Each of the nominees for director has consented to be named in this Proxy Statement and to serve as a director of the Fund if elected. Leadership Structure and Board of Directors

The Board has general oversight responsibility with respect to the business and affairs of the Fund. The Board is responsible for overseeing the operations of the Fund in accordance with the provisions of the 1940 Act, other applicable laws and the Fund's Articles of Incorporation. The Board is currently composed of five Independent Directors and one of the Independent Directors serves as Chairman of the Board. If all nominees for Director are approved by stockholders, the Board will be composed of six Independent Directors. Generally, the Board acts by majority vote of all of the Directors, including a majority vote of the Independent Directors if required by applicable law. The Fund's day-to-day operations are managed by the Adviser and other service providers who have been approved by the Board. The Board meets periodically throughout the year to oversee the Fund's activities, review contractual arrangements with service providers, oversee compliance with regulatory requirements and review performance. The Board has determined that its leadership structure is appropriate given the size of the Board, the extensive experience of each Director with the Fund and the nature of the Fund.

The existing Directors were selected to serve and continue, and Mr. Kirby was nominated to serve, on the Board based upon their skills, experience, judgment, analytical ability, diligence, ability to work effectively with other Directors and a commitment to the interests of stockholders and a demonstrated willingness to take an independent and questioning view of management. As a result of his substantial prior service as a Director of the Fund and, in several cases, as a director of other investment companies, each existing Director currently also has considerable familiarity with the Fund, Martin Currie, Inc. (the Adviser) and APS Asset Management Pte Ltd (the Sub-Adviser). In addition, each of the existing Directors and Mr. Kirby also is familiar with State Street Bank and Trust Company (the Administrator), and its operations, as well as the special regulatory requirements governing registered investment companies and the special responsibilities of investment company directors. In addition to those qualifications, the following is a brief summary of the specific experience, qualifications or skills that led to the conclusion, as of the date of this proxy statement, that each person identified below should serve as a

Director for the Fund. References to the qualifications, attributes and skills of the Directors are pursuant to requirements of the Securities and Exchange Commission (SEC), and do not constitute a holding out of the Board or any Director or nominee for Director as having any special expertise and should not be considered to impose any greater responsibility or liability on any such person or on the Board by reason thereof. As required by rules the SEC has adopted under the 1940 Act, the Fund's Independent Directors select and nominate all candidates for Independent Director positions.

M. Christopher Canavan, Jr. Mr. Canavan is currently the Chairman of the Audit Committee and has served as a Director of the Fund since 2003. He has provided financial accounting, auditing and consulting services for over 40 years. Mr. Canavan's experience includes over 27 years of service as a partner in PricewaterhouseCoopers, LLP and its predecessor firms, and over 10 years of service as an independent consultant providing financial consulting services.

Michael F. Holland. Mr. Holland has served as a Director of the Fund since 2007. He has worked in the investment management industry for over 40 years. Mr. Holland's experience includes service as the Chairman of Holland & Company (an investment management company), which he founded in 1995, and as the chief executive officer, chairman or vice chairman of other major U.S. asset management firms including Salomon Brothers Asset Management, First Boston Asset Management and Oppenheimer & Co., Inc. He is a regular guest on several financial television programs and is regularly quoted in leading financial publications. Mr. Holland also serves on the boards of other charitable and listed companies.

William C. Kirby. Mr. Kirby is a nominee for Director of the Fund. He is T. M. Chang Professor of China Studies at Harvard University and Spangler Family Professor of Business Administration at Harvard Business School. Mr. Kirby is a historian of modern China, whose work examines China's business, economic and political development in an international context. He has served the academic community for over 30 years. Mr. Kirby joined Harvard University in 1992, where he currently serves various positions including Chairman of the Harvard China Fund and Director of the John K. Fairbank Center for Chinese Studies. He has also served as the Dean of the Faculty of Arts and Sciences, Chair of the Council on East Asian Studies and the Director of the National Resource Center for East Asia for Harvard University. Prior to joining Harvard University, Mr. Kirby served as the Dean of the Faculty of Arts and Sciences, Director of Asian Studies and Director of International Affairs at Washington University. Mr. Kirby has published numerous books and articles related to Chinese business and history.

Anthony Kai Yiu Lo. Mr. Lo has served as a Director of the Fund since 2003. He has worked in the investment management and investment banking industry for over 30 years. Mr. Lo's experience includes service as the founding Chairman and Co-CEO of Shanghai Century Acquisition Corporations, which was listed on the American Stock Exchange. His experience also includes his role as founder of Advantage Limited and Suez Asia Capital Management Co. Ltd. and his service as a managing director of ABN Amro Asia Ltd., HG Asia Ltd. and Schroders Asia Ltd. Mr. Lo also serves on the boards and audit committees of other companies publicly listed in Hong Kong and on the NASDAQ.

Joe O. Rogers. Mr. Rogers has served as a Director of the Fund since the Fund's inception in 1986. He has provided business and investment consulting services for over 30 years. Mr. Rogers' experience includes service as the president, vice president or partner in business and investment consulting firms including Rogers International LLC, PHH Asia Corporation and PHH Fantus Consulting. He served as the U.S. Ambassador to the Asian Development Bank under President Ronald Reagan. Mr. Rogers also served the U.S. House of Representatives in various capacities including Executive Director and International Relations Counselor of the Republican Conference and served as the chief economist and budget advisor to Senator William Armstrong. He has also lectured on economics and finance at various U.S. based and

internationally based universities and served as a Visiting Professor of Finance at Fudan University in Shanghai. Mr. Rogers also serves on the boards of other listed companies.

Bing Shen. Mr. Shen has served as a Director of the Fund since 2007. He has worked in financial services, including investment management, since 1973. Mr. Shen's experience includes his service as Supervisor and Chairman of the Audit Committee of CTCI Corporation, an engineering and construction company listed on the Taiwan Stock Exchange, and a Special Observer of the Oversight Committee of DynaFund, a venture capital fund. His experience also includes his service at the World Bank, International Finance Corporation, and executive positions at Morgan Stanley Group, China Development Industrial Bank and CBID & Partners Investment Holding Corporation. He also serves on the boards of other listed and private companies.

The Fund's Board of Directors has a separately designated Audit Committee established in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934, as amended (the "Exchange Act") which is responsible for reviewing financial and accounting matters. The Fund's Audit Committee is composed of directors who are independent (as defined in the New York Stock Exchange, Inc. ("NYSE") listing standards, as may be modified or supplemented) and not interested persons of the Fund and its actions are governed by the Fund's Audit Committee Charter, which is posted on the Fund's website (www.thetaiwanfund.com). The current members of the Audit Committee are Messrs. Canavan, Holland, Lo, Rogers and Shen. The Audit Committee convened four times during the fiscal year ended August 31, 2012.

The Fund's Board of Directors has determined that the Fund has at least one audit committee financial expert. Mr. M. Christopher Canavan, Jr., an independent director, has been designated the Fund's audit committee financial expert by the Fund's Board of Directors.

The Fund's Board of Directors has a Nominating Committee, which is responsible for recommending individuals to the Board for nomination as members of the Board and its Committees. The Fund's Nominating Committee is composed of directors who are independent as independence is defined in the New York Stock Exchange, Inc.'s listing standards, as may be modified or supplemented and are not interested persons of the Fund (as defined in Section 2(a)(19) of the 1940 Act) and its actions are governed by the Fund's Nominating Committee Charter, which is posted on the Fund's website (www.thetaiwanfund.com). Currently, the Nominating Committee does not consider nominees recommended by the stockholders. The Nominating Committee believes that it is not necessary to have such a policy because the Board has had no difficulty identifying qualified candidates to serve as directors. The Nominating Committee evaluates a candidate's qualifications for Board membership and the candidate's independence from the Fund's advisers and other principal service providers. The Nominating Committee does not have specific minimum qualifications that must be met by candidates recommended by the Nominating Committee and there is not a specific process for identifying such candidates. In nominating candidates, the Nominating Committee takes into consideration such factors as it deems appropriate. These factors may include judgment, skill, diversity, experience with businesses or other organizations of comparable size, the interplay of the candidate's experience with the experience of other Board members, requirements of the New York Stock Exchange and the Securities and Exchange Commission (the "SEC") to maintain a minimum number of independent or non-interested directors, requirements of the SEC as to disclosure regarding persons with financial expertise on the Fund's audit committee and the extent to which the candidate generally would be a desirable addition to the Board and any committees of the Board. The Committee believes the Board generally benefits from diversity of background, experience and views among its members, and considers this a factor in evaluating the

composition of the Board, but has not adopted any specific policy in this regard. The current members of the Nominating Committee are Messrs. Canavan, Lo and Shen. The Nominating Committee convened twice during the fiscal year ended August 31, 2012.

The Fund's Board of Directors has a Valuation Committee which is responsible for establishing and monitoring policies and procedures reasonably designed to ensure that the Fund's assets are valued appropriately, objectively and timely, reflecting current market conditions. The Fund's Valuation Committee is composed of directors who are not interested persons of the Fund. The current Directors who are members of the Valuation Committee are Messrs. Holland, Lo and Rogers. The Valuation Committee met once during the fiscal year ended August 31, 2012.

During the fiscal year ended August 31, 2013, the Fund's Board of Directors had an Investment Management Oversight Committee which was responsible for overseeing and evaluating the nature and quality of the investment services provided to the Fund by the Adviser and Sub-Adviser in order to assist the Board in overseeing the investment services being provided to the Fund by the Adviser and Sub-Adviser. The member of the Investment Management Oversight Committee was Mr. Shen. The Investment Management Oversight Committee met three times during the fiscal year ended August 31, 2012. At a meeting held on April 24, 2012, the Board dissolved the Investment Management Oversight Committee and assumed the responsibilities that had been accorded to the Investment Management Oversight Committee.

The Fund's Board of Directors has a Share Repurchase Program Committee which is responsible for overseeing and evaluating the Fund's program to repurchase its shares on the market. The current members of the Share Repurchase Program Committee are Messrs. Rogers, Holland and Shen. The Share Repurchase Program Committee met once during the fiscal year ended August 31, 2012.

The Board of Directors of the Fund held four regular meetings and eight special meetings during the fiscal year ended August 31, 2012. For the fiscal year ended August 31, 2012, each Director attended at least seventy-five percent of the aggregate number of meetings held during the fiscal year of the Board and of any committee on which he served.

For annual or special stockholder meetings, Directors may but are not required to attend the meetings; and for the Fund's last annual stockholder meeting, all of the Directors attended the meeting.

Risk Oversight

The day-to-day operations of the Fund, including the management of risk, is performed by third party service providers, such as the Adviser, the Sub-Adviser and Administrator. The Directors are responsible for overseeing the Fund's service providers and thus have oversight responsibilities with respect to risk management performed by those service providers. Risk management seeks to identify and address risks, i.e., events or circumstances that could have material adverse effects on the business, operations, stockholder services, investment performance or reputation of the Fund. The Fund and its service providers employ a variety of processes, procedures and controls to identify certain of those possible events or circumstances, to lessen the probability of their occurrence and/or to mitigate the effects of such events or circumstances if they do occur.

Not all risks that may affect the Fund can be identified nor can controls be developed to eliminate or mitigate their occurrence or effects. It may not be practical or cost effective to eliminate or mitigate certain risks, the processes and controls employed to address certain risks may be limited in their effectiveness,

and some risks are simply beyond the reasonable control of the Fund or the Adviser, the Sub-Adviser or other service providers. Moreover, it is necessary to bear certain risks (such as investment-related risks) to achieve a Fund's goals. As a result of the foregoing and other factors, the Fund's ability to manage risk is subject to substantial limitations.

Risk oversight forms part of the Board's general oversight of the Fund and is addressed as part of various Board and Committee activities. As part of its regular oversight of the Fund, the Board, directly or through a Committee, interacts with and reviews reports from, among others, the Adviser, the Sub-Adviser, the Fund's Chief Compliance Officer and the independent registered public accounting firm, as appropriate, regarding risks faced by the Fund. The Board is responsible for overseeing the nature, extent and quality of the services provided to the Fund by the Adviser and the Sub-Adviser and receives information about those services at its regular meetings. In addition, on an annual basis, in connection with its consideration of whether to renew the Advisory and Sub-Advisory Agreements, the Board meets with the Adviser and the Sub-Adviser to review the services provided. Among other things, the Board regularly considers the Adviser's and the Sub-Adviser's adherence to the Fund's investment restrictions and compliance with various Fund policies and procedures and with applicable securities regulations. The Board has appointed a Chief Compliance Officer who oversees the implementation and testing of the Fund's compliance program and reports to the Board regarding compliance matters for the Fund and its service providers. The Board, with the assistance of the Adviser and the Sub-Adviser, reviews investment policies and risks in connection with its review of the Fund's performance. In addition, as part of the Board's oversight of the Fund's advisory and other service provider agreements, the Board may periodically consider risk management aspects of their operations and the functions for which they are responsible.

Stockholder Communications

Stockholders may send communications to the Fund's Board of Directors by addressing the communication directly to the Board (or individual Board members) and/or clearly indicating that the communication is for the Board (or individual Board members). The communication may be sent to either the Fund's office or directly to such Board member(s) at the address specified for each Director above. Other stockholder communications received by the Fund not directly addressed and sent to the Board will be reviewed and generally responded to by management, and will be forwarded to the Board only at management's discretion based on the matters contained therein.

Audit Committee Report

The Audit Committee has reviewed and discussed the Fund's audited financial statements for the fiscal year ended August 31, 2012 with management, the Adviser and Tait, Weller & Baker LLP, the Fund's independent registered public accounting firm (Tait Weller), and has discussed with Tait Weller the matters required to be discussed by Statement on Auditing Standards No. 114 (The Auditor's Communications with Those Charged with Governance, AU Section 380), as may be modified or supplemented. The Audit Committee has received the written disclosures and letter from Tait Weller required by Public Company Accounting Oversight Board (PCAOB) Rule 3526 (Ethics and Independence Rule 3526, Communications with Audit Committees Concerning Independence), as may be modified or supplemented, and has discussed with Tait Weller its independence. Based on the Audit Committee review and discussions referred to in the two preceding sentences, the Audit Committee recommended to the Board of Directors that the audited financial statements of the Fund for the fiscal year ended August 31, 2012 be included in its annual report to stockholders and the Fund's annual report filed with the Securities and Exchange Commission.

M. Christopher Canavan, Jr., *Chairman of the Audit Committee*

Joe O. Rogers, *Member of the Audit Committee*

Anthony Kai Yiu Lo, *Member of the Audit Committee*

Michael F. Holland, *Member of the Audit Committee*

Bing Shen, *Member of the Audit Committee*

Independent Registered Public Accounting Firm

Tait Weller serves as the Fund's independent registered public accounting firm, auditing and reporting on the annual financial statements of the Fund and reviewing certain regulatory reports and the Fund's federal income tax returns. Tait Weller also performs other professional audit and certain allowable non-audit services, including tax services, when the Fund engages it to do so. Representatives of Tait Weller are expected to be available via telephone at the Meeting and will have an opportunity to make a statement if they desire. Such representatives are expected to be available to respond to appropriate questions at the Meeting.

Audit Fees. For the fiscal years ended August 31, 2012 and August 31, 2011, Tait Weller billed the Fund aggregate fees of US\$52,000 and US\$57,700, respectively, for professional services rendered for the audit of the Fund's annual financial statements and review of financial statements included in the Fund's annual report to stockholders.

Audit-Related Fees. For the fiscal years ended August 31, 2012 and August 31, 2011, Tait Weller billed the Fund aggregate fees of US\$6,800 and US\$6,800, respectively, for assurances and related services that are reasonably related to the performance of the audit or review of the Fund's financial statements and are not reported under the section Audit Fees above. Audit-Related Fees represent procedures applied to the semi-annual financial statement amounts (reading the semi-annual report and valuation and existence procedures on investments) as requested by the Fund's audit committee.

Tax Fees. For the fiscal years ended August 31, 2012 and August 31, 2011, Tait Weller billed the Fund aggregate fees of US\$13,200 and US\$13,200, respectively, for professional services rendered for tax compliance, tax advice, and tax planning. The nature of the services comprising the Tax Fees was the review of the Fund's income tax returns and tax distribution requirements.

All Other Fees. For the fiscal years ended August 31, 2012 and August 31, 2011, Tait Weller did not bill the Fund any fees for products and services other than those disclosed above.

The Fund's Audit Committee Charter requires that the Audit Committee pre-approve all audit and non-audit services to be provided to the Fund by the Fund's independent registered public accounting firm; provided, however, that the pre-approval requirement with respect to non-auditing services to the Fund may be waived consistent with the exceptions provided for in the Exchange Act. All of the audit and tax services described above for which Tait Weller billed the Fund fees for the fiscal years ended August 31, 2012 and August 31, 2011 were pre-approved by the Audit Committee. For the fiscal years ended August 31, 2012 and August 31, 2011, the Fund's Audit Committee did not waive the pre-approval requirement of any non-audit services to be provided to the Fund by Tait Weller.

Tait Weller did not bill any non-audit fees for services rendered to the Fund's Adviser, or any entity controlling, controlled by, or under the common control with the Adviser that provides ongoing services to the Fund, for the fiscal years ended August 31, 2012 and August 31, 2011.
