At our 2012 Annual Meeting, approximately 27% of stockholder votes were cast in favor of our advisory vote on executive compensation (also commonly referred to as “Say on Pay”) and approximately 73% of the stockholder votes that were cast opposed our Say on Pay proposal. Additionally, we undertook a comprehensive review of the compensation programs for our executive officers, including our Chief Executive Officer.

Throughout 2012 and to date, we have contacted our stockholders and are working to address their concerns. While certain of the issues raised could not be addressed this year, they will be considered by our Board in framing our policies in the future. We believe that our stockholder outreach process has had an impact on our compensation program, as well as our understanding of our stockholders’ concerns and issues.

As a result of our stockholder outreach, we have addressed the following:

- Disclosure of Peer Groups
- Enhanced disclosure related to performance metrics
- Discussion of difficulty of achievement of performance metrics

**DILUTED EPS**

- (1) EBITDA, a non-GAAP financial measure, represents net income before income taxes, interest, other non-operating gains and losses, depreciation and amortization expenses. We believe EBITDA provides additional information for determining our ability to meet future debt service requirements, investing and capital expenditures. See exhibit 10.86 for a reconciliation of EBITDA to GAAP net income.
- (2) Free Cash Flow, a non-GAAP financial measure, represents net income before depreciation, amortization, non-cash compensation expense, bad debt expense, net equity earnings from certain joint ventures, non-cash income taxes, non-cash interest related to convertible debt, non-cash gains/losses from sale of trademarks, non-cash loss on marketable securities and re-measurement of investments, less capital expenditures. Free Cash Flow also excludes any changes in balance sheet items. We believe Free Cash Flow is useful in evaluating our financial condition because it is representative of cash flow from operations that is available for repaying debt, investing and capital expenditures. See exhibit 10.86 for a reconciliation of Free Cash Flow to GAAP net income.
- (3) In 2005 and 2006, respectively, the \$0.20 and \$0.58 represent YTD fully taxed diluted earnings per share assuming a tax rate of 34% and a CAGR or Compounded Annual Growth Rate based on the fully taxed number.

**Objectives of our Executive Compensation Program**

The Company's goals for its executive compensation program are to:

Attract, motivate and retain a talented, entrepreneurial and creative team of executives who will provide leadership for the Company's success in dynamic and competitive markets.

Align pay with performance as well as with the long-term interests of stockholders by linking payouts to performance measures that promote long-term stockholder value, including EBITDA, Free Cash Flow and Diluted Earnings Per Share, as well as acquisitions in the case of Mr. Blumberg.

Ensure continuity of the services of named executive officers so that they will contribute to, and be a part of, the Company's long-term success and to promote and sustain stability in the executive team.

**Peer Group**

We are a unique company with a unique business model. There are few, if any, companies that are our size and follow our business model. Very few stand-alone publicly-traded companies derive 90% or more of their revenues from licensing a portfolio of brands. The Company does not derive revenues from the sale of manufactured products or services. Accordingly, the Company enjoys higher margins of gross profit, net income and EBITDA as a percentage of revenue than companies in the retail industry. Consequently, our compensation committee has determined we do not target pay opportunities or actual pay to specific positioning against other companies. Instead, from time to time the compensation committee looks at various companies and their pay practices to determine market trends and market pay levels.

## **Table of Contents**

The relative proportion of performance grants to time-vested grants continues to align stockholder interests with those of Mr. Cole and our other named executive officers.

We do have a group of relative performance peers that we considered in connection with determinations as to vesting under our 2011 Performance Stock Units, or PSUs. This group of relative performance peers is discussed in the section "2011 PSUs" below.

### **Neil Cole's Vision and Its Importance to the Company's Future Success**

Neil Cole's proven track record makes him a highly valued executive and leader of our Company. A significant reason for our Company's success has been Mr. Cole's vision and management. One of the key components of Mr. Cole's success as an executive is his ability to build and manage a tight-knit and efficient team. Given the nature of our business model, we operate with relatively fewer employees than other companies our size (we had only 148 full-time employees at December 31, 2012), which keeps our operating expenses lower than they otherwise would be.

Mr. Cole's leadership position in the industry affords him numerous other employment opportunities. Without Mr. Cole's leadership and vision, the compensation committee believed very strongly at the time of the June 2011 amendment that the Company would suffer, both in terms of growing the Company's current brands, as well as acquiring new brands. In May 2010, when the compensation committee and Mr. Cole began negotiating his amendment to his employment agreement, the process was rigorous and long-lasting. The amendment to the agreement, referred to as the June 2011 amendment, was signed in June 2011 after more than a year of negotiations between the compensation committee and Mr. Cole. In addition, the compensation committee engaged James F. Reda & Associates LLC, referred to as JFR, to assist in evaluating the terms of the June 2011 amendment. The June 2011 amendment was filed with the Form 8-K filed with the Securities and Exchange Commission on June 20, 2011.

In granting the 2011 amendment, the compensation committee, and the Board of Directors, recognized that the amendment was necessary to ensure Mr. Cole's long-term future service and that Mr. Cole's retention would place the Company in the best possible position to continue to implement the Company's strategic goals.

The Company's performance during the tenure of Mr. Cole's leadership has been exemplary. Since the completion of the Company's transition to its current business model, the Company's equity market capitalization increased from approximately \$150.0 million at January 1, 2005, to approximately \$1.5 billion as of December 31, 2012. Under Mr. Cole's leadership and direction, from 2005 through 2012, the Company's EBITDA grew from \$16.7 million to \$217.0 million and during the same period, the Company's free cash flow grew from \$13.0 million to \$180.5 million. Mr. Cole is responsible for and oversaw the Company's transition to its current model and is the key architect of the Company's success.

Due to Mr. Cole's highly effective leadership, the Company has maintained strong profitability over the last seven years. Mr. Cole's vision and leadership have poised the Company for continued growth, both organically and through acquisition opportunities available to the Company. Such acquisition opportunities exist, in large part, because of prospective sellers' confidence in Mr. Cole.

### **Mr. Cole's At Risk Compensation Not Earned**

We believe that the structure and size of Mr. Cole's pay package appropriately pays for performance and, therefore, aligns Mr. Cole's economic interests with those of our stockholders.

Pursuant to the June 2011 amendment for the year ended December 31, 2012, Mr. Cole's percentage of performance-based compensation increased to 63% of his total contractual compensation package. Prior to the June 2011 amendment, 47% of Mr. Cole's total contractual compensation package for 2012 was performance-based. Pursuant to the June 2011 amendment, for the years 2013 through 2015, the amount of Mr. Cole's total contractual compensation package that is performance based increased to 79%. Also see "Equity-based Compensation PSUs", which includes a discussion regarding 2011 PSUs that were unearned and the forfeiture of 2008 PSUs.

### **Other Named Executive Officers At Risk Compensation**

For the year ended December 31, 2012, 20% of Messrs. Clamen's and Tarshis' total potential compensation was performance-based. Mr. Blumberg's total performance-based compensation for the year ended December 31, 2012 was 63% of his total compensation. Mr. Blumberg entered into an amendment to his employment agreement in February 2013 pursuant to which he was granted 200,000 PSUs. See "Equity-Based Compensation Mr. Blumberg's Equity Based Stock Awards" for a discussion of the performance criteria. Mr. Shmidman, the former chief operating officer, left the Company in October 2012. Mr. Shmidman did not receive any equity bonus compensation for 2012; however he did receive a discretionary cash bonus of \$300,000 in 2012.

### **The Compensation Committee's Rationale for Performance Metrics**

Our executive compensation program considers each named executive officer's function within the Company and sets performance goals that are relative to such function. The compensation packages and structure for our chief executive officer, Mr. Neil Cole, our chief financial officer, Mr. Warren Clamen, and our executive vice president and general counsel, Mr. Andrew Tarshis, differ from that of our executive vice president, head of strategic development, Mr. David Blumberg. Each of these named executive officers plays a distinct role with related responsibilities within the Company, and each of their compensation packages are meant to acknowledge these differences. Mr. Shmidman, our former Chief Operating Officer, resigned in October 2012.

As Mr. Cole makes executive decisions that influence our direction and growth initiatives, his total compensation is intended to be strongly aligned with objective financial measures, including an annual cash bonus and his PSUs, which are determined by the performance criteria described below.

Messrs. Clamen and Tarshis are charged with implementing the goals set by the Board and Mr. Cole, and, therefore, an appropriate portion of their compensation is performance-based equity and a portion is discretionary cash and equity pursuant to their amended employment agreements.

As Mr. Blumberg is responsible for overseeing our merger and acquisition activities that influence our growth, a portion of his total compensation is performance-based and tied to our consummation of acquisitions that meet specified objective financial measures as set forth in his employment agreement. Mr. Blumberg is entitled to receive stock and cash bonuses when acquisitions are consummated. We believe that this mix of compensation provides both short-term and long-term incentives for Mr. Blumberg. The cash bonus is a short-term incentive while the stock awards create an incentive to identify acquisitions that are expected to add value to the Company in the long-term.

### **Roles of Management and the Compensation Committee in Compensation Decisions**

Compensation of our executive officers, including the named executive officers, has been determined by the Board of Directors pursuant to recommendations made by the chief executive officer and the compensation committee. The compensation committee is responsible for, among other things, reviewing and recommending approval of the compensation of our executive officers; administering our equity incentive and stock option plans; reviewing and making recommendations to the Board of Directors with respect to incentive compensation and equity incentive and stock option plans; evaluating our chief executive officer's performance in light of corporate objectives, and setting our chief executive officer's compensation based on the achievement of corporate objectives.

The compensation committee has given great consideration to the relative merits of cash and equity as a device for retaining and motivating the named executive officers. The compensation committee considers an individual's performance, an individual's pay relative to others, contractual commitments pursuant to employment or other agreements, the value of already-outstanding grants of equity and aligning the executive's interests with those of our stockholders in determining the size and type of equity-based awards to each named executive officer.

Upon recommendations from our CEO, the compensation committee approves equity-based awards to named executive officers other than our CEO. With respect to our CEO, the compensation committee discusses with the CEO and utilizes a compensation consultant to assist in determining the appropriate compensation package for the CEO. The final determination of the CEO's compensation package is, however, approved by the compensation committee in the absence of the CEO and recommended to the full Board for approval. The compensation committee also annually reviews and certifies whether performance targets are met pursuant to the CEO's pay package. In 2012, Mr. Cole did not receive any additional grants of RSUs or PSUs. The compensation committee determined what percent of previously granted PSUs were actually earned by Messrs. Cole, Clamen and Tarshis. Messrs. Clamen and Tarshis each received 13,407 shares of restricted stock in October 2012 that vest equally over a two year period. In 2012, 10,000 shares of restricted stock previously granted to Mr. Blumberg vested as a result of meeting the acquisition performance criteria for such grant. Mr. Blumberg received PSUs based on the criteria described elsewhere in this CD&A. Additionally, in connection with an amendment to his employment agreement in February 2013, Mr. Blumberg received PSUs. (See Mr. Blumberg's Performance Based Equity below for a description of the performance metrics.)

### **Principal Elements of Compensation**

To accomplish our compensation objectives, our compensation program consists of performance-based equity awards in the form of PSU awards, long-term equity awards in the form of RSU awards, annual performance-based cash bonuses, base salaries and discretionary cash and stock awards. These elements are designed to reward performance in a simple and straightforward manner while appropriately addressing retention. The compensation program is heavily weighted towards performance-based equity awards rather than cash compensation and time-vested equity compensation in order to maximize pay-for-performance and ensure that the

**Table of Contents**

named executive officers' compensation is tied to the Company's long-term and short-term performance. The Company does provide certain limited perquisites to its named executive officers that are generally available to named executive officers. The Company has no long-term cash compensation program or supplemental retirement plan.

**Base salary.** Base salary represents amounts paid during the fiscal year to named executive officers as direct, guaranteed compensation under their employment agreements for their services to us. Base salaries are used to compensate each named executive officer for day-to-day operations during the year, and to encourage them to perform at their highest levels. We also use our base salary as an incentive to attract top quality executives and other management employees from other companies. Moreover, base salary (and increases to base salary) are intended to recognize the overall experience, position within our company and expected contributions of each named executive officer to us.

**Cash bonuses.** Cash bonuses are made pursuant to our stockholder approved Executive Incentive Bonus Plan, referred to as our bonus plan, and pursuant to employment agreements. The bonus plan was approved by stockholders in May 2008 and meets the requirements of Section 162(m) of the Internal Revenue Code. The purpose of the bonus plan is to promote the achievement of our short-term, targeted business objectives by providing competitive incentive reward opportunities to our executive officers who can significantly impact our performance towards those objectives. Further, the bonus plan enhances our ability to attract, develop and motivate individuals as members of a talented management team. The bonus plan is administered, and can be amended, by the compensation committee. All awards are paid in cash. Awards made under the bonus plan are subject to a participant achieving one or more performance goals established by the compensation committee. The performance goals may be based on our overall performance, and also may recognize business unit, team and/or individual performance. In 2012, only Mr. Cole received a cash bonus pursuant to the bonus plan.

**Equity-based compensation.** There are three types of equity based grants made to the named executive officers' initial grants when a named executive officer is hired, performance-based grants and retention grants, which are typically made in connection with new employment agreements or renewals of expiring agreements. An initial grant when an executive officer is hired or otherwise becomes a named executive officer serves to help us to recruit new executives and to reward existing officers upon promotion to higher levels of management. Because these initial grants are structured as an incentive for employment, the amount of these grants may vary from executive to executive depending on the particular circumstances of the named executive officer and are usually recommended by the chief executive officer and approved by the appropriate committee. Time-vested grants of equity awards, as well as retention grants made in connection with renewals of employment agreements, are designed to compensate our named executive officers for their contributions to our long-term performance. Generally, restricted stock awards granted to named executive officers as either initial or annual performance grants which vest in equal installments over the term of the agreement, or a period determined by the compensation committee, typically beginning on the first anniversary of the date of grant.

Awards of RSUs and PSUs are made under our Amended and Restated 2009 Equity Incentive Plan, referred to as the Plan. The Plan was approved by our stockholders in August 2009 and amended, restated and again approved by our stockholders in August 2012. In April 2013, we amended the Plan to specifically prohibit option repricing, payment of dividends on unvested shares of restricted stock, cash buyouts of underwater options and recycling shares subject to stock options, stock grants or performance awards which, for any reason are after the date of the amendment, are cancelled. Shares of restricted stock, including shares underlying RSUs and PSUs that were issued subject to a vesting schedule cannot be sold until and to the extent the shares have vested. While we have not formally adopted any policies with respect to cash versus equity components in the mix of executive compensation, we feel that it is important to provide for a compensation mix that allows for acquisition of a meaningful level of equity ownership by our named executive officers in order to help align their interests with those of our stockholders. As of December 31, 2012, the number of shares remaining for issuance under the Plan, was 3,832,063. There are no shares remaining for issuance under any prior equity incentive plan.

**Perquisites and other personal benefits.** During 2012, our named executive officers received a limited amount of perquisites and other personal benefits that we paid on their behalf. These consisted of payments of life insurance premiums and car allowances, aggregating \$126,358.

**Post-termination compensation.** We have entered into employment agreements with each of the named executive officers. Each of these agreements provide for certain payments and other benefits if the executive's employment terminated under certain circumstances, including, in the event of a change in control. See Executive Compensation Narrative to Summary Compensation Table and Plan-Based Awards Table Employment Agreements and Executive Compensation Potential Payments Upon Termination or Change in Control for a description of the severance and change in control benefits.

### **Our Named Executive Officers Compensation for 2012**

#### **Base Salaries**

Historically, the base salaries of our named executive officers were guaranteed in their respective employment agreements. Other than with respect to situations in which we have engaged a compensation consultant, the recommendations to the Board of Directors by the compensation committee with respect to base salaries are based primarily on informal judgments reasonably believed to be in our best interests. In determining the base salaries of certain of our executives whose employment agreements were up for, or otherwise considered for, renewal, the compensation committee considered our performance and growth plans and such individual's performance.

#### **Cash Bonus Compensation**

Cash bonuses are made pursuant to our stockholder approved bonus plan and pursuant to each of our named executive officers employment agreements. No payment will be made under the bonus plan unless the compensation committee certifies that at least the minimum objective performance measures have been met. Such performance measures may include specific or relative targeted amounts of, or changes in: EBITDA (as defined earlier); Free Cash Flow (as defined earlier); earnings per share; diluted earnings per share; revenues; expenses; net income; operating income; equity; return on equity, assets or capital employed; working capital; stockholder return; production or sales volumes; or certain other objective criteria. In 2012, our chairman, president and chief executive officer was the only named executive officer who was eligible to receive a bonus under the bonus plan, and only he received a bonus under the bonus plan.

The amount of any award under the bonus plan may vary based on the level of actual performance. The amount of any award for a given year is determined for each participant by multiplying the individual participant's actual base salary in effect at the end of that year by a target percentage (from 0% to 200%), related to the attainment of one or more performance goals, determined by the compensation committee. In the event that an award contains more than one performance goal, participants in the bonus plan will be entitled to receive the portion of the target percentage allocated to the performance goal achieved. In the event that we do not achieve at least the minimum performance goals established, no award payment will be made.

Mr. Cole's cash performance targets for 2012 were as follows: \$1,125,000 was earned for our achievement of approximately \$217.0 million of EBITDA. This EBITDA amount represents 75% of the targeted EBITDA, which was \$237.7 million as established by the Board of Directors. Mr. Cole received \$500,000 based on the Company's EBITDA margin of 61%, which puts the Company in the top 100th percentile of companies compiled in the Standard & Poors Small Cap Retailing Index for 2012.

For 2012, cash bonuses were awarded to Mr. Blumberg pursuant to his 2012 employment agreement. Under the 2012 employment agreement, Mr. Blumberg is entitled to acquisition payments in the amount of \$500,000 if the Acquisition is a First Tier Acquisition and \$250,000 if the Acquisition is a Second Tier Acquisition. In addition, the compensation committee may consider granting Mr. Blumberg a cash bonus in addition to other payments and equity payable under his agreement if the value of the Acquisitions completed during the term of the agreement exceeded \$100 million. The amount of any such additional cash bonus would have been determined by the compensation committee in its discretion. For 2012, Mr. Blumberg received a \$500,000 cash bonus under these provisions.

A First Tier Acquisition is one that has a value of \$30 million and a Second Tier Acquisition is one that has a value of less than \$30 million. Value is defined as the projected gross revenue stream to be derived by the Company from an Acquisition during the first complete year following the closing of the Acquisition as set forth in the base line projections presented to the Board in connection with the approval of such Acquisition (if and to the extent that such projections exist and are presented), in all cases before deduction of operational and transaction expenses. If and to the extent the target entity has received advances or other pre-payments in consideration for a reduction in royalty or other payments to be received by the target entity at any time during the first complete year following the closing of the Acquisition, the projected gross revenue stream to be derived by the Company from the Acquisition will be adjusted to take into account the reduction in royalty or other payments resulting from such advances and/or pre-payments.

Pursuant to the 2013 amendment to Mr. Blumberg's employment agreement, Mr. Blumberg is no longer entitled to cash bonuses for Acquisitions subject to certain exceptions which are described in the description of the 2013 amendment below. Also, the 2013 amendment narrows the definition of Acquisitions to exclude certain acquisitions that do not meet a minimum value threshold.

Also in 2012, Messrs. Clamen and Tarshis received discretionary cash bonuses of \$200,000 and \$250,000, respectively, under their respective employment agreements. These cash bonuses are recommended by our CEO to the compensation committee and are discretionary, up to 100% of their salary, which limitation is superseded by the maximum amount available under the Company's executive bonus program and any other bonus program generally applicable to senior executives of the Company.

**Table of Contents**

**Equity-based Compensation**

Equity-based compensation typically is awarded in the form of Performance Stock Units, or PSUs, Restricted Stock Units, or RSUs and shares of restricted stock.

**PSUs**

**2008 PSUs**

Mr. Cole is the only executive with PSUs that were granted in 2008, referred to as the 2008 PSUs.

The annual performance goals required for the portion of Mr. Cole's 2008 PSUs to vest for the year ended December 31, 2012 were as follows: EBITDA of approximately \$224.9 million (for which Mr. Cole earned no 2008 PSUs), market capitalization of approximately \$1.986 billion (for which Mr. Cole earned no 2008 PSUs) and a stock price of \$34.65 per share (for which Mr. Cole earned no 2008 PSUs).

Of the aggregate 472,673 2008 PSUs that could have vested on December 31, 2012, Mr. Cole did not receive any of such 2008 PSUs. These 472,673 2008 PSUs were subject to catch-up provisions for the years 2008 through 2012 for failure to meet the performance goals. These 472,673 2008 PSUs, valued at approximately \$10.6 million at December 31, 2012, were all cancelled and forfeited because the performance measures were not met and, therefore, the catch-up provisions did not result in any additional vesting. The chart below illustrates the earned versus forfeited 2008 PSUs from the date of grant through the last vesting period which ended on December 31, 2012.

**2011 PSUs**

Messrs. Cole, Tarshis and Clamen each hold 2011 PSUs that were granted in 2011, referred to as the 2011 PSUs. The 2011 PSUs performance goals are as follows: 33 1/3% of the 2011 PSUs vest on the achievement of EBITDA Growth; 33 1/3% of the 2011 PSUs vest on the achievement of EPS Growth; and 33 1/3% of the 2011 PSUs vest on the achievement of Free Cash Flow of \$125 Million or more.

With respect to the 2011 PSUs, the EBITDA Growth and EPS Growth performance metrics are measured in two ways: Absolute Growth and Relative Growth. The annual performance goals required for the 2011 PSUs to vest for the year ended December 31, 2012 were as follows:

**Absolute Metrics**

<b>Performance Metric</b>	<b>Requirement</b>
Target Absolute EBITDA Growth	EBITDA of \$252.5 million
Threshold Absolute EBITDA Growth	EBITDA of \$241.0 million
Target Absolute EPS Growth	EPS of \$1.64
Threshold Absolute EPS Growth	EPS of \$1.56

The compensation committee determined that the absolute performance metrics were not met for the year ended December 31, 2012. Since the absolute measures were not met, the compensation committee considered the Relative EBITDA Growth and the Relative EPS Growth performance to determine the vesting of the 2011 PSUs.

**Table of Contents**

No 2011 RSUs were granted in any year other than 2011.

**Relative Metrics**

The Relative EBITDA Growth and Relative EPS Growth performance metrics are determined by reference to where the Actual EBITDA Growth and Actual EPS Growth achieved by the Company during the performance period places the Company in the specified percentile listed with the group of companies determined by the compensation committee prior to the beginning of the relevant performance period. This peer group must be based on companies in GICS codes 25203010 (Apparel, Accessories and Luxury Goods) and 25203020 (Footwear) with comparable revenue and earnings levels, which shall be comprised of annual revenue between \$100 million and \$5 billion and EBITDA and EPS greater than zero in the most recent fiscal year.

Below is the relative performance peer group that was used to determine Relative EBITDA Growth and Relative EPS Growth performance metrics under our 2011 PSUs for 2012:

American Apparel, Inc.	G-III Apparel Group Ltd.	Ralph Lauren Corporation
Carter s Inc.	Gildan Activewear Inc.	Rocky Brands, Inc.
Cherokee Inc.	Hanesbrands Inc.	Skechers U.S.A., Inc.
Columbia Sportswear Company	Lululemon athletic inc.	The Jones Group Inc.
Crocs, Inc.	Maidenform Brands, Inc.	True Religion Apparel, Inc.
Deckers Outdoor Corporation	Oxford Industries, Inc.	Under Armour, Inc.
Delta Apparel, Inc.	Perry Ellis International, Inc.	Vera Bradley, Inc.
Exceed Company	PVH Corp.	Wolverine World Wide, Inc.
Fossil, Inc.	Quicksilver, Inc.	

Excluded from this group for the computation of the relative performance calculations were certain companies that did not meet the criteria for each of the specific performance metrics.

Based on the compensation committee s review of the relative performance peer group, the compensation committee determined that the Company s performance did not meet the threshold, and therefore, no 2011 PSUs vested for EBITDA Growth or EPS Growth in 2012. The Free Cash Flow performance measure was achieved, resulting in a full payout as to those shares underlying the 2011 PSUs. For each of Messrs. Cole, Clamen and Tarshis, this resulted in the vesting of 65,118, 6,410 and 6,410, respectively, shares of common stock underlying 2011 PSUs.

During our stockholder outreach, we learned that some of our stockholders believed that the performance metrics of our 2011 PSUs were not difficult to achieve. We note that this year, none of the 2008 PSUs vested and only one third of the 2011 PSUs vested because certain performance metrics were not achieved. There is a catch-up feature, whereby the 2011 PSUs that did not vest are available for vesting in the future if the performance metrics are met. We note, however, that for this to occur, the Company s performance would be have to be outstanding, which would be in our stockholders interests. The 2008 PSUs also had a catch up provision; the Company s performance was not exemplary enough for the performance metrics to be achieved, and therefore, approximately \$10.6 million of 2008 PSUs were forfeited and cancelled at the end of December 31, 2012. The chart below illustrates the earned versus unearned 2011 PSUs for the period January 1, 2012 through December 31, 2012.

Edgar Filing: ICONIX BRAND GROUP, INC. - Form 10-K/A

\* The 2011 PSUs are subject to catch up provisions. For the 2011 PSUs that were not earned for the year ended December 31, 2012, one half of them have been forfeited because of negative growth and the other half are eligible to be issued in later performance periods.

**Table of Contents****Mr. Blumberg's Performance Based Restricted Stock Awards**

As Mr. Blumberg is our Executive Vice President, Head of Strategic Development, Mr. Blumberg's PSUs have different performance metrics. In 2012 and pursuant to Mr. Blumberg's 2012 employment contract, Mr. Blumberg was issued 37,800 shares of restricted stock subject to vesting based upon performance criteria related to acquisitions. For each of the first two Acquisitions, the restrictions on 10,000 of the shares would lapse and be deemed vested upon the closing of such acquisitions. For each of the third and fourth Acquisitions, the restrictions on 8,900 of the shares would lapse and be deemed vested. If the Company did not complete at least four Acquisitions on or before April 30, 2013 (which was extended to July 31, 2013 pursuant to the 2013 amendment to the agreement discussed below), the remainder of the unvested shares would be forfeited. In 2012, 10,000 of such shares vested on consummation of an Acquisition. All Acquisitions are approved by our Board of Directors. We believe this mitigates any risk related to Mr. Blumberg's compensation upon completion of acquisitions.

An Acquisition under Mr. Blumberg's 2012 employment agreement means any direct or indirect investment or acquisition by the Company in or of any entity, business, brand, trademark, or other asset, that closes during the term of the agreement, or, if there is a letter of intent or similar agreement, that closes within 90 days from the end of the term.

In February 2013, Mr. Blumberg's contract was amended, herein referred to as the 2013 amendment. Under the 2013 amendment, Mr. Blumberg was awarded 200,000 PSUs that are subject to performance vesting, and are referred to as the 2013 PSUs. Of the 2013 PSUs, two thirds of them vest in three equal installments beginning on December 31, 2013 subject to the following performance criteria: 22.22% of the 2013 PSUs vest based on the achievement of EBITDA Growth; 22.22% of the 2013 PSUs vest based on the achievement of EPS Growth; and 22.22% of the 2013 PSUs vest based on the achievement of free cash flow. The goals for EBITDA Growth, EPS Growth and free cash flow are determined in the same manner as the 2011 PSUs. The remaining one third of the 2013 PSUs vest upon the closing of Acquisitions (for this purpose, the acquisition must have a value (as defined in the 2013 amendment) of \$5 million) during the extension term, which is the period from February 2, 2013 through January 31, 2016, unless earlier terminated. If the Company closes Acquisitions with an aggregate value of \$200 million or more, all of the PSUs will be deemed to be vested on January 31, 2016, subject to Mr. Blumberg's continued employment.

**RSUs****2008 RSUs**

Mr. Cole was granted 1,181,684 2008 RSUs on February 19, 2008 pursuant to his employment agreement with us. On December 24, 2008, Mr. Cole agreed, in an amendment to his employment agreement, to defer the issuance of 1,181,684 shares of common stock underlying the 2008 RSUs until the earlier of (i) the date Mr. Cole is no longer employed by either (a) us or (b) any corporation or other entity owning, directly or indirectly, 50% or more of our outstanding common stock, or in which we or any such corporation or other entity owns, directly or indirectly, 50% or more of the outstanding capital stock (determined by aggregate voting rights) or other voting interests or (ii) a change in control (as defined in the employment agreement). In consideration of Mr. Cole's agreement to delay the distribution to him of such shares of our common stock to which he will be entitled to receive under the 2008 RSUs as noted above, the employment agreement also provided for the award to Mr. Cole of an annual cash bonus to be granted under our executive incentive bonus plan, in the amount equal to \$500,000 for each of the four completed calendar years commencing with the calendar year from January 1, 2009 through December 31, 2009, and ended with the calendar year from January 1, 2012 through December 31, 2012 if either one of two performance measures specified in the agreement have been satisfied. These performance measures are described under Cash Bonus Compensation.

The 1,181,684 2008 RSUs continue to vest in five substantially equal installments on each December 31st, beginning on December 31, 2008 and subject to Mr. Cole's continuous employment with us, although the delivery of the shares underlying such RSUs has been deferred as described above.

**2011 RSUs**

Each of Messrs. Cole, Clamen and Tarshis received 2011 RSUs which vest as follows:

	Total Number of 2011 RSUs Granted	Number of Equal Installments	First Installment Vesting Date
Neil Cole	204,918	Three	12.31.2013
Warren Clamen	57,648	Three	12.31.2012

<b>Andrew Tarshis</b>	76,864	Four	12.31.2012
-----------------------	--------	------	------------

**Table of Contents**

With respect to Mr. Blumberg, pursuant to his contract amendment entered into in February 2013, Mr. Blumberg received 50,000 RSUs that vest in three equal installments beginning on December 31, 2013.

**Other Restricted Stock Awards**

Messrs. Clamen and Tarshis each received, pursuant to their employment agreements, discretionary equity awards of 13,405 shares of restricted common stock in October 2012 which vest in two equal annual installments over a two year period.

**Stock Ownership**

Ownership levels of common stock align shareholders and executives interests. Although the Company has not adopted stock ownership guidelines, the stock ownership of the named executive officers is considered exemplary as compared with best practices based on ISS Governance Risk Indicators 2012:

Name	2012 salary	ownership value as of 12/31/12	ownership compared to salary as of 12/31/12 <sup>(1)</sup>	best practices
Neil Cole	\$ 1,479,667	\$ 53,274,199	39x	5-8x
Warren Clamen	\$ 450,000	\$ 2,609,766	6x	2-3x
Andrew Tarshis	\$ 450,000	\$ 2,689,761	6x	2-3x
David Blumberg	\$ 400,000	\$ 1,138,703	3x	2-3x

(1) Table (i) does not include any unvested PSUs and (ii) does include unvested RSUs.

**Corporate Governance and Disclosure Changes**

As discussed above, we adopted a Recoupment (Clawback) Policy in 2013. The clawback policy applies if there is restatement of our financial statements that is required, within the previous three years, to correct accounting errors due to material non-compliance with any financial reporting requirements under the federal securities laws. Each of the Company's named executive officers have agreed to be bound by the policy and has acknowledged that the policy covers all outstanding incentive awards.

The new clawback policy applies retroactively to all previous award agreements with our named executive officers and supersedes any clawback provisions in such agreements.

We have also adopted an anti-hedging policy and have amended our Amended and Restated 2009 Equity Incentive Plan to prohibit share recycling, option repricing, cash buy-out of underwater options and paying dividends on unvested restricted stock.

Our Board adopted Corporate Governance Principles which provide, among other things, that the Board will nominate only a candidate who agrees to tender his or her irrevocable resignation promptly upon such person's failure to receive the required vote for election or re-election. Such resignation shall be effective upon Board acceptance of such resignation.

**Tax Deductibility and Accounting Ramifications**

The compensation committee generally takes into account the various tax and accounting ramifications of compensation paid to our executives. When determining amounts of equity-based grants to executives the compensation committee also considers the accounting expense associated with the grants.

The Plan and our other plans, including the executive bonus plan, are intended to allow us to make awards to executive officers that are deductible under the Section 162(m) of the Code, which otherwise sets limits on the tax deductibility of compensation paid to a company's most highly compensated executive officers. The compensation committee will continue to seek ways to limit the impact of Section 162(m). However, the compensation committee also believes that the tax deduction limitation should not compromise our ability to maintain incentive

programs that support the compensation objectives discussed above or compromise our ability to attract and retain executive officers. Achieving these objectives and maintaining flexibility in this regard may therefore result in compensation that is not deductible by us for federal income tax purposes.

### **Assessment of Compensation-Related Risks**

The compensation committee is responsible to assess the risks associated with the Company's compensation practices, policies and programs. This assessment is performed to determine if such risks arising from such practices are appropriate or if they are reasonably likely to have a material adverse effect on the Company. The compensation committee performed this assessment and believes that, for 2012, the compensation policies did not incentivize our named executive officers to take unnecessary risks.

### **Summary**

In summary, we believe that our mix of salary, cash incentives for short-term and long-term performance and the potential for additional equity ownership in our company motivates our management to produce significant returns for our stockholders. Moreover, we also believe that our compensation program strikes an appropriate balance between our interests and needs in operating and further developing our business and suitable compensation levels that can lead to the enhancement of stockholder value.

### **Compensation Committee Interlocks and Insider Participation**

None of the directors on our compensation committee, or who served as a member of our compensation committee at any time during 2012, is or was formerly an officer or employee of the Company or had any relationship or related person transaction requiring disclosure under the rules of the Securities and Exchange Commission. **Table of Contents****Neil Cole**

On January 28, 2008, we entered into an employment agreement, effective as of January 1, 2008, as amended on May 21, 2008, December 24, 2008 (referred to as the original employment agreement) and June 17, 2011 (referred to as the June 2011 amendment), with Neil Cole, chairman of the board, president and chief executive officer. This employment agreement, as amended through June 17, 2011, is referred to as the employment agreement. Pursuant to the June 2011 amendment, the current term of the employment agreement commenced on June 17, 2011, and will continue until December 31, 2015, unless further extended or earlier terminated as provided for in the employment agreement.

Consistent with our philosophy on executive compensation, Mr. Cole's employment agreement reflects a substantial portion of his compensation in the form of long-term equity incentives, including performance stock incentives that vest upon the achievement of specific metrics defined in the agreement, particularly, growth in EBITDA, market capitalization and stock price as measured by targets to be established and certified by the compensation committee.

In connection with the negotiation with Mr. Cole of the employment agreement (including certain amendments thereto), the compensation committee retained JFR as its outside compensation consulting firm to provide advice. In connection with the June 2011 amendment, assisting the compensation committee, JFR performed market research as to compensation levels in similarly capitalized companies in the industry, as well as companies that had achieved similar growth. As various aspects of our business, operations and management are unique, the compensation committee utilized the JFR research as one resource, rather than a stand-alone tool, in assessing the appropriate level of compensation and other terms under Mr. Cole's employment agreement, including the June 2011 amendment.

Under the June 2011 amendment, Mr. Cole was entitled to an annual base salary of \$1,500,000 for the year ended December 31, 2012. Mr. Cole is entitled to such increases (but not decreases) as may be determined by the Board from time to time. In connection with the June 2011 amendment, Mr. Cole received an extension signing bonus of \$3,000,000, which was repayable in full under certain circumstances.

Pursuant to the terms of the original employment agreement Mr. Cole was granted 1,181,684 time-vested restricted common stock, or 2008 RSUs, and 787,789 performance-based restricted common stock units, or 2008 PSUs, under our 2006 Equity Incentive Plan and 2009 Equity Incentive Plan. The 2008 RSUs vest in five substantially equal annual installments commencing on December 31, 2008, subject to Mr. Cole's continuous employment with us on the applicable vesting date, and the 2008 PSUs are subject to vesting based on our achievement of the following performance goals: 50% is tied to the achievement of EBITDA growth, 25% is tied to the achievement of market cap growth, and 25% is tied to the achievement of stock price growth. Both grants are subject to forfeiture or acceleration upon the termination of Mr. Cole's employment under certain circumstances. In addition, Mr. Cole's ability to sell or otherwise transfer the common stock underlying the 2008 RSUs and the 2008 PSUs while he is employed by us is subject to certain stock ownership requirements. Pursuant to the June 2011 amendment, the 2008 RSUs and 2008 PSUs provided for in the original employment agreement shall continue to vest in accordance with the terms of the original employment agreement. See Compensation Discuss and Analysis 2008 PSUs for a discussion of performance criteria for the 2008 PSUs.

In addition, pursuant to the June 2011 amendment, Mr. Cole was granted 204,918 time-vested 2011 RSUs and 1,219,945 2011 PSUs. The 2011 RSUs will vest in three substantially equal annual installments commencing on December 31, 2013, subject to Mr. Cole's continuous employment with us on the applicable vesting date. The 2011 PSUs vested based on our achievement of certain designated performance goals during the four fiscal years beginning with the fiscal year ended December 31, 2012. These goals are based on EBITDA (33 1/3% of PSUs), diluted earnings per share excluding extraordinary items (33 1/3% of PSUs) and free cash flow (33 1/3% of PSUs). For 2012, none of these 2011 PSUs vested, as the following performance criteria were not met. See Compensation Discuss and Analysis 2011 PSUs for a discussion of the performance criteria for the 2011 PSUs. Both the 2011 RSUs and 2011 PSUs are subject to forfeiture upon the termination of Mr. Cole's employment under certain circumstances. Both the 2011 RSUs and the 2011 PSUs are subject to the terms and conditions of the 2009 Equity Plan and the respective award agreements. The June 2011 amendment provides that the original employment agreement shall continue in full force and effect unamended, except to the extent amended by the June 2011 amendment.

On December 24, 2008, we entered into an agreement with Mr. Cole which amended his original employment agreement and the related 2008 RSU agreement to provide, among other things for the deferral of the issuance to Mr. Cole of the 1,181,684 shares of our common stock to which he is entitled to receive under the 2008 RSUs granted to him under the original employment agreement until the earlier of (i) the date Mr. Cole is no longer employed by either (a) us or (b) any corporation or other entity owning, directly or indirectly, 50% or more of our outstanding common stock, or in which we or any such corporation or other entity owns, directly or indirectly, 50% or more of the outstanding capital stock (determined by aggregate voting rights) or other voting interests or (ii) a change in control (as defined in the employment agreement). In consideration of Mr. Cole's agreement to delay the distribution to him of such shares of our common stock to which he will be entitled to receive under the 2008 RSUs as noted above, the agreement also provided for the award to Mr. Cole of an annual cash bonus to be granted under our executive incentive bonus plan, in the amount equal to \$0.5 million for each of the four completed calendar years commencing with the calendar year from January 1, 2009 through December 31, 2009, and ended with the calendar year from January 1, 2012 through December 31, 2012 if either of one of two performance measures specified in the agreement have been satisfied. The two performance measures

are as follows: (a) if the percentage determined by dividing our EBITDA

**Table of Contents**

by our revenues for the calendar year in question places us in the top 50% of the companies contained in the Standard & Poors Small Cap Retailing Index at the end of that calendar year or (b) if our annual revenue percentage growth for the calendar year in question when compared to the immediately preceding calendar year places us in the top 50% of those companies contained in the Standard & Poors Small Cap Retailing Index at the end of that calendar year. The 2011 PSUs and 2011 RSUs granted pursuant to the June 2011 amendment are not subject to the provisions of the December 24, 2008 agreement.

Mr. Cole is also entitled to various benefits, including benefits available to our other senior executives and certain automobile, air travel and life insurance benefits pursuant to the employment agreement.

In addition to his salary and benefits, Mr. Cole is eligible to receive an additional annual cash bonus for each completed calendar year, including as a performance goal thereunder the targets specified in the employment agreement. This cash bonus shall not exceed 150% of Mr. Cole's base salary for the year ended December 31, 2011 and shall not exceed 200% of his base salary for each fiscal year of the term the employment agreement ended after December 31, 2011. The bonus shall be a percentage of the base salary determined based on the level of our consolidated earnings before interest, taxes, depreciation and amortization of fixed assets and intangible assets achieved for such year against a target level established for such year by the compensation committee of our board of directors, in the compensation committee's sole discretion, but with prior consultation with Mr. Cole, as follows:

For the fiscal year ended December 31, 2011:

<b>Annual Level of Targeted EBITDA Achieved</b>	<b>% of Base Salary</b>
less than 80%	0%
80% (threshold)	50%
90%	75%
100% (target)	100%
105%	110%
110%	122.5%
115%	135%
120% or more (maximum)	150%

For fiscal years ended after December 31, 2011:

<b>Annual Level of Targeted EBITDA Achieved</b>	<b>% of Base Salary</b>
less than 80%	0%
80% (threshold)	50%
90%	75%
100% (target)	100%
105%	120%
110%	145%
115%	170%
120% or more (maximum)	200%

Mr. Cole's annual bonus, if earned, will be paid in a lump sum cash payment in the calendar year following the calendar year for which such bonus is earned.

Under Mr. Cole's employment agreement, if we terminate Mr. Cole's employment for cause or if Mr. Cole terminates his employment without good reason, he will receive his earned and/or accrued but unpaid compensation, other than any bonus compensation, then due to him and shares of common stock in respect of any of his already vested 2008 RSUs, 2008 PSUs, 2011 RSUs and 2011 PSUs. If we terminate Mr. Cole's employment without cause or if Mr. Cole terminates his employment for good reason, he will receive, in addition to the foregoing, an amount equal to two times his base salary then in effect plus any previously earned but unpaid annual bonus for a prior fiscal year and a pro-rata portion of the annual bonus for the year of termination. In addition, that portion of his 2008 PSUs and 2011 PSUs subject to vesting in the year of termination based on performance goals achieved as of the date of termination, and 75% of his unvested 2008 RSUs and 2011 RSUs, will vest. If his employment is terminated by us without cause or by him for good reason within 12 months of a change in control, the amount of his base salary-related payment will increase to three times, instead of two times, his base salary then in effect. On a change in control, that portion of his 2008 PSUs that would vest in the year of the change in control or in the future based on performance goals achieved as of the date of the change

of control, and all of his unvested 2008 RSUs will vest. Additionally, upon a change in control any remaining unvested 2011 PSUs and 2011 RSUs shall vest immediately.

**Table of Contents**

If Mr. Cole's employment terminates as a result of his disability or death, he or his estate will be entitled to any previously earned and unpaid compensation then due to him plus any previously earned but unpaid annual bonus for the prior fiscal year and a pro-rata portion of the annual bonus for the year of such termination. In addition, in respect of termination as result of a disability, that portion of his 2008 PSUs and 2011 PSUs subject to vesting in the year of termination based on performance goals achieved as of the date of termination, and 50% of his unvested 2008 RSUs and 2011 RSUs, will vest. In respect of a termination as a result of death, that portion of Mr. Cole's 2008 PSUs subject to vesting in the year of termination based on performance goals achieved as of the date of termination and 100% of the remaining unvested 2011 PSUs, 2008 RSUs and 2011 RSUs, shall vest.

The employment agreement with Mr. Cole also contains certain non-competition and non-solicitation covenants restricting certain activities for periods equal to the term of the agreement and any renewal period plus one and two years, respectively, after the agreement is terminated for any reason.

The Clamen/Tarshis employment agreements provide for the employment of Mr. Tarshis as our executive vice president and general counsel through December 31, 2015 and of Mr. Clamen as our executive vice president and chief financial officer through December 31, 2013.

Under the Clamen employment agreement, Mr. Clamen is entitled to an annual base salary of not less than \$450,000 from November 11, 2011 through December 2012 and \$475,000 during 2013. In addition, each executive is entitled to participate in our executive bonus program and is eligible to receive bonuses of up to 100% of his base salary or such maximum amount available under any executive bonus program generally applicable to our senior executives.

Pursuant to the terms of the Clamen/Tarshis employment agreements, each executive received an award of 3,145 shares of our common stock in 2010. In 2011, Mr. Clamen and Mr. Tarshis received 4,581 shares and 6,871 shares, respectively, of our common stock. Each executive is also entitled to various benefits, including benefits available to our other senior executives and certain automobile, life insurance and medical benefits.

In addition, pursuant to the Clamen/Tarshis employment agreements, (i) Mr. Clamen was granted an award of 57,648 time-vested 2011 RSUs of the Company's common stock, which will vest in three equal annual installments on December 31, 2012, 2013 and 2014, and an award of 57,648 performance-based 2011 PSUs and (ii) Mr. Tarshis received an award of 76,864 2011 RSUs of the Company's common stock, which will vest in four equal annual installments on December 31 of 2012, 2013, 2014 and 2015, and an award of 76,864 PSUs. Under the Clamen/Tarshis employment agreements, the 2011 RSUs are subject to each executive's continuous employment with the Company on the applicable vesting date, and are also subject to acceleration under certain circumstances. The 2011 PSUs will be subject to vesting based on the Company's achievement of certain designated performance goals. Both the 2011 RSUs and 2011 PSUs are subject to forfeiture upon the termination of the executive's employment under certain circumstances. Upon a change in control, any unvested 2011 PSUs and 2011 RSUs shall vest. Upon termination for death or disability, any unvested 2011 PSUs and 2011 RSUs shall vest. Upon termination by the Company for cause or the executive without good reason, unvested 2011 RSUs and 2011 PSUs shall be forfeited. Upon termination by the Company without cause or by the executive with good reason, that portion of the 2011 PSUs subject to vesting in the year of termination based on performance goals achieved as of the termination, and any unvested 2011 RSUs, shall vest. Additionally, if Mr. Clamen's employment agreement is not renewed at the end of its term for at least a year, any remaining unvested 2011 PSUs and 2011 RSUs shall vest. The performance goals for the 2011 PSUs are related to the achievement of EBITDA growth, diluted earnings per share growth and Free Cash Flow and the performance goals for 2012 are discussed in Compensation Discussion & Analysis 2011 PSUs.

In addition, any unvested portion of his stock award will vest. If the employment of an executive is terminated by us without

cause or by him for good reason within 12 months of a change in control (as defined in the Clamen/Tarshis employment agreements), in addition to the foregoing payments he will also receive an amount equal to \$100 less than three times the executive's annualized includable compensation for the base period (as defined in the Internal Revenue Code). If an executive's employment terminates as a result of his disability or death, the executive or his estate will be entitled to any earned and unpaid base salary, plus any prior year bonus and pro rata bonus. In addition, any unvested portion of his stock award will vest.

The Clamen/Tarshis employment agreements also contain confidentiality provisions for specified periods.

**David Blumberg**

On February 26, 2009, we entered into an employment agreement with Mr. David Blumberg, effective as of January 1, 2009 (referred to as the 2009 employment agreement), that provided for the employment of Mr. Blumberg as our Head of Strategic Development for a three-year term. From November 2006 until the commencement of his employment with us in 2009, Mr. Blumberg provided consulting services to us.

Pursuant to the 2009 employment agreement, Mr. Blumberg was entitled to an annual base salary of not less than \$400,000. In addition, Mr. Blumberg was entitled to payments after the closing by us or our subsidiaries of an acquisition (as defined in the 2009 employment agreement) in or of any entity, business, brand, trademark, service mark, patent, license, revenue stream or other asset during the term of the 2009 employment agreement and, under certain circumstances, for a 90 day period after termination of the 2009 employment agreement. Subject to an annual acquisition payment cap of 2.5 times his then current base salary, Mr. Blumberg was to receive \$500,000 for acquisitions that had a value (as defined in the 2009 employment agreement), of \$30 million or more and \$250,000 for acquisitions with a lesser value. Under Mr. Blumberg's 2009 employment agreement, the value of an acquisition generally meant the projected gross revenue stream to be derived by us from such acquisition during the first complete year following the closing of the acquisition, subject to certain adjustments such as deductions for operational and transaction expenses.

In addition, under the 2009 employment agreement Mr. Blumberg was also entitled to receive an award of up to 107,476 shares of our common stock, referred to as the award shares. For each acquisition that closed during a calendar year one sixth of the shares will vest at the end of such calendar year subject to an annual vesting cap specified in the 2009 employment agreement. On December 31, 2011 and 2010, a total of 35,826 and 17,913, respectively, of the award shares were granted to Mr. Blumberg and vested pursuant to the 2009 employment agreement. Mr. Blumberg is also entitled to various benefits, including benefits available to our other senior employees including an automobile allowance and certain life insurance and medical and dental benefits.

If Mr. Blumberg's 2009 employment were terminated by us for cause or by him without good reason (each as defined in the 2009 employment agreement), he would have received his earned and unpaid base salary through the date of termination and shares of common stock in respect of any already vested stock awards, including award shares, or, if the award shares had not been granted, the vested portion of the alternate payment described below. In addition, subject to the acquisition cap, Mr. Blumberg would have received the acquisition payment for any acquisition that closed within 90 days of his termination. If his employment were terminated by us without cause or by him for good reason, he would have received, in addition to the foregoing, an amount equal to his base salary for the remaining 2009 agreement term plus any earned but unpaid annual bonus for a prior year or other completed period (the prior year bonus) and any unvested portion of his stock award would have vested. In addition, subject to the acquisition cap, he would have received the acquisition payment for any acquisition that closed within 90 days of such termination. If his employment is terminated by us without cause or by him for good reason within 12 months of a change in control (as defined in the 2009 employment agreement), in addition to the foregoing payments he would have received had he been terminated without a change of control, he would also have received an amount equal to equal to \$100 less than three (3) times the greater of (i) \$400,000 or (ii) the average of the annual cash compensation received by him on or after January 1, 2009 in his capacity as an employee of the Company during the base period (as defined in Section 280G of the Internal Revenue Code) subject to an excess parachute payment limitation (as defined in Section 280G). Annual cash compensation includes base salary plus any acquisition payments and acquisition bonus payments paid to him. If Mr. Blumberg's employment had terminated as a result of his disability or death, he or his estate would have been entitled to any earned and unpaid base salary, any prior year bonus, any unvested portion of his stock award (which would have vested) and, subject to the acquisition cap, the acquisition payment for any acquisition that closes within 90 days of the date of death or disability.

On March 5, 2012, we entered into a new employment agreement with Mr. David Blumberg, effective as of January 1, 2012 (referred to as the 2012 employment agreement), that provided for the employment of Mr. Blumberg as our Head of Strategic Development for a slightly greater than one-year term. The 2012 employment agreement replaced the 2009 employment agreement and provided for the continued employment of Mr. Blumberg until January 31, 2013.

Under the 2012 employment agreement, Mr. Blumberg was entitled to an annual base salary of not less than \$400,000 and he was eligible to receive cash bonuses based on the achievement of certain designated performance goals related to acquisitions. In addition, Mr. Blumberg was granted an award of 37,800 performance-based restricted shares of the

Company's common stock, subject to vesting upon the closing of eligible acquisitions (as defined in the 2012 employment agreement) during the term of the 2012 employment agreement. The 2012 employment agreement provided for no other share-based awards. The other terms and conditions of the new employment agreement are materially consistent with the 2009 employment agreement. For a discussion of performance goals and what Mr. Blumberg received for 2012, see Compensation Discussion and Analysis Mr. Blumberg's Performance Based Restricted Stock Awards and Cash Bonus Compensation.

In February 2013, we entered into an amendment to the 2012 employment agreement, effective as of February 1, 2013 (referred to as the 2013 amendment), that provides for the employment of Mr. Blumberg as our Head of Strategic Development through January 31, 2016. Pursuant to the 2013 amendment, Mr. Blumberg is entitled to an annual base salary that is not less than \$550,000. In addition, Mr. Blumberg was granted an award of 50,000 time-vested restricted stock units which vest in three equal annual installments on December 31, 2013, 2014 and 2015, subject to Mr. Blumberg's continued employment on the applicable vesting date. Mr. Blumberg also received 200,000 performance-based restricted shares of the Company's common stock, subject to vesting upon the closing of eligible acquisitions during the term of the 2013 amendment and the attainment of specified levels of EBITDA, adjusted earnings per share (diluted) and free cash flow. For a description of these performance goals, see Compensation Discussion and Analysis Mr. Blumberg's Performance Based Restricted Stock Awards and Cash Bonus Compensation. Both the RSUs and PSUs granted to Mr. Blumberg are subject to forfeiture upon the termination of the executive's employment under certain circumstances. Upon a change in control, all of Mr. Blumberg's unvested PSUs and RSUs shall vest. Upon termination for death or disability, all of Mr. Blumberg's unvested PSUs and RSUs shall vest. Upon termination by the Company for cause or the executive without good reason, Mr. Blumberg's unvested RSUs and PSUs shall be forfeited. Upon termination by the Company without cause or by the executive with good reason, that portion of Mr. Blumberg's PSUs subject to vesting in the year of termination based on performance goals achieved as of the termination, and all of Mr. Blumberg's unvested RSUs, shall vest. Additionally, pursuant to the 2013 amendment, Mr. Blumberg is no longer entitled to cash bonuses upon closing of acquisitions, with certain exceptions, including with respect to any acquisition of a target acquisition company (as defined in the 2013 amendment) if such acquisitions close after entering into the 2013 amendment, and prior to July 31, 2013. The cash bonus related to these acquisitions shall not exceed \$750,000. All Acquisitions are approved by our Board of Directors. We believe this mitigates any risk related to Mr. Blumberg's compensation upon completion of acquisitions.

## **Yehuda Shmidman**

On November 17, 2009 we entered into a new employment agreement with Yehuda Shmidman, herein referred to as the Shmidman employment agreement. The Shmidman employment agreement provides for the employment of Mr. Shmidman as our executive vice president of operations for a term of three years. In July 2010, Mr. Shmidman was promoted to chief operating officer.

Under the Shmidman employment agreement, Mr. Shmidman was entitled to an annual base salary of not less than \$350,000, \$375,000 and \$400,000, during the first, second and third years of the term of his employment agreement. In addition, under the employment agreement Mr. Shmidman received a bonus of \$300,000 in 2012 and \$150,000 in 2009 and commencing in 2010 he became eligible to participate in our executive bonus program and was eligible to receive bonuses of up to 100% of his base salary or such maximum amount available under any executive bonus program generally applicable to our senior executives.

Pursuant to the terms of the Shmidman employment agreement, in 2009, Mr. Shmidman received an award of 74,788 shares of our common stock. The shares vest in three equal annual installments with the first installment vesting on November 16, 2010, subject to acceleration under certain circumstances set forth in the Shmidman employment agreement. In 2012, Mr. Shmidman received a discretionary cash bonus of \$300,000 pursuant to his employment agreement. Mr. Shmidman was also entitled to various benefits, including benefits available to our other senior executives and certain automobile, life insurance and medical benefits.

On October 26, 2012 Mr. Shmidman's employment with the Company ceased.

- (1) Mr. Cole was granted 1,181,684 2008 RSUs, and 571,150 2008 PSUs, on February 19, 2008 pursuant to his employment agreement with us. On December 24, 2008, Mr. Cole agreed, in an amendment to his employment agreement, to defer the issuance of 1,181,684 shares of common stock underlying the 2008 RSUs until the earlier of (i) the date Mr. Cole is no longer employed by either (a) us or (b) any corporation or other entity owning, directly or indirectly, 50% or more of our outstanding common stock, or in which we or any such corporation or other entity owns, directly or indirectly, 50% or more of the outstanding capital stock (determined by aggregate voting rights) or other voting interests or (ii) a change in control (as defined in the employment agreement). In consideration of Mr. Cole's agreement to delay the distribution to him of such shares of our common stock to which he will be entitled to receive under the 2008 RSUs as noted above, the agreement also provided for the award to Mr. Cole of an annual cash bonus to be granted under our executive incentive bonus plan, in the amount equal to \$500,000 for each of the four completed calendar years commencing with the calendar year from January 1, 2009 through December 31, 2009, and ending with the calendar year from January 1, 2012 through December 31, 2012 if either one of two

performance measures specified in the agreement have been satisfied. For a discussion of the performance measures, see our Compensation Discussion and Analysis. The 1,181,684 2008 RSUs vested in five substantially equal installments on each December 31st, beginning on December 31, 2008, ending on December 31, 2012. The delivery of the shares underlying such RSUs has been deferred as described above. Mr. Cole was granted 204,918 2011 RSUs and 1,219,945 2011 PSUs on June 17, 2011 pursuant to the June 2011 amendment to his employment agreement with us.

(2) As noted above, Mr. Cole was granted 1,181,684 2008 RSUs and 571,150 2008 PSUs on February 19, 2008 pursuant to his 2008 employment agreement with us. At that time he was also entitled to receive an additional 216,639 2008 PSUs under his 2008 employment agreement. On May 21, 2008, Mr. Cole entered into an agreement with us that provided for the rescission of 256,034 of the previously granted 571,150 2008 PSUs, which rescinded PSUs were then added to 216,639 additional 2008 PSUs he was entitled to under his employment agreement (a total of 472,673 2008 PSUs). These 472,673 2008 PSUs were granted to Mr. Cole in 2009. As noted above, Mr. Cole was granted 204,918 2011 RSUs and 1,219,945 2011 PSUs on June 17, 2011 pursuant to an amendment to his employment agreement with us. In 2012, the Compensation Committee determined that the \$227.8 million EBITDA target was achieved, and, therefore, Mr. Cole earned 78,779 of the 157,558 2008 PSUs that he was eligible to earn for the year ended December 31, 2011. In February 2011, the Compensation Committee determined that the \$194.0 million EBITDA target was achieved, and, therefore, Mr. Cole earned 118,169 of the 157,558 2008 PSUs that he was eligible to earn for the year ended December 31, 2010. In February 2010, the Compensation Committee determined that the \$160 million EBITDA target was achieved, and, therefore, Mr. Cole earned 39,390 of 157,558 2008 PSUs that he was eligible to receive for the year ended December 31, 2009. The other performance goals for the 2008 PSUs involving market capitalization and share price were not achieved with respect to the years ended December 31, 2012, 2011 and 2010.

**POTENTIAL PAYMENTS UPON TERMINATION OR CHANGE IN CONTROL**

As noted under Narrative to Summary Compensation Table-and Plan-Based Awards Table Employment Agreements, we have entered into employment agreements with each of our named executive officers. These agreements provide for certain payments and other benefits if a named executive officer's employment with us is terminated under circumstances specified in his or her respective agreement, including a change in control of the Company. A named executive officer's rights upon the termination of his or her employment will depend upon the circumstances of the termination.

The receipt of the payments and benefits to the named executive officers under their employment agreements are generally conditioned upon their complying with customary non-solicitation, non-competition, confidentiality, non-interference or non-disparagement provisions. By the terms of such agreements, the executives acknowledge that a breach of some or all of the covenants described herein will entitle us to injunctive

relief restraining the commission or continuance of any such breach, in addition to any other available remedies.

**Table of Contents**

Except as provided in the footnotes below, the following table provides the term of such covenants following the termination of employment as it relates to each named executive officer:

Covenant	Neil Cole	Warren Clamen	Andrew Tarshis	David Blumberg	Yehuda Shmidman <sup>(4)</sup>
Confidentiality	Infinite duration	Infinite duration	Infinite duration	Infinite duration	Infinite duration
Non-solicitation	Two years <sup>(1)</sup>	None	None	Two years <sup>(1)</sup>	(3)

Non-interference	(2)	None	None	Two years <sup>(1)</sup>	(3)
Non-disparagement	Five years <sup>(1)</sup>	None	None	None	None

- (1) Covenant runs from the date the executive's employment agreement is terminated.
- (2) Mr. Cole's employment agreement with us provides that during the term and a period of (i) two years thereafter, Mr. Cole cannot solicit our employees, (ii) one year thereafter, Mr. Cole cannot solicit our customers and (iii) one year thereafter, Mr. Cole may not interfere in any manner with our relationship with our vendors.
- (3) Covenant term ended on November 16, 2012.
- (4) Mr. Shmidman ceased being an officer of the Company in October 2012.

**Termination Payments (without a change in control)**

The table below includes a description and the amount of estimated payments and benefits that would be provided by us (or our successor) to each of the named executive officers under each employment agreement, assuming that a termination circumstance occurred as of December 31, 2012 and a change in control had not occurred:

		Neil Cole <sup>(1)</sup>	Warren Clamen <sup>(1)</sup>	Andrew Tarshis <sup>(1)</sup>	Yehuda Shmidman <sup>(1)</sup>	David Blumberg

**Table of Contents**

- 1 See employment agreement descriptions beginning on page 16 for information regarding acceleration of vesting and forfeiture of PSUs and RSUs.
- 2 At December 31, 2012, each named executive officer is assumed to have received all such payments.
- 3 Payable one half in monthly installments, and half on December 31, 2013.
- 4 These amounts are payable in lump sum within 30 days of termination. Assumes that all earned bonuses have been paid.
- 5 All such bonuses are discretionary.
- 6 All such bonuses are performance based.

**Payments Upon Termination Following a Change of Control**

In lieu of the lump sum severance payment upon termination without a change of control, Mr. Cole is entitled upon termination following a change in control to a lump sum payment equal to three times his base salary as then in effect plus any annual bonus earned but unpaid for a prior fiscal year and, if such termination occurs following the Company's first fiscal quarter, a pro-rata portion of the annual bonus Mr. Cole would have earned for the fiscal year in which the termination occurs based on actual results for such year. Such payment is due within 60 days of the date of such termination. Mr. Cole would also be eligible in such circumstances for the continuation of certain medical benefits.

In addition to the payments made upon termination by the Company without cause or termination by the executive for good reason, the employment agreements with Messrs. Tarshis and Clamen provide that, if, within twelve months of a change in control, their employment is terminated by us without cause or they terminate their employment with us for good reason, as all such terms are defined in each employment agreement, we are obligated to make a lump-sum severance payment to each such named executive officer equal to \$100 less than three times the named executive officer's annualized includable compensation for the base period (as defined in Section 280G of the Internal Revenue Code). Under the same circumstances, the employment agreement with Mr. Blumberg obligates us to make a lump-sum severance payment to Mr. Blumberg equal to \$100 less than three times the greater of (i) \$400,000 or (ii) the average of the annual cash compensation received by Mr. Blumberg on or after the effective date of his employment agreement in his capacity as an employee of the Company during the base period (also as defined in Section 280G of the Internal Revenue Code).

Under the circumstances described in the preceding paragraph, all of the named executive officers would be entitled to an accelerated vesting and payment of stock options and restricted stock awards granted to that named executive officer. However, the sum of any lump sum payments, the value of any accelerated vesting of stock options and restricted stock awards, and the value of any other benefits payable to the named executive officer, with the exception of Mr. Cole, may not equal or exceed an amount that would constitute an excess parachute payment (as defined in Section 280G of the Internal Revenue Code). In respect of these named executive officers (again excluding Mr. Cole), such payment is due within 15 days of the date of such termination.

The following table quantifies the estimated maximum amount of payments and benefits under our employment agreements and agreements relating to awards granted under our equity incentive and stock option plans to which the named executive officers would have been entitled upon termination of employment if we had terminated their employment without cause within twelve (12) months following a change in control of our Company that (by assumption) occurred on December 31, 2012 and prior to the expiration of any employment agreements.

- (1) This amount represents: (a) with respect to all PSUs, or RSUs granted during the 2012 calendar year, the unrealized value of the unvested portion of the respective named executive officer's PSUs and/or such RSUs based upon the closing price of our common stock on December 31, 2012, and (b) with respect to all other RSUs, the present value of the accelerated vesting of such RSUs. See the descriptions of the employment agreements beginning on page 16 regarding accelerated vesting of and forfeiture of PSUs and RSUs. For 280G purposes, we have assumed that the accelerated vesting of RSUs on a change in control is a change in control payment.
- (2) Payable within 60 days of termination.
- (3) \$475,000 is payable within 30 days of termination. The difference is due within 15 days of termination.
- (4) Payable within 30 days of termination.
- (5) \$33,333 is payable within 30 days of termination. The difference is due within 15 days of termination.
- (6) Assumes no catch-up vesting of any PSUs.
- (7) Represents 2012 bonus payable plus the present value of the accelerated payment date of such bonus due to a change in control.

**DIRECTOR COMPENSATION**

The compensation committee determined that for each full year of service as a director of our company during 2012, each non-employee member of the Board would receive a cash payment of \$50,000, payable 50% on or about each January 1 and 50% on or about each July 1, and a number of restricted shares of common stock with a fair market value of \$100,000 on January 1, vesting 100% on July 1 of each year. In addition, the compensation committee determined that the audit committee chair would receive an annual stipend of \$15,000, and the chairs of the compensation committee and nominating and governance committee would receive an annual stipend of \$10,000, each payable each July 1.

The following table sets forth compensation information for 2012 for each person who served as a member of our Board of Directors at any time during 2012 who is not also an executive officer. An executive officer who serves on our Board does not receive additional compensation for serving on the Board. See Summary Compensation Table and Grants of Plan-Based Awards Table for disclosures related to our Chairman of the Board, President and Chief Executive Officer, Neil Cole.
