unaudited pro forma combined condensed consolidated statement of operations for the nine month period ended September 30, 2012 and for the year ended December 31, 2011, First PacTrust assumed no adjustments to the historical amount of Gateway s, Beach s or PBOC s provision for loan losses. If such adjustments were estimated, there could be a reduction, which could be significant, to the historical amounts of Beach s, Gateway s or PBOC s provision for loan losses presented.

The historical financial results of Beach for the six month period ended June 30, 2012 and for the year ended December 31, 2011 included professional fees of \$0.7 million and \$0.4 million, respectively, which were associated with corporate finance activities, including the proposed acquisition by First PacTrust. The historical results of Gateway for the seven and one half month period ended August 16, 2012 and for the year ended December 31, 2011 included professional fees of \$0.4 million and \$0.4 million, respectively, which were associated with corporate finance activities, including the proposed acquisition by First PacTrust. The historical results of PBOC for the nine month period ended September 30, 2012 and for the year ended December 31, 2011 included professional fees of \$0.6 million and \$0.6 million, respectively, which were associated with corporate activities, including the pending acquisition by First PacTrust.

Note B Accounting Policies and Financial Statement Classifications

The accounting policies of PBOC are in the process of being reviewed in detail by First PacTrust. Upon completion of such review, conforming adjustments or financial statement reclassifications may be determined.

28

Note C Merger and Acquisition Integration Costs

In connection with the pending PBOC merger and the recently completed Beach merger, the plan to integrate the operations of PBOC, Beach and PacTrust is still being developed. In connection with the Gateway acquisition, the retail branch operations, commercial lending activities and mortgage banking operations of Gateway s subsidiary bank, Gateway Business Bank, have been integrated into PacTrust. The specific details of the plan to integrate the operations of PacTrust, PBOC and Beach will continue to be refined over the next several months, and will include assessing personnel, benefit plans, premises, equipment and service contracts to determine where First PacTrust may take advantage of redundancies. Certain decisions arising from these assessments may involve involuntary termination of employees, vacating leased premises, changing information systems, canceling contracts with certain service providers, selling or otherwise disposing of certain premises, furniture and equipment, and re-assessing a possible deferred tax asset valuation allowance from a potential change in control for tax purposes. First PacTrust also expects to incur merger-related costs including professional fees, legal fees, system conversion costs and costs related to communications with customers and others. To the extent there are costs associated with these actions, the costs will be recorded based on the nature of the cost and the timing of these integration actions. No such costs were considered in the accompanying unaudited pro forma combined condensed consolidated statements of operations.

Note D Estimated Annual Cost Savings

First PacTrust expects to realize cost savings from the completed Beach merger, the completed Gateway acquisition and the pending PBOC merger. These cost savings are not reflected in the unaudited pro forma combined condensed consolidated financial information and there can be no assurance they will be achieved in the amount, manner or timing currently contemplated.

Note E Pro Forma Adjustments

The following pro forma adjustments have been reflected in the unaudited pro forma combined condensed consolidated financial information. All adjustments are based on current assumptions and valuations, which are subject to change.

- (1) Payment for cash consideration of \$24.888 million to PBOC shareholders is funded by the liquidation of interest bearing deposits.
- (2) \$9.955 million adjustment made to reflect the preliminary estimated market value of PBOC s loans, which includes an estimate of lifetime credit losses; loans include net deferred costs and unearned discounts.
- (3) \$5.928 million purchase accounting reversal of PBOC s allowance for loan losses, which cannot be carried over.

29

(4) Represents the recognition of goodwill resulting from the difference between the net fair value of the acquired assets and assumed liabilities and the value of the consideration paid to PBOC shareholders. The excess of the value of the consideration paid over the fair value of net assets acquired was recorded as goodwill and can be summarized as follows (in thousands of dollars, except share and per share data):

COMPARATIVE PER SHARE DATA

(Unaudited)

The table below summarizes selected per share information about First PacTrust, Beach, Gateway and PBOC. First PacTrust share information is presented on a pro forma basis to reflect the acquisition of Beach and Gateway, and the proposed merger with PBOC. The data in the table should be read together with the financial information and the financial statements of First PacTrust, Beach, Gateway and PBOC incorporated by reference in this proxy statement/prospectus. See Where You Can Find More Information. The pro forma per share data or combined results of operations per share data is presented as an illustration only. The data does not necessarily indicate the combined financial position per share or combined results of operations per share that would have been reported if the merger had occurred when indicated, nor is the data a forecast of the combined financial position or combined results of operations for any future period. No pro forma adjustments have been included herein which reflect potential effects of merger integration expenses, cost savings or operational synergies which may be obtained by combining the operations of First PacTrust and PBOC, or the costs of combining the companies and their operations. It is further assumed that First PacTrust will pay a cash dividend after the completion of the merger at the annual rate of \$0.48 per share. The actual payment of dividends is subject to numerous factors, and no assurance can be given that First PacTrust will pay dividends following the completion of the merger or that dividends will not be reduced in the future.
