Item 1.01 Entry Into a Material Definitive Agreement.

Transaction Agreement and Conditions Appendix

On May 19, 2013, Actavis, Inc., a Nevada corporation (*Actavis*), entered into a Transaction Agreement (the *Transaction Agreement*) by and among Warner Chilcott plc, a public limited company organized under the laws of Ireland (*Warner Chilcott*), Actavis Limited, a company organized under the laws of Ireland (*New Actavis*), Actavis Ireland Holding Limited, a company organized under the laws of Ireland and a wholly owned subsidiary of New Actavis (*IrSub*), Actavis W.C. Holding LLC, a limited liability company organized in Delaware and a wholly owned subsidiary of New Actavis (*US Holdco*), and Actavis W.C. Holding 2 LLC, a limited liability company organized in Nevada and a wholly owned subsidiary of New Actavis (*MergerSub*). Under the terms of the Transaction Agreement, (a) New Actavis will acquire Warner Chilcott (the *Acquisition*) pursuant to a scheme of arrangement under Section 201, and a capital reduction under Sections 72 and 74, of the Irish Companies Act of 1963 (the *Scheme*) and (b) MergerSub will merge with and into Actavis, with Actavis as the surviving corporation in the merger (the *Merger* and, together with the Acquisition, the *Transactions*). As a result of the Transactions, both Actavis and Warner Chilcott will become wholly owned, indirect subsidiaries of New Actavis. Prior to the closing of the Transactions, New Actavis will re-register as a public limited company, the ordinary shares of which are expected to be listed on the New York Stock Exchange.

At the effective time of the Scheme, (a) Warner Chilcott shareholders will be entitled to receive 0.160 of a newly issued New Actavis ordinary share in exchange for each Warner Chilcott ordinary share held by such shareholders; and (b) each share of Actavis common stock will be converted into the right to receive one New Actavis ordinary share.

The conditions to the implementation of the Transactions are set forth in Appendix III to the announcement (the *Rule 2.5 Announcement*) issued by Warner Chilcott and Actavis pursuant to Rule 2.5 of the Irish Takeover Panel Act, 1997, Takeover Rules 2007, as amended (the *Irish Takeover Rules*) on May 20, 2013 (the *Conditions Appendix*). The Rule 2.5 Announcement was furnished as Exhibit 99.1 to Actavis's Current Report on Form 8-K furnished on May 20, 2013, and the Conditions Appendix is incorporated herein by reference as Exhibit 2.2. The implementation of the Transactions is conditional, among other things, upon:

the adoption of the Transaction Agreement by Actavis shareholders holding a majority of the outstanding shares of Actavis common stock;

the approval of the Scheme by a majority in number of the Warner Chilcott shareholders representing 75% or more in value of the Warner Chilcott ordinary shares held by such holders, present and voting either in person or by proxy, at a special meeting of Warner Chilcott shareholders, and the approval by Warner Chilcott shareholders of certain other resolutions, and the sanction by the Irish High Court of the Scheme;

the approval by the New York Stock Exchange for listing (subject to satisfaction of any conditions to which such approval is expressed to be subject) of the New Actavis shares to be issued in the Acquisition and the Merger;

all applicable waiting periods under the Hart-Scott-Rodino Antitrust Improvements Act of 1976 having expired or having been terminated, in each case in connection with the Acquisition; and to the extent that the Acquisition requires regulatory clearances or approvals in non-U.S. jurisdictions, all such regulatory clearances and approvals shall have been obtained and remain in full force and effect and applicable waiting periods shall have expired, lapsed or terminated (as appropriate), in each case in connection with the Acquisition, under the antitrust, competition or foreign investment laws of these jurisdictions, but only where (other than in certain specified countries) the failure to obtain such regulatory clearance in such jurisdiction could reasonably be expected to be material to New Actavis following the consummation of the Transactions;

no injunction, restraint or prohibition by any court of competent jurisdiction or antitrust order by any governmental authority which prohibits consummation of the Acquisition or the Merger having been entered and which is continuing to be in effect; and

the Registration Statement on Form S-4 to be filed by New Actavis in connection with the Transactions having become effective under the Securities Act of 1933 and not being the subject of any stop order or proceedings seeking any stop order.

In addition, subject in certain instances to the approval of the Irish Takeover Panel, each party's obligation to effect the Acquisition is conditional, among other things, upon:

the accuracy of the other party's representations and warranties in the Transaction Agreement, subject to specified materiality standards; and

the performance by the other party of its obligations under the Transaction Agreement in all material respects.

Pursuant to the Transaction Agreement, effective as of the closing of the Transactions, the number of directors that comprise the full board of directors of New Actavis shall be no more than twelve, and such board of directors shall consist of (i) no more than seven members of the Actavis board of directors as of immediately prior to the closing of the Acquisition and (ii) five individuals who shall be members of the Warner Chilcott board of directors as of the date of the Transaction Agreement, to be selected by the governance committee of the Actavis board of directors provided, however, that upon written notice from Actavis to Warner Chilcott, only four individuals who shall be members of the Warner Chilcott board of directors as of the date of the Transaction Agreement shall be designated to the New Actavis board of directors, and the remaining position on the New Actavis board of directors shall be filled by a new independent director to be selected by the governance committee of the Actavis board of directors.

Pursuant to the Transaction Agreement, each outstanding Warner Chilcott equity-based award will be assumed by New Actavis and converted into a New Actavis award with the same terms and conditions on the basis of 0.160 New Actavis ordinary share for each Warner Chilcott ordinary share (except that, subject to regulatory approval, certain options held by executive officers and directors that would otherwise be subject to adverse tax consequences will be cancelled in exchange for the transaction consideration to which other Warner Chilcott shareholders are entitled net of exercise price and applicable withholding taxes). The holder of any award of restricted shares or restricted share units that is vested as of the effective time will be treated on the same basis as other Warner Chilcott shareholders (less applicable withholding taxes). Further, outstanding Actavis equity-based awards will be assumed by New Actavis and converted into New Actavis awards with the same terms and conditions on the basis of one New Actavis ordinary share for each Actavis share (except that, subject to regulatory approval, certain awards held by executive officers and directors that would otherwise be subject to adverse tax consequences will be cancelled in exchange for New Actavis shares, net of exercise price, if applicable, and applicable withholding taxes).

The Transaction Agreement contains customary representations, warranties and covenants by Actavis and Warner Chilcott. Each of Warner Chilcott and Actavis has agreed, among other things, subject to certain exceptions, not to solicit any offer or proposal for specified alternative transactions, or to participate in discussions regarding such an offer or proposal with, or furnish any nonpublic information regarding such an offer or proposal to, any person that has made or, to its knowledge, is considering making such an offer or proposal. In addition, certain covenants require each of the parties to use, subject to the terms and conditions of the Transaction Agreement, all reasonable endeavors to cause the Transactions to be consummated. Subject to certain exceptions, the Transaction Agreement also requires each of Actavis and Warner Chilcott to call and hold shareholders' meetings and requires the boards of directors of Actavis and Warner Chilcott to recommend approval of the Transactions.

The Transaction Agreement contains certain customary termination rights, including, among others, (a) the right of either Warner Chilcott or Actavis to terminate the agreement if either party's shareholders fail to approve the Transactions, (b) the right of either Warner Chilcott or Actavis to terminate the Transaction Agreement if the board of directors of the other party changes its recommendation to approve the Transactions, (c) the right of Warner Chilcott to terminate the Transaction Agreement to enter into an agreement providing for a Superior Proposal as defined in the

Transaction Agreement, (d) the right of either Warner Chilcott or Actavis to terminate the Transaction Agreement if the Scheme shall not have become effective by the date that is nine months after the date of the Transaction Agreement (the End Date), subject to certain conditions, provided that the End Date shall be extended by an additional three months in certain circumstances and (e) the right of either Warner Chilcott or Actavis to terminate the Transaction Agreement due to a material breach by the other party of any of its representations, warranties or covenants, subject to certain conditions. The Transaction Agreement also provides that if the Transaction Agreement is terminated in certain specified circumstances, then Actavis shall pay to Warner Chilcott an amount equal to \$160,000,000, subject to reduction in certain circumstances.

Expenses Reimbursement Agreement

In addition, on May 19, 2013, Actavis and Warner Chilcott entered into an Expenses Reimbursement Agreement (ERA), the terms of which have been approved by the Irish Takeover Panel. Under the ERA, Warner Chilcott has agreed to pay to Actavis the documented, specific and quantifiable third party costs and expenses incurred by Actavis in connection with the Acquisition upon the termination of the Transaction Agreement in certain specified circumstances. The maximum amount payable by Warner Chilcott to Actavis pursuant to the ERA is an amount equal to one percent of the aggregate value of the issued share capital of Warner Chilcott as ascribed by the terms of the Acquisition.

The foregoing description of the terms of the Transaction Agreement, the Conditions Appendix and the ERA are only summaries, and do not purport to be complete, and are qualified in their entirety by the complete text of the Transaction Agreement, the Conditions Appendix and the ERA, copies of which are filed as Exhibits 2.1, 2.2 and 2.3 hereto and incorporated herein by reference. The documents attached hereto have been included to provide investors with information regarding their terms. The Transaction Agreement contains representations and warranties made by and to the parties thereto as of specific dates. The statements embodied in those representations and warranties were made for purposes of the contracts between the parties and may be subject to qualifications and limitations agreed by the parties in connection with negotiating the terms of those contracts. In addition, certain representations and warranties were made as of a specified date, may be subject to a contractual standard of materiality different from those generally applicable to investors, or may have been used for the purpose of allocating risk between the parties rather than establishing matters as facts.
