* A securities rating is not a recommendation to buy, sell or hold securities and may be subject to withdrawal at any time. It is expected that delivery of the certificates will be made on or about June 20, 2013, which is the sixth business day (T+6) following the date of the prospectus supplement. Under Rule 15c6-1 under the Securities Exchange Act of 1934, as amended, trades in the secondary market generally are required to settle in three business days (T+3), unless the parties to any such trade expressly agree otherwise. Accordingly, purchasers who wish to trade the certificates on the date of the prospectus supplement or the next business day will be required to specify an alternate settlement cycle at the time of any such trade to prevent a failed settlement. Purchasers of the certificates who wish to trade the certificates on the date of the prospectus supplement or the next business day should consult their own advisors.

¹ Each tranche pays sequentially.

² The weighted average lives assume a closing date of June 20, 2013.
